NEW CAREERS: JOSE SANTOS

Jose Santos | Coady photo

by Bill Finley

Jose Santos hasn't ridden in more than 15 years, but he never wanted to leave the racetrack. But finding the right role proved to be difficult. He sold feed for a number of years but said he was losing money because so many people would not pay their bills. But about a month ago, Santos, 61, found something new, signing on with Enviro Equine as a salesman. He says it's a good fit.

"I like it because it allows me to mingle with people from racetrack," Santos said. "I went to the sales in Kentucky and have been visiting trainers and farms where I live in Florida. I am selling supplements and vitamins for the horses. It's good for them. They are good products."

Enviro Equine calls itself a "farm-to-stable" operation, focused on sustainable practices for animals and the planet, working only with suppliers committed to sustainability and excellence.

Santos's career ended on Feb. 1, 2007 when he was involved in a spill at Aqueduct, which resulted in five broken vertebrae, a broken sternum and several broken ribs. He had planned on riding another four years, retiring when he was 50. But his doctor advised against that.

"That was a tough way to go out," he said. "I was planning to ride until I was 50, so my career was cut short a little bit. The doctor told me the best thing was for me to retire, but that I should make my own decision." **Cont. p3**

RICH STRIKE LOOKS TO BOLSTER HIS RESUME IN CLARK

GI Kentucky Derby upsetter **Rich Strike** (Keen Ice) hopes to strengthen his case for a year-end championship title as he takes on his elders in the GI Clark H. Friday at Churchill Downs.

Right now, the 3-year-old male divisional title could go any way. Taiba (**Gun Runner**) and Cyberknife (**Gun Runner**) each have a pair of Grade 1s to their credit and Epicenter (**Not This Time**) won the GI **Runhappy** Travers S. In addition to finishing second in the first two legs of the Triple Crown.

Rich Strike only has one top-level score to his name, but it's a big one, taking home the roses at a whopping 80-1. Skipping the GI Preakness S., he failed to fire in the GI Belmont S. in June, but showed improvement when fourth in the Travers. The chestnut missed by just a head to the gutsy Hot Rod Charlie (Oxbow) in the GI Lukas Classic at this venue Oct. 1 and was fourth last out, behind third-place Taiba, in the GI Breeders' Cup Classic Nov. 5 at Keeneland. **Cont. p4**

New Careers: Jose Santos *(cont. from p1)*

“I called my mother and told her I had two spills back to back,” Santos said. “My mother said don’t wait for the third one. I quit. I had done enough. I was 46. I made the right decision.”

Santos began his career in his native Chile before moving on to Colombia. He came to the U.S. in 1984. He led all jockeys in earnings from 1986 through 1989 and in 1988 he won the Eclipse Award as the sport’s top jockey. Santos won 4,083 races, including the 2003 GI Kentucky Derby and the 2003 GI Preakness S. with Funny Cide (Distorted Humor) and the 1999 GI Belmont with Lemon Drop Kid (Kingmambo). He also won seven Breeders’ Cup races and was inducted into the Hall of Fame in 2007.

He says that Criminal Type (Alydar) was the best horse he ever rode. In 1990 Santos teamed up with Criminal Type to win the GI Pimlico Special, the GI Metropolitan H., the GI Hollywood Gold Cup and the GI Whitney H. Trained by Wayne Lukas, Criminal Type was named 1990 Horse of the Year.

Six months after the 2007 spill, he announced his retirement, saying that if he had another accident the fear was that he would no longer be able to walk. For the first few years after he quit Santos said he just took it easy, enjoying his retirement. About five years ago, he went into the feed business, which was not for him.

In the Derby winner circle with Funny Cide | *Horsephotos*

“I got into the wrong business,” he said. “I was selling feed. There were a lot of people good people and they paid me. But a lot of people didn’t pay me and I got in a hole. Instead of keep losing money, I stopped.”

He still finds time to follow the sport and says he enjoys watching races on television with his 9-year-old son. What does he think of today’s riders?

“It’s a great group of jockeys and there are a lot of really good young riders like the Ortiz brothers,” he said “I also like Manny Franco. You still have Johnny (Velazquez) and (Joel) Rosario. Tyler Gaffalione is a tremendous rider.”

What’s changed, Santos said, is that the current crop of riders can get reckless.

“It is a different era,” he said. “They ride completely different from way we used to ride. They are a little careless. We used to take care of each other. If somebody was having a problem, we’d give you a shot. Now, there is a lot of bumping. They have the stewards working harder now. It’s a different time. The money is not good, it’s great. If I were riding now, I’d probably be riding the same way they do.”

The spill might have cost him a few years, but it didn’t take away from all that he accomplished.

“I had a great career,” Santos said. “I rode for 31 years and I made it in the big time in New York. I won an Eclipse Award and I won the Kentucky Derby, the Preakness and the Belmont. The best thing of all was that I was inducted into the Hall of Fame. I was very happy with my whole career.”

Rich Strike Looks to Bolster Resume in Clark *(cont. from p1)*

Rich Strike clearly loves Churchill Downs, having broken his maiden by 17 1/4 lengths in his other start at this venue, and could put himself in the dual Grade I winner category just in time.

The Derby winner won't have it easy, however. He faces a host of talented challengers, including GII Hagyard Fayette S. romper **West Will Power** (Bernardini). Runner-up **Fulsome** (Into Mischief), a four-time Grade III winner, and third-place **Last Samurai** (Malibu Moon) also return here. Also worth strong consideration is Godolphin homebred **Proxy** (**Tapit**), last seen closing to be third behind Classic runner-up Olympiad (**Speightstown**) in the GII Stephen Foster S. at this oval July 2.

Churchill's post-Thanksgiving card also features the GII Mrs. Revere S. for 3-year-old turf fillies. GII Rubicon Valley View S. runner-up **California Angel** (California Chrome) tops the field, but should the **Bubble Rock** (**More Than Ready**) who won the GIII Matron S. show up this time, she could be in trouble.

Aqueduct plays host to a pair of graded events, the GIII Long Island S. for female turf routers and the GIII Comely S. for sophomore fillies on the main track. The latter features the return of dual graded winner **Kathleen O.** (**Upstart**). Opening her account with a quartet of victories, including the GII Davona Dale S. and GII Gulfstream Park Oaks, the dark bay suffered her first career defeat when rallying for fifth in the GI Kentucky Oaks and has not been seen since.

Played Hard earned her second graded win under the Twin Spires with a wire-to-wire victory in the GIII Falls City S. Thursday in Louisville. The heavy 2-5 favorite jumped right to the early lead and was in front through fractions of :23.71 and :47.43. Challenged by Bellamore approaching the stretch, the bay filly shrugged off that foe and bound clear despite drifting out down the lane.

"She keeps getting better," winning jockey Joel Rosario said. "She fought hard on the lead and didn't want to give it up. There were a couple horses that got close to her, but she never gave way."

Played Hard | Coady Photography

Played Hard, who was second in last year's GIII Comely S., romped home a 5 3/4-length winner of the GIII Locust Grove S. at Churchill Downs Sept. 17 and was coming off a third-place finish behind Malathaat ([Curlin](#)) in the Oct. 9 GI Spinster S. at Keeneland.

"I'm actually pretty speechless right now," said winning trainer Phil Bauer. "This is what it's all about. You win a half-million dollar race on your home track with your family and the greatest owner [Richard Rigney] in attendance. It can't get much better on Thanksgiving. I'm so proud of Played Hard. She pinned her ears back and didn't want to let anyone by."

Dalika earned her third graded win of the year with a front-running score in the GIII Cardinal S. at Churchill Downs Thursday. The gray mare was quickest out of the gates and was unchallenged as she coasted along through a quarter in :24.36 and a half in :49.07. Let out a notch entering the far turn, she easily extended her advantage, was two lengths in front at the top of the stretch and was never challenged to the wire.

"I've learned from watching [the late former jockey] Miguel [Mena] ride her that you just stay out of her way and she'll give you her best run," winning jockey Brian Hernandez, Jr. said. "She's just a solid filly. I told [owner] Paul [Varga] after the race that she could've easily went a mile-and-a-half today."

Dalika won the relocated GI Beverly D. S. over the Churchill lawn in August and added the Sept. 10 GIII Kentucky Downs Ladies Turf S. before finishing sixth in the Nov. 5 Fall Harvest S. last time out.

"Since we got her as a 2-year-old, she's been so consistent in her races," Varga said. "She really likes it over here at Churchill. She's had 31 races in her career, at all distances, and she's given us 10 wins now. She's so tough on the lead. She's actually been a seven-time runner-up. This year in particular she's had a tough campaign. Every time it looks like she's going to get passed she stays game."

Bellstreet Bridie, purchased at Tattersalls just last month, paid immediate dividends when she opened her U.S. campaign with a much-the-best victory in the GIII Red Carpet S. at Del Mar Thursday. Hustled to keep pace with the early leaders, she settled into a stalking second behind sensible splits and easily reeled in the pacesetter entering the far turn before scampering further clear down the lane under a hand ride.

"I didn't know much about her; it's my understanding she's only been here [from Europe] for a few days. [Trainer] Mark [Glatt] didn't know much either, so we were even. She jumped well and that made me happy; I was able to put her in the race. Sometimes with the European horses they don't come away from there too well. But she was running all the way and then when it was time she finished up strong."

Bellstreet Bridie | Benoit

Bellstreet Bridie, who was purchased by Red Baron's Barn and Rancho Temescal for 260,000gns at the Tattersalls October sale, put together a three-race win streak this summer for trainer Michael Bell at distances of 1 1/4 miles and 1 1/2 miles. She made her final European start with a third-place effort in a Newmarket handicap Oct. 1.

"They did a terrific job with her overseas after we purchased her, keeping her fit, keeping her ready for this race," said Glatt. "Really, all my job to do was to keep her happy and as strong as we could after a long ship like that. I'm just pleased to get that kind of start with her after spending a good amount of money on her. We got her Grade III placed now."

Pedigree Notes:

Bellstreet Bridie is the 26th worldwide stakes winner for Sir Percy and his 10th graded/group winner. In the U.S., he has also been represented by GI Man o'War S. winner Wake Forest, GIII Robert Frankel S. winner Lady Pimpernel and GIII Astra S. winner Pantsonfire.

Mambo Gold, a half-sister to champion Ocean Silk (Dynaformer), has a yearling filly by Havana Gold (Ire). Bellstreet Bridie's third dam is Myth to Reality, who produced champion Divine Proportions (Kingmambo) and multiple Group 1 winner Whipper (Miesque's Son).

INVULNERABLE (c, 2, Practical Joke--Mobeautiful, by Uncle Mo), sent off at 8-1 in this debut, broke a half-step slow, but was soon hustled up to battle for the lead. Quickly asserting, the bay sped through an opening quarter in :21.31 and a half-mile in :44.98 with foes breathing down his neck. Getting a bit leg weary late, he repelled the determined challenge of Commerce Comet (**American Freedom**) in the stretch to prevail by a neck. The first foal out of his dual-winning dam, Invulnerable is followed by a weanling filly by Vino Rosso. Mobeautiful was covered by **McKinzie** this spring. Sales history: \$130,000 Ylg '21 OBSWIN. RUTHLESS RUA (f, 2, Distorted Humor--Can't Use Nellie, by Mineshaft) faded to sixth in her 6 1/2-furlong debut at Keeneland Oct. 22. The 5-2 shot battled on the front end through an opening quarter in :21.56. She took control into the far turn and entered the stretch in front after a half in :44.96 before bounding clear in the final furlong to graduate by 5 3/4 lengths. D'Oro Street (**Medaglia d'Oro**) was second. Can't Use Nellie produced a colt by **Maclean's Music** in 2021 and a colt by **Munnings** this year before being bred back to **Beau Liam**. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.**

SECRET STATEMENT (f, 2, Runhappy--Closing Statement, by Blame) closed to be second in her six-furlong unveiling at this oval Nov. 10. The 6-5 favorite pulled her way to the early lead and was under a snug hold while taking the field through an opening quarter in :23.43. Still in front after a half in :46.67, she was headed by longshot Icicles (**Frosted**) in deep stretch, but battled back bravely to win by a half-length. Secret Statement, who RNA'd for \$47,000 as a KEESep yearling, has a yearling half-sister by **Catholic Boy**, who sold for \$50,000 at this year's Keeneland September sale, and a weanling half-sister by Goldcents. Closing Statement, who sold for \$95,000 with the winner in utero at the 2019 Keeneland November sale, was bred to **War of Will** this year. The winner's third dam is champion Educated Risk (Mr. Prospector). **Click for the Equibase.com chart or VIDEO, sponsored by TVG.** Lifetime Record: 2-1-1-0, \$70,720.

THE WILD GRAZER (IRE) (f, 2, Gustav Klimt {Ire}--Texas Katie {GB}, by Clodovil {Ire}) opened her career with a pair of efforts in Ireland, most recently finishing third against the boys over the lawn at Gowran Park Aug. 10. Let go at 3-1 in this stateside debut, the bay filly settled at midpack along the rail through a quarter in :22.41. She tipped out and ranged up three wide approaching the stretch before surging to the lead after a half in :45.53 and powering clear to a 2 1/4-length victory. Shirley's Bane (**Justify**) was second.

Texas Katie produced a colt by Dandy Man (Ire) this year. **Click for the Equibase.com chart or VIDEO, sponsored by TVG.** Lifetime Record: 3-1-0-1, \$44,298. O-Red Baron's Barn LLC & Rancho Temescal LLC; B-Pat McGree (IRE); T-Jeff Mullins.

RUNNING LATE (c, 2, Runhappy--Tarty to the Party {SW, \$347,060}, by Speightstown) showed late interest when unveiled on the grass at Kentucky Downs to run fifth in September for Tom Amoss. Switched to this barn, the chalk was bet down to 90 cents on the dollar to build on his experience. Chasing from a wide perch in third, Running Late soon relaxed back to race in midfield while well off the fence behind a dawdling early pace. Inching towards the head of affairs under his own power while shooting the breeze three deep, he made his bid for the lead as noses pointed toward home. Carrying all of the momentum, he drew even with the frontrunners in early stretch and sailed on by to win going away under gentle handling by 7 1/2 lengths. Notion (**Always Dreaming**) was the distant runner-up. Two years younger than his winning full-brother Wildcat Nation (**Runhappy**), the winner is a half-brother to a weanling colt by **Audible**, who brought \$220,000 from Chad Schumer during the recent Keeneland November Breeding Stock Sale. His dam, who scored 11 victories, including in the Listed Saylorville S., was bred to Yaupon earlier this year. This is the extended family of G1 Coronation S. heroine Golden Opinion (Slew o'Gold), who was also Classic placed in the G1 French 1000 Guineas in 1989. Sales history: \$60,000 Ylg '21 KEESEP. HAVANA GREY BROTHER TO DRAGON SYMBOL LEADS TATTERSALLS FOALS

Philipp Stauffenberg signed for Thursday's topper
Tattersalls/Laura Green

By Emma Berry

NEWMARKET, UK--"If we don't believe in our stallions, who will?" So said breeder and consignor Ed Harper after topping the second day of foal trade at Tattersalls, though in the case of lot 793, the sire in question, this season's leading freshman Havana Grey (GB), has already garnered the support of plenty of breeders and buyers.

But to justify the day's top price tag of 250,000gns at this stage of his young life, the colt had to have plenty more going for him, and his half-brother Dragon Symbol (GB) (Cable Bay {Ire}) has certainly helped in that regard with a trio of top three finishes in Group 1 sprints and five victories to his name. PERSIAN FORCE TO STAND ALONGSIDE HIS FATHER MEHMAS AT TALLY-HO STUD

By Brian Sheerin

Less than a week after his owner Kia Joorabchian announced that leading juvenile **Persian Force (Ire)** would be retired to stud, Roger O'Callaghan confirmed that the Group 2-winning speedster would be heading back home to Tally-Ho Stud, where he will stand alongside his father Mehmas (Ire) in 2023.

Tally-Ho snapped up Persian Force at the November Foal Sales at Goffs in 2020 for €75,000 from Ringfort Stud before selling the colt the following year at the Orby Sale to Peter and Ross Doyle for €225,000.

Last seen finishing a gallant fourth in the G1 Breeders' Cup Juvenile Turf, Persian Force won three of his eight starts for Richard Hannon, with the clear highlight coming when he landed the G2 July S. at Newmarket in good style.

That effort came off the back of a smart second to Bradsell (GB) (Tasleet {GB}) in the G2 Coventry S. at Royal Ascot. Persian Force also placed three times at the highest level, including when narrowly beaten by Blackbeard (Ire) (**No Nay Never**) in the Prix Morny at Deauville.

Confirming the news at Tattersalls, O'Callaghan said, "It will be nice to have Persian Force standing alongside his father Mehmas at Tally-Ho next year. Persian Force was a lovely horse when we bought him as a foal, a lovely horse when we sold him at the Orby and he is still a lovely horse." [Cont. p9](#)

The only son of
DEEP IMPACT at stud in England

Tattersalls December Foal Sale Cont.

The Whitsbury Manor Stud consignee was bought by one of the best judges in the business, Philipp Stauffenberg, who carried on his bold spending from Goffs with a first strike at Park Paddocks. He said, "He's a racy-looking horse and a brother, nominally, to a Group 1 winner. He's the one I wanted to have today."

"I liked [Havana Grey's] first crop but I didn't buy one, but he has proved that he is capable of getting a good horse."

The colt is a son of the Arcano (Ire) mare Arcamist (GB), a winner at three and herself the daughter of the Group 1-placed Good Enough (Fr) (Mukaddamah) whose seven winners include two at listed level.

"He is probably a bigger model than Dragon Symbol, but Arcamist just keeps throwing lovely stock," said Harper. "It is a family we have done really well with and we have had for a long time. Dad bought the second dam

Good Enough in the US around 25 years ago. She was the most expensive mare he'd bought ever at that time."

With more squalling rain drenching the foals and their handlers intermittently through the day, a steady start gave way to a livelier evening session which pushed the figures slightly past the markers set in the equivalent session last year. The average and the median were both up, by 8% and 7%, to 42,372gns and 32,000gns. With 223 foals sold at a clearance rate of 81%, the second-day aggregate was also up slightly at 9,449,000gns.

In Mehmas We Trust

There may be plenty of competition from the arrivistes with their first crops for sale, but Mehmas (Ire), who in a few short years has earned a major stamp of approval from the market, commanded plenty of respect in the ring on Thursday.

NEW Perfect Power

The Royal Ascot specialist from the best Royal Ascot juvenile sire line. **It's Open House at Dalham Hall Stud:** come and see the first horse for 20 years to win three sprinting G1s so early in his career.

£15,000 Oct 1, SLF Dalham Hall Stud, UK

11.30am-2.30pm, Saturday-Wednesday.

Tattersalls December Foal Sale Cont.

His colt out of the Stormy River (Ire) mare Heavenly River (Fr) stole a significant march on his rivals early in the day when sold to Peter and Ross Doyle for 240,000gns.

His specific cross has already been tried by breeder John McEnery of Rossenarra Stud with some success as the 11-year-old mare's previous mating with Mehmas resulted in the American listed winner and Grade III-placed Quattroelle (Ire), who was set to run in Thursday evening's GIII Red Carpet S. at Del Mar. The family has been given a further boost this season by the G2 Queen Mary S. victory of Dramatised (Ire) (Showcasing {GB}), who is out of Heavenly River's listed-winning half-sister Katie's Diamond (Fr) (Turtle Bowl {Ire}).

"We've always liked the foals by Mehmas and we'd had a bit of luck with Dark Angel. I thought the first year he was too expensive at €12,500, and I got caught for €25,000 last year," said McEnery, who bought Heavenly River seven years ago at Tattersalls for 5,000gns.

"I had to go home to Ireland and left my nephew Billy to look at a few pedigrees and he picked her up. She was a maiden mare and we bought her out of Karl Burke's yard."

After selling one of the session leaders (lot 667), Rossenarra Stud's next lot into the ring, by a different son of Acclamation (GB) in Dark Angel (Ire), was knocked down at 85,000gns. The son of the Redback (GB) mare Charlotte Rua (Ire) is a full-brother to the G2 Duke of York S. runner-up Nahaarr (Ire).

Ross Doyle, whose familiarity with Mehmas stretches back to buying him at the Craven Breeze-up Sale for Al Shaqab Racing, said of the purchase of the session-topper for an undisclosed client, "As always it's the physical and it's a huge bonus that he's by Mehmas." **Cont. p5**

Doyle added, "He's from a very good nursery in Rossenarra and is closely related to a very good filly. I thought he was an absolute standout.

"He had a lot of strength for his age; he's naturally very strong with a good deep girth and he was a real pro for every show. That's his dad's influence coming through. He might come back [for resale] but I'd say long-term they'll race him."

He continued, "Mehmas has obviously been very lucky for lots of people including ourselves. We bought Persian Force last year for Amo Racing. We've had massive pleasure out of Mehmas and so have so many people, going right back to John Cullinan and Roger Marley in his breeze-up days, then at Richard Hannon's yard, and all the staff there were mad about him. They used to say to me that he'd go the races, come home, go for a pick of grass and put on weight. Then he ended up at Tally-Ho, which is one of the

Tony O'Callaghan | Tattersalls/Laura Green

best studs in the world, and they've done a wonderful job with him."

Tally-Ho reaffirmed their support of the stallion when buying lot 766, Plantation Stud's Mehmas half-brother to Group 3-placed Flash Gordon (Ire) (Kodiac {GB}) for 115,000gns.

Ghaiyyath And Earthlight Impress

Ghaiyyath (Ire), whose first-crop members have been the subjects of increasingly positive bulletins, was responsible for three of the six-figure lots of the session including lot 789, Kellgrange Stud's half-brother to the useful Harrow (Ire) (El Kabeir), and from the further family of Group 1 winners Dream Ahead and Fairyland (Ire).

John Cullinan and Roger Marley, signing under the name of JR Bloodstock, held their nerve to 240,000gns for the Ballyreddin Stud and DCL-bred colt but Cullinan was heard to comment after signing the ticket, "I think I need a change of underpants now."

Tattersalls December Foal Sale Cont.

He added, "I saw the horse yesterday and loved him. We were keen to buy a Ghaiyyath as he's one of the stallions who has been on our mind as a first-crop sire. He looks to have very good stock, he was a brilliant racehorse and was the highest-rated racehorse in the world for a time and is by a sire of sires."

Cullinan continued, "This is a lovely individual. He vetted very well, and we were at full stretch at that price, but nice horses are always hard to come by, and have to pay a bit more for the ones you want. We will try to keep him safe and come back to one of the premier sales."

Ringfort Stud also had a decent result with a Ghaiyyath filly from the listed-placed Shenoya (Fr) (Zoffany {Ire}). Sold as lot 705, she brought a final bid of 130,000gns from Tally-Ho Stud and boasts a suitably smart pedigree which includes two prominent horses of this season in

G1 Champion S. winner Bay Bridge (GB) and G3 Sweet Solera S. victrix Lakota Sioux (Ire).

"We thought Ghaiyyath would suit the mare physically," said Ringfort's Derek Veitch. "He is a big, scopey stallion and

would suit a smallish mare. We are delighted with that price."

Ghaiyyath's average for four weanlings sold at Tattersalls over the last 48 hours is 143,000gns.

Earthlight (Ire) also featured among the sires of the top 10 lots of the day when Cullinan returned to the ring to sign for lot 827 at 100,000gns. Consigned by Northern Bloodstock, the colt is a half-brother to the stakes-placed Born To Be (Ire) (Born To Sea {Ire}) out of the Intikhab mare Duquesa (Ire).

Yeomanstown Stud, Redpender Stud and Jamie Railton are also among the pinhookers to have taken home an Earthlight weanling. **Cont. p7**

Railton bought two on Thursday, including a colt from Carisbrooke Stud for 72,000gns, while Redpender's Jimmy Murphy bid 78,000gns for lot 594, a half-sister to this season's juvenile winner Selenia (Ire) (Sea The Moon {Ger}) from Keith Harte's consignment and bred by Derek Icton.

Sergei the Tongue-Twister

They may not agree on how to pronounce his name, but plenty of buyers appear to agree on the desirability of the stock of Sergei Prokofiev. Whitsbury Manor Stud's newest recruit will have his work cut out to follow the example of Havana Grey but he is certainly not sparsely represented at Tattersalls: so far 29 of his 67 weanlings catalogued have gone through the ring, returning an average of 28,172gns.

They include lot 607, consigned by the stallion's home team and bought by Andrew Black's Chasemore Farm for 95,000gns. The chestnut colt is the first foal of Italian listed winner Avengers Queen (GB) (Brazen Beau {Aus}), whose half-sister El Cabala (GB) (Havana Gold {Ire}) won the G2 Sandy Lane S.

The first weanling to breach the six-figure mark this week (lot 604) at Tattersalls was by another of the Whitsbury Manor Stud crew, the popular Showcasing (GB), and was bred and consigned by Natton House Thoroughbreds, who have enjoyed a successful couple of days at Park Paddocks.

Chris Dudfield of Natton House explained that he had bought the colt's dam, Parliament House (Ire) (Slade Power {Ire}) from the Godolphin draft back in 2019 for 22,000gns.

He said, "She was tiny, only about 14.3hh, but she has grown well since and her first two Showcasings have been beautiful foals. Last year's foal made 72,000gns; this horse was even nicer and some of the lads said he is flawless, he is just a beautiful horse."

The diminutive Parliament House did not excel on the racecourse but she boasts bloodlines that entitle her to be considered a smart breeding prospect. Her dam was Embassy (GB) (Cadeaux Genereux {GB}), the former European champion 2-year-old filly, who was herself a daughter of the Irish champion 2-year-old Pass the Peace (GB) (Alzao). Top-class performers stemming from those two smart race fillies include King's Apostle (Ire), Atlantic Jewel (Aus), Tarfshi (GB) and Russian Emperor (Ire).

Yeomanstown Stud placed the final bid for the colt at 100,000gns and later went to the same figure for Tweenhills Stud's colt by New Bay (GB). Offered as lot 648, he is out of the listed winner Strawberry Martini (GB) (Mount Nelson {GB}), who will be offered for sale next week as lot 1480 in foal to Kameko.

Tweenhills' David Redvers said of the colt, "He has a good outlook and action and captured the attention of some big buyers. Strawberry Martini is quite a stout Mount Nelson mare and New Bay gives his progeny a bit of 'energy', which I like.

"She has now had some very good foals. We sold her Masar for 110,000gns at October Book 2 this year to Shadwell, and then this horse has made 100,000gns. She is in the sale next week and is owned by a syndicate of friends, and we will need to have a chat and make a decision as to whether we keep her or sell her."

New Bay, who has been represented by Group 1 winners Saffron Beach (Ire), Bayside Boy (Ire) and Bay Bridge (GB) this season, also found favour with Joe Foley, who bought the Norelands Stud-bred colt (lot 763) out of the Cheshire Oaks runner-up Moorside (GB) (Champs Elysees {GB}) for 150,000gns.

Harry McCalmont of Norelands said, "Moorside was a very good racemare. We bought her from Juddmonte and I have always been a fan of New Bay--we got in at the right time. He's going to be very expensive now but she may have to go back to him." [Cont. p8](#)

Tattersalls December Foal Sale Cont.

The mare's first two foals, both by Invincible Spirit (Ire), are in training in Hong Kong and at Kingsclere with Andrew Balding, respectively.

Classic Winners Shine

Both Persian King (Ire) and Kameko, in the top echelon of the Classic generation in 2019 and 2020, respectively, have first-crop foals on offer this year, and the sole weanling by the former was one of the leading lights during Wednesday's session. Based at Haras d'Etreham, Persian King, the winner of six group races, whose three Group 1 victories include the Poule d'Essai des Poulains, was the sire of the third most expensive foal. His first-crop son (lot 779) was bought for 130,000gns by the French-based pinhooking syndicate Fairway Partners, which is led by Charles Briens.

Consigned by Newsells Park Stud on behalf of breeder Al Shahania Stud, the colt is the second foal of the G3 Nell Gwyn S. winner Qabala (Scat Daddy), who was covered by Persian King's sire **Kingman (GB)** in her first season at stud.

The 2000 Guineas winner Kameko, on the other hand, has had 15 foals sold so far at Tattersalls for an average of 32,800gns and headed by a pair of colts sold for 92,000gns and 90,000gns. Lot 768 was sold by breeder Gigginstown House Stud through Michael O'Leary's British-based Plantation Stud to Roger Marley and is out of the winning **Frankel (GB)** mare Like (Ire). The Tweenhills draft features seven Kameko foals, including lot 749, a half-brother to Australian Group 2 winner Surf Dancer (Ire) (Lope De Vega {Ire}), who was pinhooked by Aughamore Stud and Matt Houldsworth for 90,000gns.

Two More Wildcards For Mares Sale

Next week's Tattersalls December Mares Sale has been

boosted by another two late entrants. On Monday, the Group 3-placed juvenile **All The Time (Ire)** (Kodiac {GB}) will be offered by Highclere Stud as lot 1639D. Tuesday's session will now include the Paddy Twomey-trained 3-year-old **Limiti Di Greccio (Ire)** (Elzaam {Aus}), who won the Listed Staffordstown Stud S. on her most recent outing in October and has been added to the catalogue as lot 1924C.

Persian Force: to stand at Tally-Ho Stud | Racingfotos.com

Speaking on *Luck On Sunday*, Joorabchian said, "He's followed the footsteps of his father, he's done everything Mehmas has done.

"Arguably, according to Richard Hannon, who trained both, he's a better looking version of his father and he's got a better pedigree. He started in March and ran in everything."

He added, "He's never had a bad run, he's followed the footsteps of his father from start to finish and his father retired at the end of his 2-year-old career and has had a fantastic career in stud as a stallion.

"His father will stand at €60,000, so looking at that he can definitely follow in the footsteps of his father, if not better, because your son is always better than you."

EUROPEAN NEWS

Persian Force Cont. from p1

"He was bought by a very shrewd judge in Ross Doyle at the Orby and was a very good horse from start to finish with Richard Hannon, who did a brilliant job with him. He showed his class when winning the G2 July S. at Newmarket and I think breeders will be keen to use him. We haven't decided on a fee yet."

Persian Force retires to stud with £289,012 in career earnings under his belt and a rating of 112. When revealing the news on Sunday that the colt would be retired this season, Joorabchian said that Persian Force compared favourably to Mehmas, who has emerged as one of the leading sires in Europe after beginning his career at Tally-Ho at €12,000. He will stand for €60,000 next year.

MARCO GHIANI BANNED FOR SIX MONTHS AFTER COCAINE POSITIVE

Marco Ghiani | Racingfotos.com

Former champion apprentice and one of the most promising riders in Britain, Marco Ghiani has had his licence suspended for six months after testing positive for metabolites of cocaine.

Ghiani was tested at Newcastle on Aug. 25 and subsequently handed an interim suspension whilst disciplinary proceedings were arranged.

He admitted taking cocaine two days before the positive test and via his legal representative, Rory MacNeice, did not challenge the findings of the British Horseracing Authority.

The panel of Philip Curl, Alison Royston and Dr. Lyn Griffiths agreed to withdraw Ghiani's licence for a period of six months, backdated to Sept. 5 to allow for the period he has already spent suspended. Ghiani will not be permitted to ride until Mar. 5.

Rory Mac Neice, representing Ghiani, said, "Mr. Ghiani is hugely embarrassed by this matter and accepts it was a grave error of judgement on his part. He has reflected considerably since on how he got into that position." [Cont. p11](#)

Ghiani Cont.

Mac Neice continued, "Mr. Ghiani succumbed to the temptation at a time when he felt vulnerable professionally. He puts a great deal of pressure on himself to succeed for those who engage him to ride his horses and he considers he has had some difficulties in being objective when he has felt his performance has resulted in his horses not running to the best of their abilities.

"He has a character tendency to move on from successes almost instantly, while allowing perceived failures to stay with him for a considerable length of time. One consequence of the positive is it has triggered an awareness by him of the very considerable support available to him, particularly from the Professional Jockeys Association, with counselling and help regarding these issues--something he previously felt unable to ask for.

"Being caught so quickly, and it's indicative of the success of the anti-doping regime the BHA has in place, means he has and continues to be able to address those underlying pressures. We thank the BHA for approaching this matter in a sensitive and thoughtful manner."

MAQUETTE OF THE QUEEN TO BE AUCTIONED AT TATTERSALLS

The maquette of the Queen with a mare and foal
Laura Green/Tattersalls

A special addition to the Tattersalls December Sale will come under the hammer on Monday when a maquette of Her Late Majesty the Queen is auctioned for charity prior to the first of the two Sceptre Sessions.

The maquette is a study for the life-size bronze close to the Rowley Mile Racecourse in Newmarket which depicts the Queen, who was the long-term patron of the Thoroughbred

Breeders' Association, with a mare and a foal. The bronze of the Queen is by Etienne Milner and the two horses by Charlie Langton.

All proceeds raised by the sale of the maquette will go to the National Horseracing Museum in Newmarket.
