ARABIAN KNIGHT TAKES THE SOUTHWEST

‘TDN Rising Star’ Arabian Knight took the field gate-to-wire in a sloppy GIII Southwest S. at Oaklawn Park.
Art Collector | Lauren King

Bruce Lunsford homebred Art Collector (Bernardini) sat the trip beneath Junior Alvarado and sprung a 15-1 upset in Saturday’s $3-million GI Pegasus World Cup Invitational S. at Gulfstream.

California invader Defunded (Dialed In), winner of last fall’s GI Awesome Again S. and off as the 5-2 second choice, was 4 1/2 lengths back in second. Pacesetter Stilleto Boy (Shackleford) stayed on for third, the same position he filled in last year’s renewal.

Alvarado, who rode the Bill Mott-trained Olympiad (Speightstown) to four graded-stakes victories and a runner-up finish behind Flightline (Tapit) in the GI Breeders’ Cup Classic last year, was riding Art Collector for the first time in the Pegasus.

“We scripted it that way and it turned out that way,” @Mott said. “That doesn’t happen very often, but Junior rode him and did a great job. I told him just ride him like you ride Olympiad, and he rode him the same way.”

Mott continued, “He’s done that before. These kinds of races, you just have to wait and see. These are competitive races. You get the horse as good as you can and hope the horse shows up.”

Art Collector raced in fourth around the clubhouse turn as Stilleto Boy narrowly led Defunded through an opening quarter in :23.61. Cruising along nicely in an outside third, Art Collector set his sights on the top two while three wide on the far turn, struck the front less than a quarter of a mile from home and put the race to bed from there to win going away.

Art Collector, winner of the 2021 GI Woodward S. at Belmont, followed a sixth-place finish in that term’s GI Breeders’ Cup Classic with a 12th-place finish in the G1 Saudi Cup. He got back on track with a wire-to-wire win in Saratoga’s Alydar S. Aug. 4 and successfully defended his title in the GII Charles Town

“Originally, we were thinking of going to the Cigar Mile with him, and October, end of October, he had a foot abscess,” Mott said. “So we had to scrap all our plans. I told Bruce, I said, ‘Well, we’re going to miss that. Let’s go to Florida.’”

“Bill and I have had a long-term relationship, back with Vision and Verse,” Lunsford said. “We talked about it, and I give Bill credit for this, he said we’re going to try something different. Let’s lay him off. And he just kept getting better and better.”

Favored MGISW Cyberknife (Gun Runner), a painful second in the GI Breeders’ Cup Dirt Mile at Keeneland in November, failed to duplicate his sire’s heroics from the same wide draw in post 10 and was a disappointing sixth. Cyberknife is scheduled to begin his career at stud for a fee of $30,000 this upcoming breeding season at Spendthrift Farm.

“He didn’t look like he fired to me,” trainer Brad Cox said. “He had a little bit of a wide trip and at the three-eighths pole I could kind of tell he wasn’t traveling. He broke well but they got away from him. It reminded me a little bit of the race at Parx when he ran third there. It wasn’t to be. It didn’t work out.”

Pedigree Notes:

Art Collector’s second dam Bunting was bred by and began her career racing for Mrs. John Hay Whitney’s Greentree Stables, finishing runner-up to Inside Information (Private Account) in the 1994 GI Ashland S. and the GI Black-Eyed Susan S. before she was purchased by Seth Hancock, on behalf of Bruce Lunsford and Lanny Holbrook, for $500,000 at that year’s Keeneland November Sale. She was victorious in one of three subsequent appearances for Bill Mott before being retired and covered by Storm Cat.

Bunting was an immediate hit at stud, as her first foal became Vision and Verse, winner of the 1999 GII Illinois Derby and second to Lemon Drop Kid (Kingmambo) in the GI Belmont S. and GI Travers S. Bunting's next foal of import was her filly of 2003, Performing Diva (Storm Cat), second in the 2005 GII Darley Alcibiades S., and four years later, Bunting produced a filly by Distorted Humor. The versatile Distorted Legacy won the Sky Beauty S. on the dirt and was second in the GI Flower Bowl Invitational S. on the grass ahead of a close fourth in that year's GI Breeders' Cup Filly & Mare Turf.

Distorted Legacy is the dam of three winners from four to race, including the Bill Mott-trained Classic Legacy (Into Mischief), a juvenile maiden winner at Aqueduct Dec. 3 with Junior Alvarado at the controls. She is also responsible for the 2-year-old filly Kingdom Come (Justify), a yearling filly by Medaglia d'Oro and was most recently covered by Gun Runner.

Art Collector, one of 16 worldwide Grade I/Group 1 winners for his late sire, is set to enter stud at Claiborne Farm upon the conclusion of his racing career.
'TDN Rising Star' Arabian Knight (Uncle Mo), a devastating debut winner for Hall of Famer Bob Baffert going seven furlongs on Breeders' Cup Saturday at Keeneland, successfully stretched to two turns with a stylish 5 1/2-length victory as the 2-5 chalk in a sloppy renewal of the GIII Southwest S. at Oaklawn Park.

The $2.3-million OBSAPR topper broke like a shot from post six and led the field around the clubhouse turn. He splashed his way up top through fractions of :22.98 and :46.82, kicked for home as the one to catch, and, after drifting out slightly down the lane, drew off impressively once straightened with a single right-handed strike from Johnny Velazquez to report home as a much-the-best winner.

For the second straight year, Churchill Downs has banished trainer Baffert related to his under-appeal equine drug DQ from the 2021 GI Kentucky Derby, and his trainees are prohibited from earning qualifying points towards the first Saturday in May. The Southwest carried 40 total points towards eligibility.

Runner-up Red Route One (Gun Runner), however, earned
#1 on TDN’s Derby Dozen, ARABIAN KNIGHT was an effortless winner of the $750,000 Southwest Stakes-Gr.3, gearing down to win by 5 ½ lengths at Oaklawn Park on Saturday.

eight points and **Frosted Departure** (Frosted) received six points while finishing third.

“When he got away and got in that high cruising [speed] down the backside I thought, ’Well, if he’s as good as I think he is, there’s no excuse,’” Baffert said. “If he got beat today, the distance was going to get him. These good horses are hard to come by. We’ve had a lot of luck here at Oaklawn, so it was nice to have a horse like this. What he did today, he ran 1:43 and change, that’s racehorse time and he did it without taking a deep breath. This was a big effort, so he needs time in between [races]. We’ll play it by ear [regarding his next start].”

Velasquez added, “He made it look easy. He broke well and I took advantage of it. At the quarter pole, I went after him, and he opened up and he saw the tire track [from starting gate]. I said, ‘Come on buddy, don’t do something stupid.’ I hit him once, right before we got to the tire track. He kind of hesitated and then he sees the light and I hit him one more time and all of a sudden, he takes off on me. Going to the wire I was like, ’OK, that’s what I wanted to see.’”

Arabian Knight received top billing on the TDN Top 12 earlier this month.

**Pedigree Notes:**
A 91st stakes winner and 47th graded winner for the outstanding **Uncle Mo**, Arabian Knight is out of Borealis Night, herself a $450,000 Fasig-Tipton Saratoga yearling, who was fourth in a lone racetrack appearance for owner/trainer Ralph Nicks in late 2018 and was scooped up by Nathan McCauley’s River Oak Farm for just $50,000 at the Fasig-Tipton February a few months later.

The mare had some pedigree underneath her as a half-sister to the three-times graded-placed Kinsley Kisses (Congrats) and GSP Spooky Woods (Ghostzapper) and that helped earn her a date in the breeding shed with **Uncle Mo**. Consigned to the 2019 Keeneland November Sale, Borealis Night was hammered down to Corser Thoroughbreds for $285,000 and the operation recovered a fair bit of that outlay when Scott and Evan Dilworth paid $250,000 for the colt at Keeneland September in 2021. Prepared by Top Line Sales, agent, for last year’s OBS April Sale, the bay breezed an eighth of a mile in :9 4/5 and went on to top the event on a bid of $2.3 million from Gary Young, agent for Zedan Racing Stable. Zedan also purchased Princess Noor (Not This Time) off Top Line for a sales-topping $1.35 million at OBSAPR in 2020.

The first daughter of Astrology to be represented by a stakes winner, Borealis Night is the dam of a yearling colt by **Quality Road** and is due to **Curlin** for this season.

MORE MAKER IN PEGASUS TURF
Trainer Mike Maker had already saddled the first three finishers in the GIII William L. McKnight as well as the winner of the GIII Fred W. Hooper S. earlier on Gulfstream Park’s card, and he added his second $1-million GI Pegasus World Cup Turf Invitational S. trophy Saturday as well-backed Atone (Into Mischief) kicked home impressively from midpack to best GISW Ivar (Brz) (Agnes Gold {Jpn}) by 3/4 of a length. Speaking Scout (Mr Speaker), a last-out winner of the GI Hollywood Derby, was third.

The winner, bet down to 7-2 off a 12-1 morning line, most recently took an Aqueduct optional claimer going this distance Nov. 10. Acquired for $130,000 at the 2021 Fasig-Tipton July
HRA sale after originally racing for his breeder Godolphin, the bay was fourth in this race last year amidst four other graded stakes placings. He was second in the GIII WinStar Mint Million S. at Kentucky Downs Sept. 10, and was eighth two back in Keeneland’s GI Coolmore Turf Mile S. Oct. 8. Ivar was second in that race.

With 2022’s Eclipse-winning jockey Irad Ortiz, Jr. seeking a fourth win (third graded and second for Maker) on the card, Atone found a good midpack spot along the fence behind solid splits of :23.26, :47.30 and 1:11.36 with Ivar on his right flank. Ivar moved first as Atone had to wait for clear sailing, but Ortiz seemed unconcerned as he eased his mount to the outside as noses pointed for home. Ivar briefly looked the winner as he struck the front in midstretch, but Atone gobbled up ground to reel him in late.

“It was perfect, every step of the way,” Ortiz said of his trip. “I was so happy. I was following a live horse, Wit (Practical Joke), and then by the three-eighths pole the horse that I had to beat was outside of me, so I had to take two or three strides to let him move before I made my move. I waited, but at the same time I tipped my way out so when I hit the clear my horse was there. All the credit goes to the horse.”

The 30-year-old added, “I’m just enjoying the moment and what is happening in my career right now. I have to thank my agent Steve Rushing for doing a great job and thanks to all the owners and trainers for supporting me. They make me the happiest man in the world to be honest. I’m living the dream.”

Maker won the second running of this race in 2020 with Zulu Alpha (Street Cry {Ire}), and for good measure, just minutes before Atone's victory, took a state-bred Aqueduct maiden special weight with sophomore colt Maker's Candy (Twirling Candy).
Atone | Lauren King

“It feels great to win. It doesn’t get old,” said Maker. “Irad
looked like he wanted to be forwardly placed out of the gate
and it looked like a couple of others had the same idea. He
settled in nice, saved some ground and got lucky to get some
racing room when it counted... He was a hard-luck horse last
year. He’s always been right there, and today was his day.”
He added, “It’s been a great day, and I’ve got two more tonight
at Turfway.”

Carl Fiebig, a partner in Three Diamonds Farm, said “All the
credit goes to Mike and his staff. Irad is an Eclipse Award winner
for a reason. It was flawless execution. Most importantly, for the
Wycoffs, this win is for them. We’re glad to be a small part of
this. For myself and my family to be a part of this, I just want to
thank Jordan and Kirk [Wycoff] who put a lot of energy, money
and everything into this business and I’m glad to see them
rewarded on days like this.”

Pedigree Notes:

A product of two of the most important stallions of the last
decades, Atone is his sire’s 59th Northern Hemisphere
graded winner, but just the second from that group out of an
A.P. Indy mare. A.P. Indy is the broodmare sire of 121
graded/group winners worldwide.

Atone’s dam, a daughter of GISP Folk, was a stakes winner and
graded-placed routing on the dirt. She has a 3-year-old filly
named Rekindled (Nyquist) who has been working towards a
debut at Tampa Bay Downs, and Captivating Lass sold to Mark
Dodson at KEENOV ‘21 for $50,000 carrying an English Channel
colt. She was bred back to Good Magic. Douglas Arnold bought
Atone’s 4-year-old half-sister Way of Life (Street Boss) for
$11,000 at the recent Keeneland January sale in foal to Astern
(Aus).

A $725,000 Fasig-Tipton Midlantic grad, Faiza (Girvin) already

In a field that included the top three out of the Starlet, as well as fellow 'Rising Star' Justique (Justify), Faiza drew the inside gate but was out-sprinted into the first turn by a pair of rivals to her outside in Sweet Trouble (Into Mischief) and Broadway Girls (Army Mule). Taken back into third off that duo as the field strung out down the backstretch, Faiza stayed in contention before shifting to the outside to steadily gain until she was on even terms with Broadway Girls. Still making progress as the top trio came around the far turn, she came within a neck of Sweet Trouble at the head of the lane despite drifting out a bit and dug in gamely down the stretch to keep a closing Pride of the Nile at bay in a repeat of the Starlet exacta.

“I’d like to thank Bob Baffert and the owner for the opportunity and support,” said winning jockey Ramon Vazquez, who was aboard Faiza for the first time today with regular rider Flavien Prat away to ride at Oaklawn Park.

“I wanted to get out in the clear and put my filly in a good position. She’s a nice filly, when I asked her, she responded really well. She’s amazing.”

**Pedigree Notes:**

By top-five freshman sire Girvin—also the sire of fellow 'Rising Star' Damon’s Mound—Faiza was her sire’s first Grade I winner. Her second dam, MGSW & GISP Pomeroy’s Pistol (Pomeroy), is also responsible for MGSW and Spendthrift stallion Thousand Words (Pioneerof the Nile). Sweet Pistol saw her 2-year-old by Cairo Prince realize $160,000 at last year’s Keeneland September Sale and she also has a yearling filly by Complexity.

**CROSS-COUNTRY JOURNEY A SUCCESS FOR QUEEN GODDESS**

Lightly raced Queen Goddess (Empire Maker) rewarded her connections' faith to successfully invade from California and annex Saturday's GIII Pegasus F/M Turf. Originally campaigned by Eclipse Thoroughbred Partners and her breeder, Geoff Nixon’s TOLO Thoroughbreds, after RNA’ing for $285,000 as a Fasig-Tipton Saratoga yearling, the Michael McCarthy trainee made the grade in the rained-off GI American Oaks two Decembers ago and added the GIII Santa Ana S. on the Arcadia lawn last March. She was second in May’s 1 1/2-mile GIII Santa Barbara S., but hadn’t been back on the track since then when she fetched $1,525,000 at Fasig-Tipton November, with Gary Barber essentially buying out TOLO’s piece. Resurfacing on New
Year’s Eve, the dark bay dominated Santa Anita’s GIII Robert J. Frankel S. on the front end going a sixteenth farther than this. Taken in hand by Luis Saez to try and avoid a four-way scramble into the first turn, Queen Goddess settled nicely within striking distance and out in the clear behind splits of :23.76 and :48.03. She ranged up three deep under confident handling nearing the lane, quickly blew the race apart and held safe a late bid from Shantisara to get the job done.

“She ran pretty big,” Saez said. “Today she proved she’s a beautiful and special filly. We knew she had a lot of speed but inside they had speed, too, so the plan was to try to follow the speed and be right behind, and everything went according to plan. It was perfect.”

Eclipse’s Aron Wellman said, “She’s matured. She’s a filly we always thought would get better with age. The two times we sent her east were a very ambitious run [when fifth at 41-1] in the [2021 GI] Queen Elizabeth [I] Challenge Cup and a dirt try in the [2022 GIII] Bayakoa [at Oaklawn, where she also finished fifth]. She wasn’t quite ready for it. Today we felt good about our chances.”

The winner’s dam hails from the family of GISW Persistently (Smoke Glacken) and GSWs Good Reward (Storm Cat) and Pure Prize (Storm Cat)--the latter sired Saturday’s GIII William L. McKnight S. winner Red Knight. Royal Story was acquired privately by Nixon after finishing second by a head in the 2015 Hut Hut S. at Gulfstream Park West, but failed to pan out on the track after that. She sold to Leopoldo Fernandez Pujal’s Yeguada Centurion for $125,000 in foal to Mendelssohn at the 2019 Keeneland November sale and was exported to France. The resulting foal sold for €235,000 to agent Daithi Harvey for Highland Yard at the 2021 Arqana August Yearling sale.

At this time last year, Newgrange was looking like one of the best sophomore colts in his crop. A debut winner the previous November, he took the local GIII Sham S. on New Year's Day and then added Oaklawn's GII Southwest S.--won Saturday, again, by Newgrange's conditioner at the time Bob Baffert--but stopped abruptly at 4-5 in the GII Rebel S. while representing the powerful ownership group nicknamed The Avengers. Newgrange then found himself for sale at the horses of racing age portion of Fasig-Tipton July, where he fetched the co-sixth highest price at $325,000.

Turned over to Phil D'Amato, the handsome dark bay was a well-beaten third after a tough trip in Del Mar's Shared Belief S. Sept. 3, but improved markedly with Lasix added to take a one-mile optional claimer here with a career-best 97 Beyer Speed Figure. He was third behind Grade I-winning former stablemate Defunded (Dialed In) in the Nov. 27 GII Native Diver S. at Del Mar, but had a somewhat easier task here with that one at Gulfstream, where he finished second in the GI Pegasus World Cup Invitational.

Locked on to pacesetting Baffert pupil and favorite Hopper down the backside through a :47.36 half, Newgrange dropped back and seemed to be coming up empty rounding the home bend. But his backers who tossed their tickets prematurely would soon be scrambling back to the nearest waste receptacle, as the colt got going once again at the head of the lane and ground his way past the embattled Hopper and Parnelli to win with room to spare.

"I think what made a difference is, he broke really good and I was able to get a nice position," said winning rider Juan Hernandez. "I just left him alone and when those horses got away from us a little bit, he kind of idled by himself. I didn’t take him back, I just wanted him to be comfortable. I was hoping those two horses would come back to me, but they weren’t. I was riding really hard and this horse showed he’s got a lot of heart. Turning for home, he was lugging in a little bit, but when he straightened up, he gave me another gear and got the job done."

D'Amato said, "He is a nice horse. I have to thank Gary Hartunian [of Rockingham Ranch], Kim Lloyd for finding him and Billy [Koch] of Little Red Feather, [and Gary] Fenton and great job by my crew, Jessica Pyfer and a beautiful ride by Juan Hernandez... I was confident at the three-eighths pole, I was definitely not confident at the quarter pole but, I just kind of saw Juan stay with him and re-engage. This horse does this in some of his races, he likes to kind of disengage at the three-eighths pole and then come back on. He did that last time."
I told Juan this horse is probably going to do that and don't give up, just stay with him, he did that, and he got the job done."

Pedigree Notes:

Newgrange is one of 13 Northern Hemisphere graded winners for his sire, who is of course also represented currently by 2022 champion 2-year-old male Forte. He is one of 34 graded/group winners worldwide for his top broodmare sire, who also sired Saturday’s GIII Pegasus F/M Turf heroine Queen Goddess.

Newgrange’s now 2-year-old full-brother was purchased by Lynnhaven Racing for $300,000 at Fasig-Tipton October, and his dam RNA’d for $340,000 at this past Fasig-Tipton November sale. Dam Bella Chianti is a daughter of GSW Bella Chiarra and a full to the dam of Grade II winner Amalfi Sunrise (Constitution).

Pauline’s Pearl successfully defended her title Saturday with a win in the GIII Houston Ladies Classic. Winner of the GI La Troienne S. in 2022, the grey had not raced since finishing third to GI Longines Kentucky Oaks winner Shedaresthedevil (Daredevil) in the GII Fleur de Lis S. at Churchill Downs July 2.

Freshened off the layoff, Pauline’s Pearl was four wide as the field passed by the wire for the first time. Hidden Connection was intent on the lead and set it from just off the rail with pressure to her inside by She Can’t Sing and with Sixtythreecaliber (Gun Runner) on her outside. In the second group several lengths off the leader, Pauline’s Pearl raced under a hold and let the leading trio go on with it, in no rush up the backstretch before coming up a ride into the far turn. Hidden Connection and She Can’t Sing battled on as Sixtythreecaliber faded while Pauline’s Pearl joined the leaders with a three-wide move past the quarter pole. All three put in a good stretch run but, in the final sixteenth, the grey had the most left to give and gained separation to the wire for the win.

Pedigree Notes:

From a Stonestreet family, Pauline’s Pearl is out of GISW Hot Dixie Chick, herself a half-sister to MGISW and sire Always Dreaming (Bodemeister), who also produced MSW & GSP Union Jackson (Curlin). Hot Dixie Chick produced a 2-year-old colt by Constitution and a yearling colt by Quality Road.

Making it a Stonestreet-bred graded stakes double in Texas on the night, Scarlet Fusion just got up in the shadow of the wire to take the GIII John B. Connally Turf Cup S. at Sam Houston Saturday.

Third in his only prior stakes try in the Tinsel S. at Oaklawn Dec. 17, the chestnut has made a career out of on-the-board placings in optional claimers, contesting eight straight dating back to Dec. 2021 with ever-increasing Beyer Speed Figures to match.

Breaking from the rail position in this three-turn contest, Scarlet Fusion showed good speed from the gate and was out-sprinted only by Portos with Logical Myth (Data Link) to his outside. Eased back a bit past an opening quarter in :25.25, Scarlet Fusion hugged the rail and was boxed in as the field went by the wire for the first time. Back to fifth up the backstretch, he began to come under a ride as the field swung into the far turn for the last time. With several lengths still to make up on the leader from third, Scarlet Fusion tipped outside at the head of the lane and kept driving, just nailing Another Mystery on the line.

**Pedigree Notes:**

The 51st graded-stakes winner for leading sire Curlin, Scarlet Fusion is a half-brother to G1S Tara’s Tango (Unbridled’s Song), G1 NetJets King’s Bishop S. winner Visionaire (Grand Slam), and GSW & MGISP Scarlet Strike (Smart Strike).

Hard-knocking 9-year-old New York-bred Red Knight led home a one-two-three finish for the Mike Maker barn here while providing his conditioner with a record five wins in this event in a stretch of just seven years.

Transferred from Bill Mott to Maker ahead of his 2022 campaign, the chestnut returned from an 11-month lay-off to annex July's Colonial Cup S. before belying 12-1 odds to take the $1-million GI Kentucky Turf Cup S. Sept. 10. Eighth, but beaten just 1 1/2 lengths in Keeneland’s GIII Sycamore S. Oct. 14, he was last seen finishing 11th in the GI Breeders’ Cup Turf Nov. 5.

Content to drop out the back early, Red Knight began to tug his way slightly closer last time down the backside under chilly Irad Ortiz, Jr. handling. He split foes and joined stablemate Value Engineering four deep entering the stretch, and found another gear in the final sixteenth to pull away comfortably.

“Thank God I had a good trip from tough post 11; he’s perfect for the distance because he relaxes very well. With five furlongs
to go he started to gain ground on the outside and I just let him
do his thing,” said Ortiz, recipient of the 2022 Eclipse Award for
Outstanding Jockey earlier this week. “This one’s really special
because my family is here. My wife, my parents and my
daughters are all here with me. They are my driving force, what
keeps me going day after day, all supporting me 100% of the
time.”

Maker added, “Irad had Red Knight settled in the back of the
pace. The pace was hot, which favored him. The rest is history...
I had a lot of confidence in him. The first time he ran for us, he
hadn’t run in a year and won. He likes to run fresh. He loves his
job... One, two, three and five. We just missed the superfecta.
Every horse ran a great race and I’m proud.”

Maker would take the GIII Fred W. Hooper S. next race with
Endorsed (Medaglia d’Oro).

Pedigree Notes:

Owner/breeder Tom Egan and his late wife Jaye acquired Red
Knight’s dam for $60,000 at the 2003 Keeneland September
sale. That runner also enjoyed some turf events—she broke her
maiden going 10 furlongs at Belmont and was a close second in
a Gulfstream allowance going the same distance as the
McKnight. Also the dam of useful turf miler Macagone, Isabel
Away produced her final foal in 2018.

Red Knight is one of 11 Northern Hemisphere graded winners
for his sire, who did much of his best work as a stallion in South
America. He is one of four worldwide graded winners for
broodmare sire Skip Away, who won the 1998 GI Donn H.--the
precursor to the GI Pegasus World Cup--on the local main track.

In her first try over 12 furlongs, Personal Best always looked
the picture of confidence under recently crowned Eclipse
champion jockey Irad Ortiz, Jr. Entered off her only start to date
on a surface besides the turf, she got caught late to be third in a
rained-off Tropical Park Oaks at Gulfstream Dec. 26, but scored
over 11 furlongs at Aqueduct two starts back versus allowance
company as the heavy favorite.

Patiently ridden from an inside gate, Personal Best eased back
off the pace as Adventuring dashed forward to set a fast early
tempo and quickly opened up several lengths on the field as
they passed by the wire for the first time. Kept off the rail in the
two path into the second turn, Personal Best rated in fifth under
a motionless Ortiz, Jr. and stayed under a tight hold up the
backstretch. As the tempo began to quicken up front again past
a mile in 1:38.71, the field began to gain on Adventuring, who
surrendered the lead past the furlong pole as a pair of
challengers advanced on her outside. Widest of all, Personal
Best had plenty left and swarmed up to just clear the early
pacesetter and Transient on the wire.

“I thought Irad rode her perfectly,” winning trainer Shug
McGaughhey said. “There was a little speed in front of her and
she was tracking really good. He said at the three-eighths pole,
he was loaded. She has a little bit of a tendency to hang, but he
just didn’t let her do that today.”

He continued, “She’s still kind of lightly raced and has some

Always a groomsman, Repo Rocks finally enjoyed the fruits of a graded marriage on Saturday afternoon. Now along his fifth shedrow, the perennial New York racer gave his best graded finish in this race last year when he was second to rival Drafted. More recently, he shipped to the Empire State after winning a pair of minor stakes at Parx, the Let’s Give Thanks Nov. 23 and the Blitzen Jan. 4.

As the second longest shot on the board here, the normally slow-starting gelding broke well to lay third down the backstretch behind favorite Pirate Rick (Liam’s Map). Keeping pace around the far turn with a brisk half-mile of :45.76 to run into, he tracked the leader and Little Vic with determination, and made his move with an eighth of a mile to go to win impressively.

**Pedigree Notes:**

Repo Rocks becomes the second graded winner for Tapiture, who is responsible for 25 stakes winners. Broodmare sire Not For Love has produced 11 graded stakes winners. The unraced dam Hawaiian Love produced a colt by Exhi in 2022 and was bred back to Big Blue Kitten.

A portion of the GIII Robert B. Lewis S. Nominations

by Bill Finley

Hall of Fame trainer Bob Baffert will attack next Saturday’s GII Robert B. Lewis S. at Santa Anita with quality and an awful lot of quantity. The nominees for the $200,000 race were released Saturday and 14 of the 16 nominated for the race hail from the Baffert stable.

This Lewis will be run just six days after the GII San Vicente S. In that race, also for 3-year-olds, Baffert trains four of the five starters. The lone horse to take on Baffert in the San Vicente will be 20-1 shot Man Child (Creative Cause) from the barn of Ryan Hanson.

All four of Baffert’s San Vicente starters are nominated for the Robert Lewis, but that still leaves 10 potential starters. Among the top names for the Lewis are the Baffert trio of Reincarnate (Good Magic), Newgate (Into Mischief) and National Treasure (Quality Road), who finished one-two-three in the GIII Sham S.

Baffert will come into the Lewis having won the race four straight years and 10 times overall.

JUSTIFY REPRESENTED BY FIRST AUSTRALIAN WINNER

Coolmore Stud’s Triple Crown hero and dual-hemisphere sire Justify (Scat Daddy) is off the mark in Australia and with a smart one. Learning To Fly (Aus) found plenty at her racecourse debut in Saturday’s G3 Widden S. at Rosehill (video), having shown plenty of talent at the trials.

Bred by Katom and purchased by Kia Ora Stud for A$900,000 from the Coolmore Stud draft at the 2022 Inglis Australian Easter Yearling Sale, the Annabel Neasham-trained filly is her sire’s seventh worldwide stakes winner and his first winner of any variety on Australian soil.

She is the second foal for the G3 Chairmans’ S. winner Ennis Hill (Aus) (Fastnet Rock {Aus}) whose dam is the G2 Reisling S. winner Hips Don’t Lie (NZ) (Stravinsky)—also dam of the Listed winners Lake Geneva (Aus) and Acrobat (Aus), both also by Fastnet Rock.

Served last spring by Snitzel (Aus) after foaling an I Am Invincible (Aus) filly, Ennis Hill also has a Pierro (Aus) filly who is catalogued as lot 117 at this year’s Inglis Easter sale.

Learning To Fly boasts a cross of the wonderful mare Crimson Saint (Crimson Satan) via her grandson Storm Cat and son Royal Academy.

QUALITY ROAD SIRES EXACTA IN KING’S CUP, SAUDI CUP NEXT by Alan Carasso

Scotland Yard | Jockey Club of Saudi Arabia

A little less than five months after Emblem Road caused a massive upset in the $20-million G1 Saudi Cup last February, agents for that horse’s owner HRH Prince Saud bin Salman Abdulaziz went shopping for another son of Quality Road at the Fasig-Tipton July Horses of Racing Age Sale. They landed on Scotland Yard, placed three times in maiden company from four starts for WinStar Farm and Siena Farm and Steve Asmussen and offered through the WinStar Racing consignment.

Acquired for $255,000 with a race like the Saudi Cup the long-term objective, Scotland Yard remained undefeated in three starts at King Abdulaziz Racetrack with a comprehensive victory in Saturday’s $399,600 Custodian of the Two Holy Mosques Cup (King’s Cup), accorded listed black-type status for the first time. Drawn wide in a field of 17, Scotland Yard broke alertly and raced handy to the pace while traveling in about the six path down the long backstretch in Riyadh. Allowed to improve his position and guided down to race three deep around the turn, Scotland Yard wrested command from fellow Fasig-Tipton HORA grad Electability (Quality Road) under little encouragement with more than a quarter-mile to race and put on a show down the lane, scoring by 10 1/4 lengths (video). Electability plugged on for second ahead of 9-year-old mare La Casa Tarifa (Ire) (Casamento {Ire}) in third. The final time for the mile and a quarter on a dry strip that rarely produces fast times was a crisp 2:04 flat. With the victory, Scotland Yard earns an automatic berth in the nine-furlong Saudi Cup Feb. 25.

Scotland Yard is a son of Leslie’s Harmony (Curlin), a half-sister to four-time champion and 10-time Grade I winner Beholder (Henny Hughes), all-conquering sire Into Mischief (Harlan’s Holiday) and GISW and promising young stallion Mendelssohn (Scat Daddy). Bridlewood Farm acquired Leslie’s Harmony for $1.1 million out of the 2014 Keeneland September Sale and she is also the dam of the 3-year-old filly Union Harmony (Union Rags), a 2-year-old Tapit filly and a yearling filly by Uncle Mo. She is due to Not This Time for her 2023 foal. Scotland Yard is the 67th stakes winner for his sire. (Note: The King’s Cup chart appears in TDN Europe)

THIS DATE IN HISTORY...

January 29, 1960...Future Kentucky Derby and Preakness winner Carry Back finished 10th in his first start ever, a three-furlong race for two-year-old maiden runners at Hialeah. Sired by Saggy, the only horse to defeat Citation during his three-year-old season, out of an undistinguished mare named Joppy, Carry Back became a popular runner and was dubbed, "the people’s horse."

January 29, 1973...Forego, the Horse of the Year from 1974-76, broke his maiden by eight lengths at Hialeah in his second career start.

Also Ran: Take Charge Briana, Olivia Twist, Key to Success.

Wet Paint added her name to an impressive list of Martha Washington S. winners, including Horse of the Year Rachel Alexandra (Medaglia d'Oro), champion Take Charge Brandi (Giant's Causeway) and GI Kentucky Oaks winner Secret Oath (Arrogate), with a dazzling last-to-first victory in this year's 44th running of the Hot Springs staple. The bay filly was making her stakes debut following a runner-up finish in a first-level allowance race at Turfway Park Dec. 14 and returned to a wet track here for the first time since her sloppy maiden win at a mile at Horseshoe Indianapolis Oct. 26.

Last after the break, the homebred settled at the back of the pack early while Olivia Twist (Mshawish) showed the way under a tight hold, with even-money favorite Defining Purpose (Cross Traffic) pressuring to her outside. The pacesetter was in front past the half-mile in a pedestrian :48 while the eventual winner was on the move, darting in toward the rail on the turn then back out into the center of the track for clear running room in the lane. The favorite put her head in front at the top of the stretch and it appeared as if the victory would be hers, but Wet Paint was on the move and under a vigorous ride, ran down the stubborn Defining Purpose within the final furlong and pulled away to win by two widening lengths.

“Brad was telling me she wasn’t really quick out of there,” jockey Flavien Prat said. “He said to give her time to get herself on her leads. After that, she was traveling well. I was able to cut the corner and, when I tipped her out, she really responded well.”

Wet Paint is the first winner for Sky Painter, who also produced a yearling filly by Medaglia d'Oro and was reported in foal this year to Not This Time. The winner’s third dam is the MGISW Nastique (Naskra). She is the 43rd stakes winner for her sire. Click for the Equibase.com chart or VIDEO, sponsored by TVG.
**King Cotton S. cont.**

Making his first start since a fourth-place finish in the Nov. 5 GI Breeders’ Cup Dirt Mile behind eventual Eclipse Award finalist Cody’s Wish (Curlin), Gunite earned the sixth stakes win of his career by a widening margin.

The 2021 GI Hopeful S. winner, who won four of his seven starts in 2022 including the GII Amsterdam S. at Saratoga, Perryville S. at Keeneland and Harrods Creek S. and Maxfield S. at Churchill Downs, broke smartly from the gate but, as is typical for him, took back slightly and pressured Gar Hole (Tekton) to his outside for the first quarter-mile. Having enough of waiting, he made his move to the outside of the early leader midway around the far turn and reached even terms with the front-runner just past the quarter pole in :45.48 and soon after opened up on the field while racing on the wrong lead, checking in for the win at odds of 3-5 over a closing Tejano Twist.

Gunite is the first foal to race out of 2015 Bolton Landing S. winner Simple Surprise. The winner also has an unraced 3-year-old full-sister named Surprise Attack, a 2-year-old half-sister by Copper Bullet, a yearling half-sister by Tapiture and his dam is carrying a full-sibling set to be foaled this year. Also Ran: Mazing Mark, Send the Boss, Alto Road, Three On the Tree. Scratched: Worthington.

Andthewinneris, a debut victor on the Haggin at Keeneland Apr. 28, switched to the dirt next out and ran third in the Bashford Manor S. at Churchill July 4. Back on the turf going two turns for the first time, he stepped up as the favorite in the Gill With Anticipation S. at Saratoga Aug. 31 and ended up third. Returning to Keeneland in October, the colt flashed a strong turn-of-foot to win the Gill Castle & Key Bourbon S., which led his connections to enter the GI Breeders’ Cup Juvenile Turf where he was seventh. Ending his 2-year-old campaign in the Gun Runner S. at the Fair Grounds on the dirt, the Wayne Catalano trainee was fifth behind Jace’s Road (Quality Road).

Shipping to Texas, the second choice on the tote who raced under Lasix for the first time, was taken in hand towards the rear of the field. Down the backstretch, he watched as favorite Private Creed (Jimmy Creed) took over the lead. Undeterred, Andthewinneris went three-wide around the far turn, showed good energy down the lane, caught up to the leader and won the head bob in the final stride.

Susan Moulton’s homebred has an unraced half-brother named Track and Field (Enticed) and a yearling half-sister by Bonne Fille. His dam was bred to Raging Bull (FR) last year. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

A winner of his first two starts in restricted company at Lone Star last year, including a first stakes win in the Texas Thoroughbred Futurity July 17, Vietnam Victory was last seen contesting Remington Park’s Kip Deville S. Sept. 25, finishing fourth. Now racing as a gelding, he made his return to the races Saturday with a win in the state-bred Groovy S.

Sent for the lead outside of Village Way (Tapiture), Vietnam Victory kept the pressure on from second before taking command around the far turn. Lil Sweet Thang closed down the lane and was well-clear for second but was ultimately no match, as Vietnam Victory hit the wire the winner.

Out of a half-sister to GSW Mo Cuishle (Saint Ballado), Vietnam Victory’s only younger sibling is the 2-year-old filly Flying First Class (Bradester). Click for the Equibase.com chart.

MOYAZ (m, 5, Uncle Mo—Zinzay (GSP), by Smart Strike) may have needed nine tries over 12 months at five tracks from New York to Florida to break her maiden, but she wasted little time in adding to her victory tally here, improving on a runner-up finish over the turf course in her last start on New Year’s Eve. Back on the all-weather, she had a smooth break from the gate and was taken well back in the early going and though never farther than a half-dozen lengths off the early pace, she was content to sit back in last and allow longshot Jungle Juice (Ire) (Bungleinthejungle (Ire)) show the way. The front-runner maintained her early advantage with a clear lead past a half-mile in :49.25 and around the far turn, but Mozay was on the move as she rounded the bend while widest of all and forced even wider into the lane for the stretch drive. She thundered down the lane and outkicked them in the final few yards to prevail by a half-length as the 5-2 second betting choice. She is the third foal from her SP dam and a half-sister to MGSP Moon Over Miami (Malibu Moon) and hails from the female family of champion It’s In The Air (Mr. Prospector). UP TO THE MARK (c, 4, Not This Time--Belle’s Finale, by
Ghostzapper), a debut dirt winner last summer at Saratoga
July 21, was off the board in Aqueduct allowances Nov. 26 and
Dec. 18, the $450,000 KEESEP buy shipped to Florida and to try
the turf for the first time with the recent Eclipse winners Repole,
Pletcher and Ortiz Jr. joining forces once more. Settling towards
the rear of the field until the far turn, the 12-1 shot took
advantage of a hot pace, and gobbled up the ground to graduate
by four lengths over the late-arriving Journeyman (Animal
Kingdom). Out of an unraced mare, the winner is a half-brother
to Cookie Crumbs (Mendelssohn). His dam also produced a 2-
year-old filly by West Coast and a yearling colt by McKinzie.

**MI HERMANO RAMON** (g, 3, Creative Cause--Sassy Suances, by Suances {GB}) cut back in distance to tackle Santa Anita’s 6 1/2-furlong downhill after scoring in his debut at a mile over Del Mar’s Jimmy Durante turf course Dec. 4 and added Lasix for the first time to remain undefeated with his half-length score here. After the break, the 3-5 favorite chose to sit back a couple of lengths off the quick early pace set by Rexford (Tapiture), who had the aptly named Mas Rapido (GB) (Massaat {Ire}) hot on his heels for entire journey down the hill. As the early pair rounded the final bend to navigate the dirt crossover, the winner was moving toward the lead and had almost reached even terms as the half went in :43.57. Just as he was about to pass his two rivals in front of him, Rexford lugged out badly and forced both him and Mas Rapido well into the center of the course, causing the gelding to alter course closer to the outside rail than to the inside for clear running room. A tiring Rexford soon retreated, but Mas Rapido wasn’t keen to give up and made Mi Hermano Ramon work for it, only reluctantly throwing in the towel within the final few yards to settle for second at odds of 9-2. Sassy Suances also produced the 2-year-old colt Runninferbunnin (Flintshire {GB}) and is expecting a foal by Straight Fire this year. Lifetime Record: 2-2-0-0, $85,200. Sprinting at the same distance once again, but this time as the 1-5 favorite, the chestnut colt wrestled the lead away from a longshot and proceeded to take over the race to win easily by an eye-catching 9 3/4-lengths. Bred by the same outfit that produced MGISW Accelerate, the winner is a half to Dougs Buddy (Badge of Silver), MSW & GSP, $213,959; Floral Sky (Sky Mesa), SW, $206,732; and also to Heavenhasmynikki (Majestic Warrior), GSW, $426,730. **TALLADEGA** (c, 3, Into Mischief--Thin Disguise, by Yes It’s True), a debut seventh as the favorite in the Churchill sloop Oct. 30, finished third to Gun Pilot (Gun Runner) next time out under the Twin Spires Nov. 26. After nearly a two-month break, the $850,000 KEESEP purchase raced with Lasix for the first time to a fifth-place effort around two turns at Oaklawn Jan. 14. Back on short rest and as the 3-1 co-favorite in the mud, the blinkered bay colt jumped out on top, controlled the pace throughout from the rail and, despite a brief challenge from Seas of Normandy (Normandy Invasion) in the stretch, re-rallied to win by half a length over the late-charging King Russell (Creative Cause). Talladega is a half to Midnight Disguise (Midnight Lute), MSW, $449,960; Forest Caraway (Bodemeister), GISP, $159,380; and Holiday Disguise (Harlan’s Holiday), GSW, $662,775. Crunched into 70 cents on the dollar for this seasonal debut, the $300,000 KEESEP purchase stalked solid fractions from the outside, hit the front in upper stretch and kept on well for a 1 3/4-length defeat of Simovic (More Than Ready). Easy Action is the first foal out of the 2017 GII Adirondack S. runner-up, who was knocked down to Sycamore Hall’s Richard Golden for $300,000 at KEENOV in 2018. ‘I DIDN’T HAVE A EURO TO MY NAME AT 18 - YOU NEED TO WORK HARD’

By Brian Sheerin

What is the most important thing needed to get a stallion farm off the ground? A lot of people would rightly guess money but, according to Tangi Saliou, hard work trumps all, and his thriving Haras de la Haie Neuve is living proof to that theory.

He may not have had a penny to his name when he embarked on a career in bloodstock a little over 20 years ago, but Saliou now stands nine stallions at Haras de la Haie Neuve, and is convinced that there is little that can’t be achieved without good old-fashioned graft.

Group 1-winning juvenile Ebro River (Ire) is the newest stallion to the Haras de la Haie Neuve roster, and represents an exciting new partnership with Al Shaqab, which goes some way in illustrating the trajectory of the stud.

Saliou said, “I think Ebro River will cover a lot of mares. I am very happy to have him here because he was a very fast racehorse and we need some horses like that standing in France—some of our mares are not very fast. It’s a new partnership for us with Al Shaqab and I am very happy to work with them. Let’s hope Ebro River can be the next Mehmas (Ire) in France! I am a positive thinker.” Cont. p3

NEW STAKES WINNER FOR HAVANA GREY IN JAPAN by Heather Anderson

Yakushima (GB), the first and only runner in Japan for his 2022 European, British and Irish Champion Sire, became the sixth stakes winner for Havana Grey with a speedy score in the Listed Crocus S. at Tokyo on Saturday.

Third choice in the field at 3-1, the Godolphin colourbearer was part of the early pace discussion and shadowed From Dusk (Bolt d’Oro) and Smooth Velvet (Jpn) (Discreet Cat) through splits of :23.50 for the quarter and :47.30 for the half mile. He remained in shouting distance of the leaders and saved every inch of ground on the bend.

Given a small nudge from Smooth Velvet to his outside entering the stretch, he recovered and charged up in between the two frontrunners to take over a quarter-mile from home. Cont. p6

Tangi Saliou Cont. from p1

He added, “My first job in racing was as a rider before working for 10 years at the French National Stud. When the French National Stud finished up, I went to work for Haras de Montaigu where I worked as the technical director for six years. We had a lot of success with Martaline (Fr), No Risk At All (Fr) and we also bred Wings Of Eagles (Fr), as well.

“About five years ago, I decided to buy a new 50-acre farm two hours west of Normandie. I began with four stallions and now we have nine. As well as that, our farm was responsible for 8% of the entire thoroughbred mares covered in France last year. I have 60 mares here myself and, after buying a new farm last year, we have upgraded and have 45 yearlings and 10 full-time workers. It's busy!”

Seahenge is another Haras De La Haie Neuve resident that fans of British and Irish racing will be familiar with. The son of Scat Daddy carried Michael Tabor’s silks en route to victory in the G2 Champagne S. at Doncaster for Aidan O’Brien in 2017 and joined fellow ex-Ballydoyle inmate Taj Mahal (Ire) on the roster.

Saliou said, “We have worked with Coolmore to get Seahenge and Taj Mahal. We also worked with the Wertheimer family to stand Anodin (Ire) here. So, along with Al Shaqab, who we are also very happy to be working with, we have been busy trying to get many partnerships together to stand these stallions.

“Seahenge was the champion first-season sire in France and a lot of the trainers are looking forward to his 3-year-olds this season. Seahenge is a big horse and we think his progeny will do even better at three.”

So how has Saliou built up the quality at Haras de la Haie Neuve year after year? For starters, the stud places as much emphasis on jumping stock as it does on the Flat, the broodmare band does a lot of the heavy lifting and, perhaps more importantly of all, Salious’s wife has a penchant for investing in stock over diamonds.

“We strive to be better, always. When I was 18, I had no money, not even a euro to my name. All I had was my driver’s licence and my hurt. My courage was my best friend and I always worked hard. That was the only solution.

“As well as this, my wife Dorothy is very good. There are some women who like to buy clothes and diamonds but my wife prefers to buy mares. She is very good at that. I always had two or three mares myself. When I was working at the French National Stud, I had two Group 1-producing mares, but I was not even aware of this at the time. It was a very good surprise.”

He added, “One of the mares, Nutz (Fr), bred the Grade 1-winning hurdler in Britain, Elixir De Nutz (Fr) (Al Namix {Fr}). We have been very lucky with horses but, to have the luck, you need to roll the dice. If you sit in front of the television all day, you will do nothing with your life. You need to get out there and try to make something of yourself in order to have something good. That is what we have tried to do.

“We have some good mares at the moment, 12 of which are ours, and they are split between jumps and Flat mares. We have the dam of Sceau Royal (Fr) and she is in foal to his sire Doctor Dino (Fr). We also have a full-sister to Doctor Dino in foal to Kapgarde (Fr) and bought in partnerships some very good Flat mares as well.” Cont. p4

Tangi Saliou Cont.

Saliou's love affair with Doctor Dino does not end there. A number of Christmases ago, when going through the profile of the top-class jumps sire who stood for €20,000 last year, the stallion man stumbled across a sibling who he simply had to add to the roster at Haras de la Haie Neuve.

He explained, "We bought Bande (Ire) in Japan and it was very good business. We had nothing to do over the Christmas holidays and looked up to see if Doctor Dino had a brother anywhere around the world. We saw that Bande was in Japan, called someone there, and got the deal done."

For how much?

"I don't remember," he laughed, before adding, "but it was very good business! We got him syndicated and he has covered over 100 mares every year which is very good in France. He covered 165 in 2021 which was the most any jumps stallion covered that year. We have a lot of good-looking foals and yearlings by him and we are very happy with him. He's a very strong stallion and he looks like his father, Authorized (Ire), so hopefully he can be the next Doctor Dino.

"He only covered 10 mares in Japan before we bought him. Of those 10 mares, he had only eight foals, and only three or four runners. From that tiny crop, he had two winners and one second, which is very good."

To be able to get over 100 mares into an unproven stallion year after year, regardless of who he is related to, is a fair achievement. So what is the secret?

"We always cover a lot of mares. When you are young and full of energy, you must work hard. I am 46 now but I like to work hard. I always do my best for my clients and, if you think that way, you will do well. I have had the same clients for over 10 years and lots of the same clients who call me up for advice. I work with a lot of trainers, too, and try to be as correct and honest with everyone. If you can be correct and honest, you can work in this industry for a long time, because you need to build long-term relationships."

WINGMEN SETS RECORD AT TATTERSALLS CHELTENHAM JANUARY SALE

Wingmen (Ire) (Kayf Tara {GB}) sold for a new Tattersalls Cheltenham January Sale record when making £250,000 to Gordon Elliott Racing/Bective Stud.

Sold as lot 8 and offered by Elliott's Cullentra House Stables, the bay won a point-to-point at first asking going three miles at Ballycrystal on Jan. 23. Out of the winning hurdler Raise You Five (Ire) (Flemensfirth), the €47,000 Tattersalls Ireland November NH Sale grad turned €88,000 Derby Sale purchase is from the family of Listed Christmas Hurdle winner Dramatist (GB) (GB).

"He is a very nice horse, and Gordon thinks a lot of him," said buyer Eddie O'Leary, who sat with Elliott, who will continue to train the 5-year-old gelding. "He is a big raw horse, he won't begin to see the best of him until next year, he has been bought on behalf of Bective Stud."

Another first-out winner, Sao Carlos (GB) (Blue Bresil {Fr}) (lot 18), who won a bumper on Boxing Day, went to Lisa Hales acting on behalf of her father, John, for £190,000. Consigned by Olly Murphy's Warren Chase Stables, the 5-year-old gelding is out of a half-sister to G2 Aintree bumper winner Diamond Sal (GB) (Bob Back) and three other black-type horses.

"He will probably be for Dad, Sir Alex Ferguson, Ged Mason and John Driver, the same syndicate that owns Hermes Allen," said Hales. "This horse has got an amazing walk, an amazing presence, he is substantial and looks like a chaser for the future, and that is what we like.

"In fact, I backed him when he ran and before I knew he was coming here; I thought he put in a great run then." Cont. p5

**Magic Dawn (Ire)** (Doyen {Ire}) (lot 14), from the draft of Michael Hickey’s Sunnyhill Stud, was knocked down to Aidan O’Ryan and Gordon Elliott for €185,000. A full-sister to Magic Daze (Ire) (Doyen {Ire}), the G2 Mares’ Novice Hurdle-runner up at Cheltenham, Magic Dawn won a bumper impressively at Punchestown on New Year’s Eve.

“Magic Dawn is a gorgeous mare, she has great presence, is a great walker and has a magic temperament,” said Hickey. “She needed her first run, but four winners came out of that race, and then she won very well on her second start, I think she has a huge future.

“The intention was to race her and, if she won a little race, cover her and keep her for breeding. However, we started to train her and she was showing that bit extra—when she won she just became too valuable for us to keep, we do have to balance the books.”

“She couldn’t have been more impressive when she won, and the family speaks for itself,” said Mouse O’Ryan, who bought the mare for KTDA Racing, who has horses with Elliott. “We will be aiming her for something like the Aintree bumper.”

At the close of trade, 30 of the 40 lots offered (75%) sold for a record-breaking top price and seven horses fetching over that this first sale of the year has produced such a positive result.

G60 SEEKS REDEMPTION AGAINST BUDDING STARS IN STEWARDS' CUP by Alan Carasso

Revenge is squarely on the mind of reigning Hong Kong Horse of the Year Golden Sixty (Aus) (Medaglia d’Oro) as he faces one of his stiffest tests to date in Sunday's G1 Stewards' Cup at Sha Tin Racecourse.

Having suffered a shock defeat at the hands of the re-opposing Waikuku (Ire) (Harbour Watch {Ire}) when in search of a record-equalling 17th consecutive victory in last year’s Stewards' Cup, the 7-year-old enters this race with another chip on his shoulder, having failed to reel in loose-on-the-lead California Spangle (Ire) (Starspangledbanner {Aus}) when attempting the three-peat last time in the G1 Longines Hong Kong Mile Dec. 12.

The task at hand is made trickier still by the presence of the once-beaten Romantic Warrior (Ire) (Acclamation {GB}), who is cutting back to the mile after decimating his opposition in the G1 Longines Hong Kong Cup going 2000 metres last month. But jockey Vincent Ho, who has been aboard Golden Sixty in each of his 26 career starts--22 of those victorious--is relishing every last opportunity to ride a horse of this calibre.

A horse is like a family member to me. In the morning if I come to work, I go and visit him every time to see how he is. He’s definitely like a pet but, of course, he’s in the stable. I wish I had more time to do more stuff with him,” Ho said.

“Horses like this don’t stay forever and you have to cherish and enjoy every moment with him. When I work him or riding him in races, you have to enjoy those moments.”

In what figures a tactical affair where decision making will be at a premium, Zac Purton will put California Spangle on the engine, try to slow the pace as much as possible and try to hold off his two chief adversaries. But he is well aware that there is little margin for error.

“A small, little thing that happens at some stage of the race might be the defining moment for the result, so we all have to be on our game,” Purton, a five-time Hong Kong champion jockey, said. “More importantly, all the horses look like they’re on their game and they’re fit. It’s still early on in their preparation, so none of them are going to be over the top. We just hope it’s going to be a good race.”

Last year’s BMW Hong Kong Derby hero, Romantic Warrior is going for a unique Group 1 treble, having won the G1 FWD QE II Cup and the Hong Kong Cup. Win or lose, he makes his next start back at 10 furlongs in the G1 Citi Hong Kong Gold Cup and it will be interesting to see how he fits with top-class milers over a trip that is possibly short of his best. His human connections are not lacking for confidence.

“We have some confidence. It’s not a big field--just seven horses--so the horse can stay behind California Spangle and we have some confidence that we can beat him,” said trainer Danny Shum Chap-shing. “He’s in really good form, so I have confidence in him.”

The supporting feature is the Hong Kong Classic Mile, won last year by Romantic Warrior. Packing Treadmill (Aus) (Manhattan Rain {Aus}) could jump a lukewarm favourite for Purton and Golden Sixty’s trainer Francis Lui, with Class 1 winner Keefy (Aus) (All Too Hard {Aus}) and Sweet Encounter (NZ) (Toronado {Ire})--to be ridden by Ryan Moore for John Size--also taking market support.

New Stakes Winner For Havana Grey Cont. from p1

Satono Wille (Jpn) (Declaration Of War) gave chase, but Yakushima rolled across the line a three-quarter length winner.

It was two lengths back to the group-placed From Dusk.

The grey was a first-out winner against newcomers at Kokura over 1200 metres last July, and placed third in the Listed Kikyo S. going this trip at Chukyo in September. Fifth in the G2 Keio Hai Nisai S. behind Obamburumai (Jpn) (Discreet Cat) and From Dusk on Nov. 5, he ended his juvenile season with a fourth in the Sports Hochi Hai Chukyo Nisai S. Warming up for this run, the colt was third in a 1200-metre 3-year-old Class 1 affair at Chukyo on Jan. 7.

A half-brother to Good Vibes (GB) (Due Diligence), who won the G3 Cornwallis S. and was third in the G2 Lowther S., Yakushima is followed by fillies by Showcasing (GB) and Due Diligence born in 2021 and 2022, respectively. The Showcasing filly went to Carmel Stud for 120,000gns at the Tattersalls December Foal Sale in 2021. Cont. p7

HE'S A DOOZY LANDS THORNDON MILE

by Lydia Symonds

Having taken out a pair of Group 3s in the spring, the Lisa Latta-trained He's A Doozy (NZ) (Zacinto {GB}) grabbed his first win at elite level on Saturday when he took out the G1 Thorndon Mile at Trentham, the first Group 1 win for Kozzi Asano.

The son of Zacinto (GB) stayed on bravely to hold off the late advances of G1 Spring Champion S. winner Sharp 'N' Smart (NZ) (Redwood {GB}) by 0.8l, while Lightning Jack (NZ) (Per Incanto {USA}) was a further 1.3l away in third.

“It was a great ride by Kozzi as we were very concerned about the inside barrier draw,” Latta said. “He managed to get a lovely trip and I said to him he has got a little bit dour in his work as he is looking for 2000 metres, so have him right there turning in and that is exactly what he did.

“He has a fantastic group of owners in a big syndicate, a lot of fun and it’s great to be involved.”

Pedigree Notes

Purchased by Latta for NZ$70,000 out of the Phoenix Park draft during Book 1 at the New Zealand Bloodstock Karaka Yearling Sale in 2019, He's A Doozy was bred by the Dennis brothers in Southland out of their O’Reilly mare The Dewdrop (NZ), who won four races.

He's A Doozy derives from the same family as multiple Group 3 winner The Dimple (NZ) (Noble Bijou {USA}) and she produced Group 1 winner Irish Chance (NZ) (Sir Tristram {Ire}), Group 3 winner The Cheek (NZ) (Kaapstad {NZ}) as well as listed scorer The Grin (NZ) (Grosvenor {NZ}). The Grin herself produced multiple Group 1 winner The Jewel (NZ) (O’Reilly {NZ}).

The Dewdrop was due to Ancient Spirit (Ger) last spring (Stud Book website yet to be updated) having had the two previous years off. Sadly the only foal she has had since producing He's A Doozy—a Ghibellines filly—died.
