CAMELOT’S SAMMARCO POUNCES FOR MUNICH TRIUMPH

by Sean Cronin

The elders smothered last week’s G1 King George VI & Queen Elizabeth S. at Ascot, dominating once more in this week’s G1 Sussex S. at Goodwood, but the Class of 2019 landed a telling counterpunch as Gestut Park Wiedingen’s homebred G1 Deutsches Derby hero Sammarco (Ger) (Camelot {GB}--Saloon Sold {Ger} {SP-Ger}, by Soldier Hollow {GB}) annexed the latest elite-level clash of the generations, doing so with aplomb, in Sunday’s 10-furlong G1 Grosser Dallmayr-Preis - Bayerisches Zuchtrennen at Munich.

Sammarco, who saluted in his Oct. 31 debut at Halle, suffered his only reversal when second over this course and distance in the May 1 G3 Bavarian Classic on seasonal return and bounced back in style to snatch Cologne’s June 6 G2 Union-Rennen before basking in Classic glory on the first Sunday of this month.

The 16-5 second favourite was well away to occupy second passing the judge first time and settled into a smooth rhythm against the fence when slipping one spot along the backstraight. Bustled along to close soon after turning for home, he angled into a clear passageway for the final quarter mile and kept on relentlessly under continued rousting to deny Amazing Grace (Ger) (Protectionist {Ger}) by 3/4-of-a-length in the dying strides. REYNIER HAS BRITISH GROUP RACES IN MIND FOR WOOTTON CITY By Brian Sheerin

French trainer Jerome Reynier is not afraid to travel his horses and is eyeing an audacious tilt at some of the top 2-year-old prizes for fillies in Britain with the progressive Wootton City (Fr) (Wootton Bassett {GB}). But first, Wootton City will line out in the G3 Prix de Cabourg at Deauville on Tuesday before Reynier can allow himself to dream about races like the G2 Lowther S. at York and the G1 Cheveley Park S. at Newmarket, both of which have been pencilled into the filly’s diary.

“Wootton City has done well for us and the plan is to run in the Prix de Cabourg on Tuesday before going for the Lowther S. at York. If she is good enough, she is aiming for the G1 Cheveley Park S. and the Lowther would be a good prep for that,” Reynier said. Cont. p4

Sammarco wins in Munich, cont. from p1

The Aga Khan’s international globetrotter Ebaiyra (Distorted Humor) held every chance in the straight, but was unable to reach the leaders at the business end and ran on to finish a half-length adrift in third as the 13-10 favourite.

“Sammarco is truly a great horse and we will now take our time to decide where to go from here,” commented Peter Schiergen in the aftermath of securing a fifth renewal and hot on hooves of the trainer snapping Friday’s G3 Thoroughbred S. at Goodwood with Rocchigiani (GB) (Time Test (GB)). “He will definitely run over longer trips again in the future and I was pretty certain he could also do the job over 10 furlongs. With regard to his future career as a stallion, it is so important for him to have won over different distances and he’s achieved that now.”

“It was a big task and test for Sammarco, having to run against his elders from at home and abroad at the highest level, and just four weeks after winning the [G1 Deutsches] Derby,” insisted his owner-breeder Helmut von Finck after Sammarco emulated his dam’s performance (by In The Wings {GB}), who garnered this event for Schiergen in 2005 and 2007. “He is a dream of a horse and such a genuine fighter. To win this race for a third time is an overwhelming feeling.”

Pedigree Notes:

Sammarco, one of 10 Group 1 winners for his sire (by Montjeu {Ire}), is the first of three foals produced by Listed Winterkonigin-Trial placegetter Saloon Sold (Ger) (Soldier Hollow {GB}), herself a granddaughter of Listed Baden-Baden Cup victrix Salonblue (Ire) (Bluebird). The latter’s progeny list includes Listed Melbourne Cup Day Plate victor Salon Soldier (Ger) (Soldier Hollow (GB)), Group-placed Listed Junioren-Preis victrix Salonlove (Ger) (Lawman {Fr}) and Listed Premio Tadolina winner Monblue (GB) (Monsun {Ger}). She is also the second dam of Listed Preis der Baden-Badener Hotellerie & Gastronomie winner Serena (Ger) (Soldier Hollow (GB)).

Saloon Sold has the hitherto unraced 2-year-old filly Salon Starlet (Ger) (Saxon Warrior (Jpn)) and a yearling colt by Areion (Ger) to come.

Reynier cont. from p1

Reynier added, “We will keep options open with her but she will have to run well against the colts on Tuesday and then we will see how she is. I think she could be even better with a cut in the ground so hopefully, she gets that at York in a few weeks’ time.”

Reynier is one of the leading trainers in France, which is all the more meritorious considering he trains away from the major training centres in Marseille. He has sent out 65 winners this season and, as well as being on course to record his greatest tally of winners, he is set to eclipse his previous best prize-money haul.
Prize-money in France is far more lucrative than in Britain and Ireland, where some trainers have voiced concerns over the exodus of equine talent and the paltry pots that horses are running for. Mark Johnston, one of the most successful trainers in Britain and the dual Classic-winning handler Ger Lyons, told TDN Europe recently about their growing concerns for British and Irish racing. However, Reynier says that the excellent prize-money in France means owners have a realistic chance of making the game pay, meaning they don't need to be as trigger-happy about cashing in on their horses compared to Britain and Ireland. He explained, “Horses are able to make money in France through the prize-money that they earn, which is probably the only place in Europe where this can happen. Obviously, many people have different views but say someone like Mr Seroul [Reynier’s biggest supporter], he has no interest in selling his best horses because he does not need the money and he’s having a lot of fun with them. There have been big offers for Wootton City but he has turned them down because he really wants to keep her as a broodmare for the future. "Someone like him is not interested at all in private deals but obviously, for others, when the money is offered, it may make sense for them to cash in and reinvest the money elsewhere. "That's part of the game and we have to be open to offers. We're in the process of selling one horse to Japan right now, another to Australia and we are trying to sell another to America as well so you need to keep the ball rolling and keep every owner happy. We are really open-minded.”

He added, “The way our horses are campaigned, it's not like England or Ireland—we are not trying to win first time. We are not as offensive in the morning and, speaking for myself, we use races to build them up and like our horses to progress with every run.

“We like building up our athletes the right way but, if you are a commercially-minded trainer who wants to sell them on, you are going to start doing some races in the morning to make sure you pick the best one to run on the track and you will want to be winning first time out to sell them on. It’s a short-term perspective.

“When you don’t have the prize-money and the opposition is so high you don’t have the luxury of waiting too long as you do in France. Yes, France is a really competitive place, but you can place a horse really well over here and pick up enough prize-money so that the horses are paying for themselves.”

There are countless examples of that, even at the lower levels. Reynier, a graduate of the esteemed Darley Flying Start course, has experienced racing all over the world but described the prize-money at the middle to lower tiers in France and the incentives involved for owners in his home country as being unique.

“Look at a horse like Happy Harry (Fr) (Zarak {Fr}),” he explained. “We claimed him back in January and he has had 11 starts for us since then. He has won once and placed in all of his other starts and has amassed over €70,000. He is rated just 33, which is the equivalent of about 70 in Britain or Ireland, so it’s huge money earned in handicap and maiden races for a horse of that level and in the space of just six months.

It really shows that, if a horse is well-managed, you can earn a lot of money in France.”

He added, “Not only that, but every horse gets €3,000 per year towards their travel expenses and, if you aren’t placed, you don’t have to pay any travel expenses towards your trip. I had three runners at Le Touquet, which is probably the furthest track from my base in Marseille, on Friday and because I was unlucky and none of them placed, the owners did not have to pay anything towards their travel.”

Skalleti (Fr) (Kendargent {Fr}), owned by Jean-Claude Seroul, has been Reynier’s main flag-bearer since he set up as a trainer. He became the trainer’s first Group 1 winner when landing the Prix d’Ispahan at ParisLongchamp before adding another top-level triumph to his CV at Munich last season.

While Skalleti hit a minor bump in the road after he picked up a minor injury in the G1 Prix Ganay, the 7-year-old is reported to be on course to return in the autumn.

Speaking about Skalleti and the rest of his stable stars, the trainer said, "Skalleti has achieved a lot for us but he is a 7-year-old now and his best performances are probably behind him.

“He had a little setback after the Prix Ganay but we should see him in the autumn on soft ground."
Reynier added, “We have been very lucky to come across a horse like Facteur Cheval (Ire) (Ribchester {Ire}) while Skalleti was out. He is unbeaten in all four of his starts and won his listed race at Chantilly earlier this month. He will go for a group race at Deauville on August 20 so, if he can be competitive in that, it would be amazing.

“We also have Marianachic (Ire) (Authorized {Ire}) who has won his last five starts. He’s won two stakes races this year and we'll be aiming him at another.”

WINNING SPIRIT (GER) (c, 2, Soldier Hollow {GB})–Wamika (Ger), by Shirrocco (Ger), who posted a July 1 debut second tackling six furlongs at Hamburg in his only prior start, was the swiftest of five into stride and led from flagfall here. Holding sway throughout, the 4-5 favourite quickened off the home turn for a decisive buffer passing the quarter-mile marker and was ridden out inside the final 300 metres to hold the late threat of Bint Al Karama (GB) (Holy Roman Emperor {Ire}) by an ultimately snug 3/4-of-a-length. Winning Spirit is the fourth foal and scorer produced by a multiple-winning half to multiple group-winning G1 Grosser Dallmayr-Preis runner-up Wai Key Star (Ger) (Soldier Hollow {GB}) and G3 Bavarian Classic second Weriedreamsare (GB) (Monsun {Ger}), themselves out of a half-sister to G1 Premio Vittorio di Capua-winning sire Waky Nao (GB) (Alzao). FOR EPICENTER, THE MORE THINGS STAY THE SAME...

The Week in Review by T. D. Thornton

To twist an old saying so it best describes rock-steady GII Jim Dandy S. winner Epicenter (Not This Time), “The more things stay the same, the more they change.”

This is annually the time of the season when we start hearing from trainers of Triple Crown contenders how markedly their sophomores have improved and matured over the past couple of months. So it was a bit of a surprise when Steve Asmussen told DRF.com last week that he hasn’t seen much change in the colt who ran second as the beaten favorite in both the GI Kentucky Derby and GI Preakness S. 

“What difference do I see? Nothing, which is perfect,” Asmussen said, noting Epicenter’s ultra-consistency in training, which has now powered a 5-3-0 record from nine lifetime starts.

“His numbers were faster than any 3-year-old I had going into the Derby, so incremental improvement will be harder to sustain because of how fast he was going early.”

We can bemoan the short-field graded stakes that have been served up at Saratoga so far this meet, but the Dandy’s four-horse offering was as intriguing as it gets for handicapping races in which you can count the number of entrants on one hand.

GUNITE GAME IN AMSTERDAM VICTORY

While all eyes were on returning champion Corniche (Quality Road) who ultimately faded to last, Gunite (Gun Runner) completed a big weekend at Saratoga for Winchell Thoroughbreds and trainer Steve Asmussen with a gritty victory in the GII Amsterdam S. in upstate New York Sunday. Sent off at 7-1, last year’s GI Hopeful S. winner battled Pinehurst (Twirling Candy) through fractions of :21.78 and :44.60, while Corniche sat in stalking position behind the dueling leaders. As the champ backed up on the turn, Gunite strode to the lead into the lane before bravely holding off Accretive (Practical Joke) to win by a neck while completing the 6 1/2 furlongs in 1:15.75.

“It’s just nice to come back to where he won his Grade I last year and have another win in a Grade II,” said owner Ron Winchell. “He was training great. He was training like he wanted to go on from his 2-year-old year and do exactly what he did. Sometimes, you never know if they move on and continue to win graded stakes, but he got it done today.” Cont. p6

SHAHAMA DOMINATES MONMOUTH OAKS

Shahama (Munnings), winner of the G3 UAE Oaks earlier this year, earned her first stateside victory in the GIII Monmouth Oaks Sunday on the Jersey Shore.
The Week in Review (cont. from p1)

Epicenter and Zandon (Upstart) were both kicking for home strongly and each had a blanket of roses within their grasp before they got blindsided by impossible longshot Rich Strike (Keen Ice) in the Derby, finishing two-three across the wire. While Zandon got rested to await Saratoga, Epicenter marched on to Baltimore, where he chased home the fresh, speed-centric Early Voting (Gun Runner) in the Preakness. Now 2 1/2 months later, those three lined up to headline the Dandy, with wild-card underdog Tawny Port (Pioneerof the Nile) making it a foursome after his Kentucky Derby seventh (beaten only 4 3/4 lengths at 80-1) and a favored win in the GIII Ohio Derby.

Early Voting loomed on paper as the obvious pacemaker, but the issue of who might force the issue was up for grabs. Zandon generally takes a while to unwind and Tawny Port has off-the-pace tendencies. Epicenter, who primarily relied on applying up-tempo pace pressure through his first six races, had switched to coming from farther back in both the Derby and the Preakness. But it was unclear if making one sustained run was really his preferred running style.

Epicenter got bet down to 6-5, again bearing the burden of favoritism he couldn't carry to victory in the first two legs of the Triple Crown. He came away last at the break under Joel Rosario, and briefly ran up into a tight spot on the heels of Tawny Port, who had crossed over and claimed the rail in third. Early Voting assumed command with ease, and his uncoupled stablemate, Zandon, seemed a touch out of his element in having to adopt the stalker’s role by default—he’d only been 1 1/2 lengths off the lead down the backstretch once in five career races.

Early Voting cranked out opening quarters in :24.22 and :24.06, and the cadence seemed sustainable. Zandon and Tawny Port maintained their positions right behind the leader, while Epicenter, still last, was into the bit and edging up incrementally. Jose Ortiz looked over his left shoulder a half mile from home and again over his right shoulder a furlong later, perhaps wondering why the favorite wasn’t closer on both occasions. He began riding with greater urgency five-sixteenths from the finish, which is when Rosario, barely nudging his mount for guidance, swooped out to the five path, giving up ground in exchange for unimpeded passage while the front three converged under full-out drives down near the inside in upper stretch.

The quartet lined up four across the track at the eighth pole after third and fourth quarters in :23.98 and :24.29. But Epicenter clearly had superior momentum, and he came over the top with only a brisk hand ride for encouragement through a final eighth in :12.44 before being wrapped up under the wire to win by 1 1/2 lengths in 1:48.99 for nine furlongs.
That translates to a 102 Beyer Speed Figure. Underscoring Epicenter’s reliability, that’s the third time he’s replicated that exact same number in his last four stats.

Surely those stakes would have been considered Grade I equivalents back in the day.

Speaking of obscure records...
Quick: Can you name the only horse to earn over a million dollars while starting 29 times and never once going off as the favorite?
That would be Long Range Toddy (Take Charge Indy), who brought up the rear behind Jackie’s Warrior in the public workout known as the Vanderbilt H.

I don’t know if that’s really a record. But it’s a safe enough guess I’d bet a beer on it (corrections welcomed from actual database researchers).

The other oddball item within Long Range Toddy’s past performance block is that despite a lifetime bankroll of $1,107,572, he hasn't won a race in more than three years, since before his notorious brush with fate coming off the far turn of the 2019 Kentucky Derby.

That was the Derby in which first-across-the-wire Maximum Security shifted outward while on the lead just prior to the five-sixteenths pole. Long Range Toddy was already spent from pressing the pace, but he had to check sharply as the result of chain-reaction crowding.

Long Range Toddy crossed the wire 17th but was elevated one position when the stewards disqualified Max for fouling him after an agonizingly long 22-minute review in front of a global audience.

It's debatable whether the incident was a true momentum-stopper for Long Range Toddy (next-out Preakness winner War of Will actually took the worst of it). But as far as history is concerned--the DQ was even litigated in federal court by Max's owners but the result stood--Long Range Toddy was judged the aggrieved party.

He’s been an asterisk to infamy ever since. Still, there are worse ways to earn seven figures.

Since his score in the 2019 GII Rebel S., Long Range Toddy is 0-for-22, with a career mark of 4-4-4. The 6-year-old transitioned to sprinting after switching from Asmussen's barn to Dallas Stewart's for owner/breeder Willis Horton, and new owner Zenith Racing acquired him just prior to a 45-1 second in the GIII Commonwealth S. at Keeneland this past April.

In no-nonsense workmanlike fashion, Long Range Toddy continues to pick up black-type stakes checks and makes occasional forays into the graded ranks. A diet of six-figure allowance opportunities at Churchill and Oaklawn has also been good for his financial health.

Long Range Toddy isn't even the only remaining active participant out of what would come to be known as the first in a spate of “Dysfunctional Derbies” (we've since had a pandemic-necessitated September running, a drug DQ of the winner, and an 80-1 shocker by a colt who drew in off the also-eligible list).

In fact, four of the last five horses across the finish in that '19 Derby are still active. The other three are:
- Tax (Arch), who ran 14th in the Derby, and recently returned off a nearly 1 1/2-year layoff to win the $100,000 Battery Park S. at Delaware July 9.
- Roadster (Quality Road), 15th, who, like Long Range Toddy, has also not won a race since prior to the '19 Derby. The GI Santa Anita Derby victor is now training in the mid-Atlantic (scratched from a Colonial turf allowance July 19).
- Gray Magician (Graydar), 19th in the Derby, subsequently won the Ellis Park Derby and a Keeneland allowance that season, but has been winless since. He ran fourth in a $16,000 claimer at Del Mar on opening day.
Gunite, who captured his maiden at Churchill Downs last June, finished second in the Aug. 14 GII Saratoga Special before romping home by 5 3/4 lengths in the Sept. 6 GI Hopeful S. He went to the sidelines following a fifth-place effort in the Oct. 2 GI Champagne S., but showed he had improved with the time off when he returned to action with a runner-up effort in a Churchill optional claimer June 3. He prepped for this return to graded action with another gritty victory in the July 3 Maxfield S. in Louisville last time out.

“In his last race, he wasn’t away cleanly and it put him in a different position,” Asmussen said. “I thought that was a similar race to the horse we ran here last year, just handy and in a good spot, tenacious to the wire. Extremely good win and obviously we’re on to the [Aug. 27 GI] Allen Jerkens from here.”

Gunite holds off Accretive | Sarah Andrew

Pedigree Notes:
Gunite was one of three first-crop juveniles by Gun Runner to win graded stakes at Saratoga last summer and is one of the Three Chimneys sire’s five Grade I winners to date. The stallion was represented last weekend by GI Haskell S. winner Cyberknife and runner-up Taiba.

Rockemperor pushed his earnings over the $1-million mark
with a late-charging victory in the GII Bowling Green S. at
Saratoga Sunday. The bay colt was well held while racing near
the back of the field as stablemate L'Imperator set a moderate
pace. The favorite rolled up four wide at the top of the lane and
closed determinedly before holding the late-charging Arklow at
bay to the wire.

“The key to this horse is getting him on firm turf like today,”
said winning trainer Chad Brown. “He had a really good trip
today and I was really pleased with the way it worked out.
Flavien [Prat] did a great job. We had a plan and it pretty much
went exactly the way we thought for both horses. Manny
Franco, aboard L'Imperator] rode a great race and almost
pulled it off. We talked about using him a bit early and then
backing it up down the backside and he did it beautifully.”

Rockemperor hit the board in six graded events before
winning his first stateside appearance in a Belmont optional
claimer last June. He was runner-up in the 2021 GII Bowling
Green and won the Oct. 9 GI Joe Hirsch Turf Classic two starts
later before concluding the campaign with off-the-board finishes
in the Nov. 6 GI Breeders' Cup Turf and GII Hollywood Turf Cup.
Rockemperor began 2022 with fifth-place finishes in the May 7 GII Fort March S. and June 11 GI Manhattan S.

Looking ahead for his 6-year-old charge, Brown said, “He's getting up there in age, but he's starting to round back into form. I think the key is getting into the fall and getting the firmer ground is going to be a little more challenging. We'll keep every option open and see where he takes us. It was a really memorable win. A lot of the partners were here today and that's really what Saratoga is all about—a day with good weather and a lot of the partners are here. It made for a great memory. A lot of pictures will be ordered on this one.”

**Pedigree Notes:**
Rockemperor has a yearling half-brother by Wootton Bassett (GB). His dam, Motivation, sold while carrying that colt for €160,000 at the 2019 Arqana December sale.

Rockemperor’s third dam, Nijinsky’s Best, produced multiple Grade I winner Yagli (Jade Hunter).

**MASTER PIECE UPSET THE EDDIE READ**

Master Piece (Chi) (r, 6, Mastercraftsman {Ire}--Torre Laguna {Chi}, by Proud Citizen) caused a 16-1 upset in the GII Eddie Read S. at Del Mar Sunday night. The Chilean-bred settled well back in a strung-out field behind fractions of :23.24 and :46.28. He began picking off foes while rallying along the rail as the three-quarters went up in 1:10.04 and tipped out three wide at the top of the lane before bounding away to score by four lengths, completing the 1 1/8 miles over the firm turf in 1:46.25. The gray then survived a trainer’s claim of foul for interference at the start. Hong Kong Harry (Ire) (Es Que Love {Ire}) was second and Cathkin Peak (Ire) (Alhebayet {Ire}) was third.

“I didn’t think a whole lot happened at the start,” said winning rider Abel Cedillo. “I just brushed the horse alongside me. My trip was really good; he was running all the way. At the three-eighth pole, I got lucky. I had to go between two horses and it was there for me. Then he was really running late.”

A group winner in his native Chile, Master Piece was second in last year’s GII Del Mar H. and was fourth over the all-weather at Golden Gate in the May 30 All American S.--his lone start not on turf.

“He’s very good fresh; he’s a happy horse down here,” said winning trainer Michael McCarthy. “I was surprised at the move he put in; I knew he’d run well. That was pretty impressive.”

Of the objection, McCarthy admitted, “I was a little concerned but it was one horse and it’s not like he rocked half the field.”

*The chart for the Eddie Read was not available Sunday night, but will be run in Tuesday’s TDN.*

Shahama stalked pacesetting favorite Juji’s Map before exploding to the lead off the turn and sailing clear to her first U.S. victory in the GIII Monmouth Oaks Sunday on the Jersey Shore. Sent off at 8-5, the bay shadowed Juji’s Map, the 4-5 favorite, through fractions of :24.67 and :48.71. Nudged at into the far turn, Shahama surged to the lead after three-quarters in 1:11.88 and bound away to an easy win.

“"We thought Brad Cox’s horse [Juji’s Map] would be on the lead and we would be sitting second and that’s just how it played out," said Anthony Sciametta, assistant to winning trainer Todd Pletcher. “She’s been training in New York and shipped down for this Saturday afternoon and did well and was well behaved. I know everyone who is around her likes her. She has a lot of class, as you can tell. I thought it was a two-horse race. You don’t like to say that, but we thought it was between Juji’s Map and us. Shahama was really good today.”

Winning jockey Jorge Vargas agreed the two favorites were the obvious class of the field.

“No disrespect to the others, but Shahama and Juji’s Map were the classiest horses going in,” Vargas said. “I put my horse right on Juji’s Map early. I was traveling good the whole time and I kept her just outside because Todd told me she doesn’t like kickback from the dirt—she has a pretty face, she doesn’t want to get that dirty. At the half-mile pole I picked it up with her. Paco Lopez tried to do the same, but didn’t have as much horse as I did. By the three-eighths pole I was in front and it was over.”

Shahama had a productive winter in Dubai, where she won the UAE 1000 Guineas Trial and UAE 1000 Guineas in January and earned a spot in the GI Kentucky Oaks field with a win in the G3 UAE Oaks Feb. 18 for trainer Fawzi Nass. Transferred stateside to Pletcher’s barn, she suffered her first loss when sixth in the Oaks and was coming off a runner-up effort in the June 25 GII Mother Goose S.

PRANK IS NO JOKE; BUZZED-ABOUT FILLY ROMPS AT SPA

StarLadies Racing, LNJ Foxwoods and Gainesway Stable's Prank (Into Mischief--Callingmissbrown, by Pulpit), a $500,000 half-sister to stablemate and recent GI Belmont S. winner Mo Donegal (Uncle Mo), GISW, $1,511,800, flashed serious speed and ability Sunday to justify 1-2 backing and be named an obvious 'TDN Rising Star'.

Emerging from the pack to seize early command, the Todd Pletcher pupil doled out a swift opening split of :21.91 before leaving High Class (Into Mischief) in the dust through a :45.11 half. From there it was only a question of how far, as Prank hit another gear when given a few reminders by Irad Ortiz, Jr. and scampered away by 9 3/4 lengths in 1:03.94. St. Benedicts Prep (Flatter) was best of the rest.

Pletcher unveiled another 'Rising Star' last Sunday in Into Mischief's granddaughter Kaling (Practical Joke), and Into Mischief was represented by another 'Rising Star' Saturday in the form of Bob Baffert-trained Newgate. The Spendthrift Farm stalwart has now sired 33 runners who earned the publication's nod.

Prank is a granddaughter of GISW and GI Kentucky Oaks runner-up Island Sand (Tabasco Cat), whose progeny include 2017 GI Spinaway S. runner-up Maya Malibu (Malibu Moon). Her dam was a debut winner at four. Callingmissbrown was barren to Catholic Boy for 2021 and lost her Curlin Foal for 2022. She was bred back to Uncle Mo this season.

RYAN, DE PAZ UNVEIL 'STAR' AT THE SPA

Mike Ryan's Be Your Best (Ire) (Muhaarar (GB)--Kamakura, by Medaglia d'Oro) came out swinging Sunday at Saratoga to garner the 'TDN Rising Star' moniker. Let go at 8-1 among a competitive-looking group of juvenile fillies, the Horacio De Paz trainee sat off the pace early and was hung a bit wide around the first bend. She traveled well down the backside, and caught the eye when making a three-wide move around the home bend into a six-furlong split of 1:14.29.

Tyler's Tribe remains undefeated winning his second consecutive Stakes race by 12 1/2 lengths!

Tyler’s Tribe wins the Iowa Stallion Futurity by daylight.

The second Stakes Winner on Saturday for Sharp Azteca, Tyler’s Tribe has won his three career starts by a combined 37 3/4 lengths. How’d you like to have a horse like that?

Sharp Azteca is the leading Freshman Sire of Winners with 13.
2nd-Saratoga, $105,000, Msw, 7-31, 2yo, f, 1 1/16mT, 1:43.97, fm, 3 1/4 lengths.

   2nd Dam: Kotuku (GB), by A.P. Indy
   3rd Dam: Flagbird, by Nureyev

O-Michael J. Ryan; B-St. Croix Bloodstock (IRE); T-Horacio De Paz.

Still going strongly out in the enter of the course in upper stretch, she powered away with big strides in the stretch to widen her advantage to 3 1/4 lengths and stop the clock in 1:43.97. Longshot Callie’s Grit (Maclean’s Music) held off favored Chad Brown-trained firster Free Look (Tapit) for second.

The winner’s dam is an unraced full-sister to local dirt stakes winner and GSP Bay of Plenty as well as a half to GISP juvenile Fortify (Distorted Humor). Be Your Best’s third dam is the European highweight and U.S. MGISP Flagbird (Nureyev), who produced the dam of GISW Little Belle (A.P. Indy) (in turn the dam of Grade I-winning turfer Dickinson (Medaglia d’Oro)) and counted the likes of standouts Prospectors Delite, Runup the Colors and Top Account among her siblings. This is the super deep female family of Mineshaft, Tomisue’s Delight, Revolutionary, etc.

Despite her $725,000 Keeneland September price tag, C R K Stable’s Justique (Justify—Grazie Mille, by Bernardini) snuck a bit under the radar Sunday evening as Bob Baffert-trained Home Cooking (Honor Code) took virtually every dollar of tote support in a salty looking Del Mar maiden special weight. But there was no missing Justique in the stretch, as she inhaled her competition super impressively to become her freshman sire (by Scat Daddy)’s sixth individual winner and second ‘TDN Rising Star’.

Bidding to become the first debut winner for trainer John Shirreffs since June of 2019 (his second most recent was future GISW Hard Not to Love (Hard Spun)), the half-sister to fellow freshman sire Mo Town (Uncle Mo), GISW, $519,600, was very slowly away as 1-2 Home Cooking knocked heads with $600,000 2-year-old purchase Fourth Street (Street Sense) on the front end. Justique picked rivals off rapidly midway on the turn for home, but still had her work cut out for her as Kissed by Fire (Friesan Fire)—herself a $350,000 FTMMAY grad—ranged up and looked the most likely spoiler. But Justique really caught the eye as the top two passed the eight pole, and she bowled over the top of them under just a hand ride with a move that—dare we say—was a bit reminiscent the one made by Shirreffs’ Hall of Fame mare Zenyatta (Street Cry {Ire}) in her own unveiling. The winning margin was three lengths and the final time was 1:04.29. Kissed by Fire bested the big chalk for second.

Triple Crown winner Justify has already been represented by two graded/group-winning fillies in fellow ‘Rising Star’ and G2 Airlie Stud S. heroine Statuette and Gill Schuylerville S. winner Just Cindy. The Justify over Bernardini cross also produced last week’s five-length Ellis debut scorer Justa Warrior. Justique’s co-breder John Gunther bred Justify too.
Justique cont.

Mo Town, who has three winners thus far himself and stands alongside Justify at Coolmore, got the 'Rising Star' nod for a second-out romp on the stretch-out in 2016. He immediately added the GI Remsen S. and reached the highest level on the Del Mar lawn the following season when reinventing himself as a turf horse and annexing the GI Hollywood Derby.

Justique’s second dam Molto Vita (Carson City) was a GSW/MGISP sprinter who also produced SW/GSPs Jaguar Paw (Giant’s Causeway) and Venetian Mask (Pulpit). Third dam Princess Polonia (Danzig) was a graded winner as well.

Dam Grazie Mille produced a full-sister to Justique Mar. 29 and was bred back to 'Rising Star' factory Into Mischief for 2023.

City of Light, winner of both the GI Breeders’ Cup Dirt Mile at four and the GI Pegasus World Cup Invitational S. at five, stood alongside his sire at Lane’s End this year for $60,000 after seeing frenzied bidding for his first crop of yearlings last term. A City of Light colt topped Keeneland September at $1.7 million and 15 of his yearlings fetched $500,000 or more in 2021.

Also City of Light’s first-born foal, Roja Ligera is out of a half-sister to GSW Wishful Tomcat (Tactical Cat) and to the dam of MGSW Rated R Superstar (Kodiak Kowboy). The winner has a yearling half-sister by Mastery.

CITY OF LIGHT OFF THE BLOCKS WITH FIRST WINNER

Three Diamonds Farm and Joseph Besecker’s Roja Ligera (City of Light) stepped forward at second asking to take an off-the-turf Ellis Park dash Sunday and become the first winner for her freshman sire (by Quality Road). She had trailed all but one rival home following a poor break in a five-furlong event at Churchill Downs July 1, but the $75,000 OBSMAR purchase (:9 4/5) got away much sharper this time out, moving between horses to contend for the lead before giving way to Catcha Later Mo (Mo Town). Roja Ligera began to re-engage that rival around the far turn, drawing even with her at the quarter pole before drawing off from the three path. Collected Glory (Collected) gave chase along the rail from second and was gaining slowly, but ran out of time as Roja Ligera went on to win by 1 1/4 lengths.

Iowa Stallion Futurity cont.

After storming home to break his maiden by a colossal 16 3/4 lengths at first asking just over one month ago, Tyler’s Tribe became his freshman sire (by Freud)’s first stakes winner when he romped with a gate-to-wire 8 1/2-length victory in Praire Meadow’s Prairie Gold Juvenile S. July 9. In much the same fashion Saturday evening, and after another son of Sharp Azteca romped in Monmouth’s Tyro S. earlier in the day, the overwhelming favorite wasted no time in getting to the front from his inside gate. Ain’t So Bad (Formidable) stalked him from a length back in second, but was clearly no match as the eventual winner pulled away from the pack into the far turn and never gave the others a chance. What was an eight-length gap at the top of the lane became a 12 1/2-length winning margin under a quiet ride home from jockey Kylee Jordan. Impazible Woman has a yearling colt by Good Samaritan in the pipeline and was bred back to Enticed for the 2023 season. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

Yearlings offered at Fasig-Tipton and Keeneland.

LAUREL RIVER (c, 4, Into Mischief--Calm Water, by Empire Maker), off since his widening 11 1/2-length victory over track and trip some 11 months ago, was runner-up earlier that year in Santa Anita’s Gill Lazard Barrera S. in his second race without Lasix. Returning as the commanding 3-5 favorite, Laurel River fended off early pressure from his inside, inched ahead of that rival in the far turn, and drew off under mild pressure to score by 4 3/4 lengths. The $1.3-million KEESEP alumnus American Admiral (American Pharoah) closed in the lane to grab second. The regally-bred victor is out of a half to three graded stakes runners--the most accomplished being MGISW Emollient (Empire Maker)--as well as MGISP Hofburg (Tapit). The former went on to produce two group runners: French GSW Raclette (GB) (Frankel (GB)) and MGSP Peace Charter (GB) (War Front) in Ireland. This is the female family of MG1SW Coup De Genie, sister to Machiavellian, and European champion 3-year-old colt Bago (Fr). Lifetime Record: GSP, 6-3-1-0, $164,620. Given the 3-5 nod for her second try, Truancy broke awkwardly from the gate and had to contend with a pair of horses to her outside up the long backstretch run in this one-turn event. She dueled in a contested lead inside of Photon (Bayern) around the bend, dispatched of that rival with a furlong to run, and kicked clear to the line to graduate by 3 1/4 lengths. The 3-1 third choice Sunday, down from his 12-1 morning line odds, Castletack wasted no time in getting to the front, setting an easy tempo along the rail. With plenty left in reserve following a half in :48.83, he cruised home from the quarter pole on and only expanded his winning margin, crossing the line 3 1/4 lengths in front of 24-1 longshot Russells Hustle (Noble Mission (GB)). Second dam Holy Grace (Holy Bull) is responsible for both Canadian champion 3-year-old filly Holy Helena (Ghostzapper) and MGSP Holy Boss (Street Boss). In no rush from the gate, Jackstown still found himself in control of the pace from along the rail from the get-go. Massimo sat off his hip in second into upper stretch, but Jackstown was put under a left-handed ride and held on to his margin, kicking on strongly as the second into upper stretch, but Jackstown was put under a left-handed ride and only expanded his winning margin, crossing the line 3 1/4 lengths in front of 24-1 longshot Russells Hustle (Noble Mission (GB)). SOUTHLAWN (f, 2, Pioneerof the Nile—Mo d’Amour (SW & MGSP, $311,360), by Uncle Mo) debuted a slow-starting fifth as the favorite at Churchill Downs June 3 in a maiden sprint which produced 6 3/4-length Debutante S. victress Wonder Wheel (Into Mischief). Originally intended to go a mile on the grass here, she broke eagerly with added blinkers, took to the front through the far turn after turning away a challenge from Cotton Candy Annie (Sharp Azteca), and made her 8-5 odds look like a gift, cruising to a five-length advantage in the final furlong. A $290,000 KEESEP grad, Southlawn is out of a MGSP half-sister to MGSP Colonial Creed (Jimmy Creed). QUINCY CAFE (c, 2, Mendelssohn--Toni’s Hollyday {SP, $119,047}, by Harlan’s Holiday), third in a pair of maiden contests at this venue June 25 and July 9, the latter a sloppy six furlongs, graduated here via disqualification of the first-place runner Alottacents (Goldencents). Racing at the back of the field early as the pacers duked it out at the head of affairs, he eased off the fence and gained between rivals midway through the turn. Five wide and rallying, Quincy Cafe surged under left hand urging, took command in the final furlong, but was beaten on the jump to the wire by Alottacents. Following an objection by the pilot of third-place finisher General J R (Holy Boss), alleging interference on the backstretch, the stewards conquered and DQ’d Alottacents to third. NO WHITE FLAGS (c, 2, Union Rags--Tejana {GSP, $143,900}, by Curlin), given the 2-1 nod in his career debut, backed off the pace to be fourth in the early going. He saved ground through the turn before tipping outside to reel in leader Brave Magic (Good Magic) nearing the quarter pole. Clear to the outside late, No White Flags cruised under the wire for a four-length score. His dam’s second straight winner from as many to race, No White Flags has a yearling half-brother by City of Light and a weanling half-brother by Tapit. Tejana was bred back to Mendelssohn for 2023.
