**ANOTHER SALE, ANOTHER RECORD**

*by Chris McGrath*

NEWMARKET, UK--This has already been another record-breaking auction, even if they decide to release the whole of Thursday's closing catalogue into the high street--and a significant one, in terms of underwriting a yearling market that had appeared so curiously immune to the challenges of domestic prize money and a volatile economic environment.

Once again, the third session of the Tattersalls Autumn Horses-in-Training Sale was defined by twin channels of export traffic: one to the Middle East, with investment seemingly driven not just by the Saudi Cup but by broader ambitions in Riyadh; and the other to Australia, where an ever-widening spectrum of investment was aptly measured when one of the highest lots of the day was secured by telephone at around 4 a.m. in Sydney. Horses that met the respective briefs for these different environments have generated so much competition between compatriots that they have sometimes created a market within a market.

Even with no English King (Fr) (Camelot {GB}), who injected 925,000gns into the third session at a generally tepid sale last year, trade this time round again exceeded that registered at the equivalent session both in 2020 and in the pre-pandemic market of 2019. Building on frenzied turnover through the first two days, the net result is already the most lucrative edition of the premier sale of its type--exceeding the 27,282,200gns turned over in 2017. *Cont. p2*

**ORDER OF AUSTRALIA INJURED, RETIRED**

Order Of Australia (Ire) (Australia {GB}) will not get the chance to defend his title in next weekend's GI Breeders' Cup Mile after suffering a career-ending injury on Wednesday morning.

The 4-year-old, who was a rare longshot winner of a Breeders' Cup race for trainer Aidan O'Brien last year when winning at 73-1 at Keeneland, also won this year's G2 Minstrel S. He was third in the G1 Prix Jacques Le Marois and second in the G1 Prix du Moulin de Longchamp before finishing last of 12 when returning to Keeneland for the GI Keeneland Turf Mile S. on Oct. 9.

"He won't get to race again," O'Brien revealed during a Breeders' Cup press conference on Wednesday. "He had a small fracture and had a pin put in it this morning, but the operation and everything went well. He will go off to stud now."

Order Of Australia is out of Sentia's Dream (GB) (Danehill), and is therefore a half-brother to GI Breeders' Cup Filly & Mare Turf Iridessa (Ire) (Ruler Of The World {Ire}). *Cont. p8*

So far as the year-on-year indices are concerned for Wednesday’s trade, 10,661,000gns changed hands for 279 sales (a clearance rate of no less than 93%) to register a 9% climb on 9,779,600gns for virtually identical traffic last year. That translated into a 38,211gns average, up 10% on 34,803gns, and a 21,000gns median, up 31% on 16,000gns.

Prince Khalid’s Legacy Appreciated In His Homeland
It felt especially fitting that Najd Stud, in again topping the session, should have done so to secure the transfer of Boltaway (GB) (Dubawi {Ire}) (lot 1114) from the Juddmonte empire built up by Prince Khalid Abdullah. True, for all the ardour exhibited by its representatives this week, they can hardly be expected to aspire to the kind of success achieved by their late compatriot. Nonetheless, their commitment has offered succour to those fretting about the outlook for the industry following the loss not only of Prince Khalid, but also of a neighbouring Turf superpower in Sheikh Hamdan.

Certainly, Saad bin Mishraf has proved reluctant to let anything off the hook, once he has cast a line, and duly saw off strong competition at 400,000gns for a 3-year-old who has won four handicaps over middle distances for Roger Charlton this summer, in the process hoisting his rating 20lbs to 93.

"We tried to buy this horse privately, but that wasn’t possible and so we waited for this sale," said bin Mishraf. "It’s proved to be one of the toughest markets I have ever seen for horses in training. He’s by Dubawi, whose offspring have succeeded in Saudi Arabia, and out of a Dansili (GB) mare, and Dansilis have also done well there, so he had the right pedigree. He also had size and good feet for racing on dirt.

Cont. p3
"He's not been over-raced, and he vetted 100%. All the races in Saudi Arabia are on the up, with better prizemoney, sometimes increased by four or five times. There are races for locally bred horses and imported horses, and while we don't have many imported horses, the ones we have are very good."

Najd Stud also corralled a hardy juvenile from the Gosden yard in Implore (GB) (Ulysses {Ire}), for 160,000gns as Lot 1137; and also his stablemate Fundamental (GB) (Dark Angel {Ire}), a Cheveley Park homebred who ran fifth in the G3 Jersey S. and exports a rating of 103. He made 240,000gns as Lot 1142. Najd Stud, with co-signatories Peter and Ross Doyle, duly heads the overall purchasing table with a dozen recruits for 2,491,000gns.

New Start Beckons Old Flame

The big Australian target in the Juddmonte draft had immediately preceded Boltaway through the ring, another 3-year-old in Old Flame (GB) (Invincible Spirit {Ire}) [1113] bringing 250,000gns from Snowden Racing/Will Johnson Bloodstock-bidding, by a pre-dawn call from Sydney, through Tattersalls representative Jason Singh.

This colt remains lightly raced, having only made his debut for Ralph Beckett in August, and looked rapidly progressive in winning his next two starts over seven furlongs before getting stuck in the mud at Newbury last week.

Colum McCullagh, racing and bloodstock manager to the father-and-son team of Peter and Paul Snowden, broke off from trackwork at home to explain that he had not been bought for a particular client and will probably be syndicated.

"He'll be on the first shipment here from Europe," McCullagh said. "He looks to have the right sort of profile for Australia and his sire has had a huge influence here through his son I Am Invincible (Aus). He should suit a lot of races here, from six furlongs to a mile, he's a real sprinter-miler type. Cont. p4
Tattersalls Autumn HIT cont.

"He came highly recommended by his trainer, who loved him every morning and evening. And I have to give special mention to Will Johnson, who spent time in Newmarket as assistant to Roger Varian. Will has put a lot of work into the catalogue, and it's great to have someone with his knowledge of racing in the region. To have a horse from an organisation such as Juddmonte Farms speaks for itself: Old Flame has just two dams on the page, he has a stallion's pedigree."

Sure enough, his dam is a half-sister to the mother of stallions Cityscape (GB) (Selkirk) and Bated Breath (GB) (Dansili {GB}).

Chipoltle Leads Hot Yearling Finds...

Few projects this week reflect better on their authors than Chipotle (GB) (Havana Gold {Ire}), who was found for just 10,000gns at the Tattersalls Ascot Sale (transferred here last September) by Anthony Bromley of Highflyer and Eve Johnson Houghton, even though his second dam is a half-sister to Attraction (GB) (Efisio {GB}).

He was one of three youngsters bundled together for a 20-strong syndicate, with a commitment to sell at the end of the campaign, and promptly won the Brocklesby and a Royal Ascot trial before returning to win the Listed Windsor Castle S. itself. To Johnson Houghton's credit, moreover, he regrouped from a midsummer lull to win a valuable Listed race at Redcar earlier this month. All told, that catapulted his value to 210,000gns on his return to the ring as Lot 1055, as part of the Najd Stud spree. Johnson Houghton was justly emotional afterwards.

"I'm a bit teary, because he has been amazing," she said. "For a 10-grand purchase to do all that and then come here and sell so well. Of course I'm sorry to see him go.

Oliver St Lawrence prevailed at 200,000gns to join Fawzi Nass in Bahrain. "He looks a nice horse and, while I know the jumpers were on him, he seems to go on firm ground and will suit all the criteria," reasoned St Lawrence.

Cont. p5
Stuart Williams is a reliably shrewd shopper and he was another to turn a handsome profit late in the session, having taken Motorious (GB) (Muhaarar {GB}) [1188] aboard as a 55,000gns Book 2 yearling. He has since advanced his rating to 90 and his value to 220,000gns, courtesy of Boomer Bloodstock.

"He's going to California to Philip D'Amato for Tony Fanticola," explained Boomer's Craig Rounsefell. "Tony was one of the owners of Obviously (Ire) (Choisir {Aus}), who was purchased at this sale and we had a lot of success with. This horse reminded us of him: he has a great turn of foot, he's lightly raced and looks like he is going to really enjoy the firm turf in California."

Obviously, who changed hands here for 130,000gns in 2011, went on to win three Grade Is including the Breeders' Cup Turf Sprint.

Flinders Another Voyaging South...

This was the anniversary of a poignant success for Ed Walker, who bade farewell to his Derby fifth English King (Fr) (Camelot (GB)) in this session last year for 925,000gns, an auction record for a colt in training.

English King has admittedly proved a disappointment in Australia, reportedly due for castration after his latest start, but perhaps his former stablemate Matthew Flinders (GB) (Siyouni (Fr)) will have better luck after making 230,000gns as Lot 1008. He will certainly be an apt migrant, named as he is after the English naval captain who first circumnavigated and charted the Australian coast.

And it can only be auspicious that his purchaser, Stuart Boman of Blandford Bloodstock, found new trainer Annabel Neasham none other than Zaaki (GB) (Leroidesanimaux {Brz}) for 150,000gns out of Sir Michael Stoute's draft at this sale last year. His lucrative endeavours since include Group 1 wins in the Doomben Cup and Underwood S.

"Zaaki has been phenomenal," Boman said. "It's fantastic what one horse can do for people's lives and careers. He's going to be a hard act to follow, but we wanted to target here what we felt could be one of the nicest horses in the sale for Australia.

"His ability is definitely far better than what the form book shows. He's a horse who constantly travels best of all, any field he is in. I spoke with Ed and I think he has probably felt like he's had a Group horse on his hands for a long time. He just wanted him to win his big handicap but has never had his day, and now the handicapper has forced his hand by raising his mark so high. But he's thoroughly consistent, always runs to 105 [Timeform], and as a strong-travelling horse should really suit Australia."

Boman celebrated his winning bid by exchanging high fives with Neasham's mother Patricia, who had come from her Northamptonshire home to witness the sale.

"I'm delighted for Annabel, she's flying along," Boman said. "She's got two runners in the Golden Eagle S. on Saturday, which is worth A$7.5 million. Things are healthy in Australia!"

Youth Spirit a 230,000gns 'Bargain'

The same destination beckons G1 St Leger fifth Youth Spirit (Ire) (Camelot {GB}) [1186A], candidly acclaimed by his purchaser Johnny McKeever as not just the bargain of the week but as "the best value horse I've bought in about 10 years."

Quite a claim, you might suppose, at 230,000gns. But this is a G3 Chester Vase winner who has reiterated his class for Andrew Balding with podium finishes in races as diverse as the G2 Great Voltigeur S. and G2 Vintage S. As such, this was yet another astute yearling punt to generate a handsome dividend on the day, having been a €48,000 private sale to Federico Barberini at Arqana's August Sale.
But this was a case where everyone was a winner, McKeever sounding ecstatic to confine the vendors’ profit to the level he did in securing the colt for Gai Waterhouse and Adrian Bott.

"I'm extremely excited," the agent declared. "I've been trying to buy this horse all year, and knew there was a lot of activity from Australia. In this market, I really, really believe that was the best value in the whole sale. The level of form is outstanding, he's a beautiful-looking horse by Camelot, he has absolutely everything going for him. I don't know why, maybe it was because he was a wild card, but that's just a blip."

He had earlier been obliged to pay exactly the same, on behalf of the same clients, for King Of Clubs (GB) (Intello {Ger}) [Lot 952] after winning a maiden and a handicap during the course of his second campaign for Hughie Morrison. Auspiciously, the 3-year-old has reached a rating of 93 without being tried beyond 10 furlongs-despite only getting up late on the Sandown hill in August.

"Same formula as usual," McKeever observed then. "Robbie Waterhouse liked the form, I liked the horse, and Hughie recommended him. I've had a couple of blank days, I had quite a lot of vet fails and others were just making a lot more than we were prepared to spend. The right horses are hard to come by and it feels like we are all sharing them around. But it's good having Robbie behind me, he's a very clever man on the form, and that takes a bit of pressure off as all I have to do is look at them to see if they're the right sort physically."

King Of Clubs was certainly in more demand than had been the case on his previous visit to this ring, as a Book I yearling from breeder Meon Valley Stud. Unsold at 19,000gns that day, he ended up racing for Castle Down Racing--the same partnership (under Meon Valley managing partner Mark Weinfield) that had campaigned Telecaster (GB), another Book 1 buyback from the same family, to win the G2 Dante S. among other races on his way to Haras du Mesnil.

A rather different story is Swift Verdict (GB) (Dubawi {Ire}) who topped the Arqana August Yearling Sale as a €1.4 million yearling but was soon transferred from John Gosden to Willie Mullins for whom he could only manage to win a Dundalk maiden. The project was abandoned when he arrived here as Lot 933, costs defrayed to the extent of 25,000gns by Mohammed al Jeadiah.

**Even Juveniles Joining the Exodus Down Under...**

The opportunity to recruit horses as young as two through the Shadwell cull has created a lot of excitement this week but even this market proved vulnerable to Australian investment when Billy Jackson-Stops signed a 120,000gns docket for Hanaady (GB) (Night of Thunder {Ire}) [Lot 1000] to be shipped out to Matt Cumani.

This filly won a Nottingham maiden for Ed Dunlop last month and, though below that form at York next time, it obviously remains early days for this daughter of a half-sister to G2 Gimcrack S. winner Blaine (GB) (Avonbridge {GB}) and another accomplished sprinter Bogart (GB) (Bahamian Bounty {GB}).

"Myself and Sam Haggas have done some work together and we put her to Matt," explained Jackson-Stops. "Night of Thunder has been going really well down there, and Matt was pretty keen to try a filly. We thought we'd see if it works, there are options for her: she's good-looking, and will have some residual value."

Earlier Shadwell had produced the only six-figure sale of a relatively torpid morning when Tasfeeq (GB) (Oasis Dream {GB}) [Lot 895] brought 120,000gns from Qatari trainer Ibrahim Saeed Al-Malki. The 3-year-old gelding has won three times this season for Marcus Tregoning, showing his purchaser a helpful aptitude for firm ground.

**Queen’s Piper To Play a Different Tune...**

National Hunt prospectors have found themselves particularly squeezed by the Australian dollar, but one or two have found the backing to give themselves a chance and Gordon Elliott continued his quest for rehabilitation by recruiting a pricey 3-year-old from the royal stable in Pied Piper (GB) (New Approach {Ire}) [1139].

This lad has stood up to a busy campaign for the John and Thady Gosden, albeit had to wait until this month to win for the first time since breaking his maiden. Both his wins have come on the mud, so he will clearly operate in winter ground. Presented by the Castlebridge Consignment, he was knocked down to Elliott, standing alongside agent Mouse O’Ryan, for 225,000gns; the docket was signed in the name of Irish agent Joseph Logan and patrons Andrew and Gemma Brown.
"Pied Piper has been bought by Andrew and Gemma, who have a string of horses with Gordon," explained Logan by telephone. "The horse will go juvenile hurdles and run back on the Flat next summer: he's a dual-purpose type. I saw some videos of him, but Gordon saw him at Tattersalls and really loved him."

BRITISH RAIDER AWAY HE GOES OUT OF MELBOURNE CUP

Ismail Mohammed’s G1 Goodwood Cup runner-up Away He Goes (Ire) (Farhh {GB}) has been ruled out of the Nov. 2 G1 Melbourne Cup with a tendon injury.

The 5-year-old gelding, who is owned by Khalifa Saeed Sulaiman, was second to the star stayer Trueshan (Fr) (Planteur {Ire}) in the July 27 Goodwood Cup prior to finishing seventh in the Ebor H. Earlier in the season, he had hit the board in Meydan’s G2 Dubai Gold Cup.

“To some extent it was good that it was picked up so early but again really disappointing for the connections,” said Racing Victoria’s International General Manager Paul Bloodworth. “I mean, six days before the race, it’s really heartbreaking for them.

“The good news is that it is not a serious injury, if you like, for the horse’s overall welfare. It just needs time to recover and if they chose to, the horse could race again later in the year.”

HARAS DE MONTAIGU REVEALS 2022 FEES

Haras de Montaigu will stand five stallions in 2022, for which the fees were revealed on Wednesday.

Montaigu announced earlier this week that the 2019 G1 Prix Royal-Oak winner Technician (Ire) (Masternachtsman {Ire}) would join its roster for his debut season, and the former Team Valor International runner will stand for €3,000. The G1 Grosser Preis von Berlin scorer Dschingsis Secret (Ger) (Soldier Hollow {GB}) moves to Montaigu after three seasons at Haras de Saint Arnould, and he will stand for €4,000 with a special rate for National Hunt mares. ISLAND FALCON (IRE) (c, 2, Iffraaj {GB}--Adoringly {Ire}, by Dubawi {Ire}), who was a promising third going a shade over nine furlongs in his Oct. 10 debut at Goodwood last time, was well away to stalk the leaders in third from the outset of a contest won last year by Adayar (Ire) (Frankel {GB}). Looming large in the straight, the 11-4 pick ran green once taking control approaching the quarter-mile marker and was driven out in the closing stages to hold the late rattle of Barley (Ire) (Mehmas {Ire}) by a short head. Kalahari Prince (Ire) (New Approach {Ire}), kin to the dual Group 3-placed Duneflower (Ire) (Dubawi {Ire}), was prominent through halfway and finished sixth. Island Falcon is the third of five foals and second scorer from as many runners produced by an unraced half to this year’s G1 Inglis Sires and G1 Caulfield Guineas hero Anamoe (Aus) (Street Boss) and stakes-winning G3 Weld Park S. second Anamba (GB) (Shamardal). He is half to a yearling colt by Shamardal and a weanling colt by Blue Point (Ire). The March-foaled homebred’s second dam is G1 Australasian Oaks heroine Anamato (Aus) (Redoute’s Choice {Aus}), herself kin to G1 Oakleigh Plate winner Drum (Aus) (Marauding {NZ}) and to the G1SP dam of MG1SW Australian champion Grand Armee (Aus) (Hennessy). Newfoundland (Ire) (Deep Impact {Jpn}), the full-brother to Snowfall (Jpn), was withdrawn. NEARLY 60 TOP-LEVEL WINNERS ENTERED FOR LONGINES HKIR by Alan Carasso
With a record HK$100 million available across the four tests that comprise the Longines Hong Kong International Races, some 135 horses from all corners of the globe—including a whopping 57 that have already struck at Group 1/Grade I level—have been entered for the ‘Turf World Championships,’ to be held Sunday, Dec. 12 at Sha Tin Racecourse.

Cont. p13
Longines HKIR Entries cont.

Despite the ongoing complications caused by the COVID-19 pandemic—the staging of the Longines HKIR is officially subject to the approval of the HKSAR Government—fully 90 entries were received from the connections of overseas runners, eager to take a crack at some of Hong Kong’s finest Thoroughbreds.

There is no higher-profile horse in the region than *Golden Sixty (Aus)* (*Medaglia d’Oro*), the reigning Horse of the Year and defending champion of the G1 Longines Hong Kong Mile. The 6-year-old, trained by Francis Lui, has won 17 of his 18 career starts and is currently in the midst of a 14-race winning streak. The gelding is set to have his first run of the season in the G2 BOCHK Private Wealth Jockey Club Mile Nov. 21.

Japanese-based horses won two of the four events last season and make up 40 of the entries from abroad. Among them are *Danon Smash (Jpn)* (Lord Kanaloa (Jpn)), who upset the G1 Longines Hong Kong Sprint last December, as well as champion *Gran Alegria (Jpn)* (*Deep Impact (Jpn)*), who holds an entry for the day’s richest event, the G1 Longines Hong Kong Cup (2000mT) as well as the Mile. The daughter of Tapitsfly (*Tapit*) is slated to run in this weekend’s G1 Tenno Sho (Autumn) at Tokyo. Also among the entries from the ‘Land of the Rising Sun’ are last weekend’s G1 Kikuka Sho hero *Titleholder (Jpn)* (*Duramente (Jpn)*), Vase; *Uberleben (Jpn)* (*Gold Ship (Jpn)*), the reigning G1 Yushun Himba (Japanese Oaks) winner; G1 Yasuda Kinen hero *Danon Kingly (Jpn)* (*Deep Impact (Jpn)*); and the well-traveled *Loves Only You (Jpn)* (*Deep Impact (Jpn)*), currently in America for the Breeders’ Cup meeting who took out the G1 FWD QE II Cup over the Sha Tin 2000 metres this past April.

Europe is strongly represented in each of the four HKIR. *Mogul (Ire)* (*Galileo (Ire)*) could return to Sha Tin for a title defence in the Vase, while the Joseph O’Brien-conditioned *State of Rest (Ire)* (*Starspangledbanner (Aus)*) has been given an entry in both the Cup and the Vase as he tries to build on his narrow victory in the G1 Cox Plate at Moonee Valley Oct. 23. Tarnawa (Ire) (*Shamardal*), who will be looking for a repeat success in the G1 Longines Breeders’ Cup Turf at Del Mar on Saturday week, has also been handed dual entries, while *Mac Swiney (Ire)* (New Approach (Ire)), recently a good third to *Sealiway (Fr)* (*Galway (Ire)*) in the G1 QIPCO British Champion S. Oct. 16, is an interesting 3-year-old possibility for Cup-winning trainer Jim Bolger. This year’s G1 Deutsches Derby winner *Sisfahan (Fr)* (*Isfahan (Ger)*) holds an entry for the Vase.

The home team always puts up a strong defence, that could include top sprinter *Hot King Prawn (Aus)* (*Denman (Aus)*); *Panfield (Chi)* (*Lookin At Lucky*), a treble Group 1 winner in Chile who took out last year’s G1 Champions and Chater Cup over 12 furlongs; last year’s BMW Hong Kong Derby victor *Sky Darci (NZ)* (*Darci Brahma (NZ)*); and last-start G1 Chairman’s Sprint Prize hero *Wellington (Aus)* (*All Too Hard (Aus)*), to name but a few.

The United States is represented by a pair of entries in the form of *Gufo* (*Declaration of War*) and *Channel Cat* (*English Channel*), each nominated to both the Cup and the Vase, while Singapore-based trainer Stephen Gray has entered Singapore Derby winner *Hard Too Think (Aus)* for the Cup and the Vase; and *Kharisma (Aus)* (*Mossman (Aus)*) for the Sprint.
Extreme Choice has made an impressive start at stud | Newgate

by Bren O’Brien

Saturday’s G1 Coolmore Stud S. is set to be a showcase not only for Australia’s best 3-year-old sprinting talent, but also for the virtues of the array of second-season sires which have made such a major imprint, just 13 months after their first runners hit the track.

Six of the 17 runners in Saturday’s G1 Coolmore Stud S. at Flemington are from the first crop of their sires, including the favourite Extreme Warrior, who is one of two runners by Extreme Choice, the other being Extreme Flight.

Completing the list is G1 Blue Diamond S. winner Artorius (Flying Artie), R. Listed Magic Millions 2YO Classic winner Shaquero (Shalaa {Ire}), multiple Group 1 placegetter Ingratiating (Frosted {USA}) and emerging colt Marine One (Capitalist).

It should not surprise that this crop of sires should be a dominant force in a Group 1 race, after all, last season their progeny won three of the five 2-year-old Group 1 races on the calendar as well as the major two ‘sales’ races staged by Magic Millions and Inglis.

But while it was the Newgate star trio of Extreme Choice, Capitalist and Flying Artie who courted headlines through 2020/21, what has become apparent in the results so far this season is the extraordinary depth in that crop of stallions, 14 of which have already produced stakes winners.

While Capitalist leads the Second Season Sires’ Table in terms of progeny earnings and Extreme Choice has continued his remarkable return from his small first crop, with three stakes winners this season, it is a pair of Arrowfield shuttlers who to this point of the season have produced the most winners.

Shalaa, Maurice Lead the Way...

As of October 26, Shalaa (Ire) and Maurice (Jpn) have both had 13 Australian winners this season, one clear of Newgate’s Capitalist and Vinery Stud’s Star Turn, despite a numerical disadvantage in terms of runners.

Shalaa produced his first stakes winner of the season last weekend, with Semillion’s win in the R. Listed Inglis Banner. It’s his second Australian stakes winner, after Shaquero, and he becomes the first sire of his class to get a 2-year-old winner from his second crop, something he also did with his first crop.

Maurice’s return to Arrowfield Stud this season was much-anticipated after he missed the 2020 season due to COVID-related transportation issues. Breeders have been keen to get back and support him off some very positive results from his first crop.

Last Saturday, Maurice, who has had three stakes winners including a Group 1 winner in Japan, was rewarded with his first Australian stakes winner when Mazu was successful in the Listed Brian Crowley S. That success came after a run of six stakes placegetters for the sire, who has his 13 Australian winners this season from just 34 runners.

Maurice is the 14th stallion of that crop to have already produced stakes winners, with 10 of those getting stakes winners this season.

Joining the Arrowfield Stud pair and the Newgate pair Extreme Choice and Flying Artie on that list of 10 are Waikato Stud’s Tivaci, who had Never Been Kissed (NZ) claim the G1 Flight S., Darley’s Astern and Frosted (USA), Coolmore’s American Pharoah (USA), Newhaven Park’s Xtravagant (NZ) and Gold Front’s Awesome Rock.

In a strong sign of the vibrancy and diversity of the Australian market, those ten stakes-producing stallions are themselves by 10 separate sires. That stretches right down the depth chart, with the 44 second-season stallions to have sired a winner in Australia this season by 34 different sires.

Cont. p2
A Historic Dominance...

A snapshot of the past few seasons reveals how dominant these second stallions have been relative to previous classes. At this point of last season, there were five, or half the number of sophomore stallions with stakes winners, while in 2019/20 that number was six, and in 2018/19, by the final week in October, there were just three stakes-producing second season stallions.

Looking at recent history by volume of winners confirms that it is not just in the big races where this crop of stallions is getting the results. As it stands, there are five second-season stallions who have 10 winners or more. A comparison at this point of the previous two seasons, saw just three with 10 or more, while in 2018/19, it was two.

While an argument could be made about the numerical advantages of sires with big books, it is noteworthy that four current second-season stallions have produced stakes winners this season off fewer than 20 runners.

Extreme Choice has backed up his extraordinary first season by producing three stakes winners from just 16 runners this season. Tivaci, also has had only 16 Australian runners, while Xtravagant has had 18 seasonal runners (for eight winners) and Awesome Rock just eight.

In terms of their performance against the older, more experienced sires, this crop are also batting well above average. In their first season with runners to the track in 2020/21, they won 19 of the 72 2-year-old Australian stakes races, or 26.3 per cent, while that pattern has continued this season where they have won 11 of 48 3-year-old stakes races (23 per cent) and one of five 2-year-old stakes races already staged.

A Stage for Second-Season Success...

The Coolmore Stud S. has proven a showcase for second-season sires before, notably in 2018, when the sophomore crop of Widden Stud stallion Zoustar filled the trifecta, headed by star filly Sunlight.

In 2014, I Am Invincible’s first-crop son, Brazen Beau, won the race, while the year prior it was Zoustar himself successful for his late sire Northern Meteor.

In 2010, Star Witness, who was from the first crop of Starcraft (NZ), won the Coolmore Stud S., while in 2009, it was the filly Headway getting the job done for Charge Forward. In 2007, the first year the race was run under the current moniker, the winner Weekend Hussler was from the first Australian crop of Hussonet (USA).

It’s quite a rich history and one which the current amazing collection of second-season sires are well-poised to add to in Saturday’s much-anticipated race.

Beyond that, Maurice has three representatives in the G1 VRC Derby, while American Pharoah has one.

Letruska will be the bettors' top choice in the GI Longines Breeders' Cup Distaff off five straight victories, most recently taking the GI Juddmonte Spinster S. Oct. 10. Malathaat leads the sophomore filly division with three wins from four starts this season, including Saratoga's GI Alabama S. last out Aug. 21. They are joined by 2020 Oaks winner Shedaresthedevil (Daredevil), who enters off back-to-back wins in the Aug. 1 GI Clement L. Hirsch S. and Sept. 18 GII Locust Grove S.; GII Zenyatta S. one-two Private Mission (Into Mischief) and As Time Goes By (American Pharoah); and six others.

A total of 22 horses were entered in the GI Longines Breeders' Cup Turf with 14 making the body of the field, topped by last year's winner Tarnawa. Domestic Spending tops the U.S. contingent with a pair of Grade I wins this year and a last-out second in the GI Mr. D. S. Aug, 14. Other top American contenders include MGISW Gufo (Declaration of War) and MGSW United (Giant's Causeway). Exactly half of the field hails from overseas, six from Europe and one from Japan, including the Aidan O'Brien-trained Love (Ire) (Galileo (Ire)) and the Charlie Appleby/Godolphin duo of Walton Street (GB) (Cape Cross (Ire)) and Yibir (GB) (Dubawi (Ire)).

Also overdrawn by two is the GI Maker's Mark Breeders' Cup F/M Turf with 14 in the field and two on the outside. Audarya (Fr) (Wootton Bassett (GB)) is back to defend her title and is joined by six other Europeans. The Japanese have one representative and the rest of the field represents the home team, including GI Flower Bowl S. heroine War Like Goddess (English Channel) and GI Rodeo Drive S. victress Going to Vegas (Goldencents). Tarnawa is entered both here and against the boys with first preference being a title defense in the Turf.

Twenty-four horses were entered for the GI FanDuel Breeders' Cup Mile with 14 in the body and 10 outside. Eight of those are...
Life is Good and GI Met Mile winner Silver State (Hard Spun).

Grade I-winning “savage” Firenze Fire (Poseidon’s Warrior) looks to close out his career on a high note before moving to Japan for his stallion career in the GI Qatar Racing Breeders’ Cup Sprint S. He will have his work cut out for him with the likes of MGISW Dr. Schivel (Violence) and Jackie’s Warrior (Maclean’s Music); and GII Vosburgh S. hero Following Sea (Runhappy) signed on.

Gamine (Into Mischief) looks to defend her title in the GI Breeders’ Cup F/M Sprint S. and will be heavily favored to do so facing just six rivals. Her top competition will likely come from fellow GI Longines Test S. winner Bella Sofia (Awesome Patriot) and MGISW Ce Ce (Elusive Quality), who was fifth in the Distaff last year.

Completing the nine Breeders’ Cup races on Saturday’s card is the GI Breeders’ Cup Turf Sprint, which drew 19 entries. Wesley Ward saddles three of the 12 horses in the body of the field, including last year’s GII Breeders’ Cup Juvenile Turf Sprint S. winner Golden Pal (Uncle Mo), whose dam Lady Shipman (Midshipman) came up a neck short in this event back in 2015. He is joined by stablemates Kimari (Munnings), who has not been seen since winning the GI Madison S. back in April, and Arrest Me Red (Pioneerof the Nile), winner of the GIII Belmont Turf Sprint Invitational S. Oct. 2.

domestic runners and six foreign, including MG1SW Mother Earth (Ire) (Zoffany {Ire}). Defending winner Order of Australia (Ire) (Australia {GB}) was entered, but his retirement was announced later in the day. The Chad Brown-trained pair of Blowout (GB) (Dansili {GB}) and Raging Bull (Fr) (Dark Angel {Ire}) lead the American runners.

**Maxfield**: the all-class La Troienne descendant who won the G1 Breeders’ Futurity. New to **Darley** at the end of the season.

Just imagine...
The GI TVG Breeders’ Cup Juvenile highlights the “Future Stars Friday” card at Del Mar. Fourteen 2-year-olds are entered in this stallion-making event, topped by undefeated Grade-I winning ‘TDN Rising Stars’ Jack Christopher (Munnings) and Corniche (Quality Road).

Undefeated MGISW Echo Zulu (Gun Runner) looks to complete a banner year for her freshman sire as the favorite in the GI Breeders’ Cup Juvenile Fillies. She faces eight challengers, including Grade I winners Juju’s Map (Liam’s Map) and Ain’t Easy (Into Mischief).

Fourteen horses will line up for the GI Breeders’ Cup Juvenile Turf with six more on the outside looking in. Eleven juveniles represent America, including unbeaten ‘TDN Rising Star’ Annapolis (War Front) and GII Futurity S. winner Slipstream (More Than Ready). Charlie Appleby saddles two of the five European runners in Albahr (GB) (Dubawi {Ire}) and Modern Games (Ire) (Dubawi {Ire}).

The GI Breeders’ Cup Juvenile Fillies Turf drew a full field of 14 with four on the sidelines. Americans dominate yet again with eight of the entries, including GII Miss Grillo S. winner Sail By (Astern {Aus}) and GIII Matron S. heroine Bubble Rock (More Than Ready).

Rounding out the quintet of juvenile races is the only Breeders' Cup race that is not yet a Grade I, the GII Breeders' Cup Juvenile Turf Sprint. Wesley Ward has won two of the previous three renewals and has two chances to repeat in Averly Jane (Midshipman) and Twilight Gleaming (Ire) (National Defense (GB)). This race was also oversubscribed with 19 entries. Of the 12 that will make up the body of the race, it is an even split between America and Europe.

California Angel (California Chrome), upset winner of the GII JPMorgan Chase Jessamine S., breezed five furlongs in 1:01 (2/22) for the GI Breeders' Cup Juvenile Fillies Turf at Indiana Wednesday. “She worked really well,” trainer George Leonard said. “Everything went as planned. She will ship out Monday to California.” | Coady
The October sale looks set for more records as it reaches its final session Thursday. The three-day average of $46,158—up 31.7% from the corresponding 2020 figure—is ahead of the record average of $37,955 that was set in 2019. The median of $21,000 is up 40% from a year ago and well ahead of the sale record of $18,500 set in 2014.

Bloodstock agent Jacob West twice tied the highest price for an October colt, going to $750,000 for a colt by Empire Maker (hip 513) Tuesday and again for a son of Gun Runner (hip 870) early in Wednesday’s session—both on behalf of Vinnie Viola’s St. Elias Stable—before smashing that colt record and equaling the highest bid in October history when acquiring a son of Street Sense (hip 1107) for $925,000 for the partnership of St. Elias and Mike Repole. The price matched the auction’s record set in 1999 for a filly by Storm Cat.

The sale-topper was bred by Sam-Son Farm as the historic Canadian operation began to reach the conclusion of its ongoing dispersal.

“Honestly the sale topper is a little bittersweet,” Browning admitted. “You hate to see a 50-year operation like Sam-Son make a business decision and make changes as the family dynamic has changed. They’ve had a wonderful program and they brought some wonderful horses here to October and some wonderful horses to Saratoga. It was a great tribute to [Sam-Son Farm Manager] Dave Whitford and [Racing Manager] Tom Zwiesler, and to the Samuel family to set the record here in October.”

The only hiccup in the October sale came when the internet bidding went down briefly late in the afternoon, but the sales company didn’t know of any missed bids, according to Browning. “We tried to be as reactive as possible,” Browning

said of his team's efforts to notify bidders of the issue as quickly as possible.

The Fasig-Tipton October sale concludes with a final session Thursday beginning at 10 a.m.

"It's been a great three days so far and we hope to finish up strong tomorrow," Browning said.

**Street Sense Colt Ties October Record**

Jacob West, who had already tied the sale's top price for a colt twice, tied the Fasig-Tipton October sale's overall top price when bidding $925,000 to secure a colt by Street Sense (hip 1107) on behalf of Mike Repole and Vinnie Viola's St. Elias Stable Wednesday. The colt was bred and consigned by Sam-Son Farm.

"It's that stupid saying that everybody always says, 'He checked all the boxes,' but this horse really did," West said. "He has a stallion's pedigree and he's by a horse that can get a two-turn dirt horse. That's how we looked at it. He's bred to get the distance and he looks like a horse who will get the distance. We are lucky to get him."

Bidding on behalf of St. Elias Stable, West bid a co-record $750,000 to acquire a colt by Empire Maker (hip 513) Tuesday and he matched that figure when securing a colt by Gun Runner (hip 870) early in Wednesday's third session of the auction.

His $925,000 bid matched the highest price ever for an October yearling, equaling the figure set by a filly by Storm Cat in 1999.

"I had a pretty good idea that he was going to be that way. We were lucky enough that we had two incredible owners who got involved."

West also gave credit to the team behind the partnership's selections.

"It's a team effort," he said. "Monique Delk, Eddie Rosen, John Sparkman and Rory Babich and the two most important people on that team are Mike and Vinnie. But it's a team approach. And he jumped through a lot of hoops. Hopefully it works out."

In partnership with Repole or alone, West has signed the ticket on nine yearlings for St. Elias Stable for a total of $3,650,000.
Hip 1107 is out of Dance With Doves (A.P. Indy) and is a half-brother to graded placed Dance Again (Awesome Again). He comes from a line of Sam-Son Farm champions. His second dam is Dancethruthedawn (Mr. Prospector) and his third dam is Dance Smartly (Danzig).

Sam-Son Farm’s Tom Zwiesler admitted it was bittersweet watching as the dispersal of the historic Canadian operation started to wind down. Just two hips after the sale topper, Sam-Son sent its final yearling through the sales ring.

“It was a great sale,” Zwiesler said. “It’s a little melancholy. Our last yearling just went through. But we are very happy. It’s a testament to the Samuel-Balaz family that have bred these horses. And of course you have people stepping up to the plate and spending this money on these horses. That’s wonderful to see. St Elias and Repole stepped up and bought two of our best. We wish them all the luck in the world.”

The Repole/St. Elias partnership purchased a filly by Uncle Mo (hip 469) from the Sam-Son consignment for $450,000 Tuesday.

Asked how hip 1107 ended up in the October catalogue, Zwiesler said, “I wanted to just take fillies to Saratoga, which we did and that plan worked out. And the logistics at Keeneland worked out that we would have probably been in a later book. Fasig was very good and Peter Penny has been wonderful to us and a big help. So we chose this one and it certainly paid off. I just feel like if you bring the horse, they are going to find you. It’s nothing we do. It’s how the horse is brought up. And this sale is turning into a much nicer sale and I think a lot of people like to keep their babies a little bit longer. Which I did in this case. I thought he’d be a standout later on.”

Eight Sam-Son yearlings sold at the October sale for $2,067,000.

“We still have nine mares [to sell] in November and we also have 25 still in the racing stable that they are going to see through and race,” Zwiesler said.

One of those Sam-Son mares slated to sell at the upcoming Keeneland November sale is Dance with Doves, who is catalogued as hip 818 and will sell in foal to Lookin at Lucky.

**Gun Runner Colt Another Score for Stokes**

Beryl “Sonny” Stokes, Jr., who has steadily racked up an impressive list of pinhooking successes over the last few years, scored another home run Wednesday at Fasig-Tipton when a son of Gun Runner, purchased for $80,000 at last year’s Keeneland November sale, sold for $750,000 to Vinnie Viola’s St Elias Stables.

“He had my shape—I am an athlete guy, I want that shape,” Hoby Kight, who selected the colt last fall for Stokes, said. “And then it was a bubble year for Gun Runner--there was the bargain. If it wasn’t the bubble year, I don’t think we would have gotten him for that. Everybody bought them as weanlings and everybody wanted them as yearlings, but until they race, you don’t know. And then they turned out like they did and you’ve got one and you’ve got a really shapely one.”

Stokes, who led his family’s seafood company for 55 years, started pinhooking as a hobby after he retired almost a decade ago. His first big success came with a colt by Goldencents who was purchased for $115,000 and resold for $400,000 at the 2018 OBS March sale. A Pioneerof the Nile colt purchased by Kight on Stokes’s behalf for $175,000 at the 2018 Keeneland September sale returned the following spring to sell for $1.2 million at the OBS March sale.

Kight, in the back walking ring at Newtown Paddocks, had Stokes on the phone during the bidding Wednesday.

“I had him on the phone because his computer went down right before he went in,” Kight explained. “So he was listening.
He got real quiet after he got to $500,000 and he's an older guy, so I got a little worried. I said, 'Sonny are you ok?' And he said, 'Yeh. I'm here. I'm here. I'm all right.'

Hip 870 is out of Archstone (Arch) and is a half-brother to multiple graded stakes winner Proctor's Ledge (Ghostzapper). He was consigned by Reiley McDonald's Eaton Sales, which had success for Stokes with another Gun Runner colt at last year's October sale when selling a $170,000 weanling purchase for $235,000.

“Our reason for putting him in this sale was simplistic,” McDonald said. “We held one over by Gun Runner last year for the same guy and we thought, well it worked last year, so let's give it a go again this year. Also, it's kind of getting to a point that we thought it would be good to separate a Gun Runner out. It worked to a T.”

Of Wednesday’s result, McDonald said, “We knew he was going to sell well, but you never know, at this sale, past $300,000 where you are going to land. He is a beautiful colt, the best mover I saw of the entire sale.”

Fahey Strikes for Justify Colt

John Fahey, bidding on behalf of an undisclosed client, went to $450,000 to acquire a colt by Justify (hip 893) from the Hunter Valley Farm consignment Wednesday at Fasig-Tipton.

“He’s been in the game awhile,” Fahey said of the client. “He’s going to go to Florida to be broke and the plan is to race.”

The bay colt is out of Back to Love (Street Cry {Ire}), a half-sister to graded winner Necessary Evil (Harlan’s Holiday). “He’s by Justify, a Triple Crown winner, he’s a Canadian-bred, and he looks like a nice horse,” Fahey said of the yearling’s appeal.

Of the Justifys Fahey has seen, he said, “They are strong, athletic, good-looking horses.”

The result was a pinhooking score for partners Colt Pike and Craig Wheeler, who purchased the colt for $150,000 after he RNA’d at this year’s Keeneland January sale.

“I had good notes on him and I thought he looked very racey and balanced and he was put together well,” Pike said of his early impressions of the yearling. “He was a little bit of a later foal, so I was thinking maybe he’d fly under the radar. But I didn’t vet him because all of the Justifys, if they looked good, they were bringing a lot of money. I saw he RNA’d, so I hustled back there. They wanted $150,000 for him, I thought that was fair and it just went from there.”

Pike admitted he was surprised he was able to purchase the youngster.

“I walked back to the barn and was thinking, 'What am I missing here? This horse is pretty nice and $150,000 is the stud
fee.' But they said he was good to go, so I said, "Deal, I'll take him."

The yearling continued to improve heading into the October sale.

"He's gotten real racey. Some of the other Justifys colts have been bigger horses and I think he was a little bit more refined and racey, so I think some people kind of hopped on him because of that," Pike said. "I'm very happy with that result, he exceeded expectations. I couldn't be more happy with the job that the people that prepped him did and Hunter Valley did a wonderful job. I've had a couple of horses with them before and they just knocked it out of the park."

Pike is already looking forward to next year's yearling sales.

"I've actually already bought a few [weanlings] in New York, so we are getting loaded up and ready," he said.

A Bolt for Petersen

Michael Lund Petersen added a colt by Bolt d'Oro to his racing stable when bloodstock agent Donato Lanni went to $300,000 to acquire a yearling by the first-crop sire from Wayne and Cathy Sweezy's Timber Town consignment Wednesday.

"He was a cool dude," Lanni said after signing the ticket on hip 1063. "I loved him. They came out and they just had a chain over his nose. He was just so cool. I sent Bob [Baffert] a video of the horse last night and he just loved him. So I got the green light."

The yearling is out of Colby Cakes (Scat Daddy), a half-sister to stakes winner and graded placed Lucky Copy (Unbridled's Song). He was bred by Timber Town Stable and Wood Duck Stable.

Bradshaw on the Board With Justify Colt

Randy Bradshaw made his first purchase of the Fasig-Tipton October sale early in Wednesday's third session when going to $250,000 to acquire a son of Justify (hip 810) from the Baccari Bloodstock consignment.

"He is a May foal, but he's quite well-developed," Bradshaw said of the yearling. "I liked that part of it. And I knew a little bit about the family, the Bernardini half-sister [the unraced Believein] doesn't show in there because she got hurt, but she was a terrifically fast filly. He looks like a speedy colt and, if everything goes well, we'll probably try to get him to Miami or maybe the OBS sale in March."

Hip 810 is out of Aguilera (Unbridled's Song), a half-sister to Japanese Group 1 winner Mr Melody (Scat Daddy). He is a half-brother to stakes winner and graded placed Bluegrass Singer (Bluegrass Cat).

Chris Baccari's Baccari Bloodstock purchased Aguilera for $240,000 at the 2015 Keeneland November sale. The yearling was bred by Seclusive Farm and Chester and Anne Prince.

Bradshaw said he felt this colt from the first crop of Triple Crown winner Justify would be well-suited to his pinhooking program.

"Some of [the Justifys] are very big," he explained. "Some of them are almost 17 hands, a lot of them are huge with the Scat Daddy sire. But I thought he looked a little more typey and, for what we do, trying to sell one early, he looked like the type. He looks quick."

Bradshaw doubled up on Baccari Bloodstock offerings later in the session when going once again to $250,000 to acquire a colt by Into Mischief (hip 925). The bay, out of the unraced Bella Gattino (Tapit), was bred by Jumping Jack Racing and Seclusive Farm and RNA'd for $195,000 at the Fasig-Tipton July sale.

Of his October shopping, Bradshaw said, "We tried on a couple yesterday and we have a couple more coming up today that we're going to try to buy. It's always competitive for a nice horse. That's always the hard part. If a good horse comes in here and vets clean, you're going to have to pay for them."

Mattmiller Looking for More Black Type

Maddie Mattmiller has been an active bidder at the yearling sales this fall, shopping on behalf of husband Jake Ballis’s Black Type Thoroughbreds partnership and the agent made a pair of quick purchases Wednesday at Fasig-Tipton. She went to $150,000 to acquire a colt by Goldencents (hip 816) from Bill Murphy’s consignment and came right back to secure a filly by Uncle Mo (hip 825) for $170,000 from the Taylor Made Sales Agency consignment.

“We are really just focused on a good physical,” Mattmiller said of her approach to buying for Black Type. “Pedigree helps. We bought a colt who has a pedigree that, were he to be a Grade I winner, he would be a stallion. That always helps when spending six figures on a colt. You kind of have to do that. Fillies on the other hand, we aren’t as hard on them as far as pedigree, as long as we get the athlete. We have had success with fillies with pedigrees and without. So we focus on the athlete and physical.”

Mattmiller signed for four yearlings at the Keeneland September sale last month, going to $255,000 for a filly by Mo Town (hip 1014) and $250,000 for a daughter of Army Mule (hip 3158).

“Keeneland was tough, very tough,” Mattmiller admitted. “I don’t think we could have afforded these [October] horses at Keeneland. This sale has been a little easier--in our price range--to come in and pick exactly what we wanted. At Keeneland we struck out a few times.”

She continued, “It’s hard for us to come in and spend $300,000 or $400,000 on a yearling when we can find value at the 2-year-old sales. For yearlings, we like to stay in that $100,000-$200,000 budget. Obviously we spent a little more in September, but the market told us that we had to.”

In just three years, Black Type Thoroughbreds has been represented by Up in Smoke (The Big Beast), third in last year’s GI Test S., as well as this year’s GI Ashland S. runner-up Pass the Champagne (Flatter).

“Black Type started about two years ago when my husband Jake had a bunch of buddies that had had horses in the past and he kind of revisited them and they showed some interest to get back into horses,” Mattmiller said of the origins of the partnership. “So he put his buddies together and they bought the filly Up in Smoke and had success with her. And these guys told all their friends. And it just seems to have built from there. Jake has a good group together now which we are having a ton of fun with.”

There could be much more fun in the group’s future as they head to Del Mar with GI Breeders’ Cup Juvenile Fillies contender Hidden Connection (Connect). Black Type bought into the filly following her 7 1/2-length debut win for Hidden Brook Farm at Colonial Downs in August. She returned to take the GIII Pocahontas S. by 9 1/4 lengths, which earned her an automatic berth on championship weekend.

“To have been able to buy into a filly who had just broken her maiden and sell these people on the idea that we are pointing to this race that gets us points to go to the Breeders’ Cup and then, not only to win that race, but to do it the way she did it,” Mattmiller said with a huge smile. “They are all over the moon--the Breeders’ Cup, Del Mar, I mean it’s worked like it was written, which is rare. Every time I come home, Jake is pulling his hair out trying to figure out how he’s going to find all of these tickets.”

Asked if she was done shopping for yearlings this year, Mattmiller said, “I am going to say we are done. Jake is going to kill me if I don’t.”

PARIS LIGHTS SUPPLEMENTED TO KEENOV

Grade I winner Paris Lights (Curlin--Paris Bikini, by Bernardini) has been supplemented to Book 1 of the Keeneland November Sale, which will be held Nov. 10-19. Consigned by ELiTE, agent, she is cataloged as a racing or broodmare prospect.

Bred by WinStar Farm and campaigned by WinStar Stables Racing, Paris Lights won last term’s GI CCA Oaks and this year’s GIII Distaff H.

"Paris Lights is the whole package," WinStar Farm President and CEO Elliott Walden said. "She has a Grace I race record combined with a world-class pedigree. We are excited to offer her at Keeneland as one of the most exciting broodmare prospects in the catalog."

Keeneland will accept supplements to Book 1 until the November Sale begins.

DIALED IN HEADS DARBY DAN 2022 ROSTER

Darby Dan Farm has set 2022 stud fees for its roster of 12 stallions that will stand the upcoming breeding season, led by DIALED IN, who will stand for $15,000 S&N, the same fee as a year ago. The Darby Dan roster also features Tapiture, Higher Power and Modernist, new for 2022, who will each stand for $10,000 S&N.

DIALED IN, champion freshman sire of 2016 and a perennial leading sire of his crop ever since, is a leading sire of 3-year-olds.
Dialed In | Matt Goins

in 2021 with nine black-type sophomores and five graded stakes horses. Among his top runners on the year is 3-year-old Super Stock, winner of the $1-million GI Arkansas Derby.

Tapiture is the number one third-crop sire by winners in 2021 with 115 and he ranks fourth by progeny earnings ($5,984,770). Tapiture also tops the cumulative third-crop sire list by winners with 168 and ranks third with lifetime earnings of $11,864,933.

Higher Power, a powerful winner of the 2019 GI Pacific Classic, will stand his second season at stud in 2022.

Modernist, a multiple graded stakes winner by leading sire Uncle Mo out of the Bernardini mare Symbolic Gesture, a half-sister to Breeders' Cup winners Sweet Catomine and Life Is Sweet, has been retired and will stand his first season at Darby Dan in 2022 in partnership with Matt Bowling of Bowling Bloodstock.

Darby Dan will once again be offering various incentive programs in 2022 to provide value to breeders, including Profit Protection, Share the Upside, Black-Type Bonanza, and Goldmine 20/20 Match Program.

The full roster of stallions with stands and nurses fees for Darby Dan is as follows: Bee Jersey ($5,000); Copper Bullet ($7,500); Country House ($7,500); Dialed In ($15,000); Dolphus (Private); Flameaway ($7,500); Higher Power ($10,000); Klimt ($7,500); Modernist ($10,000); Tale of Ekati ($5,000); Tale of Verve ($2,000); and Tapiture ($10,000).

1/ST RACING COO AIDAN BUTLER JOINS WRITERS' ROOM

In the news plenty recently for cracking down on clenbuterol violations with out-of-competition testing, suspending a jockey over a suspected betting coup and overseeing the successful installation of a third, synthetic surface at Gulfstream Park, 1/ST Racing’s Chief Operations Officer Aidan Butler is making a name for himself in the industry as a proactive, no-nonsense executive. Wednesday, he joined the TDN Writers’ Room presented by Keeneland as the Green Group Guest of the Week to discuss all of those recent stories, the improved safety record at Santa Anita, long-term plans for Maryland racing and more.

“[Out-of-competition testing] is a really good tried and tested format of catching medication violations well before they become an issue during a race,” Butler said. “There’s not a great deal of out-of-competition testing done in Florida, so I felt that rather than waiting for HISA to eventually kick in or waiting for the state [to act], we’ve got house rules we can implement ourselves and we should start to use them. I was pretty disappointed with the amount [of positives] that came back from the first round. But we’ve done a bunch more testing since and I’ve had a 0% positivity rate. I’m not everybody’s cup of tea because I’m a little bit blunt. I do run out of words eventually to spin things. And I am sick to death of people not doing it the right way. We’ve got enough problems in the game, so the silly things like this where people are either not paying attention or not giving a crap, we aren’t going to stand for it and we’re going to keep pushing.”

Butler also spearheaded the suspension of jockey Carlos Lugo for being suspected of stiffing a horse in a race earlier this month that contained irregular betting patterns. Once again, Butler had words of warning for any other riders or trainers looking to pull off similar schemes in the future.

“You haven’t heard the last of me reacting like I did with anybody caught messing around,” he said. “My background was as a bookie so reading races was my shtick. How stupid can you
be? All of us see it. Maybe things in the past were a little bit laxer. They bloody ain't now. So if people want to keep trying it, great, but things are going to gradually get worse and worse for them. And if people start to skirt it that much, they are absolutely not going to be welcome at any track I have anything to do with. It's, again, one of those really, really disappointment things that people think they can get away with.

Elsewhere on the show, which is also sponsored by Coolmore, West Point Thoroughbreds, the New York Thoroughbred Breeding and Development Fund and Legacy Bloodstock, the writers reacted to the extra scrutiny Bob Baffert's horses will be subject to for the Breeders' Cup, analyzed the trends in the 2021 report of mares bred and discussed what the role of the NTRA should be going forward under new leadership. TCA TO HOST BASH AT THE BREEDERS' CUP FUNDRAISER

Thoroughbred Charities of America will host Bash at the Breeders' Cup on Friday, Nov. 5 at the Hilton in Del Mar. An outdoor event featuring signature cocktails, music, hors d'oeuvres, and a live auction of racing memorabilia and experiences, Bash at the Breeders' Cup is a fundraiser for TCA. The Hilton San Diego/Del Mar is directly across the street from the racetrack. Tickets are available here.

"Bash at the Breeders' Cup has become a significant fundraiser for TCA and, after a hiatus last year, we're thrilled to return to Del Mar," said Erin Crady executive director of TCA. "We're looking forward to welcoming guests back to this fun event all while raising money for our 2022 approved grant recipients that work to provide Thoroughbred aftercare and offer health and human services to backstretch and farm workers."

Bash at the Breeders' Cup will feature a live auction including two Del Mar Racing packages, a halter worn by Letruska, a racing saddle signed by numerous jockeys including Johnny Velazquez, Mike Smith, Flavien Prat, and Jose Ortiz, a 2022 GI Whitney S. racing package, and much more.

Bash at the Breeders' Cup is generously sponsored by Herringswell Stables, Blackstone Farm, Abbondanza Racing, Radley Equine, New York Thoroughbred Horsemen's Association, Candy Meadows Farm, Tito's Vodka, Maker's Mark, and Jackson Family Wines. Media sponsors include the BloodHorse, TDN, Paulick Report, and the Horse Racing Radio Network.

NORTHWELL OPENS CLINIC TO TREAT BELMONT PARK BACKSTRETCH WORKERS

In collaboration with Northwell Health, the New York Racing Association and the Backstretch Employee Service Team, a new health clinic will open for Belmont Park workers, it was announced Wednesday.

The $200,000, 1,000-square-foot health clinic will provide a continuum of care and offer wellness programs for the thousands of backstretch workers at Belmont Park. The free program is part of Northwell's commitment to providing equitable care to all New Yorkers.

"Clinics like this one are important because they allow quick access to care, before health issues become health care emergencies," said Michael Dowling, president and CEO of Northwell Health. "This community dedicated to the sport of Thoroughbred racing deserves a commitment to wellness--and Northwell Health is happy to provide it. That's our passion."

Northwell provided coronavirus disease 2019 (COVID-19) testing for Belmont workers beginning in 2020 and provided COVID-19 vaccines in 2021. Now, Northwell will offer clinic hours three days a week with the opportunity for specialty services as needed. The clinic features two exam rooms and lab services for point of care testing.

"This important partnership will increase access to high quality health care for the backstretch community at Belmont Park," said David O'Rourke, President and CEO of NYRA "Northwell Health has already made a significant impact through their COVID-19 testing and vaccination efforts here at Belmont, and we thank them for their dedicated service to the men and women working every day to support Thoroughbred racing in New York State."

"Northwell came to the rescue of the backstretch workers during the pandemic and now BEST is thrilled to collaborate again with Northwell to provide the hard working backstretch workers of Belmont and Aqueduct with on-going, first-class, primary and preventative care," said Paul Ruchames, executive director of BEST. "BEST is also deeply grateful for the steadfast and generous support from the New York Racing Association and the New York Thoroughbred Horseman's Association, without which none of the great achievements of the past 20 months and beyond, would be possible."

Through Northwell's ongoing efforts, more than 90% of backstretch workers are vaccinated, well above the New York State average.
CARMICHAEL, GASKIN INDUCTED INTO INDIANA HORSE RACING HALL OF FAME

The Indiana Horse Racing Association held its annual banquet to honor and induct two new members to the Hall of Fame Sunday, Oct. 24 at Indiana Grand Racing & Casino. Dr. James Carmichael, inducted posthumously, and Ernie Gaskin were the 18th and 19th individuals added to the list of leaders who have worked tirelessly to promote and support horse racing in the state of Indiana.

Dr. James Carmichael was a career advocate for Quarter Horse racing. The graduate of Purdue University School of Veterinary Medicine owned a veterinary practice in Sullivan, Ind. prior to his death in 2009. He was one of the initial members appointed to the Quarter Horse Breed Development Committee.

Gaskin was an initial member of the Standardbred Breed Development committee and brought a wealth of knowledge on racing. Rick Moore, Vice President and General Manager of Racing at Harrah's Hoosier Park, pointed out Gaskin’s endless hours working to establish a breeding and racing program in the state as well as his work on related projects such as lobbying for casino gaming at racetracks, enhancing the breed development funding, and providing positive solutions to better the sport. Moore also noted Gaskin’s success as a trainer in the state.

SECOND-TO-LAST LESLIE’S LADY FOAL
DEBUTS AT KEEENELAND

5th-KEE, $84k, Msw, 2yo, f, 6f, 3:08 p.m. ET
One of the most prolific broodmares of the 21st century will be represented by her penultimate foal Thursday at Keeneland when MARR TIME (Not This Time--Leslie’s Lady) opens her account for Clarkland Farm and Brad Cox in this sprint. Famously the producer of international superstar stallion Into Mischief (Harlan’s Holiday), four-time champion Beholder (Henny Hughes) and GISW multimillionaire Mendelssohn (Scat Daddy), the now 25-year-old Leslie's Lady was retired from breeding after foaling a Kantharos filly last year. Marr Time has trained as if she's yet another runner out of her dam, showing a half-dozen sharp breezes, highlighted by a five-furlong bullet from the gate over this track in :59 2/5 (1/30) Oct. 10.

IN ORDER OF PURSE:
6th-Keeneland, $85,865, Alw, 10-27, (NW2L), 3yo/up, 6f, 1:10.45, ft, 1 1/2 lengths SPEITFUL SAM (g, 3, Speightster--Superior Storm {MSW & GIS, $1,066,873}, by Stormy Atlantic) could do no better than a distant fourth in his first four outings, but perked up in a big way when dueling on a fast pace and sticking around to be a close third at 57-1 making his grass debut at Ellis July 23. Kicking away to a 4 1/2-length graduation in an off-the-turfer there Aug. 20, the gelding again ran a close third, this time at 15-1, on the Churchill main track Sept. 16, and was made a fractional second choice at 21-10 here. Dueling through splits of :22.82 and :46.43, the bay discarded his pace rival at the three-sixteenths pole, only to immediately face a fresh challenge from favored Name Rejected (Munnings), but steadily repelled that foe in the final furlong for a 1 1/2-length success. The winner’s half-sister, Misyneedsacocktail (Bernardini), is two-for-two and won the Shakopee Juvenile S. against males by 4 1/4 lengths for this owner Sept. 16 at Canterbury. His dam was a Louisiana-bred terror who won 13 stakes races in the Pelican State and was runner-up in the 2009 GI Apple Blossom H. en route to seven figures in earnings. She is responsible for a yearling Broken Vow filly named Jackandmacsbelle and produced a filly by Palace Malice named Lightning Liz this term before being bred to Dialed In. Lifetime Record: 8-2-0-2, $103,312. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

MORE THAN UNUSUAL (f, 4, More Than Ready--Unusual Way {MSW & GSP, $716,115}, by Unusual Heat), a third-out graduate last summer at Kentucky Downs, was runner-up in the Tropical Park Oaks two starts later at Gulfstream before dominating a Fair Grounds allowance by 5 3/4 lengths Feb. 27. Unable to build on that when fourth in a local allowance Apr. 7 and third at 7-5 in a Churchill allowance/optional claimer 23 days later, the bay returned as a 6-5 favorite here showing a sharp Indiana worktab capped by a sizzling five-furlong breeze in :58 1/5 (1/18) Oct. 21. Hard held early and taken back to travel in seventh behind splits of :24.36 and :48.67, she angled into the clear on the latter half of the far turn and finished with a flourish in deep stretch to edge longshot Bellagamba (Arg) (Grand Reward) by a half-length. The winner's dam, bought by Turkish breeder Arif Kurtel for $45,000 at Keeneland November in 2019, has an unraced 3-year-old Quality Road filly named Kolkata and a yearling filly by Oscar Performance. Sales History: $35,000 Ylg '18 KEESEP. Lifetime Record: SP, 9-3-3-1, $183,145. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

SHACKQUEENKING (g, 3, Shackleford--Jurys Out, by Lawyer Ron) captured the Howard County S. last December at Laurel and was third in the Spectacular Bid S. there Jan. 16 before retreating to eighth in the GI Hopeful S. Sept. 6 at Saratoga. Backed to 4-5 to rebound here, the $16,000 OBS October buy took charge from his rail draw in just a handful of strides, showed the way through a :22.80 quarter, widened past a :45.68 half and stayed in charge from there for a 2 1/2-length triumph. Last Romance (Tapiture) completed the exacta. The victor has a yearling Uncaptured half-sister named A Day in Vegas and his dam was paired with Mr. Money this season. Sales History: $16,000 Ylg '20 OBSOCT; $72,000 RNA 2yo '21 EASMAY. Lifetime Record: 3-2-0-0, $48,300. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

DEFEND (c, 2, American Freedom--Fabiana's Flash, by City Zip) cruised to an eight-length romp on debut over this track Aug. 5, but dealt with some early trouble and stopped badly to finish 10th in the GI Hopeful S. Sept. 6 at Saratoga. Backed to 4-5 to rebound here, the $16,000 OBS October buy took charge from his rail draw in just a handful of strides, showed the way through a :22.80 quarter, widened past a :45.68 half and stayed in charge from there for a 2 1/2-length triumph. Last Romance (Tapiture) completed the exacta. The victor has a yearling Uncaptured half-sister named A Day in Vegas and his dam was paired with Mr. Money this season. The winner is the first foal out of his dam, a half to GSW Road to Victory, one of only two horses to cross the wire in front of Monomoy Girl (Tapizar) in her illustrious 17-race career. Favorite Candy has a yearling City of Light colt and foaled a filly by Blame this term before being paired with Practical Joke. Sales History: $30,000 Ylg ’19 KEESSEP. UNCLE BUDDY (c, 2, Uncle Lino--Ruby Monday, by E Dubai) ran away to a 3 3/4-length victory on debut going 4 1/2 furlongs here July 9 and was made the 12-5 second choice to double up in this spot. Quickly establishing command, the dark bay splashed clear through a quick :22.34 quarter, was taken on by favored Dr. Steve (Jump Start) going by a :46.22 half, and discarded that drifting rival by the eighth pole en route to a 5 3/4-length score. The winner’s dam was bred to Uptowncharlybrown this spring. Sales History: $4,500 Ylg ’20 EASOCT. Lifetime Record: 2-2-0-0, $39,672. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

IN ORDER OF PURSE:
2nd-Keeneland, $83,831, Msw, 10-27, 2yo, 6f, 1:11.47, ft, 2 1/4 lengths. MICKY FROM WEXFORD (g, 2, Dialed In--That's Why, by Harlan’s Holiday), dismissed at over 25-1 in this unveiling, broke a bit awkwardly before settling just off the speed in the second flight behind a :22.34 quarter. Waiting room on the turn, the dark bay tipped into the four path three-sixteenths out, overtook All in Sync (Maclean’s Music) inside the furlong grounds and skipped clear to a 2 1/4-length upset. All in Sync edged favored Circle Back Jack (Tonalist) for the place. The winner’s dam is responsible for a yearling Macho Uno filly and foaled a filly by Kliment this season before being bred to Jimmy Creed. Sales History: $20,000 Ylg ’20 KEESSEP. O-Trelawny Farm Sales, Sean Speck & John Ennis; B-T/C Stable, LLC (KY); T-John Ennis.

1st-Delaware, $43,700, Msw, 10-27, 2yo, 1m, 1:39.10, ft, nose. UNCLE IRISH (g, 2, Uncle Lino--Go Get’m Irish, by Kitalpha), given a 49-10 chance as the lone firster in this field, found a comfy tracking spot in fourth at the rail behind a :24.31 quarter. Angled off the fence for the run into the far turn, the chestnut started to close in on odds-on chalk Courvoisier (Tapit) at the eighth pole and gradually wore that game rival down to prevail by a nose. The winner has a yearling half-brother by Blofeld and his dam produced a Golden Lad filly this term before visiting Hoppertunity. Lifetime Record: 1-1-0-0, $28,500.
