AUDARYA ENHANCES FANSHAWE’S PORTFOLIO

By Emma Berry

Last Saturday at Keeneland was a banner day for the European Breeders' Cup raiders, who won all four of the races on turf. While Aidan O'Brien, who trained the first three home in the GI Breeders’ Cup Mile, has enjoyed his fair share of success at the meeting over the years, there were first-time victories for Dermot Weld, James Fanshawe and Kevin Ryan.

Fanshawe’s Pegasus Stables welcomed home Alison Swinburn’s Filly & Mare Turf winner Audarya (Fr) (Wootton Bassett {GB}) on Thursday and, while she will soon be off on her winter holiday, she will return to training next year following a season which also included victory in the G1 Prix Jean Romanet in August. ADVERTISE LEADS NATIONAL STUD ROSTER

Three-time Group 1-winning sprinter Advertise (GB) leads the 2021 stallion roster at the National Stud, where he will once again stand for £25,000. The son of Showcasing, who won the G1 Phoenix S. at two and the G1 Commonwealth Cup (in race record time) and the G1 Prix Maurice de Gheest at three for trainer Martyn Meade, is out of the Pivotal (GB) mare Furbelow. He is the first six-furlong Group 1 winner at two and three to retire to stud in the UK since his grandsire Oasis Dream (GB).

Advertise was supported by 67 black-type producers or performers in his first book last year including the dams of Group 1 winners Aclaim (Ire), Dick Whittington (Ire) and Maarek (GB).

The aforementioned Aclaim, the winner of the G1 Prix de la Foret and G2 Park S. also for Meade, will be available at the National Stud next year for £9,500. The son of Acclamation (GB) from the family of Montjeu (Ire) and the G1 Irish 1000 Guineas winner Again (Ire) (Danehill Dancer {Ire}) had his first yearlings this year, and they sold for up to 145,000gnls to Shadwell.

Also with his first yearlings this year was Time Test (GB), and they made up to 150,000gnls. The Juddmonte bred and raced four-time group-winning son of Dubawi (Ire) will stand for £8,500 in 2021.

The National Stud roster is rounded out by Rajasinghe (Ire) and Flag Of Honour (Ire), who will each stand for £3,000.
Audarya Enhances Fanshawe’s Portfolio cont. from p1

“She got back safely and she’s been out in the playpen,” reported Fanshawe from quarantine in Newmarket on Friday. “She will be turned out on Monday at Fittocks Stud with The Tin Man.”

The trip to Kentucky was the first experience of the Breeders’ Cup for Fanshawe and his wife Jacko, whose wild cheering as Audarya hit the front in the home stretch was captured on television and splashed across social media. “I could have killed the cameraman who caught us during the last few furlongs but I do think it shows just what it means to us,” he said. “The way Audarya stuck her head down and was so tenacious, she wanted to win. I’ve never had so many texts, emails and letters after a race. It has been really great and I’m very grateful for that because this year, with Covid, everything has been very different. But at the Breeders’ Cup, with Kevin [Ryan] winning the Sprint, and maybe because of the circumstances of the lockdown and lots of people watching on TV, they really got behind us. The whole week there was real camaraderie among the Europeans. We were all away from home together and we won four of the turf races. It was brilliant.”

The Breeders’ Cup victory was a major addition to a tally of big-race wins of significant breadth. While some trainers can easily be categorised, it would be hard to put Fanshawe in a pigeonhole, except to say that a hallmark of his fine record, both on the Flat and over jumps, is a commodity that is all too rare in today’s racing world: patience.

From Group 1-winning sprinters Frizzante (GB) (Efisio {GB}), Society Rock (Ire) (Rock Of Gibraltar {Ire}) and The Tin Man (GB) (Equiano {Fr}) to crack miler Soviet Song (Ire) (Marju {Ire}), top-class stayers Invermark (GB) (Machiavellian) and Arctic Owl (GB) (Most Welcome {GB}) and two Champion hurdlers in Royal Gait (GB) (Gunner B {GB}) and Hors La Loi (Fr) (Cyborg {FR}), Fanshawe has masterminded the careers of horses across all distances and codes. He has had a decent share of smart fillies among them.

Indeed, when Audarya leapt from winning a Newcastle handicap to landing the Jean Romanet at Deauville, it was the third time in seven years that the Group 1 contest had fallen to a horse from his stable. Elite Racing Club’s Ribbons (GB) (Manduro {Ger}) got the ball rolling in 2014, followed two years later by Meon Valley Stud’s Speedy Boarding (GB) (Shamardal).

"In the past when we’ve had a good filly, I’ve always tried to get the first race of the season right, or go somewhere not too ambitious to start with," Fanshawe said. "I’d be lying if I said at the beginning of the season that I thought this would be where we’d end up. But we started Soviet Song in the same Kempton listed race as Audarya, the Snowdrop S., and Soviet Song was second and then she ended up winning three Group 1 races that year. So that’s always been a race that I like to start the season with for an older filly, but it was a very hot race this year, won by Nazeef (GB)."

He continued, "Because it was a late start to the season everyone was short of somewhere to have their first run and it was quite close to Ascot. Audarya was eighth, she got no run but ran a very good race, much better than the final result suggested.

"She was showing me all the signs at home but I never asked her too many questions because I’m trying to keep her relaxed all the time, rather than finding out how good she is. We knew she was good, and she has told us exactly how good in the end. It has been a gradual progression."

Few horses experience completely unhindered progression, however, and following the Snowdrop, a sixth-place finish in a listed contest at Pontefract required a step back out of stakes company as Fanshawe and his team regrouped.

"I don’t know what happened at Pontefract but it rained and the race got away from her, she just never got into it and it was just a disaster," the trainer recalled. "We felt we just needed to get her back on track and forget about any group or listed races. She was rated 99 and there was an attractive race at Newcastle. We wanted to get her back up to a mile and a quarter on a nice galloping track.

“After she won that the only two next potential group races were the Atalanta S., which was back to a mile again, or the Jean Romanet, which was a mile and a quarter and for 4-year-olds and upwards. They were both on the same day so we went to France.”

In hindsight, there were plenty of Breeders’ Cup clues on offer from Audarya's second French trip this year when she was third in the G1 Prix de l'Opera, won by subsequent Longines Breeders’ Cup Turf winner Tarnawa (Ire) (Shamardal). Clearly, Fanshawe is no stranger to travelling with his horses, and beyond Europe he has had success in Canada with GI E.P. Taylor S. winner Wandering Star (Red Ransom) and Canadian International runner-up Dandino (GB) (Dansili {GB}), while he has also had two fifth-place finishers in the Melbourne Cup. Even so, he still called upon his former boss Sir Michael Stoute before his trip to Keeneland.

He said, "I went to see Michael just for a refresher and to go over the preparations and what he thought was best, just in case I hadn't thought of anything."

The two drawbacks to an otherwise successful venture were Alison Swinburn being unable to travel to America and Ioritz Menidazabal, who rode Audarya to victory at Deauville, testing positive for Covid prior to the meeting and thus being forced to hand the reins to 'super-sub' Pierre-Charles Boudot.

"Alison has two in training here and is involved in most of our Fred Archer syndicate horses. She's been a great supporter," Fanshawe said of the daughter of former trainer and successful owner-breeder Peter Harris. "Her father is still extremely enthusiastic and they were watching the race together.

"I spoke to Ioritz afterwards and he said he felt fine even though he had tested positive. It's a terrible shame but it's great news that Audarya is coming back into training next year. She has improved all year this year and she has plenty of scope, so it's really good that Alison has decided to keep her in training."

The year has also marked a changing of the guard at Pegasus Stables. Fanshawe's former assistant trainer Kevin Philippart de Foy has left after a four-year stint to start his own training operation on the opposite side of Newmarket, leaving that role open for Fanshawe's son Tom, who returned from Australia earlier this year, where his experience included a stint working for Newmarket ex-pat Matt Cumani.

"Kevin was obviously a big help and now he's setting up on his own," said Fanshawe. "Tom has been involved here since he was a teenager really but he's recently spent two years in Australia and it's done him the world of good. He's very keen to learn and he's working really hard.

"But we have a really good team, with the head lads Andy Hopkins and Alex Cairns, and Janet Anderson, who runs everything. Daniel Muscutt was really helpful to Audarya in her early days, he got her racing properly. Geoffroy de la Sayette rides her every day and he went out to Kentucky with her, so it really is a big team effort."

He added, "We haven't got the biggest string in the town but hopefully when we get a good one we can make sure they fulfil their potential."

It's a fact with which anyone who has been following the versatile Fanshawe stable over the last 30 years will certainly agree.

HIGHCLERE UNVEILS FEES, INCENTIVES

Highclere Stud has announced that its resident stallions Cable Bay (Ire) and Land Force (Ire) will stand for £8,000 and £5,000, respectively, in 2021, and has also unveiled new incentives for breeders alongside its regular Oct. 1 SLF terms.

Highclere’s 50/50 Terms will allow breeders to pay half of the nomination fee on Oct. 1 SLF, with the remaining 50% payable when the progeny reaches its “target price”–triple the stud fee–at public auction as a foal or yearling. The target price for Cable Bay is 24,000 (£/gns) and 15,000 (£/gns) for Land Force. If the breeder places a reserve on the horse in excess of the target price, the remaining 50% fee would become payable.
Highclere Unveils Fees, Incentives cont.

Should the breeder subsequently decide not to sell the horse at public auction, the remaining 50% fee would also become payable.

Additionally, Highclere’s new Euros4Euros terms will allow breeders from EU countries sending mares to pay the advertised fees in Euros.

“We are offering these simple ideas to give breeders more flexibility within the commercial breeding market in these more challenging times,” said Highclere’s Jake Warren. “Both Cable Bay and Land Force were extremely popular in 2020 covering big books, which now gives breeders excellent crops to follow with both stallions. However, if they do happen to fall short of the target price, using 50/50 will protect their investment. We also hope that launching Euros4Euros for European breeders encourages our valued customers across Europe to travel their mares whilst also simplifying things should they wish to use 50/50 terms as well.”

AL WUKAIR FILLY TOPS ARQANA YEARLINGS

The first of four sessions of the Arqana Autumn Yearling Sale took place on Saturday with a day dedicated to flat-bred yearlings. After scratches, 214 youngsters went under the hammer, with 156 finding new homes for a clearance rate of 72.9%. A total of €1,092,000 was accrued, at an average price of €7,000 and a median of €5,000. Last year’s yearling session, which took place at the end of the sale, saw 147 yearlings sold (83.5%) for an average of €8,044 and a median of €6,500.

Sebastian Desmontils’s Chauvigny Global Equine signed for three of the top five lots on Saturday on behalf of various trainers. Leading the way was Quesnay’s Al Wukair (Ire) half-sister to the listed-placed Tres Forte (Fr) (Whipper) (lot 233), who fetched €57,000 with Desmontils acting on behalf of trainer George Baker. This is the first crop of yearlings for Al Wukair.

Desmontils was working on behalf of trainer Henri Devin when he went to €26,000 for lot 175, a filly by Doctor Dino (Fr), and for Mathieu Brasme when he signed for lot 9, a colt by Pedro The Great, for €26,000.

The top-priced colt of the session was Haras des Pierres Follets’s Pedro The Great colt from the family of American champion mare Questing (lot 240).

Dubai Warrior posted a career high in the Feb. 22 G3 Winter Derby over course and distance, but was off for 134 days before running fifth back on the turf in Sandown’s July 5 Listed Gala S. and again for another 132 since that latest effort. The 4-9 lock tracked a sedate tempo in third through the initial stages and improved one spot into second at halfway. Looming large with three furlongs remaining, he went to the front rounding the home turn and was ridden clear inside the final furlong to easily outclass Sinjaari (Ire) (Camelot {GB}) for a third black-type win.

“He has always been a big boy and he is still a bit big,” said winning rider Rab Havlin. “He’s not one we bully at home so he will come on for the run. I only thought the pace was strong for two furlongs down the back and then it steadied up again, but this lad knows his way around here. He took a blow with me turning in, which worried me for a stride or two, but then off he went before looking at the big screen as he normally does. He has run twice on turf and doesn’t want soft ground as he’s a real good mover who floats along. We will have to pick our races carefully, but I am sure the boss has a plan.”

Dubai Warrior, kin to the once-raced and placed 3-year-old filly Moohareeba (GB) (Invincible Spirit {Ire}) and an unraced 2-year-old filly by Kingman (GB), is the third of five foals and one of two pattern-race winners produced by G1 Golden Slipper-winning South African champion Mahbooba (Aus) (Galileo {Ire}). The March-foaled homebred is also a full-brother to G3 Diamond S. victor Mootasadir (GB) and hails from a family featuring GISW US champion Shamrock Rose (First Dude) and MGSW sire Slew the Red (Red Ransom).

KAHMA LASS TAKES
NZ 1000 GUINEAS

by Paul Vettise

Jamie Richards turned his stable’s carnival fortunes around in spectacular fashion on the closing day of the New Zealand Cup meeting with five winners at Riccarton, including the biggest prize of all.

Matamata trainer Richards admitted the week hadn’t gone entirely to plan, but it ended on a high on Saturday with Kahma Lass (NZ) (Darci Brahma {NZ}) landing the G1 Barneswood Farm New Zealand 1000 Guineas with barnmate Cornflower Blue (NZ) (Savabeel) third.

Their stablemate Avonalla (NZ) (Belardo {Ire}) also won the Listed Frantic Bloodstock Welcome S. while Summer Monsoon (Stratum), Remmington (NZ) (Darci Brahma {NZ}) and Markus Aurelius (NZ) (Ghibellines) were successful in undercard events.

Festivity (I Am Invincible) was successful at Tauranga.

“It hadn’t been the best of carnivals for us to be fair until today so it’s fantastic and it’s a great team effort by all the staff,” Richards said. “Dad (Paul) has been down here with the horses and I can’t thank all the team enough.”

Raced by Cambridge Stud principals Brendan and Jo Lindsay, Kahma Lass was making just her fourth race-day appearance and had been a previous winner at Avondale before she finished runner-up in the G3 Soliloquy S.

Sporting the proven Group 1 colours of top mare Probabeel (NZ) (Savabeel), rider Opie Bosson had the filly in midfield and once he got her into clear air she responded positively in the straight.

“The race worked out pretty well in the end. There wasn’t a lot of tempo and she got up on heels at the half-mile before getting to the outside and that was probably the winning of the race,” Richards said.

“She’s a good filly and we had the right man on board and we get a big thrill out of winning races for Brendan and Jo, they are big supporters of ours.”

“She had gone the right way since her last race and her work at home had been pretty sharp. There were a few hairy moments when the plane was held up on Thursday, but she got here in good shape.”

Kahma Lass has benefitted from a patient approach and, despite winning a trial last season, it was decided not to race her as a juvenile.

“We knew she was pretty sharp when she trialled up at Te Aroha as a 2-year-old, but she needed a bit of time. That’s the good thing about training for Brendan and Jo, nothing is a problem and they give them the time they need,” Richards said.

Richards was also thrilled with the effort of Cornflower Blue, who lodged her bid closer to the fence where the ground was worn after three days of racing.

“She was in the worst of the ground so she ran very well in a fantastic result, for us” he said. Cont. p2

Bred by Nearco Stud, Kahma Lass was bought out of Curraghmore’s draft at the New Zealand Bloodstock Yearling Sale for NZ$290,000 and signed for by Te Akau’s David Ellis.

“Wasn’t that just fantastic, I could see she was going well at the top of the straight and my goodness, what a ride,” Brendan Lindsay said. “We thought we had a chance, but there were a lot of really good fillies in the race.”

Delighted Bosson

For Bosson, he was delighted to be back in the winner’s circle in the Cambridge Stud colours.

“They have been pretty good to me in the last few years and to get another Group 1 is awesome,” he said. “She over-raced a bit when they eased up in the middle stages and I ended up behind Tinker McPhee, which was just ideal.

“Turning for home, I had a lap full of horse and the splits all came at the right time.”

Splitting the Richards stablemates was Miss Tycoon Rose (Written Tycoon), who powered home from well back in the field and Tinker McPhee (Nostradamus) who finished fourth.

That was her farewell performance as she will now join Chris Waller’s Sydney stable with original Australian-based owner Richard Boyd remaining in the new group to race the filly following a deal struck with the team behind the six-time Group 1 winner Verry Elleegant (NZ) (Zed {NZ}).

Pedigree Notes:

Kahma Lass was bred by Greg Tomlinson’s Nearco Stud and is the 11th individual Group 1 winner sired by The Oaks Stud stalwart Darci Brahma, himself a multiple top-flight winner. His latest success story was offered at New Zealand Bloodstock’s National Yearling Sale by Curraghmore and bought on behalf of Cambridge Stud’s Brendan and Jo Lindsay for NZ$290,000 with Te Akau’s David Ellis signing the ticket.

She is a sister to the Singapore stakes winner Distinctive Darci (NZ) and a half-sister to the multiple black-type winner Kuro (Denman). Further back in the pedigree is the dual Group 1 winner Bomber Bill (Air De France), whose sister Camargue won the G3 Thoroughbred Club S.

FROM ME TO CA, THESE TRACKS ARE GONE BUT NOT FORGOTTEN

by Bill Finley

Do you remember Bowie? The Marshfield Fair? Or, how about Liberty Bell? I do. I’ve been to them all.

Someone sent me a link the other day to a list of all the defunct racetracks in the country and it got me thinking how sad it was that I had been to so many that have disappeared into the ether. That and whether or not I hold some sort of unofficial record of having attended more former racetracks than anyone else. I have been to 28 North American tracks that no longer operate Thoroughbred racing.

I started compiling the list when I was just a small child and my father would take me to the local tracks near Philadelphia and along on a lot of his business trips so that we could visit a new track in a new town. It grew when I attended college and picked up the Massachusetts fairs, Suffolk Downs and Rockingham, all of them now gone. My early years as a racing writer took me to places like Hialeah and Hollywood Park. One is a casino, the other a football stadium. There are so many that were unable to make it in an era where outside competition for the gambling dollar, real estate values and racing’s struggles to expand its fan base have made staying in business hard to do.

MO TOWN COLT LEADS THE WAY INTO BOOK 4 AT KEENELAND

by Brian DiDonato

A total of 265 head changed hands for gross receipts of $6,278,400 Saturday during the first of two Book 4 sessions of the Keeneland November Breeding Stock Sale. The average price was $23,692 and median was $15,000. The RNA rate was a notably low 16.4%. While year-to-year comparisons are perhaps slightly inexact due to a smaller KEENOV catalog this year, during last year’s corresponding sixth session the average was $29,426 and median was $20,000 with a 24.7% buyback rate.

Topping the day’s trade Saturday was hip 1913, a colt from the first crop of Mo Town purchased by agent Davant Latham for $185,000. Consigned by Alliance Sales Agency, the Jan. 18 foal hails from the female family of recent local GI Lexus Raven Run S. heroine Venetian Harbor (Munnings) and Hall of Fame sprinter Safely Kept. Finley cont. from p1

In a few days, I will be able to look back on the 48th anniversary of the first time I saw Secretariat run in person. It was Nov. 18, 1972 and I lived in the Center City section of Philadelphia and, of course, our family was not going to miss the opportunity to see Secretariat run in person in the Garden State Stakes. He was on the verge of superstardom and his appearance at the Cherry Hill, New Jersey, track drew a crowd of 25,175. The great horse did not disappoint, winning by 3 1/2 lengths in his final start as a 2-year-old, cementing his first of two Horse of the Year titles.

The track burned to the ground in 1977, but was resurrected in 1985 by Bob Brennan. The new Garden State was supposed to be "the track of the 21st century" but come the early 2000s, its days were numbered. Unable to compete with the Atlantic City casinos and with too many racetracks in the Mid-Atlantic region for horseplayers to choose from, it limped to the finish line and never ran again after a short meet that ended in May of 2001.

Today, over the hallowed ground over which Secretariat, Bold Ruler, Kelso, Dr. Fager, Citation galloped down the stretch you can find a Cheesecake Factory. Very depressing.

Through the seventies and eighties I made many a trip, as well, to Atlantic City Race Course. My brother worked for Philly's afternoon paper, the Philadelphia Bulletin, and, after his workday was done, we'd make the short trip down the Atlantic City Expressway to catch the last half of the card. Like Suffolk, Atlantic City limped along for years with short meets that allowed them to maintain their license, but ceased racing after 2014. The track still sits there, its owners trying to figure out what to do with the property.
Finley cont.

The tracks I really miss are the ones in New England that were such a huge part of my life while I majored in Suffolk Downs and minored in economics while a student at Tufts University. There was a time when there were tracks in Massachusetts, New Hampshire, Vermont, Rhode Island and Maine. They are all gone, leaving an entire region of the country that once embraced racing without a single track.

I made it to the old Rockingham once, early on in my freshman year, before it, too, burned down, in 1980. It was rebuilt and reopened four years later, but the new Rockingham was one of those places where there was no there there. It ran its last Thoroughbred race in 2002.

My favorite track, maybe of all time, was Suffolk Downs. I had an affinity for a hardscrabble, blue-collar, unpretentious track nestled between oil tanks where much of the racing was conducted during the harsh New England winter. For those who prefer Saratoga, Del Mar, Santa Anita, I don’t expect you to understand.

Suffolk Downs held on as long as it could, holding five or six-day meets to keep its license while ownership hoped to be granted a casino license. When Suffolk lost its bid, it was over. The track last raced June 30, 2019, and I was there to say goodbye. The property will soon be developed and include housing, stores, offices, you know, the usual stuff.

Everybody who went to the fairs had a story about the fairs, like seeing 17-year-old Golden Arrow win at Great Barrington in 1978 or the time Zippy Chippy finished second at Northampton in his 98th attempt to break his maiden. And who can forget all the races that were fixed? There were hundreds of them over the years.

The fairs were so popular that a crowd of 27,048 once showed up at Great Barrington, which called itself "the Belmont of the Berkshires." But they were a product of a very different time in racing. Northampton was the last survivor, running its last race in 2005. The fairs at Marshfield and Northampton continue to this day. Great Barrington has completely closed but there was talk before COVID-19 that it would be revived and run some of the dates normally reserved for Suffolk Downs.

I caught Ak-Sar-Ben near the very end. The same racetrack that once regularly drew 25,000 people Saturdays was crippled by competition from casinos in bordering states. It last raced in 1995 and the property has been converted to something called Aksarben Village, a development that includes part of the campus of University Nebraska-Omaha and a Godfather’s Pizza shop. I imagine Ak-Sar-Ben was a great track in its prime.

Bay Meadows is gone. So is Beulah Park, the Woodlands, Bowie, Liberty Bell, Sportsman’s Park, Manor Downs. I have been to them all. Green Mountain, which hadn’t run Thoroughbreds since 1976, burned to the ground in a suspicious fire just this last September. I remember taking the short trip over from Saratoga to catch a card at what was one of the sport’s most remote racetracks.

There was no saving most of these tracks. The exception is Hialeah. When it comes to sheer beauty and class, there was a time when it had no equal. To this day, the track’s website refers to it as "the world’s most beautiful race course." Losing out on a war for the prime Florida dates, it became less relevant with each passing year until it ran its last Thoroughbred race in 2001. But still it sits there, kept somewhat alive by slot machines and fake quarter horse races. That the sport has never come together and found a way to bring Hialeah back to life is a failure that should have been corrected long ago.

There will be a new member to this list in just a few weeks. Calder/Gulfstream Park West is set to close for good after the Nov. 28 card. That will make my number 29. I'd be fine if it stopped right there.

The session’s second topper was also a foal by a stallion from a hot sire line, as trainer Wesley Ward went to $170,000 to secure a Practical Joke filly (hip 2088) from the Four Star Sales draft. Practical Joke weanlings brought $185,000 and $150,000 during the prior session.

Hip 2088 is out of a half-sister to GSWs Adventist (Any Given Saturday) and Dijeerr (Danzig). George E. Bates, Trustee purchased dam Yankee Bright (Elusive Quality) for just $1,000 in foal to Laoban here two years ago. The resulting foal was sold the next year for $2,000.

The day’s top broodmare was 3-year-old Dane (Dansili {GB}), who sold to H.F. Farm for $150,000 in foal to Demarchelier (GB). Consigned by Claiborne Farm as hip 2174, the bay was a €410,000 in utero purchase by Peter Brant’s White Birch Farm at the 2016 Goffs November sale. Her dam is Group 2 winner Peinture Rare (Ire) (Sadler’s Wells), a half-sister to European Horse of the Year and sire Peintre Celebre (Nureyev).

Through three and a half books, not counting post-sale transactions, 1,247 horses have sold for $134,979,400. The average is $108,243 and median is $55,000, while the RNA rate is 23.4%.

The trend continued Saturday of more and more horses selling online each session—39 were bought online Saturday for a combined $954,600. A total of 150 horses have now been sold electronically for $14,653,600.

Selling begins again Sunday at 10:00 a.m. ET and continues through Wednesday. Visit www.keeneland.com for more information. Cont. p6

2021: $10,000 LFSN

GAINESWAY.COM
Bloodstock agent Davant Latham set the bar relatively high early in Saturday’s Keeneland November session when stretching to $185,000 for a weanling colt (hip 1913) from the first crop of Coolmore resident, GISW and ‘TDN Rising Star’ Mo Town.

Consigned by Ralph Kinder’s Alliance Sales Agency and bred by Erv Woolsey and Kinder, the Jan. 18 foal is out of a half-sister to the dam of this year’s flashy MGSW and MGISP Venetian Harbor (Munnings). His fourth dam is Hall of Famer Safely Kept.

“He was a beautiful horse; absolutely beautiful,” said Latham. “He had a big walk on him, and hopefully we’ll do well with him. We will be selling him next year.”

Latham said his confidence in Mo Town, who stood for $12,500 in his first year at Coolmore in 2019 after annexing the GI Hollywood Derby in 2017 and GII Remsen S. the year before that, was bolstered by the success of other sons of Uncle Mo with first runners this season.

"[The Mo Towns] have been good overall, and further confidence comes from Laoban, Nyquist and Outwork," he said.

"I was lucky last year with a Nyquist we pinhooked and sold in September. Those three are all in the top five freshman sires, so you’ve got to believe in the sire line and this was just a beautiful horse. We were very fortunate to get him.”

Despite a perceived buyers’ market amidst the COVID-19 pandemic, Latham said it had been difficult, particularly earlier in the sale, to land weanlings of perceived higher quality.

“This whole sale, it’s been tough to find really high-quality weanlings,” he said. “There’s been kind of a shortage—a lot of people are holding them, not willing to sell in the covid market; they’re going to hold them and sell them as yearlings. So, for the really nice weanlings when they come up there, there’s been a ton of competition. For us, we’ve got to be careful about what we pay for them because we’re not an end user, so that knocked [us pinhookers] out on a lot of weanlings earlier because there were so many end users buying weanlings.”

The day’s third-priciest weanling was also a colt by Mo Town--hip 2150, consigned by Lane’s End, sold to Stella Stables for $75,000. He’s out of a half-sister to the dam of millionaire Stanford (Malibu Moon) and hails from a deep female family responsible for the likes of Johannesburg and Tale of the Cat.

Lightly raced Princess Grace handled the main track best of this turf-meant group to make the grade in only her fourth lifetime start. A 5 1/2-length debut romper on the Colonial sod and over a next-out winner Aug. 2, the Moore homebred cleared her first-level allowance condition at Monmouth Sept. 5. She had last been seen splitting Stunning Sky (Declaration of War) and How Ironic when second in the GIII Pin Oak Valley View S. at Keeneland Oct. 16.

Prompting the pace from second among a strung-out field, the dark bay was forced to hit the accelerator midway down the backside to avoid getting shuffled back as foes behind her attempted to take closer order. Princess Grace took command midway around the turn for home under a seemingly confident Florent Geroux, and kicked on nicely from there while never seriously threatened.

"The pace unfolded exactly how I thought that the horse to my inside (Positive Danger {Uncle Mo}) would go to the lead and we could sit just to her outside," Geroux said. "She broke very alertly and was tracking nicely throughout the race. She’s a nice filly and with winning on the dirt it gives the connections more options in the future, but I would guess goes back to turf."

Winning conditioner Mike Stidham added, “You’re always concerned about a horse that didn’t race on dirt yet. She had pretty consistent works over the Tapeta surface at Fair Hill. We didn’t necessarily have a great line on how she would take to the dirt, but her early works were on the dirt. We thought she handled it very well then, so we were cautiously optimistic. We knew that her dam Masquerade was game on both dirt and turf so we felt good trying it. Down the backside you saw Florent was in a great spot just off the leader. When he let out a notch she just opened up impressively.”

Pedigree Notes:
Princess Grace becomes the sixth black-type winner, third graded, for young sire Karakontie. A rare North American runner whose sire and broodmare sire were both bred in Japan, she is the first stakes winner out of a mare by Canada’s leading sire Silent Name.

Stidham trained the winner’s dam Masquerade, a $15,000 yearling, for four of her six career wins—she scored three times on the grass, twice on the dirt and once on synthetic over a career that stretched from two to seven. Her two stakes placings came for Stidham on the turf.

Masquerade has a yearling filly by Kitten’s Joy and was bred to Frosted for 2021.
SPIELBERG FAVORED TO CONTINUE BAFFERT STREAK IN BOB HOPE

Spielberg was one of 21 horses to fetch $1-million or more at Keeneland September last year | Keeneland photo

With the ongoing Del Mar meet renamed a few years ago to honor Hollywood icon Bing Crosby, it seems only fitting that a colt named Spielberg (Union Rags) would take his shot in the GIII Bob Hope S., the race formerly known as the Hollywood Prevue S. The $1-millon Keeneland September graduate should jump a warm favorite for the seven-furlong affair, a race won by his trainer Bob Baffert no fewer than six times in its last nine runnings and 10 times dating back to 1996.

Runner-up on debut and in the GI Del Mar Futurity to the talented Dr Schivel (Violence), the chestnut was never truly dangerous when third in the GI American Pharoah S. at Santa Anita Sept. 20. He was more workmanlike than spectacular in graduating by a mile here 13 days ago, but is nevertheless the one they’ll have to beat.

Weston (Hit It a Bomb) is the only member of the Bob Hope sextet with a graded victory to his credit, having earned a neck success in the GII Best Pal S. Aug. 8 prior to a third in the Futurity, where Spielberg was 3 3/4 lengths ahead of him.

Ambivalent (Constitution) enters the Bob Hope a five-time maiden, though he did cross the line third in the Best Pal, only to be disqualified to fourth. A close third in the Del Mar Juvenile Turf S. Sept. 7, he turns back off a distant sixth to Jackie’s Warrior (Maclean’s Music) in the GI Champagne S. over a mile Oct. 10.

CHURCHILL OFF TURF FOR AT LEAST NEXT WEEK

Churchill Downs took its Saturday grass races, including the GII Mrs. Revere S., off the turf and made the following announcement:

“There will be no turf entries taken for races scheduled to be run on turf from Nov. 19-22. All scheduled turf races in the condition book during this time period will be transferred to the main track and entries taken for the same conditions will be dirt only.”

Churchill was also off the turf on Friday. On Thursday, 2020 GI Kentucky Derby competitor Winning Impression reportedly broke down after finishing third in a turf allowance and was subsequently euthanized.

The Churchill fall meet will conclude on Sunday, Nov. 29.
The New York State Thoroughbred Breeding and Development Fund on October 29, 2020 adopted new rules concerning the residency requirements for dams of New York-bred foals, including certain mares that were purchased at public auction on or after November 1, 2019. It is anticipated that these new rules will become final upon publication in the State Register of New York on or about November 18, 2020.

Non-Resident Mares: In order for her foal to be eligible to be registered as a NY-bred, a non-resident mare must FOAL in New York State, remain in the state for a total continuous period of 90 days (including the time before and after foaling) AND be BRED BACK to a registered New York stallion before leaving the state.

American Pharoah, sire of Sunday’s firster Velvet | Sarah Andrew

When a pricey yearling works a couple of bullets as a 2-year-old for meticulous preparer and Hall of Famer Richard Mandella, that debut bears watching. Sarah Kelly’s VELVET (American Pharoah) brought $875,000 last year at Keeneland September—fifth-highest of her sire’s yearlings in 2019—and began working in earnest in August, getting three bullets since, including four panels in :47 (1/87) Aug. 30 at Del Mar and five furlongs in 1:00 2/5 (1/21) Oct. 7 at Santa Anita. Out of 2010 GI Mother Goose S. runner-up Connie and Michael (Roman Ruler), Velvet comes from a family with plenty of black-type, none better than her fourth dam’s half-brother, champion and four-time Grade I winner Wajima (Bold Ruler). Eagle Orb, a debut winner at the Spa this summer, finished second in a pair of New York-bred stakes since, the Funny Cide S. second out Sept. 4 and the Sleepy Hollow S. going a mile most recently Oct. 24. He was one of four horses to break through the gate prior to the start here. Turning back in distance for this, the third choice in wagering chased early in fifth, revved up four wide approaching the quarter pole and powered clear in the stretch beneath a pumped-up Manny Franco to a career high. Progeny in the pipeline for the winner’s dam include: a Golden Ticket colt of 2019 and a Dialed In colt of this year. She was bred to Mo Town for 2021.

“This horse always shows up," winning trainer Rudy Rodriguez said. “He’s been close at Saratoga [in the Sleepy Hollow] and at Belmont [in the Funny Cide]. He was close, but I'm very happy for the owner to win this race. He was knocking at the door.”

Street Lute kicked off her career with a pair of wins at Delaware, led by a runaway score in the restricted non blacklist Small Wonder S. Sept. 26. She just missed by a neck as the favorite in the Maryland Million Lassie S. Oct. 24. Drawn on the fence here, she forced the issue from the inside, took over heading to the quarter pole and drew clear in the stretch to get the money. The winner’s dam had a colt by Editorial in 2019 and a filly by Street Magician this year.

“It’s definitely a little bit of redemption,” winning trainer John Robb said. “In the Maryland Million she had to chase the speed and hold off closers, and she didn’t see the horse coming or I think she might have won that race. She thinks she won it, so we tell her she did.”

No Cents continued the steady march through his conditions with his first stakes score in the James F. Lewis III S., hot on the heels of an allowance win Oct. 21 and a maiden special weight
No Cents | MJC

Sept. 27, both at Monmouth. The homebred’s only other out was a runner-up finish in his Aug. 29 debut in the slop.

Sporting a shadow roll, blinkers, and a flapping tongue, No Cents was up with the first flight—fifth behind a wall of horses—through a quarter in :22.05 and a half in :45.02. He angled to the outside coming off the turn, brushed lightly with eventual runner-up Dalton, and took command. Full of run, he finished 1 1/4 lengths the best with his ears pricked at the wire.

“A we had a great trip,” said winning rider Trevor McCarthy. “We had a good break and I was happy to get a good position and be able to follow [Dalton]. That was kind of my target to run with, so it was nice. We were able to save ground and get a nice little breather and when we came past the five-sixteenths pole, I was just being patient with him. I knew I had a ton of horse underneath me.”

The ninth black-type winner for his sire, No Cents is one of four winners for his dam, who was also a homebred for the Haskell sisters of New Jersey. Faker has not produced a foal since No Cents, but was bred to Sky Mesa for next term.

Margins: 7HF, NO, HF. Odds: 5.10, 5.70, 10.40.
Also Ran: Private Mission, Canoodling, Miss Costa Rica. Scratched: Plum Sexy, Varda.

Astute debuted Oct. 12 on the Santa Anita lawn, going 5 1/2 furlongs and getting a neck win after leading throughout. The $425,000 Keeneland September yearling graduate skipped a few conditions to move straight to black-type company in the Desi Arnaz S. In addition to the jump in company, she was also switching over to the main track and upping the distance by a furlong.

Just like in her maiden, Astute went to the front, but this time she got headed by Private Mission (Into Mischief) to her inside after a :22.21 quarter and the foe had a head on her as the battle unfolded through the half in :45.30. Astute won the war, shaking clear with ease coming off the turn and simply drawing away, taking command with authority to win by 7 1/2 lengths.

“The owners and the manager--Alex Solis, Jr.--told me before I ever saw her that she's special and it's kind of held true,” said Hall of Fame trainer Richard Mandella. “She got a little sick on me in the summer and I had to give her a month off, so that's why she's a little late [starting her career]. I only put her in the maiden turf [debut win] because I knew she could do turf and I was afraid a dirt race the next day wouldn't fill. I expected she'd run well today, but maybe not this well. We'll think about the [GI] Starlet [S., Dec. 5 at Los Alamitos].”

Jilli Marie broke in a tangle, but recovered quickly to travel right on the back of pacesetting Silent Guroo (Silent Name {Jpn}) through the middle stages of the contest. On hold nearing the stretch, though to a lesser degree than when she was badly blocked on debut, she knifed through between horses and skipped clear to become her freshman sire (by Sky Mesa)’s first black-type scorer. Number One Dude dismantled a group of state-bred maidens by 7 1/2 lengths on his Sept. 18 debut and doubled his tally with a popular one-length success in the Oklahoma Classics Juvenile S. Oct. 16. Heavily favored to remain unbeaten, the homebred won the race, but school was in session, as Esqueiel Lara took hold of the colt and Number One Dude settled kindly from fourth. Asked to come after the leading trio on the turn, the homebred tipped out four wide, swooshed past his rivals and cruised home an easy winner. Shea D Summer, a debut winner here Oct. 7, stayed perfect with a sharp score in this one. The even-money favorite shot out to the front, took heat through a half mile in :44.73, and splashed free off the turn to win for fun. The winner’s dam, from the same family as champions Flanders (Seeking the Gold) and Air Force Blue (War Front), had a filly by The Big Beast this year and was bred back to Awesome Slew.

“I didn’t want to be on the lead, but it just worked out that way the way the track was,” winning trainer Carlos David said. “I guess she was the best horse of the day. Moving forward with her, we’ll see how she comes out of the race. She was breathing pretty hard after running in 1:10, out in 1:17. She gave it her all. Poppy’s Pride thrashed his fellow Florida-breds by 6 1/4 lengths to graduate Aug. 27 at Gulfstream and most recently treated his rivals to a front-running, 1 3/4-length beating in the rained-off Armed Forces S. in Hallandale Sept. 26.

No better than the third wagering choice to impressive debut winner Real Talk (Gemologist), Poppy’s Pride was once again given a positive ride by Jesus Rios and proved not for catching as second choice Gatsby made belated progress to round out the exacta. Real Talk finished a one-paced third.

From the Gil Campbell female family of dual Eclipse Award

GRADED ON A CURVE (g, 4, Noble Mission {GB}--Sarah’s Pleasure, by Street Cry {Ire}) cleared his first state-bred allowance condition at Belmont June 7 before finishing second in a productive Saratoga allowance July 30. Exiting a head defeat of his fellow Empire-breds going a mile at Belmont Oct. 1, the bay was the 5-2 favorite in his first go against open rivals. Settled near the back of the field after exchanging a light bump at the break, Graded On A Curve began to catch the eye deep on the second turn, was four or five wide off the final corner and outfinished Scanno (Bernardini) by a half-length. Hailing from the female family of this breeder’s MGSW J’Ray (Distant View), Graded On A Curve has a yearling half-sister by Summer Front and a weanling half-sister by Dialed In. (Honor Code) in the Aug. 1 Shared Belief S. over track and distance, closed well to be fifth in the Gil Del Mar Derby Sept. 6 and filled fourth spot when last seen in the Oct. 18 Gil Twilight Derby at Santa Anita. Trapped out four or five wide into the clubhouse turn, the 3-2 favorite rolled forward entering the backstretch and raced prominently, though deep on the track. Three wide on the second bend, he went on the attack from the four path into the stretch and--despite covering stacks of extra ground--powered clear late to defeat Canadian Pride (Creative Cause) by 2 3/4 lengths for an Airdrie-sired exacta that returned a shade over 7-1. GOLDEN AMI (f, 4, Goldencents--Galloping Ami {Outstanding Broodmare-Can}, by Victory Gallop), whose one previous start this past March resulted in a six-length romp at Gulfstream, faced a field of seasoned competitors here and came away undefeated. The dark bay went straight to the front, letting the field stay in touch through a quarter in :22.62 and a half in :45 flat, but she was toying with the field and was never asked as she cruised down the stretch in a quiet hand ride to score by 5 1/4 lengths at 3-2. Super Patriotic (Munnings) chased her home. The winner is a half to Aragorn Ami (Aragorn {Ire}), SW, $112,535; Ami’s Flatter (Flatter), GSW & GISP, $536,931; and to Amis Gizmo (Giant Gizmo), Ch. 3yo Colt-Can, GSW, $800,022. **WOLFIE'S DYNAGHOST** (c, 2, Ghostzapper--Dynaire, by Dynaformer) was lightly regarded at 33-1 trying this extended sprint distance on dirt, no surprise given that his half-brothers Sadler's Joy (Kitten's Joy), GISW, $2,648,160; and Lunaire (Malibu Moon), SP, $246,600; and half-sister Dyna Passer (Lemon Drop Kid), SP, $232,330; had done their best work over much further on the grass. Alertly away from an outside berth, the Woolcott homebred settled third off dueling pacesetters and was well within striking distance three deep on the turn. Given his cue at the head of the lane, the bay went up to the front-runners passing the eighth pole and grinded his way to a 1 1/2-length defeat of pace-pressing Weyburn (Pioneerof the Nile). The 14-5 second favorite broke a bit to her outside, but worked her way up to stalk the pace while three wide down the backstretch. More or less on even terms while well in hand on the turn, she was shaken up by Tyler Gaffalione leaving the quarter pole, repelled the bid of favored Rookery (Hard Spun) at midstretch and kicked clear to take it by 3 1/4 lengths. The winner is out of a stakes-winning half-sister to Dancin'inerdreams (Tapit), victorious in the 2010 GI Pocahontas S. at this track, and to the dam of GSW and GI Breeders Cup Turf Sprint participant Texas Wedge (Colonel John). ROCKING REDHEAD (f, 3, Hard Spun--Tangelo, by Square Eddie) finished seventh in each of her previous two appearances, over 5 1/2 grassy furlongs at Santa Anita Mar. 7 and Sept. 27, but wasn’t beaten far in either. Trying two turns here as the 15-1 third-longest shot in a field of nine, the chestnut popped the gates and set a strong early tempo, was well clear into the final quarter-mile and charged home full of run to score by 4 1/2 lengths. This Tea (Curlin) was second despite blowing a shoe at the half-mile marker. Produced by a winning daughter of GISP Tangle (Ire) (Bob Back), Rocking Redhead has a yearling half-sister by Nyquist and a weanling half-sister by the repatriated I’ll Have Another. Tangelo was bred back to the latter for 2021. Sales history: $50,000 Ylg ’18 KEESEP; $90,000 2yo ’19 OBSOPN. Lifetime Record: 3-1-0-0, $23,400. MOONLITE STRIKE (c, 2, Liam’s Map--Twinkling, by War Chant) caught a rain-affected track for his Oct. 16 unveiling and was away awkwardly and raced wide before finishing a respectable fourth. Entered as main track only for this, the 6-5 chalk jumped straight into the bridle and argued the early pace three off the fence to the turn. Pressing front-running Gran Runner (Runhappy) on the bend, Moonlight Strike raced on even terms with that one into the final furlong and came away late to take it by two lengths. The dam of a yearling Exaggerator colt, Twinkling produced a Mshawish filly this year and was bred to Take Charge Indy.
