WEST WILL POWER HOLDS OFF RATTLE N ROLL IN STEPHEN FOSTER

Gary and Mary West homebred West Will Power (Bernardini) punched his ticket to the GI Breeders’ Cup Classic with a half-length victory over the streaking Rattle N Roll (Connect) in Saturday's 'Win and You're In' GI Stephen Foster S. at Ellis Park.

The 2-1 favorite sat a perfect, stalking trip beneath Flavien Prat in second through fractions of :23.74 and :46.97. He hit the front right outside of the quarter pole, set sail for home and stayed on to hold the fast-finishing Rattle N Roll safe. Longshot Happy American (Runhappy) was third.

The Stephen Foster, originally slated for Churchill Downs, is the first Grade I race to take place in the history of Ellis Park.

"I think he can handle a mile-and-a-quarter in the Breeders' Cup Classic," winning trainer Brad Cox said. "I was much more confident with him getting a target to track off in this race. We'll see how the figures come back, but I'm very proud of the way this horse has developed. It's a credit to the Wests and this horse to have the patience to improve with age. It's taken him a while to get to this level. It's really cool to go down in the history books by winning the first Grade I in the history of Ellis Park."

West Will Power, second in last year’s GI Clark S., posted a powerful victory with a career-high 109 Beyer Speed Figure in the GII New Orleans Classic S. Mar. 25.

RAYMOND HANDAL PROVISIONALLY SUSPENDED AFTER ZERANOL POSITIVE; BREWSTER SAYS FEED CONTAMINATION

by Sue Finley

Trainer Raymond Handal has been provisionally suspended by the Horse Racing Welfare and Integrity Unit after his horse Barrage (War Dancer) returned a positive test for the banned substance Zeranol after finishing second in an optional claiming allowance at Belmont May 28.

Handal's provisional suspension starts July 1. Under the regulations, Handal has the right to request a provisional hearing and the analysis of the B sample, but must do so by July 5.

The ruling was posted on the HIWU website Saturday morning. No further details were given. Cont. p4

West Will Power entered off a third-place finish as the favorite in the GII Alysheba S. May 5.

"He was cruising all the way around there," Prat said. "He just carried me home to the wire down the stretch. I was really impressed by the way he won this winter at Fair Grounds in the New Orleans Classic. It was a different setup last time out in the Alysheba. He came back here to Ellis and the race shape was much more to his style."

Pedigree Notes:

West Will Power becomes the 17th Grade I winner for Bernardini. Grade III winner Wild Promises, a half-sister to MGISW Icy Atlantic (Stormy Atlantic) hailing from the extended female family of MGISW Jolie's Halo (Halo), had only one foal after West Will Power, an unraced 4-year-old filly named Cross Your Heart (Curlin). Wild Promises, a $200,000 KEENOV purchase by the Wests in 2012, brought $3,700 from Pam Schutz at the 2018 KEENOV sale.

Handal Suspended cont. from p1

Zeranol is a synthetic nonsteroidal estrogen, approved for use to promote growth in livestock, including beef cattle. It is sold under the brand name Ralgro by Merck Animal Health in the U.S. It is used to increase weight gain and improve feed efficiency. According to the U. S. Anti-Doping Agency (USADA), zeranol is banned in humans due to its presumed anabolic effect, and appears on the World Anti-Doping Agency’s prohibited list.

Handal has won 28 of 130 races in 2023, good for a win percentage of 22%, and his horses have earned just over $1.5 million. He is currently seventh in the Belmont Park leading trainer standings, with 12 wins from 42 starts.

"NYRA has been alerted via HIWU that a horse under the care of trainer Ray Handal has tested positive for the banned substance Zeranol," said NYRA Vice President of Communications Patrick McKenna. "According to HISA rules, Handal is now under a provisional suspension nationally and cannot participate at NYRA tracks effective today."

Handal’s suspension comes under HISA rule 3212--Presence of a Banned Substance and/or its Metabolites or Markers.

A first-offense violation of rule 3212 carries up to two years suspension and up to $25,000 or 25% of the total purse (whichever is greater), and payment of some or all of the adjudication costs and HIWU’s legal costs.

Handal had two horses entered at Belmont Park Saturday; Certified Loverboy (Mendelssohn) in the fifth race and Daddy Knows (Scat Daddy) in the seventh. He had also entered Promiseher America (American Pharoah) in the GIII Delaware Oaks. Those horses have been scratched.

Handal has engaged attorney Clark Brewster to represent him. Brewster provided the TDN with the notification from the Kenneth L Maddy Equine Analytical Chemistry Laboratory at U.C. Davis that was sent to HIWU with the finding.

"Urine sample (number identified) taken on May 28, 2023 at NYRA-Belmont was found to contain Zeranol as an Adverse Analytical Finding and Zearalenone as an Atypical Finding," the lab reported.

"The test that was came from U.C Davis showed Zearalenone," said Brewster. "Zearalenone is from mycotoxins in feed--corn and beet pulp. There are very well published articles on this. And so the Zeranol is a metabolite of the Zearalenone. It self-proves where it came from. If they hadn't told us that there

was Zearalenone in it, you might want to question where the Zeranol came from, but they were kind enough to point out at U.C. Davis that the parent, Zearalenone is present."

Brewster said Handal's horse feed contains beet pulp, a frequent source of mycotoxins.

According to the National Institutes of Health: "Mycotoxins are secondary metabolites of filamentous fungi and represent one of the most common groups of food contaminants with low molecular weight. These toxins are considered common and can affect the food chain at various stages of production, harvesting, storage and processing. Zearalenone is one of over 400 detected mycotoxins and produced by fungi of the genus Fusarium; it mainly has estrogenic effects on various organisms. Contaminated products can lead to huge economic losses and pose risks to animals and humans."

Said Brewster, "So the lab was very candid and gave the right information. The only way you can get Zearalenone is from mycotoxins, from mold. Unfortunately, you get Zeranol from it, and it's prohibited, even though it comes from a substance that's not regulated at all. This is the kind of thing that HIWU and HISA are going to have to work through. The solution to this very clearly is that if they’ve got the parent, which comes from mycotoxins showing up in the sample, end of story."

Brewster said he didn’t understand why further questions weren’t asked after the finding.

"What happened is patently unfair," said Brewster. "Once they find the Zearalenone, automatically, you would expect to find its metabolite, which they did, and that metabolite is completely answerable. The fact that this prompted a summary suspension is just awful. Somebody somewhere along the way needed to look at the data and say the answer to the question is that it came from this parent, which came from a mycotoxin. They summarily suspended him. They call it a provisional suspension, automatically, without even an opportunity of an explanation or for somebody within the chemistry or toxicology side to say, 'wait a minute, this doesn't equate here.' I just found out about this yesterday afternoon, but we sent the articles showing this and said, 'hey, let's give us a hearing. It has to be set within three days, so hopefully, we'll have a hearing Monday or Wednesday.'"

"This was sudden, abrupt and disruptive," Brewster concluded. "It's crazy. I hope there will be good will and an exchange of information, working these kind of nicks out, because he's devastated. This is a guy who has never had any issues at all. He’s a young, hard-working guy."
TAPIT’S FORT BRAGG MAKES THE GRADE IN HEART-STOPPING DWYER

Fort Bragg (outside) | Chelsea Durand

Fort Bragg (Tapit), scratched from last month’s GI Woody Stephens S. after spiking a fever, narrowly outslugged the previously unbeaten Saudi Crown (Always Dreaming) to gamely capture Saturday’s GIII Dwyer S. at Belmont Park.

Adding blinkers for this, the 3-5 favorite traveled smartly in third as Saudi Crown showed the way through an opening quarter in :22.47. Up a spot into second through an eye-opening half mile in :44.63, Fort Bragg loomed boldly on the outside as the two hit the quarter pole together. Saudi Crown and Fort Bragg locked horns down the stretch, and, after a long drive, Fort Bragg fought by to win by a hard-fought nose in a race that didn't deserve a loser.

Harrodsburg (Constitution) was 11 lengths back in third.

Fort Bragg, a well-beaten third for Bob Baffert in last December’s GII Los Alamitos Futurity, made three previous outings for Tim Yakteen this term, headed by a too-good-to-lose second-place finish in the GII Pat Day Mile S. at Churchill Downs May 6.

"We love winning those big races in New York," Baffert said. "It means a lot for the horse. We were always very excited about him, but he was just immature mentally. He's just figuring it out. His last race was huge at Churchill. He just got away bad that day or he probably would have won the race. I think he's getting it all together. They went fast today. He went against a really nice horse and they just laid it down, but class always prevails. It was a good race with two good horses."

Pedigree Notes:

Fort Bragg becomes the 160th stakes winner/101st graded winner worldwide for leading sire Tapit. Fort Bragg is the first foal out of the stakes-winning March X Press, who is also responsible for a Quality Road colt of 2022 and a Honor A. P. filly of 2023. March X Press brought $560,000 from Parks Investment Group at the 2021 KEENOV sale. March X Press previously brought $330,000 from Newgate Farm while carrying Fort Bragg at the 2019 KEENOV Sale.

Pauline's Pearl, winner of last term's GI La Troienne S.,
collected a sixth career graded trophy here.

Sent off as the second choice in this scratched-down, three-
horse affair, Pauline's Pearl cabooised the field while racing
within striking distance through fractions of :24.49 and :48.06.
Pauline's Pearl was under a ride on the turn for home, was
tipped out widest of all a quarter of a mile from home and came
rolling down the center to get the money. The pacesetting
Bellamore drifted out badly down the stretch and was
disqualified from second and placed third for causing
interference.

Pauline's Pearl, third in this same race as the favorite at
Churchill Downs last year, launched her 5-year-old campaign by
successfully defending her title in the GIII Houston Ladies Classic
S. Jan. 28. She was disappointing in her two subsequent starts,
finishing seventh in the GI Beholder Mile S. at Santa Anita Mar.
11 and sixth in the La Troienne on the GI Kentucky Oaks
undercard May 5.

"Joel (Rosario) and I talked about things in the paddock and
thought if she broke well to keep her a little closer today," said
Steve Asmussen’s assistant trainer Scott Blasi. "It proved to be
very effective. This horse is a credit to (owner) Barbara (Banke)
for keeping her in training and letting her and (stallmate)
Clairiere continue to develop."

Pedigree Notes:
Pauline's Pearl became the second of three graded winners on
the day for the all-conquering Tapit. Her precocious dam Hot
Dixie Chick--a half-sister to 2017 GI Kentucky Derby winner
Always Dreaming (Bodemeister)--annexed the 2009 GI Spinaway
S. Her current 4-year-old 'TDN Rising Star' Marsalis (Curlin) was
second on the undercard in the Kelly's Landing S. Hot Dixie
Chick, a $435,000 FTFMAR 2-year-old purchase by Barbara
Banke's Grace Stables, is also responsible for the 2-year-old colt
Mister Lincoln (Constitution) and a Quality Road colt of 2022.

The even-money favorite and 2021 GII Wise Dan S. winner Set Piece may have been gaining late, but it was 46-1 Stitched who got up for the win in the 2023 edition of the Wise Dan at Ellis Park Saturday. It was the 4-year-old’s first graded win and first victory since a listed stakes at Canterbury just a year ago.

When the Wise Dan gates flew, it was second choice Get Smokin who went straight to the front. With more than a length on the field, he set reasonable fractions on the 'good' course—a quarter in :24.44 and a half in :48.10—while Stitched stayed in striking distance in fourth. Set Piece, meanwhile, was in his customary rear spot. As the pace quickened leaving the turn, Stitched set his sights on Get Smokin, relentlessly attacking from the outside as Set Piece tipped wide and gained with every stride. Stitched finally caught up to Get Smokin, tackling him in the final sixteenth to prevail by just a neck, while Set Piece ran out of ground and finished a length in arrears.

“I’m really grateful I got the mount,” said Flavien Prat, who picked up the ride from Marcelino Pedroza, Jr. “He broke well from the gate and was able to be in a good position when we needed to make a move. He gave me a chance to get into the race and he did things from there.”

Stitched was the second-longest shot on the board in the Wise Dan and for good reason. Most of his 2022 campaign was spent quietly paying his way in the allowance and listed stakes ranks. At one point, he reeled off three straight, including the Caesars S. and Mystic Lake Derby. He made the move to graded company last September, finishing fifth and promptly getting a seven-month break, and hadn’t finished on the board again, including in an optional allowance June 1 at Churchill Downs against some of the same Wise Dan rivals. The Wise Dan marked his first win in a year and his most important to date.

“His first two races this year were good, but he really threw in a clunker last out which wasn’t like him,” said trainer Greg Foley, who also won the Kelly’s Landing S. earlier on the Ellis card with Bango (Congrats). “Hats off to the owners for wanting to be aggressive and put him in this race. We were very disappointed after his allowance race. We thought he’d win that day. The owners were ready to take on this race and credit to them. He looks like a million bucks and Flavien [Prat] rode a perfect race.”

Pedigree Notes:
Juddmonte’s pensioned Mizzen Mast is enjoying a resurgence in the public consciousness lately with his daughter Caravel, whose biggest wins include last November’s GI Breeders’ Cup Turf Sprint and last month’s GI Jaipur S., both over the boys, and now Stitched, who pushed his sire’s graded winners to a count of 27. Mizzen Mast also has 63 black-type winners, one of which is GISW Mast Track, a half-sibling to Stitched’s granddam.

The unraced Walking Miracle, dam of Stitched, is a daughter of...
super sire Into Mischief, who is just starting as a broodmare sire. Stitched is the ninth stakes winner out of an Into Mischief mare and undoubtedly won’t be the last. Walking Miracle has a 2-year-old filly by Munnings named Zuber and a yearling colt by Jimmy Creed. Zuber hammered for $285,000 at last year’s Keeneland September sale. Bobby Powell was the buyer. The mare is a half to Sound Money (Flatter), who won the G3 Mahab Al Shimaal at Meydan Mar. 4.

The 6-year-old Three Technique, a last-out optional claiming winner at Churchill Downs May 27, broke through for a career high here. Claimed by these connections for $40,000 back in November 2021, Three Technique posted a 36-1 upset in the Knicks Go Overnight S. at Churchill Downs last May and also ran the brilliant Cody’s Wish (Curlin) to a neck in the Hanshin S. in July. Sixth in the GI Breeders’ Cup Dirt Mile, he made three prior starts this term, including a third-place finish in the Knicks Go two back May 6. Stuck in traffic in fifth through a half mile in :46.08 here, he found some room beneath Javier Castellano in the stretch and ran to daylight to win going away.

“He finds his way outside,” winning trainer Jason Cook said. “I figured that out by watching him win a while back and it looked like he was going to get beat. But the jockey swung him out and he mowed them down. I figured that’s what I needed to do.”

Pedigree Notes:

From last to first, Lucky Score just got up for the win in a hectic renewal of the GII Highlander S. at Woodbine Saturday. With a trio sprinting up front early and the next flight of horses three lengths behind, Lucky Score took his time at the rear of the field as the first quarter unfolded in :22.01. The next quarter was nearly as quick with the half registered in :44.24 as Lucky Score steadily inched up. He hit the stretch no better than sixth, got through a hole, weaved between horses, and just made it to the front in the dying strides as a calvary charge hit the wire. The final time for the six furlongs was a sharp 1:07.86.

“He’s a horse that comes off the pace,” said jockey Sahin Civaci, who also won the GIII Selene S. for Mark Casse with Solo Album (Curlin) earlier on the Woodbine card. “It takes him a while to get rolling and luckily there was a lot of speed up front today so that helped a lot. It was just about finding the right position and a clear path getting to the wire before they get there.”

Lucky Score’s previous big win was in last September’s GIII Vigil S., also at Woodbine but on the Tapeta, while under the tutelage of W.V. Armata. He closed out the year with a third in the GII Kennedy Road S., was sold privately to his current connections, got a six-month freshening, and was transferred to Casse. His only start for Casse prior to the Highlander was a second in a June 4 optional allowance on the turf.

Pedigree Notes:

Coolmore America stallion Lookin At Lucky is responsible for 29 black-type winners bred in the Northern Hemisphere. His 15 graded winners include a GI Kentucky Derby winner and a GI Breeders’ Cup Classic winner. Just as Lookin At Lucky’s first foals were arriving in 2012, another Coolmore stallion, the pensioned Royal Academy, died from the infirmities of old age. The latter is the dam sire of Lucky Score and 215 other stakes winners.

Shannondoe Farm purchased Miss Matzo with Lucky Score in utero for $17,000 at the 2017 Fasig-Tipton New York Fall Mixed sale. The mare’s most recent foals are a yearling filly by Audible and a 2023 colt by Modernist, born Mar. 9 in Ontario.

Reigning Canadian Horse of the Year and Queen’s Plate winner Moira got another tough break, filling out the runner-up spot for the second consecutive time in Saturday’s GII Nassau S. at Woodbine as Fev Rover, a group winner in France and a graded winner in Canada, was all too happy to pick up the pieces and add to her burgeoning CV.

When the gates flew, heavily favored Moira broke last but quickly moved to a mid-pack spot while Fev Rover broke sharply but put on the brakes to trail. Sister Lou Ann (Frosted) had her way up front in tandem with Scotish Star (Arg) (Key Deputy) and the pair set early fractions of :24.34 and :48.50. Running easily
on the turn, Moira bullied her way through but couldn’t keep pace with Fev Rover, who found her own hole, unleashed a dazzling turn of foot, and sailed past the entire field to secure a 4 1/4-length victory. A heavy downpour prior to the race changed the turf from its earlier firm to yielding.

“I was on the best side of the track on the wide outside and those guys keep on rolling, rolling, rolling,” said rider Patrick Husbands. “My horse enjoyed it on the wide outside. I’m just thinking just cut corners, cut corners, then open her up. You get to ride good horses, they make you look good. You can do what you want to do. The race went well for me and I’m happy for Mark [Casse] and the owner.”

Trainer Casse was winning his third graded race of the day at Woodbine, having previously captured the GII Highlander S. with Lucky Score (Lookin At Lucky) and the GIII Selene S. with Solo Album (Curlin).

Fev Rover was a 695,000gns purchase by Tracy Farmer at the 2021 Tattersalls December Mares sale as a 3-year-old. She came into the sale with quite a resume already, having won the G2 Shadwell Prix du Calvados in France while her other credits included a placing in England’s G1 QIPCO One Thousand Guineas, all under the care of trainer Richard A. Fahey. Farmer transferred her to North America and Casse, where she won the GI Canadian S. and placed in both the GI E. P. Taylor S. and the GII Dance Smartly S. in just three starts last year. The Nassau was her first start of 2023.

Pedigree Notes:

Fev Rover is the only group/graded winner for her sire, Gutaifan (Ire), who stands at Haras des Faunes in France and has a total of three black-type winners. From the same family as 2013 GI Hollywood Derby winner Seek Again (Speightstown), the Nassau winner’s dam has a 2-year-old filly named Leveret (Ire) (Invincible Army (Ire)) and a yearling colt by Dark Angel (Ire), the sire of Gutaifan. Fev Rover is one of 64 stakes winners out of daughters of High Chaparral (Ire).

Foggy Night won the first stakes victory of her career in Saturday’s GIII Delaware Oaks. She broke her maiden at Parx last October and added a second-place finish a month later in the Tempted S. at Aqueduct. She was a well-beaten sixth in the GI Demoiselle S. Dec. 3 before heading to the sidelines. The chestnut filly re-emerged at Parx, just missing against optional claimers Apr. 24, then broke through there with a runaway win June 5.

Overlooked at the windows here, Foggy Night allowed fellow longshot Opus Forty Two to show the way and settled into third.
She made her move around the far turn and proved best after racing greenly down the stretch to record a career high. Foggy Night, a $20,000 OBS April breezer, becomes the 12th stakes winner/fourth graded winner for Khozan. The winner has a 2-year-old full-brother named Show Boat and his dam was bred to Uncle Chuck last year.

   In an impressive last-to-first performance, Sopran Basilea
   earned her first North American win in just her second stateside
   start to give trainer Graham Motion a ninth winner in the
   Delaware Park feature.

   The 1 3/8-mile race had scratched down to just seven starters
   by post time likely due to the soft conditions, and, after a clean
   break, she dropped back to her familiar position in tow at the
   back of the pack and raced closest to the rail in the early going
   as 21-1 longshot Ever Summer showed the way with a clear
   advantage through a dawdling pace of :25.91, :52.21 and
   1:18.12 for the first six furlongs. As the pacesetter led the field
   around the far turn, Sopran Basilea was moving toward the
   front, and, after encountering a wall of tiring rivals in front of
   her as she made her way into the lane, found an opening wide
   enough to duck through for clear running room with less than
   two furlongs to run. She took up briefly in traffic just past the
   three-sixteenths, but regained stride quickly and dug in gamely
   in the final furlong to get past the determined Ever Summer in
   the final jumps to post the win.

   Sopran Basilea put together an impressive career in Italy,
   winning Rome’s G2 Premio Lydia Tesio Italian Champions and G3
   Premio Verziere Mem Aldo Ciria in 2021 and placing in a handful
   of other group and listed stakes before selling for €300,000 to
   Mandarin International Agency on behalf of her current
   connections at Arqana’s December Breeding Stock sale six
   months ago. She initially sold for €11,000 as a weanling in 2018
   at Goffs November.

   “Jorge [Ruiz] gave her a beautiful ride,” Motion said. “I
   honestly did not know she was this good, but off of her
   European form, she looked like she was. She ran beautiful. She
tries hard, she is genuine and very honest. She ran super and she could not have done much better than that.”

Sopran Balisea is the most successful foal out of her dam, who also produced an unnamed 2-year-old colt and yearling filly, both by Irish Rover (Ire).

Turf King stole the show after a bit of stretch drama in Woodbine’s GIII Marine S., getting his first graded win in the race which often serves as a prep for the King's Plate (to be held this year Aug. 20). However, as one of the two non-Canadian-breds in the field, Turf King himself is not eligible for the Canadian Classic.

The eventual winner was in no hurry leaving the Marine gate as he was brushed by a rival, content to bide his time while third from last as One Bay Hemingway (Danger Bay) led the field through :24.11 and :48.22 early fractions. Tucked in behind horses on the inside, he found a nice pocket until Kazushi Kimura started riding mid-turn and the pair dove through a hole on the rail. One Bay Hemingway threw in the towel as Kaukokaiippu proved ready for a fight in the stretch. That one bumped Turf King hard enough to bounce him off the rail and propel him onto the wrong lead for a few strides. Undaunted, Turf King not only recovered and swapped back to his correct lead, but also pricked his ears with confidence as he outfinished Kaukokaiippu and strode home a half-length the best.

“The horse bumped into my horse, but my horse just hung in,” said Kimura.

A €100,000 purchase at the 2021 Goffs Orby Yearling Sale by Niall Brennan, Turf King was pinhooked into a $180,000 2-year-old at the 2022 OBS March sale, where he was picked up by Wise Racing. Turned over to Chad Brown, Turf King debuted this February on Gulfstream’s synthetic with a win, followed up with an allowance on the lawn at Keeneland, and finished third in the Jersey Derby, also on the grass, at Monmouth June 3. The 87 Beyer Speed Figure Turf King netted in that race was the highest in the Marine field, while the Marine also marked the bay's return to a synthetic surface.

Pedigree Notes:

Turf King is the first graded winner for Kingman (GB) in Canada, although he’s had a number a top horses in the U.S. The Banstead Manor Stud stallion, one of Europe’s elite sires, has 39 graded winners bred in the Northern Hemisphere, as well as 65 black-type winners from six crops of racing age (including 2-year-olds).

The Marine winner’s dam, a granddaughter of French and
English G1SW Gold Splash (Blushing Groom {Fr})—who is also a full-sister to the dam of the great U.S. and European champion Goldikova (Ire) (Anabaa)—brought $600,000 from Craig Roscoe at the 2016 Keeneland November sale. She has an unnamed 2-year-old filly by Lope de Vega (Ire) and a yearling filly by Night of Thunder (Ire).

The story leading up to Woodbine's GIII Selene S. was redemption for Mark Casse's U.S. champion 2-year-old filly Wonder Wheel (Into Mischief), who had dropped three straight since her scintillating win last November in the GI Breeders' Cup Juvenile Fillies. However, it was the other Casse trainee Solo Album, a maiden winner less than two months ago, who took home the hardware in the Selene. Casse was winning his sixth Selene in a row and ninth overall dating back to 2001.

After Blind Spot (Cross Traffic) acted up in the gate, Solo Album broke smoothly from the outside 10 hole. She tracked just behind Wonder Wheel while Be My Sunshine (Frosted) showed the way through :23.72 and :47.14 fractions. Early on while entering the turn, Solo Album activated turbo mode and flew from fifth to first in just a few strides. Free and clear before even reaching the stretch, she cantered to the finish, drifting out late to finish very wide by 6 1/4 lengths.

"I saw Wonder Wheel getting boxed in a bit, but he [jockey Patrick Husbands] managed to get out and I was sitting there outside of him, I was waiting for him to move," said rider Sahin Civaci. "When I saw he wasn't having much horse, I did make that move just to save up ground and not get caught out wide. While she was in the momentum, I just kept her with her momentum and she finished up really strong."

Solo Album looks to be an improving filly; it took her six tries to break her maiden but she's now won two straight. Her breakthrough came May 12 over track and distance, where she put in a gate-to-wire performance, very different from her Selene trip. She finished off the board in her main track and turf attempts, but has not been worse than third in her five synthetic tries between Gulfstream and Woodbine, winning her last two by open daylight.

Pedigree Notes:
Not too many Saturdays go by without Curlin siring a winner of a graded race (or two, or three). The first Saturday in July at Woodbine—Canada Day—featured the Hill 'n' Dale sire's 96th black-type winner and 54th graded winner with Solo Album's effort. The chestnut filly also marked Curlin's seventh graded winner of 2023.

Payson Stud bred Solo Album in Kentucky after purchasing her
dam for $700,000 while in foal to Ghostzapper at the 2016 Keeneland January sale. Payson sold some nice foals out of the mare, including Solo Album for $535,000 to Eclipse Thoroughbreds and Gary Barber at the 2021 Keeneland September sale, but reduced some bloodstock last year and sold her for $400,000 at the Keeneland November sale to China Horse Club. Summer Solo produced an Essential Quality colt Apr. 4 for CHC and also has a 2-year-old colt named In Form (Candy Ride (Arg)) waiting in the wings. That one hammered for $220,000 to Winchell Thoroughbreds at last year’s Keeneland September sale. Solo Album’s Selene win also marks the 76th stakes winner for late damsire Arch.

The last time Josie Carroll-trained stablemates Tyson and Treason met in the GII Eclipse S. a month ago, they completed the trifecta behind the winner Carrothers (Mshawish). In this rematch, the pair turned the tables and finished one-two, the gray colt Tyson earning a first career stakes victory in his fourth career start in the process.

After a bit of an awkward break and some bumping with rivals around the first turn, Tyson was allowed to settle and rate mid-pack and between rivals as the dueling War Bomber (Ire) (War Front) and Carrothers set all the early pace. The winner was fanned wide as he rounded the far bend and even wider still into the head of the lane to stay clear of traffic, and under a strong ride while out toward the center of the course, wore down his tiring rivals within the final sixteenth and drew clear to post the win.

“Tough trip for a great big horse,” Carroll said. “He’s got a great big, long stride of a horse. He’s in tight, he’s in trouble, he’s getting shuffled around, he just keeps sitting and sitting until he can get him out of there. Everything that could go wrong with him went wrong.”

Pedigree Notes:

Dean Deliver, third in the GIII Fred W. Hooper S. Jan. 28 and
fourth in the GII WinStar Gulfstream Park Mile S. Mar. 4, got his
photo taken for a career high here. Last seen winning against
state-bred company in the Big Drama S. May 20 in South Florida,
the favorite shot to the early lead here. Always in control, the
chestnut gelding increased his margin rounding the far turn and
past the eighth pole and cruised home for the victory. Dean
Delivers earned a $25,000 bonus offered by the FTBOA to a
Florida-bred winner of the Smile Sprint. He also earned a credit
of $30,000 toward entry fees for the GI Breeders’ Cup Sprint at
Santa Anita Nov. 4. “It’s not out of the question. It will be a
group decision. We’ll enjoy this,” said winning trainer Michael
Yates.

**Pedigree Notes:**
Dean Deliver becomes the first graded winner for Cajun
Breeze. Out of a female family which includes champion
Songbird (Medaglia d'Oro), the winner’s dam produced a 2-year-
old colt named Hayahlookatme (Khozan) and a yearling filly by
Gentlemen's Bet. She visited Lone Sailor last year.

**HOLLENDORFER TRANSFERS MONMOUTH HORSES TO DAN WARD**

Hall of Fame trainer Jerry Hollendorfer, scaling back his
operations to California only, has transferred 29 of his horses at
Monmouth Park to long-time assistant Dan Ward effective
Saturday, according to a press release from Monmouth Park.

Ward has overseen Hollendorfer’s division at Monmouth Park
and Oaklawn Park for the past four years.

“I just want to concentrate on what I’m doing here in
California,” said Hollendorfer. "Dan and I have discussed for a
while that he wanted a chance to go out on his own. Now seems
like a pretty good time to do that."

Hollendorfer said he expects to keep "12 to 15 horses" to race
at Los Alamitos and Del Mar.

Ward, 64, spent 22 years as an assistant to Hall of Famer
Bobby Frankel and has been Hollendorfer’s assistant since 2007.

He expects his official debut as the trainer of record to come
next weekend at Monmouth Park. Entries have yet to be drawn
for those Friday through Sunday cards.

"It's a great opportunity," said Ward. "It's been a great
experience working with Jerry. I'm grateful to be taking over for
someone who has more than 7,700 wins. And I'm starting with
29 horses, not one or two, which you often do when you are on
your own. It doesn't change what we do in the mornings with
the horses. But now when I talk to owners they know the horses
are in my name."

A San Diego native, Ward said he intended to remain on the
Monmouth Park-Oaklawn circuit, saying "we've established
ourselves the past four years at both tracks. People know we're
going to be there."

He said "the timing is right--it's perfect timing" to go out on his
own.

"It's been worth the wait," he said.
Hollendorfer, who has a 6-6-7 line from 30 starts at Monmouth Park this year, said he is confident Ward is prepared for the opportunity he now has. "When he came to work for me I wanted someone who would be able to offer a good opinion on what was going on," said Hollendorfer. "Dan certainly has the foundation to do that. It certainly seemed to work out for us. I have no doubt he will be successful."

**CHRIB REPORTS SAFETY MEASURES CONTINUE TO PROTECT HORSES**

California horse racing again experienced a significant decline in the number of horses that died from injuries suffered during racing and training at the state’s facilities during the 2022-23 fiscal year that ended June 30, the California Horse Racing Board (CHRB) said in a press release on Saturday.

A total of 26 died last year as a result of musculoskeletal injuries that occurred while racing or training, compared with 39 the previous year. For context, approximately 30,000 race starts and far in excess of 100,000 workouts occur each year from 8,000 to 10,000 horses at CHRB-regulated facilities.

“That’s still too many fatalities, but it shows that all of the new regulations, policies and procedures that we’ve introduced in cooperation with the industry have had a significant effect," said CHRB Chairman Greg Ferraro. “Our efforts are focused primarily on preventable injuries, and that’s what the numbers reflect. I don’t know of any racing jurisdiction in the country that even comes close to matching this effort or result.”

In the interest of full transparency, the CHRB also tracks fatalities caused by any non-exercise-related catastrophic injury. The most common cause of death in this other group is gastro-intestinal diseases, such as colic, colitis, and enteritis, followed by respiratory disease. Unfortunately, the number of “other” deaths increased last year, and those 43 deaths, coupled with the 26 due to musculoskeletal injuries, brought the total to 69, or three more than the 66 from the previous year.

“I’ve considered several times the idea of not counting other deaths, the type that occur among horse populations anywhere in the world, including the popular riding stables and in the wild, but I’ve always decided that full transparency is the best way to go," said CHRB Executive Director Scott Chaney.

Those 43 other deaths occurred despite care and treatment by on-site veterinarians and specialized equipment located in stable areas.

“Six of those horses were transported to the veterinary hospital at the University of California, Davis, as well as other local referral hospitals, where experts did their best to save them," said Dr. Jeff Blea, the CHRB equine medical director. “Illnesses such as severe colic, advanced neurologic cases, and obscure medical conditions, sometimes just are not treatable, as animal and horse owners throughout the world know from personal experience.”

For further context, equine fatalities at CHRB-regulated facilities have declined by 54 percent since 2019, including the “other” category.

FORMER MTHA PRESIDENT RICH MEYER PASSES

Richard J. Meyer, a Thoroughbred owner and advocate for horsemen and backstretch workers in Maryland, passed away at Anne Arundel Medical Center June 20 after a brief illness. He was 81.

A fan of Thoroughbred racing, Meyer in 1984 partnered with his first group of associates to purchase three racehorses. He created a partnership called M. O. M. Stables, with Josephine Owens and then Timothy Keefe as his trainers.

"Richard was not only a friend I trained for, but a business partner," Keefe said. "We owned horses together for many years, and he was a wonderful friend and a father figure. As far as the racing business, he let me know I could do what I needed to do. It was always about being in the best interest of the horse, be it racing them or deciding when to retire a horse."

Meyer was a member of the MTHA Board of Directors and served as president before Keefe was elected in 2014. He was a force in establishing the MTHA Backstretch Pension Plan, which currently contributes $1 million a year to support those who work with horses on a daily basis, and facilitated on-site health fairs for the backstretch community.

Meyer also served as president of the Maryland Horsemen's Assistance Foundation, which provides financial assistance to those in need.

"Richard did most of his work on the benevolence side," Keefe said. "He was very much involved in that. Not many people know about his influence in that regard. He would serve meals at the backstretch kitchen on Thanksgiving, and he would regularly watch his horses race from the backstretch. He loved that part of the business."

Meyer is survived by his wife of 60 years, Mary Meyer; son Douglas Meyer; daughter Karen Schemmel; son-in-law Michael Schemmel; grandchildren Gregory Meyer, Abigail Schemmel, and William Schemmel; and sister Rosemary Sampson.

A celebration of life will be held Friday, July 7, from 4-7 p.m. at Barranco Severna Park Funeral Home & Cremation Care, 495 Ritchie Hwy in Severna Park, Md. A memorial mass will be held Saturday, July 8, at 10 a.m. in St. John the Evangelist Catholic Church, 689 Ritchie Hwy. in Severna Park. In lieu of flowers, consider a memorial contribution to Feeding America or the ASPCA.
Tuesday, Los Alamitos #9, post time: 8:05 p.m. EDT

TAPIT’S EDIFIED RUNS TO ‘RISING STAR’ DEBUT AT ELLIS

by Stefanie Grimm

A $650,000 Keeneland September yearling purchase, Edified (c, 2, Tapit--For Royalty, by Not For Love) became his superstar sire’s 53rd ‘TDN Rising Star’ Saturday with a commanding performance to graduate at Ellis Park. Facing a salty field of mostly first-time starters, the dark bay was given only a 9-1 chance but more than outran his odds. Under the hands of jockey Joel Rosario, Edified broke alertly from an inside gate and raced in the top flight inside of race-time favorite Normandy Hero (Omaha Beach). Joined up front by Liberal Arts (Arrogate) to his outside, the Steve Asmussen trainee found himself blocked by that leading pair as the group exited the far turn. Angled out with a quarter to run, Edified was quickly into his best stride with a three-wide bid at the furlong marker and easily overtook that pair. Ridden out to the wire, he scored by daylight over Liberal Arts in second.

A son of leading sire Tapit, Edified is already a half-brother to a trio of good horses in Truth Seeker (Into Mischief), SW, $361,330, Upper Room (Harlan’s Holiday), SP, $171,540 and Constellation (Bellamy Road), GISW, $619,809. For Royalty, purchased for $2.1m by Summer Wind Equine out of the 2017 Keeneland November Sale, is herself a half to GSW/GISP Kiss To Remember (Big Brown) and Puerto Rico’s champion imported 2-year-old colt El Viento (Cl Corredor). Third dam Eston is responsible for the dam of MGISW Spun Sugar (Awesome Again) and GI Hill ‘n’ Dale Cigar Mile H. victor Daaher (Awesome Again). Edified has a yearling half-brother by Authentic and a newborn half-brother by Not This Time still to race.

A talented juvenile who broke her maiden on the grass second time out, Xigera immediately tested deeper waters in her only start on the dirt and wound up third via disqualification in the GI Alcibiades S. behind champion 2-year-old filly Wonder Wheel (Into Mischief). A poor trip saw her trail the field home in the GI Breeders' Cup Juvenile Fillies Turf to end her season but she rebounded with a winning effort in her first start as 3-year-old at Churchill Downs June 2. The narrow favorite at even money, Xigera followed right along behind the speed of second choice Heavenly Sunday and the pair raced one-two up the backstretch. As they spun off the turn, Xigera moved up to engage that leader and just prevailed after a stretch-length duel. The winner’s only younger sibling is a newly born half-sister by Street Boss. Now undefeated in his young career, Strong Promise was an eye-catching 10-length winner in his debut when facing fellow Louisiana-breds at Evangeline June 3. Drawn outside here, he pressed up behind the pace of True and Ready before coming alongside that leader as the top pair swung into the turn. The duel lasted the length of the stretch with Strong Promise just getting the better of his rival on the wire. A half-brother to MSW Midnight Fantasy (Midnight Lute), Strong Promise is out of a half-sister to GSW/GISP Genre (Bernardini) and from the family of MGISW Palace (City Zip). In his first trip away from Laurel since debuting last October, Prince of Jericho traveled to Pimlico to take second in the GIII Chick Lang S. on Preakness Day May 20. Dropped back down into listed stakes company here as the 3-5 chalk, he found himself wide on the course in pursuit of early pacerssetters Coffeeewithchris and Recruiter. Content to sit off those two, Prince of Jericho went to make an outside move but got carried out as Coffeeewithchris drifted out around the turn. Corrected to take the lead in upper stretch, he finished up nicely despite drifting back in close to home. His dam’s first foal, Prince of Jericho has a 2-year-old Distorted Humor half-sister, a yearling half-brother by English Channel, and a newborn half-brother by Take Charge Indy. **SINFILTRE (f, 4, Uncle Mo--Shared Heart {SP}, by Forestry)** broke her maiden while stretching out on the tapeta at fourth-asking Mar. 3 at Gulfstream Park before clearing the allowance condition going 12 furlongs on the grass Apr. 16 at Keeneland. Last time out, the dark bay filly was well-beaten in the Keertana S. May 27 at Churchill Downs. Bet down to 9-2 here, Sinfiltre settled in between horses around the first turn and down the backstretch. Biding her time into the final turn, she began to launch her bid past the eighth pole and with strong urging she overtook Not So Close (Empire Maker) and favorite Fancy Martini (Klimt) to win by 1 1/2 lengths. Out of a female family which includes GSW Funny Duck (Distorted Humor) and GISP Billy Batts (City Zip), the winner is a half-sister to Chewing Gum (Candy Ride {Arg}), GSW & GISP, $619,063. Her dam is also responsible for a yearling colt by Game Winner and she was bred back to that sire and also Upstart last year. Lifetime Record: 7-3-0-0, $190,836.

**GAL IN A RUSH (f, 4, Ghostzapper--Hudson River Gal, by Dynaformer)** entered here as the 6-5 favorite off a pair of runner-up efforts facing allowance company over six furlongs at both Aqueduct and Belmont as recently as June 3. Racing wide near the rear of the five-horse field, she chased in pursuit of Diamond Hands (Frosted) and swung out three wide off the turn to place herself into contention. With all the momentum, she took over the lead inside the final furlong and was ridden out to the line, defeating Diamond Hands by 1 3/4 lengths. Hudson River Gal foaled a filly by Complexity last year and reported another filly, this time by Charlatan, for 2023. Sales History: $130,000 Wlg '19 KEENOV; $375,000 2yo '21 OBSMAR. **ABSINTHE (f, 3, Gun Runner--Shining Strike, by Smart Strike)** faced favorite Pumpkin Scone (Into Mischief) in her only prior start but had to settle for third after dueling with that rival. Lined up opposite her once again, the pair of fillies hooked up just as they had on debut, racing one-two through sharp fractions of :21.72 and :44.10. On the outside, Absinthe pressed Pumpkin Scone out of the far turn and had the best late kick, out-finishing her rival by 2 3/4 lengths to graduate. The winner is her dam's last reported offspring. **NORTHERN INVADER (c, 3, Collected--Androeah, by Arch)** finished second in his only two starts, both at Churchill Downs May 6 and June 4. Looking to graduate on the surface switch,
the chestnut colt went off as the 4-5 favorite here and tracked a trio of leaders up the backstretch under some stiff fractions of :45.92 for the first half-mile. Rounding the far turn, Northern Invader ranged up to the outside and down the lane uncorked his speed to win away by 8 lengths over Torigo (Munnings). The winner's dam is a full-sister to GISW Archararch and a half to GSW Balance of Power (Silver Train). She produced a 2-year-old colt named T D Twelve (Collected) and was bred to Liaison last year. RHAPSODY (f, 2, Goldencents--Strum, by Medaglia d'Oro) debuted as the 7-1 shot here and joined the fight early to the outside of a longshot up the backstretch. The dark bay filly put away her competitor just before the top of the lane, fended off a challenge with a furlong left from Olivia Rose (Silent Name {Jpn}) and was game in victory by 2 lengths over that fellow firster. Out of a female family which includes GSW Arzak (Not This Time), the winner's dam is out of MGISP & MGSW Bending Strings (American Chance). She foaled a colt by Tiz the Law Mar. 14. Pacesetter Josie's Priority (Apriority) had to settle for second as Yamil dove up the rail to steal the win by a length. Out of a half-sister to MGSW/G1SP Raabihah (Sea the Stars {Ire}), Yamil has a 2-year-old Qurbaan half-brother and a yearling Speightstown half-brother. Lifetime Record: 1-1-0-0, $18,000. VIA SISTINA SURVIVES INQUIRY IN THE PRETTY POLLY

by Tom Frary

Connections of Via Sistina (Ire) (Fastnet Rock {Aus}–Nigh {Ire}, by Galileo {Ire}) had an anxious wait to learn whether their star mare would keep Saturday’s G1 Yulong Pretty Polly S. at The Curragh, but ultimately the inquiry accepted that Becky Hillen’s uber-bargain 5,000gns Tatts December Yearling purchase was clear best despite causing significant interference. So impressive on her favoured rain-deadened ground in last month’s G2 Dahlia S. at Newmarket, the George Boughey-trained 5-year-old who had also captured the G3 Prix Fille de l’Air in the autumn was confidently-supported into 6-4 favouritism despite racing on a livelier surface than ideal.

Held up in the last pair early by Jamie Spencer, she had to employ her lethal acceleration to get to Above The Curve (American Pharoah) in the straight and while she delivered that she also darted right and cut across Rosscarbery (Ger) (Sea The Stars {Ire}) and Stay Alert (GB) (Fastnet Rock {Aus}) in the process. Swooping on the lead a furlong from home, she stayed on powerfully to make the stewards’ decision easier with her two-length winning margin over Stay Alert a fair reflection of her superiority. Above The Curve clung to third, 1 1/4 lengths further away, ending Ryan Moore’s weekend winning streak.

Anyone privy to the sensational closing sectionals of Auguste Rodin (Ire) (Deep Impact {Jpn}) in the Derby will be approaching Sunday’s G1 Dubai Duty Free Irish Derby at The Curragh with great anticipation of what he can do next. While Epsom’s final three furlongs lend themselves to electric fractions, the 33.01 that Ballydoyle’s latest celebrity covered them in is nothing short of remarkable and already places him in exalted territory among the very elite to have conquered the demands of the Blue Riband.

Now that the only marginally less brilliant King Of Steel (Wootton Bassett {GB}) has underlined at Royal Ascot just what an achievement it was to give him a start and run him down on the famous Surrey Downs, the excitement continues to mount that we are in the midst of a great one.

IN TDN AMERICA TODAY

WEST WILL POWER ‘POWERS’ TO ‘FOSTER VICTORY

The Bernardini entire rebounded in the GI Stephen Foster to secure his spot in the gate for the GI Breeders’ Cup Classic in California in November.
Bouncing out of Royal Ascot, Ballydoyle’s Matrika (Ire) looked every bit a potential 1000 Guineas filly as she dominated Saturday’s G2 Airlie Stud S. at The Curragh.

JUSTIFY LANDS A ‘RISING STAR’ AT THE CURRAGH

The Barronstown Stud Irish EBF Maiden has proved a font of high-class performers and it could be Saturday’s race played host to another as Ballydoyle’s City Of Troy joined the ranks of TDN Rising Stars in style.

WILLIAM BUICK REPLACES FRANKIE DETTORI

William Buick will be replacing Frankie Dettori on Emily Upjohn (GB) for the first time ahead of their engagement in next Saturday’s G1 Coral-Eclipse S. after the latter’s appeal failed to pass.
Pretty Polly S., cont. from p1

“I had a plan to jump smartly, get up behind Ryan in third or fourth but she didn’t and so the first thing was to get out and not to get stuck down the fence—I was on about Plan E at that stage,” Spencer explained. “She leaned in a bit early in the straight and obviously halfway down the straight, but she was much the best. I only had to give her one flick and she had her ears pricked for the last furlong. I wasn’t very comfortable for the first six furlongs, but she came alive when she passed one and I was in business then. She’s not hung before and you’d rather win more smoothly, but she’s obviously a high-class filly. You pinch yourself after Newmarket and think, ‘can she do that again?’ but she has.”

Handled with aplomb as well as care throughout the fledgling stage of her career by the now-retired Joseph Tuite, the imposing Via Sistina nevertheless managed to flash considerable talent on more than one occasion when the soft ground prevailed. In hindsight, her odds of 12-1 when taking apart a Premier Fillies’ Handicap at Newmarket in October 2021 were a gift and the fact that was only her fourth start is testament to her former trainer’s patience and due diligence.

Tuite only got to campaign her twice more as the long dry spell dominated the European summer of 2022 and as the rain finally came back Boughey was to instantly reap the rewards of that cautious approach. Second in Newmarket’s G3 Pride S. before winning Toulouse’s Prix Fille de l’Air, she cut an awesome figure on her comeback in Newmarket’s Dahlia, handing Al Husn (Ire) (Dubawi (Ire)) a six-length thrashing which on Friday evening was made to look even better as the Shadwell homebred mastered Nashwa (GB) (Frankel (GB)) at Newcastle.

While this ground was against her reproducing her amazing final three-furlong Dahlia split of 36.76 which was significantly faster than the following 1000 Guineas, Via Sistina proved that she is able to handle top company even in adversity. “It doesn’t happen like that very often,” Stephen Hillen said. “That ground is probably as fast as she wants to run on. Jamie said they went really quick, he said he missed the break and was a bit far out of her ground but when she comes good she’s just much better than them. She’s taken time to come and has been minded—she’s 17 hands, but that cross is close to 10% group one winners and stats don’t lie.”

“She’s very versatile, I think she can go a mile to a mile and a half,” Hillen added. “She likes going in a straight line as well, so she could come back to a mile for the [G1] Falmouth Stakes at Newmarket. After that there is the [G1] Nassau and she’ll be in most of the big races. She’s in the [G1] Yorkshire Oaks and the [G1] International at York.

Cont., p4
You wouldn’t be risking her on anything with ‘firm’ in it, but when she gets soft ground again I can see her doing something special."

**Pedigree Notes**

Via Sistina’s unraced dam Nigh is kin to the G1 Golden Jubilee S. and G1 Nunthorpe S. hero Kingsgate Native (Ire) (Mujadil) and to the stakes-placed Vanishing Grey (Ire) (Verglas {Ire}) who is in turn the dam of the Listed Prix Millkom winner and G2 Zabeel Mile runner-up First Contact (Ire) (Dark Angel {Ire}). The third dam La Pellegrina (Ire) (Be My Guest) is a half-sister to the G1 1000 Guineas heroine Las Meninas (Ire) (Glenstal) from the family of the G2 Queen Mary S. and G2 Prix Robert Papin winner Signora Cabello (Ire) (Camacho {GB}). Nigh’s 2-year-old colt by Ten Sovereigns (Ire) was a €90,000 purchase by Peter & Ross Doyle Bloodstock at the Arqana Deauville August Yearling Sale, while she also has a yearling filly by Bated Breath (GB) bought for just 20,000gns by Hurworth Bloodstock at the Tattersalls December Foal Sale.

Auguste Rodin, Cont. from p1

It is therefore vital that the talented and possibly under-rated **White Birch (GB)** (Ulysses {Ire}) is here to test his merit again and provide a true measurement of his trajectory. John Joseph Murphy’s grey missile likes to hand his rivals instant advantage, but at Epsom he was notably rapid throughout the final half mile with his split from three to two out of 10.67 just a tick off the race’s sharpest recorded by King Of Steel. Now on a more galloping track on ground which should play more to his strengths, Chantal Regalado-Gonzalez’s representative ensures this is an Irish Derby with real weight.

Much will be said by Aidan O’Brien but as usual, the master of Ballydoyle was keeping it low-key pre-race. “Everything has gone smooth since Epsom,” he said. “That was his first time over a mile and a half and we didn’t know how it would be, but we thought he was very comfortable and it has to be a good experience to stay at that trip again. Those horses at Ascot had more time from the Derby this year, which helped, but the form looks to be standing up.”

Murphy is understandably hoping that White Birch can make the same impact here as he did last month.

Cont., p5
“I was delighted at Epsom, but I think he could have been a bit better as he starts his races quite slowly and then gallops very genuinely,” he said. “He’s a very sound horse, I don’t think he’s ever had a vet. He’s very genuine, but he doesn’t break well and I think he’ll get better as the race goes on. He’s lightly-raced still, there’s only so many times you can go to the well but he likes his racing and likes his work—every morning he has a great attitude.”

Fourth in the Derby and denied a clean passage at a crucial time, Mohammed Khalid Abdulrahim’s Sprewell (Ire) (Churchill (Ire)) still has to improve markedly to impose himself on Auguste Rodin and White Birch so the colts that followed him home in Leopardstown’s G3 Derby Trial, Up And Under (Fr) (Lope De Vega (Ire)) and Proud And Regal (Ire) (Galileo ( Ire)), should be readily outclassed. Aidan O’Brien has set this up tactically to allow the favourite to get into his crushing rhythm and the useful potential pacemaker Covent Garden (Ire) (Galileo (Ire)) will presumably set the stage.

**Straight Up?**

Of course, Ireland are not the only ones on Sunday staging a Derby, with the 154th edition of the G1 Deutsches Derby at Hamburg seeing Gestut Karlshof’s Straight (Ger) (Zarak (Fr)) re-opposed by TDN Rising Star Mr Hollywood (Ire) (Iquitos (Ger)) following their mismatched encounter in Cologne’s G2 Union-Rennen earlier this month. While there was a five-length margin between them on that occasion, Wanja Soren Oberhof and Sebastian Weiss’s Mr Hollywood had been so impressive when taking Munich’s G3 Bavarian Classic that Straight has to do it again for true validation.

Straight’s owner-breeder Bruno Faust said, “We are very happy for him to have shown his quality in such an awesome way! He has the right genes, being very closely related to three German Derby winners, a German Oaks heroine and Derby runner-up plus this year’s Derby Italiano hero Goldenas. For me, it was clear that he had the potential when he broke his maiden at two and he has continued to convince us. I also hope that he can handle any ground.”

Sebastian Weiss said of Mr Hollywood, “Our trainer Henk Grewe told us that he was a very good horse, but just how good he was we only began realising when he took the Bavarian Classic. We bought him without much planning, he was on a list given to me by Wilhelm Feldmann and even if it sounds like a cliche, I fell in love with him instantly. He had so much presence, he was such a good mover and athletic, if he would have been by Sea The Stars or Frankel, he probably would have been amongst the top lots, but we were lucky he was by Iquitos. I only know whoever wants to win this Derby will have to beat Straight.”

If there is one who could shake up the domestic team it is the Ralph Beckett-trained If Not Now (Ger) (Iffraaj (GB)). Bred by Gestut Fahrhof and bought at the BBAG September Yearling Sale for €67,000 by Jeremy Brummitt for Quantum Leap Racing, the relative of the 1999 Deutsches Derby runner-up Acambaro (Ger) (Goofalik) produced a noteworthy performance when winning a Sandown handicap by seven lengths on his latest outing. “He’s done well from two to three and it was a good effort last time. He’s a very straightforward individual and his owners were keen to have a go, so it all made very good sense,” Beckett said.
Unquestionable Faith...

Sunday’s G2 GAIN Railway S. is always an important staging post en route to the following year’s Classics, particularly where Aidan O’Brien is concerned, and there are three potential Guineas colts from Ballydoyle this time. Successful on debut in the Listed First Flier S. and a close third in the G3 Marble Hill S. here before finishing fourth and beating all on his side in last Thursday’s G2 Norfolk S. His Majesty (Ire) (No Nay Never) would ordinarily have been expected to be Ryan Moore’s pick. That he is not speaks volumes for the regard in which the TDN Rising Star Unquestionable (Fr) (Wootton Bassett (GB)) is held. Third behind His Majesty as they made their debuts in the First Flier, Al Shaqab Racing, Coolmore and Westerberg’s relative of Cityscape (GB) and Bated Breath (GB) looked so comfortable in the course-and-distance Tally Ho Stud Irish EBF Maiden at the Irish Guineas meeting that he has made a deep impression on Moore.

Opting for him over His Majesty and fellow TDN Rising Star Democracy (Ire) (No Nay Never), who was last of six in the Marble Hill, the rider explained, “There isn’t much to choose between any of them. I do think His Majesty holds the best form claims of our trio heading into the race, especially as you have to mark up his fourth in the Norfolk last week and I think the return to six furlongs will suit him too but Unquestionable clearly has a lot of potential and I was very impressed by him when he won his maiden here last month. I think there is a lot of improvement in this Wootton Bassett colt. Democracy is better than he showed in the Marble Hill last time too.”

‘TDN RISING STAR’ MATRIKA DOMINATES THE AIRLIE STUD by Tom Frary

Bouncing out of Royal Ascot, Ballydoyle’s TDN Rising Star Matrika (Ire) (No Nay Never--Muravka (Ire), by High Chaparral (Ire)) looked every bit a potential 1000 Guineas filly as she dominated Saturday’s G2 Airlie Stud S. at The Curragh. With only eight days between this and her runner-up finish in the G3 Albany S., the half-sister to the G1 Prix Morny hero The Wow Signal (Ire) (Starspangledbanner {Aus}) who had earned her Rising Star badge in a course-and-distance maiden had no room for error.

Fortunately, she also had Ryan Moore in the saddle and despite being behind the far-side group for much of the race the 2-5 favourite was never headed on the stand’s side en route to a 1 3/4-length verdict over Gunzburg (Ire) (Sioux Nation), with 2 1/4 lengths back to Ashwiya (Ire) (Sioux Nation) in third. Moore, who was taking his Irish Derby Festival tally to five-from-five, said, “She had run a super race last week and is a typical No Nay Never two-year-old with lots of speed and talent. She had to do it the hard way, as they [the far-side runners] were probably ahead of me but she got into a nice rhythm. She was just waiting on them the last bit and got to the line comfortably, so hopefully there is more to come.”

Aidan O’Brien added, “She has a great constitution and we were very happy with her. The first day she ran we were surprised because she’s very lazy at home, we didn’t really know what to expect but she won.” Cont., p7
"Then she went to Ascot and ran a lovely race, but was a little green and babyish. Obviously she learned plenty from it again. She came out of the race, lost no weight. She doesn't blow at all, it takes nothing out of her--she's very natural."

"Obviously you'd hope that she might get seven, because she is very relaxed, but she is No Nay Never and they have a lot of natural speed and find it very easy to go very fast. We'll stay at six for a while and if we have to step up to seven we will. I don't want to be too easy on her, because she has a big backside on her and I don't want her to get too big. We'll have to keep her going to a point. You'd be hoping she's going to be a Cheveley Park filly."

**Pedigree Notes**

Matrika is a full-sister to the dual group 3-winning Unicorn Lion (Ire), who was also runner-up in the G1 Takarazuka Kinen, and a half to the aforementioned The Wow Signal who also captured the G2 Coventry S. The third black-type winner for the unraced dam is the Listed Prix des Jouvenceaux et des Jouvencelles scorer and G2 Rockfel S.-placed Miss Infinity (Ire) (Rock Of Gibraltar {Ire}), who also produced the G3 Prix Thomas Bryon runner-up Make Me King (Fr) (Dark Angel {Ire}). Muravka is also the second dam of the smart 3-year-old filly Breege (GB) (Starspangledbanner {Aus}), who was runner-up in the G3 Prestige S. and third in the G3 Princess Margaret S. last season and runner-up in last week's Sandringham H. at Royal Ascot.

The second dam is the dual listed-winning and G2 Prix de l'Opera-placed Tabdea (Topsider), a half-sister to the G1 Poule d'Essai des Pouliches heroine Ta Rib (Mr. Prospector) responsible for the Listed Heritage S. and Listed Amethyst S. winner Tolpuddle (Ire) (College Chapel {GB}). Muravka's colt foal is by St Mark's Basilica (Fr).

**ASSISTENT ON TOP AT HAMBURG**

*by Tom Frary*

Not far off the top level domestically in 2022, Eckhard Sauren and Liberty Racing 2020’s Assistent (Ger) (Sea The Moon (Ger)) cut a progressive figure when taking Saturday’s G2 Wettstar Grosser Hansa-Preis at Hamburg. **Cont., p8**
Having already beaten his high-class compatriot Tunnes (Ger) (Guiliani {Ire}) in Cologne’s G2 Carl Jaspers Preis in April, the 12-5 joint-favourite was putting behind him a subsequent flop when last of six in the G2 Großer Preis der Badischen Wirtschaft at Baden-Baden in May.

Held up early by Thore Hammer Hansen, last year’s G1 Deutsches Derby and G1 Preis Von Europa fourth responded to driving to gain the advantage inside the last half furlong and score by 1 1/4 lengths from the dead-heating Sisfahan (Fr) (Isfahan {Ger}) and Northern Ruler (Ger) (Ruler Of The World {Ire}). “He is a really good horse, I won the Derby Trial on him last year and today he again showed how good he is,” Hammer-Hansen said. “He took some shaking up on the final turn, but when the gap opened he really ran on well and passed them easily.”

Pedigree Notes

Recording his fourth black-type victory overall, Assistent is out of the unraced Anna Kalla (Ger) (Kallisto {Ger}) who is a full-sister to the G3 Hamburger Stutenpreis winner Anna Katharina (Ger), herself the dam of last year’s Listed Weidenpescher Steher Cup scorer Ankunft (GB) (New Approach {Ire}). This is also the family of another Hamburger Stutenpreis winner in Anna Thea (Ire) (Turfkonig {Ger}), responsible for the five-times group-winning Aspectus (Ire) (Spectrum {Ire}) and ancestress of several smart runners including last year’s G2 Derby Italiano hero Ardakan (GB) (Reliable Man {GB}), and of the Derby hero Adayar (Ire) (Frankel {GB}). Anna Kalla’s unraced 3-year-old filly by Protectionist (Ger) is named Anna Protecta (Ger), while she also has a 2-year-old filly by Tai Chi (Ger) named Aturanar (Ger), a yearling filly by Best Solution (Ire) named Ascala (Ger) and a colt foal by the same sire named Atmos (Ger).

MASHHOOR NOT FOR CATCHING IN THE INTERNATIONAL by Tom Frary

All eyes were on the returning G1 Vincent O’Brien National S. winner Al Riffa (Fr) (Wootton Bassett {GB}) in Saturday’s G3 Paddy Power International S. at The Curragh, but he had to play second fiddle to the expertly-ridden Mashhoor (GB) (Kingman {GB}). Successful in two handicaps at this venue and Cork since joining the Johnny Murtagh stable from Sir Michael Stoute, the 5-year-old who races for the Brunabonne Syndicate involving the famous former Gaelic footballer Tommy Dowd had upped his game last time when taking the 12-furlong Listed Orby S. also here in May. Cont., p9
Sent straight to the lead by Ben Coen, the 6-1 shot took no prisoners and continued to apply the pressure to the 5-6 favourite Al Riffa en route to a 4 3/4-length success, with Ballydoyle’s long-absent TDN Rising Star Alfred Munnings (Ire) (Dubawi {Ire}) another six lengths away in third. “You have to say he has improved immensely,” Murtagh said. “He picked up a little injury last year and I suppose it stood to him this year. There was no pace today and I said to Ben to let him roll along. He’s a leader, he leads the string at home. I knew when they turned in that they weren’t going to get to him because he wouldn’t stop. It was a great ride.”

**Pedigree Notes**

Mashhoor is out of the G3 Premio Mario Incisa della Rocchetta runner-up Sunsemperchi (GB) (Montjeu {Ire}), whose daughter Faciascura (GB) (Oratorio {Ire}) went one better than her in that contest and who also produced the Listed Premio Paolo Mezzanotte scorer and G3 Premio Dormello-placed Finidaprestito (Ire) (Dylan Thomas {Ire}) and the Listed Premio Coppa d’Oro scorer and G2 Premio Federico Tesio-placed Fambrus (GB) (Oasis Dream {GB}).

**CRITERION SUCCESS FOR ‘TDN RISING STAR’ AUDIENCE** by Tom Frary

Taking time to find his feet, Cheveley Park Stud’s Audience (GB) (Iffraaj {GB}) finally came good to reward the patience of connections in Saturday’s G3 Criterion S. at Newmarket.

Cont., p10
Gelded after trying sprinting last summer, the homebred had relished front-running tactics over this seven-furlong trip when last seen winning a Leicester handicap in a first-time hood in October. Dominating the far-side action under Robert Havlin, the 14-1 shot kept finding as the closers emerged late and had two lengths to spare over **Jumby (Ire)** (New Bay [GB]) as last year’s winner **Pogo (Ire)** (Zebedee [GB]) was a short head away in third.

“This is all down to Leah Mapston, who looks after him and rides him every day,” John Gosden said. “She understands the horse and she is more to do with this horse winning than the trainer and the jockey, of course—she has done a wonderful job. He has got a lot of talent, he was not right in the spring, he went off behind and we couldn’t get him quite where we wanted him, but he’s come right for a lovely race like this.”

Granted TDN Rising Star status on his winning debut on the Rowley Mile here in October 2021, Audience had failed to put it together in his first five 3-year-old starts before the gelding op and the fitting of the headgear. “The hood helps him a lot,” Gosden Sr added. “It is very useful for a horse like this, as he can live a little on the edge. He is in a race like the [G2] Lennox, but I think he enjoyed this race today on a straight track so we’ll see. Ryan [Moore] rode him at Ascot last year and said he had really got something, but he will need a little working out. Seven furlongs is very much his trip.

**Pedigree Notes**

Audience is out of the Listed City Plate winner Ladyship (GB) (Oasis Dream [GB]), who also produced the G3 Dick Poole S. winner Dark Lady (GB) (Dark Angel [Ire]). Her dam is the G1 Lockinge S. and G1 Sun Chariot S. heroine Peeress (GB) (Pivotal [GB]), while the family features the G3 May Hill S. winner Satinette (GB) (Shirley Heights [GB]). Ladyship’s 2-year-old colt by Harry Angel (GB) is named Esquire (GB), while she also has a yearling filly by Mehmas (Ire).

**TIBER FLOW TAKES THE CHIPCHASE**

by Tom Frary

Showing again his love of Newcastle’s Tapeta, Tiber Flow (Ire) (Caravaggio) made it three wins from four visits to the North-Eastern venue in Saturday’s G3 JenningsBet Chipchase S. Last seen chasing home the ill-fated Creative Force (Ire) (Dubawi [Ire]) in a conditions event over this six-furlong trip at Haydock in May, Jon and Julia Aisbitt’s homebred was restrained early under cover by Tom Marquand. Having to chase hard for the final two furlongs as Spycatcher (Ire) (Vadamos [Fr]) cut loose with what looked a winning move, the William Haggas-trained 5-2 favourite reeled in that rival in the final yards to prevail by a neck.

Tiber Flow, who had followed two successes here with a narrow second in last year’s 3 Year Old All-Weather Championships Conditions S. over this course and distance, had found his level after adding Newbury’s Listed Carnarvon S. to his tally last May. Gelded following his fifth in Ascot’s G3 Bengough S. in October, he had returned with a fourth in the G3 Abernant S. at Newmarket in April prior to meeting his match in Creative Force at Haydock.

“He’s a cracking little horse with loads of ability, he just needs things to go his way,” Marquand said. “We didn’t go overly quick there, but there’s a headwind and the surface is bit slower than it looked like it was yesterday. He is a horse that has won over seven furlongs before, so if they go a nice tempo and you’ve got one to aim at you’re confident you’re going to be the strongest finisher. He’s a strong little horse and has probably become become more effective at sprinting this year. He was fast before, but he almost didn’t realise how quick he was.”

**Pedigree Notes**

Tiber Flow’s dam, the G3 Prestige S. and G3 Thoroughbred S. winner Malabar (GB) (Raven’s Pass), is kin to the G1 King George VI & Queen Elizabeth S. and G1 Prince of Wales’s S. hero Poet’s Word (Ire) (Poet’s Voice [GB]) and to the dam of the G2 Railway S. winner, G1 National S. runner-up Beckford (GB) (Bated Breath [GB]).
The third dam Inchyre (GB) (Shirley Heights (GB)) was responsible for the G3 Irish St Leger Trial S. winner Ursa Major (Ire) (Galileo (Ire)) and the listed Gaetres S. scorer Inchiri (GB) (Sadler’s Wells), in turn the dam of the G3 Algoa Cup scorer Hawk’s Eye (GB) (Hawk Wing).

The fourth dam Inchmurrin (Ire) (Lomond) landed the G2 Child S. and was runner-up in the G1 Coronation S. before producing the triple group-winning sire Inchinor (GB) (Ahonoora (GB)) and the listed winner Ingozi (GB) (Warning (GB)) whose descendants are headed by the G1 E.P. Taylor S. heroine Miss Keller (Ire) (Montjeu (Ire)) and the G1 St Leger hero Harbour Law (GB) (Lawman (Fr)). Malabar’s 3-year-old gelding Godwinson (GB) (Saxon Warrior (Jpn)) was a winner this week, while she also has a yearling filly by Too Darn Hot (GB).

CITY OF TROY A NEW ‘TDN RISING STAR’
by Tom Frary
The Curragh’s seven-furlong Barronstown Stud Irish EBF Maiden has proved a font of high-class performers down the years and it could be Saturday’s race played host to another as Ballydoyle’s City Of Troy (Justify—Together Forever (Ire), by Galileo (Ire)) justified 6-4 favouritism in style to join the ranks of TDN Rising Stars. Withdrawn from his intended debut here in May, the son of the G1 Fillies’ Mile winner was quickly at the fore alongside the experienced Instant Appeal (GB) (Advertise {GB}). Asserting from the two pole, the full-brother to his London Gold Cup-winning stablemate Bertinelli finished off strongly to hit the line with 2 1/2 lengths to spare over the Joseph O’Brien-trained newcomer Galen (GB) (Gleneagles (Ire)), with 1 1/4 lengths back to Instant Appeal in third.

In doing so, City Of Troy who is the sixth TDN Rising Star for Justify was maintaining Aidan O’Brien and Ryan Moore’s 100% record at this year’s Irish Derby Festival with the pair combining with a treble on Friday. O’Brien has won this particular maiden under its different titles with the promoted Rip Van Winkle (Ire) (Galileo (Ire)), Gleneagles (Ire) (Galileo (Ire)), Roderic O’Connor (Ire) (Galileo (Ire)) and Duke Of Marmalade (Ire) (Danehill), while Horatio Nelson (Ire) (Danehill) and Australia (GB) (Galileo {Ire}) were beaten in it before proving top-class.

The way the trainer spoke afterwards, City Of Troy could easily fit into that category. “Ryan has just said it’s the first time he’s ridden a two-year-old here and thought that he wasn’t going to be able to pull him up--he just started getting longer and longer towards the line and ended up at the boards,” he said. “He is relentless and has a great presence. His brother is more of a three or four-year-old and this one is made like a two or three-year-old.”

“He’s strong and powerful and a medium-sized horse with a giant stride, the Ballydoyle handler added. “His stride is twice the size of his body and that’s very rare, but it’s what Justify had. With the big ones, you have to wait but with these medium-sized ones you now see what they can do. Justify had speed as well as stamina and is matching very well with the European mares. Ryan said ‘you can go anywhere with him and as far as you want’, so he’ll go into one of those seven-furlong races next [the Tyros, Futurity and National].”

Cont., p12
Justify’s five other TDN Rising Stars include the exciting 2-year-old filly Ramatuelle, who captured the G3 Prix du Bois by five lengths last month, and the stable’s unbeaten Statuette who took this fixture’s G2 Airlie Stud S. 12 months ago.

Pedigree Notes
City Of Troy is also a half-brother to War Front’s trio of black-type performers Military Style, Absolute Ruler and King Of Athens with the former successful in the G3 Tyros S. Along with Bertinelli, who looks a surefire future pattern-race performer, this colt’s debut effort means that Together Forever’s first five foals have all made an impact. A half-sister to the high-class Lord Shanakill (Speightstown), who was successful in the G1 Prix Jean Prat, G2 Lennox S. and G2 Mill Reef S., she hails from the family of Al Bahathri. Next up is a yearling filly by Uncle Mo and a filly foal by Dubawi (Ire).

Havana Cigar Smokes Rivals in TDN Rising Star Display

Jean-Claude Rouget trainee Havana Cigar (GB) (Havana Grey {GB}--Speculating {Ire}, by Xtension {Ire}) created a favourable impression when notching a two-length debut triumph going six furlongs at Saint-Cloud in May and delivered a performance of raw power to earn a ‘TDN Rising Star’ badge over the same trip in Saturday’s Prix de la Croix des Veneurs at Chantilly.

Havana Cigar failed to make best use of his stands’ side draw and was steadied at the tail of the six-runner field after missing a beat at the kick. Powering by rivals inside the final quarter-mile, the 12-5 second favourite surged beyond the pacemaking ‘TDN Rising Star’ Alcantor (Fr) (New Bay {GB}) entering the final furlong and quickened clear in highly impressive fashion to hit the line strong and five lengths ahead of the outclassed Gotta Skedaddle (Ire) (Bungle Inthejungle {GB}) in second. He becomes the first Rising Star for his sire (by Havana Gold {Ire}).

“I’m aware the horse of Monsieur Fabre’s [Alcantor] started as the [1-2] favourite, but Havana Cigar is a very nice colt too and he had won well at Saint-Cloud first time out,” the winning trainer said. “Maybe he didn’t have the best possible trip, being positioned where he was in rear early, but he has good speed and quality and quickened well. He will be fine for Deauville with his next start possibly in the [July 30 G3] Prix de Cabourg.”

Pedigree Note
Havana Cigar is the first of two foals produced by an unraced half-sister to G3 Cumberland Lodge S. victor Danehill Kodiac (Ire) (Kodiac {GB}). Cont., p13
The February-foaled grey, a 21,000gns Tattersalls December foal turned 150,000gns October Book 2 yearling, is kin to a yearling colt by Showcasing (GB). IRISH DERBY: WHERE DID THEY COME FROM? By Emma Berry

The Epsom form will be tested at the Curragh | PA Media

The first, third and fourth from Epsom all meet again after the Derby form was given a boost by the imposing runner-up King Of Steel when winning the G2 King Edward VII S. at Royal Ascot. Three sons of Galileo take on six of his grandsons, while five Aidan O'Brien-trained runners face one trained by each of his sons, Joseph and Donnacha.

AUGUSTE RODIN (Ire)
Deep Impact (Jpn) - Rhododendron (Ire) (Galileo {Ire})
Owner: Michael Tabor, Derrick Smith, Mrs John Magnier & Westerberg
Breeder: Coolmore
Trainer: Aidan O'Brien
Pedigree notes: The Derby winner hails the final crop of Japanese superstar Deep Impact and from a family which is not short on speed, his third dam being the King's Stand S. winner Casandra Go (Ire) (Indian Ridge {Ire}). Her offspring include Auguste Rodin's grand-dam, the Irish 1,000 Guineas and Nassau S. winner Half To Heaven (Ire) (Pivotal {GB}), as well as Tickled Pink (Ire) (Invincible Spirit {Ire}), the dam of last year's Breeders' Cup Juvenile Turf winner Victoria Road (Ire) (Saxon Warrior {Jpn}). Half Way To Heaven's repeated matings with Galileo (Ire) produced not only the brilliant Magical (Ire) but also the treble Group 1 winner Rhododendron, and Auguste Rodin is the latter's first foal. The one to beat.

SAN ANTONIO (Ire)
Dubawi (Ire) - Rain Goddess (Ire) (Galileo {Ire})
Owner: Michael Tabor, Derrick Smith, Mrs John Magnier & Westerberg
Breeder: Coolmore
Trainer: Aidan O'Brien
Pedigree notes: The Dubawi-Galileo cross has yielded the 2,000 Guineas winner Night Of Thunder (Ire) and Horse of the Year Ghaiyyath (Ire). San Antonio is the second foal of Rain Goddess, who was second in the Irish Oaks, a long way behind Enable (GB), and won the G3 Snow Fairy Fillies S. Her grand-dam Virginia Waters won the 1,000 Guineas and was fourth in the Oaks. Winner of the Listed Dee Stakes, San Antonio was last seen finishing 11th of 14 in the Derby.

ADELAIDE RIVER (Ire)
Australia (GB) - Could It Be Love (War Front)
Owner: Mrs John Magnier, Michael Tabor, Derrick Smith & Westerberg
Breeder: Coolmore
Trainer: Aidan O'Brien
Pedigree notes: Adelaide River's dam's sole win was at seven furlongs, with the best performance of her life coming when finishing runner-up to Alpha Centauri (Ire) in the Irish 1,000 Guineas. The mare is a half-sister to the American champion juvenile and Coolmore sire Uncle Mo, and this is her first foal. He ran eighth in the Derby after finishing runner-up in the Chester Vase and is unlikely to play any more than a supporting role here.

Cont., p14
PROUD AND REGAL (Ire)
Galileo (Ire) - Simply Perfect (GB) (Danehill)
Owner: Derrick Smith, Mrs John Magnier, Michael Tabor, Westerberg
Breeder: Coolmore
Trainer: Donnacha O'Brien

Pedigree notes: Brother to Group 3 winner Mekong River (Ire) and Group 3-placed Simply Beautiful (Ire); his dam was a top-class miler for Jeremy Noseda, winning the G1 Fillies’ Mile and G1 Falmouth S. and placing in the 1,000 Guineas. She was herself out of the G1 Moyglare Stud S. runner-up Hotelgenie Dot Com (GB) (Selkirk), whose half-sister Bianca Nera (GB) (Salse) won that same race. The winner of last year’s G1 Criterium International, Proud And Regal was subsequently seventh in the Irish 2,000 Guineas. Improvement needed if he is to make his mark here.

SPREWELL (Ire)
Churchill (Ire) - Lahaleeb (Ire) (Redback {GB})
Owner: Mohamed Khalid Mohamed Abdulrahim
Breeder: Khalid Abdul Rahaim
Trainer: Jessica Harrington

Pedigree notes: Bred by Khalid Abdul Rahaim, who enjoyed great success on the track with his dam Lahaleeb (Ire), winner of the GI EP Taylor S. Sprewell, who finished fourth in the Derby, is the highest-rated runner for the mare and races in the colours of his breeder's son Mohamed Khalid Mohamed Abdulrahim. Like White Birch, he hails from a family cultivated by Cheveley Park Stud, where his unraced granddam Flames (GB) (Blushing Flame) was bred.

COVEN GARDEN (Ire)
Galileo (Ire) - Inca Princess (Ire) (Holy Roman Emperor {Ire})
Owner: Westerberg, Mrs John Magnier, Michael Tabor, Derrick Smith
Breeder: Coolmore
Trainer: Aidan O'Brien

Pedigree notes: His dam has now produced six black-type performers by Galileo, led by the juvenile Group 1 winner Johannes Vermeer (Ire). Inca Princess won a six-furlong maiden in just three starts and is a daughter of the G2 Ribblesdale S. winner Miletrian (Ire) (Marju {Ire}). The outsider of the field, Covent Garden won a Tipperary maiden over nine furlongs last October and was third to Peking Opera in the Yeats S. on his last start this term.

UP AND UNDER (Fr)
Lope De Vega (Ire) - Hibiscus (Ire) (Galileo {Ire})
Owner: Go Racing Limited
Breeder: Floors Stud

Pedigree notes: His Stone Farm-bred dam is a sister to the dual Group 1-winning juvenile Air Force Blue and her first foal, Yee Haw (Ire), by Frankel (GB), is a winner in France. Further family also includes GI Breeders’ Cup Juvenile Fillies winner Flanders (Seeking The Gold). Winner of a mile maiden at two, then the Listed Yeats S. on resumption at three, Peking Opera was seventh last Wednesday in the G2 Queen’s Vase at Royal Ascot.
John and Thady Gosden had some of their star fillies on the July Course early on Saturday morning with their former stable jockey William Buick replacing Frankie Dettori on Emily Upjohn (GB) for the first time ahead of their engagement in next Saturday's G1 Coral-Eclipse S.

The Coronation Cup winner was joined by her fellow Epsom heroine, the Oaks winner Soul Sister (GB) (Frankel {GB}), and they were led in their mile-long gallop by last season's G2 Park Hill Fillies' S. winner Mimikyu (GB) (Dubawi {Ire}).

Emily Upjohn, whose sire Sea The Stars (Ire) won the Eclipse in 2009, will aim to become her stable’s fifth winner of the race.

John Gosden said of the statuesque four-year-old, "She is very laidback in the mornings but I’m very happy with her and William was happy with her. I was pleased with all three fillies’ work."

"Mimikyu always works well but the other two are always a bit more laidback about life but I’m very happy with them."

He added that no decision has yet been taken as to where Lady Bamford’s Soul Sister will run next. While Emily Upjohn heads to Sandown for the Shack family and Watership Down Stud, the options for George Strawbridge’s homebred Mimikyu include the G2 Lancashire Oaks and G2 Lillie Langtry S.

On Thursday, Dettori failed in his appeal to overturn the nine-day suspension he received for interference at Royal Ascot. He also picked up an eight-day whip ban, which will be served immediately after the interference suspension, ruling him out of action from July 4 to 22.

Explaining the booking for the Eclipse, Gosden, who has previously won the race with Nathaniel (Ire), Golden Horn (GB), Roaring Lion and Enable (GB), said, "The owners talked after the appeal hadn’t worked out for Frankie and they wanted William and it makes total sense. The owners all know each other well and the fact that William didn’t have a ride in the race made it easy."

He continued "She was impressive the other day at Epsom. She has had a good winter and come to herself well. We said after the Coronation Cup we were going to go to the Eclipse and that remains the plan. She is coming back to a mile and a quarter but [Sandown] should suit her as she won her novice there in good style so she has been round there before."

Runner-up to his upwardly-mobile stablemate Rebel’s Romance (Ire) (Dubawi {Ire}) in this and in Goodwood’s G3 Glorious S. last term, Kemari had shown he retains ability at five with a second in the G2 Dubai City Of Gold in March. Expected to play second fiddle to another Charlie Appleby luminary in the returning New London (Ire) (Dubawi {Ire}) here, he found the line before that laboured G3 Gordon S. winner and promoted G1 St Leger runner-up to cause a minor upset. Tracking the leader Outbox in second throughout, the 2021 G2 Queen’s Vase winner mastered that rival close home as New London found his equilibrium too late. Shadwell’s Al Aasy (Ire) (Sea The Stars {Ire}) ran as if something was badly amiss off his long lay-off and trailed in last.

“Bless this horse. He has not missed a beat all year—he’s led them all,” Appleby said. “I said to James [Doyle], he is a horse who has been forward-going anyway, ride your own race but don’t forget you are on a fit horse. With New London, I’m pleased with that run. He’s had a good blow and he will come forward from that. William said it is nice ground out there, but he’d like a bit more juice in the ground. I’d say we would take New London to the [G3] Glorious Stakes next.”

Kemari is the first foal out of the G3 St Simon S. winner Koora (GB) (Pivotal {GB}), who also produced this year’s Listed Cocked Hat S. runner-up Klondike (GB) (Galileo {Ire}). Out of Kithanga (Ire) (Darshaan {GB}), who also captured the St Simon, she is therefore kin to the G1 St Leger hero Milan (GB) (Sadler’s Wells) whose full-sisters Kahara (GB) in turn produced the G2 German 2000 Guineas winner Karpino (Ger) (Cape Cross {Ire}). Koora’s unraced 2-year-old filly by Kingman (GB) is named Chorus (GB), while she also has a colt foal by Frankel (GB).

Star Of Mystery is the fifth foal out of Mistrusting, who captured the Listed Boadicea Fillies S. before proving such an important broodmare for the Godolphin via her aforementioned high-class Dark Angel duo who have recorded a total of six black-type and graded-stakes wins between them including their three at the highest level. The second dam is Misheer (GB) (Oasis Dream (GB)), who was successful in the G2 Cherry Hinton S. over this course and distance before finishing runner-up in the G1 Cheveley Park S. on the Rowley Mile over the way. Like Althiqa’s first foal born this year, Mistrusting’s yearling colt is by the operation’s powerhouse Dubawi (Ire).

Star Of Mystery | Racingfotos.com

Back ing up the impression of her 11-length Haydock novice success last month, Godolphin’s TDN Rising Star Star Of Mystery (GB) (Kodiac (GB)--Mistrusting (Ire), by Shamardal) turned Newmarket’s Listed Maureen Brittain Memorial Empress Fillies’ S. into another procession on Saturday. Travelling strongly for William Buick throughout the first half of the six-furlong contest, the diminutive half-sister to Dark Angel’s G1 Summer S. winner Mysterious Night (Ire) and GI Just a Game S. and GI Diana S. heroine Althiqa (GB) was allowed to stride to the front before two out and was totally dominant from there.

At the line, the 4-5 favourite had recorded a fast time for good ground four lengths ahead over Cry Fiction (Ire) (El Kabeir), with the same margin back to Unbreak My Heart (GB) (Showcasing (GB)) in third. “She’s a neat and strong model and has always shown natural pace, but has been a little bit buzzy and not easy so the team has done a great job,” Charlie Appleby said of the winner, who was runner-up to the G3 Albany S. disappointment Carla’s Way (Ire) (Starspangledbanner (Aus)) on debut over nearly 6 1/2-furlongs at Doncaster 12 days before her Haydock romp. “It’s great winning by those distances, it’s just that sometimes they don’t learn a great deal but she can’t do any more than she’s been doing so we’re delighted. My daughter named her, so I’ve got her to thank. We’ll work back from a [G1] Cheveley Park, but where she goes in between I don’t know.”

ALSAKIB (GB) (c, 3, Kingman (GB)--America Nova (Fr) (SW-Fr), by Verglas (Ire)), who shed maiden status at Chester in May, found a rhythm behind the leading duo after the initial shuffling. Coaxed along with three furlongs to go, the 4-1 second choice rolled around when launching his challenge at the two pole and kept on in resolute fashion to deny Elnajmm (GB) (Sea The Stars (Ire)) by a short-head in a bobbing finish. Alsakib, the ninth of 10 foals, is one of six scorers produced by Listed Grand Criterium de Bordeaux victrix America Nova (Fr) (Verglas (Ire)), herself a half-sister to Listed Prix Vulcain winner Cat Nova (Fr) (Hurricane Cat). The February-foaled grey is kin to G2 German 1000 Guineas heroine Nyaleti (Ire) (Arch), MG SW G1 Doomben Cup runner-up Weary (Fr) (Astronomer Royal), G3 Prix des Reservoirs victrix Stellar Path (Fr) (Astronomer Royal) and a yearling colt by Frankel (GB). MARKAKOL (GB) (c, 2, Starspangledbanner (Aus))--Mrs Gallagher (GB) (SW-Eng & Ire), by Oasis Dream (GB), sixth of seven going a shade over five furlongs at Sandown in his June 16 debut last time, recovered from a dawdling exit to race in a share of fourth after the initial strides of this straight test. Caught in a pocket at the quarter-mile marker, the 6-4 pick quickened to challenge between rivals passing the furlong pole and kept on strongly to defeat Tan Rapido (GB) (Bated Breath (GB)) by a decisive 1 3/4 lengths. Markakol is the second foal and first winner for dual stakes scorer Mrs Gallagher (GB) (Oasis Dream (GB)), herself out of Listed Prix de Bonneval runner-up A Huge Dream (Ire) (Refuse To Bend (Ire)). A Huge Dream is kin to G1 Champions Mile-winning sire Xtension (Ire) (Xaar (GB)) and to the dam of G1 July Cup and G1 Haydock Sprint Cup-winning sire Harry Angel (Ire) (Dark Angel (Ire)). Cont., p18
Another sibling, Triggers Broom (Ire) (Arcano {Ire}), is the dam of G1 Middle Park S. victor Supremacy (Ire) (Mehmas {Ire}). Mrs Gallagher has a yearling filly by Frankel (GB) to come. 2nd-Royal Windsor, £6,800, Nov, 7-1, 2yo, f, 6f 12yT, 1:12.74, g/f. SHAGRAAN (IRE) (c, 2, Sioux Nation--Annie Fior (Ire) [GSP-Ire], by Finsceal Fior (Ire)), a May 25 debut seventh over this trip at Haydock last time, raced on the front end with Macanudo (Ire) (Invincible Spirit {Ire}) through halfway. Subduing that persistent rival with 1 1/2 furlongs remaining, the 5-1 chance was not for catching thereafter and stretched clear in style to stop the clock with a 3 3/4-length advantage. Shagraan is the first of two foals produced by G2 Kilboy Estate S. third Annie Fior (Ire) (Finsceal Fior {Ire}), herself out of an unraced daughter of three-time Grade I heroine Annoconnor (Nureyev). Annoconnor, in turn, is kin to G1 Grand Prix de Paris and G1 Melbourne Cup-winning sire At Talaq (Roberto). The March-foaled chestnut is full to a half length from Upscale (GB) (Kingman {GB}--Tearless {GB}) also by Dubawi. The G1 Fillies’ Mile-winning second dam Playful Act (Ire) (Sadler’s Wells) also threw the GII New York S. winner Giants Play (Giant’s Causeway), dam of Dubawi’s G3 Nad Al Sheba Trophy and G3 Deutsches St Leger winner Ispolini (GB) (and his G2 Park Hill S. runner-up Vivionn (GB), while the third dam is the renowned producer Magnificent Style (Silver Hawk) which links this winner to Nathaniel (Ire) et al. Also connected to another Dubawi notable in the G3 Prix de Royaumont scorer Thunder Drum (Ire), Fearless’s yearling colt is by Farhh (GB) while she also has a filly foal by Palace Pier (GB). Lifetime Record: 1-1-0-0, $6,857. O/B-Godolphin (GB); T-Charlie Appleby.

3rd-Doncaster, £6,800, Mdn, 7-1, 2yo, f, 7f 6yT, 1:27.75, gd. ALSHINFARAH (IRE) (f, 2, Noble Mission {GB}--Garmoosha, by Kingman), a shade slow from the traps in this unveiling, was within range of the leaders through the initial fractions. Urged closer approaching the quarter-mile marker, the 5-2 favourite entered the final furlong in a close-up seventh and quickened stylishly to deny Squeaker (GB) (Saxon Warrior {Jpn}) by a half-length nearing the line. Alshinfarah, the latest of seven foals, is the third scorer out of the unraced Garmoosha (Kingman). She is kin to MGSW G1 Prix Vermeille runner-up Raabihah (Sea The Stars {Ire}) and the stakes-placed Filfila (Kitten’s Joy). Her second dam is G1 Oaks heroine Eswarah (GB) (Unfuwain), who produced G1 Fillies’ Mile third Firdaws (Mr. Greeley), while the March-foaled homebred bay’s third dam is MG1SW G1 Prix Vermeille runner-up Raabihah (Sea The Stars {Ire}) and the stakes-placed Filfila (Kitten’s Joy). The homebred asserted under tender riding to score cosily by half a length from Upscale (GB) (Kingman {GB}). "She's a natural raw product and a physically imposing type who wouldn't have been asked a question like that at home," Charlie Appleby said of Dance Sequence, who was taking the race won 12 months ago by the stable's subsequent G3 Prestige S. scorer Fairy Cross (Ire) also by Dubawi and in 2021 by Inspiral (GB) (Frankel (GB)). "William and I both were in agreement, she is a filly for the future and ride her to do it the right way round. I was pleased with the way she picked up to come off the pace there. She is a filly who will get the mile at the backend of the season, for sure. She has an intelligent head on her and plenty of scope. She is one of the better ones. She is a Dubawi, she's got the scope, the pedigree and she has apparently got the engine, to date. There is a big step to go to the Guineas, but it's a good start. She has a lovely attitude."

The listed-winning dam is also responsible for the German listed scorer Romantic Song (Ire) (Shamardal) and listed-placed New Comedy (Ire) (Sea The Stars {Ire}). Tearless is a full-sister to the GII Orchid S. winner Anjaz (Street Cry {Ire}), who in turn produced the G3 Bahrain International Trophy and Listed Wolferton S. scorer Dubai Future (GB) also by Dubawi. The G1 Fillies’ Mile-winning second dam Playful Act (Ire) (Sadler’s Wells) also threw the GII New York S. winner Giants Play (Giant’s Causeway), dam of Dubawi’s G3 Nad Al Sheba Trophy and G3 Deutsches St Leger winner Ispolini (GB) (and his G2 Park Hill S. runner-up Vivionn (GB), while the third dam is the renowned producer Magnificent Style (Silver Hawk) which links this winner to Nathaniel (Ire) et al. Also connected to another Dubawi notable in the G3 Prix de Royaumont scorer Thunder Drum (Ire), Fearless’s yearling colt is by Farhh (GB) while she also has a filly foal by Palace Pier (GB). This was a hot race for its level and Mr Moliere had to be smart to deliver as he worked his way back to the abundant promise of his debut win at Chantilly in February. Off the mark by nine lengths over a mile on the Polytrack there, the homebred had been even-money favourite when fourth behind Big Rock (Fr) (Rock Of Gibraltar {Ire}) in the nine-furlong Listed Prix Maurice Caillault back there the following month and followed that with two unplaced efforts in conditions races and a second to stablemate Colombier (GB) (Kingman {GB}) in another at this trip at ParisLongchamp in May.

Anchored in last early, he was in the slipstream of Padishakh turning for home and that proved the right place to be as he overcame that TDN Rising Star inside the final 100 metres. Another Fabre runner Bravais stayed on into third in a race that is sure to produce plenty of winners as the season wears on.

The dam is the G2 Prix Corrida winner and G1 Grand Prix de Saint-Cloud-placed Armande, a daughter of the listed-winning Alpine Snow (Ire) (Verglas {Ire}) who is kin to the G2 Prix Maurice de Nieul scorer Terrubi (Ire) (Dalakhani {Ire}). Connected to the legendary G1 Prix de l’Arc de Triomphe heroine and producer Urban Sea (Miswaki), the G1 2000 Guineas hero and sire King’s Best (Kingmambo) and the G1 Prix du Jockey Club-winning sire Anaba Blue (GB) (Anaba), her 2-year-old full-sister to the winner is named Mlle Moliere (Ire) while she also has a yearling daughter of No Nay Never named Mme de Pompadour (Ire).

Stalking the pace in a handy third along the fence for the most part, she fought her way to the front passing the eighth pole and refused to yield under a drive to bravely hold the late thrust of Dabawa by a short-neck.

Thornbrook is the latest of six foals, all winners, produced by a half-sister to G1 Grand Prix de Paris hero Mont Ormel (Fr) (Air Chief Marshal {Ire}), G3 Park Express S. victrix Normandel (Fr) (Le Havre {Ire}) and the dam of dual Group 1 winner Pyledriver (GB) (Harbour Watch {Ire}).
