

BUSY SATURDAY MORNING FOR KENTUCKY DERBY AND OAKS WORKERS

Pioneer of Medina (outside) & Charge It (inside) | Coady

It was an action-packed Saturday morning at Churchill Downs for GI Kentucky Derby and GI Kentucky Oaks workers.

At 5:15 a.m., the Brad Cox-trained duo of GI Arkansas Derby winner **Cyberknife** (**Gun Runner**) and GII Twinspires.com Louisiana Derby runner-up and 'TDN Rising Star' **Zozos** (**Munnings**) worked six furlongs together in 1:11.20 (1/4) and 1:11.40 (2/4), respectively. At 7:30 a.m., GIII Stonestreet Lexington S. winner **Tawny Port** (Pioneer of the Nile), with newly named jockey Ricardo Santana, Jr., worked five furlongs for Cox in 1:01.60 (30/57).

"There's a lot of excitement leading into these final Derby works," Cox said. "You start to get a little anxious as the days near closer to the Derby. Things went very smooth this morning."

The Kenny McPeck tandem of GI Toyota Blue Grass S. runner-up and 'TDN Rising Star' **Smile Happy** (**Runhappy**) and GIII Jeff Ruby Steaks S. winner **Tiz the Bomb** (Hit It a Bomb) worked a half-mile together in :48 (28/130).

"I like that this is a home game for us," McPeck said. "Both Brian [Hernandez, Jr.] and Corey [Lanerie] have been around this oval all their lives, and both are solid journeyman riders. Both Corey and Brian are due a signature horse, so maybe one of them's got it this week." **Cont. p3**

ACTING OUT TOPS KEENELAND APRIL SALE

Acting Out (**Blame**), who most recently caused a 6-1 upset of the Carousel S. at Oaklawn Park Apr. 2 ([video](#)), was hammered down to Bill Farish, acting as agent for his parents Will and Sarah, to lead the way at Friday's Keeneland April Horses of Racing Age Sale held following the conclusion of the closing-day program at the racetrack a handful of steps up the hill.

Previously trained by Hall of Famer Jerry Hollendorfer for the ownership group of Sherman Racing Inc., Zivka Akin and Robert Hawkins, **Acting Out** won three of 10 starts in California and was placed in the Camila Urso S. sprinting on the turf at Golden Gate last year, but switched to the Arkansas oval this term and was a wire-to-wire allowance winner Mar. 11 before besting heavily favored 'TDN Rising Star' Frank's Rockette (Into Mischief) in the Carousel. **Cont. p4**

Todd Pletcher breezed the trio of GII Wood Memorial S. winner **Mo Donegal** (**Uncle Mo**) (four furlongs in :48.60) (55/130); and GI **Curlin** Florida Derby runner-up and 'TDN Rising Star' **Charge It** (**Tapit**) and Louisiana Derby third **Pioneer of Medina** (Pioneer of the Nile), who worked a half-mile together in :47.40 (9/130).

"From here, we'll do the usual stuff--like visiting the gate and galloping. We'll be galloping up to the Derby," Pletcher said.

Other Derby horses on the worktab Saturday included: Arkansas Derby runner-up **Barber Road** (Race Day) (four furlongs in :48.80) (67/130); GII Lambholm South Tampa Bay Derby winner **Classic Causeway** (Giant's Causeway) (six furlongs in 1:13.20) (3/4); and GII Rebel S. winner **Un Ojo** (Laoban) (four furlongs in :47.60) (14/130). **Happy Jack** (Oxbow), a distant third in the GI **Runhappy** Santa Anita Derby, covered a mile in 1:39.60 (1/1) at Keeneland. Florida Derby winner **White Abarrio** (Race Day) breezed a half-mile in :48.28 between races during an impromptu workout on Saturday afternoon's program at Gulfstream Park. "Wow. That's all I can say is 'wow,'" trainer Saffie Joseph, Jr. said. "He worked super."

Four Kentucky Oaks candidates had their final works Saturday morning at Churchill Downs: Bourbonette Oaks heroine **Candy Raid** (**Candy Ride** {**Arg**}) (four furlongs in :48.80) (67/130); GI Central Bank Ashland S. runner-up and 'TDN Rising Star' **Cocktail Moments** (**Uncle Mo**) (five furlongs in 1:00.80) (15/57); unbeaten GII Gulfstream Park Oaks winner **Kathleen O.** (**Upstart**) (four furlongs in :47.80) (20/130); and GIII Gazelle S. heroine **Nostalgic** (**Medaglia d'Oro**) (four furlongs in :48.60) (55/130).

"She's not necessarily a strong morning worker," Hall of Fame trainer Shug McGaughey said of Kathleen O. "So, we're very pleased with what we saw today. I'm excited. We're excited. We got through today and we know she always shows up on race day. This morning was right up there with some of her best. We're glad to be back in Kentucky with her and we're thinking with her running style she'll appreciate the longer stretch here [at Churchill Downs]."

Desert Dawn (**Cupid**), upset winner of the GII Santa Anita Oaks, worked five furlongs in 1:00.60 (19/53) at Santa Anita Saturday.

Sales-topping Acting Out | Keeneland photo

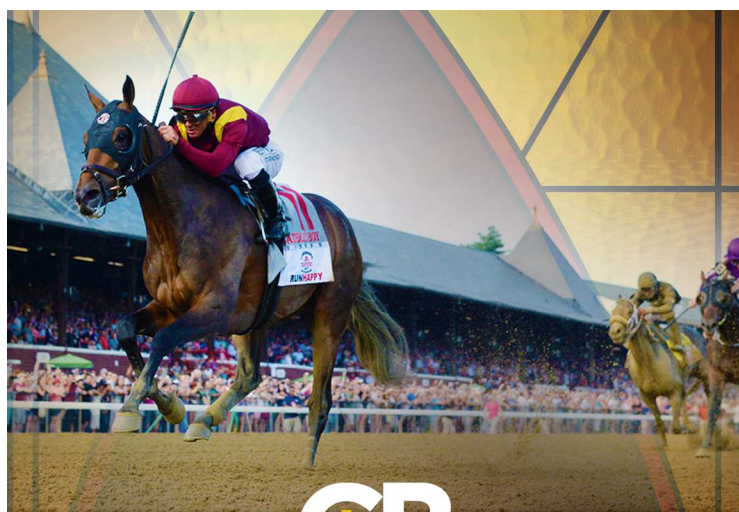

She was consigned by Taylor Made Sales Agency as **hip 23**.

“She is a six-furlong specialist, so she will [continue] sprinting and hopefully be back here to [race in] the [GI] Thoroughbred Club of America S. in the fall,” said Farish. “We hope we can make some of the purchase price back [by racing her] before retiring her at the end of the year.

“When the catalog came out, she was one that just stood out in the catalog,” Farish added. “When we saw her--she looked fabulous, a beautiful mare, really correct. She looks like one who would have nice babies. [Her pedigree] goes back to a Stuart Janney III family, and we hope to breed her one day.”

Acting Out is out of a half-sister to Janney III's Grade III-winning turf mare Onus, also a daughter of **Blame**, and to the dam of the promising 3-year-old multiple graded-placed turf colt Limited Liability (**Kitten's Joy**), who flew home to win a grass allowance at Keeneland Apr. 16. The stakes-placed third dam Meghan's Joy (A.P. Indy) has left behind the likes of graded winners Ironicus (Distorted Humor), On Leave (**War Front**), Norumbega (Tiznow), Hunting (Coronado's Quest) and Quiet Harbor (Silver Deputy).

The ELiTE-consigned **Blue Devil (Uncle Mo)** was the most coveted of the male racing prospects, selling to Rocket Ship Racing LLC, agent/William Denzik for \$260,000. The 3-year-old was offered as **hip 32** on behalf of his previous owners SF Racing, Starlight Racing, Madaket Stables, Siena Farm and Golconda Stable and trainer Rodolphe Brisset and made a favorable impression in his lone racetrack appearance to date, missing by a neck in a six-furlong maiden over the Turfway synthetic Apr. 2. The same connections were also represented by **Blackadder (Quality Road) (hip 89)**, who was purchased by Claiborne Farm, agent, for \$250,000. Hailing from a Stone Farm family, the colt holds an entry for the GI Preakness S. by virtue

of his victory in the El Camino Real Derby Feb. 12.

Another Brisset trainee made his way down to the sales pavilion only hours after winning his maiden at the track a few hours earlier. **Summer Anthem** (Temple City) was offered by Gainesway, agent, as **hip 104**, and was snapped up by Kirk Wycoff's Three Diamonds Farm for \$150,000 to continue his career. The 3-year-old gelding proved a tenacious winner of Friday's fourth race in a meet-fastest clocking for the 8 1/2-furlongs on turf.

Other offerings to have won during the meet and sold Friday were the I.C. Racing-consigned **Shannon (Nyquist)** (**hip 100**), who broke her maiden at 24-1 in an Apr. 22 turf sprint and was purchased for \$240,000 by Hidden Brook, agent; and **Atras (Astern {Aus})** (**hip 102**), a 3-year-old gelding who graduated by 2 1/2 lengths in an Apr. 23 turf sprint and fetched \$150,000 from Clay Scherer.

As reported earlier, a **share in Airdrie Stud's Upstart** sold for **\$450,000** as the final hip up for bidding.

For the single-session auction, a total of 58 horses were reported as sold for \$5,349,000, good for an average of \$92,224 and a median price of \$50,000. The 2021 event saw 37 horses sell for \$2,440,000 for an average of \$65,946 and a \$45,000 median.

"From start to finish of the sale, the energy was strong and the enthusiasm at every level was really encouraging," Keeneland Vice President of Sales Tony Lacy said. "Joining the race meet and sale and having them on one day really, really worked. The atmosphere was incredible with a real buzz. That's something we want to replicate and build on not just for the April Sale, but all sales moving forward."

Added Keeneland's Director of Sales Cormac Breathnach: "It's so important to us to have the brick-and-mortar event built around the race meet and have the support we got up front from so many consignors and owners with really good horses. That first group--the 73 horses that were initially entered--really turned heads. We are incredibly grateful to them. That feeds into the race meet, and people see a chance to cash in or a

chance to buy. And to be able to accommodate those horses that had run well during the meet in the sale showed our flexibility. To see it all come together is very rewarding."

Keeneland will welcome buyers and sellers back to Lexington for its benchmark **September Yearling Sale** Sept. 12-23.

KEENELAND SPRING MEET CONCLUDES WITH RECORD HANDLE

Coady Photo

Keeneland closed its 2022 Spring Meet Friday with all-sources handle in excess of \$219 million to establish an all-time meet wagering record for the track, and a third consecutive season of record handle. The Lexington oval offered record average daily purses of \$1.147 million, attracting an average of 9.1 starters per race.

“This Spring Meet was unmatched in many measures, most of all the fact that everyone seemed to revel in the energy of having fans back in full force on race days,” said Keeneland President and CEO Shannon Arvin. “Keeneland is a special place because of the support we receive from the Central Kentucky community, our horsemen, handicappers, sponsors, fans and employees. This spring season sets the stage for a huge racing

year that continues with the Fall Meet in October and the return of the Breeders' Cup World Championships on Nov. 4-5."

All-sources wagering (not including whole-card simulcasting at Keeneland) for the Spring Meet totaled \$219,284,979, eclipsing the previous record of \$181,009,626 set during last year's 17-day Fall Meet. The total represents a 33.16% increase over last spring's record \$164,680,229. Average daily all-sources handle was \$14,618,999.

A number of individual handle records were also set during the Spring Meet. Record single-day all-sources handle of \$28,137,728 was set on GI Toyota Blue Grass Day, Saturday, Apr. 9, which featured 11 races including five graded stakes. Wagering on the 11-race card the following Saturday, Apr. 16, totaled \$27,304,001 to be the second-highest single-day handle in Keeneland history. Record Pick 4 and Pick 5 wagering also was realized on Apr. 16. The Pick 4 handled a record \$1,357,298, exceeding the previous mark of \$1,065,002 set on Blue Grass Day 2018. The Pick 5 handled a record \$1,539,098 to surpass the \$1,485,090 established on 2021's Blue Grass card.

On-track wagering this spring totaled \$16,190,832, up 75.52% from last spring's \$9,224,273 when COVID-19 limited attendance for the meet. Average daily on-track wagering this spring was \$1,079,389.

The Keeneland Turf Pick 3, a wager on the final three turf races each day that was inaugurated last fall, handled a total of \$1,543,399, for an average of \$128,617 per day.

'By the way, I'm sending you a horse!' He ran great today and this puts him over a million dollars in earnings, so it's pretty exciting."

Ed Moger added, "He beat a good horse today. We've been thinking about the [GI] Hollywood Gold Cup [at Santa Anita May 30] as long as he ran good here."

Pedigree Notes:

The wildly popular Shackleford, a flashy big-blazed chestnut and the 2011 GI Preakness S. winner, got the eighth American graded stakes winner of his career here. The Forestry stallion has a total of 19 black-type winners. His first foals hit the ground in 2014 from his time at Darby Dan in Kentucky. Shackleford was sold to the Korea Racing Authority in 2020 prior to the breeding season.

Remarkably, like Stilleto Boy, Shackleford's **Promises Fulfilled**, winner of the GI H. Allen Jerkens and four other graded stakes, is out of a Marquetry mare. The late Marquetry is the broodmare sire of 50 stakes winners, two of them out of Stilleto Boy's dam, Rosie's Ransom. Marquetry, who passed away in 2013 at Old Friends, originally stood at Central Kentucky's Vinery, then owned by Ben P. Walden, Jr. and his wife, Elaine, as did Rosie's Ransom's damsire, Red Ransom. The two stallions--one a chrome-splashed chestnut and the other a mostly plain

bay with just a little white on his face--had paddocks located near each other.

Rosie's Ransom has produced nine winners from as many starters. All of her runners have made starts in the double digits, with four of them in the 42- to 54-start range. Her only foal to live since Stilleto Boy is a yearling colt by Gormley named Irish Ransom. Stilleto Boy's bottom line traces directly to the great matriarch Myrtlewood, herself a granddaughter of foundation mare Frizette, through Myrtlewood's Durazna branch.

Blue Stripe | Benoit

Blue Stripe (Arg), a four-time winner in her native country, led by a win in the G1 Criadores last May, made up for a no-show seventh while making her U.S. debut in the GI Breeders' Cup Distaff with a good-looking win here.

A ground-saving fourth heading into the clubhouse turn here, Blue Stripe sat in a perfect spot just behind the leaders down the backstretch. Under a ride passing the three-eighths pole, she was guided out widest of all as they turned for home and came charging down the center to get the money.

"When the filly came to me last year, six months before the Breeders' Cup, I kept in contact with the trainer, so the trainer

kind of gave me all the updates on her so it was easy," winning trainer Marcelo Polanco said. "Plus, she's so easy, she's amazing." He added, "It's a dream for everybody, winning these kinds of races at Santa Anita, it's amazing."

Pedigree Notes:

The Argentinean farm Haras Abolengo has made quite a splash in U.S. racing. Probably best known stateside for breeding impactful Lane's End sire **Candy Ride (Arg)**, they also bred and stand Equal Stripes (Arg), sire of Blue Stripe (Arg). Equal Stripes is by Candy Stripes, damsire of **Candy Ride** and also sire of U.S. Horse of the Year Invasor (Arg) and U.S. champion Leroidesanimaux (Brz), in turn sire of U.S. Classic winner Animal Kingdom, as well as others who won at the highest levels of American racing.

Equal Stripes has been in the top 10 on the Argentinean sires list since 2010. While records may not be complete, he has sired at least 58 stakes winners and 47 graded winners in both hemispheres combined.

In a rare twist, Americans may be even more familiar with Blue Stripe's dam than with her sire. Four years before she produced Blue Stripe, Blues for Sale (Arg) produced Blue Prize (Arg) (Pure Prize), a MG1SW in Argentina who came stateside to win the GI Breeders' Cup Distaff, two editions of the GI Juddmonte Spinster S., and a number of other graded races. She sold for a sale-topping \$5 million to Larry Best at the 2019 Fasig-Tipton November sale. Blue Prize now lives at Taylor Made, where she produced a now-yearling filly by Into Mischief and an **Instagramd** colt this year. Blues for Sale's most recent foal is a 2-year-old filly named Blue Coast (Arg) (Suggestive Boy {Arg}).

Beyond Brilliant, upset winner of the GI Hollywood Derby last November, returned to winning ways here while stretching out to the longest distance of his career.

Hung wide into the first turn, the bay cleared off first time through the stretch and doled out splits of :47.16, 1:11.51 and 1:35.33 with Masteroffoxhounds in nearest pursuit. That one cranked up the heat and briefly looked like the winner, but Beyond Brilliant slammed the door late and kicked away again.

A seven-length, fourth-out graduate over the local main track last summer, Beyond Brilliant woke back up when switched to the sod three starts later, taking a Del Mar optional claimer in September before checking in third in the local GII Twilight

The popular Cal-bred Brickyard Ride, a well-beaten second as the heavy favorite in this race last year, made it four wins in a row in dominating fashion. The 2021 GII San Carlos S. winner entered off three straight stakes wins versus state-breds, including runaway scores going a mile in the Tiznow Feb. 21 and 6 1/2 furlongs in the grassy Sensational Star S. last time Mar. 20. The 2-5 favorite quickly established command over his three rivals, was traveling nicely approaching the quarter pole and never gave them a chance in the stretch en route to a facile victory.

"He just keeps getting better and better," winning trainer Craig Lewis said. "We're going race to race, but our long-range plan is to be at Keeneland in November [for the Breeders' Cup]. He's been showing so much versatility though, we don't know if he

Brickyard Ride | Benoit

should go in the Sprint, the Turf Sprint or the Mile. A lot of options, we just hope he stays as good as he is now."

Pedigree Notes:

One might think, with just 80 lifetime starters from four small crops to race, that MGSW & MGISP Clubhouse Ride might have a career-topping runner with a MGSW like Brickyard Ride. While that may eventually be the case, the honor at present goes to Warren's Showtime, who is not only a MGSW, but is also GISP, and has won or placed in 21 black-type events compared to Brickyard Ride's eight. The graded-winning pair are two of the **Candy Ride (Arg)** sire's three stakes winners and additional four stakes horses. Clubhouse Ride stands in California at Legacy Ranch.

Also standing in California, approximately a three-hour drive from Clubhouse Ride, is Gray's Farm's Southern Image, who has a few hundred more foals in his 13 racing crops and has exactly one North American stakes winner out of any of his daughters: Brickyard Ride. The winner's dam has a 2-year-old filly named Annie's Conquest (Conquest Fahrenheit) and a yearling full-sister to Brickyard Ride. She was bred back to Clubhouse Ride for 2022.

Yearling Buyers' Dreams Come True

Keeneland September Yearling Sale buyers dream of acquiring athletic individuals that go on to achieve success on racing's biggest stages. Those dreams came true over the opening weekend of the Keeneland Spring Meet when Zandon impressed in the Toyota Blue Grass (G1) and Nest romped home to win the Central Bank Ashland (G1).

Both Zandon and Nest's victories vaulted them to the top of the Kentucky Derby and Oaks conversations.

 Beautiful Empire's furious kick carried the day for conditioner Mark Casse, rallying from last to lead home a 1-2-3 finish for the Mark Casse barn in a brisk rendition of the Star Shoot S. at Woodbine.

The filly was far back in her first two starts over conventional dirt at Churchill Downs before breaking her maiden Dec. 10 over the synthetic at Turfway Park to conclude her juvenile season. The chestnut began her year with a close runner-up effort Jan. 8 at the venue on first-time Lasix and finished third in a stacked rendition of the Valdale S. Feb. 12 and most recently overcame a bump at the start of a local allowance Apr. 16 to draw clear by four lengths.

Allowed to settle after the break here, the 7-2 third choice tracked from last early and quickly made up ground from that rail spot coming into the lane. Under right-hand urging from Emma-Jayne Wilson, Beautiful Empire kicked into high gear in the final furlong to clear rivals and win by 1 1/2 lengths over Aubrieta. Diabolic rounded out the Casse trifecta. The time for the six-furlongs was only just off the track record set by the venerable Pink Lloyd (Old Forester).

"I was actually angling to go to the outside, and the rail kind of opened up," said Wilson post race. "Good horses, when you ask them, they run. And that's exactly what happened. She's been running lights out the whole winter. She was primed for a big effort. It was a big effort last time and she stepped up again today."

The victress is her dam's first black-type earner and second winner from three to race. She has a 2-year-old half-brother by **American Pharoah**. Humor Me Colonel is expecting a foal by **Munnings** this season. She is also the fourth stakes winner for her young sire (by Pioneerof the Nile). **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by [TVG](#).**

Despite winning three of his last four, including a victory at Aqueduct Dec. 4 for which he earned a career-high 95 Beyer Speed Figure, Scuttlebuzz was dismissed on the board at 15-1 for Saturday's Elusive Quality S. at Belmont Park.

Off a step slow, he got into stride well enough to race comfortably in fifth on the outside of American Monarch. He shifted out to the three path turning for home and had to move wider still at the top of the lane to rally. With a sixteenth to go, he switched back in towards the rail and pulled clear with enough of a lead to hold off a fast-closing Therapist.

Avenue de France scored the third black-type win of the U.S. portion of her career Saturday in Golden Gate's Golden Poppy S.

In the clear close to the rear of the field, the dark bay bided her time, rating comfortably through :23.13 and :47.15 fractions. She picked it up on the turn, tipping to the outside and rallying down the lane to engage Buyback in a duel to the wire. Avenue de France prevailed by just a nose.

After beginning her career with two wins in France for trainer D. Guillemin at two, Avenue de France struggled to win in her first several starts stateside for Leonard Powell. The now-5-year-old would eventually capture two stakes at Golden Gate in 2021: the Luther Burbank S. and the Miss America S. She also began knocking heads with graded company at Santa Anita, last seen finishing fourth in the GII Royal Heroine S. Apr. 9. She placed third in January in the GIII Megahertz S.

The unraced Sharja Princess also has a 2-year-old colt by Sommerabend (GB). **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

THE ADDISON POUR (g, 3, Tonalist--Graser {Ire} {MSP, \$116,578}, by Motivator {GB}) broke her maiden at first asking Jan. 23 over six furlongs, then stretched out to 1 1/16 miles to be second against allowance company Feb. 10 and third by a head Mar. 25 at the same distance, all at this venue. Off at 2-1, The Addison Pour was a bit rank early while racing four wide up the backstretch. He eventually settled to be fourth, content to track the speed duel between Uncle Irish (Uncle Limo) and Holy Synchronicity (Holy Boss). When asked going into the far turn, he responded gamely, circling the early leaders at the top of the stretch to engage with Uncle Irish with a sixteenth to go. The pair head-bobbed to the wire, with The Addison Pour prevailing by a nose. His dam has a 2-year-old colt by Air Force Blue and a yearling colt by Cat Burglar. COROEBUS IS THE ANSWER

Coroebus and James Doyle lead home a Godolphin exacta in the 2000 Guineas | PA Media

by Tom Frary

A Godolphin-Charlie Appleby one-two in Saturday's G1 QIPCO 2000 Guineas at Newmarket seemed highly plausible, but as the dust settled on the sun-blessed Rowley Mile it was **Coroebus (Ire)** (Dubawi {Ire}) and not **Native Trail (GB)** (*Oasis Dream {GB}*) who held the Moulton Paddocks bragging rights.

Despite arriving here in his stablemate's shadow, the G3 Autumn S. winner received due respect and support at 5-1 attempting to navigate from the one draw on the far side. As the 5-4 favourite charged down the other wing with William Buick animated, Coroebus was just gliding under James Doyle and no sooner had he been delivered to lead approaching the furlong pole was the result settled. Hard as Native Trail tried to bridge the gap, it was 3/4 of a length at the line as Ballydoyle's **Luxembourg (Ire)** (*Camelot {GB}*) put up an ideal Derby trial, 1 1/2 lengths away in third.

"At halfway, I thought 'this is all going pretty well' and I just had to keep patient," the winning rider said. "It was no surprise to see William there at the finish--I had thought of saying to him going down 'I'll be seeing you at the other end' and that was how it happened. He travelled incredibly strong throughout and there's no reason he won't improve from today, as he was quite exuberant through the race." [Cont. p2](#)

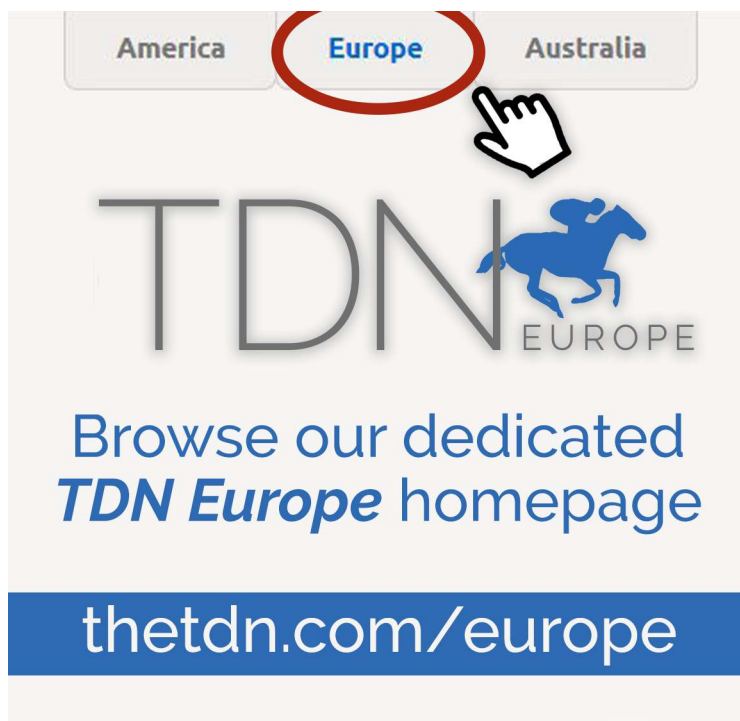

ALL TO PLAY FOR

After the decision to avoid the stress of a G1 QIPCO 1000 Guineas examination for Inspiral (GB) (*Frankel {GB}*), the latest renewal of the Newmarket Classic has become open season for up-and-comers in the miling division. Very few of the 14 left in the race can be safely discounted and with a filly unproven beyond six furlongs at the head of the market, it is fair to say that anything can happen in this one. There were shades of Ravinella (Mr. Prospector) in the way Ballydoyle's number one and '**TDN Rising Star**' **Tenebrism (Caravaggio)** went through the G1 Cheveley Park S. here in September, but there is a definite question mark over the mile for her and the performance of Flotus (Ire) (*Starspangledbanner {Aus}*) here on Saturday was an untimely blow to that form. "She is unproven beyond six furlongs and maybe some have pegged her as a sprinter, but there is only one way to find out and that is on Sunday," Ryan Moore said. "In terms of raw ability, we are happy with where she sits in the pecking order." [Cont. p6](#)

What had looked beforehand a vintage renewal may well turn out that way, with the only one of the “big four” out of the frame being the forwardly-ridden **Point Lonsdale (Ire)** (**Australia** {**GB**}) who had been interfered with by Native Trail as that rival veered right running down into the dip. Coroebus, who had so dramatically gone too early when worn down by **Royal Patronage (Fr)** (**Wootton Bassett** {**GB**}) in the G2 Royal Lodge S., was not for stopping this time as he showed all the benefit of a winter’s strengthening. Still a physical specimen in need of time, the winner faced a deficit in terms of form figures entering this but put it all together to emerge best of a strong bunch.

As Coroebus remained trapped wide without cover for the early part of the contest, Native Trail had the same dilemma towards the stands but as expected their racing styles were in marked contrast throughout. There was no surprise to see Buick niggling some way out to engage his long-striding mount and, equally, nothing unusual in the manner Doyle was able to employ minimal encouragement to send the slick-travelling second-string forward heading to the downhill slope. Native Trail lost minor momentum there as he lugged into Point Lonsdale, but his finish was typically strong enough to win out had Coroebus fallen into a hole as he had in the Royal Lodge. Seven months on, the son of Dubawi was a more dynamic proposition at the death and that was the telling factor. Intriguingly, he becomes the latest superstar to emerge from the August Newmarket mile novice--formerly a maiden--won by Motivator (GB), **Frankel (GB)** and Roaring Lion.

“Ryan [Moore] joined me quite quick and so I just asked him a couple of questions going into the dip and he responded incredibly--I think had Ryan not forced my hand to go early I

could have afforded to be even cheekier and he would have won even more impressively,” explained Doyle, the latest in a long line of riders to sport the old “lucky” white cap for the operation in a prestige event. “It is just amazing how hard it is to win this race. I’ve ridden some very good horses, including **Kingman (GB)** and Barney Roy (GB)--I hate to mention them, but they both fell short through no fault of their own and were victims of circumstance. It is testament to Charlie and the belief he has in us guys. For a jockey go out in a big race with a free rein to change things up is an incredible feeling.”

Interestingly, immediately after Coroebus’s Autumn success on a Future Champions Day which belonged to the stable, Appleby had seemed to favour him over Native Trail. He said at the time, “It’s a long way off, but I do like Coroebus. He’s a supreme traveller and although you cannot fault what Native Trail has done, you’ve got to be able to travel in a Guineas and what Coroebus does have is a high cruising speed. You’ll never take him off the bridle before the two-pole.”

Reflecting on Saturday’s performance, he said, “I could see James was travelling for fun and that’s what this horse does--they can’t go quick enough for him. He’s a seven-furlong horse who could potentially get a bit further than a mile in time, I think.” **Cont. p3**

G1 QIPCO 2000 Guineas Cont.

“I’d like to think I know the Dubawis by now,” Appleby added. “We’ve had enough of them through our hands and he’s shown us all the right signs. This horse has always shown, like any good horse, natural pace and when they have that natural pace in the physique he has you can’t do anything apart from get excited about it. He gained a lot of confidence in the Autumn S. and you have to just keep filling him up as he has an electric turn of foot. Dare I say it, he’ll progress throughout the season and I think we’ll potentially try to keep them apart.”

“It would be a shame for them to keep butting heads with one another and on the evidence of what we’ve seen today they are the best two 3-year-old colts around to date,” their trainer concluded. “We can probably say Native Trail will go to Ireland for the G1 Irish 2000 Guineas where we have seen him be impressive before and Coroebus can go straight to the G1 St James’s Palace [S. at Royal Ascot]. Native Trail has gone down on his sword, but to be fair to him he’s not actually built like a Newmarket runner and his class gets him through it. He’s built to meet a nice rising track and Ascot would suit him perfectly. He’s been beaten by an exceptional horse and is still a class animal.”

Charlie Appleby celebrates his first 2000 Guineas victory | PA Media

Already replete with Derby prospects, Aidan O’Brien can approach the Epsom Classic with even greater bullishness after Luxembourg put in a perfect preparatory effort. There were shades of **Australia (GB)**, who also filled the third spot in 2014, in his performance as he stayed on to chase the pacier duo up ahead.

“We knew he was a middle-distance horse and we were happy with where he was coming into this, so we were delighted with that run,” he said. **Cont. p4**

G1 QIPCO 2000 Guineas Cont.

O'Brien added, "Everything went perfect over the winter and Ryan was delighted, he said he just stepped half a length slow out of the stalls and it just lost him a length or two but he was full of praise and Ryan did everything perfect. Point Lonsdale might not have been as forward as the other horse, so we hope there's going to be more to come from him. He's a horse that's going to be happy stepping up to a mile and a quarter and a mile and a half as well."

Pedigree Notes

Coroebus is the second foal out of the G3 Oh So Sharp S. scorer First Victory (Ire) (Teofilo {Ire}), who is one of five black-type winners out of the leading producer Eastern Joy (GB) (Dubai Destination). They include the four-times Group 1 and Grade I-winning Godolphin flagbearer Thunder Snow (Ire) (Helmet {Aus}), who was versatile enough to win a Dubai World Cup, the G2 May Hill S. winner and G1 1000 Guineas-placed Ihtimal (Ire) (Shamardal) and Always Smile (Ire) (Cape Cross {Ire}) who was runner-up in the G1 Sun Chariot S. and third in the G1 Falmouth S. The third dam is the G2 Sun Chariot S. winner Red Slippers (Nureyev), a full-sister to the G2 Jockey Club S. winner and G1 Epsom Derby-placed Romanov (Ire) and a half to the G1 Irish Derby and G1 Epsom Oaks heroine Balanchine (Storm Bird) who was responsible for the G1 Prix de Diane heroine West Wind (GB) (Machiavellian). Also connected to the G1 Irish Derby hero Sovereign (Ire) (Galileo {Ire}), First Victory's 2-year-old colt by Shamardal is named Pherenikos (Ire).

KHADEM TOO QUICK IN THE PALACE HOUSE

Seemingly treading water over six furlongs, **Khaadem (Ire)** (Dark Angel {Ire}) took his record to two wins from four starts since being dropped to five in Saturday's G3 Betfair Palace House S. at Newmarket.

Jim and Fitri Hay's acquisition had excelled under William Buick on his first try over Britain's minimum trip when capturing Doncaster's Listed Scarborough S. in September, but had failed to build on that in Meydan following a gelding operation and his exit from the Shadwell ranks.

Reunited with Buick here, the 7-1 shot stayed away from the rest towards the far rail and had burnt his way to a clear lead at halfway much as the rider's mount Noble Truth (Fr) (**Kingman {GB}**) had on this track the previous day. Seeing it out up the rising ground despite tiring, he held on to prevail by a neck from **Existent (GB)** (**Kingman {GB}**).

"He's got plenty of class and on those quick five-furlong tracks like here he's good," Buick said. "He's got some amazing mid-race pace and especially here you're able to nurse him into the dip and come out the other end. He's a very talented horse."

Khaadem had taken the 2019 Listed Carnarvon S. and Stewards' Cup and been fourth in the following year's G1 July Cup and G1 Diamond Jubilee S. and he showed here there is mileage still for further pattern-race exploits.

"We only bought the horse at the end of last year off Shadwell and he ran well on his first run in Dubai and then got drawn badly," the Hays' Racing Manager Alex Cole said. "He loves the fast ground and seems to get on with the jockey well. I'd think he'd have to go to Ascot now and stay over five furlongs, seeing as he's won a group three here."

Pedigree Notes

Khaadem is one of two black-type winners out of White Daffodil (Ire) (**Footstepsinthesand**) alongside the talented Log Out Island (Ire), another son of Dark Angel who took the Listed Two-Year-Old Trophy and was runner-up in the G2 Norfolk S. and G2 Mill Reef S. She is kin to three black-type performers headed by the fellow Carnarvon winner Lady Links (GB) (Bahamian Bounty {GB}), dam of the Listed Oh So Sharp S. winner Selinka (GB) (Selkirk) who in turn produced the G3 Curragh S. and G3 Mercury S. winner Hit the Bid (GB) (Exceed

And Excel {Aus}) and the Limestone S. winner Ruthin (GB) (Ribchester {Ire}). White Daffodil's 2-year-old colt is a full-brother to Khaadem.

G1 QIPCO 1000 Guineas Preview Cont. from p1

Will Danehill's Record Fall?

Aidan O'Brien tends to win mile Classics with stouter-bred individuals, which brings in **Tuesday (Ire)** (Galileo {Ire}) but there is a feeling that the reality of winning a 1000 Guineas will be too much too soon as she builds experience ahead of an Oaks tilt. The Naas maiden winner shaped as the better filly when second to **Discoveries (Ire)** (Mastercraftsman {Ire}) on her sole juvenile start and if she has made the leap she will be providing Galileo with the world record of stakes winners. This would be a stage fitting for such a landmark, and Ballydoyle's go-to rider Frankie Dettori only adds to the equation. "We are happy with where she is, as we didn't think we would be in this position with her four weeks ago," the Ballydoyle handler admitted recently.

Setting The Scene

In an edition dominated by Irish and French-trained fillies, it looks a tall order for the home team to arrest the overseas momentum. The top-rated quartet among them are the quartet who chased home Inspiral in the course-and-distance G1 Fillies' Mile in October, and while **Prosperous Voyage (Ire)** (Zoffany {Ire}), **'TDN Rising Star' Cachet (Ire)** (Aclaim {Ire}), **Mise En Scene (GB)** (Siyouni {Fr}) and **Wild Beauty (GB)** (Frankel {GB}) are all solid proposals here they all have something to find. Mise En Scene provides James Ferguson with a first Classic runner and he is understandably hopeful that the Qatar Racing and Racehorse Club-owned G3 Prestige S. winner could be at least a

bit player in this play. "I honestly think it is the most open 1000 Guineas I can remember," he said. "It is wonderful to have a filly this good and she deserves to be the shortest-priced British runner. The fact she has got stamina in her pedigree will help her."

Guineas Set For Frexit?

This is a big year for Francis-Henri Graffard, who has been handed the golden opportunity of taking over the famous Aiglemont stables, and in Everest Racing, Barbara Keller and David Redvers's **Malavath (Ire)** (Mehmas {Ire}) he has a strong chance of making waves in this important monument. Building slowly to a crescendo last term, she went from a soft-ground win in the six-furlong G2 Criterium de Maisons-Laffitte at Chantilly in October to a barnstorming finish when second in the GI Breeders' Cup Juvenile Fillies Turf on a firm surface over this trip at Del Mar the following month. She put her compatriot **Zellie (Fr)** (Wootton Bassett {GB}) in her place in the Apr. 7 G3 Prix Imprudence at Deauville, which during the 1980s was the launchpad used by Criquette Head for her Guineas heroines Ma Biche and Ravinella and by François Boutin for the great Miesque. "I couldn't have her in better form," Graffard said. "She came on a lot from her seasonal debut and she's very well. When it comes to the ground, she's a very versatile filly and hopefully she is good enough for a race like this."

The Supporting Cast

There is abundant intrigue away from the Guineas, with ParisLongchamp staging the G1 Prix Ganay where the G2 Prix d'Harcourt one-two-three **Skalleti (Fr)** (Kendargent {Fr}), **Sealiway (Fr)** (Galiway {GB}) and **Mare Australis (Ire)** (Australia {GB}) re-oppose. **Cont. p7**

Sunday Previews Cont.

Sir Michael Stoute, a master in races like the G2 Betfair Exchange Dahlia S., looks to Chris Humber and Hunscombe Stud's G3 Pride S. winner **Ville de Grace (GB)** (Le Havre {Ire}) to provide him with a seventh renewal of Newmarket's nine-furlong test. In Germany, the G3 Bavarian Classic at Munich sees the latest potential Gestut Schlenderhan star step forward in the impressive Dusseldorf scorer **So Moonstruck (Ger)** (Sea the Moon {Ger}); while John and Thady Gosden who appear to have several Oaks hopefuls and saddle Juddmonte's **Crenelle (GB)** (**Kingman (GB)**) in the 10-furlong Listed Pretty Polly S. on the Guineas undercard.

The 2021/2022 Irish National Hunt Champions were announced at Punchestown on Saturday. Of the six, five were repeat winners, with Jack Foley named the Champion Conditional Jockey for the first time. Ireland's NH champions are as follows:

- Champion Owner: JP McManus (19th win)
- Champion Trainer: Willie Mullins (16th win)
- Champion Jockey: Paul Townend (fifth win)
- Champion Conditional: Jack Foley
- Champion Amateur: Patrick Mullins (14th win)
- Champion Lady Amateur Rider: Jody Townend (second win)

Horse Racing Ireland Chief Executive, Suzanne Eade, said, "This is the first time since May 2019 that we have been able to crown our National Hunt champions before a raceday crowd and my congratulations go to JP, Willie, Paul, Jody, Jack, Patrick and the many thousands across the country who have worked to make the season the success that it was.

"The wonderful achievements of so many within our industry show Irish racing in the best possible light and high-profile wins on the biggest of the world's racing stages are reflected in the terrific crowds that we have seen here this week and at Fairyhouse over Easter. Umm Kulthum, who annexed 2020's G3 Firth of Clyde S. and ran third in this venue's G1 Cheveley Park S., lined up for this event--switched from Nottingham--coming back from almost one year off, having finished eighth in last term's G3 Fred Darling S. and third in May's G2 Sandy Lane S. at Haydock. The lightly-raced 4-year-old tracked the leaders in third early, but slipped to sixth at halfway in this comeback. Coming under pressure to close soon after passing the quarter-mile marker, she quickened to launch her bid at the furlong pole and was driven out up the hill to deny the forward-running Tenaya Canyon for a second black-type success.

"She just had a small issue after she ran in the Sandy Lane, which I thought she ran a good race in, and I just ran out of time to run her last year," explained trainer Richard Fahey. "She had been working well at home, but when they have a little problem you are always minding them and it was only in the last couple of weeks she has come to herself. She is in the York race [G2 Duke of York S.] and the Ascot race [G1 Platinum Jubilee S.] and that is where we will try and head with her. I thought the Haydock form was very good and I thought if she ran near that she would have a big chance, which she has shown she has. The plan was to get a run into her before York, but I just hope she will be alright now. She was very unlucky at Haydock and she should have won that day as she got stopped a couple of times. She is not a bad filly and this is a great race for fillies over six furlongs early in the season."

Umm Kulthum, half-sister to the unraced 2-year-old filly Minka (Ire) (Kodiac {GB}) and a yearling filly by Galileo Gold (GB), is the first of four foals and lone representative of Queen's Code (Ire) (Shamardal), herself kin to multiple winners Barbarous (Ire) (Lope de Vega {Ire}) and Juthoor (Ire) (Lope de Vega {Ire}). Mrs Fitzherbert, winless in her first four starts, snagged a pair of handicaps at Lingfield and Wolverhampton last term and went postward for this returning off a fourth in the Oct. 21 Listed Fleur de Lys S. back at Lingfield. Positioned third along the rail for the most part, she was last to come off the bridle in the straight when eased into a clear lane approaching the final

furlong and was ridden out after tackling Bashkirova with 150 yards remaining to deny that rival by a half-length nearing the line for a career high.

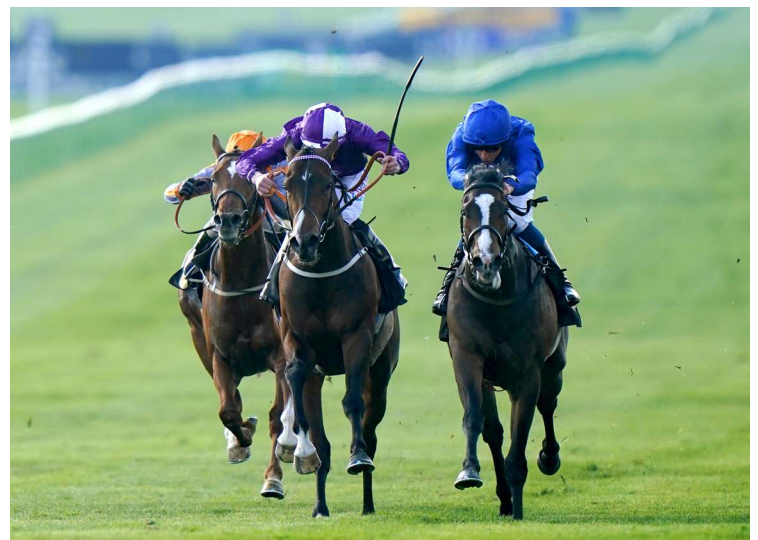

Miss Fitzherbert becomes the 44th stakes winner for her sire and third for GIII All Along Breeders' Cup S. victrix Stupendous Miss (Dynaformer), who also has the G2 Zabeel Mile victor Do It All (Distorted Humor) and dual stakes-winning G3 Darley S. runner-up Tales of Grimm (Distorted Humor). Short of room approaching the downhill run, the 11-10 favourite was switched and delivered a sustained effort to overhaul Bullet Force (Ire) (Cable Bay {Ire}) inside the last half a furlong en route to a cosy length success. "He has got a nice progressive profile and is maturing," trainer Charlie Appleby said. "He was a bit feminine and narrow during the winter, so he has done well. We were confident coming into today on the back of leading Coroebus [during his racecourse gallop at the Craven Meeting]. Moving smoothly to the lead with 1 1/2 furlongs remaining, the 13-2 shot drew away to score by 2 1/4 lengths from Harry Three (GB) (Adaay {Ire}). SWING FOR ME (GB) (c, 2, Wootton Bassett {GB}--Sing For Me {Fr}, by Siyouni {Fr}), was well away to track the leaders along the rail in third through halfway in this newcomers' test. Nudged along soon after turning for home, the 29-10 second choice was angled outside for his bid approaching the furlong marker and kept on well under whipless coaxing to deny Romeo (Fr) (Gutaifan {Ire}) by a length nearing the line. Swing For me is the lone foal out of a winning full-sister to MSW G3 Prix Edmond Blanc second Nice To See You (Fr) (**Siyouni {Fr}**). GARDEN PARK (FR) (f, 2, Herald The Dawn {Ire}--Park Acclaim {Ire}, by Clodovil {Ire}) was quickly into stride for an early lead in this unveiling. Holding sway throughout, the 29-5 chance was nudged along with 350 metres remaining and pushed out inside the final furlong to comfortably hold Fraiche (Fr) (Attendu {Fr}) by 1 1/2 lengths and become the first winner for her sire (by New Approach {Ire}). Garden Park is the latest of 10 foals and fourth scorer produced by an unraced half to GSW G1 Falmouth S. and G1 Sun Chariot S. third Rainfall (Ire) (**Oasis Dream {GB}**), herself the dam of Listed Jebel Ali Sprint winner Shillong (GB) (Dubawi {Ire}). DEEP IMPACT FILLY TAKES TOP PRIZE

Glint Of Hope | *Bronwen Healy*

by *Richard Edmunds*

A brilliant, rail-hugging ride by Daniel Moor paved the way for **Glint Of Hope (Jpn)** (Deep Impact {Jpn}) to play a starring role in Saturday's G1 Grand Syndicates Australasian Oaks at Morphettville.

The Victorian filly arrived in Adelaide as a winner and six-time placegetter from an eight-start career, performing with admirable consistency right up to a second placing in the G3 Ethereal S. in the spring. Her only time further back than third was a seventh, 4.3l from the winner, in the G1 VRC Oaks.

That consistency may have been overshadowed by more impressive winning form in the lead-up to Saturday's fillies' feature, and Glint Of Hope started at double-figure odds in a field dominated by the high-flying favourite **My Whisper (Frankel {GB})**.

But after following My Whisper everywhere she went through the majority of the 2000-metre feature, Moor stuck to the inside at the home turn and scythed through along the fence, quickly moving up alongside **Barb Raider** (Rebel Raider) and My Whisper as they lodged their bids. That trio fought an enthralling battle to the line, which Glint Of Hope won by 0.2l.

Pedigree Notes

Bred by Raffles Dancers and purchased by Asrun Japan for \$250,000 at the 2020 Inglis Easter Yearling Sale, she is the 185th stakes winner for her late sire--and his fifth on Australian soil. Her dam is the unplaced Sacred Sight (GB) (Fastnet Rock), daughter of the German Group 3 winner Give Me Five (Ger) (Monsun {Ger}) who also produced the G1 Royal Ascot Gold Cup winner Colour Vision (Fr) (Rainbow Quest {USA}). Hailing from a classly German family, Glint Of Hope is the sixth Group 1 winner bred on a Deep Impact (Jpn) (Sunday Silence {USA})/Danehill (USA) (Danzig {USA}) cross, one which provides for duplications of the outstanding mares Natalma (USA) (Native Dancer {USA}) and Almahmoud (USA) (Mahmoud {Fr})--Halo (USA) (Hail To Reason {USA}), Northern Dancer (Can) (Nearctic {Can}) and Danehill all hailing from this prolific family.
