Sale-topping *Magical World* in the ring | *Fasig-Tipton photo*

by *Jessica Martini, Brian DiDonato, and Christie DeBernardis*  
LEXINGTON, KY - The Fasig-Tipton November Sale opened Tuesday afternoon with strong returns for its weanling offerings before exploding with frenetic bidding from an internationally diverse buying bench on a wide selection of superstar mares that ultimately produced a sales record gross of \$103,699,000 for 149 head. That figure bested the auction's previous record of \$89,473,000 which was set in 2018. The average of \$695,966 was the second highest in sale history, falling short only of the 2008 average of \$772,297, while the median of \$300,000 was third highest in the sale's history.

"It was a remarkable evening tonight," said Fasig-Tipton President Boyd Browning. "We were supported by an unbelievable cross section of horses from an unbelievable cross section of consignors and owners. That's what it is all about--the quality of horses you have the opportunity to sell. We had an all-star cast of horses. We were supported by a tremendous buying base from all over the world. We have been very, very fortunate that a lot of horses sold in this sale have gone on to become significant producers from around the world. We are fortunate to sell some of the world's finest fillies and mares."

Mandy Pope's Whisper Hill Farm was involved with both of the top two lots, first teaming up with Three Chimneys to purchase *Magical World* (*Distorted Humor*) for \$5.2 million.

## KEENELAND NOVEMBER KICKS OFF WEDNESDAY

by *Christie DeBernardis*

The sales action moves across town Wednesday with bidding on the first session of Keeneland November starting at 1 p.m. The 10-day auction, which runs through Nov. 19, opens with a single-session Book 1 comprised of 229 mares and weanlings, five of which were late supplements. The sale has five books in total and the last half of the final day will be dedicated to 285 Horses of Racing Age.

"We have a lot of optimism," said Cormac Breathnach, Keeneland's Director of Sales. "We had an electric atmosphere starting in Book 1 of September and continuing through the very last day."

Pope later partnered with Flurry Racing and Qatar Racing to purchase GI Longines Kentucky Oaks winner **Shedaresthedevil (Daredevil)** for \$5 million, who will return to the racetrack next year.

A pair of Breeders' Cup victories Saturday gave the always powerful Japanese buying bench even more energy Tuesday, and Australian buyers were out in force after the country opened its borders a week ago.

Japan took down both the GI Breeders' Cup Filly & Mare Turf and GI Longines Breeders' Cup Distaff Saturday and both fillies were bred by Katsumi Yoshida's Northern Farm. The operation was out in force Tuesday, purchasing six mares, including \$4.7-million GI Preakness S. heroine Swiss Skydiver (**Daredevil**). Eight individual Japanese interests purchased a total of 17 mares for \$34.55 million.

"Our friends from Japan have become a major component of this sale for two reasons," Browning said. "First of all, we have a product to sell that is of great appeal to the Japanese: top-quality, young, fillies and mares from the racetrack or young proven producers. We have been entrusted with those horses to sell and they have enjoyed coming here and having great success with them. We live in a global world and are fortunate that we have a global marketplace here."

Jacob West purchased the top-priced weanling of the auction, going to \$750,000 to acquire a filly by **Curlin** out of GISW Sippican Harbor (Orb) from the Taylor Made Sales Agency.

"We are seeing the emergence of a pretty dynamic weanling market as part of the November sale now too," Browning said. "We couldn't be any more pleased. I have to give credit to our team. They did a hell of a job and I am so proud."

David Ingordo was active on both sides of the ledger Tuesday and admitted it was a vibrant marketplace.

“Selling is great, buying has been very difficult,” Ingordo said. “I bought a horse earlier that I thought brought fair value. The horse business is alive and well. I think a lot of it is from the purses. A lot of my clients like to race and now the purses are going up so there are a lot of positives. I think there is a lot more positive than negative and we should talk more about that.”

### Pope and Three Chimneys Partner Up for Magical World

With her MGISW Guarana (**Ghostzapper**) having brought \$4.4 million earlier in the session from John Sikura of Hill 'n' Dale, 11-year-old emerging blue hen **Magical World** (**Distorted Humor**) (hip 203) outdid her daughter when fetching \$5.2 million. Whisper Hill's Mandy Pope purchased the mare in partnership with Three Chimneys Farm. The sale of both Guarana and Magical World were to dissolve the partnership between Hill 'n' Dale--which consigned the pair--and Three Chimneys.

“We're very happy, and very happy to have a nice mare in partnership with Three Chimneys, so it's going to be stellar,” said Pope. “We'll keep making great babies, so all is good.”

Magical World sold in foal to Into Mischief. The resulting foal will be bred on the potent Into Mischief--**Distorted Humor** cross responsible for MGISW young sire **Practical Joke** as well as recent GI Breeders' Cup Dirt Mile romper Life Is Good.

“We're just busy trying to buy them right now, but I'm sure we'll find somebody,” Pope quipped when asked if she had any plans for a next mating. “We're just excited to have her right now and delighted to have the partnership with Three Chimneys.”

### Shedaresthedevil Heading Back to Cox

Last year's GI Longines Kentucky Oaks heroine **Shedaresthedevil** (**Daredevil**) isn't done with her racing career just yet, as a new partnership was formed Tuesday to send her back to trainer Brad Cox. Consigned by Hunter Valley Farm as **hip 232** on behalf of Staton Flurry's Flurry Racing Stables, Qatar Racing Ltd. and Big Aut Farms, Shedaresthedevil is now the property of Mandy Pope's Whisper Hill, Flurry and Qatar Racing after hammering at \$5 million.

Shedaresthedevil | Fasig-Tipton photo

"I'm very excited to have such a lovely racehorse and to have the opportunity to be on board with my new partners and to go racing for another year," said Pope. "I'm looking forward not only to having a lot of fun, but winning a lot of money. It's going to be great."

Pope said bloodstock agent and Gainesway Director of Bloodstock Alex Solis II was instrumental in putting the partnership together.

“She’s such a wonderful racehorse, and she’s gorgeous,” Pope said. “With her physique, and the way she carries herself, she reminds me a lot of Havre de Grace. So maybe we’ll have another Horse of the Year.”

Pope paid a record \$10 million for 2011 Horse of the Year Havre de Grace (Saint Liam) at the 2012 renewal of this auction.

Shedaresthedevil was a debut winner as a June 2019 juvenile for Glencrest Farm, at which point the Al Thani family’s Qatar Racing bought in. After placings in the GII Sorrento S. and Anoakia S. later that season, she was offered at Keeneland November, where Flurry Stables signed the \$280,000 ticket.

Qatar Racing stayed in after that sale, and Shedaresthedevil began her big 3-year-old campaign for new trainer Brad Cox with a runner-up optional claiming tally before annexing the GIII Honeybee S, airing in the GIII Indiana Oaks in July and then upending soon-to-be champions Swiss Skydiver (**Daredevil**) and Gamine (Into Mischief) in a record-fastest running of the Kentucky Oaks, which was pushed back to September due to the pandemic.

The bay added four more graded stakes victories this season, including the GI La Troienne S. and GI Clement L. Hirsch S., and

she was last seen finishing sixth in Saturday’s fast-paced GI Breeders’ Cup Distaff.

“Mandy approached us right before she went into the ring, and we said, ‘Let’s do it!’ She’ll stay with Brad and the team, and we made some money, so it all worked out,” Staton Flurry said. “It works out great. I hate saying it like this, but I grew up in the claiming ranks, so that made letting go a little easier; getting horses bought and stuff, that’s kind of your mindset. But we’re definitely excited to still have her around and seeing what we can do.” --@BDiDonatoTDN

### Northern Farm Wins War For Swiss Skydiver

It is not often that a filly wins a Triple Crown race and it is even rarer that a collector’s item like that is offered at public auction. So, it was no surprise that last year’s GI Preakness S. heroine **Swiss Skydiver (Daredevil)** (**hip 246**) was an extremely coveted offering at Fasig-Tipton Tuesday night and, after a prolonged round of bidding with many players, Katsumi Yoshida’s Northern Farm was the last bidder standing on a final bid of \$4.7 million.

“We are very thrilled,” said Shingo Hashimoto, Northern Farm’s Manager of International Affairs., who signed the ticket on the Classic winner. “Her pedigree, her looks and what she did racing was so amazing. It is unbelievable and she was so attractive. We are very, very happy.” *Cont. p7*

Northern Farm bred Japan's first Breeders' Cup winner Loves Only You (Jpn) (Deep Impact {Jpn}), who captured Saturday's GI Breeders' Cup Filly & Mare Turf, as well as their second, Marche Lorraine (Jpn) (Orfevre {Jpn}), who upset the GI Longines Breeders' Cup Distaff later in the card at 49-1.

Hashimoto signed the ticket on six mares on Yoshida's behalf for a total of \$12.725 million, topped by Swiss Skydiver. Their other acquisitions included Grade I winners **Princess Noor** (**Not This Time**) (\$2.9 million), **Simply Ravishing** (Laoban) (\$1.7 million) and **Duopoly** (Animal Kingdom) (\$1.6 million); **Mongolian Changa** (Brilliant Speed), dam of MGISW Medina Spirit (Protonico) (\$1.05 million); and GSW **Heavenhasmynikki** (Majestic Warrior).

When asked if that historic Breeders' Cup gave them increased enthusiasm heading into this sale, Hashimoto laughed and said, "Well, maybe."

He added, "I was actually there. It was our horses, so we were very excited. I think it will bring more interest in the U.S. from Japan. Of course, they already have it. But now there may be more people will bring horses to race in the U.S. We are pretty excited about that."

McPeck picked out Swiss Skydiver, who was bred by WinStar Farm, for just \$35,000 as hip 2997 deep in the Keeneland September catalogue. Her coming-out party came when she won last year's GII Fasig-Tipton Gulfstream Park Oaks at odds of 9-1. The Peter Callahan colorbearer followed suit with victories in the GIII Fantasy S. and GII Santa Anita Oaks. Second when facing the boys for the first time in the GII Toyota Blue Grass S., Swiss Skydiver captured Saratoga's prestigious GI Alabama S. and was second to Shedaresthedevil (**Daredevil**) in the GI Longines Kentucky Oaks run in September last season.

McPeek and Callahan believed in their filly so strongly that they sent her to the Preakness off that loss and she did not disappoint. Swiss Skydiver was all class and guts, battling GI Kentucky Derby hero Authentic (Into Mischief) down the length of the stretch and refusing to yield, making history with a neck success over the eventual Horse of the Year ([video](#)). She ended the year with a head-scratching seventh in the Distaff, but had already done more than enough to take home the Eclipse Award as top sophomore filly.

Ken McPeek with his family | Fasig-Tipton photo

Swiss Skydiver proved no worse for wear in her first start of 2021, shipping west to take the GI Beholder Mile Mar. 13. Third to presumptive future champion Letruska (Super Saver) and dual Eclipse winner Monomoy Girl (Tapizar) in the GI Apple Blossom H. a month later, the McPeek pupil finished fourth in the GI Whitney S. Aug. 7 and fifth to Letruska in the GI Personal Ensign S. Aug. 28. Swiss Skydiver retires with a record of 16-7-3-2 and earnings of \$2,216,480.

"I feel relieved," said Runnymede Farm President Romain Malhouitre. "I am happy for the Callahan family to trust us to sell such a beautiful item. I am happy for Kenny McPeek. We all know how good he is as a judge buying yearlings. I feel happy for his team as well and the team at Runnymede. It is a team effort."

He continued, "Mr. Callahan has been in this business all his life. For him to have such a beautiful item is very exciting. There were a lot of different bidders. I feel sorry for the underbidders. There were a lot of people who wanted her badly, obviously. I am thankful for them too."

## Sikura Takes Home Guarana

Guarana | Fasig-Tipton photo

After some heated bidding and confusion as to who was in the lead, Hill 'n' Dale's John Sikura was left holding the \$4.4-million ticket for **'TDN Rising Star' Guarana (Ghostzapper) (hip 182)**. Hill 'n' Dale had co-campaigned the MGISW with her breeder, Three Chimneys Farm, and the sale was to dissolve that partnership. She was offered in foal to none other than Into Mischief.

At one point, Sikura boldly jumped the bidding--which was

going in \$100,000 increments--from \$3.6 million to \$4 million. Then, at what was ultimately the final price, there was some confusion as to who exactly was on top before the hammer eventually fell.

"You can bid two ways--slowly, or more aggressively to show determination. It didn't work, but I thought we'd bid aggressively," said Sikura. "She's a wonderful mare; in foal to a leading sire; brilliant beyond brilliant. There's always a risk at the highest end, but we hope this is a long-term, foundation kind of broodmare. She had special ability, **Ghostzapper's** a great broodmare sire and we stand him as well. We're positive about the whole thing. We can't wait to get her home and start her new career. Hopefully it's as brilliant as her race career, which is impeccable."

Sikura said it was too early to decide future breeding plans, but said he would likely wait and see how the 5-year-old's Into Mischief foal looked before possibly breeding back to that Spendthrift super stallion.

Guarana, trained by Chad Brown, won her first three starts as a sophomore, including the GI Acorn S. and GI Coaching Club American Oaks. Her lone defeat came when she finished second in the GI Cotillion S., but she bounced back with an optional claiming tally and GI Madison S. score in 2020 to finish five-for-six lifetime and bankroll nearly \$1.1 million. **Cont. p10**

### Not Quite 2020, But Spendthrift Still Active

Spendthrift Farm more or less carried the market at last year's Night of the Stars, spending a whopping \$25,030,000 on 12 head, including the \$9.5-million topper Monomoy Girl (Tapizar). While it would've been surprising for the outfit to match that mark this year--especially with the passing of founder B. Wayne Hughes in the interim--Spendthrift remained active, spending \$5,990,000 on four broodmares or broodmare prospects.

Spendthrift's priciest expenditure was the \$3.4 million it paid for Vequist (*Nyquist*), last year's GI Spinaway S. and GI Breeders' Cup Juvenile Fillies heroine. Consigned by Bluewater Sales LLC, Agent V as hip as **hip 253**, Vequist was offered as a racing or broodmare prospect.

"She'll go to Into Mischief--she'll be retired and come to the farm and start her next career," said Spendthrift General Manager Ned Toffey. "That's about as much as we thought we'd have to pay, but we thought we may get her for a little less. It's been an interesting market and pretty strong at times... That was kind of the max number that we had in mind."

Ned Toffey | Fasig-Tipton photo

Toffey reiterated that Spendthrift is committed to maintaining its prominent spot in the industry after the loss of its founder.

"Eric Gustavson and his wife, Tammy, Mr. Hughes's daughter, are very committed to continuing on," he said. "We'll continue to try to add to the stallion roster, which we've done this year, and try to keep things rolling. We're really excited to continue to do very much of what we've been doing." --@BDiDonatoTDN

## Hard Not to Love Lives Up to Her Name

Grade I-winning **'TDN Rising Star' Hard Not to Love (Hard Spun)** (hip 184) proved to be just that in the Fasig-Tipton ring Tuesday evening, summoning \$3.2 million from the powerhouse partnership of Mandy Pope's Whisper Hill Farm and Antony Beck's Gainesway Farm.

"She is one of the most beautiful mares that I have ever seen," said Beck as Gainesway's Brian Graves signed the ticket on behalf of the pair. "She was a superb racemare from an unbelievable family. To Mandy Pope and myself, she was the pick of the sale and we are really glad to have her."

When asked if the duo, who stand GI Belmont S. winner **Tapwrit (Tapit)** together, had a stallion in mind, Pope said, "We have a lot of choices."

As for the price, Pope said, "The prices are a little higher than we had hoped, but we are at about where we thought we would have to be. We are happy."

David Ingordo purchased Hard Not to Love for \$400,000 at the 2017 Keeneland September Sale from Dave Anderson's Anderson Farms for a partnership that included himself, his parents, West Point Thoroughbreds, Steve Mooney and Scott Dillworth. The Ontario-bred filly lost her eye in a paddock accident while in Ocala for her early training, but that didn't stop her from succeeding on the racetrack.

A 'Rising Star'-worthy debut winner at three at Santa Anita, Hard Not to Love followed suit with an optional claimer score there and capped off her 2019 season with a win in the GI La Brea S. Kicking off 2020 with a victory in the GII Santa Monica S., the bay finished second in the GI Beholder Mile S., GII Santa Maria S. and GII Zenyatta S. Third in the GIII La Canada S. to start this year, the John Shirreffs trainee was off the board in the Feb. 13 Santa Monica. Hard Not to Love retired with a record of 12-5-3-2 and earnings of \$593,480. She was bred to **Curlin**, but aborted the foal.

"It is great when a plan comes together," Ingordo said. "We bought six fillies back in 2017 and we got four individual stakes winners, including her. She's the crown jewel of what we had. All credit to John Shirreffs. She lost her eye in a freak accident. My parents and I and our friends at West Point and some other friends own her together, so it's great. We are speechless at the price. It was a phenomenal price and that is a great home for her. I look forward to buying yearlings out of her."

Hard Not to Love is a half-sister to fellow **'Rising Star'** and Canadian Horse of the Year Wonder Gadot (**Medaglia d'Oro**), a Queen's Plate winner, GSW and MGISP, including a second in the GI Kentucky Oaks. She brought \$2 million from K.I. Farm at this auction in 2019 and their dam Loving Vindication (Vindication) RNA'd for \$1.45 million in foal to **Curlin** at the 2018 FTKNOV sale. --@CDeBernardisTDN Cont. p12

## Aunt Pearl Headed to Japan

Coming off a historic Breeders' Cup where the country scored two victories, Japanese buyers were scooping up top racemares left and right at Fasig Tuesday and Breeders' Cup winner **Aunt Pearl (Ire)** (Lope de Vega {Ire}) (hip 208) was no exception. The **'TDN Rising Star'** realized \$3 million from Masahiro Miki, who went to the same price earlier in the sale for **Brave Anna (War Front)** (hip 146).

Purchased by Liz Crow for 280,000 guineas at the Tattersalls October Sale, Aunt Pearl was brought Stateside and placed in the hands of Brad Cox for an ownership group comprised of Michael Dubb, Sol Kumin's Madaket Stables, Peter Deutsch, Michael Kisber and Stuart Grant's The Elkstone Group. Graduating on debut at Churchill last September, the bay captured the GII JPMorgan Chase Jessamine S. a month later and was a good-looking winner of the GI Breeders' Cup Juvenile

Liz Crow (left) with Katelyn Jackson | Fasig-Tipton photo

Fillies Turf last November. She made just one start this year, finishing fifth in the GIII Edgewood S. Apr. 30, and retired with \$661,604 in earnings.

"We went over there and bought eight for that ownership group," said Liz Crow, who also consigned the filly through her and Brad Weisbord's Elite Sales. "It was really nice of them to believe in us to go over there and buy horses that were not American horses. We brought her over and Brad Cox did a beautiful job. She won the Breeders' Cup and won all three of her starts as a 2-year-old without Lasix. I think that played a big role. She has brilliant speed."

Crow continued, "She was prepped by Bruce Jackson at Fair Hill and he did an excellent job.

She looked so good here. She filled out. She put on a lot of weight. She was dappled out. She showed herself well this week and that added onto the value." **Cont. p13**

### Brave Anna Out in Front Early

It only took five hips into the broodmare portion of the Fasig November sale Tuesday for a seven-figure seller, as Japanese billionaire Masahiro Miki went all the way to \$3 million to take home accomplished runner and well-bred 7-year-old **Brave Anna** (*War Front*) in foal to **Quality Road**. Carl McEntee's Ballysax Bloodstock, Agent VIII consigned her as **hip 146** on behalf of Coolmore matriarch Evie Stockwell.

Brave Anna is a year-younger full-sister to Stockwell's Hit It a Bomb, winner of the 2015 GI Breeders' Cup Juvenile Turf. The Aidan O'Brien pupil was plenty talented and precocious herself, taking the G3 Albany S. at Royal Ascot and the G1 Cheveley Park S. over a tough field.

“We knew we had something very special going in, and we felt blessed to be entrusted with such a nice mare,” McEntee said. “She had been very popular at the barn. It's very seldom you get to sell a full-sister to a Breeders' Cup winner who also won a

Group 1 at two and the Albany at Royal Ascot. Her 2-year-old just finished second in a newcomer race in Japan two days ago, plus she's in foal to **Quality Road**--obviously, Corniche (**Quality Road**) just won the [GI] Breeders' Cup Juvenile. The stars probably aligned a bit, but we knew she was a very special mare and she was worth a big ticket. We're delighted with the price we got; I think that's what she was worth.”

Hit It a Bomb was also represented Friday by GI Breeders' Cup Juvenile Turf runner-up Tiz the Bomb, who took the GII Castle & Key Bourbon S. last month. Brave Anna's first foal, now named Angelsilica (Dark Angel {Ire}), was a \$150,000 KESEP '20 yearling who finished second at 4-5 for double Breeders' Cup-winning conditioner Yoshito Yahagi Sunday at Fukushima.

Brave Anna produced foals by **Justify** in both 2020 and 2021.

Miki made another \$3-million purchase later in the session for last year's GI Breeders' Cup Juvenile Fillies Turf heroine Aunt Pearl (Ire) (Lope de Vega {Ire}). --@BDiDonatoTDN

### Valiance Joins Parade of Mares to Japan

**Valiance** (**Tapit**) (**hip 251**), winner of last year's GI Juddmonte Spinster S., is among the many mares heading from the Fasig-Tipton sale to the Far East after selling for \$3 million to the bid of Keisuke Onishi of the JS Company. The 5-year-old racing/broodmare prospect was consigned by Bluewater Sales.

"She is by **Tapit**--the number one sire in the U.S. and also a very good broodmare sire," Onishi said of the filly's appeal. "That is very good for us. The owner will bring her to Japan as a broodmare. I don't know what sire he will choose to breed her to, but any stallion she is bred to will bring a good runner in Japan. And hopefully the owner will be bringing horses to the Breeders' Cup. That is very exciting and encouraging for us."

Bred by China Horse Club, Valiance was purchased by Eclipse Thoroughbred Partners and Marty Schwartz for \$650,000 at the 2017 Fasig-Tipton Saratoga sale. Racing for Eclipse, Schwartz and China Horse Club, she was second in the 2020 GI Longines Breeders' Cup Distaff. She is a daughter of Grade I winner Last Full Measure (Empire Maker).

Onishi's JS Company purchased three mares during Tuesday's Fasig-Tipton November sale. In addition to Valiance, Onishi also purchased Laura's Light (**Constitution**) (**hip 200**) for \$650,000 and Estilo Talentoso (**Maclean's Music**) (**hip 164**) for \$600,000.

"This is quite a strong market, but every year this sale is very strong," Onishi said. "There are always a lot of good runners and mares here." @JessMartiniTDN

### Princess Noor Joins Northern Farm Band

Grade I winner **Princess Noor** (**Not This Time**) was one of six broodmares purchased by Shingo Hashimoto on behalf of Katsumi Yoshida's Northern Farm Tuesday night. Hashimoto signed the ticket at \$2.9 million to acquire the 3-year-old filly who sold in foal to Into Mischief. She was consigned by Taylor Made Sales Agency as **hip 222** on behalf of Amr Zedan's Zedan Racing Stables, which purchased her for \$1,350,000 at the 2020 OBS April sale.

## NEWSPAPEROFRECORD'S DAM TO SELL AT THE TATTERSALLS DECEMBER MARES SALE

NEWSPAPEROFRECORD winning Breeders' Cup Juvenile Fillies Turf, Churchill Downs, Gr.1

## A RARE COMBINATION

“SUNDAY TIMES is a truly outstanding broodmare with a great future. She was a very smart race filly, she has produced a Champion two-year-old, she has a current Classic pedigree which will appeal to breeders from all over the world and she is gorgeous,” said Goldford

Stud's Richard Aston. “It is a rare combination and Mr Belshaw will be racing NEWSPAPEROFRECORD's yearling own sister and this year's KINGMAN filly foal which is why he has decided to sell both SUNDAY TIMES and her daughter DAILY TIMES.”

NEWSPAPEROFRECORD won 5 races at 2 and 4 years, 2020 in U.S.A. and £838,539 including Breeders' Cup Juvenile Fillies Turf, Churchill Downs, Gr.1, Just a Game Stakes, Belmont Park, Gr.1, Miss Grillo Stakes, Belmont Park, Gr.2, Intercontinental Stakes, Belmont Park, Gr.3, placed 4 times viz second in Churchill Distaff Turf Mile Stakes, Churchill Downs, Gr.2, Wonder Again Stakes, Belmont Park, Gr.3, Forcht Edgewood Stakes, Churchill Downs, Gr.3 and third in First Lady Stakes, Keeneland, Gr.1.

Princess Noor became Zedan's first Grade I winner when she captured the 2020 GI Del Mar Debutante. She added the GI Chandelier S. in her next start and retired with three wins in five starts and earnings of \$363,500 for trainer Bob Baffert.

Of the decision to sell the mare, who is named after his wife, Zedan said, "We are only focused on the racing. We would have loved to have a breeding operation, but it is still early and we want to do things in a 'Go Big or Go Home' manner, so we are focused on racing right now."

Amr Zedan | Fasig-Tipton photo

Zedan admitted it was an emotional decision.

"Her namesake, my wife, was kind of sad," Zedan said. "She was telling me, 'Are you sure you want to sell her? She is just beautiful.' It was very emotional. She gave us our first Grade I and we will be forever thankful. Most of all and more importantly, I want to thank Bob Baffert. He is above all and first, a friend, and then a trainer. I just want to thank him and all of the team associated with her, like Victor Espinoza. But if it wasn't for Bob, we would not be here celebrating her success and her retirement as she moves to her new home in Japan."

In addition to his purchases on behalf of Northern Farm, Hashimoto also acquired the racing/broodmare prospect **Etoile**

(Fr) (Siyouni {Fr}) (hip 166) on behalf of Lake Villa Farm for \$1.6 million.

"They were looking for some good mares, especially on turf," Hashimoto said. "And she looked like a very good candidate for that. I think she'll be a good fit."

Consigned by Elite, the 5-year-old Etoile captured last year's GI E.P. Taylor S. for Coolmore and Peter Brant. @JessMartiniTDN

### Dayoutoftheoffice to Japan

**Dayoutoftheoffice** (hip 156) is the second Grade I-winning Into Mischief filly to be offered at this auction and the second to eclipse the \$2-million mark, bringing \$2.85 million from Teruya Yoshida's Shadai Farm. The first was \$2.4-million Mia Mischief in 2019, who, like this filly, was offered by Elite Sales.

"We are very happy for Anthony Manganaro, the Siena Farm team, Dave Pope," said Elite's Brad Weisbord. "We are very thankful, not only for the sale, but to be part of their team long term. They hired me six months ago to help out with the racing side. We are thrilled to get a big score for them in the sales ring." *Cont. p16*

He continued, “She brought her money and she deserved to bring her money, being a Grade I winner by Into Mischief. We have now sold both Grade I winners by Into Mischief [offered at the auction], her and Mia Mischief.”

Manganaro's Siena Farm bred Dayoutoftheoffice and raced her in partnership with trainer Tim Hamm. A debut winner at Gulfstream in May of 2020, the dark bay won that year's GIII Schuylerville S. and GI Frizette S. Second to champion Vequist (Nyquist) in the GI Breeders' Cup Juvenile Fillies, she completed the exacta in the GIII Eight Belles S. this term and was last seen finishing fourth in the GI Acorn S. June 5. Dayoutoftheoffice was retired prior to an expected start in the GI Test S., concluding her career with three wins from six starts and \$642,300 in earnings.

“Tim Hamm deserves a ton of credit,” Weisbord said. “Everybody knows about the paddock accident she had as a yearling. Tim got her to the races and got her to win the Frizette. He deserves the most credit of the entire operation. She was an exceptional 2-year-old. Unfortunately, she wasn't able to show her stuff on the track the second half of this year, but Nacho did a great job to prep her for Night of the Stars. She came in looking fabulous. It is a credit to their breeding operation to get the result tonight.”

Out of the Indian Charlie mare Gottahaveadream, Dayoutoftheoffice hails from the family of GISWs Daredevil (More Than Ready), Albertus Maximus (Albert the Great) and Here Comes Ben (Street Cry {Ire}). --@CDeBernardisTDN

## Kimari to Return to Ward

Kimari (Munnings), who won the GI Madison S. in April for David Mowat's Ten Broeck Farm and trainer Wesley Ward, will be returning to Ward's barn after selling for \$2.7 million to Coolmore's M.V. Magnier. In addition to her Grade I win this year, the 4-year-old filly was second in the 2019 G2 Queen Mary S. and in the 2020 G1 Commonwealth Cup. Bloodstock agent Jamie McCalmont, who signed the ticket, said the Royal Ascot effort as a 2-year-old was key to the purchase.

“She was second in the Queen Mary at Royal Ascot which traditionally has a great record of fillies producing good horses,” McCalmont. “Munnings is getting better and better, every year he gets better, and she is a beautiful filly. Maybe she can reverse the Royal Ascot result and produce a Queen Mary winner.”

Kimari made just three starts last year and five starts this year. She was sidelined after her Madison win and returned to finish seventh in Saturday's GI Breeders' Cup Turf Sprint. **Cont. p17**

When you  
purchase  
a quality  
in-foal mare  
at auction,  
opportunity awaits  
in the Empire State.

Don't miss out on the new rule  
that makes foaling a NY-bred easier than ever before.

HERE'S THE DEAL: When you purchase an in-foal broodmare at public auction for \$50,000 or more and bring her to New York within 15 days of the last date of the sale to foal in-state, that foal qualifies as a registered NY-bred. The mare may then leave to be bred out of state. She must return within 120 days (formerly 90 days) of her last cover and have a second New York foal. *It's that simple!*

NY-BREDS START WITH AN ADVANTAGE

“I love that filly,” Ward said of Kimari. “We've had her since she was a yearling. She has had some minor issues throughout her career. That's kind of what kept her racing sparingly, but she's never been as sound as she is right now. Her race the other day, she always comes from behind, but coming from last, it was almost like a workout. As good as she is on turf, she's even better on the dirt, but there wasn't enough time to get her in those types of races for the Breeders' Cup. Looking forward, I talked with [Coolmore's] Michael Tabor about the possibility of going to Dubai and some of the bigger races. She's so sound right now, along with being by their **Munnings** and a Grade I winner, she's always got a stamp value there, but then there is also whatever she can add to that on the racetrack. There are some pretty big sprints coming up here in a few months. Hopefully she is as good as she is now.”

Kimari, who was consigned Tuesday by Eaton Sales, was purchased as a yearling for \$152,000 at the 2018 Fasig-Tipton July Sale when bloodstock agent Ben McElroy signed the ticket on behalf of David Mowat.

Kimari | Sarah Andrew

“I am delighted for David Mowat who owned the filly,” McElroy said. “I bought her for him at the Fasig July sale a couple of years ago and ever since day one she's shown great talent. She's had an abbreviated 3-year-old campaign and 4-year-old campaign. I really think there are a lot of chapters left to be written and I hope she goes on to prove to everybody how good she is. I'm delighted Coolmore have bought her. I think she's a collector's item.”

McElroy continued, “Dave has been a client of mine and supported me from the first day I went out on my own as an agent. He's not only a client, he's a very good friend.”

## Best Strikes for Finite

Larry Best's OXO Equine, which bred and sold an Into Mischief weanling (**hip 75**) for \$570,000 earlier in the auction, quickly reinvested those profits when purchasing multiple graded stakes winner Finite (**Munnings**) (**hip 169**) for \$2.2 million from the Gainesway consignment.

“I fell in love with a **Munnings** filly,” Best said with a smile after signing the ticket on the 4-year-old broodmare prospect. “I have a lot of Into Mischief colts, one in particular **Instagrاند**, that will be a great fit. So I expect to have a date between **Instagrاند** and Finite. This filly was very, very impressive on the track and one of the best specimens by **Munnings** that I've seen. I am excited about breeding her for many years to come.”

Bred by Winchell Thoroughbreds and racing for the partnership of Winchell Thoroughbreds, Thomas Reiman, William Dickson and Debbie Easter, Finite won the 2019 GII Golden Rod S., as well as the 2020 GII Rachel Alexandra S. and GIII Chilukki S.

Finite is out of multiple stakes winner Remit (**Tapit**), a full-sister to multiple graded stakes winner **Tapiture** (**Tapit**).

Best's fledgling breeding program has produced strong results in the sales ring all year. Asked if those results made him more bullish about buying mares, he laughed and said, “I was born bullish. I have been blessed so far on the breeding side, hopefully the success continues. It's not much easier than racing. It's really difficult, but in breeding, if you're patient and listen to a lot of people who know a lot more than I do about bloodlines, I might break even.” @JessMartiniTDN

## Sippican Harbor Filly Tops Weanling Portion

The second foal out of GISW Sippican Harbor (Orb), a weanling filly by **Curlin** (**hip 107**), was the highest-priced weanling on Fasig-Tipton's “Night of the Stars,” summoning \$750,000 from bloodstock agent Jacob West, who was acting on behalf of Robert and Lawana Low.

“She is a well-bred filly by a sire that needs no introduction,” West said. “We were just lucky to land her here. Horses were so hard to buy in September, so we just kind of figured we would come in here and, if we found a nice filly with the pedigree and physical to match, we would make a big run at her.”

Given the strength of the September market, the price was no surprise to West.

“If she were to come back as a yearling with the market that was there in September or Saratoga, she would have probably brought more,” he said. “I'm just happy to have Mr. and Mrs. Low behind me wanting to buy a well-bred filly. In my opinion, she was the best filly here and in Keeneland Book 1 and when I pointed that out to them, they got behind her.” **Cont. p18**

# HAVE YOUR ~~CAKE~~, AND EAT IT TOO

The New York State Thoroughbred Breeding and Development Fund has recently adopted new rules concerning the residency requirements for dams of New York-bred foals, including mares purchased at public auction.

- 2.) Bring the mare to New York within 15 days of the sale
- 3.) The 2022 foal is born in New York  
(this foal will be a NY-bred eligible)
- 4.) The mare has to return within 120 days of the last cover, stay in NY until 2023, and deliver that foal in NY  
(this foal will be NY-bred eligible )

Hip 107 in the ring | Fasig-Tipton photo

Trainer Gary Contessa purchased Sippican Harbor on behalf of owner Lee Pokoik for \$260,000 at the 2017 Fasig-Tipton Saratoga Sale. She broke her maiden second out at Saratoga in 2018 and captured that year's GI Spinaway S. The dark bay retired at the end of that season and went through the ring at this auction's 2019 renewal carrying her first foal by **Medaglia d'Oro**, but left unsold at \$1.45 million. Sippican Harbor was catalogued as hip 235 in Tuesday's sale, but was withdrawn and her **Medaglia d'Oro** colt was scratched from this year's Keeneland September Sale. The **Curlin** filly was consigned by Taylor Made Sales. --@CDeBernardisTDN

## Best Enjoying the Sell Side

OXO Equine's Larry Best has made his mark on the bloodstock market over the past five years or so mostly with high-dollar buys, including \$5-million sale-topping mare Blue Prize (Arg) (Pure Prize) here in 2019 and plenty of pricey yearlings and 2-year-olds, but with a growing broodmare band and a couple of his former runners off at stud, he figures to play a more prominent role as a breeder and seller in the coming years.

**Hip 75** was a Best-bred who proved plenty popular during the weanling portion of Tuesday evening's proceedings, bringing \$570,000 from Brookstone Farm. The Mar. 14 foal is by none other than Best's favorite sire Into Mischief. Taylor Made Sales Agency consigned.

"So far, I'm in love with breeding. It's kind of like chess, you have to figure who to breed to who and when. It is very fulfilling," Best said. "I already have that horse's full-brother, so I don't need two. That's the advantage to breeding, if you like the match, it turns out to be part of a good business."

Best paid \$750,000 for hip 75's dam Moi (**Medaglia d'Oro**), a full-sister to MGSW Mrs. McDougal, at the 2016 Keeneland September sale. This is her third Into Mischief foal--she has an

unnamed 2-year-old filly and a yearling colt, and was bred back to Best's GISW and now Taylor Made stallion **Instilled Regard** this past season.

"I loved this colt. We had 27 scopes," Best said. "The price didn't surprise me. He's an Into Mischief colt and he looks like a two-turn horse."

Best also sold an \$800,000 **Quality Road** colt to WinStar Farm's Maverick Racing at this summer's Fasig-Tipton Saratoga yearling sale and a \$350,000 **Candy Ride (Arg)** colt at Fasig July.

"I don't even really pick the horses that I sell," Best said. "We invited Fasig-Tipton out and they picked their top three horses and they picked this one. Same thing with the one I sold in August. They picked the horse for the sale and I am somewhat independent because I love them all."

He continued, "I breed to race and I breed to sell. In terms of participating in Thoroughbred racing, breeding is an important result in assuring that you have a good result five years down the road or 10 years down the road. I don't think you can do it without breeding."

St. George Sales's Archie St. George and his team acquired hip 75 with an eye towards next year's yearling sales.

"The sire," St. George said when asked about the colt's appeal. "He's just a very nice horse. The stallion has been very lucky for us--we love the stallion. He'll be re-offered next year. He definitely cost us a lot of money, so hopefully this horse will be lucky too."

The bay is also a grandson of MSW/MGSP Distorted Passion (**Distorted Humor**) from a family developed by Aaron and Marie Jones that also includes the likes of MSW Arianna's Passion (Unbridled's Song) and GSW/MGISP Warbling (Unbridled's Song).

When asked if there was any advantage to striking early for foals at Fasig rather than waiting for the larger group of offerings at Keeneland November, St. George said: "I think it just boils down to the horse--it boils down to that. If the horse is there, that's what matters. It was a lot of money. I wish we didn't have to give that much, but hopefully he'll continue to do well. The stallion is unbelievable." --@BDiDonatoTDN

BREEDERS' CUP CHAMPIONS
GRADE 1 WINNERS

TAYLOR MADE
VIEW CONSIGNMENT

- The 2021 Fasig November sale yielded a record gross of \$103,699,000, surpassing the previous mark of \$89,473,000 set in 2018.
- Mandy Pope's Whisper Hill Farm, which in past years had purchased outright the likes of \$10-million Havre de Grace and \$9.5-million Songbird here, partnered on all five of its buys Tuesday, with gross receipts of \$14,450,000 and including the sale's top two lots.
- Japanese horses scored the country's first two Breeders' Cup wins over the weekend, and the Japanese were particularly active at Fasig, spending no less than \$34.55 million on 17 mares.
- Into Mischief was the covering sire of each of the top three in-foal sellers.
- GISW Kimari and MGSW Finite contributed to a strong racetrack run for Coolmore's **Munnings** that helped his stud fee more than double for 2022. Those two sold for \$2.7 million and \$2.2 million, respectively.

“We are seeing through the credit application process, the things we are hearing on the grounds and people coming over now that borders are open that the demand that we saw in September is going to roll over with renewed interest in breeding stock and weanlings to pinhook,” Breathnach continued.

The September sale also boasted a stronger middle market than the industry had seen in recent years, which is likely to trickle down into this auction.

“I think the middle market is going to be extremely strong,” Claiborne's Walker Hancock said. “Based off the September sales, you could buy a mare for \$20,000 or \$30,000 and sell the foal for at least double that. We are really seeing an increase in the strength of that part of the market, which is good for everybody.” **Cont. p22**

The Breeders' Cup provided some timely updates to a few members of the KEENOV catalogue. **Charmaine's Mia (The Factor)** finished third in Saturday's GI Breeders' Cup Turf Sprint and is offered here as **Hip 172**. Taylor Made offers an **Audible** half-sister to GI Breeders' Cup Juvenile Fillies runner-up Juju's Warrior (**Hip 1801**) and Hidden Brook has a **Hard Spun** half-brother (**Hip 251**) to GI Breeders' Cup Juvenile Fillies Turf third Haughty (Empire Maker).

"There is a lot of depth in the catalogue and mares in foal to exciting sires like Into Mischief," Breathnach said. "Charmaine's Mia had a massive update on an already great page and [GISW] Paris Lights (**Curlin**) was a supplement, as was Jazz Tune (Johannesburg), dam of [GISW] Rattle N Roll (**Connect**)."

The November Sale is also known as a place to buy racehorses and they have reformatted that portion of the sale this year, placing it in a single session on the auction's final day.

"A new wrinkle we have for this year is we split the Horses of Racing Age section off onto the last day just to segregate it and we can have a later entry of supplements," Breathnach said. "Even after scratches, we are expecting about 220 to get here middle of next week. We are hearing great feedback about that maneuver."

Last year's Keeneland November Sale was topped by Grade I winner Concrete Rose (**Twirling Candy**), who summoned \$1.95 million from Larry Best's OXO Equine. Best also purchased the second highest-priced offering, \$1.9-million Indian Miss (Indian Charlie), who is the dam of champion Mitole (Eskendereya) and GISW Hot Rod Charlie (Oxbow). She sold in foal to red-hot sire Into Mischief.

The Triple Crown-winning duo of **Justify** and **American Pharoah** were responsible for the most expensive weanlings at the 2020 renewal of KEENOV. A colt from the first crop of **Justify** brought \$600,000 from Donato Lanni and an **American Pharoah** half-

brother to MGISW Jackie's Warrior (**Maclean's Music**) summoned the same price from Coolmore's M.V. Magnier.

At the 2020 auction, a total of 2,287 head sold, including post-sales, for a gross of \$157,822,800. The average was \$69,009 and the median was \$25,000.

The Keeneland November Sale runs from Nov. 10 to Nov. 19 with the first session starting at 1 p.m. and the remaining nine sessions beginning at 10 a.m.

## JUDGE WILL ALLOW BAFFERT TO AMEND COMPLAINT VS. NYRA

by T.D. Thornton

In an attempt to rein in an already cumbersome litigation process in the Bob Baffert vs. New York Racing Association (NYRA) lawsuit, the federal judge in charge of the case ordered Tuesday that the Hall of Fame trainer will be allowed to amend his initial June 14 civil complaint that alleged NYRA violated his constitutional right to due process by trying to bar him over his history of equine medication violations.

Baffert's desire to amend his complaint stems from NYRA summoning him to a hearing back in September to adjudicate new "detrimental conduct" charges that NYRA levied against him.

Judge Carol Bagley Amon of United States District Court (Eastern District of New York) told both parties in a telephonic court conference Nov. 9 that if she didn't allow Baffert to amend his complaint, it is likely that he would simply file a new, separate lawsuit to get his allegations about the exclusion hearing ruled upon in court.

"I'm taking a practical approach to this, which is I think it makes sense to have the plaintiff file an amended complaint, adding whatever new allegations that plaintiff intends to make," Amon said. "And then to have NYRA move against the amended complaint. I think that's the most expeditious way to handle it and will require the least amount of--or the least duplication of--effort."

"I understand that NYRA would want to argue that [Baffert] shouldn't file the complaint because filing it would be futile [in NYRA's opinion]," Amon continued. "But quite frankly, plaintiff could bring this as a new complaint if he were so inclined and raise the charges that way."

The initial lawsuit was triggered by NYRA's banishment of the seven-time GI Kentucky Derby-winning trainer back on May 17, which came 16 days after the Baffert-trained Medina Spirit (Protonico) tested positive for a betamethasone overage while winning the Derby.

Cont. p23

That case has still not resulted in any Kentucky ruling against Baffert. But in the 12 months prior to Medina Spirit's positive, four other Baffert trainees also tested positive for medication overages, two of them in Grade I stakes.

On July 14, the court granted Baffert a preliminary injunction that allowed him to race at New York's premier tracks until the lawsuit was adjudicated in full.

**Bob Baffert** | Coady

But Amon also wrote in that ruling four months ago that "Baffert should have been given notice of all of the reasons that NYRA intended to suspend him....[The] benefits of providing notice and a pre-suspension hearing would likely have been substantial."

In the wake of that court decision, NYRA drafted a new set of procedures for holding hearings and issuing determinations designed to suspend licensees who engage in injurious conduct.

After those rules were made public, NYRA, on Sept. 10, wrote a letter summoning Baffert to appear at a videoconference hearing. That hearing date was pushed back, but his legal team has subsequently participated in a scheduling conference that set the date for the hearing to commence Jan. 24, 2022.

W. Craig Robertson, the lead attorney on Baffert's legal team, wrote in an Oct. 21 letter to the judge that, "The rules and procedures which NYRA has concocted for Baffert were all created after the fact. None of the 'rules' which NYRA now seeks to enforce were in place at the time that Baffert engaged in the conduct which NYRA contends is improper."

Attorney Henry Greenberg, representing NYRA, fired back four days later with a response letter to the judge that stated, "NYRA will oppose such motion as futile for multiple reasons, including because Plaintiff's proposed amendments are not ripe given his failure to exhaust administrative remedies...and the meritless nature of the proposed amendments."

Greenberg continued: "Plaintiff's speculation that NYRA

created its Hearing Rules and Procedures to target him is misguided given that NYRA is following these same rules and procedures in prosecuting charges brought against another individual [Marcus Vitali] NYRA seeks to exclude from its racetracks.... Plaintiff's argument that he had no notice of the conduct prohibited by NYRA likewise fails given that common law has long recognized the standards and interests NYRA intends to uphold."

Baffert must file his amended complaint by Nov. 19. NYRA has to file its motion to dismiss it by Dec. 3. The court will hear arguments from both sides Jan. 6, which will be only 18 days before the start date for the NYRA exclusion hearing that Baffert doesn't want to happen.

## MGSW BY MY STANDARDS RETIRED TO SPENDTHRIFT

**By My Standards** | Hodges Photography

Allied Racing's MGSW **By My Standards** (Goldencents--A Jealous Woman, by Muqtarib) has been retired from racing and will enter stud at Spendthrift Farm, standing the 2022 breeding season for a fee of \$7,500 S&N.

"By My Standards came up with a quarter crack that was going to force us to miss the rest of our goals before the breeding season, so the decision was made for him to retire," explained Chester Thomas, owner and manager of Allied Racing Stable. "It's a bittersweet day because this is a special horse who deserved to win a Grade I and was very unlucky not to. However, I'm proud he is retiring happy and healthy, and I couldn't be more excited about him going to Spendthrift where he'll get the best opportunity to become a great sire, just like his sire and grandsire there." **Cont. p24**

Spendthrift General Manager Ned Toffey added, “We are thrilled to be able to stand By My Standards and are thankful to Chester for the opportunity. Obviously, this is a sire line we know very well and just have tremendous confidence in. By My Standards really embodies the heart and ability that have become so signature to the Into Mischief line. In fact, only his sire Goldencents and Authentic [both standing at Spendthrift] have higher earnings than By My Standards among all the great racehorses from the Into Mischief sire line.”

Trained by Bret Calhoun, the \$150,000 OBS juvenile purchase broke his maiden and followed up with a score in the GII Louisiana Derby, winning over eventual GI Kentucky Derby winner **Country House** and GI Preakness S. winner **War of Will**. At four, he captured his first three starts of the year, including the GII New Orleans Classic at Fair Grounds and the GII Oaklawn H. and subsequently added a victory in the GII Alysheba S. at Churchill Downs. He also was runner-up in Saratoga’s GI Whitney H. and GII Stephen Foster S. This term, the 5-year-old won the Oaklawn Mile before finishing runner-up in the GI Met Mile at Belmont. He retires to Spendthrift with a record of seven wins and five seconds from 17 starts and earnings of \$2,294,430.

By My Standards will participate in Spendthrift’s “Share The Upside” breeding program for a fee of \$8,500 for one year. Additionally, breeders must breed one mare in 2023 on a complimentary basis. After the breeder has a live foal in 2023, pays the stud fee, and breeds a mare back, he or she will earn a lifetime breeding right beginning in 2024.

“Everyone who got in on the Share The Upside program for Into Mischief and Goldencents has enjoyed a lot of success, and we believe By My Standards is the next in line,” said Toffey. “I invite all breeders to come out and see him during the November sales, as he will be available for inspection immediately and will be shown daily from 1-3 p.m. Nov. 10-19.”

## ADENA SPRINGS KENTUCKY FARM TO BE SOLD

Frank Stronach's state-of-the-art Adena Springs Farm, located near Paris, Ky., will be sold, according to Dallas real estate firm Icon Global. Stronach purchased the land that makes up the 2,300-acre property in 2005 and built the facility from scratch, opening it in 2007. It is capable of handling over 1,000 horses and Stronach has stood a number of prominent stallions there, including homebreds Awesome Again and **Ghostzapper**. Although Adena Springs in Kentucky has been Stronach's main breeding hub, he currently retains farms in both Florida and Ontario and has an active racing operation.

He has won multiple Eclipse Awards and Sovereign Awards as both breeder and owner.

Stronach and his former The Stronach Group (TSG) have had a long reach in North America for the last few decades with a large portfolio of prominent racetracks, farms, and breeding/racing operations. In 2020, Stronach and his daughter, Belinda, ended a battle for control of TSG that had led to lawsuits. Under the agreement, Belinda got control of TSG's Thoroughbred racing and gaming businesses, while Stronach took over operation of the family's racing and breeding arms. Stronach is 89 years old.

Adena Springs Kentucky | Icon Global

“The Adena Springs contributions, records, awards, and innovations to the Thoroughbred racing industry internationally are incredible and, in some cases, unsurpassed in the annals of modern racing history,” said Bernard Uechtritz of Icon Global. “This farm is one of the two largest of its kind under one fence in the Lexington Bluegrass.”

## DUBAWI ANCHORS DARLEY EUROPE ROSTER AT £250,000

Dubawi | Darley

**Dubawi (Ire)** (Dubai Millennium {GB}) will stand for an unchanged fee of £250,000 at Dalham Hall Stud and anchors the 2022 roster for Darley Europe. His fee is the most expensive in Europe.

He enjoyed a **notable success at the two-day Breeders' Cup World Championships**, with three winners in a single year, the first sire to reach that mark in the 37-year history of the Breeders' Cup. The GI Breeders' Cup Juvenile Turf went to Modern Games (Ire), Saturday's GI Breeders' Cup Mile was won by new Kildangan Stud resident **Space Blues (Ire)** and Dubawi's trio was rounded out by the victory of Yibir (GB) in the GI Breeders' Cup Turf. In addition, Dubawi is the world's leading sire of group winners with 23 and stakes winners at 37.

A trio of new stallions will join the Darley Europe roster in 2022, with **Palace Pier (GB)** (**Kingman (GB)**) leading the way at £55,000 at Dalham Hall. One of the most brilliant milers seen in recent years with five Group 1 victories to his name, the son of **Kingman** won the G1 St. James's Palace S. at Royal Ascot in 2020 and later scored a victory in the G1 Prix Jacques le Marois. Kept in training in 2021, he added another trio of top-flight races—the G1 Lockinge S. at Sandown, Royal Ascot's G1 Queen Anne S. and a second edition of the Marois. The ultra-consistent bay retires with nine wins in 11 starts and \$2,408,980 in earnings, rounded out by a neck second in the G1 Queen Elizabeth II S. on QIPCO British Champions Day. **Cont. p2**

## GOFFS TO CLOSE STRONG SEASON WITH NOVEMBER SALES *By Kelsey Riley*

As the bloodstock auction industry rides a wave of resurgence into its final sector of the season, Goffs provides the curtain-raiser in its November Foal and Breeding Stock sales. The action begins next week with four days of foal sales from Nov. 15-18, which rolls right into two days of breeding stock from Nov. 19-20.

The European marketplace provided some welcome upbeat surprises amid the overall tumult of the pre-vaccine pandemic in 2020, but this year has proven an extreme revelation everywhere, and nowhere moreso than Goffs, where results at the Orby and Sportsman's yearling sales far outpointed their 2020 counterparts and came close to matching some of the sales' headiest past editions. The buoyancy in the yearling market at Goffs trickled down to the recent Autumn Yearling Sale where, even when removing the Derrinstown Stud dispersal that accounted for 24% of turnover, figures were well up on recent renewals. **Cont. p4**

**Darley Europe's 2022 Roster and Fees Cont. from p1**

Making his debut at Kildangan Stud is Space Blues, fresh off his Breeders' Cup Mile win. Priced at €17,500, the son of Miss Lucifer (Fr) (Noverre) captured the G1 Prix Maurice de Gheest in 2020 and also added the G1 Prix de la Foret prior to his Mile tally. He retires with a mark of 19-11-3-1 and \$2,585,725 in earnings.

Undefeated as a juvenile including in the G1 Prix Jean-Luc Lagardere, **Victor Ludorum (GB)** (Shamardal) progressed to take the G1 French 2000 Guineas at three. Out of Antiquities (GB) (Kaldounevees {Fr}), his fee will be €15,000 at Haras du Logis. He also took the G3 Prix Messidor as a 4-year-old and brings a mark of 14-5-0-5 and \$864,838 to stud.

Dubawi's son **Night of Thunder (Ire)** sired a pair of Group 1 winners in 2021 and he will command €75,000, tops of the Kildangan Stud roster. Thundering Nights (Ire) won the GI Pretty Polly S., while Kukeracha (NZ) was in action Down Under in the G1 Queensland Derby. They are two of 12 2021 black-type winners for their sire, who also sired four other group winners this year, among them Suesa (Ire) and GIII Athenia S. winner Pocket Square (GB).

Standing at £45,000 in 2022 is **Too Darn Hot (GB)** (Dubawi {Ire}) at Dalham Hall. Flawless in a juvenile campaign that culminated in a victory in the G1 Dewhurst S., the bay backed up that form with another pair of Group 1 wins as a 3-year-old in the G1 Prix Jean Prat and G1 Sussex S. The son of Dar Re Mi (GB) (Singspiel {Ire}) was also Classic placed with a runner-up performance in the G1 QIPCO 2000 Guineas.

Esteemed sprinter **Blue Point (Ire)** (Shamardal) will stand for €40,000 at Kildangan. A dual winner of the G1 King's Stand S., the bay also won the G1 Diamond Jubilee and G1 Al Quoz Sprint. Both Too Darn Hot and Blue Point will have their first yearlings in 2022. **Cont. p3**

### Darley Europe's 2022 Roster and Fees Cont.

Three-time Group 1 winner **Pinatubo (Ire)** (Shamardal) is expecting his first foals in 2022, and will stand for £35,000 at Dalham Hall. Also welcoming their first progeny in 2022 are the Kildangan duo of **Ghaiyyath (Ire)** (Dubawi {Ire}) at €25,000, a four-time top-level hero, and **Earthlight (Ire)** (Shamardal) at €18,000. The latter landed a pair of juvenile Group 1s in 2019—the Prix Morny and the Middle Park S.

Two stallions that celebrated black-type success with their first runners this season were **Profitable (Ire)** (Invincible Spirit {Ire}) and **Ribchester (Ire)** (Iffraaj {GB}). The Kildangan residents will each stand for €12,500. The only stallion to receive a fee increase across the entire roster, Profitable sired 25 winners this year so far, and already has a group winner with G2 Queen Mary S. victress Quick Suzy (Ire). **Cont. p4**

**Darley Europe's 2022 Roster and Fees Cont.**

Ribchester has Listed Doncaster S. winner Flaming Rib (Ire) to date.

Dalham stalwarts and Group 1 sires **New Approach (Ire)** (Galileo {Ire}) and **Iffraaj (GB)** (Zafonic) are listed as private and £17,500, respectively. In Ireland, fellow Group 1 sire **Teofilo (Ire)** (Galileo {Ire}) will command €30,000. See below for the full 2022 Darley Europe roster.

Sam Bullard, Director of Stallions, said, "We are thrilled to be introducing three outstanding multiple Group 1 winners to a very strong roster, deep on quality and achievement. Following last year's three champion additions in Ghaiyyath, Earthlight and Pinatubo together with Blue Point and Too Darn Hot in 2020, we are confident of giving breeders every chance of benefitting from the wonderfully positive sales season we have just enjoyed."

**Goffs November Preview Cont. from p1**

"We're coming off the back of a strong yearling season, essentially everywhere but none moreso than Goffs at our Orby, Sportsman's, and our most recent Autumn Yearling Sale," said Goffs Group Chief Executive Henry Beeby. "From right at the top of the market, the millionaire level down to the lower level,

we've had an extremely successful time."

Reflecting on the rebounds of 2021, Beeby added, "last year was a very traumatic time for the world. Whilst we recognize we were a lot better off than a lot of other people were, in bloodstock auctioneering terms we had as much of a challenge as any other sales company in Europe and perhaps the Northern Hemisphere. Ireland took a very conservative approach to Covid, and that's not a criticism, that's what our government decided to do and we're very supportive of that. But it made our lives even harder than it did for some of our competitors. So to be able to rebound in 2021 with a very strong Orby sale held at Kildare paddocks was a delight and a relief. We were very grateful to the Irish breeders who had a rough time last year who then still listened to what we had to say, engaged with the new Goffs Million concept and the new agents and the proactive approach we took. We feel like we're back on track and we have a vibrant sales programme to offer at all levels of the market and for all sectors of the market."

Demand from foal sellers means the Goffs November Foal Sale catalogue is back up to four full days for the first time since 2018, with 1,015 catalogued.

"We've expanded the foal catalogue because we had an unprecedented interest and number of entries from leading Irish breeders," Beeby said. [Cont. p5](#)

**Goffs November Preview Cont.**

He added, “It’s as good a foal catalogue as there is in our opinion. It’s certainly the cream of the Irish foal crop; all the major Irish breeders have sent--if not all of their best--a high percentage of their best to the foal sale. It’s a very good catalogue.”

The Goffs November Foal Sale will provide the only opportunity at a European auction house this autumn to secure members of the penultimate crop of Galileo (Ire). There are three Galileo foals signed on, including a filly who is the second foal out of G1 Frizette S. winner Nickname (Scat Daddy) (lot 624), whose full-sister topped this year’s Orby sale when bought by MV Magnier for €1.5-million. She is offered by Baroda Stud, while The Castlebridge Consignment sends out a Galileo filly who is the first foal out of G2 Queen Mary S. winner Signora Cabello (Ire) (Camacho {GB}) (lot 665), and a Galileo colt who is the second foal out of the G3 Albany S. third Take Me With You (Scat Daddy) (lot 689), whose full-sister sold to Newtown Anner Stud for €360,000 at Orby.

“The jewels in the crown are the three Galileos,” Beeby said. “They read very well--we’re very grateful to the vendors for sending them and we think they’ll be very appealing to the market. But it’s a foal catalogue of depth and diversity. It has something at all levels.”

Also among the highlights of the catalogue are three foals by Galileo’s heir apparent Frankel (GB), and those include a half-brother to G3 Chartwell Fillies S. winner and G1 Matron S. second Lily’s Angel (Ire) (Dark Angel {Ire}) and the listed-winning and group-placed Zurigha (Ire) (Cape Cross {Ire}) (lot 626) and a half-sister to Classic winner and sire Sea The Moon (Ger) (lot 652). **Cont. p6**

## Goffs November Preview Cont.

Galileo's brother Sea The Stars (Ire), an outstanding sire in his own right, has 10 catalogued including a half-brother to GI E.P. Taylor S. winner Blond Me (Ire) (Tamayuz {GB}) (lot 562) and a full-sister to G2 Dahlia S. and G2 Prix de la Nonette scorer Terebellum (Ire) (lot 604).

Other highlights include a Dark Angel half-sister to G1 Prix de l'Abbaye winner Whiz Kid (Ire) (Whipper) (lot 587); a Moyglare Stud-bred Kingman (GB) half-brother to Group 3 winner Carla Bianca (Ire) (Dansili {GB}) and listed winner Joailliere (Ire) (Dubawi {Ire}) (lot 598) who is the lone representative of his sire in the catalogue; a Belardo (Ire) half-brother to this year's G2 Queen Mary S. winner Quick Suzy (Ire) (Profitable {Ire}) (lot 670); a filly from the first crop of Phoenix of Spain (Ire) who is a three-quarter sister to G1 Phoenix S. winner Lucky Vega (Ire) (lot 642); a Waldgeist (GB) first-crop half-brother to Group 3 winners Brown Sugar (Ire) (Tamayuz {GB}) and Burnt Sugar (Ire) (Lope De Vega {Ire}) (lot 580); and a Best Solution (Ire) half-brother stakes winners Morando (Fr) (Kendargent {Fr}) and Speak of the Devil (Fr) (Wootton Bassett {GB}) (lot 613).

The Goffs November Foal Sale has been a happy hunting ground for both end users and pinhookers. The likes of Alcohol Free (Ire) (No Nay Never), Ghaiyyath (Ire) (Dubawi {Ire}) and Blowout (GB) (Dansili {GB}) were sourced by their owners at the foal sale, while River Boyne (Ire) (Dandy Man {Ire}) and this year's G1 Flying Five S. winner Romantic Proposal (Ire) (Raven's Pass) were Goffs November foals pinhooked at the Sportsman's and Orby sales, respectively. This year's Orby sale featured a handful of high-profile pinhooks that were sourced at last year's November Foal Sale, including the Footstepsinthesand (GB) half-brother to Lucky Vega that turned €300,000 into €630,000; a €70,000 foal re-sold for €260,000; a €30,000 foal turned into €150,000 and a €75,000 foal sold for €225,000.

"It's a real pinhookers sale, but it's also a sale that end users have been very successful in," Beeby said. "It's a very, very good catalogue and we think there will be some very good horses to come out of it, but also, as importantly, some very good pinhooks. We'd be very hopeful going into this year's foal sale that we can return a good trade based on what happened in the yearling market."

The Goffs November Breeding Stock Sale returns to two days

after it was pushed to late December (due to Covid restrictions) and reduced to one session in 2020. The highlight is doubtless Alcohol Free's 11-year-old dam **Plying (Hard Spun) (lot 1185)**, also the dam of listed winner Alexander James (Ire) (**Camelot {GB}**) and in foal to Lope De Vega (Ire), but substantial drafts from the likes of Godolphin, Derrinstown Stud and the Aga Khan Studs mean that there is strength and depth straight through the sale.

"Last year wouldn't be a good example, but the couple years before that perhaps we had a smaller catalogue than we would have liked since the heady days of the Paulyn and Wildenstein dispersals," Beeby reflected. "It's really bounded back this year. The horse most people will talk about going into it is Plying, the dam of Alcohol Free in foal to Lope De Vega, and we're absolutely delighted to have her as the centrepiece given that we sold Alcohol Free for her breeder. They [Plying's owner/vendor Jossestown Farm] had a very difficult decision to

make because there are plenty of alternatives that do a very good job themselves, but it's wonderful to have her in the sale.

"Several other major breeders have also sent us really significant drafts. We have over 100 horses between Godolphin, and Shadwell under the Derrinstown banner. The Derrinstown dispersal continues and we're delighted they're using Goffs for so many good mares. Godolphin has sent us a very significant draft again, and the Aga Khan has sent us another significant draft.

Moyglare Stud has also sent us some very good horses, and The Castlebridge Consignment and Baroda have some very nice mares from their various clients.

"We think it's a catalogue that's deeper and stronger than it's been for a number of years. The purchasers will tell us whether we're right, but that's certainly our view and that's been the initial feedback when people have read the catalogue."

"We're very proud of both catalogues," Beeby added. "We're very grateful for the support we've had. I think a key part of our message to people at the moment is that Goffs is continuing to provide a deep, very international buying bench for Irish breeders, and we're very gratified and grateful that Irish breeders are supporting us with such quality. We will do everything in our power to repay that and we look forward to it."

## EUROPEAN NEWS

### THE NATIONAL STUD ANNOUNCES 2022 ROSTER AND FEES

The 2022 roster and fees for The National Stud were announced on Tuesday. Featuring a young roster of six, first-season sires **Time Test (GB)** (Dubawi {Ire}) and **Aclaim (Ire)** (Acclamation {GB}) got off to a bright start with their first runners. The former will stand for £15,000, while Aclaim's fee will be £6,000.

Leading the way with more black-type winners than any other European first-season sire in 2021, Time Test is responsible for Group 3 winners Rocchigiani (GB) and Romantic Time (GB), while the filly Sunset Shiraz (Ire) was third in the G1 Moyglare Stud S. He also has listed winners Tardis (GB) and The King's Horses (GB). His current crop of yearlings made up to 400,000gns and averaged £50,466, almost six times the fee at the time they were conceived. In 2021, he covered 160 mares, of which 60 were black-type performers or producers.

Triple Group 1 winner **Advertise (GB)** (Showcasing {GB}) leads the roster at £25,000. A winner of the G1 Phoenix S., G1 Commonwealth Cup and the G1 Prix Maurice de Gheest, his first foals will go under the hammer next week.

**Time Test** | *Asuncion Pineyrua*

New to The National Stud is the juvenile Group 3-winning **Lope Y Fernandez (Ire)** (Lope de Vega {Ire}), who will stand for £8,500. Placed five times at the Group 1 level, including the G1 Irish 2000 Guineas, the bay also made the frame in the G1 Prix Jean Prat, G1 Prix Maurice de Gheest, and the GI Breeders' Cup Mile at three. His final Group 1 placing was in the G1 Queen Anne S. at Royal Ascot this June.

Aclaim already has 26 juvenile winners to his credit, among them the GI Breeders' Cup Juvenile Fillies' Turf fourth Cachet (Ire) and the group-placed Jacinda (GB). His progeny have made up to 150,000gns.

Expecting his first juveniles in 2022 is G2 Coventry S. scorer **Rajasinghe (Ire)** (Choisir {Aus}) at £3,000. His first crop of foals averaged £30,975 off of a £5,000 fee. The final stallion of the sextet is G1 Irish St Leger-winning **Flag Of Honour (Ire)** (Galileo {Ire}), who, like Advertise, will cover his third book of mares in 2022. His fee will be £2,500.

Tim Lane, Director of The National Stud, said, "It is with a combination of pride and excitement that we unveil the 2022 covering fees for the National Stud stallions. The early achievements of our first-season sires Time Test and Aclaim have given us plenty to celebrate in 2021, and have also highlighted the abundant promise that exists across our six-strong roster.

"We are in a privileged position to be standing a range of promising young stallions and hope that breeders share in our optimism about the future for our sires. However, although we are confident there is much to look forward to, we remain acutely aware of the challenges recent times have presented. With that in mind, our fees have been designed to offer breeders what we feel is exceptional value for money."

### QATAR RACING RELEASES 2022 ROSTER AND FEES

Fees for the quartet of stallions at Tweenhills Farm and Stud were released by Qatar Racing on Tuesday. Reverse-shuttle stallion **Zoustar (Aus)** (Northern Meteor {Aus}) leads the roster at £25,000. A champion first-, second-, and third-season sire in the land of his birth where he commands a fee of A\$154,000, the bay's first Northern Hemisphere yearlings were well received in 2021. They averaged £76,305 and 16 yearlings made £100,000 or over in Europe.

G1 QIPCO 2000 Guineas hero **Kameko** (Kitten's Joy), who won the fastest guineas in history in 1:34.72, will stand for £20,000 (SLF) in his second season. Also a winner of the G1 Vertem Futurity S., his opening fee was £25,000 and his first foals are due in 2022. The 2020 G2 Joel S. hero covered 120 mares in 2021, including over 50% stakes performers or producers, and the siblings of 15 Group 1 winners.

**Havana Gold (Ire)** (Teofilo {Ire}) has been priced at £12,500 and is the leading sire of 2-year-olds in Great Britain this year. Overall he has now sired 21 stakes performers including Group 1-winning sprinter Havana Grey (GB) and fellow group winner Tabdeed (GB). Rounding out the roster is G1 Sussex S. winner **Lightning Spear (GB)** (Pivotal {GB}) at £5,000. [Cont. p8](#)

Zoustar | Tweenhills Stud

### Qatar Racing Roster Cont.

His first crop of yearlings averaged over four times his initial covering fee of £8,500.

Tweenhills Stud's owner David Redvers said, "We are extremely excited to welcome Zoustar back to Tweenhills for his fourth Northern Hemisphere covering season. His first European yearlings received extremely high reviews and were bought by some of the very best trainers, breeze-up consignors and agents from around the world.

"Kameko covered an outstanding first book of mares last year and it was fantastic to see him supported by some of the very best breeders in Europe. Havana Gold's much anticipated 2019 crop certainly lived up to expectations with 28 individual 2-year-old winners; in fact, currently no sire in Britain has sired more 2-year-old winners than him this year. It was fantastic to see Lightning Spear's first crop of yearlings so well received at the sales and with his improved fertility, his fee of £5,000 offers tremendous value for those wanting to use this exceptionally talented, tough and durable son of the now-retired Pivotal (GB)."

All of the stallions barring Zoustar will be paraded for breeders at Longholes Stud in Newmarket during this year's Tattersalls December Mare Sale from Nov. 28-Dec. 1. All fees are Oct. 1st SLF terms. For the 2022 season, Tweenhills will continue the 'Your Success = Our Success' scheme. Any breeder who produces a stakes winner by a Qatar Racing-owned stallion at Tweenhills will be offered a credit for use with any Qatar Racing-owned stallion in the following year to the value of the nomination.

## IRISH DOPING RULES ALIGN WITH INTERNATIONAL STANDARDS ACCORDING TO REPORT

A report on horseracing in Ireland found no evidence that doping regulations fall below international standards. The report, made by the Oireachtas Agriculture Committee, was prompted by **allegations from trainer Jim Bolger** that drugs are Irish racing's top problem. However, the report did make 11 recommendations, including that favourites and the top five finishers of each race be mandatorily tested via hair samples, as well as for random testing to occur. Another recommendation was for a review into the composition of the Irish Horseracing Regulatory Board (IHRB), to address concerns over a lack of independent membership and gender balance. **Cont. p9**

### Irish Doping Standards Cont.

In addition, the report recommends that the IHRB follow governance structures similar to the United States.

Agriculture Committee Chair Jackie Cahill said, “We’re happy that the testing standards in Irish racing are of the highest possible international standards.

“There was a lot of comments in the media and to restore public confidence, we felt that transparency was very important. That is coming out clearly in this report.

“The IHRB, there’s no question that they’re doing the testing to the highest possible standards. But to meet the modern criteria that’s there, I think greater transparency was needed. That’s where a lot of our recommendations are coming from.”

“At no stage was there any evidence found that the testing regulations in Ireland were anything but the highest possible international standards.”

Other recommendations of the report are detailed as follows: an independent review of Irish racing should be conducted by an outside body, with a full audit of all tests previously carried out, to “ensure that Ireland’s drug testing procedures match international best practices”; that CCTV be installed at all Irish racecourses; and that a system of equine traceability be created.

“For the public out there, whether it’s for the betting public or the general public, to ensure that this kind of comprehensive testing will ensure that everyone is fully convinced that there can be no wrongdoing involved in horse racing in Ireland,” Cahill added on Tuesday.

“I think this recommendation would be a comprehensive testing post-race, will give the public 100% confidence that the highest standards are being employed and that there is a very comprehensive testing regime in place.

“The comments that appeared in the media did do reputational damage to the sport. There’s no point in me denying that and that was the basis of why we initiated this report. I think these changes to bring transparency to the IHRB would do an awful lot in restoring that public confidence. I would hope that the minister would set about implementing our recommendations as quickly as possible.”

### POET’S WORD COLT TOPS SECOND DAY OF NOVEMBER NH FOALS

A colt by Poet’s Word (Ire) (lot 729) brought €85,000 from Joey Logan Bloodstock to top Tuesday’s session of the Tattersalls Ireland November National Hunt Sale. The second day of NH foals, a total of 214 sold (83%) from 257 offered for an aggregate of €5,146,660. The average was €24,050 (-1%) and the median was €20,000 (+5%).

Offered by Mountain View Stud, the bay is out of the Grade 3-

winning hurdler and Grade 2-winning chaser Dinarria des Obeaux (Fr) (Saddler Maker {Ire}), who was also third in the G1 Spring Juvenile Hurdle.

Two sons of Crystal Ocean (GB) were next on the buyers’ sheets at €80,000 apiece. Aiden Murphy shelled out that amount for Hillview Stud’s lot 641, the third foal out of a unraced half-sister to Grade 1 hurdler Pingshou (Ire) (Definite Article {GB}) and Grade 2 hurdler Magic of Light (Ire) (Flemensfirth). Murphy secured lot 677 for the same amount just over 30 hips later. Consigned by Oliver Loughlin, the bay is a son of Hour Before Dawn (GB) (Yeats {Ire}) from the family of Grade 1-winning chaser Docteur de Ballon (Fr) (Doctor Dino {Fr}).
