RESALE MARKET STEPS UP TO THE PLATE

Michael Donohoe signed for the session’s two top-priced lots for Middle Eastern clients | Tattersalls

by Chris McGrath

NEWMARKET, UK--Well, if the astounding yearling market is to make any kind of sense, then this one needs to prove every bit as strong. And the early signs, after the opening session of the Tattersalls Horses-in-Training Sale, are that those who invested so heavily in new stock at the October Sale can pin their hopes on other dividends beyond the notorious limits to domestic prizemoney.

Year-on-year comparisons at an auction like this must carry a caveat, granted the random element in the calibre and distribution of the best stock. But in the context of the overall market, which has absorbed the shock of the pandemic with such buoyancy, it seems reasonable to accept at face value a return the levels achieved in the first session in 2019. For while this sector did suffer more than most in 2020—when the surprising resilience of the yearling market was perhaps complemented by a “fire sale” mentality with horses that had shown their hand—the recovery in values appears to form a fairly perfect 'V'. So even if we set aside a giddy elevation in Monday's trade compared with last year—condensed by leaps of 72% in turnover (7,126,000gns for 263 sales from 4,138,500gns for 244); 60% in average (27,095gns from 16,961gns); and 78% in median (16,000 from 9,000gns)—then the session performed pretty well in step with the equivalent one in 2019.

MIESQUE THE FEATURE ON CHANTILLY TUESDAY

Tuesday’s Chantilly card has a pair of pattern races, with the seven-furlong G3 Prix Miesque acting as one of the last staging posts for 2-year-old fillies with Classic aspirations. Godolphin’s Fleur D’Iris (GB) (Shamardal) sets the standard, having beaten Zellie (Fr) (Wootton Bassett (GB)) in the G3 Prix d’Aumale at ParisLongchamp Sept. 9 only to finish last behind that stablemate on ground that was too testing in the Oct. 3 G1 Prix Marcel Boussac back there. “Everything went wrong for Fleur d’Iris in the Prix Marcel Boussac, when she raced too freely on the heavy ground,” Godolphin’s Lisa-Jane Graffard said. “Hopefully, conditions will be more to her liking at Chantilly.”

Infinity Nine Horses and Ecurie des Monceaux’s unbeaten Mangoustine (Fr) (Dark Angel (Ire)) is up in class for the Frederic Rossi stable after her latest outing in the Sept. 23 Listed Criterium de Lyon over a mile, while White Birch Farm’s acquisition Gran Sabana (Ire) (Kingman (GB)) adds intrigue coming off a debut win for the Brandts also over a mile here Sept. 24.

Tattersalls Autumn Horses-In-Training Sale cont. from p1

During that session, turnover of 7,696,700gns for 265 sales yielded an average of 29,044gns and median of 13,500gns. The median, key to that critical middle market, performed exceptionally well and the clearance rate also attested to demand, up to 88% from 84%.

Who can say how long racetrack competition in this country can sustain international credibility when prizemoney so clearly does not? It’s a precarious and paradoxical foundation for viability, but once again conspicuous overseas investment--notably from the Middle East--testified to enduring faith, for now, that the priceless heritage of British racing guarantees the quality that purse money cannot.

Horoscope Retains Bright Future

Another conundrum, and one unique to this market, is that the best stables sometimes pay a price for their own excellence, purchasers being sceptical of their own ability to eke out further improvement. But the way Horoscope (Ire) (No Nay Never) has continued to thrive on a busy campaign for the peerless Aidan O’Brien prompted hectic demand as soon as he entered the ring as lot 302. Indeed, someone tried to hit the ball out of the park with an opening bid of 100,000gns, but that bold flourish was soon placed in perspective and it ultimately took a single intervention from BBA Ireland, at 325,000gns, to land the colt for undisclosed Middle Eastern clients.

Horoscope admittedly disappointed in the G2 Challenge S. on his latest start, but had been progressing markedly before that, with a listed success at Killarney setting up a storming finish for a close third (and an official rating of 110) in Group 2 company at Leopardstown. He has a pedigree to support his improvement, too, with none other than Sonic Lady (Nureyev) as third dam and a plethora of black-type performers and producers under her unraced daughter Lady Icarus (GB) (Rainbow Quest).
"He's a good-looking horse with the pedigree to be a stallion down the road," said Michael Donohoe after signing the docket. "With that rating he can run in all those top races in the Emirates, he goes on quick ground, and he's versatile."

Investment from the Gulf drove much of the day’s trade and the very next lot in the draft, **Lough Derg (Ire)** (Galileo {Ire}) (lot 307), was another case in point. Having been just run out of a group prize at Dundalk last month, he brought 120,000gns from Peter Doyle and Najd Stud. On the face of it, two other sons of Galileo (Ire) offered by Coolmore earlier in proceedings had achieved pretty much what they were bred to do, having respectively finished third in the Derby and St Leger.

**Amhran Na Bhfiann (Ire)** (lot 237) made the podium at 66-1 behind stablemate Serpentine (Ire) at Epsom last year, in one of the more mystifying races in Derby history. This summer he confirmed sufficient ability to romp away with the G2 Curragh Cup, but he has since been beaten an aggregate 71 lengths in three starts and CUB Bloodstock, bidding online, was able to land him for 78,000gns.

**The Mediterranean (Ire)** (lot 238), in contrast, was third in the oldest Classic only last month, and runner-up in the G2 Great Voltigeur S. before that. He may not have absorbed his Doncaster effort when stepped up to two miles in a couple of subsequent outings, and it will be interesting to monitor his future endeavours for Domeland, whose 100,000gns bid was also made remotely.

Magic Still Casting A Spell

Donohoe had earlier ensured that I Am Magic (Ire) (Magician {Ire}) remains well named, sealing a second lucrative pinhook cycle.

Found as a yearling by Aguiar Bloodstock for just 14,000gns at the Ascot Yearling Sale, he breezed at the Craven Sale here with sufficient dash to advance his value to 95,000gns. That has in turn proved to be a good investment for Michael O’Callaghan, whose stable has developed an astute niche as a trading nursery. A maiden winner at the Galway Festival, he had appeared to struggle with a rise in grade on his next two starts and was duly sent off at 66-1 for the G3 Killavullan S. at Leopardstown just nine days before the sale. But he really put himself in the shop window there, worn down only in the closing stages to be beaten a length in third, in the process hoisting his rating to 101.

That persuaded Donohoe to go to 200,000gns for lot 257, again on behalf of an unnamed client in the Middle East. "The immediate plan would be the Saudi Derby," the agent explained. "He should get into the race with the rating he has, and should get the trip well. I’ve been following his career all the way through, I saw him breeze and was at Leopardstown last week when he ran so well. He has plenty of size and scope, and looks the type that will keep getting better as a 3-year-old."

Blueberry’s Fruitful Investment

Touch of the day was completed when Atalis Bay (GB) (Cable Bay {Ire}) entered the ring as lot 358. Picked up as a short yearling by Scuderia Blueberry SRL for just 800gns at the February Sale here in 2019, he has since won five races in 12 starts for Marco Botti, including a listed sprint at Sandown--and here advanced his value to 130,000gns from Tom Morley and Middleham Park to join Robert Cowell.
"We're setting up a little syndicate between Middleham and Tom," said Cowell. "They had a nice 2-year-old this year [Dynamic Force (Ire) (Kodiac (GB))], so we're trying to stay lucky. He looks like something we can do well with."

"He's a very fast horse, he was second to Winter Power (Ire) (Bungle Inthejungle (GB)) at York and that's pretty decent form," reasoned Tim Palin of Middleham Park. "He's still a colt, so the dream is very much alive that he could be a superstar. The way he won at Sandown was brilliant, and I can see him winning heritage handicaps or maybe even better."

In the meantime, all credit to his previous owners for a terrific investment--and to Botti for his skilled contribution to a real rags-to-riches tale.

**Opportunity In Shadwell Draft**

The Shadwell cull that dominates this catalogue has created an unusual opportunity in the release of many horses that remain "work in progress." A group of juveniles in this session, for instance, included **Majalh (Ire)** (Siyouni {Fr}) ([lot 191](#)). Earlier this month, fitted in a tongue-tie for his third start, he had won a Brighton maiden by four lengths for William Haggas. With a granddam so closely related to Fame And Glory (GB) (Montjeu (Ire)), further progress seems likely and that drove Jassim Mohamed Al Ghazali, bidding remotely online, to 155,000gns.

The Qatari trainer, usually such a reliable presence at this sale, was regrettfully unable to travel this time owing to ongoing Covid restrictions. But Will Douglass, who assists his shopping here, said: "This horse was very well presented and produced by Shadwell, and ticks all the boxes: by Siyouni out of a Sea The Stars (Ire) mare, he's just a 2-year-old and it looks as though there's more to come from him."

While Majalh will be continuing his career in the desert, the previous lot into the ring was a case of cutting to the chase for Paul McCartan of Ballyphilip Stud, who will retire **Falaj (GB)** (Kodiac (GB)) ([lot 190](#)) unraced. In giving 100,000gns for this half-sister to group-placed sprinter Fashion Queen (GB) (Aqlaam (GB)), after all, McCartan was only matching what she had cost Shadwell in the same ring as a foal. Besides throwing two years' keep into the package, Falaj has meanwhile been distinguished by her half-sister's son Asymmetric (Ire) (Showcasing (GB)), winner of the G2 Richmond S. and placed in the G1 Prix Morny this summer for Alan King. Ballyphilip famously gave us Battaash (Ire) (Dark Angel (Ire)) and Harry Angel (Ire) (Dark Angel (Ire)) and more of the same seems possible from a family replete with stakes sprinters including G2 Flying Childers and G3 Molecomb winner Wunders Dream (Ire) (Averti (Ire)), a half-sister to Falaj’s dam. The dam of Battaash, remember, was bought at this auction nine years ago for just 14,000gns.
"This sale has been lucky for us," McCartan said. "And we loved her pedigree: Asymmetric is a good horse and his half-brother was stabled next to us this year, a Gleneagles (Ire) colt from Redpender, and he's a beautiful-looking horse. We have a breeding right in Showcasing (GB) so she may go to him."

There was the customary interest in older Shadwell stock, too. Montather (Ire) (Dubawi {Ire}), for instance, brought 140,000gns as lot 280 from Stuart Boman of Blandford Bloodstock on behalf of Ciaron Maher Racing. The 4-year-old has needed patience, mustering just three starts across his first two seasons, but has settled on a mark of 94 and the agent said he considers him tailormade for Australia. "Roger has handled the horse beautifully," Boman said. "We've had a bit of luck at this sale over the years, and I think this is a very talented horse who will appreciate the faster pace in Australia, because he can get a little bit keen, and he loves firm ground too."

**Hoping For Another Mishriff**

Seeing is believing, and while few would have viewed Make Believe (GB) as an obvious dirt influence before his son Mishriff (Ire) took to the surface with such lucrative effect in the Saudi Cup, then compatriots of his owner Prince A.A. Faisal were clearly inspired in giving 135,000gns for the homebred 3-year-old Third Kingdom (GB) (lot 201).

Assumptions about the versatility of bloodlines do tend to be self-fulfilling, being so rarely tested. Regardless, this colt responded to blinkers in spectacular fashion for John and Thady Gosden at York last month, winning a handicap by eight and a half lengths. That performance belatedly renewed the promise he had shown with a similarly emphatic maiden success last year, and secured a new rating of 103.

Cont. p7
In fairness, unlike Mishriff, Third Kingdom’s maternal family contains a number of blatant clues that dirt might prove congenial, notably a second dam whose half-brother Tejano Run (Tejano) ran second in the GI Kentucky Derby. (Dam Spring In The Air {Spring At Last} did win the GI Alcibiades S. but that was during Keeneland’s synthetic experiment.)

So it'll be interesting to see how he fares for Najd Stud, who were represented here by Peter Doyle and Saad Bin Mashraf, who confirmed: "We like the breeding for the dirt, especially on the dam's side, we think he will improve on that surface."

**Descent Taking Off**

Increasing competition from Australian and Saudi Arabian investors has made this sale much tougher going for jumps trainers than was the case a few years ago, but Anthony Bromley secured a nice staying prospect for Warren Greatrex in Line Of Descent (Ire) (Nathaniel {Ire}), who made 135,000gns as lot 269. Sheikh Mohammed Obaid al Maktoum’s homebred gelding, unraced at two, has been brought along to a rating in the mid-80s in the expert care of Simon and Ed Crisford, while remaining unexposed and with obvious scope for his new career.

"He's been bought for my new landlords, Jim and Claire Bryce," said Greatrex. "We've bought a few nice horses for them recently and they wanted a juvenile, and this horse fitted the bill. We know the Nathaniels jump, and they improve with age. Time will tell but he looks the part so fingers crossed."

Greatrex has sent out three winners from his new base in Lambourn, Rhonehurst, and hopes that this horse can emulate one of his first flagbearers, Barwell Bridge (GB) (Red Ransom), bought at this auction for 80,000gns before running fifth in the Triumph Hurdle. "But it's a hard sale," he admitted. "You need a good budget to buy a good one here."
If At First You Don’t Succeed...

Perseverance paid off for breeders Hunscote Stud with Cairn Gorm (GB) (Bated Breath (GB)), who failed to reach his reserve here as a foal, at just 19,000gns, and again at Doncaster as a yearling, at £35,000. Retained to race in partnership, he won his first three for Mick Channon as a juvenile, including a group race in France, before stabilising on a mark in the mid-90s with a solid handicap campaign this time round. That qualified him to meet the brief of James Couldwell of Value Racing Club, operating on behalf of a shareholder who could now afford to raise his sights to 105,000gns for lot 252.

"Richard Sanderson has been a member with the racing club for some time, but recently sold his business and wanted a horse of his own who could run at the top weekend meetings," Couldwell said. "The budget was 100,000gns, but we weren't to lose out for an extra bid. That's how it worked out, but we couldn't have gone again. We're usually spending around 30,000gns, so it was a bit nerve-wracking."

"He'll be going to Mick Appleby, who has done so well for us, and hopefully he can target the Wokingham. He did brilliantly as a very forward 2-year-old, but then the others maybe caught up with him a bit at three: he's been running under big weights and not beaten far, so we're hoping that Mick has done the work for us and got him handicapped."

Still being an entire, moreover, Cairn Gorm gives his new connections the option of rendering him, in the traditional formula, "two stone lighter."

Fresh Start For Dirtyoldtown

After a breakout season, with 44 winners at a 21% strike-rate, Grant Tuer will face the challenge of consolidation with a promising new recruit in Dirtyoldtown (Ire) (No Nay Never), a runaway maiden winner at Chepstow for George Boughey before failing to cope with a rise in class in the G3 Autumn S. Offered as lot 324, he was knocked down to Alex Elliott at 100,000gns.

"I think he was probably just a bit free the other day, but I know George well and he's very sorry to see the horse go," the agent remarked. "We've been waiting on him all day, didn't bid for two or three others because this was the one we wanted, but the way the market has heated up we were a bit worried whether we'd get him. So Grant is over the moon. He's had a wonderful season and this one is for a new client of the stable."

It was Elliott, incidentally, who found Raadobarg (Ire) (Night Of Thunder (Ire)) at Doncaster as a yearling for £200,000, and he was handsomely vindicated when that colt ran up a hat-trick in the spring for Roger Varian in the silks of Amo Racing, culminating in a Class 2 Handicap at Haydock.
It feels like a depressing commentary on the curious economics of our business that the colt’s earnings nonetheless remain short of £40,000; and nor, even as one of the top lots of the day, could he quite retrieve his original value. Offered as lot 344 through Aguiar Bloodstock, he made 150,000gns from Hamish Macauley Bloodstock and will now transfer to the yard of Johnny Murtagh.

"I'm delighted to get such a high-class horse," Murtagh said. "His form looks solid and hopefully he can improve from three to four."

Of course, it's hard to put a price on the sheer pleasure of owning a decent racehorse and there is surely plenty more of that to come for those partners in Ace Rothstein (More Than Ready) who bought out those who sent him into the ring as wildcard lot 364C. He was late resurfacing this season but has looked highly progressive in winning two of three starts since, and returns to Fitzroy House after Nick Bell signed a 125,000gns docket on behalf of his father Michael. He'll be looking to Dubai or Bahrain this winter.

Annandale Following Glen Trail

One stayer who eluded both the export and jumping markets was Annandale (Ire) (Australia {GB}), who topped the quieter morning trade in fetching 82,000gns as lot 88. Mind you, he will be crossing what remains (for now) an internal frontier, as befits one named after a region of the glorious Scottish Borders. Winner of four races in the care of Mark Johnston for Ayrshire owner-breeder William Johnstone, Annandale will now join Jim Goldie outside Glasgow—at stables already housing Johnstone's evergreen Euchen Glen (GB) (Authorized), better than ever this year at the age of eight. Goldie hopes that he, too, can progress out of handicap grade as he matures.

"He's obviously from a breeder I know well," Goldie said. "I'm hoping he will turn into a Cup horse. He's a nice horse, a typical Mark Johnston horse, and I think he'll progress. He might have a break, but he has won at Newcastle and with the All-Weather Finals moving there we might have a think about that."

Johnstone is a believer in close inbreeding. Euchen Glen’s dam Jabbara (Ire), picked up for just €25,000, was out of a Nureyev mare—just like her sire Kingmambo. And Johnstone mated her with a grandson of Nureyev's three-parts brother Sadler's Wells. Annandale, for his part, is out of a mare by Sadler's Wells—who is also his great-grandsire.

**TECHNICIAN TO MONTAIGU**

Group 1-winning stayer Technician (IRE) (Mastercraftsman (IRE)--Arosa (IRE), by Sadler’s Wells) will enter stud in 2022 at Haras de Montaigu. He will be syndicated.

Trained by Martyn Meade, Technician was purchased by Team Valor International after breaking his maiden by 3 1/4 lengths in April of his 3-year-old campaign in 2019. He finished second next out in the G3 Classic Trial before earning his first black-type score two starts later in the Listed Prix Ridgway over a mile and a quarter. Technician added the G3 Geoffrey Freer S. later that summer before wrapping up his season with scores in the G2 Prix Chaudenay and G1 Prix Royal-Oak. Technician has not been seen since beating one home in last year’s G1 Ascot Gold Cup.

Technician is out of the American stakes winner Arosa. Another relative to have gone to stud recently in France is the two-time Group 1 winner Recoletos (Fr) (Whipper), while the dual Derby winner and sire Shahrastani appears under the third dam.
SACRED ENTERS WINTER QUARTERS

Connections of Sacred (GB) (Exceed and Excel (AUS)) have decided against a tilt at the Breeders’ Cup for the 3-year-old filly, and she has headed into winter quarters at Cheveley Park Stud ahead of a planned 4-year-old campaign.

Sacred, second in a trio of key juvenile events in 2020 for trainer William Haggas in the G2 Queen Mary S., G2 Lowther S. and G2 Flying Childers S., won the G3 Nell Gwyn S. and the G2 Hungerford S. this season over seven furlongs. On her only other run, she was seventh in the G1 1000 Guineas.

Cheveley Park Stud Managing Director Chris Richardson said, “We’ve decided not to go. We would have got our ground, but she’s a very special filly, and Mrs Thompson took the view she’s staying in training next year, and we didn’t want to travel her. If all is well, and she’s still in competitive heart, we will consider it as a 4-year-old. She’s back here [at Cheveley Park Stud] for her holidays. Let’s hope she develops physically and we can stretch her to a mile, which would be good. We’ll see how we get on. The programme is a little easier for those fillies.”

SIX WILD CARDS ADDED TO ARQANA AUTUMN SALE

A pair of flat performers and four jumpers have been added to the Autumn Sale catalogue as Wild Card entries, including 2-year-old Quessigny (Fr) (Recorder {GB}), offered as Lot 367 and Whizz Kid (Ger) (Teofilo {Ire}), who is catalogued as Lot 368. The Wild Card offerings will go under the hammer in Deauville Nov. 15 alongside the 184 horses-in-training already catalogued. An additional 15 Wild Cards will be added to this section.

Heading the flat entrants, Antoine de Watrigant’s juvenile colt Quessigny most recently won the Coupe des 2 ans at Toulouse over 1600 metres. Also recent winner in France, Whizz Kid won at Saint-Cloud in the colours of Klaus Allofs and Gestüt Fahrhof and trainer Peter Schiergen. A half-brother to Grade I winner Wake Forest (Ger) (Sir Percy {GB}), he is out of the black-type mare Wurfspeil (Ger) hails from the family of Arc hero Waldgeist (Ger).

Over jumps, Donatien Sourdeau de Beauregard offers two lots-Keep Running (Fr) (Turgeon), who will go under the hammer as lot 391 and Ice Coast (Fr) (Coastal Path {GB}), offered as lot 402. A winner by three lengths on his first outing over hurdles at Nantes over 3,500 metres, Particuliere Dream (Fr) (Peer Gynt {Jpn}) is catalogued as lot 392, while High Game Royal (Fr) (Martaline {GB}) will be offered as lot 403. Recently runner-up over 3000 metres on his first start, the latter is a brother to G2 Prix Congress scorer Echiquier Royal (Fr).

OBSERVATIONS
on the European racing scene

YOU’RESOTHRILLING’S STORY CONTINUES
AT THE CURRAGH

You’re so thrilling with Happily as a foal | Coolmore

12.40 Curragh, Mdn, €16,500, 2yo, f, 7f

TOY (IRE) (Galileo {Ire}) is the eighth foal out of the remarkable G2 Cherry Hinton S. winner You’re so thrilling (Storm Cat), which makes her a full-sister to the G1 English and Irish 2000 Guineas hero Gleneagles (Ire), the G1 Irish 1000 Guineas heroine Marvellous (Ire), the G1 Prix Jean-Luc Lagardere and the G1 Moyglare Stud S. scorer Happily (Ire) and this year’s G1 Prix de Diane winner Joan of Arc (Ire), as well as the smart Taj Mahal (Ire), Coolmore (Ire) and Vatican City (Ire). Among the opponents of the Ballydoyle blueblood are the CBR Partnership’s Ha Ha Ha (Ire) (Dark Angel {Ire}), a £400,000 Goffs Orby graduate and Jessie Harrington-trained half-sister to the G1 Irish Oaks runner-up Jack Naylor (GB) (Champs Elysees {GB}).

Taking over before three out, the 4-1 shot who wears the Ron Huggins silks carried by the famous stayer Double Trigger (Ire) successful in this race in 1993 was always holding Three Start (Ire) (Muhaarar {GB}) at bay to score by 1 3/4 lengths. The listed-placed dam, whose sole black-type performer is the G3 Herzog von Ratibor-Rennen and G3 Italilgenen Derby Trial runner-up Guiri (Ger) (Motivator {GB}), also has a colt foal by Zoffany (Ire). She is a full-sister to the G1 Deutschland-Preis and G1 Groser Preis von Baden-winning sire Getaway (Ger) and to the G1 Preis der Diana and G1 Oaks d’Italia heroine Guadalupe (Ger) who in turn produced two Group 1 winners in Guignol (Ger) (Cape Cross {Ire}) and Guiliani (Ire) (Tertullian). Sales history: €30,000 Wlg ’19 GOFNOV; 6,000gns Ylg ’20 TADEYG. Lifetime Record: 2-1-0-1, $8,309. O-Atlantic Racing & R W Huggins; B-Guardia Partnership (IRE); T-Mark Johnston.

3rd-Newcastle, £6,800, Novice, 10-25, 2yo, 8f 5y (AWT), 1:41.09, st.

ANTARAH (IRE) (c, 2, Sea the Stars {Ire}--Adool {Ire} {SW & GSP-Ire}, by Teofilo {Ire}), sent off the 8-11 favourite, broke slowly and was anchored in last by a confident Jim Crowley throughout the early stages. Allowing it all to play out ahead, the chestnut was delivered stand’s side to grab the lead passing the furlong pole en route to a 3 1/4-length success from Savvy Victory (Ire) (New Bay {GB}). The winner is the second foal out of the dam, who took the Listed Hurry Harriet S. and was third in the G3 Meld S. She is in turn the best progeny out of Khulood (Storm Cat), who captured the G3 Nell Gwyn S. while the third dam is the G2 Prix d’Astarte scorer Elle Seule (Exclusive Native) who is out of the legendary Fall Aspen. Elle Seule’s progeny list is impressive reading; with the G1 Irish 1000 Guineas heroine Meththaaf (Nureyev) sitting alongside the G1 Prix Maurice de Gheest and G1 Prix de la Foret heroine Occupandiste (Ire) (Kaldoun {Fr}), who proved a font of top-class runners herself and is the second dam of Intello (Ger). Also connected to the multiple Group 1-winning miler and first-season sire Ribchester (Ire), Adool’s yearling is a full-brother to the winner while she also has a filly foal by Lope de Vega (Ire). Lifetime Record: 1-1-0-0, $5,051. Video, sponsored by TVG.

BLUE WINGS, who posted a July 25 debut runner-up finish going seven furlongs at Bordeaux’s La Teste de Buch venue, graduated in a Sept. 4 one-mile maiden here in her penultimate start and went postward for this black-type bow returning off a Sept. 25 second upped to this distance at Salon-de-Provence last time. Moving forward from an early slot along the rail in fourth to go third at the entrance to the backstraight, she made smooth headway off the home turn to go second along the far-side rail entering the final furlong and was ridden out in the closing stages to deny Asad Zabeel (GB) (Dubawi {Ire}) nearing the line for a career high, becoming the first black-type winner for her freshman sire (by Pour Moi {Ire}).

Blue Wings is the fourth of five foals and one of three winners produced by a winning granddaughter of Listed Flying Fillies’ S. victrix Arabesque (GB) (Zafonic), herself the dam of six black-type performers headed by MGSW sire Showcasing (GB) (Oasis Dream {GB}) and GSP sire Camacho (GB) (Danehill). Arabesque is a daughter of G1 Cheveley Park S. heroine Prophecy (Ire) (Warning {GB}), whose descendants also include three-time Group 1 winner Foreteller (GB) (Dansili {GB}), MGWS G2 Prix de Sandringham victrix Modern Look (GB) (Zamindar), GSW GI Beverly D. S. and GI Flower Bowl S. placegetter Grand Jete (GB) (Dansili {GB}), G3 Musidora S. winner Shutter Speed (GB) (Dansili {GB}), MGWS G1 New Zealand Derby runner-up Fix (NZ) (Iffraaj {GB}) and G1 South African Derby and G1 South Africa Classic placegetter Galileo’s Destiny (NZ) (Galileo {Ire}).

Holding sway thereafter, the 5-4 favourite came under pressure rounding the home turn and was ridden out inside the final quarter mile to hold Native Queen (Ire) (No Nay Never) by 2 1/4 lengths in ultimately comfortable fashion. “She is a gorgeous filly who needed [her first] two runs because she was a bit goofy,” explained rider Seamus Heffernan. “I won a Classic on her mother [Imagine] and was placed in a Classic on her brother [Van Gogh]. STRONG OPENER TO OCTOBER SALE

by Jessica Martini
LEXINGTON, KY - The start of the opening session of the Fasig-Tipton Kentucky October Yearlings Sale was delayed an hour by heavy rain, but the weather seemed to be the only thing that could hold back the auction once the bidding got started Monday at Newtown Paddocks.

“We were very pleased with the opening session of the October sale,” Fasig-Tipton President Boyd Browning said Monday night. “I don’t think there was any surprise that there was a lot of demand. We’ve seen strength in the yearling sales from the start to, hopefully, when we finish on Thursday. There was a lot of activity at all levels. There was spirited bidding at all levels with lots of competition and a very diverse crowd that was here buying horses with lots of representation from all over the world.”

During the session, 274 yearlings sold for $11,016,900 for an average of $40,208 and a median of $17,000. At the opening session of the 2020 auction, 248 head sold for $8,393,800 for an average of $33,846 and a median of $15,000.

Of the 396 head catalogued for Monday’s session, 341 went through the ring with 67 reported not sold for a buy-back rate of just 19.6%. It was 22.2% a year ago.

ESSENTIAL QUALITY, MAXFIELD TO STAND AT JONABELL IN 2022

Darley America will have two major new additions to its stallion roster for 2022 as GI Breeders’ Cup Juvenile and GI Belmont S. winner **Essential Quality** (Tapit--Delightful Quality, by Elusive Quality) and fellow Grade I winner **Maxfield** (Street Sense--Velvety, by Bernardini) are set to retire to Jonabell after their final starts.

“To have both Essential Quality and Maxfield coming to Jonabell is as exciting as it gets. And to have accomplished what they did as homebreds in the colors of Godolphin makes it even that much more meaningful,” said Darley Sales Manager Darren Fox. “They consistently performed at the highest level and if you add in their outstanding pedigrees and conformation, we feel very confident that their legacy will continue to grow through their future offspring.”

Out of a Grade III-placed half-sister to champion and GI Breeders’ Cup Juvenile Fillies winner Folklore (Tiznow), Essential Quality has won eight of nine career starts--four at Grade I level--and was named Eclipse Champion 2-Year-Old Male of 2020. In 2021, his victories include the Belmont in which he recorded a 109 Beyer, becoming the first Breeders’ Cup Juvenile winner ever to capture the Belmont. He went on to win the GI Runhappy Travers S. at Saratoga, joining Street Sense (Street Cry (Ire)) as the only champion 2-year-olds in the past 30 years to take the “Midsummer Derby.” The gray is one of the favorites for Horse of the Year and his fee will be set following the GI Breeders’ Cup Classic Saturday, Nov. 6.

Maxfield has never been off the board in 10 career starts and was a dominant winner of Keeneland’s GI Claiborne Breeders’ Futurity as a juvenile, like his future barnmate Essential Quality. Maxfield’s six other career victories include the GII Stephen Foster S. and GII Alysheba S. at Churchill Downs. He also placed in the GI Whitney S. and GI Woodward S. this year. A son of Darley stallion Street Sense, Maxfield is out of the Bernardini mare Velvety, a half-sister to Grade I winner and successful sire Sky Mesa (Pulpit). Like Essential Quality, Maxfield’s fee will be set following his final race, the GI Clark H. at Churchill Downs Friday, Nov. 26.

“In addition to the excitement of two new stallions, we are hearing from breeders a great deal of optimism especially with the strong sales results this year,” added Fox. “It goes without saying that times were tough for the industry last year but ours is a resilient bunch and hope springs eternal for the coming year. All that said, we are still maintaining moderation when setting our fees with only one of our top-tier stallions returning from last year seeing an uptick in price at this time.” Cont. p4
Perennial leading sire Medaglia d'Oro will stand at a fee of $100,000 for the new year. He was the number one yearling sire in North America by both average and median in 2020, and no stallion can match his 20 million-dollar yearlings since 2016. With over 80 worldwide Group or Graded winners—26 at the highest level—Medaglia d'Oro's top-tier performers in 2021 include Golden Sixty (Aus), Hong Kong Horse of the Year, who has won 17 of 18 career starts and over $10 million.

Medaglia d'Oro is also the all-time leading sire of stakes winners at Saratoga and of Grade I winners at Del Mar.

Street Sense's fee will be set at $75,000 for 2022. In addition to his soon-to-be-retired son Maxfield, Street Sense's 2021 top performers also include GII San Vicente S. winner Concert Tour and GII Mother Goose S. heroine Zaajel. Since 2017, Only Into Mischief and Constitution can match his four graded stakes-winning juvenile dirt colts, a group that includes his four-time Grade I-winning son McKinzie.

Nyquist, 2020's leading first-crop sire, will stand for a fee of $55,000 in 2022. His juveniles of last year included Eclipse Champion and GI Breeders' Cup Juvenile Fillies winner Vequist and GI Summer S. winner Gretzky the Great. He is the cumulative leading second-crop sire by earnings, Grade I winners, Grade I horses, and graded stakes horses. In the sales ring, he sits third behind only Quality Road and Uncle Mo by 2-year-old average. His $2.6-million colt sold at Fasig-Tipton in March is the highest amount paid for any juvenile this year and is equal to a yearling by Into Mischief as the highest price paid for any horse at public auction in 2021.

Hard Spun's fee will remain at $35,000 for 2022. He will be represented in the GI Breeders' Cup Dirt Mile by Silver State, winner of this year's GI Metropolitan H. and GI Oaklawn H.

**Frosted**, the record-breaking Met Mile winner, is priced at $20,000 for 2022. Ranked third behind **Nyquist** on the cumulative second-crop sire list, **Frosted**’s top performers this year include Grade II winner **Travel Column**, who is one of five 3-year-olds to run a 90+ Beyer in 2021 for her sire, a total only **Into Mischief** and **Curlin** can top. **A stern** and **Midshipman** will go into 2022 priced at $10,000 each. **Midshipman** has two Breeders’ Cup prospects in Grade II winner **Special Reserve**, headed to the GI Breeders’ Cup Sprint, and undefeated 2-year-old filly **Avery Jane**, who is pointing towards the GII Breeders’ Cup Juvenile Turf Sprint. He is represented by a career-high 11 stakes winners in America this year. **A stern**, who shuttles from Australia, has eight first-crop winners this year and his daughter **Sail By** will be making her next start in the GI Breeders’ Cup Juvenile Fillies Turf following a score in the GII **Miss Grillo S.** at Belmont.

**QUALITY ROAD ANCHORS LANE’S END ROSTER AT $150,000 FOR 2022**

**Quality Road** (**Elusive Quality**—**Kobla**, by **Strawberry Road** {Aus}), whose ‘**TDN Rising Star**’ son **Corniche** figures one of the favorites for the GI Breeders’ Cup Juvenile Nov. 5, will remain at $150,000 for the upcoming breeding season at William S. Farish’s Lane’s End Farm, which released its stud fees Monday.

The 15-year-old stallion is in the midst of another outstanding season, with nine stakes winners to his credit. Three of those have come at the graded level, led by the aforementioned **Corniche**, who topped this year’s OBS April Sale on a bid of $1.5 million from Peter Fluor and K.C. Weiner’s **Speedway Stable** and ran his record to two wins from two starts with a 3 1/4-length victory in the GI **American Pharoah S.** at Santa Anita Oct. 1. **Astronaut** upset the GI **Del Mar H.** and is a candidate for the GI **Longines Breeders’ Cup Turf**, while **Dr Post** impressed in the GII Monmouth Cup while also placing in the GI TVG Pacific Classic and GI **Woodward S.**

**Quality Road** was the leading sire by average (more than one sold) at this year’s bell-weather Keeneland September Sale, his 34 yearlings fetching an average of $472,794. Immediately behind **Quality Road** were **Curlin and Into Mischief. Quality Road** was represented by two seven-figure sellers at KEESSEP, led by a $1.6 million half-brother to **GSW & MGISP Midnight Bourbon** (Tiznow) and GSW **Girvin** (Tale of Ekati) that was hammered down to Woodford Racing & West Point Thoroughbreds. He was also represented by a $1-million half-sister to GI Kentucky Derby winner **Always Dreaming** (Bodieoismer) at Fasig-Tipton Saratoga.

The first crop of **Quality Road**’s son **City of Light** has met with tremendous reception. The 7-year-old is the second-leading freshman sire of yearlings behind only **Justify** and he was responsible for the overall Keeneland September topper, a $1.7-million son of MSP **Anchorage** (Tapit) that was purchased by Woodford, West Point and Talla Racing. **City of Light** gets a bump from $40,000 up to $60,000 for 2022.

Nacho Patino had high hopes for Dayoutoftheoffice before he had even hit the ground at Siena Farm.

Her dam, Gottahaveadream (Indian Charlie), was a relatively large mare and had consistently thrown size and scope in her first three foals, so the Siena team had decided to pair her with Into Mischief. The resulting foal, Patino said, was better than what they had imagined.

"I loved the filly when she was born," Siena Farm’s General Manager explained. "She was a big, strong filly with the size and scope we were hoping for. I remember calling Anthony [Manganaro, Siena Farm Chairman] and telling him the mare got a beautiful Into Mischief filly."

As spring turned to summer, Dayoutoftheoffice looked to be the prized weanling of her foal crop at Siena. But one foggy morning in September, the trajectory of her career changed entirely.

Manganaro was in town and told Patino he wanted to take a look at Gottahaveadream’s filly. Cont. p7
“It was very foggy and the guys were bringing the weanlings closer to the gate,” Patino recalled. “We were driving up to the barn when we heard all this commotion. The horses had spooked and they took off running in the field. When the guys finally brought them into the barn, that’s when we saw Dayoutoftheoffice had run into a fence. Her knee looked like somebody had taken a sledgehammer and hit her.”

Patino immediately sprang into action, loading the injured weanling onto the van and calling the clinic as soon as they were on the road.

“When one of these things happens, you pretty much know that as far as this horse becoming a racehorse, it’s probably not going to happen,” he said.

But at the clinic, they discovered that there was minimal damage to the bone or the ligaments. The filly returned to the farm a few days later and for weeks, Patino diligently changed her bandage daily.

“After three weeks, the knee looked great,” he remembered. “There was a lot of swelling, but the wound had closed. The problem was that for everything to heal, the skin had become stiff and there was no flexion in the knee.”

Patino and his team worked with the filly daily to get some flexibility back in the joint, using the cold-water spa and trying out other forms of therapy. When it came time for sales prep to begin, Patino decided to keep her on the same track as the other sales yearlings.

“You could see that the knee was never going to be normal, but running around in the field, she looked fine,” he said. “I think the knee was probably bothering me more than it was bothering her. I was kind of hesitant to put her on the walker or exercise her like the other yearlings, but we started sales prepping and it...
was a completely different horse. Everything she was doing was very easy for her and she just loved it. You didn’t have to make her work, she did it on her own."

Even as the filly flourished in her training, the veterinarians told Patino she had a 50-50 shot of seeing the racetrack. He knew she would be overlooked at any sale.

“People would take one look at the knee and turn around,” he said.

Patino and Manganaro, along with Siena’s President David Pope, decided to send her to Tim Hamm, a conditioner they had shared success with in 2016 with My Dear S. winner Velvet Mood (Lonhro {Aus}).

“Tim has a program that he will work out a deal with us and for 50% equity, he will train them at no expense to us,” Pope explained. “So it was a win-win. Dayoutoftheofﬁce was in a group of three or four horses that we sent him and we thought she was probably the least likely [to race] because of her injury.” But Patino said that when Hamm first saw the young filly, his eyes lit up.

“I don’t think it took him two seconds to look at the ﬁlly,” he recalled. “He loved her size and the physical was there, just looking at the knee you didn’t know if she would make it. I remember going to visit her in February and you could see she loved going on the track and she looked normal galloping.” It wasn’t long before Hamm was asking for a name for their juvenile. Pope and Patino discussed options back in the office at Siena.

“Her dam’s name is Gottahaveadream,” Patino had reminded Pope.

“Nacho, my dream is to have a day at the beach,” Pope had replied.

They looked up the name Day at the Beach, but it was already taken. Cont. p9

“Well my dream is to have a day out of the office,” Patino suggested.

They tried again with Dayoutoftheoffice, and the name was available.

“We didn’t even tell Anthony, we just gave her the name,” Pope recalled with a laugh. “Next thing we know, Anthony is calling us up and he hated the name. But after she won the Schuylerville, he called us and said, ‘You know what? I love that name.’”

Dayoutoftheoffice made a winning debut at Gulfstream in May last year, flashing through a speedy opening quarter of :21.89 to win the 4 1/2-furlong contest by 4 3/4 lengths. She was dismissed at long odds in her next start in the GIII Schuylerville S., but bested the rest of the field by six lengths.

“I loved the fact that she was 20-1 because we made a little bit of money on that bet,” Pope said with a grin. “We were running against the big boys and it’s nice when you’re the underdog and you win. She made us proud. You look at the field that day and you see the top outfits in the country that we were racing against. It wasn’t even a close race; she dominated.”

Dayoutoftheoffice returned several months later to remain undefeated in the GI Frizette S., besting GI Spinaway S. winner and eventual GI Breeders’ Cup Juvenile Fillies champion Vequist (Nyquist) by two lengths at Belmont, with over 10 lengths back to the third. She earned a 95 Beyer Speed Figure in the mile-long contest.

Meanwhile, Patino proudly watched these dazzling performances back at Siena with the rest of his team, a group that was undoubtedly responsible for getting the filly to the racetrack in the first place by helping her overcome her early setback. Cont. p10
Dayoutoftheoffice cont.

“It kind of validates what we’re trying to do here, for the guys more than anything, because every day we were trying new things with the filly and after a while, I think they probably thought we were just wasting our time,” Patino said. “We didn’t know if it was going to work out or not, but we kept working with her and now she’s a Grade I winner. Now they believe that any horse we’re working on could be the next one.”

Patino said that for each of their star filly’s races, all of “the guys” at the farm would congregate at the office to watch.

“They like to bet so of course they’re betting on our filly,” he recalled. “When they would go back to work, you could see that they really enjoyed it because this horse just won a big race and now they know they’re doing something special. For me, she was special because of overcoming her injury and for all the work that we had to put in to get her there.”

Dayoutoftheoffice gave a gutsy performance to finish second to Vequist at the Breeders’ Cup to cap off her juvenile season, defeating the likes of Grade I winners Simply Ravishing (Laoban) and Princess Noor (Not This Time).

She returned at three this year with a runner-up performance in the GII Eight Belles S. and a fourth-place finish in the GI Acorn S. While recording works at Thistledowns over the summer, she sustained an injury and was retired soon after.

Much thought was put into what to do with the Grade I winner, but it was ultimately decided that she would go to the Fasig-Tipton November Sale.

“I come from the business side of it and I see an opportunity that we could take any funds we generate from that sale and reinvest to get multiple mares to grow our broodmare band to do bigger and better things,” Pope explained. “With her being our third Grade I winner, it’s been very special and while we do approach it as a business, we also get emotionally attached to these horses. So we’ll always be a fan of hers.” Cont. p11
**INTERNATIONALLY CONNECTED TRIO SUPPLEMENTED TO F-T NOVEMBER**

Three horses with international pedigree appeal have been added to the upcoming Fasig-Tipton November Sale. Each will be consigned by Denali Stud on behalf of the Estate of Michael Baum. The owner of Man O' War Farm passed away Aug. 31.

**Bye Bye Baby (Ire)** (Galileo {Ire}) will be offered as hip 268. The 6-year-old daughter of 2010 G1 Epsom Oaks runner-up Remember When (Ire) (Danehill Dancer {Ire}) was Group 3 placed at two and won the 2018 G3 Blue Wind S. before finishing third in the G1 Investec Oaks. Bye Bye Baby, a full-sister to G1 Investec Derby hero Serpentine (Ire) and to GSWs Wedding Vow (Ire) and Beacon Rock (Ire) (Galileo {Ire}), sells in foal to Tapit.

Bye Bye Baby's weanling colt by War Front follows her into the ring. The cross of War Front over Galileo mares is responsible for the likes of Group 1 winners US Navy Flag, Fog of War and Roly Poly.

**Ivyetsu** (Tapit) is cataloged as hip 270 to the ‘Night of the Stars.’ Campaigned by the Baums with trainer Rusty Arnold, the bay filly broke her maiden at second asking and was a close third when making her turf debut in the GIII Sweetest Chant S. in early 2019. The 4-year-old is a half-sister to GSW Last Kingdom (Frankel {GB}) and to the dam of Dubai Honour (Ire) (Pride of Dubai {Aus}), recent runner-up in the G1 QIPCO British Champion S. at Ascot.

**Dayoutoftheoffice cont.**

Dayoutoftheoffice will sell as Hip 156 at the ‘Night of the Stars’ on Nov. 9 with the ELiTE consignment.

“We’re excited to have Dayoutoftheoffice at the sale,” Fasig-Tipton’s Boyd Browning said. “It’s unusual to have the opportunity to sell a Grade I winner at two by Into Mischief. It’s a pretty unbeatable combination from a sales perspective and it’s a pretty unbeatable combination from a breeding perspective. I think what made Dayoutoftheoffice special on the racetrack was the ease in which she won. When you watch the replays, she’s pretty much winning in-hand against the best in New York in some very key races. I think when you look back at that group of 2-year-olds last year, we’re going to say it was a really deep group and a very talented group of horses.”

Dayoutoftheoffice’s pedigree is another factor that Browning said will attract buyers at the upcoming auction.

“One of things I really love about Dayoutoftheoffice is the influence on the broodmare side of things. I think we’re going to look up in 15 or 20 years from now and say Indian Charlie was a remarkable broodmare sire. He’s already off to a great start, being the broodmare sire of some horses like Mitole (Eskendereya) and Hot Rod Charlie (Oxbow).”

Gottahaveadream is a half-sister to Gl Forego S. winner Here Comes Ben (Street Cry {Ire}). Her granddam, GISW Race the Wild Wind (Sunny’s Halo), produced G1SW and sprint champion King Charlemagne (Nureyev) as well as Chasethewildwind (Forty Niner), the dam of successful young sire Daredevil and GISW Albertus Maximus (Albert the Great).

“Indian Charlie is one of the top broodmare sires out there and her pedigree has got graded stakes horses all over the page,” Pope said. “She is something that you’re looking for in a broodmare. I think you’ll see a lot of people in the industry focusing on Into Mischief as the next top broodmare sire, so this is a great opportunity for people. How many opportunities do you get with a Grade I-winning filly by Into Mischief coming to the marketplace?”

FTKOCt cont. from p1

“I think people feel more confident, in terms of the overall clearance rate and the percentage of horses sold who were catalogued,” Browning said. “I think there are fewer scratches, in part, because people now realize based on where the market is right now, you might still be able to sell a horse reasonably successfully without a lot of pre-sale vet activity because there is so much activity that is taking place in the back walking ring.”

Bloodstock agent Donato Lanni made the day’s highest bid when going to $700,000 to acquire a colt by Tapit (hip 22) from the Bedouin Bloodstock consignment early in the session. The price was the co-second highest for a colt in the sale’s history.

The Fasig-Tipton October sale continues through Thursday with sessions beginning at 10 a.m. daily.

Early Fireworks for Tapit Colt

Bloodstock agent Donato Lanni, bidding on behalf of the stallion-making partnership of SF Bloodstock/Starlight/Madaket, helped the Fasig-Tipton October sale get off to a rousing start when making a final bid of $700,000 to secure a colt by Tapit (hip 22) from the Bedouin Bloodstock consignment.

“He just checked every box,” Lanni said of the yearling. “He has a fast look about him and he’s by Tapit. He looks fast, he looks early and he looks sound. He is the kind of horse who just looks like he fits our program. When they possess everything, they end up bringing quite a bit.”

Lanni signed for 24 yearlings for a total of $10,590,000 on behalf of the partnership at last month’s Keeneland September sale. Cont. p13
Of his continued buying spree as the yearling sales season winds down, Lanni said, “Some horses need a little more time to develop and maybe the earlier sales weren't the right place for them. I think this is a good place to sell. The sale has gotten better and better and it has a lot of momentum.”

Hip 22 is the first foal out of stakes winner March X Press (Shanghai Bobby). He was co-bred by SF Bloodstock and Henry Field Bloodstock. The co-breeders purchased March X Press, with the colt in utero, for $330,000 at the 2019 Keeneland November sale.

The bay colt had originally been targeted at the Fasig-Tipton Saratoga Selected Yearlings Sale in August.

“We were supposed to take him up to Saratoga and about two weeks before the sale he tangled with a fence,” Bedouin Bloodstock’s Neal Clarke said. “So that put him out of Saratoga and then this was the next likely option for him. He went down very well here, people loved him and he sold well.”

Of the session-topping price, Clarke said, “You can't hide a good horse. If you have a nice one, they will find it. These people are professionals and they work hard and they will find them.”

Hip 21 had originally been targeted at the Keeneland September sale.

“He was in the September sale at Keeneland, but he had a little paddock accident about a week before the sale,” Corndorf said. “We were lucky that we still had a sale to target after that. He just needed a couple of extra weeks and he stood out here.”

Blue Heaven founder Bonnie Baskin purchased Maple Syrple’s dam Maple Syrple (American Chance) for $320,000 at the 2006 Keeneland November sale. Maple Forest, who RNA’d for $200,000 at the 2009 Keeneland September sale, won three stakes and was second in the 2011 GIII Victory Ride S. She is also the dam of multiple stakes winner and graded placed Heartwood (Tapit) and stakes-placed Luzmimi Princess (Malibu Moon).

“We have a small operation, we have about 15 mares and produce about 12 horses a year,” Corndorf said. “We are hoping to just keep building. We would love to get to a point down the road where we could keep a couple of nice fillies as broodmare prospects, but for right now we are sales-focused and trying to sell everything.”

The Blue Heaven breeding operation enjoyed Grade I success earlier this year when Grace Adler (Curlin) won the GI Del Mar Debutante. The farm is also home to Starship Jubilee (Indy Wind).

“She’s in foal to Medaglia d'Oro,” Corndorf said of the 2019 Canadian Horse of the Year who the operation acquired in 2018. “She is living the good life. She has a place with us forever. And we look forward to keeping some fillies out of her in the future.”

Takeaways
Fasig-Tipton October -- Day 1

- The opening-session average of $40,208 was ahead of the sales all-time record average of $37,955 set in 2019.
- The partnership of SF Bloodstock/Starlight/Madaket, the second leading buying group at last month’s Keeneland September sale, continued to make an impact when bloodstock agent Donato Lanni bid a session-topping $700,000 for a colt by Tapit.
- The session topper was the October's highest-priced seller since 2017 when a colt by Medaglia d'Oro sold for $700,000. That pricetag is the second highest for a colt in sales history.
- Coolmore's Justify and Mendelssohn were the only first-crop sires to have yearlings in the top 10 Monday. A colt by Justify was the second highest priced offering when selling for $350,000, while a colt by Mendelssohn sold for $150,000.
- Trainer Ken McPeek, who was one of the most active buyers the last time yearlings were offered at Newtown Paddocks in July, was busy again Monday, signing for five head for $477,000.

Union Rags Colt Destined for Resale

A colt by Union Rags (hip 266) is likely to return to the sales ring next spring after selling for $235,000 to the bid of pinhooker Ciaran Dunne, who signed under the name of the Redwings partnership. The yearling is out of stakes winner Purely Hot (Pure Prize) and is a half-brother to Grade I winner Eight Rings (Empire Maker). He was consigned by Taylor Made.

"He's by a proper stallion and he's a half-brother to a talented horse," Dunne said of the yearling's appeal. "You've got to take a shot somewhere, so we took a shot there."

Dunne was among the bidders on the Taylor Made-consigned and Three Chimneys-bred son of Gun Runner (hip 264) who RNA'd for $425,000 two hips earlier.

"The market is very strong," Dunne said. "That's not surprising based on what happened earlier in the year. There were a lot of orders unfilled, ours included, so we knew people were going to come in here and be aggressive. It seems the ones people want bring way more than you'd anticipate."

Dunne admitted the partnership groups which were so active at the Keeneland September sale had made his job more difficult.

"I think the different groups that are trying to make stallions seem to be playing more in our territory, in terms of physicals over pedigree, so they are a bigger pain in the ass than they normally are."

Hip 266 was bred by Orpendale/Chelston/Wynatt. Bloodstock agent Hugo Merry purchased Purely Hot, with the colt in utero, for $1.2 million at the 2019 Keeneland November sale.

IN MARES BRED CATEGORY, GOLDENCENTS LEADS THE WAY

by Bill Finley

The Jockey Club has released its annual Report of Mares bred for 2021 and there's a new name atop the leader board. The Spendthrift Farm stallion Goldencents led all sires, having been bred to 230 mares. He was bred to 204 in 2020. His ascension to the top spot came after Spendthrift cut his stud fee from $25,000 to $15,000 and after a strong showing by his progeny in 2020.

Goldencents was the leading third-crop sire in 2020 with $6,653,183 in earnings. His top performer during the year was By My Standards, the winner of the GII New Orleans Classic S., GII Oaklawn H. and GII Alysheba S. and second in the GI Whitney S.

The RMB statistics for the 2021 season report that 1,016 stallions covered 27,829 mares during the breeding season. Kentucky's 200 stallions covered 16,727 mares, or 60.1% of all of the mares reported bred in North America. The number of mares bred to Kentucky stallions increased 2.0% percent compared with the 16,391 reported at this time last year.

Of the top 10 states and provinces by number of mares reported bred in 2021, stallions in Kentucky, California, Ontario, and Indiana covered more mares in 2021 than in 2020, as reported at this time last year. Declines were registered in Florida (-9.2%), New York (-5.4%), Louisiana (-12.5%), Maryland (-3.5%), Pennsylvania (-28.6%) and Oklahoma (-7.4%).

Authentic, also a Spendthrift stallion, was a close second with 229 mares with what was his first book of mares. He stands for $70,000. Both Goldencents and Authentic are by Spendthrift's Into Mischief.

That a horse with a modest stud fee led the way was a departure from recent years when superstar stallions Uncle Mo and Into Mischief dominated the standings. Uncle Mo was the leading sire in the mares bred category in 2020 and 2016, while Into Mischief topped the list in 2017 and 2018. In 2019, there was a tie for first between Justify and Mendelssohn.

After being bred to 257 mares in 2020, Uncle Mo came in tied for 15th place, having been bred to 189 mares. Into Mischief, bred to 248 mares in 2020, was eighth in 2021 with 214 mares. In 2018, he was bred to 296 mares, including 53 on Southern Hemisphere time, the most during his stud career.

For the 2021 breeding season, Uncle Mo’s stud fee was increased from $125,000 to $175,000. Into Mischief’s fee was $225,000, up from $175,000 in 2020.

The Coolmore stallion Practical Joke was third on the 2021 list, having been bred to 223 mares. First-year stallion Vekoma was next with 222.

The most notable addition to the top 10 was Maclean’s Music, who went from 57 mares in 2020 to 221 this year, good for fifth place. Maclean’s Music, who stands at Hill ‘n’ Dale Farms, has no doubt seen his star rise thanks to his son Jackie’s Warrior.

Jackie’s Warrior won the GI Hopeful S. and the GI Champagne S. last year at two and is in the midst of another stellar season that has included a win in the GI H. Allen Jerkens Memorial S. at Saratoga.

Munnings (217) and Omaha Beach (215) were next. After Into Mischief, McKinzie (214) and Mitole (208) rounded out the top 10.

Six of the top 10 are Spendthrift stallions. Coolmore had two on the list and Hill ‘n’ Dale and Gainesway each had one.

In the years ahead, the list of sires who have covered the most mares should change drastically. Last year, The Jockey Club adopted a rule that will limit the number of mares a horse can be bred to 140. There is a grandfather clause and the rule will only cover horses born in 2020 or later. In 2021, 47 stallions were bred to 140 mares.

Kentucky stallions again dominated the list, accounting for the top 52 spots. The leader among non-Kentucky stallions was the New York sire Honest Mischief, who was bred to 127 mares.

RMBs cont.

In terms of individual state RMB leaders beyond Kentucky and Florida, the following stallions topped the covers list for their respective states/provinces:

- California--Sir Prancelot (125)
- Florida--Khozan (116)
- Ontario--Reload (90)
- Maryland--Golden Lad (77)
- Oklahoma--Flat Out (77)
- Pennsylvania--Warrior’s Reward (67)

Last month, The Jockey Club reported that the projected foal crop for 2022 was 18,700. That represents a decline of 2.6% from 2021, the sixth straight year the number has fallen. The 2022 foal crop is set to be the smallest since 1965, when the foal crop was 18,846.

BRADLEY THOROUGHBREDS' TRUE TO RETIRE

Vicky True, Bradley Thoroughbreds' longest tenured employee, will retire at the end of October, according to the bloodstock agency.

"Just over 22 years ago, Vicky joined the Bradley Thoroughbreds team as the office administrator and has been a steadfast team member ever since," said the release. "She has managed all Bradley Thoroughbreds stallion season contracts and worked in conjunction with all major farms in the area to ensure our business runs smoothly. Always the first to greet a visitor in the office or answer the phone, Vicky has been the first line of defense at Bradley Thoroughbreds for more than two decades."

True is a graduate of the University of Kentucky and prior to joining the Bradley Thoroughbreds team, worked at some of the most prestigious farms in Central Kentucky, including Spendthrift, Gainesway, Hill 'n' Dale, and Darby Dan.

Cont. p19
"Bradley Thoroughbreds is proud to have counted Vicky as a member of our team for so many years and we wish her a wonderful and well-deserved retirement," the agency said.

TRF HAY DRIVE UNDERWAY WITH $60K MATCHING GIFT

The Thoroughbred Retirement Foundation (TRF) has received a $60,000 matching gift from the Santulli Family Foundation to launch the 2021 Hay Drive. Richard and Peggy Santulli will match every dollar donated to the TRF up to $60,000 for this campaign. The TRF’s goal for the 2021 Hay Drive is $120,000 to cover the cost of hay for the nearly 500 former racehorses currently in their care throughout the country.

The TRF Hay Drive is one of the most important campaigns for the organization and will be conducted by direct mail, email and social media as well as one-on-one donation requests. The Thoroughbred Retirement Foundation, now in its 38th year, is the oldest Thoroughbred rescue in the country and provides sanctuary to a herd of nearly 500 retired racehorses.

"Hay is the cornerstone of a horse’s diet and especially so in the winter months," said Jessica Paquette, TRF Director of Communication and Annual Fund. "With the rising cost of hay throughout the country, we are grateful for the support."

Last year, with the help of the Santulli Family Foundation, the TRF surpassed the goal of $120,000 and the organization is hopeful that this year’s response will be equally as successful.

"We are immensely grateful for the continued support from the Santulli family," said Patricia Stickney, TRF Executive Director. "They have been longtime champions of aftercare and we hope that their generosity will inspire others to give as well."

FREE EQUIBASE PAST PERFORMANCES FOR 1/ST TRACKS FOR REMAINDER OF YEAR

Equibase Premium Past Performances for all racing cards at Santa Anita Park, Gulfstream Park, Laurel Park and Golden Gate Fields will be available through the end of the year for free effective immediately, 1/ST Racing announced Monday.

The fan-friendly initiative provides the ability to unlock the data for all 1/ST races without a signup or membership fee. The free Equibase Premium Past Performances will be available online at XBTV.com.

“This is an important innovation for Thoroughbred racing since most sports make their statistical information available for free,” said Aidan Butler, COO of 1/ST Racing. "This is also an important step to gauge interest in this kind of data from both new and seasoned bettors."

The free Past Performances for 1/ST Racing are available through a partnership with Equibase, the Thoroughbred racing industry’s official data provider.

Shesawildjoker, a debut winner as the favorite June 18 at
Belmont, failed to make an impact in a pair of subsequent stakes
tries, backing up to eighth in the GII Adirondack S. and finishing
a distant third in state-bred Joseph A. Gimma S. back at Big
Sandy Sept. 24. Favored in this spot, the $80,000 Keeneland
September buy traveled in fourth at the rail behind a :22.62
quarter, angled one path out past a :46.91 half, overtook the
pacesetter at the furlong grounds and edged away from
Tosconova Beauty to score. The third black-type victor for her
sire, Shesawildjoker has a yearling Bolt d’Oro half-brother
named Thor’s Bolt who sold to West Point Thoroughbreds for

PIONEER OF THE SKY (f, 4, Pioneerof the Nile--Graeme Six

Keeneland September yearling buy, was third debuting on the
Chantilly all-weather track in December of 2019 and 11th over
the Clairefontaine turf last July for Carlos Laffon-Parias before
coming overseas and romping in a local maiden heat off the
bench for this barn Oct. 5. Hammered down to 1-5 to repeat
here, the bay made the lead under her own power and clicked
off fractions of :24.76 and :49.40. Opening up by a half-dozen
heading into the far turn, she was all by herself through the lane
and cruised past the wire with ears pricked 7 1/2 lengths clear of
runner-up Melissa’s Smile (Micromange). The winner is a half
to Seymourdini (Bernardini), SW, $242,027; Cali Star (Street Cry
{Ire}), GSW, $348,080; and Delightful Joy (Tapit), GSW,
$179,200. Her dam, bought with her in utero for $950,000 at
Keeneland November in 2016, has a juvenile Tapit colt named
Balantyne and a yearling filly by the same sire. She was bred to
McKinzie this spring. Sales History: $1,050,000 Ylg '18 KEESEP.

drifted all the way up over 31-1 off a 12-1 morning-line estimate

Saving ground on the turn, the blaze-faced chestnut sharply
angled four wide straightening for home, charged to the front at

- advances the breeding season
- improves post-foaling fertility
- optimises gestation lengths
- improves foal maturity
- optimises overall mare & foal health

The benefits of Equilume’s blue wavelength light are comprehensive: the circadian effect on dry mares means that medical intervention is needed less frequently to stimulate cyclicity; birth weights are higher, particularly in early season mares; those mares with consistently longer gestations are shortened up.

The difference in electricity consumption alone justifies their purchase. Beyond all these, I think the microbial decay caused by blue light is interesting. I have noticed fewer neonatal infection issues since their introduction. From every perspective, as a vet and a breeder, these lights tick the box.”
