AT 88, LUKAS AIMING FOR FUTURE SUCCESS

By Mike Kane

SARATOGA SPRINGS, NY -- This is not a new story. The calendar flips to September, the Saratoga season is in its final few days and Hall of Fame trainer D. Wayne Lukas is having another birthday.

Lukas turns 88 Saturday and the beat goes on. He will get up at 3 a.m. and within an hour will arrive at his barn located a couple of hundred yards from the Oklahoma training track. As usual, he will be in the saddle on his pony accompanying his horses as they go out for their morning exercise. In the afternoon, with a big cowboy hat on his head, he will be in the paddock at Saratoga Race Course to saddle a couple more starters.

Forget about a party. Lukas said he has to make sure that his wife Laurie is in line with his desire to treat Sept. 2 as pretty much just another day. He doesn't want any surprises.

"What we do here is we get a big old cake and we put it out there on the picnic table, let everybody get one of those plates over there and just have at it," he said. "That's it."

It is impossible to know who has been the oldest trainer to send a horse to the track since Thoroughbred racing commenced at Saratoga in 1863. At this point, Lukas is definitely not the oldest. The legendary James "Sunny Jim" Fitzsimmons reached his 88th birthday before the 1962 Saratoga season. In one of those can-you-believe-this Saratoga stats, Fitzsimmons was the leading trainer at Saratoga that summer, his finale upstate before retiring the following June.

THE DIRT-VS.-SYNTHETIC DEBATE: GOLD CUP STARTER TYSON COULD PROVIDE SOME ANSWERS

by Bill Finley

Does dirt form transfer over to synthetic tracks and vice versa? And do the progeny of traditional Kentucky-based dirt stallions run, for the most part, just as well on synthetic as they do on dirt? These are some of the many questions being asked after a rash of breakdowns over the last few months has led some to call for synthetic tracks, which, statistics show, are safer than dirt and turf courses, to replace dirt tracks.

While one horse and one race is not much of a sample size, the appearance of Tyson (Tapit) in Saturday’s GI Jockey Club Gold Cup at Saratoga could provide some anecdotal evidence one way or the other. Cont. p3

The blue supermoon sets over Saratoga Race Course at dawn on Thursday. | Sarah Andrew
By Tapit out of Honouring (Smart Strike), his breeding is all about the dirt. One of the premier sires in the sport, Tapit had produced 73 graded stakes winners on the dirt.

But when Tyson made his debut on March 4, 2022 it was in a synthetic surface race at Gulfstream for Todd Pletcher, which he won by a length. Afterward, Tyson had a minor issue and Pletcher recommended that he be sent to Woodbine. He was given 14 months off and returned for trainer Josie Carroll. She has started him four times, all of them on Woodbine’s synthetic surface. He’s gone 3-for-4, a record that includes wins in the GIII Dominion Day S. and the GII Seagram Cup.

Arguably the best older horse in Canada, he’s earned the right to tackle tougher company in races with larger purses. That meant coming to Saratoga and trying the dirt.

“Obviously, this horse is very accomplished on the synthetic, but he is doing really well right now and we felt that if ever there were a time to try him on a different surface and in a Grade I the time to do it is when they are at the top of their game,” Carroll said. “Now seemed to be the time to find out.”

As co-owner and breeder John Sikura sees it, if Tyson runs to his Woodbine form he can win the Gold Cup. But if it turns out that he can only run his best over a synthetic surface then there won’t be much hope.

“He has obviously thrived on the synthetic and proven he’s a very good horse on that surface,” Sikura said. “The conundrum now is we have no idea how he will perform going from synthetic to dirt. It’s the same question in reverse when they send dirt horses to run on synthetic. It will be interesting to see what happens. If he runs his race he will be a competitive horse in the race. If he doesn’t handle the dirt he’ll finish toward the back.”
Dirt v. Synthetic cont.

While Tyson has worked exclusively on the Tapeta surface at Woodbine he did have five works on the dirt surface at Payson Park over the winter. Carroll said she can’t be sure that the horse will make the switch to dirt, but she was encouraged by those works.

“He’s been here in Saratoga for three days and he’s handling the dirt just fine. How he’ll run on it is an unknown and will be until you get across. Running against good horses at a mile and a quarter is an acid test,”

Carroll also has some additional familiarity with how Tapits run on synthetic surfaces. She picked up the biggest win of her career in the 2009 GI Alabama S. at Saratoga, winning it with Careless Jewel (Tapit). The Tapit filly won twice over the synthetic surface at Woodbine before reeling off three straight dirt wins in the GII Delaware Oaks, the Alabama and he GII Fitz Dixon Cotillion S.

“She was a horse I trained exclusively on synthetic,” said Carroll, who has also entered Duke of Love (Cupid) in the Gold Cup. “We just shipped and ran on the dirt. She handled it, obviously, quite well. She won a lot of nice races on the dirt. That influenced me. It showed me it could be done. You don’t have to breeze over a dirt surface to get them ready. In fact, horses bounce off of the Tapeta onto the dirt well.”

According to statistics provided by Thoro-Graph, the offspring of Tapit fare only slightly better on dirt than they do on synthetics. Tapits have 8,862 starts on dirt, winning 1,518 races for a winning rate of 17.1%. On synthetic surfaces, Tapits have 1,677 starts and have had 245 winners for a winning rate of 14.6%.

While a fan of Woodbine’s Tapeta surface, Carroll isn’t ready to call for an end to dirt racing.

“I think it is a very complicated issue,” she said. “Clearly, there are horses that prefer the dirt to the synthetic. A well maintained dirt track is a safe surface. I don’t think we need to rush to eliminate anything. Statistically, the Tapeta is a safe surface. But you are dealing with athletes and any time you deal with athletes there will be injuries.”

Harlan Estate is the 8th Stakes Winner this year for Kanthalos who currently ranks #15 on the General Sire by worldwide earnings and #13 on the General Sire ranked by progeny earnings in North America and Europe.

Among the top 15 sires in 2023, Kanthalos ranks #3 by winners and wins behind only Into Mischief and Munnings. Harlan Estate’s win comes on the heels of Bay Storm and Corningstone’s Stakes victories both having $200,000 purses. D. Wayne and Laurie Lukas | Sarah Andrew

He locked up the title, which only took nine victories during the 24-day season, with three wins on the next-to-last day of the meet, Aug. 24. As the trainer for the Phipps family, Fitzsimmons had top-quality stock in his barn. Four of his nine wins were in stakes: the Schuylerville, Adirondack, Bernard Baruch and Seneca.

Fitzsimmons, who died at the age of 91 in 1966, switched from an undistinguished career as a jockey to training horses and continued on with distinction in parts of eight decades. He was the leading trainer at Saratoga four times and the national earnings leader five times. His record of 13 of Triple Crown race victories, stood for 56 years until Lukas picked up his 14th in 2013.

Lukas was a school teacher and coach before going full-time into training Quarter Horses in 1969. Equibase stats show him starting his career training Thoroughbreds in 1974. He has 4,910 victories and over $292 million in purse earnings. Once he got rolling with his nationwide Thoroughbred stable, he became the gold standard and among his many other successes, led the nation in earnings 14 times in a span of 15 years.

Decades ago, Lukas made it clear that he had no intention to retire and has continued on. While he is in Saratoga, he likes to play the machines at the nearby Saratoga Casino.

"If I get an afternoon off, I'm so bored," he said. "That's why I end up in the casino. I've got to have another challenge so I go in there and try to beat them where the odds are really bad. I don't even handle an afternoon off very good let alone if I woke up at nine o'clock and had breakfast and wondered what the rest of the day was going to be."

Lukas said continuing to do what he has been doing all these years—getting up in the middle of the night, climbing into the saddle and operating his stable—are elements of the elixir that has kept him going. He's not about to stop.

"I think those people that back off, every one of my friends colleagues and so forth that I saw retire and back off, at say, 70, every one of them went downhill," he said.

In the last 30 years, five of his top owners have died, which has forced him to restructure his business. He said he is proud that at his age he is still able to compete at the top at tracks in Kentucky, New York and Arkansas.

"But here's the thing: I've eliminated the big stable," he said. "I've limited it to 40 head. That allows me to be hands-on and personal with every horse, much different than when I had the assistants like Todd [Pletcher] and Mark Hennig and all these kids underneath me. So, I limit it to 40. It gives me great satisfaction. I see every horse."

'Sunny Jim' Fitzsimmons and Nashua in 1956 | Keeneland library

After a long run at Saratoga, Lukas skipped the 2020 and 2021 seasons due to a combination of the Covid-19 pandemic and a drop in quality of his stable. He returned last summer, compiled a solid 7-6-2 record from 31 starters and had purse earnings of $774,927.

His GI Kentucky Oaks winner Secret Oath (Arrogate) was the star of the stable, but ended up second to Nest (Curlin) in the GI Coaching Club American Oaks and the GI Alabama S. Secret Oath is still with Lukas, was second in the GI Personal Ensign S., and he is confident she will run well in the GI Juddmonte Spinster S. at Keeneland.

Not only did he have success on the track in 2022, but with new owners, John Bellinger and Brian Coelho, who operate as BC Stables, he was active at the Fasig-Tipton Saratoga Sale.

"We went through a lull there," Lukas said. "Even though we kept the barn full, we didn't have the quality. Now we have picked up Bellinger and Coelho and we should finish up here in the next couple of years--finish up, I mean until I die--we should finish up pretty good."

The stable hasn't been quite as strong this summer at Saratoga. Entering Friday it has three wins and 10 seconds from 32 starts and Lukas is hoping for a couple more victories. He will send out a pair of runners on his birthday. On Sunday, he will try to win the GI Spinaway S. for the seventh time with BC's maiden Lady Moscato (Quality Road). Just Steel (Justify) will carry the BC colors in the GI Hopeful S. on closing day Monday. He will be Lukas's 34th starter in the Hopeful, a race he has won a record eight times.

Always looking ahead, Lukas said he expects to have a better-balanced barn in 2024. This year he is heavy with 2-year-olds--14 of the 39 horses he is training--and some of them might put him back on the road to the Triple Crown. "That's building for the future," he said. "We've already bought some really good yearlings. If we come back next year and bring 20 to 25 head, there will be some good 3-year-olds in there and some good 2-year-olds in there. We'll be building more to where we used to be."

If he has his way, Lukas will win a race at Saratoga after his 89th birthday and step past Fitzsimmons again.
READY TO 'GEAUX' FOR LABOR DAY WEEKEND

A trio of highly regarded sophomores will take on their elders in a fantastic renewal of Saturday's GI FanDuel Pacific Classic S. at Del Mar, a 'Win and You're In' for the GI Breeders' Cup Classic.

The 5-2 morning-line favorite Geaux Rocket Ride (Candy Ride {Arg}) leads the way for the 3-year-olds after defeating GI Kentucky Derby winner Mage (Good Magic) by 1 3/4 lengths in Monmouth Park’s GI TVG.com Haskell S. July 22. He will look to follow in the hoofprints of his leading sire Candy Ride, who won the Pacific Classic in 2003.

Hall of Fame trainer Richard Mandella has won the Pacific Classic four times—Beholder (2015), Pleasantly Perfect (2004), Gentlemen (Arg) (1997) and Dare and Go (1996).

“He had us dreaming pretty high and still does,” Mandella said of the Pin Oak Stud colorbearer.

Geaux Rocket Ride has drawn the rail for the second straight race. “Just happy to be there,” Mandella said.

The Bob Baffert-trained ‘TDN Rising Star’ Arabian Knight (Uncle Mo) was the beaten favorite in the Haskell, finishing third while making his first start since capturing Oaklawn’s GIII Southwest S. Jan. 28.

Skinner (Curlin), a strong third in the GI Runhappy Santa Anita Derby Apr. 8, was forced to sit out the Kentucky Derby with an elevated temperature. He resurfaced with a useful second-place finish in the Los Alamitos Derby July 8.

The field of 11 also includes: 2021 Pacific Classic winner Tripoli (Kitten’s Joy); this year’s GI Santa Anita H. winner Stilleto Boy (Shackleford); and four runners out of the local prep GII San Diego H.—Senor Buscador (Mineshaft) (1st), Slow Down Andy (Nyquist) (2nd), Defunded (Dialed In) (4th) and Tripoli (fifth).

SNEAKERS & BACKPACK DRIVE

The NY Race Track Chaplaincy, with your help, provides backpacks filled with the specific supplies needed for hundreds of students of the backstretch communities of Belmont, Aqueduct, and Saratoga.

During the backpack distribution we also provide free first day of school haircuts, distribute free clothing, and even provide ice cream for everyone in order to provide a fun, relaxing, and festive atmosphere for the students and their families as they prepare for the first day of school. This year for the second year we will also be providing a new pair of sneakers, which adds significantly to the cost of this program but provides a critical benefit for our families, for whom a pair of new sneakers is not a feasible purchase.

“It’s an evenly matched, highly competitive field,” Tripoli’s trainer John Sadler said. “You can make a case for a lot of different horses, so it should be a good race; nice mix of 3-year-olds and older horses.”

Del Mar’s stacked 11-race program also includes: the ‘Win and You’re In’ GI Del Mar H. (Longines Turf) and GII Green Flash H. (Turf Sprint); the GII Del Mar Mile S., led by the streaking GI Shoemaker Mile S. winner Exaulted (Twirling Candy); and the GIII Torrey Pines S., highlighted by the return of GISW ‘TDN Rising Star’ Faiza (Girvin).

Jockey Club Gold Cup Day at the Spa...

A field of eight will line up for Saratoga’s GI Jockey Club Gold Cup S., a ‘Win and You’re In’ for the Classic.

Rattle N Roll (Connect), a winner of three straight graded races earlier this term, was freshened following a second-place finish in the GI Stephen Foster S. July 1. The 9-5 morning-line favorite has posted five straight triple-digit Beyer Speed Figures.

Despite a disappointing eighth-place finish in the Stephen Foster, Proxy (Tapit)’s 5-year-old campaign also includes wins in the GII Oaklawn H. Apr. 22 and GIII Monmouth Cup S. July 22 and a close second in the GI Santa Anita H. Mar. 4. The Godolphin homebred has drawn the rail in the 1 1/4-mile feature.

“We knew from early on that he had a lot of talent and that’s why we were so ready to give him all the time he needed and let him mature mentally and physically to where he’s at now and it’s really paying off,” trainer Mike Stidham said.

McKulick (GB) (Frankel {GB}), winner of Saratoga’s GI Glens Falls S. Aug. 3, headlines a field of four entered for the ‘Win and You’re In’ GII Flower Bowl S.

Dazzling Blue (Into Mischief), second behind the ill-fated Maple Leaf Mel (Cross Traffic) in the GIII Victory Ride S. July 8, is the one to beat in the five-deep GI Prioress S.

Saturday’s graded stakes action also includes a pair of deep fields for the GII Big Ass Fans Music City S. and GIII Mint Millions S., both held at Kentucky Downs.

HIWU SUSPENDS TRAINER DICK CLARK 7 1/2 YEARS FOR USE OF BANNED SUBSTANCES

by Bill Finley

Veteran trainer Dick Clark, who was based at Prairie Meadows this summer, has received a 90-month suspension and an $62,500 fine from the Horse Racing Integrity and Welfare Unit (HIWU). The lengthy suspension and the fines were the result of five different positive tests that occurred with horses trained by Clark from June 19 to July 24. He was suspended 18 months and fined $12,500 for each offense.

Clark’s suspension is the lengthiest one handed down so far by HIWU.

According to the HIWU website, in each case there was, by Clark, an admission of EAD rule violation on acceptance of consequence. According to HIWU spokesperson, Alexa Ravit, Clark has the right to file an appeal to an Administrative Law Judge within 30 days.

“However, I’ll point out that he admitted to the violations and accepted the consequences,” she said. “These weren’t final decisions by an arbitrator.”
Smokin Jay's connections in the winner's circle | Coglianese

Clark’s first positive came with Colonel Klink (Awesome Patriot) after he finished sixth in a starter optional claimer. He tested positive for methamphetamine. Colonel Klink ran back on July 3 and July 22 and again tested positive for methamphetamine both times. The Clark-trained Kissed A Cadet (Army Mule) tested positive for the same banned substance after winning a July 22 maiden special weight race at Prairie Meadows. Clark was also suspended for being in the possession of a banned substance, levothyroxine.

Methamphetamine is a widely used street drug that acts as a stimulant. In some cases, methamphetamine positives have been waived after regulators determined that the drug got into the horse’s systems through environmental contamination. Levothyroxine is a medicine used to treat an underactive thyroid gland (hypothyroidism). Levothyroxine is commonly supplemented to help strip weight off horses and to help horses perk up.

Clark has been training since 1976 and has won 1,576 races from 10,607 starts. He has not started a horse since July 23.

First exposed to horse racing by their grandfather, Ron Dicicilia (their original family name) and his brother Gene Cilio, both stalwarts of Illinois Thoroughbred racing, the Rallo brothers have resurrected the Crown’s Way name and set out on a new path in racing, developing, and managing a racing partnership group. In fact, due to the new Crown's Way Racing's success, the family has either owned, trained, or bred a winning Thoroughbred in each decade since the 1940's when Angelo Cilio claimed the family’s very first victory.

Spending an inordinate amount of his young adult life around Arlington Park, both watching races or in former jockey and current trainer Carlos Silva’s barn, Tony Rallo is a self-proclaimed track rat. He had been working construction when the idea of resurrecting the family's racing operation started to take hold in his mind. Since owning his own string of horses wasn’t an option, he did what most current owners in the game have done, gathered up family members, including his brother Tyler, and some friends, and claimed his first racehorse. That horse was Pat's Shoes (Eskendereya), who the new Crown’s Way Racing claimed at Keeneland for $20,000 in April of 2018.

After an uninspiring fifth-place debut for the barn, Pat's Shoes turned it around and rattled off four straight victories. “Our partners thought that owning racehorses was easy money,” recalled Rallo. "They couldn’t wait to get others involved and our partnership began to grow exponentially. Most everyone was rolling over their profits into new horses with us and our stable was growing organically and fast up to the present one hundred-plus partners."

In the last few years, the partnership group has been helped by people like Barstool Sports Chicago’s @barstoolWSD who used his social media influence to get other racing and sports enthusiasts involved. "We have a low minimum of $500 to get involved, but we also have people that invest five figures," said
Rallo. "We want people to be able to share the experience with us and get involved so making ownership affordable is important."

One of those people is fellow Chicago area partner Tom Boyle, who joined Crown's Way right before the pandemic. "I jumped in with Crown's Way and never looked back," said Boyle. "From day one, Tony treated me as if I were the biggest partner in the group, when I know that I am not. The idea of being able to offset the cost of monthly maintenance with purse money and spread it amongst the group and not have to be solely responsible was very appealing."

Crown's Way Racing has 11 horses in the partnership group, including Smokin Jay (Cairo Prince), a 5-year-old sprint specialist and stakes winner who has amassed over $300,000 in purse earnings for the group. Trained by Kelsey Danner, this striking gray gelding has become a group and fan favorite. In addition to Danner, Rallo enlists the services of trainers Carlos Silva, James Gulick and said he will be adding Chris Block to the roster. Aside from Danner, most of the trainer line-up spent most of their careers under the international flags of the now defunct Arlington Park.

Crown's Way Racing is structured and managed aggressively toward winning. "We want to give our partners a chance to win money," explains Rallo. "We do not mark up any of our claims or purchases. We cover our administrative and management costs with a 10% commission on net purses (after trainer and jockey commissions). My brother Tyler, who is a CPA and handles all the financial and tax filings, and I share only the upside profits with a 25% commission on the sales profits and 15% of any annual operating profits. If there are no profits for the partners, there is no profit for us."

On the weekend of August 26th, two of Gun Runner's progeny captured Grade 1 events at Saratoga. Champion Echo Zulu won the Grade 1 Ballerina, posting her second 112 Beyer, the co-highest of the year, and Gunite defeated Breeders' Cup Champion Elite Power in the Forego (G1). Echo Zulu was a Multiple Grade 1 winner and Champion 2YO with current earnings over $2 million dollars. Likewise, Gunite was a Grade 1 Winner at 2 who has emerged from the Forego (G1) as an Eclipse Award Candidate. He too has earnings over $2 million dollars.

From July 22nd to present, Gun Runner's progeny have taken home the winner's share of over $4,000,000 in purse money.

Partners in Crown's Way Racing look like a Saturday crowd at any racetrack, including 23-year-old Kyle Roscoe. "I worked at Arlington Park from 2018-2021 as an Arlington University Professor who was a bet-ologist, or in other words, taught people how to bet and read the program," he said. "I had been going to Arlington years before that, though, even as a kid when my parents decided we needed a day outside. I fell in love with the sport at a young age and always dreamed of owning my own racehorse. I owned one during my tenure at Arlington, although he never amounted to anything at all, never even won a race sadly. But through my time at Arlington, that is where I met Tony and Crown's Way. Being fellow Chicago natives themselves, we struck up a conversation about our love for horses and aspirations of ownership. They had already been in business for a few years and notified me that they had spots open to get into horse ownership and that I should investigate it. It was one of the best decisions of my life as I now own part of eleven horses who have given me 17 wins, stuff I thought I would only be able to achieve at an old age and I have done it at 23."

When asked about the possible frustrations and workload that goes into managing a group of over one hundred partners, Rallo said, simply, "I could talk horses and horse racing 24 hours a day. It never gets old, boring, or frustrating." The friendships that are born out of these partnerships are another value-added aspect of the experience.

Crown's Way partner Kevin Marko said, "Some of my closest friends today are a result of horse racing relationships. I'm happy to have met Tony and his group to further grow these friendships and help realize my passion."

Dan Piazza agrees when asked about the best part of being involved with Crown's Way Racing. "The thrill of ownership," he said. "New friends and relationships. The syndicate arrangement provided me the opportunity for ownership, the ability to learn and the opportunity to share these needs with a group that had similar wants and desires. Crown's Way has given me the opportunity to experience the excitement and thrill of the race in a way that would otherwise be impossible."

CARL SPACKLER DOMINANT IN SARANAC

He might need to give that gopher a head start.

‘TDN Rising Star’ Carl Spackler (Ire) (Lope de Vega [Ire]) continued his dominance over the New York turf and picked up his second straight graded stakes win Friday at the Spa, taking the GIII Saranac S. under Tyler Gaffalione for e Five Racing. Victorious just three weeks back with a come-from-behind effort in the GII National Museum of Racing Hall of Fame S. Aug. 11, the Chad Brown trainee was bet like the class of the field, going off at 1-5 while facing just four rivals.

Much closer to the front in his third try over the 1 1/16-mile distance, Carl Spackler stayed right up outside of Taking Candy (Twirling Candy) to pace the group through a moderate opening quarter in :23.58. The favorite allowed his rival to go on with it up the backstretch but was never out of range as the top pair opened up a clear advantage over the remaining three entries. Restrained while racing several paths off the rail, he stayed patient under Gaffalione as the field began to group up into the far turn. Head to head with Taking Candy past the quarter pole, Carl Spackler always seemed to have the measure of his rival and, once set down for the run into the final eighth, cruised right on past and opened up. Gaffalione took one look behind and rode hands and heels to the wire for the easiest of wins. Taking Candy held on for second ahead of Lost Ark (Violence), the half-brother to champion 3-year-old filly Nest (Curlin).

“Once we had a target, I felt pretty good,” added Gaffalione. “I just wanted to try and get him to shut off. We have bigger things down the road, so didn’t want to do too much today.”

Pedigree Notes:
Carl Spackler is the 116th stakes winner and 65th group/graded winner worldwide for his prolific sire. His dam Zindaya, herself a graded-stakes winner for Chad Brown in America, has produced several well-received offspring in Europe including a pair of Tattersalls October Yearling Book 1 entries in Tribal Warrior (Ire) (Frankel {GB}) who brought 280,000gns and her 2021 Frankel filly for 450,000gns, both by the Godolphin operation. Zindaya is a half-sister to GISW Western Aristocrat (Mr. Greeley). She reported a full-sister to Carl Spackler last year who is set to sell with Ballylinch Stud as hip 213 during Book 1 of this year’s October sale, was not bred for 2023, and visited Uncle Mo for 2024.

NYRA is currently installing a Tapeta track at Belmont Park, which will serve as the fourth racing surface. In light of the recent events at Saratoga, NYRA is contemplating an expansion of this commitment. Additionally, NYRA quickly adopted measures to enhance veterinary scrutiny, such as requiring a trainer’s attending veterinarian to attest to the horse’s soundness prior to entry. NYRA will also be investing in the most advanced PET and CAT scan technology to help detect pre-existing injuries before they become more serious.

Track superintendent Glen Kozak and the NYRA team excel in constructing and maintaining the current racing surfaces at all NYRA facilities. They are leaders in the field, even consulted by competing tracks around the country. However, dirt track safety remains an industry-wide concern. The surface is outdated when compared to newer engineered alternatives.

As trainer Mark Casse, who trains the majority of his stable on the synthetic course at Woodbine, points out, “What if we had kept the Model T? Instead, look at what we’ve done with automobiles, how we’ve made them so much safer. We’re still using a racetrack that’s been around for 125 years, and there’s only so much you can do for it.”

A mounting body of evidence indicates that synthetic tracks are safer for horses. A study by the University of Kentucky found that horses were less prone to injuries on synthetic tracks compared to dirt tracks. A University of Pennsylvania study discovered that synthetic tracks were linked to a lower risk of catastrophic injuries. Most recently, data from The Jockey Club Equine Injury Database conclusively demonstrates that synthetic courses were considerably safer than dirt surfaces in every year from 2019 to 2022, over three times safer in 2022.

Letter to the Editor cont.

The future of horse racing hinges on a bold collective effort from the industry. However, achieving this requires industry-wide consensus on necessary steps to enhance safety for both the cherished animals and the brave jockeys risking life and limb. A fragmented endeavor, however well-intentioned, is likely to fail, dooming our sport to historical insignificance.

Past attempts to introduce synthetic surfaces faltered, partly due to the industry’s collective reluctance to embrace change. The horse racing industry stands at a pivotal juncture and should move together in a unified way to ensure horse safety and industry survival.

I call upon the country’s leading racing organizations to embrace science and technology by quickly moving to adopt synthetic surfaces.

This silver lining all begins with The Kentucky Derby and Churchill Downs Inc. Board.

Earle Mack was a member of the Board of Trustees, New York Racing Association, Chairman of the New York State Racing Commission, Member of the New York State Thoroughbred Racing Capital Investment Fund and a Member, Board of Directors, of the New York State Thoroughbred Breeding and Development Fund Corp. He was honored with the Eclipse Award of Merit in recognition for a lifetime of outstanding achievement in 2022.

PIN OAK ACQUIRES ADENA SPRINGS ANNEX PROPERTY

Jim and Dana Bernhard, recent buyers of the 793-acre Pin Oak Stud near Versailles, KY, have acquired an additional 465 acres from Adena Springs, bringing the total size of the farm to just over 1,250 acres.

The land, purchased from eight-time Eclipse champion breeder Adena Springs, connects the existing Pin Oak land on the east side of US-60--commonly known as Versailles Road--with an entrance on Old Frankfort Pike.

“Frank Stronach’s Adena Springs and Josephine Abercrombie’s Pin Oak Stud are two legendary farms. Both were champion breeders focused on raising the best racehorse possible, and that’s what we aim to do as well,” stated Jim and Dana Bernhard.

The Bernhards plan to renovate the farm to be fit for mares and foals and will connect the two farms into one, cohesive property. The long-term plan is to have mares, foals, and weanlings on the east side of the US-60, with yearlings and training horses at the main farm off Grassy Springs Road.

The Bernhards purchased Pin Oak last November after the passing of Josephine Abercrombie who founded the farm in the 1950s.

A similar campaign will take place at Belmont Park on Saturday, Sept. 2. Approximately 250 children will be served at all three NYRA tracks.

SARATOGA BACKSTRETCH KIDS RECEIVE SCHOOL SUPPLIES

The New York Race Track Chaplaincy and its team of volunteers distributed backpacks and school supplies to the children of Saratoga backstretch workers on Thursday, Aug.31, the organization said in a release early Friday.

The children received the supplies requested by their teachers in their personalized backpacks along with a brand-new pair of sneakers and a first day of school haircut.

Supporters of the program include Saratoga’s leading rider Irad Ortiz Jr., who helped to distribute the supplies.

“The backstretch workers make what I do possible,” Ortiz said. “Whether you see them or not, they are with me in the winner’s circle because I know I would not be there without them. I love supporting them and seeing the smiles on the kid’s faces as they try on their new sneakers.”

'LOCKED' AND LOADED: GUN RUNNER COLT SECURES 'TDN RISING STAR' HONORS AT THE SPA by Mike Kane

SARATOGA SPRINGS, N.Y. - With his smashing victory in the fifth race Friday, Locked (Gun Runner) graduated summa cum laude with 'TDN Rising Star' honors from the 2-year-old maiden special weight ranks at Saratoga Race Course.

A month after his career debut went awry, Locked turned in a top-notch performance under Jose Ortiz, scoring by 7 1/4 lengths and covering the mile in 1:36. Hall of Fame trainer Todd Pletcher said it is likely that the chestnut colt will run next in the GI Champagne S. or the GI Breeders’ Futurity S.

Locked is co-owned by Eclipse Thoroughbred Partners and Walmac Farm. He is out of the Malibu Moon mare Luna Rosa and was purchased for $425,000 at the 2022 Keeneland September sale. Eclipse chairman Brian Spearman said the colt really delivered in his second trip to the races.

"We ran him Whitney weekend up here, came in third, stumbled a little bit coming out," Spearman said. "Todd has always thought very, very highly of him. We were hoping what we saw today would be exactly what we thought, so we're super excited."

Locked found trouble at the start of the Aug. 5 race and ended up at the rear of the field of 10, but he did rally and managed to hit the board in the six-furlong contest. Pletcher said getting a second crack against maidens can be a benefit.

"I think sometimes it’s better for their development," Pletcher said. "In that debut he got a lot of dirt in his face. He got a lot of experience, a lot of education that paid off. He showed good tactical speed today, put Jose right into the race."

Locked and Ortiz were bumped a bit leaving the gate, but promptly grabbed a pace-pressing position outside of Arteta (Take Charge Indy), who led the field through splits of :23.96 and :47.72. He moved to the front just under a half-mile from home and were never challenged.

"Jose said he was traveling very comfortably, all the way down the backside," Pletcher said. "When he kind of squeezed him, he jumped underneath him and finished up impressively. The final time, I thought, was exceptional."

Spearman said that Eclipse founder and president Aron Wellman, the decision-maker on purchases, identified the colt bred by Rosa Colasanti as a top prospect.

"He loved the horse from the beginning," Spearman said. "He loved the conformation. He talked about the pedigree. He loved the mare. For him, I think it was the total package and once he saw him at the sale I think he was convinced we've got to try to get this one. So we did."

Locked was no surprise to bettors, who made him the 2-5 favorite. He paid $3.50 to win.

Although the result of the first race was disappointing, Pletcher said he was better for the outing.

"He did what a lot of first timers to do, climbed from the kickback," Pletcher said.

"But when he leveled off, he really came with a strong late run and an exceptional gallop out. He came back with two dynamite breezes afterwards. We've been pointing to this race since we knew it was here and we were expecting good things from him."

Locked (Gun Runner) became the eighth ‘TDN Rising Star’ for his leading young sire with a powerhouse performance at second asking at Saratoga Friday afternoon.

The Eclipse Thoroughbred Partners and Walmac Farm colorbearer wasn’t much of a secret as the 3-4 favorite while stretching to a mile after rallying smartly from last after some trouble at the start to finish a very promising third sprinting on debut for Todd Pletcher at Saratoga Aug. 5 (Second Chances series).

Locked, a $425,000 KEESEP yearling purchase, bumped with a rival at the start this time, but was still away in good enough order to secure a perfect spot in an outside second. Ready to pounce beneath Jose Ortiz through fractions of :23.96 and :47.72, the chestnut could wait no longer, and took over with authority approaching the three-eighths pole. Locked hit the top of the stretch in complete control and was handed confidently down the lane en route to a 7 1/4-length tally over Drum Roll Please (Hard Spun) while stopping the timer in a sharp 1:36 flat.

Bred in Kentucky by Rosa Colasanti, Locked was produced by a winning half-sister to MGISW Gabby’s Golden Gal (Medaglia d’Oro) and MGISW & GISP Always a Princess (Leroidesanimaux (Brz)). The Gun Runner/Malibu Moon cross is already responsible for GSWs Shotgun Hottie and Runninsonofagun. Locked is also bred similarly to MGISW and ‘TDN Rising Star’ Taiba (Gun Runner), who is out of a Flatter mare. Locked’s dam produced a colt by Caravaggio in 2022 and a filly by Tiz the Law this year. She was bred back to Early Voting. --Steve Sherack

Trainer Bill Mott and Junior Alvarado team with Godolphin's well-bred Jefferson Street (Street Sense). Out of an extended female family which includes first-crop sire MGISP Solomini (Curlin), the dark bay colt’s dam Apiary (Bernardini) is a full-sister to GII Go For Wand S. hero Indulgent and a half-sister to MGISW Frosted (Tapit). All are out of MGISW Fast Cookie (Deputy Minister), who is a half to champion 2-year-old colt Midshipman (Unbridled’s Song). TJCIS PPS

VACATION DANCE (c, 3, The Lieutenant--Matinee Express, by Zensational) has raced against stakes company in seven of his career starts and hit the board in three, including a win last season as a juvenile in Aqueduct’s Atlantic Beach S. and a third place effort before that in the GIII Futurity S. After finding some salty competition even at the state-restricted stakes level in 2023, he returned to the allowance ranks against New York-breds here.

Encouraged along from sixth, he lost some ground on the backstretch but afforded himself some saved ground through the turn as the field closed ranks.

Swung out for the rally, he claimed the lead passing the sixteenth marker and cleared 52-1 shocker Me ’n Sap (Bourbon Courage) by 2 3/4 lengths. Vacation Dance has a 2-year-old half-sister Peach pass (Mucho macho Man) as well as a yearling half-sister named Heart Collector (Heart to Heart). Matinee Express also claims a 2023 colt by Combatant and visited Early Voting for 2024. Sales history: $45,000 Ylg ’21 EASOCT; $140,000 RNA 2yo ’22 OBSMAR; $90,000 2yo ’22 EASMAY. GRAND MO THE FIRST (c, 2, Uncle Mo--Lilies So Fair, by Giant’s Causeway), a debut winner over this same strip Aug. 6, was 3-5 to stay perfect. He chased the early leaders from third, set his sights on Prevent (Neolithic) at the top of the stretch and fought his way past that stubborn foe to win by a neck. Lilies So Fair, a half-sister to the ill-fated GISW Materiality (Afleet Alex) and GSW & GI Kentucky Oaks runner-up My Miss Sophia (Unbridled’s Song) (the dam of GISW Annapolis (War Front)), produced a filly by American Pharoah in 2022. COPPER MISSILE (c, 2, Copper Bullet--Unique Ride, by Tale of the Cat), second on unveiling in a July 15 Colonial maiden, raced well off the pace early on as the top flight debated the pecking order behind a contending pair up top. Four wide as they swung for home and the running began, Copper Missile shifted in and split rivals nearing the three-sixteenths marker as space became premium. Closing strongly from the rail, he cleared Move to Gold (Twirling Candy) and came home best by 3 1/4 lengths. The fourth winner for his freshman sire (by More Than Ready), Copper Missile is the most recent to the races for his dam. He has a yearling half-brother Riyadh Heart (Honor A. P.) who was exported to Saudi Arabia this year as well as a 2023 half-brother by Oscar Performance. Unique Ride visited Midshipman for 2024. UNICORN CAKE (f, 2, Cloud Computing--Party Like Grandma {SW, $149,805}, by Desert Party) went off at 7-2 for this first start and rated third up the backstretch and around the far turn behind pacesetter Focus Pocus (Bourbon Courage). Tipping to the outside at the top of the lane, the bay filly switched leads after the sixteenth pole and got up just in time to win by a head over the early pacesetter. The winner is her dam’s first offspring, but she does have a half-brother by Army Mule. Lifetime Record: 1-1-0-0, $48,400.

UNICORN CAKE | SARAH ANDREW

MY MANE SQUEEZE (f, 2, Audible--In Spite of Mama, by Speightstown), 3-1 in this maiden-breaking score, was closing late to pick up third over track and trip Aug. 10 on unveiling but found herself forwardly placed here. Traveling a couple paths outside the early leader, she started rolling by the five-sixteenths marker and was well in command coming into upper stretch. Her six length advantage was cut down to 4 1/2 lengths by 6-5 favorite Dolomite (Unified), but that was the closest that rival got on the wire. A half-sister to a pair of accomplished runners in Rotknee (Runhappy), MSW, $385,155 and Lookin for Trouble (Into Mischief), MSP, $170,220, My Mane Squeeze is the fourth winner from as many to race for In Spite of Mama and the fifth winner for her freshman sire (by Into Mischief). That mare has also produced a yearling War of Will filly, a 2023 full-brother to Rotknee, and visited Honest Mischief for 2024. Lifetime Record: 2-1-0-1, $58,960.

APRIL VINTAGE (f, 2, Vino Rosso--Beautissimo, by Uncle Mo) improved five spots from her July 22 unveiling at this venue with the change to turf, and graduated at 5-1 odds. Stalking Cyprus Moon (Malibu Moon) early from the jump, it was those two at the head of affairs through the bend before she locked eyes with the eventual runner-up with a sixteenth left. Driving clear, April Vintage would score by 1 1/4 lengths. A half-sister to SP Arman (Bolt d'Oro), the victress is the most recent to the races for their dam, who has not produced any offspring since her but visited Cyberknife for 2024. WITWATERSRAND (f, 2, Connect--Carta de Oro, by Medaglia d’Oro) debuted at 2-1 here, dueled to the outside of Dazzling Move (Not This Time) up the backstretch and, after putting her away past the eight pole, won by 3/4 length over A Little Frisky (Army Mule). Out of MGSW Communiqué (Smart Strike) and a half to MGSP Media Blitz (Medaglia d'Oro), the winner's dam produced a yearling colt by Cairo Prince and she was bred to Speaker's Corner for next year. A THOUSAND PLANS (f, 2, War Dancer--Jitney {MSP, $225,301}, by Utopia {Jpn}) found herself on the losing end of a win photo when unveiled Aug. 21 at Presque Isle Downs. Breaking well as the 4-5 favorite, she dueled for the early lead from the rail with debuting Fainor’s Filets (Preservationist), and still locked in battle through the lane, she got the best of that foe by a game half-length. The victress has a yearling half-sister by King for a Day as well as a 2023 half-brother by Big Brown. Sales history: $6,500 RNA Ylg '22 EASOCT. Lifetime Record: 2-1-1-0, $33,600. MIAH MIAH (f, 2, Nyquist--Mystic City (MSW, $349,621), by City Zip) was saddled with the weight of 1-2 favoritism on this debut, and carried it well as she prompted the pace from the two path when Rapid Ruby (Cloud Computing) charged to the head of affairs. Applying steady pressure and assuming command as that rival wilted, Miah Miah shook clear of looming challengers in upper stretch and was confidently handled down the line, 3 3/4 lengths ahead of Sofster (Mo Town). The latest victorious runner to the races for the mare, the Delgado-trained filly has a 2023 half-sister by Maxfield. Dam Mystic City visited Pinehurst for 2024. FOND FAREWELL TO A CHAMPION AS ADLERFLUG FILLY TOPS BBAG

By Emma Berry

IFFEZHEIM, Germany—From the established Classic sires to the young pretenders, the full range of the stallion scene was on offer at BBAG, with the yearlings in the main underpinned by some long established German dynasties. It was only right that as his last yearlings took to the ring in the country in which he earned a reputation that eventually spread worldwide, Adlerflug (Ger) was on top for one last time when his daughter (lot 52) from a solid Gestut Rottgen family brought the hammer down at €300,000.

Eleganz (Ire) she is named, and elegant she is. Her young winning dam Kizingo (Ire) (Oasis Dream {GB}) is a half-sister to the former German champion two-year-old Erasmus (Ger) (Reliable Man {GB}), the pair being out of the G1 Preis der Diana winner Enora (Ger) (Noverre {Ire}). She may yet even have a quick update as her two-year-old half-sister Erle (Ger) (Reliable Man {GB}) makes her debut at Baden-Baden on Saturday in the Gestut Etzean Winterkonigin Trial.

The Adlerflug filly will not look out of place among the bluebloods in Imad Al Sagar’s Blue Diamond Stud broodmare band, but first she will enter training with John and Thady Gosden, who have masterminded the career of the same owner’s homebred treble Group 1 winner Nashwa (GB) (Frankel {GB}). SANDOWN: CAN STARLORE SHINE IN THE SOLARIO? by Tom Frary

History tells us that when the megaforces of Juddmonte, Sir Michael Stoute and Ryan Moore combine big things can happen and the triangle of power is brought about again at Sandown on Saturday by the exciting 2-year-old Starlore (GB) (Kingman {GB}).

Tackling the G3 Solario S. won by his sire 10 years ago, the course-and-distance novice scorer whose dam is the multiple graded-stakes winner Starformer (Dynaformer) is on hallowed ground in the race that has always pointed to the following year’s Classics. “He’s had a nice amount of time since his first race and it’s going to be another stepping stone,” Juddmonte’s racing manager Barry Mahon said. “Hopefully he’ll have improved.”

Ralph Beckett saddles an intriguing contender in Quantum Leap Racing’s five-length Leicester novice scorer Mortlake (Ire) (Churchill {Ire}). Cont. p8

BBAG Yearling Sale Cont. from p1

Hugo Merry, sent in to bat to secure the filly for the Blue Diamond Stud team, said, "She's an exceptional individual: fantastic, strong, a great walk. Her sire had to make it the hard way but he was fantastic and Imad Al Sagar loves the stallion. Oasis Dream is a really good broodmare sire, she's out of a winning mare who is a half-sister to a champion. What's not to like about her really?"

Al Sagar has recently announced the expansion of his Blue Diamond Stud operation with the purchase of Stonereath Farm in Kentucky in addition to his two existing farms just outside Newmarket.

All told, the six members of Adlerflug’s final crop to have graced the ring in Baden-Baden returned an average of €101,667. As the former syndicate manager for the stallion, Lars-Wilhelm Baumgarten has more reason to love Adlerflug than most, and his Liberty Racing syndicate signed for Gestut Brummerhof’s colt out of the listed winner Anna Magnolia (Fr) (Makfi {GB}) at €100,000.

Without some of the higher-priced lots seen at this auction in recent years, figures dipped slightly from a strong renewal in 2022. The clearance rate was down three points at 75% for 163 horses sold from 218 offered. The average price of €49,518 represented a drop of 7%, while the median was down 9% to €49,000 and the turnover of €8,071,500 was down by 4.5%.

Liberty Runs Free as Leading Buyer

Liberty Racing topped the buyers' table on the day with nine yearlings bought for €886,000, including another from the draft of Gestut Rottgen (lot 153), a son of Camelot (GB) and the G3 Hamburger Stutenpreis winner Anna Katharina (Ger) (Kallisto {Ger}) picked up for €180,000. Cont. p4

BBAG Yearling Sale Cont.

The Liberty Racing syndicate was the brainchild of Lars-Wilhelm Baumgarten and is riding high on the success of Deutsches Derby winner Fantastic Moon (Ger) (Sea The Moon (Ger)). A win for that colt in Sunday’s Grosser Preis would surely secure him Horse of the Year honours in Germany.

In Friday’s TDN Baumgarten outlined the increase in interest in his syndicate, which has gone from 12 to almost 100 investors in the last three years, and he made good on his promise to pump his enhanced budget back into German racing with a busy day at BBAG on Friday.

He was also acting as vendor through Gestut Ohlerweiherhof, who sold lot 175, the Reliable Man (GB) half-sister to the Baumgarten-bred G1 Preis der Diana winner Muskoka (Ger) (Sea The Moon (Ger)) for €140,000 to Stall Golden Goal.

Smart Colt for First Lady of German Racing

Sarah Steinberg trained her first Group 1 winner when Stall Salzburg’s Mendocino (Ger) (Adlerflug (Ger)) galloped to glory this time last year in the Grosser Preis von Baden. Since then she has become the first female trainer to land the Deutsches Derby and the winner of that race, the aforementioned Fantastic Moon, will bid to give the trainer back-to-back victories in the Grosser Preis on Sunday.

In the meantime, Steinberg has added a well-bred new recruit to her increasingly high-profile stable when Stall Salzburg when to €260,000 for the full-brother to G1 Preis von Europa winner Donjah (Ger) (Teofilo (Ire)) from the draft of Gestut Karlshof.

Stars Still Shine

Sea The Stars yearlings have topped the BBAG Sale on a number of occasions and, though he had to settle for the second-top spot this time around, the Aga Khan Studs sire was the leader overall with four yearlings sold for an average of €158,750. The quartet was headed by lot 39, a filly out of the Group 2 winner Ashiana (Ger) (Mastercraftsman (Ire)) who will head to Italy to be trained by Bruno Grizzetti. She was sold by her breeder Gestut Auenquelle for €260,000.

Wootton Bassett To The Fore Once More

There’s no escaping Wootton Bassett (GB) at the moment and he too featured among the leading lots of the session when Gestut Brummerhof’s colt from the Wertheimer family of Group 1 winners Plumania (GB) and Left Hand (GB) was the sole purchase of the day by Coolmore at €170,000.

Alex Elliott conducted the bidding on behalf of MV Magnier, and said on signing for lot 183, "He’s going back to Ireland and he’s a beautiful horse. The team that was here, headed by David O’Loughlin, loved him." Cont. p5
Elliott added, "He's out of a Galileo mare, so it's the same cross as Al Riffa. The big sires like Dubawi, Frankel, Sea The Stars, they all had a huge licence to do what they've done, but where Wootton Bassett has come from, and what he's transmitting, I've never seen anything like it. It's phenomenal. We've had a bit of luck with him with [Derby runner-up] King Of Steel, who goes to the Irish Champion next weekend."

Elliott also signed for two yearlings by Zarak (Fr), including lot 53, from Haras d'Ombreville, for €160,000. The colt is a brother to the listed-placed four-time winner Titanium (Fr).

Elliott continued, "Ralph [Beckett] and I bought him on spec because we loved him so much, but Amo Racing have taken him. He's out of a Verglas mare, like King Of Steel. We actually bought two Zaraks, one for a small partnership, lot 19, and then Kia [Joorabchian] kindly took this one."

He added, "I think I had 90 pedigrees to look at and there were 12 horses left on the short list so there have been plenty to bid on, and every year it's a place that's been lucky for us."

Six Zarak yearlings were sold on the day for an average of €101,833, including lot 123 from Gestut Karlshof for €170,000, who is out of the unraced Nazarabad (Ger), an Isfahan (Ger) half-sister to Group 3 winner No Limit Credit (Ger) (Night Of Thunder {Ire}). The Faust family's Gestut Karlshof, which has Straight (Ger), who is also by Zarak, running in Sunday's Grosser Preis, was the sale's leading vendor with 12 yearlings sold for €1.18 million.

### Breeze-up Vendors Step In

One of the talking points among potential buyers in Baden-Baden was the lack of breathing room between sales. The staging of a horses-in-training sale at Tattersalls on the same day has been a source of frustration for some, and that event leads straight into the next yearling auction on Tuesday, the Somerville Sale.

That said, there was a bigger group of British and Irish travellers than ever in Germany, with some new faces including extra members of the breeze-up sector. Making his second trip to BBAG was Roderick Kavanagh, who saw his recent graduate Vandeek snare the G1 Sumbe Prix Morny two weeks ago in Deauville.

Kavanagh, who operates as Glending Stables, signed for a Shalaa (Ire) filly and a colt by the Gestut Etzean-based Amaron (GB).

He said, "I came last year and bought an Areion colt who sold well at Goresbridge and he had gone to Joseph O'Brien, so that always encourages you to come back. You're able to access very good bloodlines here. We probably left it a bit late as we only came in the night before so we weren't able to see the horses until the morning of the sale, but my partner Cormac O'Flynn and I worked it hard and we found two well-bred horses who look like athletes. They may not be the most commercial but even when they were going out for wind tests today I thought to myself that the Germans have been so strict with their breed to keep it so clean and free of issues."

"The Amaron colt is from Gestut Etzean, who we bought the Areion from last year. He's quite a similar model; he's got a fair bit of furnishing to do, which hopefully will come over the winter as he matures, but he's really athletic and looks like a racehorse."

IRISH DERBY THIRD FRENCH CLAIM SOLD TO SAUDI ARABIA AT TATTERSALLS

Last year's Irish Derby third French Claim (Fr) (French Fifteen (Fr)) was sold to continue his career in Saudi Arabia at the Tattersalls August Sale and was one of eight six-figure lots to go through the ring on Friday.

Bloodstock agent Marco Bozzi bought French Claim (lot 195) and recent winner Pivotal Revive (GB) (Pivotal {GB}) (lot 114) on behalf of Prince Saud Bin Salman and SBS Global.

French Claim, who was trained by Paddy Twomey to win three times and achieve a rating of 108, was sold for 115,000gns while the Jessica Harrington-trained Pivotal Revive was a narrow winner of a Leopardstown maiden on his fourth start last time and commanded 100,000gns.

Speaking about the latter, Bozzi said, "He is for my client Prince Saud Bin Salman and SBS Global. The horse will go to Saudi for the autumn season. He is by Pivotal, looks progressive, is a nice type and vetted well.

"He will be trained by the prince's trainer Ahmad Abdulwahed, who trained Emblem Road (Quality Road) to Saudi Cup success. The trainer will make a plan for the colt once the horse settles into the new routine."

On French Claim, the agent added, "Prince Saud Bin Salman loved the horse, he liked the rating and his races. The horse is very nice, he moves very well. In Saudi they don't really have such fast ground and the dirt is quite deep at both Riyadh and Taif so it might work for him. He has not run since April, but his trainer [Paddy Twomey] said that as the ground has been too fast for him."

It was the twice-raced Maximum Dividend (Ire) (lot 287), an American Pharoah colt owned by the Coolmore partners, who topped the sale at 200,000gns when selling to Sam Haggas on behalf of Australian trainer John O'Shea.

That sale rounded off a busy afternoon for Haggas, operating under the Hurworth Bloodstock banner, who said he expects the Richard Hannon-trained Maximum Dividend to progress with racing for his new connections.

Haggas said, "He is the first foal out of a good staying Galileo (Ire) mare and by a sire whose stock improves a lot with age--American Pharoah himself got better with racing. I hope this horse will do the same and is going to be a horse to improve from two to three and a bit beyond--and stay a bit further than the seven furlongs." Cont. p7
“The Group and Grade 1 winners Bradsell (GB) and Anisette (GB) have flown the Somerville flag at the very highest level in Britain and America alongside last week’s G2 Lowther winner Relief Rally (Ire) and G3 Tattersalls Acomb winner Indian Run (Ire) and we look forward to building on this success next week.”

Tattersalls August Sale Cont.

He added, “He has run two very good races, the first was particularly eye-catching at Sandown and the form looks good. The winner goes for the Solaro tomorrow and the third is a Listed winner. He is sound and looks sound of mind, too.”

He added, “Maximum Dividend is a nice straightforward horse who I hope will go and do well in Australia. He is going into training with John O’Shea and I have been working with him and his team. I like this horse’s profile—he should improve and if he does he should be competitive for his new connections.”

Of the 354 horses catalogued, just 237 were offered and 189 sold (80%). The aggregate was down 39% on last year’s figures to 3,235,700gns while the average fell 29% to 17,120gns. The median was 8,000gns.

Tattersalls chairman Edmond Mahony commented, “This is only the fourth renewal of the Tattersalls August Sale and numerically the smallest and while we may have been a little short of obvious stars there has been solid demand throughout the day with overseas buyers very much to the fore.

“Typically for sales of this nature at Tattersalls, buyers from throughout the Gulf region have been particularly active, most notably from Saudi Arabia where the racing continues to go from strength to strength. European, Australian and American buyers have also been active and the domestic demand, both Flat and National Hunt, has been evident at all levels of the market as has the widespread use of the online bidding platform which continues to prove its worth in a busy sales calendar.”

He added, “While the figures have fallen short of previous renewals of the Tattersalls August Sale, the fixture offers a valuable service for owners and trainers and is immediately followed by the Tattersalls Somerville Yearling Sale, which takes place on Tuesday, Sept. 5 and has enjoyed a run of spectacular results in recent weeks.

**RACE PREVIEWS**

**Saturday’s Preview Cont. from p1**

Charlie Appleby has taken two of the last six editions and puts forward the Newmarket maiden scorer **Aablan (Ire)** (Dubawi (Ire)), a son of the prolific group winner Promising Run (Hard Spun). “Aablan has done well since winning on his debut and we feel that the stiff seven at Sandown will suit,” Appleby said. “Like the rest of the field, we are dipping our toe at this level for the first time and it should hopefully provide a nice springboard into an autumn campaign.”

**SOUL SISTER SIDELINED FOR THE REMAINDER OF 2023**

G1 Betfred Oaks heroine **Soul Sister (Ire)** (Frankel (GB)) will miss the remainder of this season after suffering a small setback and will be pointed to a 4-year-old campaign, Charlie Gordon-Watson, racing manager to owner/breeder Lady Bamford, revealed Friday. “It’s only a temporary thing and precautionary and as we wanted to have her for next year it was the prudent thing to do,” Gordon-Watson said. “It’s the sensible thing to do and she will be better next year, she’s going to be stronger. She’s not the strongest but she’ll strengthen up for next year and it is the right thing to do.”

**Atalanta Opportunity For Coppice Growth**

Also at Sandown, the G3 Atalanta S. sees another Juddmonte blueblood in action in the Sandringham H. winner **Coppice (GB)** (Kingman (GB)), this time from the John and Thady Gosden stable. Found out at Group 1 level when a non-threatening fifth in Newmarket’s Falmouth S. at the July Festival, the full-sister to **Calyx (GB)** is back in shallower waters. “I thought she ran a nice race in the Falmouth, she got stuck out on the wing and that heavy shower just before racing probably just took the ground away from her a little bit,” Barry Mahon said. “We think this is a good opportunity and having started out the year with some big aspirations, it would be nice to get some black-type with her. We know she likes fast ground, so hopefully that will stay right.”

St Albans Bloodstock Limited won this in 2015 with Nakuti (Ire) (Mastercraftsman (Ire)) and are here again with her daughter **Heredia (GB)** (Dark Angel (Ire)), who dealt a 3 3/4-length beating to **Purplepay (Fr)** (Zarak (Fr)) in the Listed Dick Hern S. at Haydock last month. “We’ve sort of played around with the trip a little bit, probably fairly unsuccessfully, so we’ve gone back to a mile,” the owners’ racing manager Richard Brown said. “She did it nicely at Haydock in the Dick Hern and she was off to America after Haydock. She’s got herself a reprieve and we’ll have a go in the Group 3 and see where we are after that.”

The John and Thady Gosden trainee was most recently third in the G1 Grand Prix de Paris on July 14 and also captured the G3 Musidora S. at York in May. She will head to Lady Bamford’s Daylesford Stud for the remainder of 2023.

**INSPIRAL SET FOR STAB AT SUN CHARIOT**
Chevely Park Stud's homebred **Inspiral (GB)** (Frankel {GB}) will race next in Newmarket’s G1 Sun Chariot S. on Oct. 7, skipping a trip to the Irish Champions Festival, Cheveley Park Stud's managing director Chris Richardson revealed.

The 4-year-old filly captured the G1 Prix du Haras de Fresnay-le-Buffard Jacques le Marois at Deauville on Aug. 13 in her most recent start, which secured her spot in the gate for the GI Breeders’ Cup Mile at Santa Anita in November. The Sun Chariot provides a four-week lead into the Breeders’ Cup.

“She’s in good form and we are probably favouring Newmarket and the Sun Chariot is a possible race for her,” Richardson said.

“I suppose it really depends on what she is going to do next year. If she is going to retire, I can see her going to America and retiring, but if she was to stay in training then I don’t know, and maybe she will make the Breeders’ Cup, but it would depend on what Mrs. Thompson would like to do.”

Additionally, Cheveley Park’s Group 2 winner **Sacred (GB)** (Exceed and Excel {Aus}) could also make the trip to California, but will have to improve off her fifth-place finish in the G2 City Of York S. on Aug. 26.

“We now know she just does not want to perform at York,” Richardson said of the William Haggas trainee. “She was in great form going in there but she was never happy.

“Tom [Marquand] came back and said she went down unhappy, was unsettled in the stalls and just took a hold and

**MAGICIAN PURCHASED BY CHINESE INTERESTS TO CONTINUE STALLION CAREER IN CHINA**
Classic winner **Magician (Ire)** (Galileo {Ire}) has been purchased by Chinese interests and will continue his stallion career in China for the 2024 season.

The deal was brokered for the Irish interests by Mattia Cadrobbi, who had been steward of the stallion in 2021 with Renew Italian Breeding during his single season at Allevamenti della Berardenga in Italy. Dr. Bernard Stoffel handled the veterinary clearance, and Marco Bozzi acted as agent, followed by Kevin Ren, who is now trustee of Magician.

A winner of both the G1 Irish 2000 Guineas and the GI Breeders' Cup Turf at three in 2013 for a Coolmore partnership and Aidan O'Brien, the bay was also placed in a trio of top-flight races as a 4-year-old—the Tattersalls Gold Cup, Prince Of Wales’s S. and the Arlington Million S. He retired to stud with a record of 14-5-4-0 and earnings of $2,580,402.

He spent four seasons at Coolmore’s Ashford Stud in Kentucky, before standing for two seasons at Haras de Corlay in France beginning in 2019. Cont. p10

Green throughout and running away from the whip late on, the 1-5 favourite was always too strong for his rivals and had 3 1/2 lengths to spare over Misawell (Ire) (Gleneagles {IRE}). The winner is the first foal out of the dam, a daughter of the G1 Gran Criterium scorer Nayarra (Ire) (Cape Cross {IRE}) and half to the G2 Superlative S.-placed Seventh Kingdom (GB) (Frankel {GB}) and the listed-placed Lahore (Elusive Quality). Related to Galileo’s Superlative-winning sire Gustav Klimt (Ire) and the G3 Killavullan S. winner and G1 Irish 2000 Guineas runner-up Cairo (Ire) (Quality Road), her yearling filly is by Pinatubo (Ire) while she also has a filly foal by Make Believe (GB). Lifetime Record: 2-1-0-1, $7,433.

O-Prince A A Faisal; B-Nawara Stud Limited (GB); T-Andrew Balding.

FIRST WINNER FOR SIRE

2nd-Wolverhampton, £6,600, Mdn, 9-1, 2yo, f, 8f 142y (AWT), 1:51.90, st.
BILLIEGEE (IRE) (f, 2, Waldgeist {GB}--Donau (IRE), by High Chaparral (IRE)), an encouraging debut second over seven furlongs at Kempton in August, enjoyed the perfect draft early. Employing her inherent stamina in the straight, the 11-8 favourite overhauled Really Darn Hot (Ger) (Too Darn Hot {GB}) with 150 yards remaining and proved tough to score by a head. The dam, whose son of Make Believe (GB) sells at the imminent Tattersalls Ireland September Yearling Sale, is a daughter of the G2 German 1000 Guineas runner-up Dapprima (Ger) (Shareef Dancer).

Une Perle becomes the fourth black-type performer for her listed-placed dam, with this filly’s full-sister Spirit of Nelson (IRE) being the most notable by winning the G3 Prix de Flore and G3 Grand Prix de Vichy and finishing second in the G2 Premio Lydia Tesio. Spirit Of Pearl’s half-sister Al Mahmeyah (GB) (Teofilo {IRE}) is the dam of the G3 Prix d’Arenberg scorer Afandem (IRE) (Vale Of York {IRE}) and the G3 Preis der Deutschen Einheit and G3 Winter Hill S.-placed Sky Defender (GB) (Farhh {GB}). Her 2-year-old colt Comme Quoi (Fr) (Mastercraftsman {IRE}) has yet to see the track, while she also has the yearling colt Spirit Of Mehmas (Fr) (Mehmas {IRE}). Video, sponsored by TVG.

Third behind the top-class Big Rock (Fr) (Rock Of Gibraltar {IRE}) and Horizon Dore (Fr) (Dabirsim {FR}) in the nine-furlong G3 Prix de Guiche at Chantilly in May, Grey Tornado had finished fifth next time in that track’s Listed Prix de Saint-Patrick over this trip in July but took a step forward off a two-month break to open his black-type account. Ridden forward from the break to sit in second, the grey was in front two out and stayed on strongly to deny Beshtani who gave him a bump near the line.

The dam, who also has the 2-year-old colt Crayon (Fr) (Sommerabend {GB}), is a daughter of the G3 Premio Umbria and G3 Premio Omononi-placed Velvet Revolver who is also responsible for Veldargent’s dual listed-winning and G2 Prix du Gros-Chene-placed full-brother Ken Colt (IRE) and the listed winner Acapulco Gold (Fr) (Bungle Inthejungle {GB}). The third dam Noble Kara, who was also placed in the Prix du Gros-Chene, is the ancestress of Noble Hachy (GB) (Kyllachy {GB}) who captured the aforementioned Omononi as well as the G3 Premio Carlo Chiesa. Video, sponsored by TVG.

Last seen winning ParisLongchamp’s Prix du Petit Pre handicap over a mile in July, Une Perle built on that confidence-boosting performance to make a black-type breakthrough at the first attempt. Anchored with one behind early, the homebred tanked her way on the outer into contention in early straight and after overwhelming Wild Pansy at the furlong marker asserted for an authoritative score.
1st-La Teste-Bassin Arcachon, €27,000, Cond, 9-1, 2yo, 8fT, 1:45.20, sf.
JULICA (FR) (f, 2, Kendargent (FR)–Miss Rail Link (Ire), by Rail Link (GB)), off the mark in impressive fashion by 4 1/2 lengths over seven furlongs here last month, tended to take a pull restrained in third early as she had on that occasion. Cantering by her rivals to take control 300 metres from the finish, the 3-10 favourite hit the line with another facile 4 1/2-length success under her belt as Frondaison (Fr) (Dream Ahead) beat the rest in her wake. The dam, who produced the dual listed-placed Aude (Fr) (Shamalgan (Fr)), is a daughter of the French listed scorer Playact (Ire) (Hernando (Fr)) who was also placed in the GII Long Island H. and GII Sheepshank Bay H. and three other group or graded-stakes races. The family also features Breathtaking Look (GB) (Bated Breath (GB)), who was successful in the G3 Prix de Meautry and G3 Sceptre S. and runner-up in the G2 Hungerford S. CASTANA (FR) (f, 3, Siyouni (Fr)–Acatama, by Efisio (GB)), a half-sister to the G1 Prix Jean Romanet and G1 Premio Lydia Tesio heroine Odeliz (Ire) (Falco), raced three-wide early staying prominent. In front from the top of the straight, the 10-1 shot was challenged on either side but stuck to her guns to prevail by a neck from Aquilon (Fr) (Literato (Fr)) in a five-runner blanket. Along with Odeliz, who was also successful in Group 3 company in Germany and placed X times in pattern races in England and Ireland and was second in the GI E. P. Taylor S., the unraced dam has also produced Siyouni’s Listed Prix du Pont-Neuf winner Pamplemousse (Ire). She is a half to four black-type performers including the GI Del Mar Oaks-winning Amorama (Fr) (Sri Pekan), who is herself the dam of the G2 Prix Hocquart scorer and G1 Grand Prix de Paris runner-up Ampere (Fr) (Galileo (Ire)), and the G3 Prix Messidor-placed Zalamea (Ire) (Lope De Vega (Ire)). Connected to the multiple Group 1 winner Triptych (Riverman), her yearling filly is by Zalamea’s sire. Sales history: €220,000 Ylg ’21 ARQAUG. Lifetime Record: 1-1-0-0, €8,500.
