‘HE’S A GUINEAS HORSE,’ –
CONNECTIONS PURRING
OVER AL RIFFA

By Brian Sheerin

Connections of Al Riffa (Fr) (Wootton Bassett {GB}), the brilliant G1 National S. winner, are confident that they have a Guineas horse on their hands and are predicting Joseph O'Brien's exciting colt to be even better next year.

Khalifa Bin Ahmed Alattiyah, a familiar face on Irish racecourses and on the sales circuit, was at the Curragh on Sunday to see Al Riffa, owned by his cousin Jassim Bin Ali Al Attiyah, tower over his rivals.

Not only did Al Riffa provide crack youngster Dylan Browne McMonagle with his first Group 1 success in the saddle, but he also handed his owner with a breakthrough victory at the highest level in Ireland from as many attempts, with Alattiyah labelling his cousin as "one lucky man."

Alattiyah, who along with his close friend Mohamed Al Mansour has run a number of horses with O'Brien under the Al Mamoura Partnership, revealed his family are now looking forward to a tilt at the G1 Prix Jean-Luc Lagardere or the G1 Dewhurst before dreaming of Classic glory for Al Riffa through the winter.

Alattiyah said, "We thought he was a horse that would do better as a 3-year-old when we bought him as a yearling. His class has allowed him to do what he has done." Cont. p3

CHAMPION S. TARGET FOR BAEEED AS ARC
BID RULED OUT

Baaeed (GB) (Sea The Stars {Ire}) will bow out in the G1 QIPCO Champion S. at Ascot rather than the G1 Qatar Prix de l'Arc de Triomphe, his trainer William Haggas has revealed.

Following a stunning display on his first start over 10 furlongs in the Juddmonte International at York, connections indicated that they might consider supplementing Baaeed for the 12-furlong French feature on Oct. 2.

However, following discussions between Haggas and the unbeaten star's owners Shadwell, it has been decided that Baaeed will sign off on his career closer to home next month.

Haggas said, "After much consultation with Sheikha Hissa and her team, we have decided that Baaeed's final start will be in the QIPCO Champion S. at Ascot on Oct. 15.

"He was very impressive in the Juddmonte International and it was only right that we explored every option. But I, in particular, was very keen to keep him at a mile and a quarter and therefore the Qipco Champion S. was the only logical solution." Cont. p4

IN TDN AMERICA TODAY

FIREWORKS CONTINUE AT KEENELAND

Strong demand continued during the first day of Book 2 at Keeneland September. Click or tap here to go straight to TDN America.
Noble Style (GB) (Kingman {GB}), who won the G2 Gimcrack S., suffered a bout of colic and will not start in the G1 Middle Park S.

There are 79 nominations for the €1-million first Goffs Million on Sept. 24.

Floral Splendour (GB) (Farhh {GB}) topped the Tattersalls Online September Sale at 36,000gns.
He added, "Physically, he's a really nice-looking horse and is quite unfurnished. He is only a frame of a horse and he will fill out a lot. To be honest, we haven't even seen the best of him yet."

He added, "When you see him in the flesh, there is no way you would think that this is a horse who can win a National S. as a 2-year-old, but he has an unbelievable amount of class. He has the option of the Prix Jean-Luc Lagardere and the Dewhurst as well. The decision will be left to Joseph."

"Al Riffa runs in the colours of my cousin Jassim Bin Ali Al Attiyah. I was with Joseph when he bought him as a yearling [for 150,000gns at Book 1 at Tattersalls] last year. Al Riffa is actually Jassim's first runner in Ireland—he is one lucky man!"

Fortune has certainly favoured the connections of Al Riffa but nobody could accuse Al Attiyah of not putting in the legwork along with O'Brien at the yearling sales.

While some owners prefer to take a more passive approach to securing talent, Al Attiyah attends most of the sales himself, and revealed that he plans on being active at the Orby Sale at Goffs later this month.

He said, "Joseph has helped me a lot. Niall Ryan has also been a huge help to me. He's played a big role in helping secure everything that we have. He's a great guy. Any time I need help, I give him a call so, between Niall and Joseph, these are the guys who have really helped me out and taught me the most."

"Horses are in our blood. We own Arabian horses back home in Qatar and those families have been nurtured by our great, great grandfathers. We can trace some of those families back 80 to 100 years in some cases. I have loved racing since I was young and followed Sea The Stars (Ire), Frankel (GB), Camelot (GB) and Australia (GB), so I have been exploring racing in Europe since I was 18 or 19 years old."

On striking up a relationship with O'Brien, he added, "My friend Mohamed Al Mansour introduced me to Joseph. He owns everything 50-50 with me in the Al Mamoura Partnership. Mohamed went to work for Coolmore to build up his knowledge of horses and racing and it was there where he met Aidan [O'Brien] and Joseph. The first sale we went to with Joseph was at Doncaster in 2016 and, from then, I was really happy as I knew he was the sort of guy who had the same goals as us. We bought two yearlings that day and had some luck with them. Our luck has continued right up to Al Riffa and now it looks like we have a nice horse."
Connections Purring Over Al Riffa Cont.

He added, "It is a nice story and we are really lucky that everyone at Owning Hill--Tara Armstrong, Mark Power, Brendan Powell and Faisal Hayat--have helped us. We will be at the Orby Sale. The plan is to try and buy some yearlings there."

Southern Lights (Ire) (Sea The Stars {Ire}), a Leopardstown maiden winner who ran in last year’s Derby and reached a rating of 104, and three-time scorer Hadman (Ire) (Starspangledbanner {Aus}), are some of the better horses that Alattiyah has been associated with.

As of yet, he hasn't run in his own silks with O'Brien, but says that could change in the near future, explaining that he plans to bolster his team in Ireland.

He said, "Most of the horses I have owned in Joseph’s have run in partnerships. I haven't run a horse in my own silks yet, but hopefully that will happen next month. I love going to the sales."

"We try our best to look for nice horses like Al Riffa. Finding one as good as him was our dream. I look for quality. I like the mile and middle-distance horses. First of all, we are looking at a good physical, and then we look for pedigree."

He added, "If you were to ask me what I dream of, it's to win the Derby. Be that as an owner or a breeder, that's what I want to do. Sometimes, when you're at the sales, you might see something that looks nice and is fast, and we don't mind buying those types either. But the main thing we look for is class."

"Joseph thinks Al Riffa is a Guineas horse. He will probably start off in the Guineas next year and, after that, our dream is to win the Derby. That would be the dream but, at the moment, Joseph thinks that if he has a good winter and doesn't get any setbacks, he has the class to be a Guineas horse, so that is exciting."

GIMCRACK HERO NOBLE STYLE TO MISS MIDDLE PARK DUE TO COLIC

Godolphin’s unbeaten G2 Gimcrack S. hero Noble Style (GB) (Kingman {GB}) will miss the G1 Juddmonte Middle Park S. at Newmarket on Sept. 24 after suffering from a bout of colic. Successful at Ascot in May and Newmarket two months later, Noble Style ran out an 1 1/4-length victor of the Gimcrack at York on Aug. 19.

"Unfortunately, Noble Style suffered from a bout of colic at the weekend and has subsequently missed an important piece of work," Godolphin tweeted on Wednesday morning.

"Therefore, he will not line up for the Middle Park S. on Sept. 24."

FARHH FILLY TOPS TATTERSALLS ONLINE SEPTEMBER SALE

Floral Splendour (GB) (Farhh (GB)), a winning 3-year-old filly out of Red Tulip (GB) (Kheleyf), brought a sale-topping 36,000gns from Castle Construction North East, Ltd. during the Tattersals Online September Sale on Wednesday. Lot 26 was consigned by Jamesfield Stables, while her second dam is the listed winner Red Carnation (Ire) (Polar Falcon). Floral Splendour’s dam is a half-sister to GII Knickerbocker S. hero Legendary (GB) (Exceed And Excel (Aus)). Under the third dam is the stakes-winning Red Fort (Ire) (Green Desert), who was placed in both the 2005 and 2006 editions of the GI Charles Whittingham Memorial H.

“I am really excited with the filly and I think the new trainer will be too,” said Colin Dormian, who bought Floral Splendour. “She will go to Iain Jardine. She will go straight there so Iain can have a look at her and she will spend the winter at Cliff Stud. I was looking for something that hadn’t been raced much that we could start off with next year. She has only had a couple of races and has won once and I thought that was good form for a filly. Hopefully we can build on that next year. She comes from a good trainer and they have decent horses. We are very much looking forward to racing her on.”

Lot 7, the placed National Hunt prospect Jipekaa Machin (Fr) (Saonois (Fr)) was knocked down to Donald McCain for 35,000gns. The 3-year-old gelding was consigned by Hugo Merienne’s Ecurie H. Merienne.

“We are very happy with the sale and wish his new connections every success with him,” said Merienne. “We have sold a couple of horses online this year and it is a great way to reach a wider audience. We wouldn’t have physically taken the horse to a sale in England at this point so selling through Tattersalls Online made a lot of sense.”

Rounding out the top three lots was an Elzaam (Ire) 5-year-old gelding, Wonder Elzaam (Ire) (lot 17). Offered by Alliance Bloodstock, the bay is rated 93 and has four wins to his name. He was purchased by Yousef Alturaif of Saudi Arabia.
At the close of trade, 18 lots changed hands for a gross of 175,800gns. The average was 9,767gns and the median was 4,500gns.

**THE QUEEN HONOURED AT TBA ANNUAL MEETING**

Thoroughbred Breeders’ Association Chairman Julian Richmond-Watson led a tribute to Her Majesty, the late Queen Elizabeth II, prior to the start of the TBA’s 105th Annual General Meeting at Sandown on Wednesday, Sept. 14. Richmond-Watson said of the long-time Patron of the TBA, “Her Majesty was the most ardent supporter of Thoroughbred breeding and racing, and we were most fortunate to have such a patron for such a long period of time.”

“Her knowledge and interest ensured the Royal Studs enjoyed considerable success throughout her lifetime, and this along with her outstanding contribution to the industry was acknowledged in 2014 with the presentation of the TBA’s Andrew Devonshire award.

“The breeder of numerous winners, including five Classic victories, The Queen continually looked to improve the breed and as an owner had the finest year numerically in 2021 in terms of winners on the track, where she was honoured with the TBA Silver Salver.

“On behalf of the entire thoroughbred breeding community we send our heartfelt condolences to the Royal Family at this difficult time. The nation has lost a most treasured monarch and our sport its most respected, admired and loyal Patron.”

There was also a two-minute silence observed, then a pared back AGM took place. After the minutes of the previous AGM were approved, there was a re-election of the auditors, a confirmation of membership fees for 2023 and the appointment of trustees. Jessica Westwood was appointed as a new TBA trustee, while Anita Wigan was appointed as a board member for a second term.

TBA Trustee Jessica Westwood said, “The TBA is very important to me, it supports my industry and my future, as well as that of my clients, and I hope that by joining the board of trustees I can help encourage the next generation of breeders.”

TBA Trustees also updated members on activities in key areas such as the Thoroughbred Industry Brexit Steering Group, equine health and welfare, education and training, and the Great British Bonus scheme.

Richmond-Watson added, “We are at a crossroads in British racing and breeding and unless we act now the gradual decline we are currently seeing will accelerate and we will lose our pre-eminent position in the racing world and with that the interest from the general public and overseas investors.”

For the TBA’s Annual Report and for more information on the AGM, please visit the TBA’s website.

Tried in the G3 Fred Darling S. having won her sole 2-year-old outing over a mile here in October, Shaara was ninth in Newbury’s seven-furlong Guineas trial Apr. 16 and was next seen winning a novice at Haydock back at a mile July 16. Up to this trip to score in a handicap at Nottingham Aug. 12, the homebred was supported here despite having to raise her game after proven group performers and they proved to be her biggest threat as she overcame inexperience to prevail in a tight finish. Always travelling comfortably near the pace, the bay stayed on to overhaul last year’s winner and G2 Dahlia S. runner-up Ville De Grace with just over half a furlong remaining and had her nose down where it counted as the G3 Prestige S. scorer Mise En Scene lunged late.

“She’s been very consistent and seems to be improving—the pedigree says this is her trip, but it looked there as is she might appreciate a bit further,” jockey Jim Crowley said, while John Gosden is hoping she will be around next year. “She hit the front and got a bit lonely. There’s a strong possibility she’ll stay in training, it would make sense as she’s not had a lot of racing.”

INTO MISCHIEF COLT TOPS ANOTHER BANNER DAY AT KEESEP

By Christie DeBernardis and Jessica Martini

A $1.4-million son of super sire Into Mischief (Hip 604) led a sextet of seven-figure sellers during the opening session of Book 2 of the Keeneland September Yearling Sale Wednesday. Consigned by Summerfield on behalf of Stonestreet Stables, the colt was purchased by Larry Best of OXO Equine.

With six horses eclipsing the million-dollar mark Wednesday, the sale total now comes to 28. During the equivalent session last year, just two yearlings brought seven figures, including the $1.7-million sale topper.

“It was a great session,” said Tony Lacy, Keeneland's Vice President of Sales. “When you are seeing six million-dollar plus horses in session three, getting us up to 28 for three days, you are bringing it back to 2006, 2007 levels, which is really encouraging. The average and median have ticked up again over last year. Overall, it was a really, solid competitive session. There was diversity in the buyers. It was great to see the money spread.”

Book 2 opened Wednesday with 219 head bringing $66,695,000 with an average of $304,543 and a median of $250,000. There were 77 horses that failed to meet their reserves. During the same session in 2021, 211 horses summoned $60,996,000 with an average of $289,081 and median of $230,000. There were 72 RNAs. Cont. p3

RACING IN MASSACHUSETTS MAY BE NEARING RETURN by Bill Finley

A group hoping to revitalize horse racing in Massachusetts is in the process of finalizing an application to the Massachusetts Racing Commission for a license to operate a track in the town of Hardwick. The project, which has been named Commonwealth Equine and Agricultural Center, is far enough along that there could be a limited amount of racing offered at the new track as soon as next year.

Hardwick is located in the central part of the state, about 75 miles west of Boston. The track will be located at the site of the Great Meadowbrook Farm, a 360-acre spread which began as a dairy farm and has been used as an equestrian training center.

“We have to apply for a license by Sept. 30,” said Lou Raffetto, the former vice president of racing at Suffolk Downs and an advisor to the Commonwealth Group. Cont. p16

Through the first three days of selling, 439 yearlings have grossed $180,355,000 with an average of $410,831 and median of $325,000. A total of 139 yearlings have been bought back. During the first three days in 2021, 419 youngsters grossed $151,618,000 with an average of $361,857 and median of $290,000. There were 180 horses led out of the ring unsold.

The top 20 yearlings were all purchased by domestic buyers. The powerhouse group led by SF/Starlight/Madaket bought three of the six seven-figure sellers. All three colts—one each by Gun Runner, Quality Road and Into Mischief—were purchased for $1.05 million.

“A lot of domestic buyers participated and we are very grateful to them,” said Cormac Breathnach, Keeneland’s Director of Sales. “The current purse structure in racing and their involvement in the sale just speaks volumes. We are very excited about it. We still have international buyers here on the grounds and they aren’t finding it as easy as expected to fill orders. The energy from Book 1 continued into Book 2 and we look forward to it continuing into the next nine sessions.”

Gainesway had a great day Wednesday, selling a pair of million-dollar homebreds in Hip 603, a $1.3-million Tapit filly, and Hip 740, the $1.05 million Into Mischief colt. Antony Beck’s operation was the session’s leading seller by gross receipts, with 27 yearlings bringing $9.78 million with an average of $362,222.

Best on Top for Into Mischief Colt

Larry Best found a colt by Into Mischief (hip 604) who checked all the proverbial boxes and the owner outlasted a phone bidder to take the yearling home for a session-topping $1.4 million at Keeneland Wednesday. Out of stakes winner and multiple Grade I-placed Dawn the Destroyer (Speightstown), the bay was consigned by Francis and Barbara Vanlangendonck's Summerfield on behalf of Barbara Banke's Stonestreet. After signing the ticket on the colt in the pavilion, Best rushed off to watch his Fortin Hill (Mucho Macho Man) win an optional claimer at Horseshoe Indianapolis.

“It's always good when the breeder, after you buy him, offers to partner with you on the horse,” Best said after speaking with Banke. “I love Into Mischief. I have all these filters that I use and rarely does a horse meet all the filters when it’s a colt. That's why you don't see me buying many colts. My filter is pretty stringent. Believe it or not, this one cleared them all. And I thought, ‘why am I not buying the horse when I bought all of these others Into Mischiefs and done well with most of them?’ So I waited until I saw him in the ring again and I said, ‘If I am going to roll the dice at a big number for a colt, I am going to stick with Into Mischief and this one looks as good as I've seen.”

Best said the odds were against him when he was looking ahead to hip 604 making it as a stallion.

“In racing, it is so hard to win one race,” Best said. “The likelihood of getting a horse that becomes a sire is remote, but this is my shot. I'll give it a shot because I love the bloodlines. He is magnificent. He looks like Into Mischief, he is just well-balanced and a beautiful horse. But I can't emphasize enough, when you are buying colts, the risk is very high. And you almost have to be willing to lose on colts. With fillies, if you buy good fillies, you can love those horses for 10 years plus.” Cont. p5
Best Buys Wednesday Topper cont.

Best's broodmare band is still in its early stages, but he has already enjoyed plenty of success as a seller.

“My first horse that I ever bought was Moi (Medaglia d'Oro),” Best recalled. “I paid $750,000 and I thought I was nuts. She didn’t do very well on the racetrack, but her third foal I sold for $570,000 as a weanling and Archie St. George’s just sold him for $1.05 million as hip 344 Tuesday at Keeneland. I think maybe I’m doing something right.”

Best concluded, “So, do I need luck on this one? I need a whole lot of luck, but he’s a beautiful horse.” @JessMartiniTDN

Stonestreet Yearlings Shine Wednesday

Barbara Banke’s Stonestreet helped Book 2 get off to a strong start when selling a colt by Curlin (hip 410) for $925,000 to Don and Donna Adam’s Courtlandt Farm and the operation came back later in the session to sell a colt by Into Mischief (hip 604) for a $1.4 million to Larry Best.

“We loved him,” Banke said of the Into Mischief session topper, who is the first foal out of the Stonestreet homebred and multiple Grade I-placed Dawn the Destroyer (Speightstown). “He’s a great colt out of a great race mare. He was definitely one that I would love to stay in on, but I know Larry doesn’t take partners. I may ask him anyway. He is a really good colt.”

Dawn the Destroyer, who finished second in the GI Ballerina S. and third in the GI Breeders’ Cup F/M Sprint in 2019, was bred to Curlin this year.

Hip 410 is out of Road to Victory (Quality Road), winner of the 2017 GII Golden Rod S. Stonestreet purchased the mare, in foal to War Front, for $1.45 million at the 2019 Fasig-Tipton November sale.

“I thought he would be very well received,” Banke said of the yearling. “He was a beautiful colt out of a good mare and by Curlin. He should be a very nice two-turn type horse.”

After a quiet Book 1, Stonestreet made its mark on the first session of Book 2, with seven yearlings sold for $3.8 million.

“We are just getting into the thick of it now,” Banke said Wednesday morning. “We sold four at Saratoga and we have six or seven to sell today and a lot more coming up.”

Through three sessions, Courtlandt Farm has purchased 11 yearlings for $8,235,000. The farm’s new yearlings include three seven-figure purchases: a filly by Into Mischief (hip 359) for $1.35 million; a colt by Into Mischief (hip 344); and a son of City of Light (hip 73) for $1 million. @JessMartiniTDN

Gun Runner Colt Draws a Crowd

A trio of high-profile owners teamed up to acquire a colt by Gun Runner (hip 694) for $1.15 million late in Wednesday’s third session of the Keeneland September sale. Bloodstock agent Justin Casse signed the ticket on the yearling on behalf of John Oxley, Coolmore’s M.V. Magnier, and Breeze Easy.

“Everybody loves Gun Runner these days,” Casse said of the Woods Edge Farm-consignee. “They all seem to have very good walks and tremendous movement. He has a very good topline. He was a class act on the end of the shank from day one. He comes from a good nursery—they raise a good horse.”

After watching the strength of the market this week at Keeneland, Casse admitted he was not surprised by the colt’s seven-figure price tag. Cont. p7

“If you had asked me three days ago, I probably would have said it wouldn’t go that high," Casse said. “I would have said maybe in the $600,000 range, but the way that things have headed, I have a hard time distinguishing what makes a horse like that bring over $1 million, other than the two right people are on him.”

The chestnut colt is out of multiple stakes winner and multiple graded placed Kathballu (Bluegrass Cat). He was consigned by Peter O’Callaghan’s Woods Edge Farm, which purchased him for $185,000 at last year’s Keeneland November sale.

“He was vetted nearly 20 times,” O'Callaghan said of the yearling’s popularity at the barn. “I would say all the big money was on him. It seemed like they all followed him up here. He was just a lovely, lovely colt, very much in the mold of his sire. He was very straightforward. He was a very nice colt when we bought him and did fabulous. Wonderful temperament. Very solid.”

O’Callaghan admitted he was a big fan of exciting young stallion Gun Runner.

“All these Gun Runners are easy to train,” he said. “They take the hardships. We’ve never had a stallion like this guy. We’ve had some great sires—Tapit, Into Mischief, Uncle Mo—but Gun Runner is a little bit extra. It’s incredible.”

The million-dollar transacation continued a big day for both Woods Edge’s pinhooks and homebreds.

On the pinhooking front, Woods Edge sold a filly by Flatter (hip 403) for $425,000. The filly had been purchased for $190,000 from the Pin Oak Stud dispersal held at Fasig-Tipton last September. Also Wednesday, Woods Edge sold a yearling full-sister to GISW Consumer Spending (More Than Ready) (hip 434) for $650,000 to Mike Ryan. The operation had purchased the filly for $240,000 at the Keeneland November sale last fall; and a

Twirling Candy colt (hip 739), acquired for $175,000 at Keeneland November, for $400,000 to M.V. Magnier.

Hip 621, a Twirling Candy filly bred by Woods Edge, sold for $925,000 to Rigney Racing, and hip 520, a homebred son of City of Light, sold for $400,000 to CRK Stable.

Woods Edge sold 11 horses Wednesday for $5,205,000.

“O’Callaghan said.

“You have to be good. It has to be the right sire and it has to vet. If you want to break out, you have to be squeaky clean.”

Pope Returns to the Well For Tapit Filly

Mandy Pope went to $1.3 million to secure MSW & GSP Danzatrice (Dunkirk)’s Tapit colt at this auction last year and she returned to the well Wednesday, buying his full-sister (Hip 603) for $1.1 million. Trainer Chad Brown, acting on behalf of client Peter Brant, was the underbidder.

“We bought the brother [Tapit Trice] last year,” Pope said. “We have him in training. Gainesway stayed in for a little part of him. He is with Todd Pletcher right now and we have high hopes for him. We are going to make a nice family here.”

As for the filly, the Whisper Hill Farm owner said, “I thought she had a nice hip, a nice heart girth and moved really well.”

Just imagine...

Darley
Danzatrice is a half-sister to champion juvenile filly Jaywalk (Cross Traffic). Gainesway bought the mare for $105,000 as a 2-year-old at the OBS April sale. Her first foal, a now gelding named General Strike (Union Rags), sold for $250,000 at this auction and Tapit Trice was her second foal.

“It was Antony [Beck]’s strategy” said Gainesway’s Brian Graves. “He had several Tapit fillies and he wanted to split them up a little bit. I really wouldn’t have been able to pick between them honestly. They both had things to like about them. I preferred this one a little bit and the price showed it at the end of the day, but they were pretty close.”

SF/Starlight/Madaket Strike Early

The powerhouse colt partnership led by SF Bloodstock, Starlight and Madaket Stables made their presence felt early in Wednesday’s Book 2 opener, going to $1,050 million for a colt by young sire standout Gun Runner (Hip 383). The bay was consigned by Pope McLean’s Crestwood Farm on behalf of breeder Ann Fostock.

“He is a beautiful horse raised by really wonderful people,” said SF’s Tom Ryan. “Gun Runner is a sensation. There is no other way to describe him. He has five Grade I winners from his first 120 runners. It is an amazing feat. Bob loved this horse. Donato loved this horse. John Moynihan is part of this horse. Everybody that saw him [liked him]. It was a consensus vote. We are happy to land him.”

Out of Perfect Flute (Pleasantly Perfect), Hip 383 hails from a deep Juddmonte family. His second dam is MGISW and Kentucky Oaks-winning millionaire Flute (Seattle Slew), who is the dam of MGSW & MGISP Filimbi (Mizzen Mast). This is also the female family of GISW Weep No More (Mineshaft) and GSW Current (Curlin). Cont. p9

#1 FOURTH CROP SIRE YTD

IMPROVES HIS MARES

With an AEI of 1.83 and a CI of 1.43 in 2022, Tonalist moves up his mares more than any other KY sire that was priced between $10,000 and $20,000 this year. In fact, only 12 sires in the country can boast a better AEI, and Tonalist stands for a fraction of their fees.
“He was a special horse,” said Crestwood’s Marc McLean. “He’s a horse we thought could break through and it happened. It was a nice surprise. He was bred by a client, he was foaled and raised at our farm. He has always been a standout. He has such good scope and size and that’s what made him special. We got lucky and got him in the right spot. We were pretty busy this morning; buyers kept coming back, which is a good thing. He was early in the session, which made us nervous, but I believe everybody had done their homework. Hopefully he was one of the standouts on the day, but you don’t know until you get here.”

The SF/Starlight/Madaket team sparked fireworks late in the session, securing a son of Into Mischief (Hip 740) for the same $1.05 million.

“We love Into Mischief. We’ve bought seven of them now [at KEESEP],” Ryan said. “How could you not love Into Mischief? He is out of a very good racemare and is by a very good sire. He is a horse Bob Baffert loved immediately, so we are happy to own him.”

Consigned and bred by Gainesway, Hip 740 is out of GSW & MGISP More Chocolate (Malibu Moon).

“This is where I thought the horse belonged,” said Gainesway’s Brian Graves. “The mare is getting a bit middle-aged. I am especially proud of that one. Antony [Beck] let me do that mating during the Covid times. We thought he was a really nice colt physically.”

In between those colts, the partnership once again paid $1.05 million for a Quality Road colt (Hip 574) who is a full-brother to the stakes-winning Stillwater Cove.

The SF/Starlight/Madaket team, guided by bloodstock agent Donato Lanni, have purchased a total of 14 yearling colts for a sale-best $9.88 million through the first three days of bidding. -- @CDeBernardisTDN
Million-Dollar Score for Hancock

Rowland Hancock, who has been breeding Thoroughbreds for over four decades, had his first seven-figure sale when Tom Ryan signed the ticket at $1.05 million on a colt by Quality Road (hip 574) on behalf of the SF/Starlight/Madaket partnership. The dark bay colt is out of Celibataire (Broken Vow), a full-sister to graded winner Interactif and dam of stakes winner Stillwater Cove (Quality Road). Hancock purchased the mare, in foal to Union Rags, for $180,000 at the 2018 Keeneland January sale.

“I had seen her yearling the year before and I fell in love with the yearling,” Hancock said of the mare's appeal. “Anybody that could produce something that beautiful, I wanted to own.”

Of his first million-dollar yearling, who was consigned by Crestwood Farm, Hancock said, “This colt was something. He is one of the most balanced, classy horses I've ever seen. I've bred some fairly good horses, but he was just special. You always read about these classy horses who want to walk and never get mad, keep their demeanor. He exemplified that. He loved to walk. He loved to get out.”

Celibataire’s first foal for Hancock was a $100,000 Keeneland September yearling in 2019. He retained the mare's Gun Runner filly, Cause Celebre, who ran at Kentucky Downs just after her half-brother lit up the board at Keeneland. Celibataire’s 2-year-old daughter of Justify sold for $215,000 at the 2020 Fasig-Tipton November sale. The mare was bred to Mendelssohn this year.

Hancock has eight mares in his broodmare band.

“I've been doing this for 47 years,” he said of his breeding operation. “This is the culmination of doing it for a long time.”

Hip 383 was the second seven-figure purchase of Wednesday's session for the SF/Starlight/Madaket partnership, which struck early in the day to acquire a Gun Runner colt, also consigned by the McLean family's Crestwood Farm, for $1.05 million. Cont.

“We love Quality Road, he’s a great, proven stallion,” Ryan said of the purchase. “It’s a very nice family. He’s a half to a stakes-winning filly. He’s a very straightforward colt.”

Of the colt’s final price tag, Ryan said, “The market is very strong, it’s carried through from Book 1 to Book 2 very nicely. But he’s a big, strong Quality Road colt who was well-raised and with a proper pedigree. It’s not that surprising.”

Enjoying the dual $1.05-million sales, Marc McLean said, “It’s been a great day; unbelievable really.”

He added of the Quality Road colt, “He was not a huge colt, but just a beautiful mover. We wouldn’t dream he would go that high. It was a good job by the sales team. Both of these were for clients and were raised and foaled at our farm. It is rewarding.”

Into Mischief Filly A Fitting Tribute to Late Dam

Stakes winner Steelin’ (Orientate) was very good to the team at Jeff and Chiquita Reddoch’s Stonehaven Steadings during her 14-year tenure with them, producing a champion in her very first foal Shanghai Bobby (Harlan’s Holiday). Sadly, the Reddoch family lost Steelin’ last year, but her final foal, a filly by Into Mischief (Hip 459), paid fitting tribute to her late dam Wednesday, bringing $900,000 from WinStar’s Maverick Racing and Siena Farm.

“We loved her physique,” said WinStar’s Elliott Walden. “She is a really strong filly. The pedigree works with Shanghai Bobby and another daughter has already had a graded stakes winner, both are by Harlan’s Holiday. She is something we can put in the broodmare band as well.”

The Reddochs’ daughter Leah O’Meara was first to congratulate Walden after he signed the ticket with her parents and husband Aidan O’Meara not far behind her.

“This is her last foal,” Leah O’Meara said. “We lost the mare before we weaned her. This was kind of her swan song. We didn’t really want to bring her to the sale, but we have every other filly out of the mare. We still have the family and have sold well out of the family. This was a beautiful result."

Stonehaven Steadings purchased Steelin’, who was coincidentally bred by WinStar, for $155,000 at the 2009 KEENOV sale. The resulting colt sold for just $105,000 at KEESEP, but became champion and sire Shanghai Bobby. They have not offered many of Steelin’s foals at auction, but her 2015 Tapit colt brought $500,000 from Winchell Thoroughbreds at this auction. The Reddochs sent Steelin’ through the ring in 2015 at the Fasig-Tipton November Sale in foal to Medaglia d’Oro, but RNA’d her for $1.775 million. Her daughter Miz Kella (Harlan’s Holiday) is the dam of MGISW Canoodling (Pioneerof the Nile).

Stonehaven Steadings has been having a strong Keeneland September Sale thus far, selling seven yearlings for $6.975 million with an average of $996,429, including the current sale topper, a $2.5-million colt by Quality Road (Hip 97). The nursery also produced recently retired champion and OBS April sale topper ‘TDN Rising Star’ Corniche (Quality Road).

“It’s been unbelievable,” O’Meara said. “This is the perfect storm. This is the best crop we have ever brought to a sale and to be this well received in a market so strong is just unreal. There are no words. I am thankful. Everyone will benefit. It will trickle down to everybody.” -- @CDeBernardisTDN

Coolmore & Breeze Easy Team Up on Gun Runner Colt

Coolmore’s M.V. Magnier teamed up with Mike Hall of Breeze Easy to acquire a son of the red-hot Gun Runner (Hip 640) for $825,000 Wednesday.

“Gun Runner is obviously doing very well as a stallion,” said Magnier. “Three Chimneys is a very good breeder and all the guys really liked the horse. Hopefully he is good.”

He added, “We are partnering with Breeze Easy. They are very nice people and we enjoy doing business with them.”

Consigned by Taylor Made Sales, Hip 640 was bred by the Torrealba family’s Three Chimneys Farm, which stands Gun Runner. The operation purchased the colt’s GSP dam Flatter Up (Flatter) for $300,000 at the 2018 Keeneland November Sale in foal to the late Arrogate. She hails from the family of MGISW and stallion Midnight Storm (Pioneerof the Nile).

Racing Returning to Massachusetts? cont from p1

Raffetto continued, “Quite honestly, as crazy as it sounds, I am hopeful we can race next year. The plan for next year would be to run two festival-style weekends in the fall, if we can pull everything together. This is very real.”

Suffolk Downs’ days were numbered when track owners lost out on their bid to get a casino license. Because it needed to hold some form of live racing in order to maintain a simulcasting license, the track held short meets every year from 2015 to 2019. But with plans to develop the property ready to come to fruition, racing was halted after the 2019 mini-meet.

There have since been a number of efforts to find a new location to open a new racetrack in the state, but all were met with what were insurmountable road blocks. A proposed racetrack to be built in the town of Sturbridge was shot down by that town’s voters. Plans to rebuild and re-open the Great Barrington Fair also couldn’t get off the ground.

According to Raffetto, the Hardwick proposal will not have to go before the town’s voters and that all that will be needed is a permit that can be issued by the town. “We’re very confident that is going to happen,” he said. “The principals and the architects had an excellent meeting with the planning board and the selectmen on Tuesday. What was really wonderful about it was that everybody was really supportive. In other towns in the past you’d go in there on the defensive. These people were asking the right questions and are very supportive of the program.”

The efforts to revitalize racing in Massachusetts got a much-needed shot in the arm when sports betting was legalized in the state earlier this year. Under the law, anyone holding a racing permit will be allowed to have a sports betting license. Commonwealth Equine, whose principals are former Suffolk owner Richard Fields and the husband-wife team of Armand and Robin Kalaidjian, do not plan to have on-site sports betting at the proposed track but can offer it online. The belief is that enough money can be made from sports betting to support a new racetrack.

Another factor working in Commonwealth’s favor is that there is an abundance of purse money sitting in abeyance waiting to be doled out. Even though it has been dormant for more than three years, the Thoroughbred industry in the state is still entitled to a share of the slot machine revenue generated at the Plainridge harness track. That pool has grown to about $22 million.

Raffetto estimated the purses will be about $750,000 a day and that maiden special weight races will for $75,000. With Kentucky Downs serving as a model, there will be turf racing only and it will be conducted over a track that will be one-mile in circumference with movable rails.

The tentative plan would be for the track to run four days in 2023, twice over the weekend of Sept. 9 and 10 and twice more over the weekend of Sept. 30-Oct. 1. The long-term goal will be to extend the meet, possibly to eight days a year, with a focus on fall dates. Raffetto said the plan is to build a small grandstand that can accommodate about 2,000 people and that an area on the apron will be cleared for additional fans.

“Our goal is to get 4,000, 5,000 people to come out and experience this,” Raffetto said. “I think that’s realistic. We’ll try to have some fun and give horsemen the opportunity to make some money. I think the horsemen will be very supportive of this.”

Plans for the facility extend beyond a race meet. “When it comes to the horse, there will be a little bit of everything, racing, breeding and retirement” Raffetto said. “There will be areas dedicated to horse retirement. We’re going to look into bringing in some mares and buying or leasing a stallion.”

With Suffolk’s demise, the breeding industry in the state has all but disappeared. According to The Jockey Club, only two mares were bred in Massachusetts in 2021.

Other plans include opening a high-end restaurant at the facility and well as a bed-and-breakfast.

Raffetto said a name for the new track has not yet been chosen.
DEL MAR CEO JOE HARPER TALKS BANNER SUMMER MEET ON WRITERS' ROOM

The Del Mar summer meet, always a hot attraction in Southern California, could not have gone much better this year. The stand set records for average daily handle and average field size, and crucially, recorded zero racing or training fatalities, the fourth stakes Del Mar meet with no racing breakdowns. Tuesday, Del Mar CEO Joe Harper joined the TDN Writers’ Room presented by Keeneland as the Green Group Guest of the Week to talk about how the track has become the gold standard for racehorse safety, what the future looks like for Del Mar, his childhood acting career and more.

“We spent $5 million putting in a new surface,” Harper said when asked what the keys have been to eliminating breakdowns. “It’s kind of like picking up a carpet and shaking it out and putting it back down again. We re-banked the turns, and I think the main thing was just keeping our eye on these horses in the morning as well as when [trainers] put in stall applications. I want to know where they’ve been, how long the layoffs have been, why there were layoffs, take a look at vet records, and then when they get here, we put a lot of eyes on them. We hired a number of veterinarians to watch morning workouts, and they’re really good. They know every horse on the grounds. They know the trainers. So if they see something a little off, they call the trainer and say they’re going to come by the barn and take a look at this horse. I think it took a while for the change of culture to sink in. There’s a little bit of, [when horsemen say] ‘I think we’ve got one more race left in this horse’, saying to them, ‘I think it’s time to retire them.’ It was great getting that change of culture and the horsemen to accept

FROM THE TIF: "UNSCRATCHED" HORSE SECOND AT MOUNTAINEER

by the Thoroughbred Idea Foundation

In an unusual incident on Tuesday, Sept. 6, a horse reported to betting outlets as a scratch for 40 minutes prior to the start of a pick four sequence at Mountaineer Park was later unscratched after betting was closed and allowed to race.

Remarkably, all pick four bets placed were paid to the actual results.

"There are some similarities to the Modern Games (Ire) incident from last year's Breeders' Cup," said TIF Executive Director Patrick Cummings, "and it proves that wagering rules are in desperate need of an update for the protection of customers."

Click here to read the rest of this piece from the Thoroughbred Idea Foundation.
NOTE: In accordance with the policy of the American Graded Stakes Committee of the Thoroughbred Owners and Breeders Association, the Sept. 8 renewal of the Cape Henlopen S. at Delaware Park was automatically downgraded from listed to non-listed stakes status when it was transferred to the main track. Upon review of the race, the AGSC has decided not to reinstate the listed status for this renewal.

H-2B VISA CAP MET FOR FIRST HALF OF FY 2023
Edited Press Release from NTRA

U.S. Citizenship and Immigration Services (USCIS) announced Wednesday they have received enough petitions to reach the congressionally mandated cap on H-2B visas for temporary nonagricultural workers for the first half of fiscal year 2023. USCIS will reject new cap-subject H-2B petitions received after Sept. 12, 2022 that request an employment start date before April 1, 2023. With many in the Thoroughbred industry relying on H-2B visas, we are sharing this for your information.

USCIS will continue to accept H-2B petitions that are exempt from the congressionally mandated cap. This includes petitions for:

- Current H-2B workers in the United States who extend their stay, change employers, or change the terms and conditions of their employment;
- Fish roe processors, fish roe technicians, and/or supervisors of fish roe processing; and
- Workers performing labor or services in the Commonwealth of Northern Mariana Islands and/or Guam from Nov. 28, 2009, until Dec. 31, 2029.

U.S. businesses use the H-2B program to employ foreign workers for temporary nonagricultural jobs. Currently, Congress has set the H-2B cap at 66,000 per fiscal year, with 33,000 for workers who begin employment in the first half of the fiscal year (Oct. 1-Mar. 31) and 33,000 (plus any unused numbers from the first half of the fiscal year) for workers who begin employment in the second half of the fiscal year (Apr. 1-Sept. 30).

NTRA will continue to advocate before Congress for the passage of permanent solutions to temporary worker issues in the Thoroughbred industry.

For more information, visit the Cap Count for H-2B Non-immigrants page.

Reckoning Force, a debut third for Joseph O’Brien and Magnolia Racing Syndicate going six furlongs at Listowel in Ireland June 4, made his next two starts going two turns at Saratoga, finishing fourth behind favored Really Good July 23 and third most recently Aug. 13.

Placed in sixth by Joel Rosario through a half mile in :46.27, Reckoning Force tipped out under confident handling as they straightened for home, quickened nicely down the center and outslugged Deer District to earn his diploma in this loaded $500,000 affair.

Reckoning Force, hailing from the extended female family of leading sire Unbridled’s Song, is the most recent produce for his dam. She was bred to Maximum Security for 2023.

“It worked out,” said Gary O’Connor, assistant trainer to Joseph O’Brien. “Everything went well. We’re delighted. Hopefully that will entice him to come back next year. I think that was our eighth or ninth running from Saratoga, so finally we got a winner going home.”

He continued, “I was happy enough the whole way around here. He was handy in behind the leaders. I thought he should pick up. He was in great position to win from where he was turning in. Joel gave him a great ride.”

TOO MANY TWIZZLERS (c, 3, Twirling Candy--Sumlin, by Eskendereya) broke his maiden at second asking June 26 before contesting Monmouth’s My Frenchman S. July 17, finishing fourth. In his first start away from the Jersey shore Wednesday, Too Many Twizzlers, with his blinkers removed, was the 5-2 second choice. Last of the field to leave the gate, he raced at the back of the pack through a half-mile in :44.57 before making a move around the far turn. Traveling well late, he finished under a hard drive to edge out Fuerteventura.

“His trainer was training him better than at any point in his life,” said winning trainer Robert Medina. “He ran really good at Ellis Park the first time with the blinkers, but it was a weird race. It was a short field and he got an easy lead. The way he was training for this, he was touting himself for two weeks that he was getting ready to do something. Without a doubt, it was the best he has ever trained. I thought he would be little off the pace because it looked like there was a lot of pace in the race. Jose [Lezcano] said he broke so sharp that he just left him alone. And he did it from there.”

Already a half-sibling to a pair of graded-stakes horses, Play Action Pass is out of a half-sister to MGSW Summer Hit (Bertrando) and MSW Starbird Road (Count the Time). Light of a Star has since produced back-to-back colts in 2021 and 2022, both by leading sire Constitution. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

INTRIGUE (f, 3, Into Mischief--Elope {SW & GSP, $122,576}, by Gone West) split the field home in fifth when tried over seven furlongs on the Churchill main track at first asking Aug. 13. Switched to the grass for her second start, the 6-1 shot wanted the lead right away, but was taken in hand to rate from second just off Tiffany’s Mo (Uncle Mo). Under a quiet ride from jockey Irad Ortiz, Jr., Intrigue kicked into gear just inside the quarter pole and sustained a stretch-length drive to out-duel Barrett (Vancouver {Aus}) by three-quarters of a length. From the family of GI Clark H. winner Leofric (Candy Ride {Arg}), Intrigue is her dam’s most recent offspring, though she was sent to Silver State for a 2023 foal. Lifetime Record: 2-1-0-0, $93,600.

AMERICAN APPLE (f, 2, American Pharoah--Miss Mary Apples {GSP, $171,172}, by Clever Trick), fifth in her first two tries at Churchill Downs behind subsequent Astoria S. winner Devious Dame (Girvin) and GIII Schuylerville S. heroine Just Cindy (Justify), broke her maiden in her fourth career start and her second straight try on the turf after finishing third last time at Ellis Park July 15. Attending the pace from outside of Twirled (Twirling Candy) and Julie’s Chardonnay (Competitive Edge), American Apple made a five-wide bid for the lead as the field entered the home straightaway. Engaged in a duel with Twirled down the lane, she prevailed in the final strides to get her nose down on the line first. Already a half-sister to Lady Apple (Curlin), MGSW & GISP, $1,078,324; Miss Red Delicious (Empire Maker), MSW, $203,425; and Dr. Diamonds Prize (Pure Prize), SW-USA, GSP-Can, $240,903, American Apple is her dam’s last reported foal. OSCAR AWARD (c, 2, Oscar Performance--Trade Agreement, by Will Take Charge), a $120,000 purchase at OBSAPR earlier this year (:10.2), checked in third in his first start at Ellis Park July 24. Away at 7-2 here, the bay raced along mid-pack from fifth before making up ground as the field rounded the far turn. Still under a drive a furlong from home, he hit another gear in the final sixteenth and surged past Sherlock's Jewel (Lea) to score by 1 1/2 lengths. The ninth winner for his freshman sire (by Kitten’s Joy), Oscar Award is out of a half-sister to G1 Atlantis Dubai Golden Shaheen winner Switzerland (Speightstown). He has a yearling half-sister by Practical Joke and a weanling half-sister by Honor A.P. Trade Agreement was sent to Essential Quality for 2023. QUARIA COMET (f, 3, Shackleford--Colorado Girl {Brz} (G1SW-Brz, $117,542), by Elusive Quality) was off at 9-1 for this turf debut. She found a good spot in fifth through fractions of :21.55 and :45.61, loomed boldly at the top of the stretch and dug in gamely to outbattle Fiddle (Astern {Aus}) by a half-length. The winner made two previous starts, just missing by a nose on debut over the Turfway synthetic Apr. 2 and finishing a well-beaten ninth over the Keeneland dirt Apr. 28. Colorado Girl has also produced the unraced 2-year-old colt Rocky Joy (Kitten's Joy), a yearling filly by Liam's Map and an Accelerate filly of this year. She was bred back to Collected. NAVY GOAT (f, 2, Army Mule--Mandolin, by Midnight Lute), the most expensive of 31 first-crop 2-year-olds sold by her sire when bringing $450,000 at OBSAPR (:10 1/5), was third as the heavy favorite after a wide trip on debut sprinting over the Monmouth lawn Aug. 20. Given a 6-1 chance here, she bumped with a rival at the start and raced prominently in an outside fourth through an opening quarter in :22.80. The bay ranged up three deep at the top of the stretch and battled on gamely despite switching to her left lead down the lane to hold off well-bred Phipps Stable firster Self Confident (Into Mischief) by a neck. Navy Goat is the 15th winner for her freshman sire (by Friesan Fire). Mandolin produced a filly by Girvin in 2021 and a colt by Khozan this year. She was bred back to Uncle Chuck. ANOTHER HOT MESS (f, 3, Hard Spun--Shrilanka {SP}, by Pleasantly Perfect), second going six furlongs on debut at Evangeline July 6, ran to the money as the even-money favorite in this off-the-turfer. She tracked the early leaders from third, made a blitz for the lead nearing the far turn and left them in the dust to graduate by 11 1/2 lengths. The winner's dam, also responsible for a Bernardini colt of 2021, was bred to Lea for 2023. Sales history: $125,000 Ylg '20 KEEJAN. Lifetime Record: 2-1-0-1, $29,600. ESSAOUIRA (f, 2, Super Saver--Eden's Moon {GISW, $387,216}, by Malibu Moon) had to settle for third, beaten just two lengths, when debuted sprinting on grass at Saratoga Aug. 25. The popular 3-5 favorite on the stretch out Wednesday, she raced outside of second choice Mo Bills (Uncle Mo), pressing the pace through mild fractions up the backstretch. Set down past the quarter pole, Essaouira took little time to draw past her tiring rival and went clear with an eighth to run, hitting the wire 4 1/2 lengths head of Mo Bills, who was a further nine-lengths clear for second. From the family that includes champion grass horse Paradise Creek (Irish River {Fr}), GISW Forbidden Apple (Pleasant Colony) and MG1SW David Junior (Pleasant Tap), Essaouira's only younger sibling is a yearling half-brother by More Than Ready.
