CAMELOT COLT TOPS BUOYANT ARQANA OPENER

Nicolas de Watrigant is congratulated by Henri Bozo for purchasing the €440,000 session topper–an Ecurie des Monceaux-consigned colt by Camelot (GB)–for MV Magnier | *Zuzanna Lupa*

DEAUVILLE, France––A strong opening day of the Arqana October Sale saw a colt by Camelot (GB) top proceedings at €440,000, bought late in the session by Nicolas de Watrigant of Mandore International Agency on behalf of MV Magnier.

Consigned by the leading vendor Ecurie des Monceaux, lot 209 is a half-brother to the listed Prix Michel Houyvet winner Big Blue (Ire) (Galileo {Ire}).

As has been seen throughout the European yearling season so far, there was a buoyant level of trade in Deauville on Monday, with figures exceeding the pre-pandemic returns of 2019.

Turnover from 180 horses sold reached €16,017,000, with the average of €88,983 being up by 53% on last year and comparing favourably to the 2019 figure of €81,362. The median of €65,000 was up from €60,000 in 2019 and €43,000 12 months ago. The clearance rate was also up at 82.5%.

Wootton Bassett In Demand

For much of the day colts by Siyouni (Fr) and Wootton Bassett (GB) had shared top billing, with each being sold for €420,000, to Coolmore and Anthony Stroud, respectively. **Cont. p2**

HAGGAS CONFIRMS BAAEED TO RETURN AT FOUR

The brilliant, undefeated miler **Baaeed (GB)** (Sea The Stars {Ire}) will return for a 4-year-old campaign, trainer William Haggas has confirmed.

"Of course I'm looking forward to next year--as long as he stays right both physically and mentally--and he's been a delight to train so far," said Haggas of the Shadwell homebred. "He'll be a fun horse to have next year.

"It's terrific to have one of the best 3-year-olds in Europe, probably."

A winner at Leicester on June 7, Baaeed added a Newmarket novice on June 19 before cruising to a four-length listed win there on July 8. Tried in group company for the first time, he won the G3 Bonhams Thoroughbred S. by 6 1/2 lengths at Goodwood on July 30. **Cont. p8**

Arqana October Yearling Sale Cont. from p1

Wootton Bassett may no longer stand in France but his burgeoning reputation ensured that he played a significant role during the first session at Arqana. Anthony Stroud and Matt Coleman signed for four of his yearlings, including the day's co-second-top lot (lot 49).

Though that colt out of the Frankel (GB) half-sister to Charm Spirit (Ire), bought for €420,000 from Ecurie des Monceaux, was for an undisclosed client, two of the quartet were bought for Alison Swinburn, who has enjoyed noted success with the stallion through Audarya (Fr). The G1 Prix Jean Romanet and GI Breeders' Cup Filly & Mare Turf winner was bought from this sale for €125,000 back in 2017.

After signing for lot 14, a daughter of the Group 3-placed Harem Lady (Fr) (Teofilo {Ire}) at €210,000 from Haras d'Etreham, Stroud said, "She's been bought for the same connections as Audarya and will go into training with James Fanshawe. She's a lovely, athletic filly."

That purchase was backed up a little later by the acquisition of lot 45 from La Motteraye Consignment. Knocked down at €270,000, the colt is the first foal of the dual winner Lolldaiga (Ire), who is also by Teofilo and is a granddaughter of the G3 Prix de Flore winner Louve (Irish River {Fr}).

Stroud Coleman also signed for lot 153, Haras de la Louivere's May-born colt out of the unraced Tubereuse (Ire) (Cape Cross {Ire}), a sister to the G3 Prix d'Aumale winner Lesstalk In Paris (Fr), for €310,000.

With 14 yearlings sold during the first session, Wootton Bassett's average for the sale stood at €200,857.

Al Shaqab and Etreham Partner Up

Al Shaqab Racing were also among the buyers of Wootton Bassett's stock, with the team going to €220,000 to secure lot 80 through Nicolas de Watrigant. Another from the Monceaux draft, the filly is a daughter of the South African Grade 3 winner and Grade 1 runner-up Olma (SAf) (Dynasty SAf), herself a granddaughter of the G1 Fillies' Mile victrix Teggiano (Ire) (Mujtahid).

Al Shaqab's purchases on Monday also included a Sea The Stars (Ire) colt bred on the same Kingmambo cross as Saturday's G1 Queen Elizabeth II winner Baaeed (GB), as well as the Al Shaqab stallion Zelzal (Ire), another Group 1-winning miler by the Aga Khan Studs stallion.

Arqana October Yearling Sale Cont.

After going to €320,000 for the full-brother to listed winner Sivoliere (Fr) (lot 117) from the Etreham draft, Al Shaqab's Paul Hensey said, "He was our pick of the catalogue today. Obviously Sea The Stars is going from strength to strength and he's bred on the same cross as Zelzal, which was of interest to us. He will be trained by Stephane Wattel."

Al Shaqab also formed a partnership with Etreham to buy the Haras de Fresneaux-bred colt by Almanzor (Fr), whose dam Rapid Transaction (A P Indy) is a granddaughter of the GI Kentucky Oaks winner and stellar producer Blush With Pride (Blushing Groom). Offered as lot 98 through Haras des Capucines, the half-brother to black-type earners Fastidious (Fr) and Central Park West (Fr) was bought for €180,000.

Siyouni Stronghold

Coolmore's support for Siyouni (Fr) yearlings has been strong this season in particular, but that's hardly a surprise given that it recruited Arc winner Sottsass (Fr) to the stallion yard in Fethard for the 2021 season and has already welcomed this season's outstanding 3-year-old St Mark's Basilica (Fr) ahead of next season. Those two stallions are both out of daughters of Galileo (Ire) but Monday's acquisition (lot 67) is a son of the listed-winning Montjeu (Ire) mare Modern Eagle (Ger).

Strong competition for the half-brother to the listed-placed Masterpiece (Fr) (Mastercraftsman {Ire}) took agent Laurent Benoit to €420,000 and he later confirmed that he had been bought for the Coolmore partners.

Those partners sometimes include Peter Brant of White Birch Farm, who in his own right went to €350,000 for a filly by young Coolmore stallion Churchill (Ire).

Laurent Benoit & Henri Bozo | *Zuzanna Lupa*

Michel Zerolo of Oceanic Bloodstock did the bidding on his behalf for lot 119, the half-sister to G1 Grand Prix de Paris winner Shakeel (Ire) (Dalakhani {Ire}), who was bred and sold by Haras de Montaigu.

"She'll be trained here in Deauville by Jean-Claude Rouget," said the agent.

Zerolo and Brant also struck late in the day for lot 201, another of the colts to have contributed to a good day for Wootton Bassett. The grandson of the G1 Nassau S. winner Winsili (GB) (Dansili {GB}) was bought from La Motteraye for €400,000.

Bouchard Invests In Dubawi Filly

There was just one Dubawi yearling in the Arqana October catalogue and she will eventually join the broodmare band being assembled by Jean-Louis Bouchard, who bought the half-sister to G1 Prix Jean Prat winner Intellogent (Fr) (Intello {Ger}) for €340,000 through agent Gerard Larrieu.

"I love Dubawi," said Bouchard , who was in the restaurant with Larrieu and trainer Pascal Bary as the Ecurie des Monceaux-consigned filly (lot 77) went through the ring. "I like the filly, she's very tall. I bought a stud about four or five years ago and we have been building that up and I need very good mares for the future. I think she should be a very good broodmare, she's the sister of a Group 1 winner, she's got everything [going] for her."

Michael Donohoe of BBA Ireland signed up one of the two Galileo (Ire) colts in the sale, a half-brother to the G1 Coral-Eclipse S. winner Mukhadram (GB) (Shamardal), sold as lot 55 through Haras des Capucines for €260,000. **Cont. p5**

Michel Zerolo | *Zuzanna Lupa*

Arqana October Yearling Sale Cont.

"He's been bought for an established client who has horses in training in France, Ireland and England," said the agent. "We thought he was a good physical and obviously he has a good pedigree. They're not making Galileos any more so we thought he was a bit of value."

The colt is out of Magic Tree (UAE) (Timber Country), a half-sister to the Group 1 winners Mastery (GB) (Sulamani {Ire}) and Kirklees (Ire) (Jade Robbery).

Rising Stars

Cloth Of Stars (Ire), another Group 1 winner bred on the Sea The Stars--Kingmambo cross, has his first yearlings for sale this year and made quite a splash on Monday through lot 145, the half-brother to G3 Prix de Ris-Orangis winner Ocean (Fr) (Exosphere {Aus}).

Anthony Stroud | *Zuzanna Lupa*

Bred by Julian Ince as Haras du Logis, where the stallion stands, the colt is out of Tevara (GB) (Compton Place {GB}), who is also responsible for the listed winner Aiming For Rio (Fr), by another Logis stallion, Rio De La Plata. The mare is out of the G2 Cherry Hinton S. winner Torgau (Ire), whose sire Zieten also stood at Haras du Logis.

"It's fantastic," said Ince after Anthony Stroud signed for the son of Cloth Of Stars at €280,000. "We brought three here by the stallion and they loved them. Someone even accused me of cloning yearlings as they all look so alike. It's great to have a stallion who is producing such lovely stock."

It was announced this week that last season's G1 Poule d'Essai des Poulains winner Victor Ludorum (Ire) (Shamardal) will stand at Haras du Logis from 2022.

A Duo For Australia

Niall O'Connor, who graduated from the Godolphin Flying Start course last year, got his career as a bloodstock agent off on a promising footing with the purchase of two yearlings for the Australian training partnership of McEvoy Mitchell Racing.

His second signing of the day at €185,000 was for lot 91, a daughter of Camelot (GB), who has enjoyed notable success in Australia through Group 1 winners Russian Camelot (Ire) and the ill-fated Cox Plate winner Sir Dragonet (Ire). Consigned by Anna Sundstrom's Coulonces operation, she is the first foal of 3-year-old winner Pink Paint (Fr) (Redoute's Choice {Aus}) from the Wildenstein family of Arc winner Peintre Celebre.

The agent had also struck early for lot 12, going to €105,000 for a daughter of Le Havre (Ire) and another first foal, this time out of the winning Rajsaman (Fr) mare Gouville (Fr). The further family includes a name familiar to Australian racing fans in Contributor (Ire) (High Chaparral {Ire}), a dual Group 1 winner in the country for John O'Shea and Godolphin.

"This was a team effort between Tony and Calvin McEvoy and their regular agent Damon Gabbedy, who unfortunately couldn't be here because of the travel restrictions," said O'Connor, who has previously worked at both Keeneland and Magic Millions. He has also completed stints with agents Dermot Farrington and Jeremy Brummitt. **Cont. p6**

Niall O'Connor purchased fillies by Camelot (GB) and Le Havre (Ire) for McEvoy Mitchell Racing on Monday | *Emma Berry*

Arqana October Yearling Sale Cont.

The latter is charged with buying yearlings for Quantum Leap Racing, which is run by O'Connor's father, Eamonn.

He added, "While on the Flying Start I had a work placement with McEvoy Mitchell Racing at Flemington and they expressed an interest then in getting involved in Europe. Hopefully these two fillies can prove their worth on the track. The market has been so strong for colts this year. We looked last week at Tattersalls and came on here in the hope of finding a bit of value. The Camelot filly was one of the nicest on the sale and we're lucky to have her."

Selling recommences at Arqana at 2 p.m. on Tuesday.

LIFE IN MOTION SET FOR RESERVOIRS TEST

by Sean Cronin

It has been just 11 days since Godolphin's 2-year-old filly **Life In Motion (Ire)** (Sea the Stars {Ire}) announced her arrival in style, earning **'TDN Rising Star'** status with a mightily impressive five-length debut triumph over seven furlongs at Saint-Cloud. She is set to encounter a half-dozen opponents in Tuesday's G3 Prix des Reservoirs at Deauville, a contest won last year by this month's G1 Prix de l'Opera heroine Rougir (Fr) (Territories {Ire})). Her trainer Andre Fabre, whose latest win was registered in 2014 with Godolphin's subsequent MG1SP G1 Poule d'Essai des Pouliches third Tasaday (Nayef), will attempt to match Francois Boutin's record haul of five in the one-mile juvenile fillies' test.

Jean-Claude Rouget has yet to feature on the honour roll and is represented by Shadwell's **Ataared (Ire)** (Muhaarar {GB}), who secured a stakes breakthrough with a narrow success over an extended mile in last month's Listed Criterium de l'Ouest at Craon. Woodpark Bloodstock's Fabrice Chappet trainee **Roccia Nera (Fr)** (Dream Ahead) is the only other contender with black-type experience and returns to action coming back off a third going one mile in last month's Listed Criterium de Lyon at Lyon-Parilly. Ecurie Didier Tabary and Meridian International's twice-raced **Batz (GB)** (Bated Breath {GB}) is one of just two unbeaten fillies in the line-up. The Christophe Ferland incumbent will head postward coming back off victories at Bordeaux's La Teste de Buch and Le Bouscat venues in August and September.

Life In Motion | *Scoop Dyga*

Team Valor International acquired a majority stake in **Nadette (Fr)** (Outstrip {GB}) after the Romain Le Dren Doleuze-trained filly ran second to subsequent G3 Preis der Winterkonigin fourth Lacuna (GB) (Shalaa {Ire}) in her debut over seven furlongs here in August. She yielded an immediate return on investment when breaking through upped to one mile at Fontainebleau at the end of last month. Carlos and Yann Lerner trainee **Queen Trezy (Fr)** (Almanzor {Fr}), a three-length maiden winner at Lyon-Parilly, and Haras de la Perelle's homebred dual scorer **Rosacea (Ire)** (Soldier Hollow {GB}), add weight to a competitive affair.

Deauville's undercard is headed by another juvenile black-type affair with the Listed Prix Zeddaan set to feature just one colt, the once-raced maiden winner **Feel Your Power (Fr)** (Captain Marvelous {Ire}), taking on eight fillies in the €60,000 six-furlong dash. Nick Bradley's syndicates have enjoyed a banner season and the operation's predominantly white silks will be on show aboard the Karl Burke-trained G3 Sirenia S. fourth **Honey Sweet (Ire)** (Adaay {Ire}) and George Boughey trainee **Hellomydarlin (Ire)** (Galileo Gold {GB}), who ran second to subsequent G1 Cheveley Park S. runner-up Flotus (Ire) (Starspangledbanner {Aus}) when contesting Ripon's Listed Champion Two-Years-Old Trophy in her penultimate outing. The home defence also includes the lightly raced duo **Copie (GB)** (Iffraaj {GB}) and **Yellow Curry (Fr)** (Al Wukair {Ire}). Both graduated in their second start with Copie accounting for subsequent Listed Prix Saraca runner-up Chili Flag (Fr) (Cityscape {GB}) at Toulouse last month and Yellow Curry coming back off a two-length score over six furlongs at Chantilly a fortnight ago.

Baaeed Cont. from p1

Sent to France for the Sept. 5 G1 Prix du Moulin de Longchamp, the colt earned his first Group 1 win, defeating fellow top-level winners Order Of Australia (Ire) (Australia {GB}) and Victor Ludorum (GB) (Shamardal). The G1 Queen Elizabeth II S. at Ascot on QIPCO British Champions Day went the bay's way by a neck over classy miler Palace Pier (GB) (Kingman {GB}).

Baaeed | *Scoop Dyga*

He added of the full-brother to proven stayer Hukum (Ire) (Sea The Stars {Ire}), "A lot of mine that don't run at two I'm pretty sure are ok. I can't remember why he didn't run, he may have been immature, may have had a few niggles and then it went very soft, so I didn't want to run him.

"I'm also not a huge lover of the all-weather. Obviously we have quite a lot of runners on it, but I don't like running 2-year-olds on it. Sometimes you have to but if I know they are quite good, they don't run.

"I never saw him as a Guineas horse because I saw him as a stayer given how well his brother stays."

NEWCASTLE NEW HOST OF ALL-WEATHER CHAMPIONSHIPS IN 2022

The All-Weather Championships Finals Day will be held at Newcastle for the first time on Good Friday, Apr. 15, 2022. Started by the Arena Racing Company in 2013, the All-Weather Championships are now in its ninth season which begins on Tuesday, Oct. 19. There are six All-Weather Championships races, and the Listed Coral Burradon S. carded for Good Friday with total prizemoney on offer over £1 million.

Lingfield, which previously hosted the meeting, will instead hold the new £395,000 All-Weather Vase that same day. The All-Weather Vase card, featuring six races, is for those horses who regularly compete on the all-weather circuit, but who are not rated high enough to get into the All-Weather Championships proper. The current requirement for horses to undertake three runs in order to qualify to run on Finals Day also applies to the Vase card.

Coral and MansionBet are also new partners alongside Betway for the fixtures. For more information, please visit the All-Weather Championships website.

Mark Spincer, Managing Director of ARC's Racing Division, said, "All-Weather Championships Finals Day has, over the years, become a mainstay of the Easter programme in Britain. As we saw prior to the disruption of the last two years, people want to come racing on Good Friday and we feel that Newcastle offers a real opportunity to develop the day even further. Equal to this is the popularity of the track and racing surface, as has been proved since the installation of the Tapeta in 2016. The six All-Weather Championships Finals alongside the Listed Coral Burradon S. will be a premier fixture befitting of the fantastic racing facilities that have been developed at Gosforth Park.

"We are confident that the new All-Weather Championships Vase fixture at Lingfield Park will be equally popular with racegoers and horsemen alike. There are plenty of owners and trainers who support the Championships throughout the winter, but who often don't compete on Finals Day. We wanted to make sure that we could introduce a new flagship event to cater for this cohort of horses, as a real end of season target for their winter campaigns.

"We hope that these changes, along with the other smaller amendments to the Fast-Track Qualifier programme, will mean that Season 9 continues to provide everyone concerned with a fantastic competition to follow over the course of the winter months."

EQUINE WELFARE GUIDELINES PUBLISHED BY TBA

A set of industry guidelines has been developed by the Thoroughbred Breeders' Association (TBA) Equine Welfare Working Group in collaboration with a number of thoroughbred breeders and industry stakeholders. The aim of the guidelines is to provide information and benchmarking of practices that are relevant to the breeding and raising of thoroughbreds as future athletes and they dovetail with the basic principles of horse care detailed within the UK Government's *Codes of Practice for the Welfare of Horses*. **Cont. p9**

Equine Welfare Guidelines Cont.

There are also a series of supporting videos available to view on TB-Ed under the resources menu.

TBA Chief Executive Claire Sheppard said, "The publication of the TBA Equine Welfare Guidelines for breeders actively demonstrates the strength of the commitment of the TBA to the welfare of thoroughbreds being the primary consideration at all stages of the breeding life cycle. The Guidelines describe and quantify common stud management practices, and will be of particular benefit for those who are new to the industry. It's themes will also be developed through future educational content for TB-Ed courses and resources, and presentations at the annual Stud Farming Course and other TBA educational seminars."

Transformed since moving to her current yard from Joseph Tuite, Mr Professor who is due to sell in a week's time at the Tattersalls Autumn Horses-in-Training Sale took nurseries over this trip at Kempton Sept. 4 and at Bath a week later before running third in another of that type at Newmarket Sept. 23. Last of 10 behind Coroebus (Ire) (Dubawi {Ire}) in the latter track's G3 Autumn S. Oct. 9, the resilient bay showed no signs of tiring for his busy spell travelling with enthusiasm in rear early. Making his move as Westover and Approachability forged on in this war of attrition in the conditions, he joined that duo a furlong from home and began to assert shortly after for a hard-fought black-type breakthrough.

The dam, who also scored at this level in the Pipalong S. and was third in the G3 Oak Tree S., has also produced the useful handicapper The Flying Ginger (Ire) (Showcasing {GB}) and a yearling colt by Zoffany (Ire). A half to the GII San Marcos S. runner-up High Court Drama (Ire) (Theatrical {Ire}), she is also connected to the dual group winner With Reason (Nashwan) and the G3 Futurity S. winner and G1 Fillies' Mile runner-up Jural (GB) (Kris {GB}). **Click for the Racing Post result**.

Inching ahead on the home turn, the 11-4 second choice was sent wide into the straight and ran on well under final-furlong urging to comfortably assert by 1 3/4 lengths from Manila Scouse (GB) (Aclaim {Ire}). Kin to a yearling filly by Pivotal (GB), Greenbarn is the second foal and scorer produced by a winning half to stakes-winning G3 Dahlia S. placegetter Dont Dili Dali (GB) (Dansili {GB}), herself the dam of G3 Eclipse S. victor Pacodali (Ire) (Paco Boy {Ire}) and the stakes-winning duo Mitchum Swagger (GB) (Paco Boy {Ire}) and Andry Brusselles (GB) (Hurricane Run {Ire}).

DISTORTED HUMOR, CONGRATS PENSIONED BY WINSTAR

Distorted Humor at WinStar | *Lee Thomas*

Distorted Humor (Forty Niner--Danzig's Beauty, by Danzig), sire of 2003 GI Kentucky Derby and GI Preakness S. hero Funny Cide from his first crop and an additional 17 Grade I/Group 1 winners to date, was pensioned from stud duty by WinStar Farm Monday at the age of 28. WinStar also announced it is pensioning stalwart **Congrats** (A.P. Indy--Praise, by Mr. Prospector) at the age of 21.

"We all owe Distorted Humor a debt of gratitude for all he has done for WinStar Farm, my family, and the many breeders who supported him from his humble beginnings," said Elliott Walden, WinStar's president, CEO, and racing manager. "He will be missed in the breeding shed this year, but we are so grateful that we can continue to see him at WinStar for the foreseeable future. What a horse."

Humorous Beginnings...

The late Charles Nuckols, Jr. and Sons bred the chestnut son of 2-year-old champion Forty Niner from Danzig's Beauty, a Grade II winner and runner-up in the 2000 GI Acorn S. at Belmont Park. After dominating first start by 5 1/2 lengths with trainer Phil Gleaves, Prestonwood Farms purchased half of the colt and turned him over to Prestonwood trainer Elliott Walden. ***Cont. p3***

KNICKS GO TO STAND AT TAYLOR MADE

Four-time Grade I winner and one of the favorites for 2021 Horse of the Year **Knicks Go** (Paynter--Kosmo's Buddy, by Outflanker) will retire to Taylor Made Stallions at the conclusion of his racing career, the farm announced Monday. Campaigned by Korea Racing Authority, Knicks Go is currently the top-ranked older horse on the NTRA Thoroughbred Poll as he prepares for his next start in the $6-million GI Breeders' Cup Classic at Del Mar Nov. 6. A stud fee will be announced after the Breeders' Cup.

"The KRA's goal was to buy and race in the U.S. with an eye toward developing stallions," said Jun Park, racing manager for the KRA's U.S. stable. "As his name suggests, Knicks Go is a horse that was selected by a genome selection program called K-Nicks, which was designed to help select optimally excellent racehorses and stallions. To have done this for such a short time and to already have a multiple Grade I-winner like Knicks Go is very gratifying. We are excited to stand him at Taylor Made, and we look forward to his next career as a stallion." ***Cont. p6***

Winner of Saratoga's Screen King S. (later Amsterdam S.) in August 1996, Distorted Humor was third to that year's GI Met Mile hero Honour and Glory (Relaunch) in the GII King's Bishop S. before finishing runner-up in the GII Jerome H. at Belmont and in the GII Fayette S. at Keeneland. Victorious in the GIII Salvator Mile H. at Monmouth in the summer of 1997, he celebrated his best year at the races as a 5-year-old, taking out the GII Commonwealth Breeders' Cup, the GII Churchill Downs H. and GIII Ack Ack S. before closing out his career with a troubled third in the GI Cigar Mile H. He retired to Prestonwood with a record of 8-5-3 from 23 starts and earnings of $769,964.

Funny Cide at Saratoga in 2003 | *Horsephotos*

Distorted Humor stood his first year at stud in 1999 for a fee of $10,000 and became the leading first-crop sire of 2002 by earnings, owing largely to the exploits of the WinStar-owned and Walden-trained Awesome Humor, who was perfect in four juvenile appearances, including a 2 3/4-length victory in the GI Spinaway S. at Saratoga.

In 2000, Kenny Troutt and Bill Casner purchased the farm from the Preston brothers and renamed it WinStar Farm. Among the stallion's second crop was a New York-bred son of Belle's Good Cide (Slewacide) named Funny Cide. A $22,000 purchase out of the 2001 Fasig-Tipton New York-Bred yearling sale by Sackatoga Stable, the chestnut defeated his state-bred peers in three appearances at two before making a successful transition to open company in 2003. Runner-up to Empire Maker (Unbridled) in the GI Wood Memorial S., the 'gutsy gelding' turned the tables on his more fashionably bred foe in the 'Run for the Roses' scoring by 1 3/4 lengths before tacking on a 9 3/4-length romp at Old Hilltop. ***Cont. p4***

The even-money choice to become racing's first Triple Crown winner in a quarter-century, Funny Cide raced prominently over a sloppy Belmont main track, but gave way in the final furlong, ultimately settling for third to Empire Maker. Distorted Humor, who served mares at $20,000 in 2000, was runner-up among second-crop sires.

Drosselmeyer winning the 2010 Belmont | *Sarah Andrew*

Distorted Humor sired two Grade I winners in each of those first two crops and sired at least one top-level winner from each of his first five North American crops. Commentator (2001) was a two-time winner of the prestigious of the GI Whitney H., while Flower Alley (2002) defeated the best of his generation in the 2005 GI Travers S. at the Spa. Hystericalady (2003) was victorious in the GI Humana Distaff H. and went within a whisker of winning the 2007 GI Breeders' Cup Distaff, while Bit of Whimsy (2004) took out the time-honored GI Queen Elizabeth II Challenge Cup for Funny Cide's trainer Barclay Tagg. WinStar's Drosselmeyer (2007) became his sire's second Classic winner when upsetting the 2010 GI Belmont S. in the WinStar colors and added a season-ending success from the clouds in the GI Breeders' Cup Classic at Churchill Downs in 2011. Distorted Humor's other domestic Grade I winners include Fourty Niners Son (Clement Hirsch Turf Championship), Any Given Saturday (Haskell Invitational), Boisterous (Man o'War S.), Jimmy Creed (Malibu S.), Joking (Vosburgh S.) and Restless Rider (Darley Alcibiades S.). Distorted Humor sired four international Group 1 winners: Pathfork (National S.) and Cursory Glance (Moyglare Stud S.) in Ireland; Aesop's Fables (Prix Jean Prat) in France; and Rinky Dink (Aus) (South Australian Oaks) from limited crops in Australia.

Only a Horse of the Year season from Saint Ballado's son Saint Liam denied Distorted Humor a general sires' title in 2005 and he was among the top 10 sires from 2007-2010 before breaking through in 2011, owing to the exploits of Drosselmeyer. Distorted Humor stood for a six-figure stud fee from the mid-2000s, peaking at $300,000 in 2008. He commanded $50,000 at WinStar in 2020 before standing for an undisclosed fee this year.

Knicks Go to Taylor Made cont. from p1

An earner of $5,553,135 thus far in his racing career, Knicks Go has registered triple-digit Beyer Speed Figures of 113, 111, 108 (twice), 107, and 104 and has recorded two track records at Keeneland, one of them in winning last year's GI Breeders' Cup Dirt Mile where he stopped the clock in a sizzling 1:33.85. He also established a new course standard in his prep for the Dirt Mile, winning an allowance race at 1 1/16 miles by 10 1/4 lengths in a brisk 1:40.79.

Breaking his maiden on debut in July of his 2-year-old season, Knicks Go went on to capture that year's GI Claiborne Breeders' Futurity at Keeneland with a 5 1/2-length romp. He was then second to eventual champion Game Winner (Candy Ride {Arg}) in the GI Breeders' Cup Juvenile. Dominating the GI Pegasus World Cup Invitational S. to start his 5-year-old campaign, he also proved uncatchable in winning the historic GI Whitney S. at Saratoga in August by 4 1/2 lengths after crushing his rivals by 10 1/4 lengths in his prior start, taking the GIII Cornhusker H. at Prairie Meadows in July with a career-best 113 Beyer. He most recently cruised to a four-length score in the GII Lukas Classic S. Oct. 2 at Churchill Downs in his final prep for the Breeders' Cup.

"He really is what a horse is supposed to be," Brad Cox said of Knicks Go. "They are supposed to get faster and stronger as they get older. He's a little bit of a throwback horse as far as accomplishing things early and then still being in training three years later."

CATALINA CRUISER FILLY TOPS SARATOGA SALE

by Jessica Martini

The Fasig-Tipton Saratoga Fall Sale, canceled last year due to the pandemic, returned to the Humphrey S. Pavilion Monday with a weanling filly from the first crop of multiple graded stakes winner Catalina Cruiser (Union Rags) (hip 215) bringing top price of $195,000. The filly, bred by Robert Chasanoff's Gentry Stable and consigned by Sequel New York, was purchased by Dean and Patti Reeves, in partnership with Steven Rocco.

"That's as balanced and as solid a looking filly as I've seen in a long time," Dean Reeves said of the weanling. "She seems to be pretty special. We can just imagine what she'll look like as a 2-year-old when we get her back up here to New York to run."

The sale-topper is out of stakes winner Catcha Rising Star (Red Giant), who was purchased by Chasanoff for $85,000 at the 2017 Keeneland November sale.

The Reeveses also purchased the weanling's half-sister by Liam's Map for $260,000 at the Fasig-Tipton Saratoga New York-bred Yearling Sale in August.

"We really like that mare," Reeves said. "We are excited to have this family, we think it's going to be a pretty solid family."

Catcha Rising Star, in foal to Honest Mischief, also sold Monday. She was acquired by Thorndale Farm for $53,000.

The Reeveses will be heading to the Breeders' Cup with another graduate of the Saratoga Fall Sale. The couple purchased Dakota Gold (Freud) for $83,000 at the auction's 2019 renewal. The juvenile is now two-for-two and punched his ticket to championship weekend with a win in the Nownownow S. at Monmouth Park Sept. 26.

"I think it's a great value sale and I think when you look at it, the really superlative horses stand out," Reeves said.

Cont. p8

"I have found that that translates into a nice runner and you get a really great bang for your buck. We are up here in the summers and we like racing in the New York program and having these runners. Then sometimes you get one like Dakota Gold that steps outside of the New York-bred program that shows he's got some talent and here we are with him in the Breeders' Cup."

Reeves Thoroughbred Racing purchased four weanlings at the Fall sale Monday. In addition to the sale topper, the operation also acquired a colt by Freud (hip 256) for $100,000, a colt by Malibu Moon (hip 159) for $95,000 and a filly by Mucho Macho Man (hip 92) for $40,000.

"I have to give a lot of credit to Jimmy Gladwell who helped me look at these horses," Reeves said. "He's got a great eye. He's been up here helping Patti and me look at the horses and talked about what we need in the stable to try to be competitive in the next couple of years."

The weanling purchases weren't the only successes for the Reeveses in upstate New York Monday. The couple was represented by Senbei (Candy Ride {Arg}), impressive winner of the New York Breeders' Futurity at Finger Lakes.

"I love him," Reeves, who watched the race between bidding in the upstairs lounge in the sales pavilion, said of the juvenile. "He's just a really competitive young horse."

The sale-topper was one of seven weanlings to bring six figures at the Fall sale. Vinnie Viola's St Elias Stables purchased three of those seven lots, led by a colt by Kantharos (hip 199) who sold for $120,000 and a pair of colts by the operation's GI Breeders' Cup Classic winner Vino Rosso (hip 292 and hip 214) who each sold for $100,000. St Elias also purchased a filly by Connect (hip 185) for $95,000.

The 5-year-old Nice Smile (Smiling Tiger), in foal to multiple Grade I winner Vekoma, was the auction's top-priced mare when selling for $70,000 to Goose Wickes.

In all, 163 head sold for $3,657,800 for an average of $22,440 and a median of $10,000. With 69 horses reported not sold, the buy-back rate was 29.7%.

"As usual, it's a competitive market for those horses who are pretty good standouts," Reeves said of the market in Saratoga Monday.

During the 2019 Fall sale, 134 lots grossed $3,384,700 for an average of $25,259 and a median of $15,000. The buy-back rate was 38% and six horses sold for six figures.

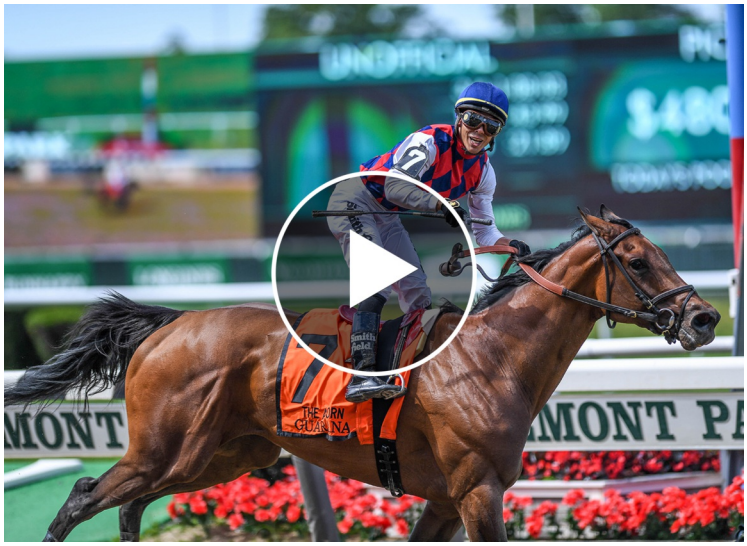
THE BRILLIANT GUARANA AND HER DAM MAGICAL WORLD AT FASIG-TIPTON

by Katie Petrunyak



Click here for our visit with the record-setting Guarana and her dam Magical World at Three Chimneys Farm | *Horsephotos*

An elite group of broodmares owned in partnership by Three Chimneys Farm and Hill 'n' Dale Sales Agency will go through the ring at the upcoming Fasig-Tipton November Sale on Nov. 9. Among them, Grade I winner Guarana (Ghostzapper – Magical World, by Distorted Humor) and her dam Magical World (Distorted Humor – Pleasant Home, by Seeking the Gold) offer a rare opportunity for buyers on the 'Night of the Stars.'

"I've been doing this a long time and I don't ever recall having an opportunity to offer a mother and a daughter of this quality together at the same sale," said Fasig-Tipton's Boyd Browning. "Both mares are highly desirable collector's items in their own right. Both mares are in foal to Into Mischief, the leading sire in the United States again in 2021. It's a very, very unique opportunity."

Magical World, a daughter of ultra-successful broodmare sire Distorted Humor, is out of 2005 GI Breeders' Cup Distaff winner Pleasant Home (Seeking The Gold), a full-sister to MGSW Country Hideaway as well as Matlacha Pass, the dam of five-time Grade I winner and sire Point of Entry (Dynaformer). Her female family also includes MGISW and influential broodmare Maplejinksy (Nijinsky II).

Doug Cauthen, advisor for Three Chimneys, remembers watching in person as Magical World debuted at Gulfstream.

"I was pretty impressed with her," he recalled of the Phipps Stable homebred. "She ran second, got beat by half a length, and I tracked her from that time on. It was a year and a half later that the opportunity to buy her privately from the Phippses came up and when you get a chance to buy into one of their great families, you jump at it."

Magical World first produced a winning son of Awesome Again and then was bred to Ghostzapper. The resulting filly, Cauthen said, was an eyecatcher from the start.

"Guarana was a very athletic, strong filly and was sort of a barn favorite," Cauthen explained. "The managers all liked her and when I would come every month or so and look at her, she got better and better and better. It took her a while to get through her training, but once she got to the track, it was lights out."

Originally campaigned by Three Chimneys Farm with Hill 'n' Dale Equine Holdings joining the partnership later in her career, Guarana was brilliant from the start, earning 'TDN Rising Star' status in her 14 3/4-length, front-running debut win for Chad Brown and later racing to three Grade I victories.

"It doesn't really get better than that," Cauthen said. "She propelled herself forward so powerfully that she just out-manned her competition. [She showed] brilliance and speed, winning Grade Is at seven furlongs, eight furlongs and a mile and an eighth."

Magical World's next foal Magic Dance (More Than Ready) followed in her sister's footsteps when she too became a 'TDN Rising Star' and then claimed the Debutante S. as a juvenile.

The mare's only foal to have gone through the sales ring to date, a colt by Pioneerof the Nile, brought $2.1 million at the 2019 Keeneland September Sale. Now named Beatbox, the 3-year-old broke his maiden this month for Chad Brown.

Magical World did not produce a foal in 2019, but she now has yearling and weanling colts on the ground.

"Her Gun Runner yearling is an exceptional-looking colt," Cauthen said. "He's being retained by the partnership to go to the next level. Then she has a super Quality Road weanling on the ground. She just keeps throwing these great physicals, so it's hard to beat."

According to Cauthen, Magical World's consistency in producing quality physicals is key to her success as a broodmare.

"I think she produces great physicals because she is a great physical," he said. "She's got the speed of Distorted Humor in there, but a lot of scope and stretch that came from the dam side. I think quality is the thing that's hard to reproduce and she does it time and time again. It's hard to find that kind of mare and she's definitely special."

Magical World's third foal Magic Dance takes the Debutante S.
Coady

"Magical World is one of those once-in-a-lifetime mares in terms of what she's already accomplished," Browning added. "She has produced both runners and sales horses and is still very, very young. Now you've got a combination of daughters underneath her that are going to the very best stallions in the world as well. So you've got an amazing pedigree with really unlimited potential to continue to develop."

Magical World will sell as Hip 203 at the Fasig-Tipton November Sale. Both she and her Grade I-winning daughter, who sells as Hip 182, will go through the Hill 'n' Dale consignment.

John Sikura, President of Hill 'n' Dale, said he was looking forward to presenting both talented offerings.

"Magical World is a mare with her entire future in front of her," he said. "She's the kind of mare that could be a broodmare of the year. She inherits the quality from her pedigree and certainly produces foals that have extreme ability and are conformationally flawless. Guarana has enormous breed-shaping ability as far as her brilliance on the racetrack, and her depth of pedigree traces back to some of the most significant dirt runners of the past 20 years."

Guarana's brilliance, Sikura said, is what comes to mind when he looks back on the millionaire's career.

"Her first race was brilliant," he said. "She won off the charts and was a 'TDN Rising Star.' Then she ran back in the GI Acorn S. It was highly unusual to take a filly who had just broken her maiden and run her back in a very deep, significant Grade I. But she won by six lengths, beating Serengeti Empress (Alternation), who was a brilliantly fast and determined mare."

Guarana's sizzling 1:33.58 final time in the one-mile contest proved to be a stakes-record performance. From there, the speedy filly took the GI Coaching Club American Oaks and was second to Street Band (Istan) in the GI Cotillion S. Returning at four, she added another win to her resume over allowance company at Churchill Downs before winning the GI Madison S. in a near race-record performance in her final career start.

"The brilliance she demonstrated [in the Acorn S.] was remarkable in just her second start," Browning said, reflecting on Guarana's five-for-six career. "But she also demonstrated her versatility. She won Grade Is at seven, eight and nine furlongs, so it wasn't like she was one dimensional. She literally could do it all and she displayed brilliance virtually every time she stepped onto the racetrack."

Along with her brilliance and versatility, Sikura explained that Guarana's pedigree will be another asset to her ability as a broodmare in terms of the number of influential broodmare sires across her page.

"If you look at every broodmare sire on her page, from Ghostzapper to Pleasant Colony to Distorted Humor, it's influential beyond the norm with highly successful broodmare sires. Much like some sire lines are prepotent and continue through generations, female families are the same way. They beat all the metrics as far as the standard norms of breeding, so the future is immensely bright for this entire family."

"The pedigree opportunities are really unique," Browning said of the duo. "You've got one mare by Distorted Humor who has proven to be an unbelievable broodmare sire and then you've got another by Ghostzapper, who would arguably be one of the most desirable young broodmare sires in the world. You combine that with the depth of pedigree where you've got champions all over the world in these two pedigrees, and it's pretty special."

As for the mating with Into Mischief for both mares, Browning said, "You know the old saying, breed the best to the best. We've got an example here with one of the best producers in the world in foal to Into Mischief, who is arguably the best stallion in America and certainly numbers would verify that. Then you've got one of the best race fillies in the world in Guarana who is also bred to the best."

Cont. p12

The cross of Into Mischief with Distorted Humor has already proven to be highly successful with the likes of Grade I winner and sire Practical Joke as well as the talented current graded stakes performer Life Is Good.

"We bred these mares to the best sires available and I think it's a great mating for Guarana and her dam," Sikura said. "Guarana is carrying a colt, so the sky is the limit and anybody that's very serious on a global scale will be looking for her attributes when they go shopping this November."

For Three Chimneys, Cauthen said the farm is proud to be offering two superstar mares who have brought eyes upon the Three Chimneys breeding and racing program.

"Whenever a farm wants to be a leader in the business and can prove that they've produced top-level horses like Guarana, it says that the plan is working," he explained. "For us advisors, we're just happy when the results work out because it's not a one-person thing, it's a 50-person job. From the Torrealba family down to the grooms that work so hard to take care of these horses, it shows that the system is working."

ATTEMPT TO MASK LAMENESS RESULTS IN 'INHUMANE TREATMENT PENALTIES

by T.D. Thornton

The Delaware Park stewards have suspended and fined an owner, trainer and assistant trainer for "improper or inhumane treatment" of a horse diagnosed last spring with a 50% tendon tear.

Four related Delaware Thoroughbred Racing Commission (DTRC) rulings in the case involve a gelding named Food and Wine (War Front) who was disqualified from a June win because of a drug overage.

After returning sore from that victory because of a bowed tendon that a veterinarian said required eight to 12 months off, Food and Wine was put back into training in September and purportedly drugged in an attempt to mask lameness and get the gelding off the restricted list.

But instead of being cleared to race based on that supervised workout, Food and Wine again pulled up lame.

According to the rulings, a veterinarian then reported the series of incidents to the stewards.

As a result, after appearing at an Oct. 15 stewards' hearing and waiving his right to counsel, owner Jose Luis Rosales, 37, has been fined $2,500 and suspended 30 days.

Trainer Linda Manchio, 76, who did not appear at her hearing, has been fined $2,500 and suspended 30 days. The Oct. 15 DMTC ruling against her stated that she has not been to Delaware Park all year despite stabling and starting horses there.

Assistant trainer Belinda Manchio, 58, whom the Delaware Park stewards deemed to have been the licensee in charge of the day-to-day care for Food and Wine, attended her hearing, waived her right to counsel and was fined $1,000 and suspended 15 days.

TDN could not immediately reach Rosales or either of the Manchios for comment. It was unclear if appeals were in the process.

Here's how the allegations unfolded according to the four DTRC rulings (three dated Oct. 15 and one from Aug. 5):

Five-year-old Food and Wine, with a 2-for-15 record, wired a June 2 turf allowance at Delaware Park. At one point in the race, the 14-1 shot opened up a 10-length lead under jockey Tomas Mejia (who has since been suspended 10 years by New Jersey regulators for using an electrical shocking device in a race at Monmouth Park).

Horsephotos

But after Food and Wine coasted home by four lengths at the wire, he "returned sore and was placed on the State Veterinarians List," three of the Oct. 15 DTRC rulings stated.

Then, according to the rulings, on June 14, "the Practicing Veterinarian performed an Ultrasound on Food and Wine [that] reveled a 50% tear in his tendon (Bowed Tendon). The Veterinarian recommended 8 to 12 months off to recover."

Subsequently, on Aug. 5, the stewards ruled that Food and Wine had tested positive for an overage of methocarbamol, a Class 4 and Penalty Category C skeletal muscle relaxant, after his June 2 win. Linda Manchio waived her right to have a split sample tested. Food and Wine was DQ'd from the win and Linda Manchio was fined $1,000.

Cont. p13

Meanwhile, instead of getting the time away from the track that the practicing veterinarian had recommended, Food and Wine was instead placed back into training. He breezed three furlongs in :38 at Delaware Park on Sept. 25.

One of the DTRC rulings states that the gelding's owner, Jose Luis Rosales, “contacted the State Veterinarian to schedule a breeze in order for Food and Wine to be removed from the Vets List and be eligible to race.”

That workout was scheduled for Oct. 3. According to the ruling, "Food and Wine worked a half-mile in :50.60 and pulled up lame. Food and Wine remained on the Vets List."

After the stewards began investigating, it was revealed in the ruling that, "Food and Wine was treated in August with Prednisolone Pills and Naquasone Powder. Owner Jose Luis Rosales ordered the treatment of Naquasone on Sept. 27 and an injection of Dexamethasone on Sept. 27 and 28 [in the] days prior to Food and Wine's workout."

The ruling continued: "Stewards determined that the ordered treatment[s] by Mr. Rosales for Food and Wine were to take away any lameness so that Food and Wine could work and be removed from the Vets List to race."

One of the Oct. 15 rulings noted that "Trainer Linda Manchio shall bear primary responsibility for the proper care, health, training, condition, safety and protection of horses in her charge."

The ruling also stated that, “During testimony in this matter, Trainer Linda Manchio has not been to Delaware Park in 2021, her stable has been in the care of her Assistant Trainer Belinda Manchio. Linda Manchio did not follow the recommendation of her Practicing Veterinarian for Food and Wine.”

Belinda Manchio's ruling stated that the stewards determined she “shall assume the same duties and responsibilities as imposed on a registered Trainer” for the “proper care, health, training, condition, safety and protection of horses in her charge.” The ruling noted that she, too, “did not follow the recommendation of her Practicing Veterinarian.”

All three Oct. 15 rulings stated that the conduct of the suspended licensees “does adversely affect the public's confidence in the reputation of Thoroughbred racing in Delaware and is not in the best interest of horse racing.”

As an owner, Rosales has five wins from 29 lifetime starters dating to 2019.

Linda Manchio's record on Equibase dates to 1976, the oldest year available for training stats in that database. She has 192 wins from 2,254 starters during that time, but had no starters between 2003 and 2020. There are no other rulings listed against her in The Jockey Club's rulings database.

BUCCHERO FILLY TOPS INDIANA MIXED SALE

Bucchero | *Serita Hult*

An Indiana-bred filly from the first crop of the Florida-based MGSW Bucchero (Kantharos) was hammered down for $48,000 to Roger Speiss, Randy Klopp and Liz McCready Klopp to top the Indiana Thoroughbred Owner's and Breeder's Association's 2021 Fall Mixed Sale held Oct. 16 at Indiana Grand in Shelbyville, IN. The price is believed to be a record for a yearling at the sale.

Cataloged as hip 40, the April foal--already named Honey Red--is the fourth from Spousal Privilege (Successful Appeal), who has already produced the Indiana-bred stakes-winning duo of Black Nova (Holiday Promise) and Maters N Taters (Santiva). She is also responsible for seven-time winner Rooster (City Weekend), victorious in the ITOBA Stallion Season S., a non black-type race. Hip 40, bred by Crystal Chapple DVM and Michael Phelps, was consigned to the ITOBA sale by the duo's Stone Cut Farm and carries the same Kantharos/Valid Appeal cross as dual-surface Grade I winner World of Trouble.

Including Saturday's results, Bucchero, who stands at Pleasant Acres Stallions in Morriston, has had 12 yearlings sell from 15 through the ring this year for an average of $32,417, better than six times his introductory stud fee of $5,000. A first-crop filly out of the stakes-winning Sliver of Hope (Value Plus), also bred in Indiana, was sold to Albert Davis for $75,000 during the select session of the OBS October Yearling Sale in Ocala Oct. 12.

TRF TO HOST LOWELL 20TH ANNIVERSARY SHOW

Edited Press Release

The Thoroughbred Retirement Foundation (TRF) will host a worldwide livestream event Thursday, October 21 at 8 p.m. ET, celebrating the transformative power of horses through the TRF Lowell 20th Anniversary Horse Show. The virtual event will bring viewers inside the horse farm at the Lowell facility and provide an opportunity to experience the connection between the horses and the women currently participating in the program. The Lowell Horse Show will also shine a spotlight on several women who have successfully graduated from the program and gone on to brighter futures post-incarceration.

The live event will be co-hosted by Kim Weir, Director of Major Gifts and Planned Giving at the TRF; and Lonny Powell, CEO of the Florida Thoroughbred Breeders and Owners Association (FTBOA). The two organizations collaborate closely to raise the funds required to care for the 50 horses in the TRF herd at Lowell Correctional Institution. Weir and Powell will be joined by Hall of Fame Thoroughbred Trainer, Mark Casse; FOX Sports Racing Analyst Acacia Courtney; and Niall Brennan of Niall Brennan Stables. The global audience will be invited to participate in an interactive online Q & A at the event's conclusion.

"The Lowell Horse Show offers a unique window for the whole world to see, hear and feel the impact that the retired racehorses have on the lives of the women at Lowell," Weir said. "I believe that everyone who joins us on October 21st will be inspired, uplifted and perhaps more hopeful about the potential for Second Chances in our challenging world."

Also Ran: Gimmedamoney, Don Bernardo.

Senbei earned the second stakes win of his young career with this four-length victory at Finger Lakes Monday. The chestnut colt was hustled out of the gate and tracked pacesetting Adios Asher through an opening quarter in :22.09. He began putting more pressure on the leader entering the turn and stuck a head in front at the top of the lane after a half in :45.68. He took time to find his best stride in upper stretch, but finally kicked into gear late to power home an easy winner.

"I thought his class stepped up turning for home," said winning co-owner Dean Reeves. "I think the other horses really took it to him early and he hung there with them and turning for home, he kept getting it. I think his class, being by Candy Ride, really just came up and he stepped up and made it look easier than it did when they were turning for home."

Senbei opened his career with a 4 3/4-length victory versus state-bred foes at Saratoga July 18 and returned to take the Funny Cide S. at that oval Aug. 27. He suffered his first loss when second after setting the pace in the seven-furlong Bertram F. Bongard S. at Belmont last time out Sept. 26.

Also Ran: Whooping Jay, Desmond Doss, Give Me the Lute, Tiger Dad, Loud Mouth, Ground Attack.

Indian Peak, who won the 1 1/8-mile Snow Chief S. over this turf course last June, was second in the 1 1/16-mile California Dreamin' S. at Del Mar July 25 and was cutting back in distance following a fifth-place effort at that same course and trip in a Aug. 20 optional claimer. The dark bay gelding was outfooted early and raced well off the pace. He pulled his way into contention and made a bold rally crossing over the dirt track and powering to the lead before outbattling North County Guy to the line. Unbridled Ethos closed powerfully to get third. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

Stretching out for this third go, the 7-2 shot was under a snug hold while just off the early leaders behind pedestrian splits. She glided by the pacesetter on the far turn, with Golden Essence shadowing her move into the stretch. Those two rivals battled down the lane, with Dia De Sol just getting her neck in front on the line to become the 12th winner for her freshman sire (by Pulpit). Dia De Sol was a $3,700 KEENOV weanling and sold for $28,000 followng a :10 2/5 work at this year's OBS June sale.
