

## FLIGHTLINE HEADS BC BREEZERS SATURDAY

Flightline | Horsephotos

Unbeaten sensation **Flightline** (**Tapit**) headed a bevy of Breeders' Cup workers across the country Saturday. The likely favorite for the GI Breeders' Cup Classic covered six furlongs at Santa Anita in 1:11.80 (1/3). [Click for video.](#)

Flightline entered the main track via the quarter-mile chute with John Sadler assistant Juan Leyva aboard just prior to 6:35 a.m. Accompanied by a stable pony, he galloped under the wire and around the clubhouse turn and was set down approaching the five-furlong pole.

From there, he clicked off splits of :23.60, :35.40, :47.80 and :59.40 en route to the seven-furlong pole, where he stopped the clock for six furlongs in 1:11.80. Clocker Gary Young had the **'TDN Rising Star'** galloping out seven furlongs in 1:24.80 and one mile in 1:38.60.

"Perfect," said Sadler, who noted that Flightline will have his final Santa Anita work next Saturday, Oct. 22. "It was another routine work from him. He always works the same and we're not looking to do anything different from what we've been doing. As you saw, he went six [furlongs] in :12, out [seven-eighths] in :24 and a mile in :38 and three. Just a nice steady work pattern."

He continued, "All's good. That's him, that's the way he works. He'll have one more here and then he goes to Keeneland after his next work. He'll have one work over there."

## ANOTHER WEEK, ANOTHER GRADE I FOR BROWN & BRANT

Trainer Chad Brown and owner Peter Brant were represented by the 1-2 finishers in last week's **GI First Lady S.** at Keeneland, and were right back at it again in Lexington Saturday as **Gina Romantica** (Into Mischief) scored a breakthrough win in the GI Queen Elizabeth II Challenge Cup S. Presented by Dixiana. The \$1,025,000 KEESEP yearling was the only runner in the race carrying Brant's silks, but Brown completed the exacta himself with Klaravich Stables, Inc.'s odds-on GISW **McKulick (GB)** (**Frankel {GB}**). It was a record fifth win for Brown in the race named for the U.K.'s recently departed monarch. California invader **Bellabel (Ire)** (Belardo {Ire}) completed the trifecta.

Flightline is expected to ship to Lexington a week from Sunday, Oct. 23.

Among the many Breeders' Cup hopefuls who stretched their legs at Keeneland Saturday were:

Hot Rod Charlie | Coady Photo

- **Hot Rod Charlie** (Oxbow), last seen taking a controversial renewal of the GII Lukas Classic S. at Churchill Oct. 1, had his first work back at Keeneland Saturday morning as he points

for the Breeders' Cup Classic. The Doug O'Neill pupil was clocked in :49.40 (47/80) under Tyler Gaffalione, who was reunited with the \$5.5-million earner last out for the first time since they finished second together in the 2020 GI Breeders' Cup Juvenile at 94-1 over the same strip. [Click for video](#). "It was a good, relaxed work," Gaffalione said. "He went well within himself. I'm very happy right now. He's in a great mindset." The leading Kentucky-based rider added, "He's grown up a lot [since the Juvenile]. He's much bigger, much more powerful and much more mature. Right now, it seems like he's the complete package."

- **Rich Strike** (Keen Ice), the GI Kentucky Derby upsetter who came up a head short of Hot Rod Charlie in the Lukas despite leaning on his rival, also got back to work Saturday. The chestnut, who could go in the Classic or wait for the Nov. 25 GI Clark S. at his favorite track, Churchill Downs, covered a half-mile in Lexington Saturday in :47.60 (4/80) first thing in the morning. He galloped out five panels in 1:00 flat. "I didn't think that I'd get nervous for only a maintenance work," trainer Eric Reed admitted. "I was hoping for :48 or :49, but he was doing it so easy and as long as he wasn't fighting him, I was good with that. He handled the track well and whatever decision we make, he'll be ready to run." Of what will go into that next race call, Reed said, "The decision would be easier if the Breeders' Cup was at Churchill Downs and there wasn't a

- **Leading conditioner** Chad Brown sent out a number of Breeders' Cup-bound workers at Keeneland Saturday, including **'Rising Star' Jack Christopher** (**Munnings**, GI Sprint or GI Dirt Mile, 1:00 {1/67}); **Search Results** (Flatter, GI Distaff, 1:00.60 {5/67}); **Goodnight Olive** (**Ghostzapper**, GI F/M Sprint, 1:00.60 {5/67}); and **Blazing Sevens** (**Good Magic**, GI Juvenile, :48.60, {21/80}). Jack Christopher's work came in company with fellow stakes-winning sophomore Artorius (Arrogate), who is expected to contest next Saturday's Perryville S. [Click for video](#). Last-out GI Champagne S. hero Blazing Sevens worked in company with GII Pilgrim S. runner-up and fellow **'Rising Star' I'm Very Busy** (Cloud Computing), who is pointing for the GI Breeders' Cup Juvenile Turf. “Everything was smooth this morning,” Brown said. “All of the horses have settled in nicely.”

**Tyler's Tribe** | *Coady Photo*

- Unbeaten Iowa-bred **Tyler's Tribe** (**Sharp Azteca**) tested out turf for the first time on Saturday, working three furlongs on the Keeneland lawn in :39.80 (1/1) ahead of a likely start in the GI Breeders' Cup Juvenile Turf Sprint. [Click for video](#). The dark bay gelding has won his five starts, all at Prairie Meadows, by almost 60 lengths combined. Tyler Tribe's regular rider Kylee Jordan, who lost her bug earlier this season, was aboard for the work. “Kylee was comfortable with him out there,” trainer **Tim Martin** said. “I was a little concerned when he bobbed a bit, but he was trying to jump the cones [on the course that were set up near the outer rail]. Maybe he has a future as a jumper.” Martin said he was not at all concerned about the slow time: “He always works in :38 or :39. If he gets with another horse, he'll work a bullet. I know he is a fast horse and I know he can run.”

Fastest from the blocks, Gina Romantica was taken back a bit by Flavien Prat to sit fourth in the field of six as last-out Irish Group 3 winner Paris Peacock (Ire) (Muharaar {GB}) had designs on making the lead. She snuck inside of McKulick and into the pocket down the backside, and remained in that spot through a half in :48.22 and six furlongs in 1:12.83. It briefly looked like Gina Romantica could run into traffic trouble as her stablemate took the overland route, but a seam opened behind the fading Paris Peacock and Bellabel in midstretch and Gina Romantica charged through it before pulling away decisively.

“She broke really well,” said Brown. “I actually was okay to make the lead, but the pace was fast so I got myself tucked in. She relaxed well and really kicked on well when it was time to make a move. [I knew it was time to make a move] once I got the gap [at the top of the stretch]. Turning for home I got a good gap and squeezed on in and she responded really well.”

Gina Romantica | Coady Photo

A fast-finishing debut winner sprinting on the Tampa main track in March, Gina Romantica was a well-beaten sixth when wading into much tougher waters for this venue's GIII Beaumont S. a month later. She took a rained-off and sloppy first-level allowance in her first route try at Belmont in May, and remained on the dirt to be fourth in Saratoga's restricted Wilton S. July 14. The bay was a rare \$30 turf winner for Brown when she upended the Riskaverse S. (also restricted) back at the Spa Aug. 25, and was most recently second at much shorter odds in BAQ's GIII Pebbles S. Sept. 18. The Brown barn sent out the top three that day--the winner was another Klaravich colorbearer, while the third finisher carried Brant greens.

“Getting her out there in distance a little more, and she has more experience on the turf,” said Brown when asked for the reasons behind Gina Romantica's incremental improvement. “She caught a clean break and I thought Flavien rode a terrific race. She proved she can get the extra distance and step up with top-class fillies.”

He added, “I want to thank Liz Crow and her team for picking

the horse out. She was born and raised locally, right here in Lexington at Machmer Hall, and she's a Keeneland [sales] graduate. We've had so many great horses that we bought here. [Of our] five Queen Elizabeth [wins], this is probably the most memorable, obviously, with the recent passing of The Queen. What an honor even to participate in the race, but to have such success in it--we're just really lucky to work with these horses.”

**Pedigree Notes:**

Special Me (Unbridled's Song), who now has four graded winners to her tally, including Gina Romantica and additional GISW and Lane's End's first-crop weanling sire **Gift Box (Twirling Candy)**, has been a truly special mare for Carrie and Craig Brogden's Machmer Hall (see **The Bargain of a Lifetime** and a **related video**, by Christie DeBernardis). Special Me slipped what would have been a 2020 foal by **Quality Road** and her 2021 foal by **Curlin** died, but she has a Feb. 26 weanling colt by Into Mischief--a full-brother to Gina Romantica--and was bred back to **Twirling Candy** for a full-sibling to **Gift Box**. Almost unbelievably, Machmer Hall picked up Special Me for \$6,000 at the 2009 Keeneland January sale. The price of her offspring has steadily increased with her success, with Gina Romantica being the most recent to sell, bringing \$1.025 million as a Keeneland September yearling from BSW/Crow. **Cont. p8**

Over the years, the Brogdens have publically expressed their long affinity for Unbridled's Song mares and it's hard to argue with a record of 214 black-type winners out of his daughters. Gina Romantica is one of four stakes winners out of an Unbridled's Song mare by Into Mischief, while another three (including champion Covfefe) are by his sire. Into Mischief, who is on track for his fourth general championship in North America, has 115 Northern Hemisphere-foaled black-type

winners, including 23 thus far in 2022. Among his 55 graded winners are additional 2022 GISWs Life Is Good and Wonder Wheel, both pointing to the Breeders' Cup.

Skims took over on the turn under Hall of Famer John Velazquez and kept finding from there to turn the tables on Vergara--who beat her by a head last time in the Dueling Grounds Oaks--while giving her superstar sire yet another graded winner. Victorious in her first two turf routes, the Andrew Rosen homebred was subsequently third in the GII Appalachian S. at Keeneland in April and again in Belmont's GII Wonder Again S. over yielding sod June 9. Fifth in the GIII Lake George S. at the Spa July 22, she disappointed as the favorite when seventh in that venue's restricted Riskaverse S. Aug. 25, but bounced back last time to be second when stretched to 1 5/16 miles at Kentucky Downs.

Away well from the rail, Skims tugged her way forward to sit just behind the leading duo and outside of familiar foe Vergara.

She continued to apply pressure to the top two after an easy half in :50.90, and took over midway on the bend as frontrunner Hail To (Kitten's Joy) dropped anchor and backed up into Vergara. Skims was a couple lengths clear as she pointed for home and she comfortably fended off Vergara from there. Favored Pizza Bianca (Fastnet Rock {Aus}), last year's GI Breeders' Cup Juvenile Fillies Turf heroine, could only manage fourth from the back of the pack. **Cont. p10**

“She had really trained well since her last race,” said winning Hall of Fame conditioner Shug McGaughey, who was celebrating his second Sands Point win. “We were kind of in between this one and the [GI Queen Elizabeth II Challenge Cup] at Keeneland. [Owner/breeder] Andrew [Rosen] thought this race might be the right spot and when he said that I felt the same way. We figured it could come up a little more to our liking and all she had to do was ship down the road.”

He added, “I said from the inside, I thought if [Velazquez] broke well, then maybe he would be on the lead. He felt those two horses would go and he said he just wanted to reverse from what beat her at Kentucky Downs. He said he held her in there and then when he went, he said he had a lot of horse.”

McGaughey said the GI American Oaks Dec. 26 at Santa Anita could be a next target for Skims.

Rosen is an investor in the Kim Kardashian co-founded clothing and shapewear brand Skims.

“It’s amazing. It’s good to have a plan and have it come together and work out the way it did,” said Rosen, the retail and fashion executive best known for founding fashion label Theory. “[Frankel] has really taken over, I think, as the best sire in the world. I was wondering when my Frankel was finally going to win a stake and it’s exciting that it was today and I could be here.”

**Pedigree Notes:**

It’s a rare weekend that doesn’t have a group/graded winner

by Frankel, who ranks among the elite sires in the world with his 103 black-type winners from a mere seven crops of racing age. Skims is the Banstead Manor Stud’s 73rd group/graded winner worldwide and he’s one of the truly special stallions who can boast Grade/Group 1 winners on four continents: Europe, Asia, Australia, and North America.

Skims is out of an unplaced Street Cry (Ire) mare, a \$385,000 Keeneland November broodmare purchase by Hugo Merry Bloodstock in 2012. Now the dam of two GSWs, including War Decree (War Front) in England, Royal Decree is out of Ticker Tape (GB) (Royal Applause {GB}), whose GISWs included the Queen Elizabeth II Challenge Cup S. in 2004. Ticker Tape traces to the spectacular mare Terlingua (Secretariat), her fourth dam, through that legend’s GSW daughter Chapel of Dreams (Northern Dancer). English G1SW Crowded House (GB) (Rainbow Quest) and French G1SW Brando (GB) (Pivotal {GB}) are part of this family, but most significant is Terlingua’s GISW and breed-shaping son, Storm Cat (Storm Bird).

Royal Decree had fillies the last two years: a now-yearling by Lope de Vega (Ire) and a foal by Kingman (GB). She is back in foal to Too Darn Hot (GB). Skims is the 120th black-type winner out of a Street Cry daughter, four of which have been by Frankel.

Hazelbrook returned to winning ways with her fourth victory of the season in the GIII Ontario Fashion S. Saturday at

Woodbine. Asserting herself from her rail draw, the chalk was in a duel for second with several rivals as the first quarter went up in a sharp :21.50. Keeping close order through a :43.93 half-mile, she took command in early stretch and held off a late bid from Beyond Mybudget to score.

A two-time winner in 2021, Hazelbrook opened 2022 with an optional claimer score at this venue in June and followed suit with wins in the local GIII Hendrie S. July 24 and the Sweet Briar Too S. Aug. 21. She came up a bit short last time, finishing a close second in the GIII Seaway S. Sept. 17.

**Pedigree Notes:**

Hazelbrook is one of three graded winners and 11 black-type winners for Bayern, the 2014 GI Breeders' Cup Classic winner who began his career at Hill 'n' Dale. That tally includes a 2022 Korean-bred black-type winner, a timely win as the Offlee Wild stallion was bought by Korean interests and stood his first season in Korea at Dr. Sangil Choi's Great Hill Farm in 2022.

The one-time winner Zaphia (Bernstein) is the dam of Hazelbrook and additional GSW Zuzanna (Wilburn). While a few generations have been void of black-type, Zaphia's third dam is a half-sister to European champion Royal Academy (Nijinsky II) and Storm Cat's wonderful dam Terlingua (Secretariat), whose own line is responsible for Saturday's GII Sands Point S. winner Skims (GB) (**Frankel {GB}**).

Zaphia's most recent produce is a yearling gelding named Skipper's Pride (Klimt). She was bred back to **Unified** for 2023. Her graded winners are two of the 83 stakes winners for Storm Cat's Bernstein as a broodmare sire, making Hazelbrook inbred 5x5 to Terlingua's dam, Crimson Saint (Crimson Satan).

## FULL-SISTER TO MALATHAAT DEBUTS FOR STONESTREET AT KEENELAND

Malathaat | Coglianese

6th-KEE, \$100K, Msw, 2yo, f, 7f, 3:40 p.m. ET

As Malathaat (**Curlin**) prepares for the GI Breeders' Cup Distaff, her 2-year-old full-sister **JULIA SHINING (Curlin)** makes her debut for owner/breeder Stonestreet Stables and trainer Todd Pletcher. Out of GISW Dreaming of Julia (A.P. Indy), Julia Shining is her dam's second foal to make the races behind MGISW and champion 3-year-old filly Malathaat. With one recorded work over the Keeneland surface (five furlongs in 1:01 4/5 Oct. 9) after a series of breezes at Saratoga, Julia Shining has jockey Luis Saez aboard here. **TJCIS PPS**

Tuskegee Airmen survived an inquiry at the end of the aptly-named Rocky Run S. to secure his first black-type victory in his second career start.

A 5 1/2-length winner Sept. 24 on debut at Parx, the 1-2 favorite tracked four wide from fourth around the first turn before moving up between rivals into the second bend. Shifted further inside under a vigorous ride as the real running started, Tuskegee Airmen was under a full head of steam leaving the furlong marker. Clearing Midnight Trouble in deep stretch, the winner was 3 1/4 lengths best over that one on the wire.

There were two claims of foul: Xavier Perez, rider of Riccio, against Paco Lopez aboard Tuskegee Airmen and the conditioner of Mean Tweets (who finished last) against Riccio's rider; both for interference. The stewards ultimately declared no change.

"He is a nice horse and this was a really nice race, but he still

has no clue to what he is doing yet,” said winning trainer John Servis. “I will be honest with you, at the 3/8ths pole, I was worried. I did not think we were going to beat a horse. I guess at that point he just decided ‘I’ll start running.’ He is very talented and the thing that is going to help this horse the most down the road, is he is so laid back. Nothing seems to really bother him. We are not sure where we are going next. He beat himself up pretty good in the behind, so we will check him out good and see how he comes out of this. But he will get at least a month and we will go from there.”

The first foal and black-type winner for a young mare, Tuskegee Airmen has a yearling half-sister by Distorted Humor as well as a 2022 half-sister by **Nyquist**. She visisted **Charlatan** for 2023. His second dam is MGISP Teammate (A.P. Still in the lead turning for home, Evan Harlan came under a ride with a furlong to run and out-finished rival Bobbie D (Ire) (Dark Angel {Ire}) to win by 2 1/2 lengths. Out of a half-sister to MGSW Miss Temple City (Temple City) and GSW Pricedtoperfection (Temple City), Evan Harlan has an unraced 2-year-old half-brother Kevin (Osar Performance) still to race behind him. **THIRTY THOU KELVIN (f, 2, Bolt d'Oro--Wealthy Shipman {SP, \$229,048}, by Midshipman)** weakened to sixth in her unveiling July 14 behind a Saratoga maiden field yielding eventual GISW Chocolate Gelato (**Practical Joke**). She tired to third last out Sept. 4 when stretching out to 1 1/16 miles and trying that venue's turf course for the first time from the front end. Eagerly supported here to the tune of 8-5 favoritism and returning to the main track in this off the turfer, Thirty Thou Kelvin raced in fourth then third in pursuit of the early leaders. She came under coaxing near the quarter pole, swung five wide into the lane and rallied to take command, holding her 1 1/4-length advantage to

the wire. Cookie Crumbs (**Mendelssohn**) kept on for place honors. Thirty Thou Kelvin is the 17th winner for her freshman sire (by Medaglia d'Oro). She has a yearling half-sister by **The Factor**. **A GAME (f, 3, Distorted Humor--Cautious Dreams, by Bernardini)** was sent off as the third betting choice in this off-turf debut. She had to be urged after the break and moved forward behind rivals near the inside to track from fourth. Watching the race unfold from there, she had room on the rail to launch her bid and took the lead passing the furlong marker. She held off a fast charging Secretaryofthenile (Pioneerof the Nile) by a half-length to win at first-asking. A Game has a yearling half-sister by Acclamation (GB). In this first try against open company over a distance longer than six furlongs, he jumped right to the front and was left mostly unchallenged through a mild half in :49.39. Confronted by a pair of rivals turning for home, Curly Larry and Mo dug in to repel those bids and held his advantage into the final furlong, prevailing by 1 1/2 lengths over Solomon Vandy (Temple City). The 13th winner for his freshman sire (by **Uncle Mo**), Curly Larry and Mo hails from the extended family of dual Horse of the Year and Triple Crown champion Affirmed (Exclusive Native). Moving from the barn of Saffie Joseph, Jr. to Joseph Taylor here, the first-time gelding drew in when the race came off the grass and led from the jump to maintain control through :24.38 and :48.22 splits. Kicking away from Dominguez (Cross Traffic) as that one tried to mount a challenge coming into the lane, Liam's Blue Moon drew away by 5 1/2 lengths to score at 14-1 at second asking. ## NEW BAY'S BAY BRIDGE SETS SEAL ON BANNER DAY FOR SIRE

**Bay Bridge (far left) shocks Baaeed in the Champion S.**  
*Eclipse Sportswire*

by Sean Cronin

Caught off guard in Royal Ascot's G1 Prince of Wales's S. and Sandown's G1 Coral-Eclipse, James Wigan and Ballylinch Stud's **Bay Bridge (GB)** (New Bay {GB})--Hayyona {GB}, by Multiplex {GB}) made it third time lucky at the highest level when upsetting the hitherto undefeated **Baaeed (GB)** (*Sea The Stars* {Ire}) and a stellar field in Saturday's G1 QIPCO Champion S. at Ascot. The race is a qualifier for the GI Breeders' Cup Turf at Keeneland next month. [Cont. p2](#)

## BAYSIDE BOY SWOOPS FOR QEII UPSET

by Tom Frary

One of last term's leading juveniles, Teme Valley and Ballylinch Stud's **Bayside Boy (Ire)** (New Bay {GB}) took until Saturday to put it all together again as a 3-year-old and chose the big stage to do it on in Ascot's G1 Queen Elizabeth II S. He has now punched his ticket to the GI Breeders' Cup Mile at Keeneland in November, if connections wish to travel.

Anchored in rear early by Tom Marquand after a tardy break, the 33-1 shot who had enjoyed a confidence-boosting success in Sandown's Listed Fortune S. Sept. 14 delivered a surge to overwhelm the long-time leader **Jadoomi (Fr)** (*Holy Roman Emperor* {Ire}) inside the final 50 yards.

Going forward with real momentum at the line, the Roger Varian-trained bay who has been galvanised by blinkers had 1 1/4 lengths to spare there over the battling **Modern Games (Ire)** (Dubawi {Ire}), with Jadoomi denied the runner's-up spot by a short head. In the case of the 11-10 favourite **Inspirale (GB)** (*Frankel* {GB}), the writing was on the wall a long way out as she floundered after blowing the start and trailed in sixth.

"We thought he was a lively outsider--he needed to step up massively but he did have very good juvenile form," Varian said. "We had high hopes for him this season, but he didn't enjoy the firm ground in the summer and the owners and the team at Ballylinch Stud have been very patient with him. He showed a great turn of foot there and I hope he is a horse who will still be with us next year." [Cont. p5](#)

**G1 Champion S. Cont. from p1**

Having appeared set fair to join the upper echelons when routing his rivals by five lengths and more in May's G3 Brigadier Gerard S. at Sandown, the 4-year-old bay failed to justify odds-on favouritism when usurped by State Of Rest (Ire) (Starspangledbanner {Aus}) over course and distance in June and didn't fire as expected when fifth behind Vadeni (Fr) (Churchill {Ire}) in Sandown's annual highlight in July.

The eventual winner occupied an ideal slot in third behind a steady tempo through halfway and the 10-1 chance shifted gears rounding the home turn, moving into second at the top of the straight. Hooking up with the revitalised **Adayar (Ire)** (Frankel {GB}) in the leading wave passing the quarter-mile marker, the expected surge of Baaeed failed to materialise in speed-blunting conditions as the 1-4 favourite's stablemate **My Prospero (Ire)** (Iffraaj {GB}) joined the mix inside the final furlong. An enthralling battle ensued with Derby-winning jockey Richard Kingscote teasing every last drop out of Bay Bridge to edge ahead in the closing stages for a career high, with Adayar outbobbing My Prospero by a nose for second. Baaeed lost no caste in defeat and ran on to finish 1 1/4 lengths further adrift in fourth.

Surprisingly, Bay Bridge's success provided Sir Michael Stoute with a first positive outcome on the programme since Champions Day was recalibrated in 2011 and a first in the contest for the veteran conditioner since Kalanisi (Ire) (Doyoun

Bay Bridge has the wire to himself | Megan Ridgwell

{Ire}) outgunned Montjeu (Ire) (Sadler's Wells) in 2000. "Bay Bridge was very brave and I am absolutely thrilled," Stoute said. "The staff have done a great job with this horse and we are all delighted. He was in very good shape coming here. He came back from Sandown with a knock and we had to back off him, so he's been very consistent this year with the exception of that race. We thought the favourite was unbeatable, or I did, but I thought he had a great chance of being second, because he was in terrific shape. I'm delighted to have won two Group 1

races this year, the staff have been brilliant and it's down to them."

While Stoute was rekindling memories of yore, it has been a breakthrough year for winning rider Richard Kingscote. "It is surreal really," he said. "I guess we came here knowing we have a nice horse, but we were taking on one of the best around. You cannot be afraid of one horse. They've always liked Bay Bridge back home and it's perfect to ride beautiful horses like this.

"He looked like he would have a big one in him and, on that ground, he showed he is a really lovely animal. He was a bit fresh and ran with enthusiasm for the first three-quarters of the race. He was going well into the turn and, when the others tried to put a bit of pace into it, he responded and knuckled down when William [Buick] came to us on Adayar. He put in a very good effort."

Reflecting on a banner season, Kingscote continued, "I am very grateful to everyone for having me. Two spectacular horses have made it a great year."

Last year's G1 Derby hero Adayar was making his first start in elite-level company since running fifth in last year's renewal and his renaissance thrilled Charlie Appleby. [Cont. p4](#)

“We know Adayar’s back on the top table again and I am delighted,” the trainer commented. “It is always in the back of your mind when you’ve won a conditions race, but he is where he was when he left off last year. There were no excuses there, William said they didn’t go quite as strong a gallop as you would like, but he committed when he did. That was always the plan and he stuck to his guns well. We were beaten by a horse that we know has always had plenty of potential there and has been waiting for the ground.”

Reflecting on a first defeat in 11 starts for Baaeed, William Haggas admitted, “It is deflating, but he is still a good horse and I’m sad he didn’t win for him and his connections as well as all the people at the yard who have worked tirelessly to get him there. There you go, it’s horse racing. Jim [Crowley] felt Baaeed just couldn’t pick up in the ground. All I know is he didn’t win and I need to watch it again. I was busy watching the others as well and I tend not to make an assessment straight after. Let’s hope this is eradicated from people’s minds quite quickly. My Prospero couldn’t quite nut Adayar on the line for second, so it looks like we’ll have to wait for next year until we have a go at the Trainers’ Championship. My Prospero ran a magnificent race and has lots to look forward to. He is a beautiful horse, a great big horse and I think he has a good future. Dubai Honour ran well, but James [Doyle] said they went no gallop for him.”

For rider Jim Crowley, Baaeed’s defeat was down to one factor alone. “The ground, simple as that,” he insisted. “I turned into the straight and, normally, he would be able to do it on good to soft, but that kick just wasn’t there. It was heavy weather really and as soon as I went for him I knew I was in trouble. In the past, it has just been instant, but it just wasn’t there, simple as that. It is unbelievable the journey we have been on. He is a very special horse and it is sad that he does not finish his career unbeaten as we have come so far. Baaeed has captured the imagination and I’m sorry we couldn’t do it today. He is a special horse still.”

**Pedigree Notes**

Bay Bridge is the fourth of seven foals and one of two scorers from three runners out of a half-sister to G2 Prix Eugene Adam victor Shimraan (Fr) (Rainbow Quest). He is kin to the hitherto unraced 2-year-old filly Stormy Sea (GB) (Territories {Ire}) and a yearling colt by Time Test (GB). His stakes-winning third dam Shemaya (Ire) (Darshaan {GB}), who produced G1 Prix du Jockey Club second Shamkiyr (Fr) (Sea the Stars {Ire}), is kin to G3 Prix Allez France victrix Shemima (GB) (Dalakhani {Ire}), herself the dam of G3 Derrinstown Stud Derby Trial winner Cormorant (Ire) (Kingman {GB}) and Listed Prix Madame Jean Couturie victrix Shemala (Ire) (Danehill). **Cont. p5**

Beating Reach For the Moon (GB) (*Sea The Stars {Ire}*) in between in Doncaster's G2 Champagne S., he quickly vanished into obscurity following a fruitless summer campaign.

Drawn 14 of 15 in the G1 Poule d'Essai des Poulains in which he beat only two rivals home at ParisLongchamp on May 15, he was seventh in the G1 St James's Palace S. at Royal Ascot June 14 but was beaten less than two lengths and had briefly threatened on a surface that was too quick. If they were excusable, his fourth when favourite for Goodwood's G3 Thoroughbred S. July 29 was less so but again the ground was against him and a subsequent freshener and the fitting of headgear worked the oracle as he got his head back in front from the day's Balmoral H. runner-up Sweet Believer (Ire) (*Make Believe {GB}*) last time.

Boy missed a beat at the start and with Jadoomi setting a slow tempo initially he was left with the proverbial sectionals mountain to climb. While Frankie was notably animated to his left approaching two out, Marquand was merely coaxing his mount ever closer and Bayside Boy was building confidence with every stride as he prepared to bridge a still-sizeable gap.

With such an advantage from early on, Jadoomi and Modern Games should have been able to dominate but the winner was ultimately a notch or two above on this ground and probably in terms of how the races panned out was the day's most impressive.

Marquand summed it up succinctly. "He showed a pretty exceptional turn of foot," he said of the 11th 3-year-old to win this in the last 15 runnings. "From the two I was never not going to get there and he really enjoyed chasing them down--he sailed home." **Cont. p7**

Charlie Appleby, who was taking this in en route to the Breeders' Cup Mile with Modern Games, was inclined to blame the easy surface for the defeat. "Will just said he is as tough as teak, but couldn't get his feet out of the ground unfortunately," he commented. "He said that if the winner had come close to us, it would have been a different race again. It is the first time he has encountered ground that soft, but he's run a very creditable race and he'll go to the Breeders' Cup now. As we know, in Keeneland he might get the same conditions."

Ed Crisford said of Jadoomi, "We are absolutely delighted with him. It can be a hard place to lead, but he popped out of the stalls and there wasn't any pace on so James [Doyle] said he was happy in front. Really, the winner came out of nowhere, but we've ran a cracking race and couldn't be happier. I think Keeneland will be the obvious place

Tom Marquand and Bayside Boy after the QEII | [Racingphotos.com](https://www.racingphotos.com)

to go--coming round a bend might just play to his strengths and be the next step. He wants cut in the ground, that's the key. He had to find five or six pounds to be competitive with the top two in the betting and he has definitely improved again. He's a

lightly-raced 4-year-old and there's no reason why he shouldn't improve again."

The flop of Cheveley Park Stud's G1 Coronation S. and G1 Prix Jacques Le Marois heroine Inspiral was a surprise, but there had been an early warning sign about her stalls behaviour at the Royal meeting here and a disappointed treble-seeking Dettori was philosophical. "The gates opened and she didn't want to come out--it was one of those cigar moments," he said.

"The whole field went and I found myself last on a filly who needs cover. They went slow, I tried to creep into the race, but the race was done at the start. I don't know why she didn't want to come out, it's the first time she has done it." **Cont. p8**

Bayside Boy’s dam, the Listed Prix Occitanie scorer Alava (Ire) (Anabaa), is also responsible for the four-times pattern-race scorer Forest Ranger (Ire) (Lawman {Fr}) who enjoyed ground on the easy side and captured two renewals of the 10-furlong G2 Huxley S. Alava, who also produced the listed-placed Home Cummins (Ire) (Rip Van Winkle {Ire}), is out of the triple listed-placed Cerita (Ire) (Wolfhound) whose half-siblings include the G3 Prix de Flore scorer Tamise (Time For a Change) and the GII La Canada S. and GII El Encino S. runner-up Luthier’s Launch (Relaunch).

Tamise is the second dam of the G3 Prix de Saint-Georges-winning sprinter Sestilio Jet (Fr) (French Fifteen {Fr}), while the family also features the GI Personal Ensign H. winner Passing Shot (A P Indy). Alava’s 2-year-old colt Lord Of Biscay (Ire) (Lope De Vega {Ire}) was an impressive debut winner for Ballylinch Stud and this stable last month and has Classic pretensions. Her daughter of Waldgeist (GB) was a €200,000 purchase by Leason Bloodstock at the Goffs Orby last month, while she also has a 2022 full-sister by Lord Of Biscay.

## PLANTEUR

**G1 British Champions Fillies & Mares S. Cont.**

Keen initially as she had been last time, the newly-hooded bay was restrained to race halfway down the field trapped wide throughout the early stages. Travelling strongly on the turn into the straight, the 3-1 favourite, who was sporting the Lloyd Webber silks, took command passing two out and was soon clear and in control.

At the line, she had three lengths to spare over the 50-1 shot

**Thunder Kiss (Ire)** (Night Of Thunder {Ire}), with the 80-1 shot **Insinuendo (Ire)**

(Gleneagles {Ire}) a further half-length away in third as the Irish contingent performed with credit.

“It would have been heartbreaking not winning a Group 1 with this filly,” Dettori said. “Nothing went right at Epsom and she ran no race in the King George for whatever reason, but the team have done a great job with her and she had given me the ‘wow factor’ again in her last pieces of work.”

Prior to her no-show in this track’s midsummer showcase, Emily Upjohn had looked one of the better middle-distance fillies of recent times with comparisons to her stable’s Taghrooda (GB) (**Sea The Stars {Ire}**) and Enable (GB) (Nathaniel {Ire}) not out of place. Her slim defeat by Tuesday (Ire) (Galileo {Ire}) in the Oaks came after she had blown the start, having powered to ante-post favouritism in York’s G3 Musidora S. at the May Dante meeting and this was her rolling back the clock to that moment.

Pulling too hard in the King George, she looked to be

potentially over-racing again in the first two furlongs but those fears were ultimately put to bed as she tanked around the final bend with most of her rivals at work.

“We were all very nervous, but we knew she had it in her,” Lady Lloyd Webber said. “Frankie rode a peach of a race, we’re very lucky to have him.”

John Gosden added, “I will never work out the King George as long as I live. The whole team have done a great job to get her confidence back, that’s the thing as when you run a race like

that and finish a distance last you’re going to be a little shaken mentally. She is a big girl and hasn’t fully strengthened in her frame. She is still quite light and I thought ‘will she handle the ground?’, but she’s handled it well. Mind you, she was so wide she was probably on fresh ground. She stays in training and the aims next year will be the King George and the Arc.”

Shane Lyons said of Thunder Kiss, “She has been retired now, so her last run was her best run. The conditions suited her--ease in

the ground, a mile and a half and a good pace. I thought she’d be in the mix somewhere, because these type of races suit her. The better the race, the better she runs. Maybe we should have run her in more Group 1 races, but anyway she has been a star for us, very consistent.”

Insinuendo’s rider Gary Carroll said, “I had a lovely position--I had Frankie on my outside and he stole first run on me and his filly was the better on the day, but my filly ran her heart out. We are delighted.” **Cont. p10**

### Pedigree Notes

Emily Upjohn, who was snapped up by Blandford Bloodstock for a remarkable 60,000gns at the Tattersalls October Yearling Sale Book 2, is a granddaughter of The Aga Khan's Hazaradjat (Ire) (Darshaan (GB) who boasts an abundance of top-class descendants. Her progeny list is headed by Hazarista (Ire), a full-sister to Emily Upjohn's listed-placed dam Hidden Brief (GB) (Barathea {Ire}) who captured the G3 Blue Wind S. and was third in the G1 Irish Oaks and G1 Yorkshire Oaks. Her G3 Athasi S.-winning half-sister Hazariya (Ire) (Xaar {GB}) was the other black-type scorer out of Hazaradjat and she provided her owner-breeder with the Derby and Irish Derby hero **Harzand (Ire)** by Emily Upjohn's sire **Sea The Stars**, as well as three other notables including including the G1 Moyglare Stud S. third Harasiya (Ire) (Pivotal {GB}) and the Listed Finale S. winner Hazarafa (Ire) (Daylami {Ire}) who in turn produced the G3 Derrinstown Stud Derby Trial and G3 Amethyst S. scorer Hazapour (Ire) (Shamardal).

Emily Upjohn becomes the second QIPCO British Champions Day winner for the family after the G1 Fillies & Mares S. heroine Seal of Approval (GB) (Authorized {Ire}), a half to the dam of last year's G1 Irish Derby, G1 St Leger S. and G1 Grand Prix de Paris hero Hurricane Lane (Ire) (**Frankel {GB}**). ## KINROSS A CLASS ABOVE AT ASCOT

by Sean Cronin

Marc Chan's '**TDN Rising Star**' **Kinross (GB)** (**Kingman (GB)**--Ceilidh House {GB}, by Selkirk) registered a belated first top-level triumph in ParisLongchamp's G1 Prix de la Foret at the beginning of this month and doubled that tally with a dominant display in Saturday's G1 QIPCO British Champions Sprint S. at Ascot.

Ninth contesting last year's renewal of the six-furlong dash, the gelded 5-year-old initiated his latest purple patch with victories over seven furlongs in August's G2 City of York S. and September's G2 Park S. before claiming a career high on Arc day last time.

Frankie Dettori positioned the eventual winner behind the leaders racing in the smaller stands' side group and had the ideal slot in third passing halfway. Easing forward to lead soon after passing the quarter-mile marker, the 3-1 favourite held a commanding advantage entering the final furlong and was on cruise control in the closing stages to easily outclass 150-1 outsider **Run To Freedom (GB)** (Muhaarar {GB}), geared down, by an impressive 2 1/4 lengths. Last year's winner **Creative Force (Ire)** (Dubawi {Ire}) finished a neck away in third.

INTERNATIONAL  
GREAT BRITISH RACING

THE TBA

[greatbritishracinginternational.com](http://greatbritishracinginternational.com)

“What a horse, he doesn’t need work and just trains himself,” exclaimed trainer Ralph Beckett. “He pulled a shoe off last Thursday and had no shoe on for three days. He’s got paper-thin soles, so we had to sweat a bit. I think he’s quick enough to win a July Cup and I’ve always had a little bit of a hankering for him to do it at this trip. Now was the time, even with a [G1] Breeders’ Cup Mile on the horizon. He’ll go there as well, with any luck. He’s better off running than galloping and fast ground over six [furlongs] is a bit of a struggle, but soft ground over six is no bother to him. I was delighted to see him travel so well and it’s just great. What a horse he is, we’re blessed to have him and you wait a long time for horses like this. I trained his mother, she ran in the [G1] Oaks, so for him to be as effective over this trip gives us a real kick.”

Dettori added, “Ralph has been training fantastically this year. I kicked earlier than I usually would with him. I know seven [furlongs] is his optimum trip so I said let’s go, come and catch me. Kinross loves the conditions and Ralph has found the key to this horse. He keeps him happy at home and doesn’t do much with him. He is in tremendous form.”

Henry Candy was delighted with the performance of runner-up Run To Freedom and said, “That was absolutely superb. The cheekpieces have made all the difference to him, he loved the ground and he loves Ascot.” **Cont. p12**

## G1 British Champions Sprint S. Cont.

He added, "In the past, without the cheekpieces, he wouldn't concentrate and the jockey couldn't ride a race. The other day, when he was fourth here, David [Probert] said something came up at the two-furlong pole, set him alight and he went too soon. So today we had the confidence to tell Dane to ride a proper race on him. He definitely needed a little bit of headgear on and, if he can keep his concentration, he will be a serious horse next year. He's a great big frame of a thing now and, if he fills out a little bit more, he could be exciting. I thought he would nearly win today. He's in great form."

## Pedigree Notes

Kinross, kin to the unraced 2-year-old colt Seahouses (GB) (Sea The Moon {Ger}), is the fifth of six foals and one of four scorers produced by Listed Gillies Fillies' S. victress Ceilidh House (GB) (Selkirk), herself kin to the dam of G3 Solario S. winner and G1 Poule d'Essai des Poulains runner-up First Selection (Spa) (Diktat {GB}). His dual stakes-winning second dam Villa Carlotta (GB) (Rainbow Quest), herself a daughter of multiple stakes-winning G3 Rockfel S. second Subya (GB) (Night Shift) from the family of G1 Irish Derby-winning sire Law Society (Alleged), is a half to G1 Hollywood Derby second Battle of Hastings (GB) (Royal Applause {GB}) and to the stakes-placed dam of South African Grade 1 performers Mljet (SAf) (Jet Master {SAf}) and Felix The Cat (SAf) (Black Minnaloushe).

## TRUESHAN REGISTERS LONG DISTANCE CUP HAT-TRICK by Sean Cronin

Alan King trainee **Trueshan (Fr)** (Planteur {Ire}--Shao Line {Fr}, by General Holme) had annexed the last two renewals of Ascot's G2 QIPCO British Champions Long Distance Cup, but had failed to find a way past **Coltrane (Ire)** (Mastercraftsman {Ire}) in last month's G2 Doncaster Cup.

Having earlier run third in a thrilling edition of August's G1 Goodwood Cup, he was back at the top of his game to exact revenge on that rival and registered a hat-trick of victories in the two-mile marathon after a ding-dong tussle.

Hollie Doyle was keen for a prominent pitch early and positioned the 11-8 favourite in fourth after passing the judge first time. Coming under pressure turning for home, Trueshan locked horns with Coltrane on the front end passing the quarter-mile marker and refused to buckle under a drive in the closing stages, hitting the line with a head advantage. **Cont. p13**

“The ground was right today and Trueshan had to be at his best,” the winning trainer said. “Hollie thought, with a furlong to go, she’d go and win and win well, but Coltrane was not stopping and he came back at us. He had to be right up there today to hold them off. I didn’t enjoy watching it, but I’ll enjoy the replay. He was in a lovely place and travelling well and, turning in, I thought we had a good chance.

“I’m very good friends with the Mariscottis, who own Coltrane and I thought they’re going to come and do us again. I think, last time at Doncaster, he was remembering Goodwood and wouldn’t let himself down. He came to challenge and he went right, he went left and he just wouldn’t go forward. He had a week down at Jamie McGee’s on the water treadmill, which he absolutely loves, and then we started training him for this. He’s had two or three days on the treadmill after his bits of work, which just loosens him up and it’s got him back.

“I took the view that, win, lose or draw today, I had all winter to get him back. As long as we mind him, he could be around for

a few years yet. I just want a very wet June, because the one thing I’d love to run him in is the [G1] Gold Cup [at Royal Ascot].”

Doyle added, “What a horse. I am speechless to be honest. Alan King is the maker of this horse and what he has done today, on the back of his last two runs, is phenomenal. It was really rough going into that first bend. I had Wordsworth on my outside, I was caught in a pocket and it was one of them where you either kick in or get flattened. I kicked in and some people suffered as a consequence. For someone like me, I’m quite emotionally invested in the sport and days like this mean the world to me.”

Reflecting on the performance of Coltrane, trainer Andrew Balding said, “Coltrane is just so brave and tough and was beaten by a fine horse on the day.”

John Gosden added, “Trawlerman has run a great race and had a lovely run. For an Ebor winner to come and mix it with the group horses is great.”

## CAIRO TAKES THE KILLAVULLAN

by Tom Frary

Stepping up after suffering a defeat at the hands of the dynamic filly Spirit Gal (Fr) (Invincible Spirit {Ire}) in the Listed Star Appeal S. at Dundalk Sept. 30, **Cairo (Ire)** ([Quality Road](#)) mastered his rivals in Saturday's G3 Killavullan S. at Leopardstown to add another string to Ballydoyle's remarkable juvenile bow.

Never far from the pace set by **Bold Discovery** (Bolt D'Oro), the 5-2 favourite took over from that rival approaching the furlong pole and stayed on strongly for a 2 3/4-length success from stablemate **Sierra Blanca (Ire)** ([No Nay Never](#)), who denied Bold Discovery by a neck.

Stable representative Chris Armstrong said, "I think the proper gallop helped him today. He's a lovely horse physically and he's done everything right so far. He's in the Group 1 in France next weekend [the Criterium International], but that will probably come too soon. The second horse ran a lovely race and he'll come on again."

## EUROPEAN NEWS

### BUICK CROWNED CHAMPION JOCKEY, AS GODOLPHIN AND DE LA SAYETTE ALSO RECEIVE SEASON-ENDING HONOURS

Jockey William Buick, Godolphin and apprentice jockey Benoit de la Sayette were crowned Champion Jockey, Champion Owner and Champion Apprentice Jockey, respectively on QIPCO British Champions Day at Ascot on Saturday. Former champion jockey Willie Carson, **who along with the late Sir Henry Cecil was inducted into the QIPCO British Champions Series Hall Of Fame**, presented both jockey trophies.

Buick, a three-time runner-up (2015, '21 and '21), secured 157 winners, 67 clear of Hollie Doyle and Tom Marquand, his nearest pursuers for the title. A former champion apprentice, a title he shared with David Probert in 2008, the 34-year-old has been the retained rider for Godolphin since 2015.

Buick said, "18-year-old me would say what's taken you so long. It is great and personally it's something I've really wanted to achieve for quite a long time and obviously it's taken me a few years, but it's fantastic.

"My father was an eight-time Champion Jockey in Scandinavia so it's great to be able to achieve it and I feel I've achieved it in the way that I would like to do it--to balance it with the big races, the big meetings, my main employer Godolphin, making sure that's at the forefront of my focus.

"It's very satisfying and, when every jockey starts out, that's what you want to achieve--you want to win the Derby and you want to become Champion Jockey."

He added, "You can never expect it to go as it has. You can only hope and work towards it, but you can never expect it, so it's great and there's a lot of people involved in it all.

"It's hard work, it's every day and every race and everything that comes with it, but I've loved every minute of it. When it's going well and you're riding winners, riding nice horses, you're at the big meetings, when it goes like that it's great, there is no

This was Godolphin's 15th owner title, and their runners banked over £6 million. Some of the highlights were the late Coroebus (Ire) (Dubawi {Ire}) and Native Trail (GB) (**Oasis Dream {GB}**) running one-two in the G1 QIPCO 2000 Guineas, with the latter also taking the Irish equivalent later that spring. Also the leading owner at Royal Ascot, the royal blue was carried to victory in five races at that iconic meeting, among them Coroebus's score in the G1 St James's Palace S. and Naval Crown (GB) (Dubawi {Ire}) landing the G1 Platinum Jubilee S. The operation also enjoyed success with its juveniles, led by G2 Gimcrack S. hero Noble Style (GB) (**Kingman {GB}**) and other group wins by Silver Knott (GB) (Lope De Vega {Ire}) and Flying Honours (GB) (**Sea The Stars {Ire}**).

Hugh Anderson, Managing Director of Godolphin (UK and Dubai), said, "Godolphin is immensely proud to receive the Champion Owner trophy at Ascot on such a prestigious day for our sport.

"It has been another season of great excitement with numerous wins at the highest level and I must pay tribute in particular to Charlie Appleby and the team at Moulton Paddocks who have led the charge. Saeed bin Suroor and John and Thady Gosden have also

made a big contribution to a season that has showcased our homebreds and our stallions.

"Thank you to every single Godolphin employee, all of whom have played their part. Our greatest thanks must of course go to our principal, His Highness Sheikh Mohammed, for his endless loyalty, enthusiasm and passion for the Thoroughbred.

"Finally, it is a particular thrill to collect this trophy alongside William Buick. He is at the very sharp end of Team Godolphin and all of us congratulate him on his outstanding horsemanship, determination, bravery and skill. He is a Champion Jockey for a Champion Owner and we could not be more delighted to end the UK season on such a high note." **Cont. p16**

## Buick, Godolphin, De La Sayette Cont.

Receiving the Champion Apprentice title was Benoit de la Sayette, who fought off a determined Harry Davies in the closing weeks of the Flat season. The first apprentice jockey to be added to John Gosden's books for 29 years in 2020, he rode his first winner that December. Formerly a pony racing graduate, he was banned for six months after testing positive for cocaine, but his career rebounded in 2022.

De La Sayette said, "I am thrilled to win the Champion Apprentice title. It has felt like such an amazing season and I've really enjoyed the battle with Harry [Davies]. I wish him all the very best for the future and hope we're riding against each other for many years to come.

"There have been plenty of highlights, starting with Vafortino (Ire) (New Bay {GB}) winning the Victoria Cup at Ascot in May. I was also lucky enough to ride a winner at the July Festival [Adjuvant (Ire) (New Bay {GB})] and have victories at Glorious Goodwood. At the start of this month I rode my first-ever three-timer and that was another day I'll never forget.

"None of those moments--or the other winners I've had--would've been possible without the fantastic support I've received from so many owners and trainers throughout the year. I'm especially grateful to John and Thady Gosden, as well as the whole Clarehaven team. I have learnt so much from the amazing team there.

"The input and advice from my agent Paul Clarke has been so valuable as well. He has worked tirelessly to get me opportunities. I'd also like to thank the PJA [Professional Jockeys' Association] for all their ongoing support.

"Last but not least is my family. I want to say a big thank-you to all of them, especially my mum and dad for everything they do...this one's for them."

## RECORD-BREAKING OCTOBER YEARLING SALE DRAWS TO A CLOSE AT TATTERSALLS

After a frenetic two weeks of selling, the curtain lowered on the final day of the Tattersalls October Yearling Sale, with the single-session Book 4 adding another 319,000gns to the previous three books' 199,006,100gns aggregate. A total of 53 yearlings found new homes of 73 offered, for a clearance rate of 73%. The average of 6,019gns and the media of 5,000gns were both well up on 2021's figures, leading to gains of 50.3% for the former and 66.7% for the latter.

Topping Saturday's sale was a daughter of G2 Richmond S. hero Land Force (Ire) (lot 2086) from Natton House Thoroughbreds, Ltd. From the same family as G1 Irish Derby and G1 Sheema Classic hero and sire Jack Hobbs (GB) (Halling), she

went to Alfa Site for 23,000gns.

Overall, the October Yearling Sale featured the world's most expensive yearling to sell this year at 2.8 million gns, a son of **Frankel (GB)** (lot 221) out of the Group 3 winner and G1 Prix de l'Opera third So Mi Dar (GB) (Dubawi {Ire}). The dam is a full-sister to three-time Group 1 winner and sire Too Darn Hot (GB), as well as G2 Middleton S. heroine Lah Ti Dar (GB), who was second in the G1 St Leger S. and third in both the G1 British Champions Fillies & Mares S. and G1 Yorkshire Oaks.

Lot 221 hammered for 2.8 million | Laura Green/Tattersalls

Book 1 closed with 73 horses, or 17.2% of those sold, changing hands for 500,000gns or more. There were also 16 seven-figure lots. Book 2 also set records for turnover (60,780,500gns, +11%), average (96,020gns, +14%) and median (70,000gns, +13%). The demand for quality bloodstock did not slacken in Book 3 either, with gains of 9% in total turnover to 11,554,600gns. The average advanced 8.6% to 24,428gns and the median also increased to 20,000gns (+11.1%)

Tattersalls Chairman Edmond Mahony said on Saturday, "This has been the most extraordinary Tattersalls October Yearling Sale. Book 1 set the ball rolling and it has rolled all the way through to the very end with more yearlings sold than ever before for the astounding sum of 199 million guineas.

"It has been a phenomenal show of strength from start to finish with buyers from throughout the world drawn to Tattersalls and the unique environment of Newmarket by the promise of outstanding yearlings presented by so many of the top breeders and consignors not only from Britain and Ireland, but from throughout Europe. The consistent support of the consignors for the Tattersalls October Yearling Sale is the key to its abiding reputation as Europe's premier yearling sale and to see so many people so richly rewarded over the past two weeks has been wonderful." He added, "There is a huge amount of hard work and dedication involved in the journey from foaling to the October Yearling Sales at Tattersalls Park Paddocks and the results of the past two weeks are a tribute to all those involved at every level. The buyers come to Tattersalls in October confident that they will find quality yearlings to suit every budget which will go on to achieve great things on racecourses around the world and never before has this been so evident. The demand we have witnessed throughout the past two weeks has been truly global and above all it reflects the enduring appeal of the sport of horse racing which captivates so many people throughout the world and brings so many buyers to Newmarket and the Tattersalls October Yearling Sale year after year."

## AUCTAV BREEDING STOCK SALES ANNOUNCED

Breeding stock sales, for several breeds, will be held on Nov. 23 and Dec. 1, respectively, Auctav announced. The November Sale is dedicated exclusively to Purebred Arabians, while the Dec. 1 sale is open to Flat horses, National Hunt horses (Thoroughbred and AQPS) and trotters.

Arnaud Angeliaume, Auctav General Director, said, "I am delighted with the creation of these two sales. The Auctav Arabian Autumn Sale shows the ability we have had to set up dynamism in the Purebred Arabian market and more particularly in this breeding aspect.

"As for this new breeding sale, it is the consequence of the success of past sales. The conditions of the sales but also of the results of these sales have prompted sellers to ask us for the same format. What's made its special features is to have a single date for all racing codes because for everyone, it is a pivotal period in the breeding calendar, either for trotters or thoroughbreds and NH horses."

Stepped up an additional furlong on Saturday, the Ballylinch homebred son of the two-time stakes placed Fact Or Folklore raced near the tail of the field through the early going. He began to improve inside the final quarter-

mile, but the leader Kerkiyra appeared safe from his bid in the waning stages. However, Self Belief continued to rally in between rivals and seized command and the victory a few jumps from the line.

The second foal and winner for Fact Or Folklore after the G3 Concorde S. hero Statement (Ire) (Lawman {Fr}), Self Belief's juvenile full-sister Kynsa (Ire) has not placed in her lone start to date. His dam foaled colts by New Bay (GB) and Night Of Thunder (Ire) in 2021 and 2022. The New Bay colt brought 425,000gns during Book 2 of the Tattersalls October Yearling Sale this past week, thanks to Statement's group win earlier this year. **VIDEO.**

Sent to the front approaching the furlong pole, the 6-5 favourite had enough in reserve to hold stablemate and newcomer Bertinelli (**Justify**) by half a length. "He had a lovely run the first day and his work has stepped up since," stable representative Chris Armstrong said. "That might be him done for the year, we'll see how he comes out of it. Wayne's horse in second ran a lovely race and he's one to look forward to for next year as well." The winner is the third foal out of the dam, who is a full-sister to this stable's former juvenile luminary Air Force Blue who captured the G1 Dewhurst S., G1 Vincent O'Brien National S. and G1 Phoenix S. "She came on from Gowran, she was entitled to and Shane [Foley] said she did everything right today," said trainer Jessica Harrington. "She's a lovely filly and she'll be put away now for the winter. ## GIGA KICK WINS THE EVEREST

Craig Williams & Giga Kick | Ashlea Brennan

by Lydia Symonds/TDN AusNZ

With his official birthday Oct. 19, Giga Kick, the son of former Arrowfield Stud inmate Scissor Kick, is still technically a juvenile, but he showed maturity beyond his years to fly up the Randwick straight under Craig Williams and land the \$15-million The Everest for his owner Jonathan Munz and slothholder James Harron Bloodstock **VIDEO**.

There was pre-race drama from early on in the day, when **Lost And Running (NZ)** (Per Incanto {USA}) was forced to withdraw from the \$15-million sprint after failing the vet and he was replaced by **Kementari** (Lonhro).

But once the race itself got underway it looked like the drama had stopped there, because as the field rounded the turn it was familiar foes **Nature Strip** (Nicconi) and **Eduardo** (Host {Chi}) battling up the front.

Eventually, Eduardo's effort came to nothing and he quickly dropped away leaving Nature Strip in his favourite spot, at the front of proceedings, and it looked to be a case of déjà vu for the reigning champion, who quickly put 1.5l on his rivals.

However, as the winning line drew closer, **Private Eye** (Al Maher) began to pick up and was soon on the flanks of Nature Strip and was able to surge past him.

But there was another sting in the tail, as Giga Kick, seemingly sprouting wings, to soar up the middle of the track and nail the

race in the shades of the winning post, eventually beating Private Eye by 0.44l, while **Mazu** (Maurice {Jpn}) came home another 0.3l away in third. Nature Strip was another 0.1l further afield in fourth.

### Keeping The Faith

Clayton Douglas, a former jumps jockey, said he always had a lot of faith in the horse, despite some people believing he was only in the sprint to make up the numbers.

"I had a lot of confidence in this horse. He's a really good horse, he's a superstar. He probably had the 'potters' you know, 3-year-old and probably wasn't good enough, but I had a lot of faith in him," he said.

"He's such a professional and you can see today [Saturday], with the 53 kilos when ridden like that, he's electric. It's a bit of a whirlwind, but he wasn't in the race to make the numbers up and I had a lot of faith in him. He's a star."

"Watch out, the new kid is on the block."

Douglas was also quick to praise Munz and Harron, for choosing the gelding to represent him in the \$15-million race.

"He's a star and I'm so rapt for the owners, rapt for Jonathan Munz and James Harron, he put his neck on the line to take a 3-year-old and do what he's done. It's great.

"There's a massive team behind me, I work very hard and I've got a great bunch of staff. To be honest, it's a bit of a whirlwind at the moment, but I'm very happy."

### Pedigree Notes

It may well be that we have seen the next star of the turf; so impressive was this barnstorming performance by the lightly raced and very exciting Giga Kick (Scissor Kick) who remains undefeated after five starts. A homebred for Jonathan Munz, Giga Kick is one of the two stakes winners for his G3 Up And Coming S.-winning sire who left Australian shores in 2019--Haras d'Etreham in France his home before he ventured even further afield to Tunisia.

He is the 10th foal produced by the imported mare Rekindled Applause (GB) (Royal Applause {GB}), a four-time winner who was four times stakes-placed in Italy. Rekindled Applause has been nicely represented by six winners with Rekindled Power and Shuffle Up (both by Scissor Kick's sire Redoute's Choice) also earning black type with group placings. She produced a colt by Pariah last spring.

## WALLER'S DURSTON TAKES CAULFIELD CUP HONOURS

by TDN AusNZ

The Waller camp's feeling of disappointment after Nature Strip's shock defeat in The Everest may have ebbed away quite quickly after witnessing **Durston (GB)** (Sea The Moon {Ger}) come from the clouds to see off all his rivals in the G1 Caulfield Cup.

The British-bred son of Sea The Moon (Ger) only gained a start in the race on Friday morning after John O'Shea decided to scratch **Maximal (GB)** (Galileo {Ire}) due to the soft conditions and he took full advantage of the situation, storming home to chin **Gold Trip (Fr)** (Outstrip {GB}) on the line, handing Chris Waller his second win in the Group 1, having saddled Verry Elleegant (NZ) (Zed {NZ}) to win the race in 2020.

Durston powers to victory in the Caulfield Cup | Bronwen Healy

Raced by Highclere Australia, Durston has very much been a work in progress since his arrival in Australia in August 2021, but he showed he might be a force to be reckoned with over the longer trips when he landed his first stakes race in the Listed Wyong Cup, before following up that win with a victory in the G3 Newcastle Gold Cup on Sept. 16 and he was last seen running a sound race to finish sixth in the G1 Metropolitan H.

Speaking from Sydney, Waller described the win of Durston and the defeat of Nature Strip as the 'highs and lows of racing'. "Nature Strip was great only minutes ago, but we were deflated, but wow what an amazing win in the Caulfield Cup," Waller said. "It's a big deal. Durston, he's a really decent horse. He looked like he needed a bit of luck getting out and he did get out, so a great ride from Michael (Dee)."

Waller confirmed the gelding would now head towards the G1 Melbourne Cup.

## Pedigree Notes

It was an all-import finish to this year's G1 Caulfield Cup, Durston (GB) (Sea The Moon {Ger}) charging late down the outside to snatch an exciting finish right on the line. Another high-class performer bred by Kirsten Rausing who cheered home the recent G1 Prix de l'Arc de Triomphe winner Alpinista (GB) (**Frankel {GB}**), Durston is by the G1 German Derby winner Sea The Moon (Ger) who is a resident of Rausing's Lanwades Stud.

Purchased by Blandford Bloodstock for 52,000gns (AU\$98,300) at the 2017 Tattersalls October Yearling Sale, Durston was Group 3-placed in the UK before heading to Australia--making his local debut at Flemington in August last year. Also winner of the G3 Newcastle Gold Cup and the Listed Wyong Cup, Durston--one of 25 stakes winners for his sire--is a half-brother to Cubanita (GB) (Selkirk {USA}) who earned the title of 2014 German Champion Older Mare. Durston's dam Caribana (GB) is by Hernando (Fr) who also stood at Lanwades. Her granddam is the 1996 Irish Champion 3-Year-Old Stayer Key Change (Ire) (Darshaan {GB}), winner of the G1 Yorkshire Oaks.

## MUSTANG VALLEY TAKES GROUP 1

by TDN AusNZ

New Zealand trainer Andrew Forsman could surely not have hoped for a better start to his first season as a sole trainer and on Saturday he enjoyed an extraordinary day at the races, saddling an across-the-Tasman treble, headed by **Mustang Valley (NZ)** (Vanbrugh)'s victory in the G1 Livamol Classic. Mustang Valley's triumph came a mere 40 minutes after talented 3-year-old Mr Maestro (NZ) (Savabeel) made his intentions for the G1 VRC Derby quite clear with a victory in the G3 Neds Classic, while Forsman signalled he could be in for a big day when Saint Bathans (Maurice {Jpn}) landed Race 2 on the Caulfield card, the Lamaro's Hotel Grand H. Then, for good measure, he capped off the afternoon with a fourth victory, and third stakes win, when Aegon (NZ) (Sacred Falls {NZ}) stormed back into form to come out on top of a photo finish to win the final race on the Caulfield card, the G3 Moonga S.

### Pedigree Notes

One of the finds of the spring, Mustang Valley (NZ) (Vanbrugh) was so impressive racing away to this easy win at the elite level. Bred and raced by Windsor Park Stud out of a mare they paid just \$5,000 for at the 2017 Magic Millions National Broodmare Sale, Mustang Valley is the second stakes winner and first Group 1 winner for their G1 Spring Champion S.-winning Encosta De Lago stallion. She is the first foal for the metropolitan maiden winner Cream Of The Crop (New Approach {Ire}) who was served last spring by Hello Youmzain (Fr) after producing a Darci Brahma (NZ) filly with her previous foal being a Charm Spirit (Ire) filly. Cream Of The Crop is a half-sister to the Group 3-placed Balmaurice (Maurice {Jpn}) from the family that provided one of Australia's best in Might And Power (NZ) (Zabeel {NZ}).
