'ARC' DE TRIOMPHE!

by Steve Sherack

ELMONT, NY – There wasn’t a Triple Crown on the line in Saturday’s 155th renewal of the GI Belmont S., but the sunsplashed crowd of 48,089 still witnessed a piece of history.

Trainer Jena Antonucci became the first female trainer to win a Triple Crown race when the lightly raced Arcangelo (Arrogate) delivered a decisive victory at 7-1 in the 1 1/2-mile Classic. It was 1 1/2 lengths back to champion Forte (Violence), favored at 2-1, who nosed out his Todd Pletcher-trained stablemate Tapit Trice (Tapit) for second.

A former equine veterinary assistant and employee of Hall of Famer D. Wayne Lukas before going out on her own in 2010, the 47-year-old’s only other graded stakes winner prior to Arcangelo’s win in the GIII Peter Pan S. was Doctor J Dub (Sharp Humor), winner of the GIII Turf Monster in 2016.

"It’s the horse and I am so grateful," said an emotional Antonucci while fighting off tears in the post-race press conference. "I will forever be indebted to his honesty to us, his heart, and he is why you get up seven days a week. I didn't get a lot of sleep the last few nights, I'm not going to lie. I'm so grateful."

After working his magic aboard Mage (Good Magic) for a much-deserved first GI Kentucky Derby win on the first Saturday in May, jockey Javier Castellano pulled off another masterpiece in the irons to capture his first career Belmont victory.

"This is a dream come true," said Castellano, who also has a pair of Preakness wins on his Hall of Fame plaque. "To win two Triple Crown races in the same year, it’s amazing. Everything worked out good. There’s always something to shoot for, but I’m just going to keep working hard. But this is so special."

Drawn on the inside in post three, Arcangelo was hard held in third as the rail-drawn 20-1 longshot Tapit Shoes (Tapit) and GI Preakness S. winner National Treasure (Quality Road) mixed it up on the front end through an opening quarter in a sharp :23.63.

National Treasure went on with it and led the field of nine up the mighty Belmont backstretch as Arcangelo dropped back to sixth through a half mile in :47.69. Locked and loaded just behind the leaders through six furlongs in 1:12.56, Arcangelo snuck up along the rail rounding the far turn and reached even terms a quarter of a mile from home.

Arcangelo began to separate himself from the field as they straightened and led by 3 1/2 lengths at the stretch call. Despite some right-handed reminders by Castellano down the lane, the shadow-rolled Arcangelo wandered some in deep stretch, but was never seriously threatened by the aforementioned rallying Pletcher duo to bring home the blanket of white carnations.

"He’s just figuring it all out," Antonucci said. "He’s just a big kid. Javier [Castellano] did such a great job." Cont.
Arcangelo breaks from the gate | Sarah Andrew

Anonucci continued: “There were a lot of horses taking up in the first turn and he sorted that out and got it together and on the backside made his way up the rail. We knew we wanted to get a little jump on them. We weren't even worried about the distance. His cruising speed is just stupid, stupid fast.”

Arcangelo becomes the first Peter Pan winner since Tonalist (2014) to double up in the Belmont. He also joins A.P. Indy (1992) and Coastal (1979) to pull off the double.

An absolute steal for $35,000 by Jon Ebbert’s Blue Rose Farm at the 2021 Keeneland September Yearling sale, Arcangelo was a debut second sprinting in the Gulfstream slop Dec. 17. The gray earned his diploma two starts later going a one-turn mile in Hallandale Mar. 18. He was making his two-turn debut in the Belmont following a hard-fought head score in the local prep going 1 1/8 miles. He was a $50,000 late supplement to the Triple Crown series.

Ebbert started his first horse Daydreamin Boy in 2009 at Philadelphia Park and headed to the Belmont with just three career winner's circle photos between his Blue Rose Farm moniker and horses listed under his name. Arcangelo is the first horse that he and Antonucci have teamed up on.

“It's amazing,” Ebbert said. “What an amazing ride. I’m so proud of the horse. He’s an amazing horse. He’s all heart. We knew he had it in him. Javier rode him perfectly and Jena is an amazing trainer. I’m so lucky to find her. The rest is history.”

Pedigree Notes...

Arcangelo becomes the fifth Grade I winner for the gone-too-soon Arrogate, who was humanely euthanized after suffering from an undetermined illness in June 2020.

Tapit, the king of the Belmont with four winners, is the broodmare sire of 13 Grade I winners now, including this year's GI Kentucky Oaks heroine Pretty Mischievous (Into Mischief), who added a thrilling victory in Friday's GI Acorn S., and Saturday's GI Hill ‘n’ Dale Metropolitan H. winner and last year's GI Breeders' Cup Dirt Mile winner Cody's Wish (Curlin). **Belmont Stakes Day Generates Record Handle for Non-Triple Crown Year...**

Saturday's blockbuster Belmont S. Day card generated all-sources handle of $118,283,455, which is a NYRA record for a non-Triple Crown year. The 2023 all-sources handle figure is an increase of more than 5% over the previous non-Triple Crown record of $112,725,278, which was set in 2021. On-track handle for the 13-race card, which included six Grade I races among nine total stakes, was $10,657,332. All-sources handle for the Belmont S. was $56,533,820. Following the construction of UBS Arena, and prior to the renovation of Belmont Park set to begin in 2024, capacity at the facility is 50,000.

**What They're Saying...**

“A mile and a half wasn’t far enough [laughs]. I’m super proud of both horses. I knew we were asking a lot coming off the 10-week layoff [with Forte]. He got shuffled back a little bit and once he got him outside in the clear, he was still making impact at the end, but he just ran out of time getting there. “Tapit Trice got the trip we wanted. He got out in the clear and made that move and then he kept steadily grinding away. I was super happy with both efforts.” --Todd Pletcher, trainer of runner-up Forte and third-place finisher Tapit Trice

MET WIN MORE THAN 'WISH'-FUL THINKING by Alan Carasso

Godolphin homebred Cody's Wish (Curlin) became the third graded winner on the day for his magnificent stallion, overcoming an imperfect passage to stamp his authority on Saturday's GI Hill 'n' Dale Metropolitan H. at Belmont Park and in so doing, punching his ticket to defense of his title in the GI Breeders' Cup Dirt Mile at Santa Anita Nov. 4.
A G1 JEWEL

On the race day that JUSTIFY became a living legend, first-crop 3YO colt ARABIAN LION became his first G1 winner with an authoritative victory in the $400,000 Woody Stephens S. (G1).

Congratulations to owner Zedan Racing Stables, Inc., breeder Bonne Chance Farm, LLC, and trainer Bob Baffert.

Also on Saturday, Uncle Mo’s ADARE MANOR captured her third Graded stakes victory with a 4 ½-length win in Santa Anita’s $200,000 Santa Margarita S. (G2).

Coolmore America

Met Mile, cont.

Fidgety pre-start in gate one, the bay missed the break slightly-as many drawn the inside going Belmont’s one-turn mile are wont to do--and found himself near the back of the pack through the opening exchanges as Slow Down Andy (Nyquist), Dr. Schivel (Violence) and Hoist the Gold (Mineshaft) fueled a decent early pace. Stuck down inside and looking somewhat uncomfortable inside of Zandon (Upstart) as they raced past the opening half-mile in :45.86, Junior Alvarado took a bit of a tug on Cody’s Wish for a stride or two, allowing Zandon to go on with it, and that gave Alvarado an opportunity to get out of jail. Steered suddenly away from the fence and into the clear at the 3 1/2-furlong marker, Cody’s Wish looped his rivals and rapidly picked them off one-by-one, coming across the heels of the Zandon while surging to the front at the quarter pole. It was all academic from there, as he would go on to score by about four lengths over Zandon--whose sire was a distant third to Godolphin’s Frosted (Tapit) in 2016--with White Abarrio (Race Day) third.

It was the third win on the afternoon for Curlin, who stands as the sponsor’s stallion station at Xalapa in Lexington. Elite Power kicked the afternoon off in the GII True North S., while Clairiere made it back-to-back wins in the GI Ogden Phipps S.

“I was just trying to find my way out,” reported Alvarado. “At about the half-mile pole, I found my seam, moved behind the heels of horses to get into the clear, then he turned everything on. Then, I just had to get out of his way and let him do his thing. He’s unbelievable.

“The key with him has always been the turn. He picks off a lot of horses there. His ability to move well in the turn helped us today. We took advantage of the big sweeping turn in Belmont and it worked out unbelievably.”

Cody’s Wish posted four wins from his five trips postward last season, besting champion Jackie’s Warrior (Maclean’s Music) by a widening 1 1/4 lengths in the GI Forego S. at Saratoga in August before closing the campaign in the Dirt Mile, where he overcame a slow start and bridged a double-digit deficit to account for Cyberknife (Gun Runner) by a neck. He made his seasonal debut in the GI Churchill Downs S. May 6, rallying from well off the pace over a track that was kind to speed to score by 4 3/4 lengths over Hoist the Gold.

Cody Dorman, the 16-year-old from Richmond, Kentucky, for whom the winner is named, could not be on hand, and trainer Bill Mott admitted that he is as big a fan of Cody’s journey as anyone.

“It’s as heartwarming for me as it is for the fans watching,” the conditioner said. “I had a lot of people tell me what a great story this is. For sure, it’s a great story, but it goes along with a good horse. He’s developed nicely. I thought he had a possibility of being a good horse before we ever ran him. It took us a couple of races to get him going in the right direction and to get him educated enough to where he knew how to use his run. He’s finally figured it out.”

Godolphin's GI Longines Kentucky Oaks winner 'TDN Rising Star' Pretty Mischievous (Into Mischief) got the weekend off on a high note in Friday's GI Acorn S., and the operation’s Michael Banahan reflected on the achievements.

"It's just an unbelievable story and we're so lucky and proud to have this horse," he said. Cont.
Met Mile, cont.

“For our founder Sheikh Mohammed, to have this unbelievably popular horse and to come and win the Met Mile, it’s just a great, great day for us.”

Pedigree Notes:
Sheikh Mohammed's operation acquired Cody’s Wish's dam for $750,000 at the 2011 Fasig-Tipton Florida Sale and validated her purchase price with a victory in the 2012 GI Gazelle S. in a career that also featured a third-place effort behind Groupie Doll (Bowman's Band) in the 2013 GI Breeders' Cup Filly & Mare Sprint.
Cody's Wish is one of eight of Curlin's top-level scorers that descends from the line of 1992 GI Belmont S. hero A.P. Indy, he, of course, a son of 1977 Triple Crown sweeper Seattle Slew. When including mares by the latter's sire sons, that number extends to 11 and includes Elite Power and Exaggerator--both out of mares by Vindication--and Off the Tracks, by Capote's Eclipse Award-winning son Boston Harbor.

Repole Stable and St. Elias Stable's Up to the Mark (Not This Time) consolidated his position at the top of the American turf division with a second straight dominating performance at the top level in Saturday's GI Resorts World Casino Manhattan S. at Belmont Park.

Made the 8-5 chalk on the strength of a much-the-best victory in the GI Old Forester Bourbon Turf Classic on the Kentucky Derby undercard at Churchill Downs May 6, the $450,000 Keeneland September graduate was away in good order. Cont.

He landed just ahead of centerfield as longshot Strong Quality (Quality Road) set out at a quick early tempo in advance of Ocean Atlantique (American Pharoah). Put to sleep through the middle furlongs by Irad Ortiz, Jr. and tracking from fourth through an opening half-mile in :47.74, Up to the Mark bided his time around the second turn, was given his cue in upper stretch and blew the race open from there, running out a facile winner. Soldier Rising (GB) (Frankel {GB}) outfinished GII Fort Marcy S. hero Ottoman Fleet (GB) (Sea The Stars {Ire}) for second.

“He got into a perfect position and was settled,” trainer Todd Pletcher said of the winner, who was racing over 10 furlongs for the first time. “We saw a few horses that we anticipated would be the pacemakers. He fell into a nice rhythm. He was just waiting on Irad [Ortiz, Jr.] to cue him when to go. He handled the mile and a quarter. He did remarkably well.”

Up to the Mark was a debut winner in the Saratoga slop in his belated career debut last July and was subsequently a big-figure third in allowance company going a mile, but was unplaced in three subsequent tries on the dirt, including a fourth at Aqueduct in December. The 12-1 winner of his turf debut at Gulfstream Jan. 28, he cleared his next allowance condition Mar. 4 and was a good third while trying stakes company for the first time in the GI Maker’s Mark Mile Apr. 14. Sent off the 5-2 favorite last time, he turned in a similarly flashy rally through the stretch to score by open lengths.

Having passed the distance test Saturday, Pletcher is plotting an ambitious course for Up to the Mark.

“He gives me the impression that he’ll handle a little more ground,” he said. “I don’t know what we’ll do from here. When you’re thinking Breeders’ Cup, he’s probably the type of horse where you could go in two different directions.” Cont.
Manhattan, cont.

“We probably need a little experience at a mile and a half to know [which]. We also have the [GI] Arlington Million [Aug. 12 at Colonial Downs] at a mile and a quarter. We’ll enjoy this for the moment and come up with a strategy.”

Pedigree Notes:
Up to the Mark is one of five Grade I winners for his sire and is out of an unraced daughter of Robert and Lawana Lows’ 1996 GI Test S. winner Capote Belle, who also produced SW & GSP Zapper Belle (Ghostzapper) and Gata Bella (Storm Cat), the dam of MGSW/MGISP Catapult (Kitten’s Joy) and SW Ha Ha Tonka (Distorted Humor).

The 9-year-old Belle’s Finale, who was purchased by Ramspring Farm carrying a year-older full-brother to Up to the Mark for $70,000 at Keeneland November in 2017, is also the dam of the 3-year-old filly Cookie Crumbs (Mendelssohn), a 2-year-old West Coast filly, a yearling colt by McKinzie and a Maxfield colt foaled Apr. 12.

CURLIN MARE IN RAREFIED 'AIR'
by Steve Sherack

Clairiere | Sarah Andrew

ELMONT, NY – Stonestreet homebred Clairiere (Curlin) successfully defended her title with a late surge to nail Search Results (Flatter) in dramatic fashion by a half-length in Saturday's GI Ogden Phipps S. at Belmont Park. Played Hard (Into Mischief) finished third.

Clairiere joins D’ Tour (2006-07), Sightseek (2003-04) and Heatherten (1984-85) as back-to-back winners of the prestigious 'Win and You're In' event for the GI Breeders' Cup Distaff.

"I’m unbelievably proud of her," said winning trainer Steve Asmussen after registering his fourth Phipps victory in five years.

"What a special mare. For her to continue to win races on this level is just incredible. She’s always been top class and if anything, she’s better than she’s ever been. To continue winning is the goal with her, but we know where we’re aimed at with the Breeders’ Cup [Distaff on Nov. 4 at Santa Anita] as her year-end target."

Favored at 8-5, Clairiere was content to caboose the field of six as hopeless longshot Gamestonks (Blofeld) showed the way with last-out GI La Troienne S. winner Played Hard and 2-1 second-choice Search Results, third in this race last year, in hot pursuit through very easy early fractions of :24.32 and :48.63 in the 1 1/16-mile affair.

With Gamestonks dropping back sharply, Joel Rosario began to get busy aboard Clairiere approaching the quarter pole as the 2021 GI Acorn S. winner and unlucky GI Kentucky Oaks runner-up Search Results loomed boldly alongside Played Hard.

Search Results looked like a winner close to home, but Clairiere was just getting warmed up. The 5-year-old was produced down the center by Rosario and got there for a well-timed fourth career victory at the top level.

"I was very confident," Rosario said. “However, you never know. It looked like a second a horse got away from me, but she [Clairiere] was able to put it all together and come with the run that she always does to get it done. She's very special. She really goes out there and does her job. Not many come that way."

Clairiere's stacked resume also includes wins in the 2021 GI Cotillion S. and the GI Apple Blossom H. last time out Apr. 15.
Congratulations to Arcangelo and his connections on a victory in the Belmont S. (G1). The colt led home a Keeneland sales trifecta and Keeneland is thrilled to celebrate this incredible milestone for each and their connections.

She was unlucky in both of her prior attempts at the Championships, finishing a close fourth after an impossibly wide trip in the 2021 renewal, and was third, beaten just a head, in Lexington last fall.

Pedigree Notes:

Clairiere, the second graded winner on the GI Belmont S. program following champion Elite Power’s heroics in the GII True North S., is one of 20 Grade I winners for leading sire Curlin. Broodmare sire Bernardini is responsible for 15 Grade I winners. The Curlin over Bernardini cross is also responsible for GISW Paris Lights.

Clairiere is the first foal out of three-time GISW Cavorting, who won this same race in 2016. She was purchased as a weanling by Stonestreet for $360,000 at the 2012 Keeneland November sale.

Cavorting’s next foal is stakes winner La Crete (Medaglia d’Oro). She has an unraced 3-year-old colt by Curlin named Judge Miller ($550,000 KEESEP purchase by Muir Hut Stables) and, without foals in 2021 and 2022, she produced a colt by Curlin this year.

“I am very proud, and, of course her mother [Cavorting] won this race, too,” Barbara Banke of Stonestreet Stables said. “It’s been a family tradition. She does have a late kick and Joel [Rosario] left it just enough to give me a slight coronary condition, but she made it through. We’re trying [to win an Eclipse Award]. We were close last year, really close. But maybe this year we’ll do it.”

ARABIAN LION GIVES JUSTIFY A FIRST GRADE I WINNER IN WOODY STEPHENS

by Steve Sherack

ELMONT, NY – Five years ago, Justify became the 13th winner of the Triple Crown with a gate-to-wire victory in the GI Belmont S. The Ashford Stud-based stallion, quite fittingly, celebrated his first Grade I winner as a sire on the Belmont undercard courtesy of 'TDN Rising Star' Arabian Lion (Justify)’s good-looking 1 3/4-length victory as the 2-1 favorite over Drew's Gold (Violence) in Saturday’s GI Woody Stephens S. Gilmore (Twirling Candy) was third.

The win marked a triumphant return to the Big Apple for Hall of Famer Bob Baffert, who was suspended from competition for one year from NYRA tracks stemming from his well-documented medical violation of disqualified 2021 GI Kentucky Derby winner Medina Spirit. The ban ended in January. Baffert hadn’t started a runner in New York since Rockefeller (Medaglia d'Oro) finished 10th in the 2022 GIII Gotham S. at Aqueduct.

“He’s just a smaller version of Justify and to have a horse by Justify—one of the greatest horses I’ve ever trained—and to bring him to New York and win a Grade I, that’s what we’re all in the game for,” Baffert said.

“I’m just going to enjoy this Grade I victory. It’s great to be back here. Nothing like winning in New York. It means so much to the horse and the connections and I feel great about it.”

Drawn on the inside in post two in the 10-horse field, the Zedan Racing Stable colorbearer sat the trip from fourth, drafting in behind the two-for-two Federal Judge (Army Mule), who faced pressure to his outside from the well-backed Drew's Gold. The unbeaten Gold Fever S. winner made his move on the outside turning for home and was moving well, but Arabian Lion had other ideas. Arabian Lion was tipped out leaving the quarter pole and took flight in the stretch with good-looking strides to roar home for a career high.

An impressive debut winner at Santa Anita last October, Arabian Lion didn’t fare well in his first two tries versus stakes company going two turns, finishing last of five as the heavy favorite in the GII Los Alamitos Futurity Dec. 17 and fourth in the GII Robert B. Lewis S. Feb. 4. He bounced back with a huge second behind sidelined 'TDN Rising Star' First Mission (Street Sense) in the GII Stonestreet Lexington S. at Keeneland Apr. 15, then put on a show on the GI Preakness S. undercard with a powerful front-running victory in the Sir Barton S.

“This horse, I’ve always been so high on, he’s just been slow to come around,” Baffert said. “Amr Zedan, he let me be patient with him and now we’re getting rewarded with he way he ran.”

He continued, "The Lexington S. was a headscratcher. It looked like he was going to win and I think he saw something in the crowd and quit running and then he got beat. His race at Pimlico was amazing. I flew him back to California and I said, 'I probably won't bring him back,' but he was doing so well, I could tell."

Baffert added that Arabian Lion could target the $1-million GI Haskell on July 22 at Monmouth Park.

Pedigree Notes:

Arabian Lion, a $600,000 OBS April breezer (:10) from the first crop of Justify, becomes the seventh graded winner for his young sire. Arabian Lion's third dam is the legendary runner and producer Personal Ensign. Arabian Lion's dam Unbound began her career in Japan before being imported by SF Bloodstock and running second in a sprint stakes at Belmont. She was later sold for $310,000 to F. T. I. at Keeneland November in 2015 in foal to Tiznow. After failing to produce a foal in the next two seasons following Arabian Lion, Unbound produced a filly by Frosted this year. Unbound's stakes-placed full-sister Mary Rita is responsible for recent GII Penn Mile S. winner Major Dude (Bolt d'Oro). Cont.

ZOOM ZOOM! CARAVEL BEATS THE BOYS
AGAIN IN JAIPUR by Jill Williams
How good is Caravel (Mizzen Mast)? The defending GI
Breeders’ Cup Turf Sprint winner skipped the upcoming G1
King’s Stand S. at Royal Ascot and instead stayed closer to home
in the GI Jaipur S. at Belmont Park, once again plundering the
turf sprint division over males. The $400,000, six-furlong Jaipur
is a ‘Win and You’re In’ race for the Turf Sprint and a title
defense in the Nov. 4 Santa Anita edition is in the cards for
Caravel, said Sheikh Fahad Al Thani, Chairman of Qatar Racing,
which owns Caravel with Marc Detampel and Madaket Stables.

In the Jaipur, Caravel broke evenly and tracked in second
early, breathing menacingly down the neck of the :22.19 first
quarter pace set by 13-1 Nothing Better (Munnings). The 5-2
choice drew on even terms coming off the turn as the timer
tripped in :44.80 and drew clear to get the five-furlong mark in a
scintillating :56.15. Theflashy gray had enough left to hold off a
late rush by GSW Big Invasion (Declaration of War), who
finished three-quarters of a length in arrears, while defending
two-time Jaipur winner Casa Creed (Jimmy Creed) was just a
neck back in third. The final time was 1:07.23.
The Jaipur marked Caravel’s fifth win in a row, third win over
males, and second victory at the highest level.
“She’s in incredible form right now,” said winning trainer Brad
Cox. “This is two Grade Is for her against the boys. I don’t think
I’ve ever had a filly to beat the boys.
“The Breeders’ Cup is our main target. There are some races
up at Saratoga but I’m not sure yet how many more times we
would need to run prior to the Breeders’ Cup. We’ll just try to
keep her happy and healthy.
“Shes never ceases to amaze me. She is absolutely amazing. She
just never lets you down. She is spot on. I’m very proud of her.”

Originally trained by her breeder, Elizabeth M. Merryman, Caravel won seven of her first nine starts, including Saratoga’s GIII Caress S. and four other black-type races. Bobby Flay bought into the then-4-year-old in 2021 and she was transferred to the barn of Graham Motion, but she failed to win in three subsequent starts and went through the Fasig-Tipton November sales ring days after trailing the field home in the 2021 Turf Sprint. Her current ownership picked her up for $500,000 and transferred the gray to Cox.

Caravel opened her 2022 campaign under Cox with a win in Turfway’s Queen S. and added Belmont’s GIII Intercontinental S., as well as Saratoga’s Smart N Fancy S. after losing a race here and there. She then went on her current tear, beginning with Keeneland’s GIII Franklin S. last October. The Turf Sprint was next and her first win over the boys, as well as her first triple-digit Beyer Speed Figure (107). She doubled up on wins over males in her 2023 debut, Keeneland’s GII Shakertown S., and dropped back to softer female company for a win on the Kentucky Oaks undercard in the Unbridled Sidney S. at Churchill Downs. With her victory in the Jaipur, Caravel is not only riding a five-race win streak but is also undefeated in 2023.

Pedigree Notes:
Mizzen Mast, a 25-year-old pensioner at his long-time Juddmonte home, is the sire of 63 black-type winners, nearly equal to the average size of his foal crops over 18 seasons. Most of his 26 graded winners and nine Grade I/Group 1 winners have been in the U.S., but he’s also responsible for winners at the highest level in both France and Hong Kong. His progeny have won four Breeders’ Cup races: Flotilla (Fr) in the 2012 GI Juvenile Fillies Turf, Mizdirection in the 2012-13 GI Turf Sprint, and Caravel in last year’s Turf Sprint.

Zeezee Zoomzoom has produced two of the 19 stakes winners out of daughters of WinStar’s pensioned Congrats. The mare also has an unraced 2-year-old colt named Enzo (Great Notion)—a full-brother to MSW Witty—and a yearling filly by Street Boss, all, like Caravel, bred by Merryman.

POWERHOUSE: ELITE POWER FLEXES IN TRUE NORTH  

by Steve Sherack

Juddmonte's streaking champion sprinter Elite Power (Curlin) kicked off the graded stakes portion of Saturday's absolutely stacked GI Belmont S. program with a sensational performance in the GII True North S.

Off as the 3-4 favorite, last year’s GI Breeders’ Cup Sprint hero looked to be at a major disadvantage from the go in the 6 1/2-furlong affair, chasing in an outside fourth as the field of six crawled through fractions of :23.25 and :46.12. The blaze-faced chestnut, nonetheless, ranged up while three wide approaching the quarter pole, inhaled the top two as they straightened and was only shown the whip in deep stretch by Irad Ortiz, Jr. to win by a geared-down 1 3/4 lengths over last-out GIII Jacques Cartier S. winner Anarchist (Distorted Humor).

‘TDN Rising Star’ Strobe (Into Mischief), second in the GIII Count Fleet Sprint H. at Oaklawn, could do no better than a well-beaten third as the 2-1 second choice after sitting a dream trip in second.

“He got the job done,” said winning Hall of Fame trainer Bill Mott, who won this same race three times back in the 1990s with Diablo (1991), Lion Cavern (1993) and Richter Scale (1998).

“I noticed the fractions, :23 and change, weren’t overly quick, but he’s still got a pretty good punch to him. He really is exceptional. He’s gotten very good.”

Mott added that Elite Power may target Saratoga’s GI Alfred G. Vanderbilt H. July 29.

Elite Power has now won seven straight, including his first try in stakes company in the GII Vosburgh S. Oct. 8, on racing’s biggest stage at the aforementioned Championships in Lexington Nov. 5 and the G3 Riyadh Dirt Sprint on the Saudi Cup undercard most recently Feb. 25. The distant runner-up in the latter, Gunite (Gun Runner) has since followed with a third-place finish in the G1 Dubai Golden Shaheen S. and an authoritative win in Churchill’s Aristides S. last weekend, good for a gaudy 108 Beyer Speed Figure.

“He’s such a nice and exciting horse,” Ortiz, Jr. said of Elite Power. “He’s won his last seven starts. He was great last year. You can see his performances and campaign last year was great. I’m hoping he’s the same or better than he was last year, so far it looks great. He hasn’t made any mistakes out there.” Cont.
Elite Power, a $900,000 KEESEP yearling, is one of 53 graded winners, 20 at the Grade I level, for the mighty Curlin. Broodmare sire Vindication, the unbeaten winner of the 2002 GI Breeders' Cup Juvenile at Arlington, is responsible for 12 graded winners, six at the top level.

Elite Power is bred on the same Curlin/Vindication cross as GI Preakness S. winner Exaggerator. Elite Power's dam Broadway's Alibi, a MGSW & GI Kentucky Oaks runner-up and Robsham homebred, brought $2.15 million from Alpha Delta Stables while in foal to Smart Strike at the 2013 KEENOV sale. Broadway’s Alibi is also represented by a Curlin colt of 2021. She was bred to City of Light for 2023.

Elite Power's fourth dam is champion 2-year-old filly and GI Breeders' Cup Juvenile Fillies heroine Eliza (Mt. Livermore). This is also the family of GISW and young sire Dialed In (Mineshaft).

“The oddity of this guy is that dirt sprinting isn't anything we've ever really geared our program for,” Juddmonte's Garrett O'Rourke said. “Obviously, we purchased this guy and it's really nice that for the first time we're winning races that we hadn't before. These are races that we'd never even competed in before. This is very satisfying.”

NEXT GETS THE DISTANCE IN BROOKLYN
by Stefanie Grimm

While perhaps the lesser of two 1 1/2-mile races on the card Saturday, the GI Brooklyn S. still managed to put on a show with marathon specialist Next (Not This Time) taking the field gate to wire.

Just two starts back, albeit at Delaware back on Sept. 8, the grey gelding absolutely romped at the distance in an off-the-turf contest, winning the Cape Henlopen S. for fun by over 18 lengths. Cont.
Congratulations to Shotgun Hottie's connections:
Owners: Omar Aldabbagh & Jeff Ganje

SHOTGUN HOTTIE grabbed the lead at the quarter pole and never looked back, drawing off by 5 1/2 lengths in the $100,000 Lady’s Secret at Monmouth.
Brooklyn, cont.

He returned to the winner’s circle at Keeneland next time out, posting a career high 108 Beyer Speed Figure en route to a 6 1/4-length score in the GII Thoroughbred Aftercare Alliance S. at 1 5/8 miles. Cut back to the 1 1/2 miles following a five-month break from the races, Next returned to be third behind two of the same rivals he faced Saturday in Churchill’s Isaac Murphy Marathon Overnight S. May 3.

The obvious speed of the race, Next hit the gas straight from the gate and went up to handle the tempo from mid pack. Into the first turn with the field grouped up behind him, the 3-1 shot had only race favorite Warrant (Constitution) for company as the top pair covered an opening quarter in :24.37. Always going comfortably up the backstretch, Next held his narrow advantage, never quite getting rid of Warrant as his rival began to threaten into the far turn with several live shots in behind them. As three-quarters went in 1:16.12, Next began to stretch his advantage and by the top of the lane, the gelding was alone up front for the sprint home and in total command to win going away.

“I didn’t expect it to be that slow in front, but that helped me out a lot in the end,” said winning jockey Luan Machado. “When they came to me before the quarter pole and they checked on him, he just answered right back and I felt like I had a lot of horse left. I was pretty happy at that point.”

Pedigree Notes:

Out of a multiple stakes-placed dam, Next is from the family of several graded stakes winners including third dam Relaxing Rhythm (Easy Goer) and her daughter Spring Waltz (Silver Charm). Further back in the family is Queen’s Plate runner up Riptide Rock (Point of Entry).

Adare Manor made it three in a row by running them off their feet in the GII Santa Margarita S. at Santa Anita Saturday. At the break and two stalls over from the eventual winner, Tiz a Macho Girl (Mucho Macho Man) hopped in the air to leave behind the field, but Adare Manor, despite playing a bit of bumper cars herself with Desert Dawn to her inside, was unfazed and went right to the front. Setting easy fractions of :24.20 and :48.47 with her ears up, the dark bay had complete control of the race. Desert Dawn tried to stay within range, but lost the battle on the turn as Adare Manor put daylight on the field with minimum effort. She was six lengths clear in the stretch until Juan Hernandez took a peek under his arm and quietly geared the 1-5 choice down. Kirstenbosch caught Desert Dawn for second as Adare Manor coasted home 4 1/2 lengths in front.

“She moves really smooth,” said Hernandez. “She just takes me there, I just let her go and you don’t feel anything because she was just galloping and moving really smooth. She is really fun.”

All of Adare Manor’s five lifetime wins have been as the controlling speed at Santa Anita, including her last two: the Apr. 29 GII Santa Maria S. and a Mar. 31 optional allowance. The Santa Maria marked her highest career Beyer Speed Figure (95), while her two frontrunning 2022 wins, which include the GIII Las Virgenes S., were both by a dozen or more lengths. Adare Manor has spent time in the barns of both Tim Yakteen and Sean McCarthy, as well as regular trainer Bob Baffert, and also placed in the 2022 GII Black-Eyed Susan S. and GII Santa Anita Oaks.

Pedigree Notes:
Coolmore America’s Uncle Mo is the sire of Adare Manor and 47 other Northern Hemisphere-bred graded winners, who include champion and GI Kentucky Derby winner Nyquist, dual Breeders' Cup winner Golden Pal—who stands beside his sire at Ashford—and last year’s GI Belmont S. winner Mo Donegal. Adare Manor, while one of 91 black-type winners for Uncle Mo, is the only stakes winner out of a daughter of Giant Gizmo, who was last reported to be standing in Panama. Uncle Mo does have three other stakes winners out of daughters by Giant Gizmo's sire, Giant's Causeway, who was also a Coolmore stallion prior to his 2018 passing.

The Santa Margarita winner’s dam was last officially sold for $95,000 to Town & Country Horse Farms at the Fasig-Tipton Kentucky winter mixed sale in 2020 while in foal to Into Mischief. Town & Country is the co-breeder of Adare Manor along with Gary Broad. Adare Manor was sold at that same sale as a short yearling to Broad (Walmac Farm) for $180,000 before reselling for $375,000 to Donato Lanni at OBS in 2021. The mare lost her 2020 foal, has a 2-year-old Into Mischief filly, a yearling Ghostzapper filly, and a 2023 colt by Uncle Mo, a full-brother to Adare Manor, born Mar. 24.
Emmanuel caboosed his five other rivals in a methodically run renewal of the GIII Poker S. at Belmont Park Saturday afternoon, but the 'TDN Rising Star' saved his best for last, as he came running on the grandstand side and pegged back front-running Filo Di Arianna (Brz) in the dying strides to strike for the fourth time at the graded level.

Emmanuel, who made all the running to take last year’s GII Pennine Ridge S. but who was saved for a finish in winning this year’s GIII Tampa Bay S. and GIII Canadian Turf S., dropped out to the back of a fairly compact field with cover on the back of Emaraaty (GB) (Dubawi {Ire}).

It was still very much advantage Filo Di Arianna as the Poker field raced around the turn, but Irad Ortiz, Jr. began to feel for Emmanuel three furlongs out—still more or less last—and the duo caught the eye four wide nearing the top of the stretch. Having conserved plenty on the soft pace, Filo Di Arianna responded gamely and ultimately repelled the race-long bid of Chez Pierre, but though he wanted to drift in at a critical stage, Emmanuel was deftly handled and corrected by Ortiz, Jr. and was along in the final strides.

Following his dual Grade III conquests on either coast of the Florida peninsula, Emmanuel never landed a blow when beaten 11 lengths into seventh in the Maker’s Mark Mile and was back in track after finishing an on-pace third, a half-length behind Never Explain (Street Sense) in the GIII Dinner Party S. on Preakness Day May 20.

Emmanuel wasn’t necessarily targeting the Poker, but when fellow 'Rising Star' Annapolis (War Front) was unable to make it, connections decided to call an audible.

“I told [WinStar CEO] Elliott [Walden], 'What do you think of taking a look at this race?'” said winning trainer Todd Pletcher. “And he said, ‘Let’s take a look at it.’ Once he drew in the race, we felt like he fit well and he was sharp and doing well.”

Pletcher indicated that Emmanuel could make his next appearance in the Aug. 12 GI Fourstardave H. at Saratoga, a 'Win and You're In' challenge race for the GI FanDuel Breeders' Cup Mile Nov. 4 at Santa Anita.

Pedigree Notes:

Emmanuel is one of two winners from three to the races out of an unraced daughter of the turf Grade III-placed Trensa, the dam of dual Group 1 winner Hawkbill (Kitten’s Joy), whose first crop is hitting the track in Japan this year; as well as GISW sire Free Drop Billy (Union Rags). Third dam Serape carried the Helen K. Groves silks to a victory in the 1992 GI Ballerina S., and among her five winners was treble Group III winner Batique (Storm Cat), the dam of MGSP Tejida (Rahy). EVERYTHING YOU COULD WISH FOR

The G1 Forego, the G1 Breeders’ Cup Dirt Mile, the G1 Churchill Downs Stakes – and now the G1 Met Mile. Four scintillating top-level victories for the charismatic future Darley stallion Cody’s Wish. That’s more than any other son of sire of sires, Curlin. Just imagine…
Selenaia runs them off their feet in the Honeymoon | Benoit

Lightly raced out-of-state shipper Selenaia (Ire) made a big splash in California, making it three in a row as she ran away from a field of seven in the GIII Honeymoon S. at Santa Anita. She actually stuttered a little breaking out of the gate and was under a hard hold midpack as Fast and Shiny (Bernardini) led the field up front through early fractions of :23.47 and :47.40. Inching closer while still firmly held in check on the backstretch, Selenaia was let go around the six-furlong mark and immediately inhaled the three in front of her. The race was over in the blink of an eye as Selenaia cruised home a much-the-best 3 1/4-length winner. Broadway Girls finished second, while favored last-out GIII Providencia S. winner Paris Secret (Ire) was third. Fast and Shiny held for fourth.

"I've never [been] on her before but I've seen her replays," said rider Joe Bravo. "[Trainer Jonathan Thomas] gave me a big head's up on her today and she broke away from there and was in control about it all. I really didn't want to make the move down the backside. Man, she was stretched out across the wire so beautifully. Jonathan just has her at a great angle. She just keeps getting better. I'm excited to see what more she has in store."

Selenaia debuted last September at Saratoga and had a rough introduction to competition, hitting the gate at the break before bumping hard with a rival, then coming up empty. She tried again at the Meadowlands a few weeks later with a facile maiden special weight going a mile on the lawn before heading to the bench for 7 1/2 months. The Irish-bred bay returned in May at Horseshoe Indianapolis to face older fillies and mares in an allowance, closing powerfully for the win. Not too many have used the Meadowlands maiden-Indianapolis allowance-Santa Anita graded route, but trainer Jonathan Thomas clearly knew what he had with this filly and it paid off. Cont.

"It’s a big relief that she got it done," said Emmet Jolley, assistant to Thomas. “We were very confident coming into the race today that she would do well, but it was a step up. She did great, distance was the question. Joe said when he got off that she would go further, so lots of options on the table. We will enjoy today and go from there."

Pedigree Notes:

Selenaia becomes the 14th graded winner and 29th black-type winner bred in the Northern Hemisphere for Sea The Moon (Ger), who stands in England at Lanwades Stud. While Sea The Moon has had plenty of Group success on European shores, Selenaia's win is the first graded win or placing in the U.S. among his progeny. Selenaia is also notable as the first black-type winner for Declaration of War as a broodmare sire.

The unraced Dettoria (GB) hails from the same family as G1 Irish Two Thousand Guineas and G1 Criterium International winner Roderic O’Connor (Ire) (Galileo {Ire}). She was a 12,000gns purchase by J. Walsh Bloodstock at the 2018 Tattersalls December mares sale, while Selenaia was an 85,000gns buy from Book 2 at the 2021 Tattersalls October Yearling Sale. Eclipse and Madaket jointly signed the ticket. Dettoria has since produced a 2-year-old filly by Golden Horn (GB) and a yearling colt by Earthlight (Ire). The now-juvenile sold for 50,000 to Gerry Hogan Bloodstock as a yearling at the Goffs Sportsman's Sale last September and the now-yearling sold for 78,000gns to Redpender Stud at last December’s Tattersalls December Foal Sale.

TAKING TO TWITTER, REPOLE CALLS FOR CHANGE, TRANSPARENCY

Mike Repole took to Twitter Saturday before the GI Belmont S. in a post he titled, “ATTENTION ENTIRE HORSE RACING INDUSTRY” which calls for change and transparency.

Repole challenged the racing industry to either be part of the problem or the solution.

In its entirety, the post reads:

“I am calling for immediate action in the vision, the strategy of changing and evolving this great game we all LOVE. Either we’re an agent for change and evolution or we are on the side of stubborn, traditionalist self-inflicted demise of the sport. This beautiful sport is in dire need of a governing body and a national commissioner that will work with states, tracks, trainers, jockeys, farms, vets, auction companies, marketing / PR, current unproductive boards, track employees, the media, the bettor, the fans and most importantly the HORSES. This new governing body and national commission will work side by side with @HISA, whose most important and primary focus will be horse safety and integrity. Horse racing needs real leadership and oversight that will market, communicate, educate the industry and increase transparency. Please read the below article. Retweet if you're in favor of change and evolution. If you're not in favor, continue to do what the game has done the last 50 years and ignore the obvious issues of this wonderful sport. Decide if you want to be a productive agent of change. If you agree thank you. And if you don't like change, evolution and real leadership, then you're part of the problem. I'm calling for transparency but without a strong vision and marketing plan, communication, alignment and education, transparency doesn't work. Let's have a great and amazing Belmont Stakes Day. God Bless everyone and God Bless the horses.”

The post was read and retweeted liberally, and drew a mix of supportive comments and criticism.

DESORMEAUX TO BE SUBJECT TO BREATHALYZER BEFORE EVERY RACE DAY AND MORNING

As a result of failing a breathalyzer test Mar. 31 before the first race at Santa Anita, Kent Desormeaux will now be subjected to a breathalyzer test before every race day and every time he rides a horse in a morning exercise or work, according to a stewards’ ruling posted Friday on the California Horse Racing Board (CHRB)'s website.

A complaint posted on the site Apr. 8 read, "On 3/31/2023, Jockey Kent Desormeaux failed an alcohol breathalyzer test administered by CHRB Investigators at Santa Anita Park prior to riding in the 1st race." Desormeaux did not ride that day, but was back riding the following day, Apr. 1. Cont.
A hearing date was set for May 18. Friday, the stewards ruled: "Jockey KENT DESORMEAUX, having entered into a Settlement Agreement and Mutual Release with the California Horse Racing Board (CHRB) for violation of CHRB rules 1874 (Disorderly Conduct) and 1680 (Jockeys and Drivers to Report) on March 31, 2023, at Santa Anita Park, is placed on probation for the remainder of his license period, subject to the following terms and conditions of probation: He is placed on a testing agreement with the following conditions: (a) He will be tested by a CHRB investigator before entering the racetrack to exercise a horse or participate in a race. (b) On scheduled race days, he will report to the CHRB investigative office no later than 1.5 hours before the scheduled post time. (c) In the event CHRB investigators obtain a PAS reading detecting the presence of alcohol (Anything greater than 0.00) his license will be summarily suspended until a noticed hearing before a Board of Stewards is held and a ruling is issued. (d) Upon renewal of his Jockey license, a testing agreement will be part of his next license period." 

Desormeaux has had a long history of alcohol-related issues on and off the track. He missed most of 2022 after getting into an altercation in a parking lot at Del Mar when intoxicated. He was arrested in January and charged with domestic battery and abuse. He spent time in a rehab facility in 2016, and was back in an in-patient program in 2020. 

He has won 6,145 races in total, and 27 this year from 145 starts, riding primarily in Southern California.

BUCCHERO FILLY, VINO ROSSO COLT EARN BULLETS AT OBS SATURDAY by Jessica Martini

A filly by Bucchero (hip 999) became the first of the week to work a furlong in :9 3/5, while a colt by Vino Rosso (hip 1072) turned in the day’s fastest quarter-mile breeze of :20 4/5 during the final session of the under-tack show for the Ocala Breeders’ Sales Company’s June Sale of 2-Year-Olds in Training Saturday in Ocala. 

Consigned by Britton Peak, hip 999 is out of stakes-placed Imperial Strike (Imperialism). The filly was bred in Florida by Wendy Lee Christ. 

Hip 1072, a supplement to the original catalogue, is consigned by McKathan Bros. Sales and worked his quarter-mile bullet right at the start of Saturday’s session of the under-tack show. "He prepped really good for us over here, so I was expecting him to breeze well," said Kevin McKathan. "We backed him up to a quarter. He’s a big, stretchy two-turn horse and I thought that would suit him best. He worked really well and he galloped out huge. He went out in :32 flat and :44 and change. And he came back in good shape and vetted good." 

The chestnut colt, bred by Ken and Sarah Ramsey, is out of stakes winner Deanaallen’skitten (Kitten’s Joy) and was purchased by McKathan for $115,000 as a weanling at the Keeneland November sale.

"Really, I wanted a Vino Rosso," McKathan said of the colt’s initial appeal. "I thought he was a really classy horse and I liked a lot of his foals. So I wanted to get my hands on one. I found [hip 1072] way up on the hill at Keeneland in Book 4 or 5. He was hid out up there--Ramsey was selling him. He was a little backwards, but when I saw him, I just said, ‘I need to own him.’ We paid well for him and he’s been a super colt all the way through."

Cont.
ARCANGELO won Saturday’s 155th running of the $1.5 million Belmont S. (G1), giving Kentucky-breds a sweep of this year’s coveted Classic races.

With the victory, Jena Antonucci became the first female trainer to win the “Test of a Champion” or any Triple Crown race.
Under-tack show at OBS Saturday, cont.

The youngster was entered in last year’s Keeneland September sale and Fasig-Tipton October sale, but was withdrawn from both. He worked at OBS April before being withdrawn from that sale as well.

“The plan when we first bought him as a weanling was to flip him as a yearling,” McKathan said. “And then it got so tough to buy yearlings, especially for myself, and he was such a nice horse that we just decided to keep him. He was in the April sale and he breezed there. He kind of breezed average—he breezed in :10 1/5—and I knew he was a lot better colt than that if I stretched him out and gave him a better run at a little further distance, so that’s what we did.”

McKathan continued, “He’s the kind everyone needs. He’s a two-turn horse and when they pull him out on the shank, they will love him. He’s leggy, stretched out with a long neck. He’s a beautiful horse.”

Asked how he found conditions throughout the six sessions of the under-tack show, McKathan said, “I believe it was as good as we could get it. We always struggle with that last set because as the track heats up, that’s the toughest there is. But horses were still able to get over it. I think the weather was pretty good for us—I’ve seen it much worse in June. So, overall, I think the track was good. If you could get in the first or second set, the horses seemed to breeze well throughout there. It got to be a little bit more of a struggle through the third. That’s just always how it’s going to be.”

The OBS June sale will be held Tuesday through Thursday with sessions beginning daily at 10 a.m.

After spending much of 2022 on the turf split between Woodbine and Saratoga, Ticker Tape Home tried the dirt at Tampa Bay Downs in the Suncoast S. and faded badly to eighth behind upset winner Dreaming of Snow (Jess's Dream). She rebounded to be beaten only 4 3/4 lengths in Tampa's GIII Florida Oaks back on the grass before returning to Canada for her second try over the all-weather surface as the 8-5 chalk. Sent to the front with a rail-hugging trip, she set comfortable fractions of :23.13 and :45.83 and led through the turn before being set down for home. Elysian Field chased valiantly but was ultimately no match as Ticker Tape Home cruised to the easy win.

“She was really going into this race good,” said winning jockey Patrick Husbands. “She ran a tough race [the Suncoast S.]. Then she came back here, and I got on her about five times, and she came into this race really good.”

Out of a graded-stakes winning dam, herself a daughter of MGISP Soul Search (A.P. Indy), Ticker Tape Home traces back to GI Arkansas Derby winner Nadal (Blame). Her dam produced a colt by Curlin last year but unfortunately aborted her 2023 foal.

Rewarded at the windows here as the 3-2 favorite, Shotgun Hottie dueled to the outside of 2-1 shot Signal From Noise around the first turn, but up the backstretch she secured the front. Into the far turn, as she was tracked from second by 8-5 price Leader of the Band (Bandbox), the DeVaux trainee fended off her challenger. Past the eighth pole, she began to open up and showing good energy, won by a comfortable 5 lengths over Signal From Noise who was up for second.

“Paco [Lopez] did a really good job when they came out of the gate and he sensed there was a slow pace and he just took control of the situation,” said trainer Cherie DeVaux. “Her last race, she got into some trouble and it was a speed-favoring track. She’s a big filly and you can’t get her stopped. You have to keep her clear and Paco did that. We’ll probably stay the course and go to the GIII Molly Pitcher S. next.”

Swift Girl (Unbridled) produced half-sister to the winner’s dam, GISW Sky Diva (Sky Mesa). ReEntry is responsible for a 2-year-old filly named Hurricane Hottie (Palace Malice), a yearling colt by Echo Town and she dropped a filly by Irish Surf Mar. 20. Though it took him three tries to break his maiden, Armstrong finally broke through once swapped to Gulfstream's all-weather track over this same distance Apr. 23. The Triple Crown-nominated colt--Saturday's 8-5 favorite--split the field in fourth as the first quarter went in :25.05 before making a sweeping move to place himself in contention into the far turn. Despite being floated wide, Armstrong had more than enough left in the tank to kick past the early pacesetters, taking over with a furlong to run and drawing off to the wire to win by daylight. Abbreviate has re-visited Tapwrit twice since producing Armstrong--foaling a yearling full-sister who is her dam's most recent offspring. Click for the Equibase.com chart or VIDEO, sponsored by TVG.

EXTRA ANEJO (c, 3, Into Mischief--Superioritycomplex (Ire), by Hard Spun), super on 'TDN Rising Star' debut last October when decimating a Keeneland maiden by 9 1/2 lengths, spent the next several months on the bench before reappearing in an optional allowance on Derby Day at Churchill. He broke slowly, was fanned wide and closed late for a length runner-up finish to Federal Judge (Army Mule), who went on to be fourth Saturday in the G1 Woody Stephens S. at Belmont Park. A more polished version of Extra Anejo went to post Saturday as the 2-5 choice tracked in second behind fractions of :22.78 and :45.10, reeled in the loose-on-the-lead frontrunner on the turn, and drove clear in a powerhouse performance to cross the line 6 1/2 lengths the best while geared down under Brian Hernandez, Jr. Tall Boy (Lookin At Lucky) chased him home in second with third-place finisher Classic Legacy (Into Mischief) another 17 lengths in arrears. The winner is a half-brother to Land Mine (Mineshaft), SP, $158,342 and a full-sister to Bar of Gold, GISW, $1,551,000, who produced GSW Coinage (Tapit). He also has a half by Uncle Mo who is a yearling. Khancord Kid's latest is a colt foaled Mar. 14 by Medaglia d'Oro. Sales History: $300,000 Ylg '20 KEESEP; $280,000 4yo '23 KEEAPR. SPIRIT OF ST LOUIS (g, 4, Medaglia d'Oro--Khancord Kid (GSW, $167,343), by Lemon Drop Kid) won his debut against older maiden company going a mile in the slop Feb. 17 at Aqueduct by 8 1/2 lengths before running second at 9 furlongs against allowance types Apr. 6 in Ozone Park. Sent on his way as the 4-5 favorite here, the dark bay gelding settled near the rear of the field up the backstretch, but began to make up ground around the far turn. Fanning out five-wide into the stretch, Spirit of St Louis accelerated past the eighth pole and won by 4 lengths over Clear Conscience (Blame) who secured second. A dead heat was declared for third between Let's Go Big Blue (Cairo Prince and King of Comedy (Oscar Performance). Excursionniste (Tourist) had to be pulled up and sadly was euthanized on the track. The winner is a half-brother to Land Mine (Mineshaft), SP, $158,342 and a full-sister to Bar of Gold, GISW, $1,551,000, who produced GSW Coinage (Tapit). TWIRLED (f, 3, Twirling Candy--Key d’Oro, by Medaglia d’Oro) was a well-beaten tenth in her last start Apr. 14 at Keeneland in the FanDuel Limestone S. while sprinting on the turf. The 7-2 choice here tracked favorite Miner’s Queen (Bernardini) up the backstretch, but backed off before the far turn. Rallying from third, Twirled unleashed a barrage of speed past the eighth pole and ran on to win by 2 lengths over Covenant Lady (Temple City). TWIN MISCHIEF (f, 3, Into Mischief--Front Range {GSP}, by Giant’s Causeway) had the misfortune of debuting in the same race as future GSW Chocolate Gelato (Practical Joke) at Saratoga last summer and did well at 11-1 to run second that day. Second again as the favorite after a seven-month layoff Mar. 25, she faltered last time out and had to settle for fifth at Churchill Downs on Kentucky Oaks day. 5-2 on the board for this start, Twin Mischief set a contested pace against the rail with a pair of rivals pressuring to the outside. Briefly outrun by Vanished (Speightstown) with three furlongs to run, she dug in gamely to regain the upper hand past the quarter pole and sustained that rally despite company finishing to her outside to squeak out the win by a neck over Excellent Question (Speightstown). A half-sister to American Monarch (American Pharoah), SP, $170,108, Twin Mischief’s second dam is MGISW Lakeway (Seattle Slew) who would go on to produce the dam of GI Juddmonte Spinster heroine Mushka (Empire Maker). LOVE TO SHOP (f, 3, Violence--Tiffany Case {SP}, by Uncle Mo) debuted eight lengths behind ‘TDN Rising Star’ The Great Maybe (Upstart) over Saratoga’s main track last August before going to the bench, not to return until hitting the board in a seven-furlong turf event at Belmont just over two weeks ago May 23. Kept to the grass as the 9-5 choice in this spot, the $200,000 Keeneland grad eased back off the pace to be eighth through the early going before swinging out three wide to advance into the turn through a half in :45.27. Fanned out to be five across the track past the quarter pole, Love to Shop closed strongly into the final furlong, surged past pacesetter Oolong Hai (Ire) (No Nay Never), and went clear to win by 3 1/4 lengths. Spun Special (Hard Spun) got up at 22-1 to fill out the exacta while Advance Attack missed the break and was never a factor, finishing 10th. Tiffany Case, herself a half-sister to GSW/GISP Talk Veuve to Me (Violence), foaled a filly by Medaglia d’Oro last year. Sales History: $200,000 Ylg ’21 KEESEP. Lifetime Record: 3-1-2-0, $88,500. The narrow second choice in this sales-price restricted event at 5-2, she dashed straight to the lead to set the tempo and held off a determined Zadorsky (Tapiture) to secure the narrow victory by a neck. TIBURON (c, 3, Good Magic--Enoree {SP}, by More Than Ready) in his only other start was a well-beaten sixth over 7 furlongs May 20 at Woodbine. Coming back as the 5-1 shot here, the dark bay colt raced towards the rear of the field into the first turn and up the backstretch. Rounding the far turn, Tiburon started to make his move to the extreme outside and under strong urging, caught Legal Catch (Distorted Humor) to graduate by 3/4 length. Out of a female family which includes Champion 3-year-old colt in Canada & Queen’s Plate S. hero Woodcarver (Woodman), the winner has a 2-year-old half-sister in Bolt Enoree (Bolt d’Oro) and a yearling half by Twirling Candy. KELLY’S KIDZ (c, 2, Maximus Mischief--Real Tizzy, by Tiznow) became the second winner for his freshman sire (by Into Mischief) while carrying the same Cash Is King and LC Racing colors. Narrowly favored at 90 cents on the dollar, the Pennsylvania-bred won the break and set the pace outside even-money second-timer Callin My Name (Gormley) before edging in front at the midpoint of the turn. He was soon confronted by 28-1 outsider Mantaketheblessings (Ironicus), who looked to have the momentum down the outside, but Kelly’s Kidz battled back bravely down at the fence and proved just the better of the duo, who had 7 3/4 lengths on Heavy Timber (World of Trouble) in third. Callin My Name was fourth. Cash Is King acquired Real Tizzy, a daughter of GSW & MGISP Real Cozzy (Cozzene) for $80,000 in foal to West Coast at the 2020 Keeneland January Sale and she has had a standing date with this sire since. ARMY TIMES (c, 3, Into Mischief--Paid Up Subscriber {MGSW & MGISP, $862,850}, by Candy Ride {Arg}) finished a well-beaten fourth in his debut Mar. 26 at Aqueduct. As the 7-5 favorite here, the bay colt settled into third around the clubhouse turn...
as a longshot showed the way under a moderate pace. Up the backstretch, Army Times shifted off the rail and rounding the far turn, took aim at new leader Life On the Nile (Pioneerof the Nile). Past the sixteenth pole and under strong encouragement the Chad Brown trainee spurned his rival, who was trying to rally, to win by a neck. The winner’s dam claims 2-year-old unraced filly Round Hill Road (Quality Road) among her offspring. Army Times also has a yearling full-brother and as Apr. 27, a new filly half-sister by Tapit. Rounding the far turn, the bay colt got the better of his rival and into the lane, extended his margin to win by 2 lengths over the late-running Catch a Tiger (Mitole). SURGE CAPACITY (f, 3, Flintshire {GB}--Strong Incentive {SW, $123,568}, by Warrior’s Reward) who was under Lasix for her debut, went off as the 5-2 second choice here. The homebred came out of the chute and onto the turf under a hard hold, but around the first turn and up the backstretch she settled along the rail as a pair of others vied for the lead. Into the far turn, Surge Capacity began to increase her margin and past the eighth pole she dug down for more to go on to break her maiden by 1 1/2 lengths over the gaining Rugelach (Twirling Candy). The winner is a half-sister to Highly Motivated (Into Mischief), GSW, $667,375. Her dam has an unraced 2-year-old filly named Ways and Means (Practical Joke) and she visited Constitution last year. Angled out to be seven wide at the head of the lane, he carried all the momentum and got past pacesetter Legal Titan (Algorithms) to graduate by a length. Tipping to the outside, the bay filly launched her bid at the top of the lane, took aim at the chalk who was trying to get away and steadily reeled her in just before the wire to win by a 1/2 length. Part of her sire’s first crop to make the races, Sugar Treat is Enticed second offspring to get her picture taken. CANNONBALL!
AUSTRALIAN SPRINTER OUT TO MAKE A SPLASH AT ROYAL ASCOT

By Brian Sheerin

Australian sprinter Cannonball (Aus) (Capitalist {Aus}) is being predicted to make an explosive impact at Royal Ascot by majority owner James Harron who insists the Peter and Paul Snowden-trained colt will post "a very big performance" if the ground is good or better in the G1 King’s Stand S.

A general 10-1 chance to emulate last year’s winner Nature Strip (Aus) and the brilliant Scenic Blast (Aus), Miss Andretti (Aus), Takeover Target (Aus) and Choisir (Aus) by winning the King’s Stand for Australia, success for Cannonball would also reverberate as far as Northern Ireland.

Harron’s adopted home may be Australia, where he has operated numerous successful colts partnerships for well over a decade now, but the Northern Irishman has long aspired to bring one good enough to one of the first big meetings that first enthralled him with the sport. In Cannonball, he is confident that he has found the right horse to make the long trip worthwhile.  Cont. p3

JUMBY TAKES THE JOHN OF GAUNT

by Tom Frary

With the British racing program hungover from Derby week and awaited the imminent Royal Ascot fayre, Saturday’s pattern-race action was on the light side with Jumby (Ire) (New Bay {GB}) back to form in the G3 John of Gaunt S.

Without a placing in five starts since his career-best success in Newbury’s G2 Hungerford S. over this niche seven-furlong trip in August, Anthony Pye-Jeary and David Ian’s 5-year-old was nevertheless strongly-supported as the 9-4 favourite with no obvious star in the line-up. Keen as Charles Bishop waited in customary fashion in rear, the bay was delivered alongside the Australian raider The Astrologist (Aus) (Zoustar {Aus}) a furlong from home and asserted for a ready 1 1/2-length success.

“Seven furlongs is the right trip, but seven furlongs is also the hardest trip to find and he also doesn’t want soft ground so we have to just pick our way through," trainer Eve Johnson Houghton said.  Cont. p4
With the legendary jockey’s family in attendance, the Sea The Stars (Ire) filly took the Haydock Park feature by a half-length.

Kingman (GB) (pictured) sired King Colorado (Aus) to win the G1 J.J. Atkins S. at Eagle Farm in Australia on Saturday. The 2-year-old colt is his seventh Group 1 winner.

Cannonball Cont. from p1

He said, “I truly believe that we haven’t seen the best of Cannonball yet and I am hoping and praying for a fast track at Ascot on the Tuesday. If we get that, you will see a very big performance.

“You’ll see him in the mounting yard and be able to point him out as the big Aussie sprinter—he’s a magnificent animal, big and strong. He really does command a lot of presence in the ring and is cut out for the job.”

Harron added, “It would be absolutely huge if he were to be successful. Hard to put it into words, I guess. It would certainly be one of my career highlights and it’s just wonderful to be able to bring a lot of the owners over from Australia so, for them to be able to experience what Royal Ascot offers, and if he could be successful, it would be an experience that money couldn’t buy.

“It would be amazing for all the team, amazing for Peter Snowden [joint-trainer] himself, who is flying over to Ascot along with his wife Lyn, and of course Brett Prebble [jockey] who has been doing so much work with us in Australia. It would be so satisfying to share that experience with everyone who works so hard and has been great supporters of ours.”

Victory would no doubt be made extra special by the fact that Cannonball is by Capitalist, the Golden Slipper-winning two-year-old and just about the most successful young stallion to have come through Harron’s colts partnerships.

Cannonball will be Capitalist’s first ever runner in Europe and, according to Harron, the three-year-old has a lot of the right qualities needed to win the King’s Stand.

Harron said, “He’s a very, very fast horse. Physically, he’s developed extremely well as he’s gone through his three-year-old year. He really thrives on good ground, has a high cruising speed and he can roll off fast sectionals. Five furlongs on good ground is right up his alley and it’s those reasons that made us think that the King’s Stand was the race that would be most suited to him.”

He added, “It’s a huge effort to travel a horse to the royal meeting from Australia. There’s a lot that goes into the organisation of it all and, from a logistical point of view and a staffing point of view, it’s a huge effort. You have to give the trip a lot of consideration given the value of the horse you are travelling and because we’ve got such wonderful prize-money and other options that also need to be considered at home in Australia.

“It’s something you take very seriously, not to mention the quality of the opposition in Europe, which is very much respected. Coming into the King’s Stand, you have the brilliant mare Highfield Princess (Fr) (Night Of Thunder {Ire}) and many more to be fearful of, so it’s certainly a huge challenge. But the great Australian sprinters have paved the way for this sort of a trip and that gives us confidence that we can come to Royal Ascot and be competitive with Cannonball.”

One of the shrewdest operators on the international stage, Harron can also count Foxwedge (Aus) and King’s Legacy (Aus) as graduates of his successful system of buying yearlings with the view of turning them into multi million dollar stallion prospects.
Cannonball Cont.

He is also one of the slot holders in The Everest, a race he has won twice—with Redzel (Aus) in 2017 and Giga Kick (Aus) last year—and manages a number of high profile owner portfolios and broodmare bands.

There are few better versed on the global bloodstock market than Harron, who bought Cannonball for AU$975,000 as a yearling from Newgate Stud at the Magic Millions Gold Coast Sale. He explained that, whilst he is shunning potentially lucrative pots in his homeland in favour of running at the royal meeting, the potential upside to the trip is creating a stallion with global appeal.

He said, “Being from Ireland myself, Royal Ascot is something that will always be in the back of my head when I potentially have the right horse to travel across. We were always thinking that Cannonball’s profile fitted the bill given his best distance is five to five-and-a-half furlongs. Now, he may get six furlongs strongly as he gets older and more seasoned but, right now, the King’s Stand trip looks to be in his wheelhouse.

“The other thing with this horse, he’s run three or four times on soft ground and he just doesn’t like it whatsoever—he’s very ineffective on it. We were aware of that coming into the autumn, when he got his ground when returning from a decent break to beat the older horses at Rosehill and then he backed that up a week later to run third—unlucky not to be second—in a Group 1.

“That gave us the confidence to pull the trigger on Royal Ascot. He’s on the up and is improving. We got together with all the connections to discuss it and we just had the confidence that Cannonball was the right horse to have a go at Royal Ascot with.”

Harron added, “Royal Ascot is such a prestigious event. It’s an incredible week’s racing and, in terms of this colt, he’s beautifully-bred and is by Capitalist, who is obviously very close to our hearts and is doing an amazing job as a stallion at home in Australia. This will be Capitalist’s first ever European runner, not to mean Royal Ascot, and if Cannonball was to be successful, it would obviously be huge for his potential stud value. This is the world stage and all eyes will be on the King’s Stand. It’s a true test of speed, which of course is very desirable for people in Australia. We wanted to give him the opportunity and he certainly won’t let us down. We will find out exactly where he fits in.”

G3 John Of Gaunt S. Cont. from p1

She added, “It was like a bit of work for him and he did it with a smile on his face. We tried to go to the Lockinge and the times guys tell me he did the fastest six furlongs between the one to the seven, but he didn’t get the mile. Maybe if we really smuggled him into it he might get it, but we’ll obviously look at the [G2] Lennox at Goodwood over seven, the Hungerford at Newbury which he won last year, the Foret in France and we might have to travel further with him. We could have a little look at the Breeders’ Cup Mile, why not? I think he might get a mile round a bend and if they pay us to go why not give it a crack?” Cont. p5

EMOTIONS HIGH FOR THE HAGGAS FAMILY
AS SEA SILK ROAD PREVAILS by Tom Frary

She may have traded at 9-2, but Sea Silk Road (Ire) (Sea The Stars (Ire)) had script in hand at Haydock on Saturday and made sure that this renewal of the old G3 Pinnacle S., now re-named in honour of Lester Piggott, went to the legend’s daughter Maureen and son-in-law William Haggas.

Smart at three, Sunderland Holding’s bay had captured Goodwood’s Listed Height Of Fashion S. and finished second in York’s G2 Middleton S. last month. Up a furlong and on the fast ground she relishes, she was able to come from last under a patient Tom Marquand and overwhelm the long-time leader Nachtrose (Ire) (Australia (GB)) a furlong out en route to a 3/4-of-a-length success.

Maureen was alongside sister Tracy at the track at which Piggott rode his first and final winners and she said, “It’s my father’s race and things like this don’t always happen, so it’s nice when it does. [Clerk of the course] Kirkland [Tellwright] and I have been talking for a while as we wanted to have a race here, for obvious reasons. It was just a question of which one and this is a nice race on a nice day and a stepping-stone to other things.” Cont. p6
The form was there from her run in the Ribblesdale and I just felt that she was immature last year,” Maureen added of the winner. “She was a butterball most of last season, whereas she looks more like a racehorse now. She was disappointing at York and our horses are a bit in and out. We haven’t really hit our stride, which is disappointing seeing as we’re well into June. Hopefully things will change. Royal Ascot would be too soon, but William will find something and work it out.”

Tracy Piggott, best known for her TV work, added, “It was very special and it’s great when something goes to plan. We thought that daddy was going to bring us a thunderstorm today, but he’s brought us a winner! Obviously it’s emotional and it brings back lots of memories. It’s hard to believe that it’s been a year that he’s been gone, but Haydock is a very special place for us because of his history here. Today is amazing, everybody is out and having a great time and it’s just an honour to have this race. It’s so special to us and the fact it’s every year is pretty great.”

Sea Silk Road, who becomes the 65th group winner for her sire, is a daughter of the Listed Winterkonigin Trial scorer Oriental Magic (Ger) (Doyen {Ire}) who was also third in the G3 Grosser Preis von Hamburg. Also connected to the G2 Gerling-Preis winner and G1 Grosser Preis von Baden runner-up Oriental Tiger (Ger) (Tiger Hill {Ire}), Oriental Magic’s as-yet unraced 3-year-old colt by Lope De Vega (Ire) is named Indemnity (Ire). COLOGNE: MR HOLLYWOOD TAKES AIM AT THE UNION-RENNEN by Tom Frary

Right now, there are few hotter properties in German racing than Mr Hollywood (Ire) (Iquitos (Ger)) and owners Wanja Soren Oberhof and Sebastian Weiss and trainer Henk Grewe will be hoping their unbeaten TDN Rising Star graces Cologne’s G2 Union-Rennen with another command performance on Sunday.

Following his crazy 16-length winning debut at Mulheim in April, the bay made light work of Munich’s G3 Bavarian Classic on heavy ground a month later and has a clear form edge on that evidence. While it is impossible to ever write off a Gestut Auenquelle homebred son of Sea The Moon (Ger), the fact is that the favourite’s most credible rival Vintage Moon (Ger) was well-beaten by Fantastic Moon (Ger) (Sea The Moon (Ger)) in Baden-Baden’s G3 Derby-Trial and the winner of that had been put in his place by Mr Hollywood in the Bavarian Classic.

Perhaps Stall Nizza’s impressive eight-length Krefeld maiden winner Napolitano (Ire) (Australia {GB}), a Peter Schiergen-trained son of the dual G1 Preis von Europa heroine Nightflower (Ire) (Dylan Thomas (Ire)) from the family of the G2 Deutsches Derby hero Nutan (Ire) (Duke Of Marmalade (Ire)), will be the one to test him.

NOVAKAI PLEASING BURKE AHEAD OF DIANE BID

Sheikh Mohammed Obaid Al Maktoum's Group 1-placed Novakai (GB) (Lope De Vega (Ire)) is in good order ahead of a run in the G1 Prix de Diane later this month, trainer Karl Burke revealed on Saturday.

A debut winner at Doncaster, she was second in the G2 May Hill S. two starts later back at that venue in September and ended her year with another second-place effort, this time in the G1 Fillies’ Mile at Newmarket a month later. She made her 2023 in the G3 Musidora S. at York last month, and once again found one too good in subsequent G1 Betfred Oaks heroine Soul Sister (Ire) (Frankel (GB)).

“She’s on target for Prix de Diane, she looks in great shape,” said Burke, who won the 2018 edition with Laurens (Fr) (Siyouni (Fr)). “She’s not a particularly strong work horse at home, but she does look in good form and we’re very happy with her.

“The Musidora form obviously got a nice boost and she’ll step up on that York form as well.”

Seasoned campaigner Regional ushered in his 2023 season with a May 18 handicap success at York last time and continued on a roll by posting a career high, and a new track record, in this third attempt at black-type level here. Last term’s Stewards’ Cup H. third broke smartly to occupy a prominent slot in second and inched forward from halfway. He seized control soon after passing the quarter-mile marker and kept on powerfully under urging inside the final furlong to assert superiority in decisive fashion. **Cont. p9**
Listed Achilles S. Cont.

“He's a really fun horse and fast ground and flat tracks are his thing, so we'll just try to keep him at that now,” said trainer Ed Bethell. “I'm delighted for everyone at home and it's very exciting for everyone to be involved in a horse like this. I'd imagine we'll look at the [G1] Nunthorpe [at York] and that looks like a logical target. What we do in the meantime is between me and the guys. He's not entered at [Royal] Ascot and I could tell the owners they could supplement, but I think the Nunthorpe is more his race. In the interim, I might go to York for the [Listed] City Walls with a penalty and I might enter him in the [G2] King George at Goodwood. What I want to do is make sure there is a good gap between his next race and the Nunthorpe, that's the imperative thing.”

Regional, who becomes the 10th stakes winner for his sire (by Invincible Spirit [Ire]), is the second of five foals bred from Listed Premio Archidamia victrix Favulusa (GB) (Dansili [GB]), herself kin to four black-type performers headed by G2 Oaks d'Italia heroine Folega (GB) (Oasis Dream [GB]) and multiple Group 3 winner Agiato (GB) (Bated Breath [GB]). THINK ABOUT IT:
THE STRADBROKE KING

By Keely McKitterick

The Joe Pride-trained Think About It (So You Think {NZ}) proved he is a certified star when he was crowned the 2023 $3 million G1 Stradbroke H. victor.

Having claimed his maiden Group 1 victory last start in the G1 Kingsford-Smith Cup, Think About It became the favourite in the Stradbroke.

With Sam Clipperton in the saddle, it was a visually effortless victory for the son of So You Think (NZ), who ranged up to a courageous Rothfire (Rothesay), putting a 1.47l margin on that galloper, while Hawaii Five Oh (I Am Invincible) finished third.

It was the ninth victory from 10 starts for Think About It.

Pride admitted he was lost for words with the performance by the gelding,

"I've waited a long time for a horse like this. He is pretty amazing. The way Think About It has gone through the grades and the way he keeps stepping up, I'm a bit lost for words."

"It was a special win today (Saturday). The way he drew away from the field, he was never going to get beaten."

"It was just amazing. Bring on The Everest; bring on anything for this horse. I don't know where his ceiling is."

Clipperton added, “Think About It was a different horse today (Saturday). He was pretty bully last start, but once I got him calm and away from the other horses, I felt his heart rate completely drop underneath me, and he stood there like a kid’s pony.

“Not an ounce of sweat. I knew this horse could do something special today, and that’s precisely what he did.

“He could be the headline horse of my career. Everything about him is power; he is such a push-button horse.”

Pedigree Notes

Think About It was a $70,000 purchase by Proven Thoroughbreds and Joe Pride Racing from the draft of Newgate Farm at the 2020 Inglis Premier Yearling Sale.

He is the second foal from the Flying Spur mare Tiare. She was a winner and hailed from the family of Keen Array (Bel Esprit), who won the G2 Gilgai S. and was placed in the G1 Coolmore Stud S.

So You Think will stand for the 2023 breeding season for $99,000 (inc GST) at Coolmore Stud.

Saturday, Brisbane, Australia

The G1 JJ Atkins S. concluded with an international flavour when the Ciaron Maher and David Eustace-trained King Colorado, a son of Kingman (GB), ran out an impressive win in the valuable Group 1 contest.

Lining up for his third start after winning a maiden at Kembla Grange, and the first time over the mile, the 2-year-old colt held off the fellow blue-blood Miracle Of Love (Dundeel {NZ}) by 0.91l, running into the third was Tannhauser (Dundeel {NZ}).

Winning jockey Jason Collett admits he was taken aback by the performance, “King Colorado got into a lovely rhythm. When I clicked him, the amount of horse I had, I was kind of surprised as I wasn’t anticipating that.

“I thought I better start trying to find the room, and I just had so much horse under me, and I could make my own runs. It was a good feeling a long way from home.”

Co-trainer Maher added, “King Colorado has always shown ability. He’s a big, strong horse that is beautifully bred. It was beautiful to watch.”

King Colorado was bred and is co-owned by Sheikh Mohammed bin Khalifa Al Maktoum and races in a partnership that includes SOS/WEI Partnership 2.

Pedigree Notes

The colt is the fourth foal from the More Than Ready (USA) mare More Aspen (USA). She was a dual winner, including the Listed Singspiel S. at Meydan and was fourth in the G2 Cape Verdi S.

King Colorado’s third dam is the Northern Dancer (Can) mare Northern Aspen (USA), a five-time victress who won the G1 Gamely H. at the now defunct Hollywood Park.

The colt becomes the seventh individual Group 1 winner for Kingman, the 63rd stakes winner for the former Champion Miler, and importantly, his first Southern Hemisphere Group 1 victor. Kingman stands at Juddmonte Farms’ Banstead Manor Stud in Cheveley, Newmarket. He will be available to cover Southern Hemisphere time. Winning jockey Jason Collett admits he was taken aback by the performance, “King Colorado got into a lovely rhythm. When I clicked him, the amount of horse I had, I was kind of surprised as I wasn’t anticipating that.

“I thought I better start trying to find the room, and I just had so much horse under me, and I could make my own runs. It was a good feeling a long way from home.”

Co-trainer Maher added, “King Colorado has always shown ability. He’s a big, strong horse that is beautifully bred. It was beautiful to watch.”

King Colorado was bred and is co-owned by Sheikh Mohammed bin Khalifa Al Maktoum and races in a partnership that includes SOS/WEI Partnership 2.

King Colorado’s third dam is the Northern Dancer (Can) mare Northern Aspen (USA), a five-time victress who won the G1 Gamely H. at the now defunct Hollywood Park.
