LEXINGTON, KY--It's pretty pointless rolling back to the clock, to so very different an era, to contrive a blasphemous conflation between "the 'F' word" and "the 'S' word." But even if we leave the polemics over Flightline (Tapit) and Secretariat to run their trite course to futility, in one respect the 39th Breeders' Cup made it feel just like old times for the Europeans, as well.

True, a similar caveat should be applied to the notion that Godolphin and Ballydoyle here reprised the kind of rivalry that reached such intensity in the days when, for instance, Galileo (Ire) and Fantastic Light were tearing off gloves. This feels like a very different world, with Godolphin having evolved unrecognisably--whether in structure, purpose or personnel--from its early and middle phases. It feels like both camps have long grasped that this business is complicated enough, without loading emotive ancillary agendas into the equation.

And that welcome fading of past antipathies is pleasantly condensed in the two trainers whose outstanding returns over Friday and Saturday would have prompted most of us to discard any camouflage of modesty. As it was, Charlie Appleby and Aidan O'Brien reliably maintained the humble and respectful bearing to which both were born and raised. (It tells you everything that Appleby was cleaning his kids' school shoes when called on his return home.) [Cont. p3](#)

European Breeders' Cup Wrap Cont. from p1

Very possibly that bond between their natures goes a long way to explaining why they should also be united in success.

In going to such scrupulous lengths to deflect credit to their staff and patrons, they insist that an industry as labour-intensive as ours can only be dominated to this degree--with three winners apiece, from seven turf races overall--through teamwork. With Thoroughbreds, you can never cover absolutely all bases. But good luck if you go out to that pitching mound on your own.

Of course, no horse wins a race by nice manners. And those brought here from Europe's two mightiest stables were variously bred, selected and taught to be streetfighters. Appleby's 50% career clip at the Breeders' Cup certainly shows a nuanced sense of the blend of toughness and agility required to make hurtling round the inner circuit somewhat less of a crapshoot. Someday he will no longer be able to rely on such inborn virtues in the

Charlie Appleby | *Breeders' Cup/Eclipse Sportswire*

stock of the ageing Dubawi (Ire), much as O'Brien will meanwhile be increasingly obliged to regroup without Galileo (Ire), who posthumously extended his primacy in aggregate Breeders' Cup earnings through the success of his daughter Tuesday (Ire).

But let's indulge that aversion to vanity in Messrs. Appleby and O'Brien, and instead pay some heed also to some of those who made the same bold journey--only to return with a deflated sense of being overmatched by these superpowers not just in resources, but also in luck.

Principal laurels among these go to **Kinross (GB)** (**Kingman {GB}**). He ran a stormer in the GI Mile, beaten three-parts of a length after realising all the nightmares that loomed once he drew 13. Any

hope of salvaging the situation early on was lost in heavy traffic, but he came bounding home once clear and switching gates with **Modern Games (Ire)** (Dubawi {Ire}) would probably have resulted in the pair also exchanging places on the podium. [Cont. p4](#)

European Breeders' Cup Wrap Cont.

His owners will doubtless reflect wistfully that it took castration for Kinross to get everything together over the past two seasons. But if they must duly miss out on stud earnings, they can comfort themselves that this was surely a persuasive reconnaissance for another crack at the race at Santa Anita next year. All things being equal, or certainly more equal than they were here, he has proved himself at home with the racing environment here and with shipping late in the year. However vexing this denouement, his trainer deserves huge credit for the way Kinross has thrived through the autumn.

Dramatised (Ire) (Showcasing {GB}) and **Emeraaty Ana (GB)** (Shamardal) both posted fine seconds round a single turn for Yorkshire, albeit the county's "royal" pair could not round off their remarkable seasons. **Highfield Princess (Fr)** (Night Of Thunder {Ire}) ran very creditably in fourth, but this proved a race too far for **The Platinum Queen (Ire)** (Cotai Glory {GB}).

"I'd say she'd just run out of juice," reported her trainer Richard Fahey, boarding his flight home on Sunday. "She's had a tough campaign and didn't really fire. They went very quick, and she just didn't shine, but she's had a great season."

On the face of it his other runner, **Midnight Mile (Ire)** (**No Nay Never**), seemed to run well when closing for fourth in the GI

Juvenile Fillies Turf. But it's a testament to his regard for the filly that Fahey was candidly disappointed.

"I don't think we saw the best of her," he remarked. "She was in season, and being a bit temperamental, and that's not her. She didn't want to race early and then came there when it was all over."

Be that as it may, taken together her first three starts suggest abundant potential. And it's worth reiterating an incidental benefit, for younger horses, of the expansion of the turf program at this meeting. For the assortment of high achievers to have graduated from defeat in these races is quite extraordinary.

In 2017, **Catholic Boy (More Than Ready)** and **Mendelssohn** (Scat Daddy) finished fourth and first in the colts' race before switching to the dirt to run one-two in the GI Travers S. the following summer. Back in sixth, meanwhile, was subsequent G1 Derby winner Masar (Ire) (New Approach {Ire})--and the Epsom winner could again be found lurking down the field the following year, when Anthony Van Dyck (Ire) (Galileo {Ire}) finished ninth. A little ahead of him was another future Classic winner in War Of Will (**War Front**). Next time, Sealiway (Fr) (Galiway {GB}) ran fifth before winning the G1 Champion S. as the finished article a year later. [Cont. p5](#)

European Breeders' Cup Wrap Cont.

In the fillies' race, similarly, fourth place last year set up Cachet (Ire) (Aclaim {Ire}) for her Classic success in the spring.

So even those of us who deplore European horsemen's wholesale renunciation of the dirt track must acknowledge that these races, besides their own inherent value, are serving a valuable role in the education of elite prospects. The principle of learning from adversity is helpfully moderated: consider, for instance, the difference in attrition between a straight mile on testing ground at Doncaster and the kind of sprint finish that will typically ensue once they finally open up here--something they will only do after whizzing round all those bends, itself a highly educational experience.

It would perhaps be churlish, after a virtual monopoly on the turf, to urge the Europeans to do things differently. In the only grass race won by an indigenous runner, after all, the raiders finished second, third and fourth. But without reprising some familiar arguments about the short- and long-term rewards available on dirt, it does remain curious that two stables with such lavishly resourced Kentucky divisions should not at least roll the occasional dice. Maybe that's a situation to watch, however, with the likes of **Justify** and **Quality Road** now having a foot in the door at Ballydoyle.

But another personal bugbear does require briefly revisiting. For it really is imperative that the QIPCO British Champions' Day, as the interloper into the international schedule, always maintains the three-week interval with the Breeders' Cup. There have been times when they have left a bare fortnight, but this year there was opportunity enough for Modern Games and Kinross, who contested different races at Ascot, to reconvene and run first and third here.

Mind you, another year like this one and it will be the

Americans urging Ascot to squeeze up the schedule again.

TUNNES A POWERHOUSE IN THE GROSSER PREIS VON BAYERN *by Tom Frary*

Continuing his march towards the heights achieved by his celebrated half-brother Torquator Tasso (Ger) (Adlerflug {Ger}), Holger Renz's **Tunnes (Ger)** (Guiliani {Ire}--Tijuana {Ger}), by Toysome {GB} went Flightline-like through Munich's mud to register a formidable 10-length success in Sunday's G1 Allianz Grosser Preis von Bayern.

Already firmly established among the elite of his country's middle-distance and staying performers having won his last two starts including Dortmund's Sept. 18 G3 Deutsches St Leger by a cumulative margin of 14 lengths, the Peter Schiergen-trained chestnut was only warming up for this *tour de force* in Europe's final top-level contest of 2022.

Sent straight to the lead by Bauyrzhan Murzabayev, the 4-5 favourite crushed his toiling opposition with a powerful home-straight effort to open up the impressive gap to his dual Group 3-winning compatriot **Well Disposed (Ire)** (Dubawi {Ire}). Godolphin's dual listed scorer **Siskany (GB)** (Dubawi {Ire}) was two lengths further behind in third, adding ballast to a significant performance which places him among the best of Europe over this trip. It won't take long to find out how he compares to the likes of Alpinista (GB) (**Frankel (GB)**), as he is slated to go to Tokyo for the G1 Japan Cup in three weeks' time.

"Many thanks to the team at home and the trainer," Murzabayev said. "It's nice that he's back. The race was a preparation for the Japan Cup and he has only run three times this year, so he still has something in the tank."

Two-for-three in 2021, Tunnes signed off with a win in Krefeld's G3 Herzog von Ratibor-Rennen but was forced out of the domestic Derby picture through injury and was making his belated comeback when overwhelming his peers in a Baden-Baden Sales race at the end of August. Out on his own in the 14-furlong Deutsches St Leger, he has now won the race in which his internationally-renowned half-sibling was second under Murzabayev in 2020. While it took Torquator Tasso until the end of his 4-year-old campaign to run to this kind of mark, Tunnes is already there and while he will encounter vastly different ground in Tokyo he will line up with plenty of respect.

Pedigree Notes

A €14,000 more expensive purchase than Torquator Tasso had been at the 2020 BBAG September Sale, Tunnes is one of only two pattern-race winners for his Gestut Erftmuhle-based sire. [Cont. p6](#)

Tunnes has a 3x3 inbreeding to the listed-placed Turbaine (Tremolino), who produced Guiliani's sire Tertullian (Miswaki). She is kin to the legendary G1 Prix de l'Arc de Triomphe heroine and blue hen Urban Sea and the brilliant 2000 Guineas hero King's Best. Tijuana also has the unraced 2-year-old full-sister to Torquator Tasso, Tiara Hillesbage (Ger), their yearling full-brother Tiamo Hillesbage (Ger) and a foal full-sister to Tunnes.

behind his illustrious paternal half-brother, **Frankel (GB)**. With the continued success of his progeny, increasing demand for his stock at the sales and his development as a very exciting broodmare sire, Nathaniel offers breeders a remarkable opportunity to breed Classic and group winners at a fee that is a fraction of the price of many of his less proven peers.

"As the fastest son of **Frankel** at Stud, a Group 1 winner of the St James's Palace S., with a pedigree full of class and speed, Without Parole was always going to be an exciting stallion prospect. A beautiful individual, he seems to be passing on his good looks and we have been delighted with an outstanding crop of foals. With **Frankel** heading into the stratosphere as one of the world's outstanding sires, Without Parole undoubtedly offers breeders exceptional value.

"A'Ali is a cracking looking horse who had precocious speed to burn. He should do exactly what it says on the tin; produce fast, early sorts in his own mould. We can't wait to see his foals next year and at £5,000, he gives breeders the opportunity to breed a commercial individual at a very affordable fee."

FOUR-TIME GERMAN CHAMPION SIRE AREION EUTHANISED AT 27

Star German sprinter **Areion (Ger)** (Big Shuffle--Aerleona {Ire}, by Caerleon), a multiple champion sire in his native land, was euthanized due to complications from colic at the age of 27 on Friday, *Galopp Online* reported. A resident of Gestut Etzean at the time of his death, Areion formerly raced in the colours of Marlene Haller.

"We were with him a week before," Frank Haller told *Sport-Welt* on Sunday. "Actually, we had the impression that he was in a good mood." **Cont. p7**

He added, "He then came to the clinic in Iffezheim with a suspected colic from Etzean. There, however, one could not determine 100% what the issue was. After four days, he returned to Etzean. He then was in greater discomfort, which also involved his breathing, so that in the end he unfortunately had to be euthanized."

Bred by Erika Huber, the full-brother to G3 Anniversary S. heroine and G1 Phoenix S. third Agnetha (Ger) (Big Shuffle) was trained by Andreas Wohler. A winner at two, he triumphed in both the G2 Jacobs Goldene Peitsche and G3 Holsten-Trophy as a sophomore. Twice stakes-placed as a 4-year-old, Areion returned to the winner's circle at five, with another G3 Holsten-Trophy victory, as well as a score at German listed level. He retired to stud in Germany with a mark of 16-5-3-2 and \$310,970 in earnings.

Haller continued, "We had him for 25 years, he was like a family member to us."

Out of the listed-placed mare Aerleona, Areion was one of eight foals to win for his dam, who produced the listed winners Apollinaris (Ger) (Sternkoenig {Ire}), Aristaios (Ger) (Alkalde {Ger}), and Anna Frid (Ger) (Big Shuffle), who was also third in the G3 Phoenix Sprint S. From small crops in Germany, the bay was the leading sire there in 2010, 2013, 2015 and 2017. Areion was also the leading sire of juveniles in Germany in 2012, 2015, 2017, and 2019.

He sired 49 black-type winners, 28 of them group winners, from 453 runners. Alson (Ger), the 2019 G1 Criterium International hero, is the best of his get, closely followed by multiple group winners Rubaiyat (Fr) and Palace Prince (Ger). All three have received a chance at stud, with Alson's first foals due next year, Rubaiyat's will arrive in 2024 and Palace Prince's first runners will take to racecourses beginning next spring.

Flying the flag for Areion as a broodmare sire are the three-time Group 1 winner Iquitos (Ger) (Adlerflug {Ger}), as well as the G1 Tattersalls Gold Cup victor Alenquer (Fr) (Adlerflug {Ger}) among his 18 stakes winners (10 group). Ashrun (Fr) (Authorized {Ire}) was also third in the G1 Grosser Preis von Bayern in 2019.

WALK IN THE PARK COLT POPULAR AT FAIRYHOUSE

Colts by Walk In The Park (Ire) took the first and third highest prices during the second day of the Tattersalls Ireland November National Hunt Sale at Fairyhouse on Sunday. Lot 215, consigned by Thistle town Stud and a son of listed hurdle winner Poppy Kay (GB) (Kayf Tara {GB}), brought €52,000 from Abbeylands Farm. Earlier in the day, Yellowford Farm offered a bay son of Chesapeake (Fr) (Network {Ger}) (lot 305), who caught the eye of Kieran Shields for €47,000. His dam is a half-sister to dual graded-winning hurdler Bleu Berry (Fr) (Special Kaldoun {Ire}).

Splitting the duo was lot 225, a Blue Bresil (Fr) colt out of the placed hurdler Oneforthorse (Ire) (Doyen {Ire}). The half-brother to G1 Guinness H. Chase hero Patricks Park (Ire) (Insatiable {Ire}) was knocked down to Ian Ferguson from the draft of Clonbonny Stud.

A total of 233 weanlings went through the ring on Sunday, the first of five days of foals, with 170 (73%) sold for a gross of €2,346,800. The average dipped four points to €13,805, while the median rose 18% to €11,750.

The five-day foal session of the November NH Sale continues on Monday, beginning at 10 a.m.

Carrying a five-pound penalty for his success in the G3 Kiltarnan S. over a mile and a half at Leopardstown Sept. 10, 'TDN Rising Star' Duke De Sessa made his class tell in deep

conditions to bring a season of ups-and-downs to a satisfactory close.

Staying on into third last time in the 15-furlong G2 Prix Chaudenay at ParisLongchamp at the start of October, the homebred who had won the G3 Eyrefield S. at two was ridden more positively here and was always travelling strongly tracking the leading duo. Going by the solid mare Yaxeni with surprising ease passing two out, the bay was either tiring or idling late on to give Sunchart hope but the line came in time.

The dam, who was runner-up in the G3 Give Thanks S., is kin to the Listed Yeats S. winner and G3 Stanerra S.-placed Naughty Or Nice (Ire) (Fastnet Rock {Aus}). From the family of the G1 Gulfstream Park Breeders' Cup H. hero Subtle Power (Ire) (Sadler's Wells), her yearling full-brother to the winner was a 380,000gns purchase by Joseph O'Brien at last month's Book 1 while she also has a filly foal by **Camelot (GB)**. **VIDEO**.

SIERRA BLANCA (IRE) (c, 2, **No Nay Never--Alexandrova {Ire}** {MG1SW-Eng, G1SW-Ire, G1SP-Fr, \$1,210,034}, by Sadler's Wells), runner-up to the stable's Cairo (Ire) (**Quality Road**) in

Leopardstown's G3 Killavullan S. Oct. 15, soon occupied second spot behind chief rival Sprewell (Ire) (**Churchill {Ire}**).

Sent by that rival passing two out, the 8-11 favourite asserted to score by 3 1/4 lengths. "He feels like a horse who is going to train on well," Seamie Heffernan said. "He is clear-winded and there is

loads of him there. I like him plenty." The winner is the fifth of that kind out of the former Ballydoyle luminary Alexandrova

who captured the Oaks, Irish Oaks and Yorkshire Oaks before producing the G2 Dahlia S. winner Somehow (Ire) (Fastnet Rock {Aus}), the G2 Prix Kergolay scorer Alex My Boy (Ire) (Dalakhani {Ire}) and the G3 Athasi S. winner Happen (**War Front**).

Also the second dam of the G1 Preis von Europa winner Aspetar (Fr) (Al Kazeem {GB}), she is kin to the stakes-producing G1 Cheveley Park S. heroine Magical Romance (Ire) (Barathea {Ire}) and a full-

sibling of Masterofthehorse (Ire) who was third in the 2009 Derby. From the Fittocks Stud family of Pongee (GB) (Barathea {Ire}) which includes Rekindling (GB) (High Chaparral {Ire}),

Alexandrova's filly foal is by **Wootton Bassett (GB)**. Lifetime Record: GSP-Ire, 5-1-2-1, \$25,128.

GAMINE SHINES BRIGHTEST ON NIGHT OF THE STARS AT FASIG-TIPTON

Gamine in the ring | Fasig-Tipton

by Jessica Martini, Christie DeBernardis & Christina Bossinakis
LEXINGTON, KY - The Fasig-Tipton November Sale, which surpassed the \$100-million mark in gross sales for the first time in its history last year, went past that milestone for the second time Sunday when 169 horses sold for \$101,214,000.

“Another remarkable November sale just concluded here at Fasig-Tipton,” said Fasig-Tipton President Boyd Browning. “Last year, we surpassed \$100,000,000 in gross for the first time--that was kind of one of those goals that we dreamt about, but didn't think it was realistic--and we were fortunate enough to do it last year and we did it again this year. It's kind of a magical night. The excitement and the energy was palpable and it's a great environment to transact business and to sell some really quality horses.”

The sale average of \$598,899 dipped 13.9% from the 2021 figure of \$695,966, while the median of \$250,000 fell 16.7% from a year ago. With 71 horses reported not sold, the buy-back rate was 29.6%. It was 23.2% last year.

All told, 31 horses sold for seven figures, with champion **Gamine** (Into Mischief) leading the way when selling to Coolmore's M.V. Magnier for \$7 million. The Coolmore team followed up on its big weekend of three Breeders' Cup winners purchasing four million-dollar mares for \$17.9 million. **Cont. p3**

FLIGHTLINE RETIRED TO LANE'S END

Flightline (**Tapit**--Feathered, by Indian Charlie), who capped a brilliant unbeaten career with an 8 1/4-length victory in Saturday's GI Longines Breeders' Cup Classic, has been retired to Lane's End Farm, his connections announced Sunday morning. He will stand as the property of a syndicate with a stud fee still to be announced. It was **previously announced** that a 2.5% ownership share in Flightline as he prepares to embark on his stallion career will be offered Monday on Day 1 of the Keeneland November Sale.

From a prolific Phipps family, Flightline was bred by Jane Lyon's Summer Wind Farm and raced by Summer Wind in partnership with Hronis Racing, Siena Farm, West Point Thoroughbreds and Woodford Racing. A \$1-million Fasig-Tipton Saratoga yearling purchase from the Lane's End consignment, Flightline was trained by John Sadler and was ridden in all six of his starts by Flavien Prat. **Cont. p20**

Gamine Shines Brightest at Fasig November cont. from p1

Mandy Pope's Whisper Hill Farm nearly kept pace with the Irish operation, purchasing out partners to wholly acquire GI Kentucky Oaks winner **Shedaresthedevil (Daredevil)**, as well as the \$2.9 million **Wicked Whisper (Liam's Map)** in foal to **Curlin**.

Despite facing a less-than-favorable exchange rate this year, Japanese buyers were out in force at Fasig-Tipton Sunday, with Emmanuel De Seroux making two six-figure acquisitions, including the \$4-million purchase of GI Breeders' Cup Distaff runner-up **Blue Stripe (Arg)** (Equal Stripes {Arg}), on behalf of Grand Farm. Katsumi Yoshida purchased five mares for \$8.05 million, led by the \$2.1-million **Kalypso** (Brody's Cause).

"The thing that was encouraging tonight--just like last year--was the breadth of participation," said Browning. "We had strong, strong participation from our friends from Japan. We had strong participation from our domestic buyers. We had strong international participation really throughout. The Europeans were active. And it was nice to see our friends from Australia being back and being active in the marketplace. Our industry has become more international in nature and that was reflected in the activity that took place on the sales grounds today."

Gamine Offers Explosive Finale to Fasig Tipton November

Having done very little wrong throughout a near-perfect racing career, **Gamine** (Into Mischief) continued to exert her dominance over her contemporaries in the sales ring Sunday, headlining Fasig-Tipton's November Sale with a session-topping \$7-million final bid from Coolmore's M V Magnier. Offered in foal to **Quality Road**, the 2020 champion female sprinter was consigned by John Sikura's Hill 'n' Dale on behalf of Michael Lund Peterson.

"She is just so unique," said Sikura. "She has the right pedigree, she had freaky ability. If you look at her physically, she is a stud horse. A beautiful face and a big, long beautiful body. She is just a queen."

He added, "High-end Buyers, like the Coolmore team, they want the very best. They have to feel moved, and that it is a unique opportunity and if they don't buy her, that they missed something."

A \$220,000 KESEEP yearling purchase, Gamine flourished into a \$1.8 million juvenile purchase at Fasig-Tipton in Timonium in May. The winner of five of six starts at three, including the GI Acorn, GI Test S. and GI Breeders' Cup Filly & Mare Sprint, Gamine added four more wins in 2021--all at the graded level--highlighted by the GI Ballerina and GI Derby City Distaff S.

"That was a very good price for her, but at the end of the day, she was an absolute champion," said Magnier, who had a busy night. Magnier was listed as the buyer on four mares--for gross

"She was an absolute freak on the track," he continued. "The guys were very keen to get her. She has been fantastic for Michael Lund Peterson and well done to him. In fairness, we don't see much better than her. Let's hope she has a nice foal."

According to Magnier, she will remain in the U.S. to be bred.

Asked whether having such a strong showing during this weekend's Breeders' Cup, registering three victories over the course of the two-day championships, played a role in the strength of the operation's buying efforts at Fasig Sunday, Magnier said with a laugh, "Well, it definitely helped."

"All of our guys are in it for the love of racing and they want to win Breeders' Cup races. Hopefully, she will breed one for them."

And the weekend's activity both in the sale's ring and on the racetrack highlighted many Coolmore-based sires, both burgeoning and established.

"American Pharoah has had four Grade I winners this year and **Justify** is doing things that no one would have expected him to do. **Uncle Mo** and **Munnings** have been strong and the young horses are doing very well too. It only happens because there are breeders that support us." @CBossTDN

Pope Makes a Deal for the Devil

A year ago, Mandy Pope teamed with Staton Flurry and Sheikh Fahad's Qatar Racing to purchase GI Kentucky Oaks winner Shedaresthedevil (**Daredevil**) (hip 233) for \$5 million. While her partners were hoping to race, Pope always had her eye on adding the mare to her broodmare band and the breeder paid the same price again to buy out her partners Sunday at Fasig-Tipton.

"I was buying the partners out and she is going to the breeding shed," Pope said after signing the ticket on the 5-year-old. "That's why I bought her last year, but we decided to go racing for one more year."

Shedaresthedevil | Fasig-Tipton

Shedaresthedevil is out of Starship Warpspeed (Congrats) and is half-sister to graded placed Mojovation (**Quality Road**). Before going through the Fasig-Tipton sales ring a year ago, she won the Oaks, as well as the GI Clement L. Hirsch S. and GI La

Troienne S. for Staton Flurry's Flurry Racing Stables.

For the partnership, the bay added a win in the GII Fleur de Lis S., as well as third-place efforts in this year's Clement Hirsch and GII Azeri S. and a runner-up finish in the La Troienne S.

Shedaresthedevil was consigned by Hunter Valley Farm, which also advised Sheikh Fahad on the purchase of Saturday's GI Breeders' Cup Turf Sprint winner Caravel (Mizzen Mast), who was purchased for \$500,000 at last year's Fasig-Tipton November sale and who is expected to go through the ring Monday at Keeneland.

"No, to be honest," Hunter Valley's Adrian Regan admitted when asked about the result. "We thought she wouldn't make as much as last year. But it's just fantastic and we're delighted she's staying in the country. I have to thank Mandy for buying her. Both myself and Fergus [Galvin] say she is the classiest mare we've ever been around."

Of the decision to continue racing the mare in 2022, Regan said, "[Trainer] Brad [Cox] still thought there was plenty left in her and there was. Her X-ray report after all her runs, what is it 21 starts, came back perfect. That will tell you what a tough and sound a mare she is. At the end of the day, Mandy got a lovely mare. We hate seeing her leave the farm, but we are grateful she is staying in the country."

Cont. p5

As for mating plans for Shedaresthedevil, Pope said, “We have a couple of stallions in mind, but we will have to see who else is going to retire. She'll probably going to **Gun Runner** or Flightline or one of the top stallions.”

By the end of Sunday's auction, Pope had signed for two mares, going to \$2.9 million for Wicked Whisper (**Liam's Map**) (**hip 253**), and a \$575,000 weanling half-brother by Authentic (**hip 125**) to Cyberknife. [@JessMartiniTDN](#)

Campanelle A Hot Commodity at Fasig

Group 1 winner **Campanelle (Ire)** (Kodiac {GB}) (Hip 272) was in high demand, as expected, at Fasig Sunday, summoning a whopping \$5 million from Coolmore's M.V. Magnier.

“She was a very nice yearling,” said Magnier. “Her breeder has always liked her, even when she was a foal and a yearling. She is a nice filly. She is very fast. She has done great for Barbara Banke and we look forward to breeding her.”

As for what's next, Magnier said, “We might breed her here and then bring her home [to Ireland]. We have a couple of ideas in mind. We could breed her to **Justify** or bring her back to **No Nay Never**. There are plenty of options.”

Ben McElroy went across the pond to secure some European-bred fillies on behalf of Stonestreet's Barbara Banke with the goal of racing both here and in Europe with Wesley Ward. A

190,000gns TATOCT acquisition, the bay opened her account with a trio of victories, including the 2020 G2 Queen Mary S. at Royal Ascot and that year's G1 Prix Morny at Deauville.

M.V. Magnier | Fasig-Tipton

She crossed the line a head short in her next trip to the royal meeting for the G1 Commonwealth Cup, but was promoted to first via DQ. Campanelle won twice in 2022, taking the Giant's Causeway S. in April and the GIII Kentucky Downs Ladies Sprint S. Sept. 10. **Cont. p6**

Uncle Mo Filly Tops Weanlings at Fasig-Tipton November

Well into Sunday's session of the Fasig-Tipton November sale, a weanling by **Uncle Mo** provided fireworks when bringing a \$1.35 million final bid. Following a rapid fire volleys, which was precipitated by the eventual underbidder Legion Bloodstock, Paramount Sale's Gabriel Duignan signed for **Hip 128**, a filly out of multiple Grade I winner Bellafina (**Quality Road**). The Feb. 11 foal was consigned by Eaton Sales, agent.

"She is just a beautiful filly," said Duignan, who said he was signing on behalf of a partnership. "She is by **Uncle Mo** and out of a hell of a mare. She is just drop dead gorgeous. It's as good as it gets. She also seems to be like the good Uncle Mos. You get them really pretty."

Regarding the final price, he added, "I thought she'd bring about a million. It's just where it is now for the good ones."

He continued, "I think the market is strong here. It's been strong all year, especially for quality."

Equally high on the filly was Eaton Sales' Reiley McDonald. "Any time you get a million or more for a weanling, you're doing well."

Hip 128 in the ring | Fasig-Tipton

Of her allure, he said, "In this case, the filly was exquisite. She looked exactly like her mother. With the long neck and the huge shoulder—depth and length and big hip." **Cont. p7**

“So I wasn't surprised at the price. It's a lot of money, but I would say she was worth every penny of that and maybe more.”

He added, “She was a good size, but not too big. And she had all the same traits that her mother had. She had a massive shoulder with great angle. Great, huge depth and a long back. She looks like she's equipped to carry the speed and the long back to carry the distance. Those don't come along too often.”

Bellafina, an \$800,000 Fasig-Tipton Florida juvenile purchase by Kaleem Shah, showed her ability early, graduating in her second career start in the GII Sorrento S. before adding victories in the GI Del Mar Debutante S. and GI Chandelier S. Fourth in the GI Breeders' Cup Juvenile Fillies, she returned at three to annex the GII Santa Ynez S., GII Las Virgenes S. and the GI Santa Anita Oaks. Coolmore bought a stake in the filly following a runner-up finish in the GI Breeders' Cup Filly & Mare Sprint that season, and she filled the same position again in the GI La Brea S. She added a win in the GIII Desert Stormer S. at four before retiring with seven wins from 18 starts and earnings in excess of \$1.6 million.

“She is a gorgeous filly and obviously she is very well bred,” said Shah. “I'm in partnership on these horses, so it's a practical decision to sell them. But I'll admit, I do have seller's remorse on this filly. She is a gorgeous filly and I wish I had kept her. I hope she'll do well for herself and for the new owners.”

Later in the session, Bellafina sold to Coolmore for \$4 million.

Coolmore Comes Back for Bellafina

After going to \$1.35 million to buy out partner Kaleem Shah for the first foal out of **Bellafina (Quality Road)** earlier in the session, the Coolmore team was back in action to acquire the mare herself (**hip 264**) for \$4 million from the Eaton Sales consignment. The 6-year-old mare, who was purchased by Shah for \$800,000 at the 2018 Fasig-Tipton Gulfstream sale, won the 2018 GI Chandelier S. and GI Del Mar Debutante S. and came back in 2019 to win the GI Santa Anita Oaks. She sold Sunday in foal to 2020 GI Belmont S. and GI Travers S. winner **Tiz the Law**.

“We raced in her partnership with Kaleem,” said Coolmore's M.V. Magnier. “She's a lovely filly. She's very well bred and she's in foal to **Tiz the Law**, who was an exceptional racehorse. It was just unfortunate that it was the COVID year because he probably would have won the GI Kentucky Derby if it was run in May.”

Buying out the same partnership, the Coolmore team went to \$1.9 million to acquire multiple Grade I-placed Donna Veloce (**Uncle Mo**), also in foal to **Tiz the Law**. Shah, who acquired Donna Veloce for \$800,000 at the 2019 Fasig-Tipton Gulfstream sale, purchased the mare's first foal, a weanling filly by **Justify (hip 159)**, for \$400,000 earlier in the session. @JessMartiniTDN

Grand Farm Secures Distaff Runner-Up

Blue Stripe in the ring | Fasig-Tipton

Just one day after almost pulling off a major upset across town in the GI Breeders' Cup Distaff, **Blue Stripe (Arg)** (Equal Stripes) (Hip 316) was in the spotlight once again, bringing \$4 million from Japan's Grand Farm with Emmanuel de Seroux acting as agent.

"She almost won the race," de Seroux said. "She is a super filly and she is beautiful. On top of that, we love Argentine mares.

They do very well in Japan."

When asked if she will race or retire to the breeding shed, he said, "We will see. There is a good chance she will be bred."

A four-time winner in her native land including a Group 1, Blue Stripe made her first American appearance in last year's Distaff, finishing a well-beaten seventh. Capturing the GI Santa Margarita S. in her seasonal bow, the bay was a close second in the GI Santa Maria S. in June and won the GI Clement L. Hirsch S. at Del Mar Aug. 6. Given a breather, Blue Stripe came within a nose of soon-to-be two-time champion Malathaat (**Curlin**) at odds of 24-1 in Saturday's Distaff, earning a 102 Beyer Speed Figure.

Out of Argentinian MGSW Blues For Sale (Arg) (Not for Sale), Blue Stripes is a half to 2019 Distaff winner Blue Prize (Arg) (Pure Prize), who topped that year's renewal of this auction at \$5 million. Taylor Made sold the mare for Pozo de Luna.

The mare sold in foal to super sire **Curlin**, who was represented by three Breeders' Cup winners Saturday across town at Keeneland.

"It was the perfect name," joked Pope's advisor Todd Quast. "She is a lovely mare. She has done everything right, great physical, bred to **Curlin**. We are very, very happy."

Todd Quast, Mandy Pope and Adrian Regan (l to r) | Fasig-Tipton

A \$500,000 KEESEP purchase by Alex and JoAnn Lieblong, Wicked Whisper won three of eight starts for trainer Steve Asmussen, topped by the GI Frizette S. She failed to get in foal to **Uncle Mo** last year, so the **Curlin** she is carrying will be her first foal.

Wicked Whisper is a half-sister to GSW & MGISP Point of Honor (**Curlin**) and SW Velvet Mood (Lohnro {Aus}). Her dam Zayanna (Bernardini) is a half to MGSW & GISP millionaire Mr Freeze (To Honor and Serve) and GSW Dilemma (Grand Slam).

"She has an amazing physical," said Conrad Bandoroff of Denali Stud, which consigned the mare. "Alex and JoAnn Lieblong buy very good-looking fillies and she certainly fits that mold. She was fast. She was a good 2-year-old. Not only did she have the physical and the pedigree, but she had the racetrack performance. We wish them the best of luck."

It's been a great weekend for Denali, who sold Saturday's GI Breeders' Cup Distaff winner as a yearling for \$1.05 million at KEESEP.

"I've been beaming with pride," said Bandoroff. "Just to have the smallest little fingerprint on Malathaat gives us tremendous pride. We are eternally grateful to Shadwell and Stonestreet for

letting us ride the coat tails on a champion. The fangirl in me, I just love her." --@CDeBernardisTDN

Kalypso to Japan

Japanese buyers made up a major part of the market at the 2021 Fasig-Tipton November sale and, despite a less favorable exchange rate in 2022, bidders from the Far East were quick to get on the board Sunday in Lexington when Katsumi Yoshida purchased Grade I winner **Kalypso** (Brody's Cause) (hip 192) for \$2.1 million.

"We know that she was racing well and she had an outstanding racing career," said Shingo Hashimoto, who signed the ticket on behalf of Yoshida. "We thought she was a very good candidate to bring to Japan. We're very excited to have bought her. We will breed her, but we haven't decided to keep her in the U.S. or send her to Japan yet."

Shingo Hashimoto | Fasig-Tipton

Kalypso, out of a full-sister to graded winner Prospective (Malibu Moon), was purchased for \$240,000 at the 2019 Fasig-Tipton July Yearling Sale. Racing for David A. Bernsen, Gainesway Stable, Rockingham Ranch and Chad Littlefield, she won last year's GI La Brea S. and GII Santa Ynez S. and was second in the 2020 GI Starlet S.

Hashimoto agreed the exchange rate would make buying more difficult in Kentucky this year.

"We have a big list, but it's going to be tough to buy," he said. "It's like 30% that the exchange rate has been depreciated for the Japanese yen. So it's tough, but we've got to deal with it."

Grace Adler Gives Lund Peterson, Lanni, Even More Reason to Celebrate

Just a few hips after Gamine lit up the board at \$7 million from Coolmore, **Grace Adler (Curlin)** reeled in a cool \$2 million from Narvick International. Winner of the GI Del Mar Debutante, Grace Adler was also consigned by Hill 'n' Dale on behalf of Michael Lund Peterson.

Narvick's Emmanuel de Seroux said, "We bought her for Grand Farm of Japan. She was a fantastic 2-year-old and she's a beautiful filly by **Curlin**. She is everything that we were looking for."

"The price was fair value, I think. Compared to some of the other horses that brought \$3 million, she belongs with them."

In addition to Lund Peterson and Hill 'n' Dale, a common thread between Gamine and Grace Adler are Hall of Fame trainer Bob Baffert and bloodstock agent Donato Lanni.

"Bob and I work everything together. We're a team. He really does all the heavy lifting, training them is the toughest part. He's done a great job developing these horses."

"It's great to see the market as strong as it is. They are fillies that are beautiful, were successful on the racetrack and they retired sound. These are just the kind of mares people want to buy. They are collectors' items. But it is just gratifying to see these horses go to the track and do well." --@CBossTDN

Princess Grace Headed to Australia

MGSW & GISP **Princess Grace (Karakontie {Jpn})** (Hip 221) is headed to Australia after being snapped up by the China Horse Club for \$1.7 million Sunday evening. A trainer has yet to be determined.

"We thought she was an absolute queen, apex physical, very consistent form," China Horse Club's Michael Smith said, after signing the ticket alongside the Teo family and other CHC principals. "We are going to take her to Australia and try to make her a Group 1 winner. She has another 12 months of racing in her and then she will be a beautiful addition to the broodmare band."

As for the price, Smith said, "We really stretched to get her, but considering it was Sheikh Fahad and Coolmore who were the underbidders, I think it shows we were on the right track."

“Mr. Teo has always had a bold global vision for China Horse Club and we feel that Princess Grace can add to delivering on that given her international pedigree and profile.”

Owned and bred by John and Susan Moore, Princess Grace won a quartet of graded events on the grass and placed three times at the highest level while under the care of trainer Mike Stidham. The dark bay's record currently stands at 14-7-3-3 with earnings of \$1,456,223.

Princess Grace is out MSP Masquerade (Silent Name {Jpn}), who is a half-sister to GSW Svea Dahl (Honor Grades).

Wertheimer Family Gives \$1.5M for Thinking of You

In 2015, **American Pharoah** reached the zenith of American racing when winning the Triple Crown. However, at stud, the Coolmore stallion has shown an international appeal, as illustrated by Thinking of You, who realized \$1.5 million at Fasig Tipton Sunday night. Stepping up to secure the daughter of the unraced Galileo (Ire) mare Fabulous (Ire) was Pierre Yves Bureau, signing on behalf of the Wertheimer family. Offered as **Hip 245** by Taylor Made Sales Agency, the mare was sold in foal to Triple Crown winner **Justify**.

“That is a page that we don't see very often in a sale,” said Bureau. “She has a very nice family and by a good young stallion. That makes a difference and I hope she'll be a good one. We thought she'd be more than a million but it was higher than I thought. I was a nice page.”

Thinking of You in the ring | Fasig-Tipton

The 4-year-old is a full-sister to G1 Prix Saint-Alary heroine Above the Curve and a granddaughter of GSW Mariah's Storm (Rahy), who famously produced European Horse of the Year and leading sire Giant's Causeway.

“I thought she'd bring around that number,” said Taylor Made's Mark Taylor. “If you look down the page, it's one of the best families in the catalog. It's the family of Giant's Causeway. She has a sister that is a top-class runner and that is in foal to **Justify**. For people who breed at the top of the market, she ticks all the boxes. And she was a beautiful mare on the end of the shank, so I was confident she'd bring north of a million, and could bring 1.5 and maybe a touch more. So that was a very fair price.”

Taylor Made is very familiar with the family, also having sold Mariah's Storm.

“We sold Mariah's Storm, carrying Giant's Causeway,” recalled Taylor. “She brought \$2.6 million. It seemed like Coolmore paid a lot at the time but it turned out to be a bargain.”

Commenting on the desire for international pedigrees, he added, “The nature of her pedigree is what everyone is looking for. The world is shrinking. You're seeing horses from Japan racing all over the world and European horses racing over here. So I think you'll see that more and more. This pedigree is a great representation.”--@CBossTDN

Gun Runner Filly Proves Popular at FTKNOV

A daughter of red-hot sire **Gun Runner** (Hip 97) sparked some fireworks during the weanling portion of FTKNOV, summoning \$675,000 from Randy Hartley, who purchased her on behalf of a partnership.

“We will see how it goes,” said Hartley, who works in partnership with Dean DeRenzo. “Our goal will probably be to pinhook her back as a yearling. We are just trying to buy some nice babies.”

He continued, “We love **Gun Runner** so much. Gun Runners are so hard to get. She is a special filly with a big pedigree and we felt she had so much residual down the road. We sold Taiba as a 2-year-old, so we have special feelings for him. We are trying to buy the best Gun Runners we can get our hands on.”

Hip 97 was the second daughter of **Gun Runner** to eclipse the \$600,000 mark Sunday, following Hip 31, who brought \$625,000 earlier in the day.

“She is a big, leggy, two-turn horse,” said Hartley, who scooped up a son of **Gun Runner** (Hip 153) for \$550,000 later in the day. “She's all class. Her presence is different than anything I've seen here so far. When the other filly brought \$625,000 earlier, we knew we'd have to go to at least \$600,000 because this one is a bit stretchier.”

Bred by Newstead Corp, Hip 97 is out of the **Tapit** mare Temptress, who is also the dam of MGSW & MGISP millionaire Tenfold (**Curlin**). The weanling's third dam is MGISW millionaire Possibly Perfect (Northern Baby). Hip 97 was consigned by Elite, which is known for selling racehorses and broodmares.

“We are in the weanling business now,” said Elite’s Brad Weisbord. “We expected a little less, but **Gun Runner** is hot, the market is hot and that filly was hot. We’re excited for the seller. Randy and Dean do a great job. They will probably turn her into a seven-figure horse.”

He added, “We will probably branch out a bit in '23. The only reason we sold a weanling here is because we had a baby out of a momma that we are selling. We got a call and were asked if we were selling weanlings. We had one, so figured why not take two. But, we said it has to be a great one because Elite sells at the top end of the market, so we only want elite product. The seller said this filly was a superstar. She sold great. We are all very excited.” --@CDeBernardisTDN

The New Hill Makes Most of Kentucky Trip

Hip 31 | Fasig-Tipton

The New Hill Farm had just one horse in its Fasig-Tipton November consignment, but the operation made the most of the opportunity when selling a weanling filly by **Gun Runner** (hip 31) for \$625,000 to the phone bid of Dell Ennis. The bay, who was bred by Mark Erlandson, is out of the unraced Mama Yay (**Mineshaft**). Erlandson purchased the mare, in foal to Arrogate, for \$20,000 at the 2020 Keeneland November sale. She is the dam of Empire House (Empire Maker), who finished third in the GI Zenyatta S. last month and is from the immediate family of Saturday’s GI Breeders’ Cup Sprint winner Elite Power.

“It’s such a great boutique sale and all of the right people are here,” said The New Hill Farm’s Lili Kobielski. “A filly like this deserves to be here. She is obviously by the right sire and the female family was already fantastic. Then we had that big update with Elite Power winning the Sprint and her half-sister placed in a graded stakes. So the stars all just aligned.”

Of the trip to Kentucky from her base in Hoosick Falls, New York, Kobielski said, “She brought us here. Our farm is in New York and we usually sell in New York at the Saratoga Fall Sale or the Preferred Sale or the Select Sale up there. But this just seemed like the perfect spot.”

Tanya Johnson prepped the filly at The New Hill and admitted the weanling may have been pampered.

“It was a lot of fun and a great pleasure to be given the opportunity to even have a horse like that,” Johnson said. “We knew she was pretty special the minute she got there, so she may have gotten away with a few things that another one might not have.”

Asked to describe the weanling's personality, Johnson smiled and said, “She's a diva.”

While Mama Yay is currently in Kentucky, Erlandson is active in the New York market.

“Mark participates in the New York program and that's how we met,” Kobielski said. “Several of his mares are in New York, but I'm not sure if he's planning on sending her to back to have a New York-bred foal. That would be thrilling, of course. We love the New York-bred program, obviously, and the rewards are fantastic. I am delighted for the breeder. He's very sharp. He bought the mare for \$20,000 and he bred to **Gun Runner** in his bubble year before he became the superstar that he is. So it's just a wonderful result.” @JessMartiniTDN

The mare was purchased by Dan Burke's Longford Farm, which sold the sale-topping full-brother to Cave Rock (Arrogate) at the Fasig-Tipton New York-bred Yearling Sale in August, as well as a \$550,000 son of **Gun Runner** (hip 153) earlier Sunday.

Flightline Retired to Lane's End cont. from p1

Flightline | Breeders' Cup/Eclipse Sportswire

Flightline's victory in the \$6-million Classic at Keeneland was the culmination of a record-breaking career in which he won all six starts--including four Grade I's--and earned \$4,514,800. He is the world's highest-rated racehorse in 2022, having been assigned a mark of 139 following his 19 1/4-length victory in the GI TVG Pacific Classic Sept. 3. His rating is the second-highest ever assigned by the World's Best Racehorse rankings, behind only the great **Frankel (GB)** (Galileo {Ire}).

Facing the strongest field he had ever met in the Classic, Flightline stalked four-time Grade I winner Life Is Good (Into Mischief) through fast fractions before collaring that rival at the quarter pole and drawing clear under a hand ride. He earned a Beyer Speed Figure of 121.

"We would like to thank trainer John Sadler and his team for the incredible work they did with Flightline," said Lane's End's Bill Farish. "His historic performances are a credit to their expertise and unwavering efforts to bring out the very best in the horse."

Flightline displayed star power from the beginning, winning on debut in April of 2021 at Santa Anita. His 13 1/4-length victory earned him '**TDN Rising Star**' status and a Beyer Speed Figure of 105. **Cont. p21**

He followed that with a devastating first-level allowance romp at Del Mar, winning by 12 3/4 lengths and earning a 114 Beyer. Making his stakes debut in the GI **Runhappy** Malibu S. in December of 2021, Flightline cruised by 11 1/2 lengths for a 118 Beyer. Next seen in the GI Metropolitan H. at Belmont Park June 11, he overcame a poor start to score by six lengths, earning a 112 Beyer.

Flightline | Coady

Trying two turns for the first time in the Pacific Classic, Flightline pulled clear effortlessly from G1 Dubai World Cup winner Country Grammer (**Tonalist**) to earn a 126 Beyer--the joint second-highest Beyer since *Daily Racing Form* began publishing Beyer Speed Figures 30 years ago. Thoro-Graph assigned Flightline a negative-8 1/2 for the performance, the fastest number it has ever given out, while Timeform assigned him a rating of 143, the highest number ever given to an American-trained horse.

Flightline is out of Jane Lyon's Feathered, who won the GIII Edgewood S. and finished second in both the GI American Oaks and GI Starlet S. and third in the GI Frizette S. His third dam is multiple Grade I winner Finder's Fee, while his fourth dam is Grade I winner Fantastic Find.

KEENELAND NOVEMBER GETS UNDERWAY MONDAY

GI Breeders' Cup Turf Sprint victress Caravel sells as Hip 224 at KEENOV | *Breeders' Cup/Eclipse Sportswire*

by *Christie DeBernardis*

LEXINGTON, KY--The industry action moves back to Keeneland Monday, just two days after the Lexington oval hosted the Breeders' Cup, for the 10-day Keeneland November Sale, which runs through Nov. 16.

The auction opens at 1 p.m. Monday with a single session Book 1, containing 240 head. Thirty minutes prior to that however, Keeneland offers the chance of a lifetime, a 2.5% fractional interest in the undefeated and sensational GI Breeders' Cup Classic winner **Flightline** (*Tapit*). It will be part of their first metaverse experience. (Click [here](#) for full story).

Keeneland November continues with Tuesday with the first of two Book 2 sessions. Books 3 and 4 will have two sessions each and Book 5 will be comprised of three sessions. Sessions for Books 2 through 5 will begin at 10 a.m. daily for the 3703-horse catalogue. Keeneland will host a Horses of Racing Age Sale at the conclusion of the regular Keeneland November catalogue Nov. 17, which will be comprised of 333 racehorses.

"We've gotten a lot of focus on just the Flightline interest alone and that probably wouldn't have happened [if the Breeders' Cup wasn't here]," said Keeneland's VP of Sales Tony Lacy. "We've gotten some really nice supplementary entries as well, like, for example, [GI Breeders' Cup Mile runner] Dreamloper (*Ire*) (*Lope de Vega {Ire}*). She was brought here because of the fact that she's a multiple Group 1 winner in France this year. She's one of the highest-rated fillies to be sold this year anywhere and she came here because we have the Breeders' Cup here, because we have the audience and we have the structure."

SHOWING MONDAY, NOVEMBER 7TH
IN BARN 29

The Breeders' Cup provided some timely updates to the sale as well, such as Caravel (Mizzen Mast) (Hip 224), who upset the GI Breeders' Cup Turf Sprint at 42-1 Saturday. GI Breeders' Cup Sprint upsetter Elite Power (**Curlin**) gave his half-sister Prevaricate (Hip 1282) a boost as she sells later this week in foal to **Improbable**. Zia's Song (Hip 1), a half-sister to narrow GI Breeders' Cup Dirt Mile runner-up Cyberknife is the first through the ring Monday, selling in foal to her half-sibling's sire **Gun Runner**. Also, MGISW War Like Goddess (English Channel), whose dam Misty North (Hip 113) sells in foal to **Curlin** Monday, finished a close third against males in the GI Breeders' Cup Turf

Hosting the World Championships in Lexington also brought more international buyers and sellers to town than may have been in attendance otherwise.

"There's a large number of Australian breeders here for the races, but they're also here for the sale," Lacy said. "A lot of countries are coming out of travel restrictions that were pretty punitive over the last number of years. This is the first Breeders Cup that is held without restriction that allows a lot of the Europeans that have not been back to Lexington, or to America, for quite a while and they're coming here for the sale as well. The Japanese have been extremely strong. They were here in force in September and they're going to be back here again. And it's always great to welcome the international aspect of this because that's that's what we are, the world marketplace."

Keeneland

Keeneland saw an extremely strong marketplace all the way through during their 10-day September Yearling Sale and Lacy expects that will continue as we enter the breeding stock sales season.

"I think we're looking at a very solid market," Lacy said. "We've got a lot of quality and it's deep all the way through the catalogue. I know the demand for broodmares is probably stronger than ever. We have all levels and that's something I think is extremely exciting. We see a lot of breeders that are

looking to reinvest and who feel confident in the market. They feel confident in the industry and that is a result of stronger purses again. The younger generation can see a future in this industry with the trajectory that we're on right now."

He continued, "I think the weanling market will be very competitive as well because people have to reinvest what they made from the September sale. It's very encouraging and I think it just allows breeders to know that their stock is worth probably a little more than what it was last year or the year before. We need to stabilize the foal crop and, hopefully, countrywide, not just in Kentucky. We want to make sure that the breeders feel that this is a viable process and that we can get the numbers back up."

Last year's November Sale was topped by GISW Paris Lights (**Curlin**), who summoned \$3.1 million from Spendthrift Farm. A total of 2,470 head sold for a gross of \$208,283,500. The average was \$82,001 and the median was \$37,000.

EPICENTER STABLE, EXPECTED TO RECOVER FULLY FOR STALLION CAREER

Epicenter | Sarah Andrew

Trainer Steve Asmussen reported Sunday that leading 3-year-old **Epicenter** (**Not This Time**), who was pulled up on the backstretch of Saturday's GI Longines Breeders' Cup Classic, had two screws inserted to stabilize a fracture in his condylar joint and is expected to make a full recovery for his future stallion career.

"Epicenter had a lateral condylar fracture of his right front," Asmussen said in a statement. "This morning, Dr. Larry Bramlage inserted two screws to stabilize the injury and the horse is up and resting in his stall. After surgery, Dr. Bramlage and the Rood and Riddle team are very happy with how the surgery went and the prognosis is excellent for him to be a healthy sire."

“Ron Winchell, David Fiske and myself want to expressly thank Joel Rosario for getting him pulled up, the on-site veterinarians, Dr. Nick Smith, who treated Epicenter on the track, and Dr. Stuart Brown, who coordinated Epicenter’s transportation from the racetrack, with a police escort, directly to Rood and Riddle, Keeneland, and my assistants Scott Blasi and Sarah Champion who stayed with Epicenter,” Asmussen added. “Enough cannot be said how thankful we are for everybody’s urgency to ensure Epicenter’s well-being and everything that was put in place to make the diagnosis for the on-site care, the transportation, Dr. Bramlage meeting him at the clinic, and then the care he has received at Rood and Riddle by the entire staff.”

Domestic Spending (GB) (Kingman {GB}), who was injured during the GI Breeders’ Cup Mile, has been confirmed to have a pelvic fracture and is in stable condition, according to a tweet from trainer Chad Brown Sunday.

“He is more comfortable today and remains stable,” Brown said of his multiple Grade I winner. “He does have a pelvic fracture, likely originating when he broke from the gate and worsening as the race continued according to my veterinary team. He is receiving excellent care around the clock.”

CODY’S WISH TO REMAIN IN TRAINING IN 2023

Cody’s Wish (Curlin), a sentimental winner of Saturday’s GI Breeders’ Cup Dirt Mile, his second straight Grade I win, will remain in training in 2023 according to Godolphin USA’s Director of Bloodstock, Michael Banahan.

“He came out of the Breeders’ Cup very well”, said Banahan. “He’s sound, healthy and we’re extremely excited about seeing him race next year.”

A future Darley stallion, Cody’s Wish has won or placed all 11 of his starts, including victories in seven of his last eight leading up to the Dirt Mile, with his namesake Cody Dorman in attendance.

Banahan continued, “Cody’s Wish continues to show his versatility having won the GI Forego S. sprinting, a total of five one-turn mile wins, including the GIII Westchester S., and now the two-turn Dirt Mile. We’ll give him a bit of a breather then plan out a 2023 campaign that again takes us to the Breeders’ Cup at Santa Anita.”

THE APPLEBY PHENOMENON

Charlie Appleby | Breeders’ Cup/Eclipse Sportswire

The Week in Review, by Bill Finley

Winning Breeders’ Cup races is supposed to be hard. Doesn’t Charlie Appleby know that?

The Breeders’ Cup annually brings together the best trainers in the U.S. and many of the best in Europe. Wayne Lukas has won the most races, 20. Bob Baffert is next with 18. Chad Brown and Todd Pletcher are always forces. Aidan O’Brien brings a small army to the Breeders’ Cup every year and has 16 winners to show for it, including three this year.

But Appleby stands alone. His numbers are remarkable. He has nine winners from just 17 starters. That’s 53%. Lukas has won with 12% of his starters; Baffert with 13%. O’Brien, Appleby’s main rival in Europe, is 16-for-169 in the Breeders’ Cup, which makes him a 9% winner.

Appleby won his first Breeders’ Cup race in 2013, capturing the GI Breeders’ Cup Juvenile Turf with **Outstrip (GB)** (Exceed And Excel {Aus}). But it was last year when he first served notice that he could do things than no other trainer could do. He entered three races and won all three.

He made it a record four straight when winning the first Breeders’ Cup race on Friday’s card, the GI Breeders’ Cup Juvenile Turf with **Mischief Magic (Ire)** (Exceed And Excel {Aus}). It would have been five straight if **Silver Knott (GB)** (Lope de Vega {Ire}) hadn’t broken a few steps slow in the GI Breeders’ Cup Juvenile Turf, a race he lost by a nose to the O’Brien-trained Victoria Road (Ire) (**Saxon Warrior {Jpn}**).

That was Friday. On Saturday he finished third with **Creative Force (Ire)** (Dubawi {Ire}) in the GI Breeders’ Cup Turf Sprint. He won the GI Breeders’ Cup Mile with **Modern Games (Ire)** (Dubawi {Ire}) and then won the GI Breeders’ Cup Turf with **Rebel’s Romance (Ire)** (Dubawi {Ire}). **Nations Pride (Ire)** (Teofilo {Ire}) ran fifth in the Turf for Appleby, the rare horse from his stable that underperformed. **Cont. p25**

FROM THE BREEDERS' CUP WINNER'S CIRCLE
TO THE KEENELAND SALES RING...

Caravel

Sensational Winner of the
Breeders' Cup Turf Sprint (G1)

Selling Monday | Hip 224

November Breeding Stock Sale

Sale Begins Monday, Nov. 7

KEENELAND 

Over a two-year span, he's entered eight Breeders' Cup races and won six of them. How does he do it?

Rebel's Romance | Breeders' Cup/Eclipse Sportswire

That he trains for the mighty Godolphin Stable is where you have to start. It provides him with a bottomless well of talent. But there's something more to it than that. Appleby clearly has figured out what horses from his stable fit best in North American racing and when he comes over here, he always comes over with a horse who is ready for their very best efforts. That's how he often gets it done with horses who aren't necessarily big stars at home. Rebel's Romance was coming out of Group 1 race in Germany, where the competition falls short of what it is in Great Britain, France and Ireland. Mischief Magic had won nothing better than a Group 3 race in Great Britain before finishing fourth, beaten four lengths, in the G1 Middle Park S.

And it's not just in the Breeders' Cup. Appleby is 17-for-35 (49%) over the last two years in North America. In addition to the Breeders' Cup races, he has won the GI Saratoga Derby Invitational, the GI Woodbine Mile S., the GIII Jockey Club Derby Invitational, the GIII Saratoga Oaks Invitational, the GI Canadian International, the GI Diana S., the GI Just a Game S., the GI Natalma S., and two editions of the GI Summer S.

It seems impossible that someone can enter only top class races and win almost 50% of the time, but that's exactly what he does when he comes here.

Appleby is only 47 years old and figures to be a force in the Breeders' Cup for years to come. It's not's hard to see him rewriting the record book some day. He's that good.

Sadler for the HOF

Somehow, John Sadler has been overlooked by Hall of Fame nominators and voters, a mistake that may now be rectified due to his outstanding work with GI Breeders' Classic winner and future Horse of the Year **Flightline** (Tapit).

Long before Flightline came along, Sadler was a prolific winner while performing at the top levels of the sport. He's won 2,715 races, good for 17%. He has 186 graded stakes wins, 45 of them in Grade I races. Along with **Accelerate** (Lookin At Lucky), he's won two runnings of the Classic. He's won the GI Pacific Classic four times, including four of the last five runnings, and the GI Santa Anita H. three times. When it comes to success with older male dirt runners, Sadler is as good as it gets.

Don't think that just anyone could have done with Flightline what he did. He had to guide the horse through a number of niggling problems, always seemed to make the right calls and stood up admirably to the pressure of training the best horse in the world. He's a Hall of Famer.

A Huge Couple of Days for the Europeans

The European contingent simply outclassed the Americans this year, winning six of the seven grass races. The only turf win for the U.S. came in the GI Breeders' Cup Turf Sprint, won by Pennsylvania-bred **Caravel** (Mizzen Mast). That was no surprise since American horses have won 14 of 15 editions of the Turf Sprint, a race where the Europeans are clearly at a disadvantage. And the Europeans came close in the Turf Sprint, finishing second, third and fourth.

Speaking of Caravel, there always seems to be at least one Breeders' Cup winner that just doesn't make any sense and it was her. She ran Beyer figures of 81 and 89 in her two prior starts, which didn't make her nearly fast enough to win. (She got a 105 for the win). But when Golden Pal (**Uncle Mo**) broke slowly, jockey Tyler Gaffalione seized the opportunity and made the lead. Gamely, she held on to win by a half-length. A job well done for Gaffalione, trainer Brad Cox and bettors who nailed the impossible longshot at 42-1.

Major Stables Dominate

These were your winning Breeders' Cup trainers: Chad Brown, Cox, Bill Mott (2), O'Brien (3), Appleby (3), Todd Pletcher (2), Sadler and Mark Casse. This was not a Breeders' Cup for the little guy. Only Marcelo Polanco, whose won only three races this year, came close, losing the GI Breeders' Cup Distaff by a nose with Blue Stripe (Arg) (Equal Stripes {Arg}). You have to feel for Polanco, who has won just nine graded stakes in his career and just a combined seven races over the last three years. But he can be proud that he had his mare ready to run the race of her life.

Flightline Is Retired

I guess the owners of Flightline didn't get a chance to **read my column in Sunday's TDN** imploring them to bring the superstar back for another year of racing. Or it fell on deaf ears.

About the time the ink had dried on the column they announced his retirement.

I actually thought there was a chance they would bring him back, which now seems hopelessly naive. The lure of the stallion shed and the riches it will bring won out. How do you walk away from all that money? Probably, there never was a chance he would run again.

I get it. No hard feelings. Thanks for a wonderful, albeit short, run and the memories. What a horse.

Champions Dream finished best of all in the middle of the track to capture Sunday's GIII Nashua S. and become the latest stakes winner for Triple Crown hero **Justify**.

Named a 'TDN Rising Star' off a well-bet front-running debut score Sept. 3 at Saratoga, the gray chased the pace before backing up to be a well-beaten fifth in the GI Champagne S. here Oct. 1. Let go as a fractional second choice behind Full Moon Madness here, he broke a half-step slowly and settled second last in the five horse group through splits of :23.10 and :46.25. Appearing beaten to the punch by the favorite while going three wide on the turn as pacesetter Prove Right dug in his heels as well, Champions Dream just found enough in the final sixteenth to overtake Full Moon Madness for the victory. Prove Right finished a close third.

“He broke a little flat-footed today. He’s fast and we thought we’d be on the lead. Down the backside, Irad [Ortiz, Jr.] said he almost clipped heels and fell,” said winning trainer Danny Gargan. “The six-horse [American Speed] came over on him and he had to check. I was worried for a minute. You never know, when you have a horse that’s been speedy, how they’re going to run when they come from off of it. Irad said he was sitting out there waiting to make his move. He was wide throughout, but he ran really good today.”

Pedigree Notes:

Justify's fifth stakes winner--breaking a tie with Bolt d'Oro and Girvin to place him first among freshman sires--Champions Dream is his first male stakes winner and the first stakes performer out of Dancinginherdreams, who won the GII Pocahontas S. in 2010 and placed in two other graded events. The former John Oxley colorbearer has a yearling colt by **Flameaway** who sold for \$150,000 at Fasig-Tipton October and foaled a filly by the same sire this season before returning to him for a third straight time.

Who's the Star didn't venture into stakes company for his first dozen starts, but has blossomed since doing so in his last three outings, taking the Niagara S. on the local turf and the GIII Durham Cup S. over the synthetic sandwiched around an eighth in the GII Kentucky Turf Cup S. at Kentucky Downs.

Made the narrow favorite in this spot, the gelding broke slowly and traveled second last behind splits of :23.59 and :46.78. Still with a lot do as three-quarters went up in 1:10.11, the bay came alive in the final furlong and closed furiously to just tag War Bomber on the line.

Who's the Star | Michael Burns

“Inside speed has been playing good all week,” said winning rider Emma-Jayne Wilson, who was joined by her daughters, Avery and Grace, in the winner’s circle. “But on paper, there was a lot of conflicting speed as well. When they cut the half in :46 and change, my guy’s going to come running every time. He comes home fast, and he came home fast today. He’s huge. He’s not a small horse, so he takes a little bit to get his legs underneath him. Some horses, they can quicken really fast within two jumps, some horses quicken a little longer. He takes a little longer to get going, but when he does, that kick is vicious.”

VAZQUEZ, MILLER TAKE SANTA ANITA AUTUMN MEET TITLES

Jockey Ramon Vazquez, a 38-year-old native of Puerto Rico, finished with 25 victories through the 18-day stand Santa Anita Autumn meet to capture the riding title, finishing five wins ahead of runner-up Juan Hernandez. Vazquez, who started riding in California in March after stints at Prairie Meadows and Oaklawn, took his first-ever Santa Anita title on the meet's closing day Sunday.

"I'm grateful to be here and to the owners and trainers who have supported me," said Vazquez. "I'm blessed, this is big for me because not everybody who comes to ride at Santa Anita has made it [leading jockey] in such a short time. I'm so blessed and I thank everybody who has supported me."

Miller, a 56-year-old native Angelino who bases primarily out of San Luis Rey Downs Training Center, collected his fourth Autumn Meet title and his sixth overall Santa Anita training crown.

"We're very excited to win another title at Santa Anita," said Miller. "It's always a great accomplishment to win there. It's a team effort. The people in the barn did a great job all meet and really special thanks to my owners for being just the best, the most loyal group of owners a guy could ask for. Looking ahead, we'll have a small string at Oaklawn but our main focus will be at Santa Anita."

Live racing will return to The Great Race Place with opening day for the 2022-23 Winter Spring Meet on Monday, Dec. 26.

A pillar-to-post winner of a maiden special weight here over a sloppy 6 1/2 furlongs Oct. 2, Good Sam stepped up to a mile with aplomb, handing her freshman sire his first black-type winner in the process Sunday.

Heavily favored, the Peter Brant silksbearer was part of the early pace discussion perched three deep down the backstretch. She eventually settled in a stalking third while punching the breeze through a half-mile in :46.84. Revved up for her bid by Irad Ortiz, Jr. as noses pointed for home, she swept wide on the turn and galloped her rivals into submission to win going away. She did briefly move in toward Foggy Night when passing that foe, but straightened out to forge clear and win by open lengths. Paco Lopez, aboard the runner-up, raised an objection regarding the winner's course during the stretch drive, but the stewards dismissed it and the result was allowed to stand.

"This is a nice filly," said Ortiz, Jr. "She deserves all the credit. It was a pretty easy ride out there. She broke good and I took my time with her. Whenever I asked her, she responded.

"She's mature. Last time, she was a little green in the stretch and today she was a little better. I think she's learning."

He added of the objection, "I feel like I never bothered the other horse. She went in when she changed leads, but I corrected her and never even hit him [Lopez, aboard number three, Foggy Night]. I grabbed her and got her straight, and then I hit her a couple times on the left side and she was going forward."

Out of the placed mare Twizzler, Good Sam is the mare's third winner from three foals, which also includes the stakes-placed Zanadu (**Mineshaft**). The bay was her WinStar Farm-based sire's most expensive weanling/short yearling as a \$110,000 Keeneland January graduate and earned that same accolade outright as a \$310,000 Keeneland September alum. Keeneland September alum, which was also the priciest yearling for sire. Since foaling Good Sam in 2020, Twizzler has exclusively returned to **Good Samaritan** without issue. A half-sister to MSW & GSP A New Twist (Storm Cat), the MGSP Awesome Twist (Awesome Again) and two other black-type horses, the 9-year-old visited him again this spring. The winner's second dam Twist Afleet (Afleet) won the GI Test S. and GI Top Flight H. **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by TVG.**

CHARLIE'S PENNY (f, 4, Race Day--Sweet Lorraine, by Warrior's Reward) had one lone start in 2021, a winning one; taking home the money in Fair Grounds' Silverbulletday S. as a sophomore. Gone until June 4 of this season when she resurfaced in the Crestwood S. at Hawthorne, she would run second to Chilean and American stakes-winner Cheetara (Chi) (Daddy Long Legs). She'd later earn a career-best 85 Beyer Speed Figure when finishing second Aug. 1 in her only turf sprint start--against optional claimers at Colonial Downs--before leaving the barn of Chris Block for Joel Berndt. She dominated the Bella Notte Minnesota Distaff Sprint Championship S. for that conditioner last out Sept. 10 by over five lengths as the heavy 4-5 favorite. Returning to the Block barn here and again enthusiastically supported at 6-5, she bumped with an inner rival at the jump but settled to track from fourth. Ranging up from the outside as they turned for home, she locked horns with Lovemesomeme (**Paynter**) passing the furlong marker and grinded home to secure a 1 1/2-length advantage in the end. A full-sister to Mom's Red Lipstick, SW-USA, SP-Can, \$167,679, Charlie's Penny is the second of as many to achieve stakes success for the broodmare. The dam has a yearling filly by **Munnings**. NEWGRANGE (c, 3, Violence--Bella Chianti, by Empire Maker) won both the GIII Sham S. at Santa Anita and the GIII Southwest S. at Oaklawn Park on the road to the GI Kentucky Derby earlier this year before running out of steam to be sixth as the favorite in Oaklawn's GII Rebel S. Feb. 26. Switched to Phil D'Amato's barn, he made his first start in seven months at Del Mar Sept. 3, finishing a distant third in the Listed Shared Belief S. Racing with Lasix for the first time Sunday after another layoff, the \$325,000 Fasig-Tipton 2-year-old went straight to the front to lead the way with Impossible Task (**Liam's Map**) to his outside. Utilizing another gear past the quarter pole, Newgrange powered away

from his rivals down the stretch under a right-handed ride, winning by 5 1/2 lengths over last year's GI Pacific Classic victor Tripoli (Kitten's Joy). Newgrange has a yearling full-brother still to race behind him who is his dam's youngest reported offspring. Sales History: \$125,000 Ylg '20 KEESEP; \$325,000 3yo '22 FTKHRA. HERO STATUS (c, 3, Flatter--Echo Warrior, by Tiznow) steadily improved in position and Beyer Speed Figures since his debut Apr. 16 at this venue, finally breaking through the maiden ranks last out Sept. 2 at Del Mar while posting a 90 Beyer for the 6 1/4-length victory. Even-money and newly blinkered here, he sped to the front and closer to the fence as Street Ruckus (**Street Boss**) latched on to his hip to press the issue. Clear of that rival into the final sixteenth, he was challenged again as Street Ruckus caught a second wind late, but was just denied by a neck. Out of a daughter of GSW War Echo (**Tapit**), herself a half-sister to GISW & MGISP Pyro (Pulpit), that one's full-sibling MGSF Longview Drive, and a full-relation to G1SP Farrier, Echo Warrior claims GSW Munitions (**War Front**) as a half-sibling. NATIVE THUNDER (c, 3, American Pharoah--Miss Houdini {GISW, \$187,600}, by Belong to Me) took four tries to break his maiden, and, after a third-place effort on the grass locally Apr. 9, drew off to win by four lengths in an off-turf race at Monmouth in June. Given some time off, the chestnut fired a best-of-eight bullet over a half-mile at Palm Beach Downs in :49 flat on Oct. 29 and was an 18-1 proposition trying allowance foes and a synthetic surface for the first time. Stalking from a wide second into the clubhouse turn, he looked to be climbing a bit on the

backstretch, but drew up to even terms with just over a half-mile remaining with the pace-setting Great King (Fr) (Shamardal). He thrust his neck in front on the far turn and set sail for home as Great King tired. Edgar Prado flashed the whip at the colt to keep his mind on business, and was then given several taps to repel the rally of On Thin Ice (**More Than Ready**) by a half-length. His dam took the GI Del Mar Debutante, but has not produced a foal since Native Thunder. She was bred to **Global Campaign** for 2023. The winner is a half to Ce Ce (Elusive Quality), Ch. Upped to a mile for this third start, the Lothenbach Stables homebred was 2-1 Sunday. Last bar one leaving the chute, One Time Mo trailed splits of :22.82 and :45.69. Scrubbed on from the bell, the lanky bay battled with a longshot to his outside, but had established dominance by a neck through an opening quarter in :22.17. ARI GOLD (c, 2, Medaglia d'Oro--Satirical, by Distorted Humor) was unveiled as the even-money favorite Sept. 3 in a Saratoga turf route maiden, finishing fourth in a contest which yielded next-out winner--an \$850,000 KEESEP grad--General Jim (Into Mischief) at the head of the field as well as Scramble (**Gleneagles {Ire}**) and Fly Right (**Astern {Aus}**), who would make up the trifecta here. He again finished fourth last out Oct. 2 at the Belmont At The Big A meet when the mile maiden came off the turf and was run over a sloppy, sealed track. Establishing an early lead, Breeders' Cup Classic-winning jockey Flavien Prat let his charge coast along through a half in :48.42, and cut the corner into the lane as he called on Ari Gold for his rally. Kicking away from rivals as Scramble belatedly tried to make a race of it, the pair came in 2 1/4 lengths the best as Fly Right weakened from his stalking position late to get overtaken for place money. A half to Petruchio (Into Mischief), GSP, \$112,550, the \$220,000 KEESEP grad has a 2022 half-brother by **Ghostzapper** and the dam, a half-sister to MGISP & MGSW Rule (Roman Ruler) and MGISP & MGSW Matrooh (Distorted Humor), visited Omaha Beach for 2023. This is the female family of Champion 3-year-old, GI Kentucky Derby and GI Preakness hero Funny Cide (Distorted Humor). Sales history: \$220,000 Ylg '21 KEESEP. YOUBETTERBEJOKING (g, 2, Practical Joke--Iridium, by Flower Alley) was given a 4-1 shot in his first start since bringing \$40,000 at the Fasig-Tipton Timonium sale earlier this summer. Gelded since that purchase, he was hustled from the gate under Manny Franco to chase three wide behind a leading pair. Angled closer to the rail around the far turn after a half in :46.4, Youbetterbejoking took over when asked past the quarter pole and drove clear down the stretch to win comfortably by 3 1/4 lengths. Login Required (Race Day) filled out the exacta. Out of a half-sister to GISP Magna Light (Magna Graduate), Youbetterbejoking is his dam's most recent offspring. CASCAIS (c, 2, Into Mischief--Reve d'Amour, by Warrior's Reward) did a lot of running locally over a wet track on debut after getting bumped at the break, finishing third behind an experienced winner in Full Moon Madness (Into Mischief) last out Oct. 1. The latter finished second in Sunday's GIII Nashua S. later in the card. Bobbling at the break here, Cascais was forced to duel on the inside of a determined rival through :23.39 and :47.42 splits. Shaking that one off with a half-mile to the goods, the 4-1 shot was patiently handled through the turn from the rail and roused when straightened away for the final drive. He held 16-1 longshot Summer Cause (**Summer Front**) to a

comfortable 1 1/4-length margin while \$1.3-million KEESEP purchase **Tapit Trice (Tapit)** came on greenly to close the trifecta. Racing in breeder Three Chimneys' colors, Cascais is the full-brother to speedy Mundaye Call, SW, \$285,717. His 2021 **Gun Runner** half-sibling died but the dam delivered a 2022 full-brother to that one. She was barren after visiting **Munnings** for 2023. Reve d'Amour hails from a busy female family of blue-hen Blush With Pride (Blushing Groom {Fr}); out of a half-sister to Broodmare of the Year Better Than Honour, herself dam of Champion 3-year-old filly Rags to Riches (A. P. Indy); GISW Jazil (Seeking the Gold); and the dam of GISW Streaming (Smart Strike). TUMBARUMBA (g, 2, Oscar Performance--Naive Enough, by Street Sense) was third beaten five lengths against restricted company at first asking over this same surface and distance Oct. 2. Away at 4-1 Sunday with the addition of blinkers for the first time in another auction-restricted event, Tumbarumba was hustled to the front and set a sharp tempo, racing outside of Joey Freshwater (Jimmy Creed) through an opening quarter in :21.45. As that rival faded around the far turn, he was challenged once more by Baby Billy (Gormley) who drew alongside in upper stretch. The pair bobbed heads inside the final furlong and, despite looking beaten close to home, Tumbarumba found more and got his head down the on the wire first. The 14th winner for his freshman sire (by Kitten's Joy), Tumbarumba is out of a full-sister to SW & GISP Light the City, who herself went on to produce GISP Illumination (**Medaglia d'Oro**). Given room inside of horses, she made up ground swiftly before tipping outside for a run. Despite several minor bumps passing the quarter pole, Gold Council took over a furlong from home and drove clear, pulling away to win by two lengths over 42-1 shot More Try (I'll Have Another) for a pricy exacta. Out of a half-sister to dual champion male sprinter Roy H (**More Than Ready**), Gold Council is his dam's youngest offspring. Hollywood Queen visited Passion for Gold for a full-sibling in 2023.
