

WITH THE PHYSICALS AND THE SIRE POWER, SUMAYA POISED FOR BIG SEPTEMBER

Oussama Aboughazale and Frances Relihan | Keeneland

by Jessica Martini

Oussama Aboughazale's Sumaya Stable, now into its seventh year based in Kentucky, is hoping to make a big impact at the Keeneland September Yearling Sale, starting with seven standout offerings in the auction's boutique Book 1 section next Monday and Tuesday.

"We have a very strong group this year, physically, and we've got some good sire power behind us," Aboughazale's bloodstock manager Frances Relihan said. "The vets have been kind to us as well. We are looking forward to the sale next week. We had a good start to the sales season, we sold one filly up at Saratoga quite well. So we hope it continues."

That strong start at Saratoga was provided by a filly by **Gun Runner** (hip 33) who sold for \$850,000 to bloodstock agent Lauren Carlisle. The team will be hoping to get a similar result when opening its Keeneland September offerings with another daughter of the Three Chimneys' stallion (hip 38) offered through the Taylor Made Sales Agency consignment.

HISTORIC SEASON AT COLONIAL WRAPS FOR NEW STEWARD WHITNEY VERBAL

by Stefanie Grimm

Colonial Downs may be wrapping up a historic 2023 season with Saturday's GIII New Kent Country Virginia Derby but several firsts paved the way this summer for brighter things to come in New Kent, VA.

In addition to hosting its first Grade I races, the Arlington Million and the 'WAYI' Beverly D., Colonial welcomed a new face in the steward's stand. North Carolina native Whitney Verbal joined veterans Jack Houghton and Pat Bovenzi in making the calls Wednesday-Saturday and has been nothing but a welcome breath of fresh air in what can be perceived as a stuffy occupation.

"I always had a passion for animals growing up," Whitney said. "So after school [North Carolina A&T], I knew I wanted to further my career in the horse industry." **Cont. Pg. 7**

Gun Runner--Divine Dawn selling at Saratoga | Fasig-Tipton

Sumaya Stable Cont. From Pg. 1

“That’s a tribute to Mr. Aboughazale,” Relihan said. “He rolled the dice on **Gun Runner** on the bubble year, which was great. We bred five mares to him. We had one sell at Saratoga, then we have three in September, and we’ve held one out for October that was a little bit more late-maturing. But I am huge fan of **Gun Runner**. We’ve bred to him at Sumaya every year since he was retired. It’s nice to have them at the right time.”

Hip 38 is a daughter of graded-placed Bling on the Music (Too Much Bling). In Book 2, Sumaya will offer **hip 579**, another filly by **Gun Runner** out of Just Fine (Chi) (Doneraile Court). The yearling is a half-sister to Aboughazale’s Chilean champion Amani (Chi) (Morning Raider {Ire}).

The first yearlings by GI Kentucky Derby winner Authentic have been in demand in the sales ring this year, with his Saratoga offerings led by an \$875,000 colt added to the \$475,000 sale-topping filly at the Fasig-Tipton July sale.

“They sold incredibly well up there at Saratoga,” Relihan said of Authentic’s yearlings. “There were some very nice horses by him.”

Through Taylor Made’s consignment, the farm will offer a colt by the Spendthrift stallion (**hip 46**). Out of Brushwork (Discreet Cat), he is a half-brother to multiple stakes winner and multiple graded placed Kitten’s Cat (Kitten’s Joy).

“The Authentic colt we have just continued to improve,” Relihan said. “He was a very nice foal. They all go through various stages as they mature and they go a little backwards as you wean them. But he’s really come into his own the last couple of months. He’s an elegant kind of horse, a good mover, quite flashy--he’s chestnut with some white socks. He’s got a lot of presence to him.”

The yearling’s granddam is multiple Grade I winner Manistique (Unbridled). **Cont.**

“There a good bit of substance in the family and with the kind of the refinement and the elegance of Authentic, he took the right parts from all of them,” Relihan said of the yearling.

Aboughazale, a native of Jerusalem, began his racing operation while living in Chile. He made a base in the Bluegrass when he purchased the former Belvedere Farm in Paris, Kentucky in 2016. One of the first broodmares he purchased for the farm was graded-stakes winner Delightful Joy (**Tapit**), who he acquired for \$700,000 at the 2017 Keeneland January sale. The mare gave the operation its first seven-figure sale when her first foal sold for \$1 million to Shadwell at the 2019 Keeneland September sale. Her daughter Window Shopping (**American Pharoah**), a \$700,000 graduate of the 2021 Keeneland September sale, won the GII Summertime Oaks for Perry and Ramona Bass.

Window Shopping | *Benoit*

“We picked up the mare early on when Sumaya was being established,” Relihan said of Delightful Joy. “We bought her as a maiden and she’s a beautiful-looking mare. She is three-for-three with three foals to race so far. Window Shopping gave us a great update there.”

Through the Gainesway consignment, Sumaya will offer a filly by Into Mischief out of Delightful Joy as **hip 92**.

“The Into Mischief filly, in my opinion, is one of the best physicals the mare has produced,” Relihan said. “She has a lot of class about her. She has the strength of Into Mischief, which you like to see with the Into Mischief body, but coupled with the refinement and the elegance of a **Tapit** mare. It doesn’t hurt that the Kentucky Oaks winner [Pretty Mischievous] this year was bred on the same cross.”

Aboughazale’s International Equities Holding purchased Elude (Medaglia d’Oro), in foal to **Street Sense**, for \$105,000 from the Godolphin draft at the 2022 Keeneland January sale.

“She was a very solid mare, with great bone and substance,” Relihan said. “But what I liked the most about her was how well she moved, even being heavy in foal, she just had a tremendous walk to her. And I liked the mating in her, too. We thought she would fit our program at Sumaya. She’s a very nice mare, so we were very happy and very lucky to get her.”

The luck continued for the farm when a little over a year later, the mare’s son First Mission (**Street Sense**) was tabbed a ‘**TDN Rising Star**’ following a 6 3/4-length maiden score at Fair Grounds. He continued his winning ways in the GIII Stonestreet Lexington S. a few weeks later. While the colt was forced to scratch out of the GI Preakness S., he is back on the work tab for trainer Brad Cox just as his yearling full-brother goes through the Keeneland sales ring with Gainesway as **hip 106**.

First Mission | *Coady Photography*

“First Mission didn’t come onto the radar until the beginning of this year,” Relihan said. “When he came out and broke his maiden second time out, you could really see what he was then. So we were quite excited, especially having a full-brother to him on the ground. We were fairly devastated when he scratched before the Preakness. The good news is he is back on the work tab. That’s encouraging and Brad is very positive about the horse. He’s hoping that he takes on where he left off in the spring time.”

Of First Mission’s yearling brother, Relihan said, “He’s a very nice colt. He’s very smooth for a **Street Sense**. He has a beautiful head, neck and shoulder. He’s a tremendous mover, very light on his feet, gets over the ground well. He has a temperament that nothing phases the horse. He comes up, he pricks his ears, he stands up. So he’s a very nice type.” **Cont.**

KEENELAND SEPTEMBER BOOK 1

CONRAD BANDOROFF | 859-519-8135

Early in Tuesday’s second session of the Keeneland sale, Sumaya will offer a filly by **Constitution** (hip 210) with Gainesway. A daughter of stakes winner and graded-placed Lights of Medina (Eskendereya), the yearling is a half-sister to graded winner Pioneer of Medina (Pioneerof the Nile).

“She looks like a strong kind of filly,” Relihan said. “She is a little bit of a different type of **Constitution**. She has got quite a strong body on her and a big hip, but she looks very quick.”

The operation will also offer a colt by **War Front** (hip 287) in Book 1. The yearling is out of Purrfectly Mine (**Mineshaft**), whose dam Purrfectly (Storm Cat) is a half-sister to European champion Culture Vulture.

“He’s a nice **War Front** colt, he’s very forward,” Relihan said.

“He was very Danzig-looking early on, but now he’s starting to get some stretch to him. So we are very pleased with him.”

Sumaya’s Book 1 contingent is concluded with a daughter of

Not This Time (hip 334) who sells with Taylor Made. The yearling is out of Spirit of Dawn (Malibu Moon), a half-sister to graded winner Javerre (Outflanker).

“She’s a really good physical, really racy looking and elegant and looks the part,” Relihan said. “We like her quite a bit.”

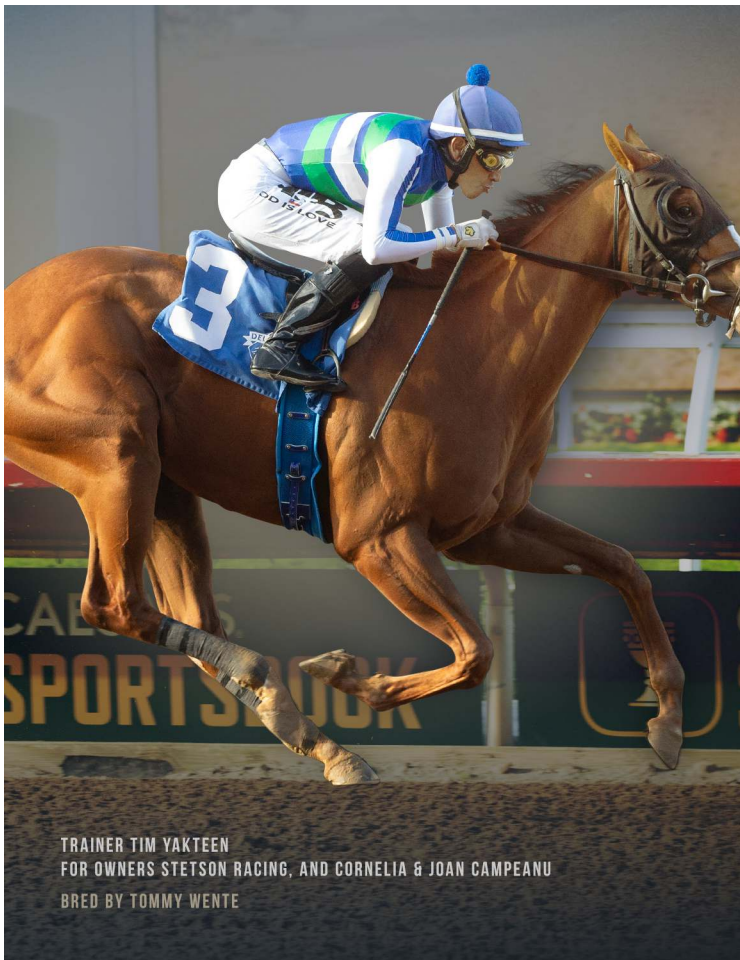

Sumaya was at the forefront of **Not This Time**’s success. The operation bred the stallion’s first Grade I winner, Princess Noor.

“Mr. Aboughazale has been a really good supporter of **Not This Time**,” Relihan said. “I love the strength of them. A lot of them are very well made and are good movers. They have a great hind leg and a good hip to them. They just have a lot of presence to them. They are nice horses overall.”

Sumaya will offer another pair of fillies by the Taylor Made stallion in Book 2: **hip 617**, a half-sister to Lights of Medina; and **hip 672**, out of a half-sister to multiple graded winner Protonico (Giant’s Causeway).

“She’s a big strong filly who looks like a colt. A lot of presence to her,” Relihan said of hip 617, while adding of hip 672, “She looks a lot like **Not This Time** himself in coloring and with a pretty, pretty head. She’s a nice filly.”

Sumaya’s Book 2 offerings also include **hip 445**, a colt by Omaha Beach out of Bauble Queen (Arch), who is a half-brother to multiple graded winner Blitzkrieg (**War Front**).

“He is a May 20 foal, so he’s going in with a little bit of a disadvantage with the foaling date,” Relihan said. “But I think if somebody wants a nice horse to give him time to mature, he could be a nice horse for the future.”

Sumaya Farm is home to some 40 broodmares.

Asked if the operation would be shopping at the November breeding stock sales, Relihan laughed and said, “That depends on how good the September sale is.”

The Keeneland September sale Book 1 sessions Monday and Tuesday begin at 1 p.m. Book 2 sessions Wednesday and Thursday begin at 11 a.m.

Following a dark day, the auction continues through Sept. 23 with sessions beginning daily at 10 a.m.

Whitney Verbal at Colonial Downs | Darrell Wood

Whitney Verbal Cont. From Pg. 1

“I wanted more hands-on experience learning about them [horses].”

Whitney looked to continue a racing legacy that began with her grandfather, Billy Verbal, who raced and trained Standardbreds at North Carolina's Pinehurst Harness Track. What started as an all-around internship after graduation at Oklahoma's Lazy E Ranch where she foaled out Quarter Horse

mares, trained weanlings, and prepped yearlings for sales turned into a passion for all things racing.

“As an intern, I learned so much about the industry. And I knew then that I wanted to have a career down that avenue and to keep my grandfather's legacy alive. I'm sure he's proud of me.”

As she transitioned back to the Mid Atlantic, Whitney found a home with the Maryland Jockey Club as a placing judge before moving her trade to Colonial Downs last year. Upon passing each of the five required exams, she became accredited and joined the steward's team this season.

“It's been a great experience. It's definitely a wonderful opportunity to have. I set myself a goal every day to be better. I'm also learning new things every day and those experiences are part of my journey.”

With both Jack Houghton and Pat Bovenzi in the booth with

her, Whitney has had a wealth of experience to lean on and learn from.

“I can't thank them enough for their guidance,” she added. “They're such great horsemen. I'm aware that this is tremendous honor and I'm grateful for the opportunity.”

But as every sports fan knows, being the referee is never easy.

“There will always be a time when you may disappoint someone. As a steward, you are the decision maker and you need to make the best call in your ability for the welfare of the horses and the integrity of the racing.”

“You have to be professional at all times,” she continued. “So you have to block out those personal relationships you have and know that you are part of this

important decision-making process.”

When asked about any controversial calls at other meets, Whitney understood their challenges.

“You have to be consistent in what your decisions. One thing we never do is judge another steward's call because we're not in their shoes. However, the consistency is very important because it protect the integrity of racing.”

But that's not to say she doesn't learn from the calls made in other racing jurisdictions.

“I watch and what I want to understand is 'what are the stewards thinking?' It's never 'Oh, I would've taken that down or not' but more like 'what are you thinking in that process?' You have to trust that what they did was the best decision for them.”

And though she's the only woman on the team, Whitney has found no reason to believe that she can't succeed with the same opportunities afforded to her male peers.

“I have a really strong support system, so I lean on that,” she said. “And everyone has been extremely supportive. No one has treated me any differently for it. I get up every day and I work just as hard as they do. That's what led me here.”

With a resurgence of women in racing, Whitney was encouraged by the comradery she's experienced through her career thus far.

“There were a lot of women involved in it [her steward's training]. There are women out there that are doing the same things and are finding their own spots here [in the industry].”

And even as the season comes to a close in New Kent, Whitney is already looking forward to the future of the industry she

loves. Her time at Colonial Downs has fostered an overwhelmingly positive view of what racing has in store, even in today's age of controversy and change.

“One thing the public doesn't see is that a lot of these people, they're really good. They're passionate about this sport. They want to continue on. Especially the young people--they want to carry on the torch for those that worked hard before. When you have younger people, they may have different perspectives. Even when there's change, you have to give it a chance. The industry can only get better if we allow it to.”

Colonial Downs closes Saturday, Sept. 9 with six stakes races on the card including the GIII New Kent County Virginia Derby.

HISA ANNOUNCES NEW TRACK SURFACE ADVISORY GROUP

Edited Press Release

A new Track Surface Advisory Group, comprised of members who will be deployed by HISA to analyze dirt, turf and synthetic surface consistency at Thoroughbred racetracks across the U.S., was formed Thursday.

“This Group is crucial to ensuring that HISA can support local experts working to make the surfaces on which Thoroughbreds compete as safe as possible,” said HISA CEO Lisa Lazarus. “HISA is committed to using all resources at its disposal to help tracks under our jurisdiction meet our Racetrack Safety standards. The volunteer Advisory Group will be available to conduct on-site racetrack inspections as needs arise. They will examine conditions on the ground as well as historic and pre-meet inspection data compiled by the Racing Surfaces Testing Laboratory (RSTL). The Group will make recommendations as needed to improve the consistency and maintenance of racing surfaces. Members of the newly formed Track Surface Advisory Group were already deployed to Saratoga Race Course to conduct a thorough review of the dirt and turf surfaces there in late August.

Going forward, the Group will advise HISA on track surface issues year-round and provide recommendations to HISA's Board of Directors as needed.

The Advisory Group is comprised of seven seasoned track superintendents whose expertise spans dirt, turf and synthetic surfaces.

The individuals include:

Jim Pendergest, Chair, Director of Racing Surfaces, Keeneland; General Manager, The Thoroughbred Center

Leif Dickinson, Turf Superintendent, 1/ST Racing / Gulfstream Park / Palm Meadows Training Center

Sean Gault, Retired Director of Thoroughbred Racing Surfaces, Woodbine Entertainment Group at Woodbine Racetrack

Jake Leitzel, Manager of Racetrack Maintenance, Penn National

Dennis Moore, Track Superintendent, Del Mar Thoroughbred Club; Racing Surface Consultant, 1/ST Racing

James "Jamie" Richardson, Track Superintendent, Churchill Downs

Mackenzie Rockefeller and Kaleb Dempsey will provide support to the Advisory Group, including via data analysis, testing equipment operations, material testing and historical data comparison. Rockefeller and Dempsey both work for the RSTL and have extensive backgrounds in track surface testing, research and diagnostics.

It's the meet that keeps getting bigger, richer and better every year. Ted Nicholson, the track's vice president of racing joined the *TDN Writers' Room Podcast* presented by **Keeneland** to talk about one of the sport's great success stories. He was this week's **Green Group** Guest of the Week.

With so much money available for purses and with such a short meet, some wonder why Kentucky Downs doesn't add race days? Nicholson said the main reason for not doing so is to make sure the turf course is not overused.

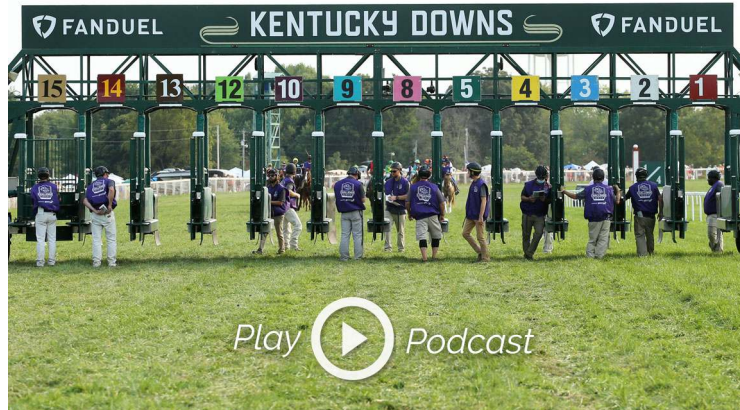

"What's obviously on everybody's mind these days is safety," Nicholson said. "So, if I added a day, it would have to be a day where it would be almost like a spare day. Because the reality is we run 75 races over a turf course and we have three lanes. That means you're running an average of 25 races on each lane. That's a lot of pounding. I've got the best turf guy in the business with Butch Lehr, who was at Churchill for 45 years. But even Butch would shake his head and say, 'no, I wouldn't do it.' I think we're going to be at

seven days for a little while until I can figure out how I can add a fourth lane."

Kentucky Downs has always been known for having one of the lowest takeouts in the sport, so it came as a surprise when it announced that the takeout was going to be increased by one percent in all pools this year. The horseplayers weren't happy.

"It wasn't an easy decision and it wasn't made in a vacuum," Nicholson said. "The decision was really a tough one and the reason behind it was that I had to find a way to find some revenue. It's great to have great big purses and we had a record handle last year. But when you're running only

for two weeks, you have an inordinate amount of expenses to put on a temporary show. I have a lot of tents, I have a lot of temporary expenses. I have 60 people that live here temporarily, which means I put them up in hotels to pull off this show for two weeks or three." **Cont.**

They're here typically for three weeks. So, I have a lot of expenses. They're all going up. Even the people that you see in between the races, those folks that are on the turf and they're tamping down those divots. Those folks used to work for \$10 an hour. Now it's \$25. So, you can see where my expenses have gone. On top of that, you we got a bill from HISA for \$650,000 for a seven-day race meet. Before I was paying the state of Kentucky \$48,000 for the same exact thing. Because our expenses have been skyrocketing, I felt like had to go a little higher."

Will Kentucky Downs ever erect a grandstand? It's unlikely.

"I can't tell you many times people have said to me, 'I love this atmosphere, so don't ever change it,'" Nicholson said. "When it comes to putting up a grandstand, I think would change the genuine feel of of what Kentucky Downs is really all about. I think people love the ability to just pull up and tailgate at the top of the stretch or pull out their folding chairs and set up on the rail. That's the essence of what this place is. We want to try to improve every year, but not lose the real true essence of what this place is all about."

Elsewhere on the podcast, which is also sponsored by [the Pennsylvania Horse Breeders Association](#), [Kentucky Thoroughbred Owners and Breeders](#), [WinStar Farm](#), [XBTV.com](#), [Stonestreet Farms](#), [Lane's End](#) and [West Point Thoroughbreds](#), the team of Zoe Cadman, Bill Finley and Randy Moss reviewed the Saratoga meet, touching on what went wrong, what went right and the changes that may be coming to the upstate New York track. Those changes include moving the 2024 and 2025 GI Belmont S. to Saratoga while Belmont Park is being rebuilt and installing a synthetic track that would complement the dirt track and the two turf courses. The team took a look back at the GI Pacific Classic, won by [Arabian Knight \(Uncle Mo\)](#), as well as the 32-day suspension handed down to Del Mar rider Antonio Fresu for whip violations.

While I am not as well known (and as articulate) as most of the professionals who have commented on this topic in *TDN*, I feel that I might be able to bring a different perspective.

My family has owned both flat and steeplechase horses in France for over 45 years. This has included horses of all levels, from handicap to stakes, including a champion steeplechaser. During all these years, we have never had a horse die on the racetrack or in training, and we have enjoyed some memorable and wonderful moments. This is not luck. It's normal and the way it should be in the U.S. too. (When I tell my French relatives and friends what is going on here, they are shocked).

However, my experience as an owner in the U.S. has been quite the opposite. My first horse (purchased after she broke her maiden) had a career-ending injury in training a week after I bought her. Another horse I owned (brought over from France) ended up with a bowed tendon. And, most recently, I had brought a stakes filly from France to race in California. She was at Santa Anita, but in 2019, with all the awful deaths there, I moved her to Golden Gate (I live in San Francisco). I was very attached to her and went to see her regularly, always with treats. Sadly, in early 2020, I received a call from the trainer who told me she had just died in a freak accident in the barn area. I was in shock and felt like I had been punched in the stomach. I was in tears for two days, and to this day, I still think about her fondly. I currently own a yearling in Kentucky and I already worry about his future, unless the tracks make some drastic and necessary changes.

The reason I mention these anecdotes is to point out that, while horses dying during races are, obviously, the most visible and horrifying aspect of this sad issue, we should not forget that most horses will experience a variety of injuries during their racing careers under the current racing and training conditions.

Maybe those who state that we should continue racing on dirt surfaces have never owned horses or experienced the horrible feeling of losing one of these beautiful and noble animals.

FIRST KENTUCKY SPORTS WAGER PLACED BY GOV. BESHEAR AT CHURCHILL DOWNS

The Governor of Kentucky, Andy Beshear, placed the first in-person sports wager at Churchill Downs, the Kentucky Public Protection Cabinet said in a release Thursday morning.

The bet was a \$20 parlay on the win "over" for the University of Kentucky and University of Louisville football teams, and the "under" for Duke University's squad.

"Today is a great day to celebrate and have a little bit of fun doing so," said Gov. Beshear. "It has taken many years to get here, but sports wagering is finally a reality in Kentucky. This is a win-win for Kentuckians, who can enjoy a quality entertainment experience and benefit from funds staying right here in our state to help us build a better Kentucky."

Lt. Gov. Jacqueline Coleman placed a wager at an opening event at Northern Kentucky's Turfway Park, betting \$20 on the Cincinnati Bengals to win the Super Bowl.

"Sports wagering will benefit all Kentuckians," said Lt. Gov. Coleman. "It means more revenue for economic development, disaster relief and infrastructure projects, like new roads, bridges and clean water. It means more money for our public

schools and support for the pensions of firefighters, public servants, teachers and law enforcement officers. Simply put, sports wagering is helping us build a better Kentucky for everyone.”

A list of licensed retail sportsbooks is available [here](#).

Sports wagering is expected to increase the state’s revenue by an estimated \$23 million a year upon full implementation. The increase in revenue will support the oversight of sports wagering and then be dedicated to the Kentucky permanent pension fund.

City of Light | Lane's End

2nd-DMR, \$82K, Msw, 2yo, f, 5fT, 6:30p.m. (ET)

Talla Racing and West Point Thoroughbreds' **SOHO (City of Light)** gets her start for trainer John Sadler, who wins at a 7% clip with his first-time starters. The dark bay has been showing a progressive worktab leading up to this unveiling, including a five-furlong move in 1:00 1/5 (8/55) at the seaside oval Sept. 3. A \$625,000 Keeneland September purchase, the daughter of Keri Belle (Empire Maker), a GSW on the turf, also holds the distinction of being the top priced filly by the sire in 2022. **TJCIS**

Absent from the winner's circle in well over a year, Sister Lou Ann Stakes placed at two, Sister Lou Ann hit the board in a single start in 2022, and that was a victory in Gulfstream's Martha Washington S. Runner-up in her seasonal return in an 8 1/2-furlong Keeneland allowance Apr. 12, the dark bay showed early speed but faded late to finish ninth over a soggy renewal of the one-mile GII Nassau S. at Woodbine July 1.

Sister Lou Ann | Coady

Third in a Saratoga optional claimer Aug. 17, the 4-year-old was given a 4-1 chance to remedy that issue. In close pursuit of For the Flag through opening splits of :24.38 and :49.90, the Ramsey homebred lost ground while forced out several paths wide rounding the home turn, but closed relentlessly down the center of the course to assume a narrow advantage late en route to a comfortable score over For the Flag. Jubilee Bridge was up for third.

"I broke great. Saffie [Joseph Jr.] told me to let [For the Flag] go," said Jose Ortiz, who has won five races at the meet. "We thought the speed wasn't holding very good today, so we let her go. But we were pretty close-- just in case. The fractions were easy enough, that's what we wanted. Then we only had to worry about one horse in front of us, not the whole field. Saffie drew it up great for me. I followed his instructions, and the filly fired."

The winner's dam, SW and GSP Granny Mc's Kitten, is a full-sister to GI QEII winner Kitten's Dumplings and GSW Granny's Kitten. She foaled a colt by Tapit last term and followed up with a filly by Authentic this season. She was bred back to the Spendthrift stallion.

Beaten a head by Fair Dinkum (**Twirling Candy**) in a Saratoga allowance over a yielding turf course Aug. 5, the Irish-bred gelding was given a 5-1 chance while getting blinkers for the cut back this time. Settled toward the back early, the gelding started to pick up the tempo approaching the final turn, ground his way to the front in the final furlong and surged clear late to win by a neck. Chasing the Crown (Skipshot) was second. The win marked the third on the card for trainer Brendan Walsh, who also won race 3 with Lindy (Fr) (Le Havre {Ire}) and race 5 with Palm Tree (Street Boss). Breaking well from post 5, the Godolphin homebred was shuffled back several lengths as Drewmania (St Patrick's Day) sprinted to the front, carving out a :22.81 opening quarter. EVITA (f, 3, Medaglia d'Oro--Moana {GSP}, by Uncle Mo), 10th going a mile over the Belmont turf in her career debut June 24 while under the care of Bill Mott, came home a much-improved second for Arnaud Delacour in an off-turf test at Delaware Aug. 9. Settled in a tracking position early, the 3-1 chance rallied along the inside to take a narrow advantage and proved a neck best of Sergeant Molly (Field Commission) at the wire. GSP Moana is also responsible for a pair of **Constitution** fillies over the past two seasons. Sales history: \$410,000 Ylg '21 KEESEP. DERBY REMATCH SET FOR IRISH CHAMPION

Auguste Rodin & King Of Steel (purple silks)

Marc Cranham/HRI/Racing Post

by Tom Frary

The much-anticipated third encounter between **Auguste Rodin (Ire)** (Deep Impact {Jpn}) and **King Of Steel (Wootton Bassett {GB})** will take place in Saturday's G1 Royal Bahrain Irish Champion S. at Leopardstown, as the Derby one-two featured among the nine heavyweights on Thursday.

Ryan Moore is on Auguste Rodin again in the 10-furlong feature of the Irish Champions Festival, with the Ballydoyle first string looking to bounce back from a below-par showing in Ascot's King George in which Amo Racing's King Of Steel was third.

Auguste Rodin is in two, next door to last year's runner-up and fellow **TDN Rising Star Onesto (Ire)** (Frankel {GB}) in three and trainer Fabrice Chappet is hoping the lightly-raced 4-year-old can go one better.

"He had a little issue in the spring, but the best races for him are coming up now anyway. He is a very versatile horse, he is a Group 1 winner going 2400 metres and ran a very good race in this last year going 2000 metres and also ran a good race down in trip in the Jacques le Marois," he said of his charge, who will once again contest the Breeders' Cup qualifier. "He definitely has more speed than a mile-and-a-half horse and he can probably do anything from a mile to middle distances--he showed a good bit of speed last time." [Cont. p3](#)

Many eyes will be on the top-class racing in Ireland this weekend, but the relentless run of yearling sales continues, with Italy's major auction taking place on Saturday at San Siro racecourse in Milan.

Among those in action at the 117-lot sale will be Valfredo Valiani, whose globetrotting success as a trainer saw him conquer the Knavesmire not once but twice, first with Super Tassa (Ire) in the Yorkshire Oaks of 2001 and then four years later with Electrocutionist, winner of the Juddmonte International. An amateur rider from a young age, the Italian later spent some time working for his compatriot Luca Cumani in Newmarket, back in the days when a young Frankie Dettori had also not been in town for long. Since ceasing to train, Valiani has steered a new course as a bloodstock agent, and it is one for which he is eminently qualified. [Cont. p3](#)

Valfredo Valiani Cont. from p1

"I'm in good touch with quite a few owners and breeders and consignors in England and Ireland, mostly," says Valiani, who bought four yearlings at the Tattersalls Somerville Sale on Tuesday before retuning to Italy.

"It's only five years that I've been a bloodstock agent," he continues, "But when you've been training for such a long time, you know what happens if a horse has a fault, if you can accept it or not, and you're more confident with the horses.

"I still have to learn a lot because it's a new job and five years is a little time, but I try to keep learning all the time. I'm very friendly with quite a few big bloodstock agents, and every time I have a chance, I go to look at horses with them, especially at the breeze-ups, to try to keep learning. I'm not that young any more, I'm 63. But if you keep learning, if you are willing to learn, it keeps you young."

It's hard not to think that the first ring through the lot in Milan on Saturday has been named in honour of the impending retirement of one of Italian racing's greatest sons. The colt in question is called Amazing Frankie (Ire), and the son of Cracksman (GB) is being presented by Allevamento di Zenzalino. His sire is one who has already provided some reflected glory for Valiani, who bought the Group 2 and Listed winner Aloa (GB), from Cracksman's first crop, at Tattersalls October Book 2. **Cont. p4**

Valfredo Valiani Cont.

He'll be back for the October Sale, of course, after a trip to Ireland for the forthcoming sales at Goffs and Tattersalls Ireland. It was at Fairyhouse that he unearthed the filly who would bring his name to wider prominence on the global racing scene. The aforementioned Super Tassa, a daughter of Lahib, was bought for just IR£1,800 at the September Yearling Sale and went on to record three back-type wins in Italy before her successful foray to York.

Valiani says, "I have always liked a lot to look at yearlings, and foals as well. And so every single sale, I look at as many as I can. Also, because usually I don't have that much money to spend and you have to consider a bit of everything, of course I love the horses with pedigrees, but if you don't have enough money, you have to consider the model and the way they walk. That is what I care more about."

It is well known that the breeze-up consignors will search far and wide to find the right yearling for their specific job, and Valiani found a decent one at last year's SGA Sale for Tally-Ho Stud. The son of **Oasis Dream (GB)** out of the dual Listed winner

Mujadiil Lachy (GB) (Kyllachy {GB}) was bought for €75,000 in Milan and resold at the Goffs Breeze-up Sale in April for £220,000 to a noted judge in Richard Ryan.

"It's great to work with these people, they're really professional," says Valiani who will be on the lookout for a similar prospect on Saturday. "Roger [O'Callaghan] told me, 'if you want to buy something, let me know.' It depends on what I find. If I find something that I think could be useful for them, I'll point it out.

"In Italy there is a bunch of 15 horses you could pick from on pedigrees and some of them could be right for abroad."

Valfredo Valiani Cont.

He added, "In Italy, the market is very strong for the lower horses, and for the top horses, sometimes you get to buy something that you would definitely pay more if you were abroad in another sale."

Like many people involved in an increasingly international business, Valiani naturally has some concerns regarding the racing industry in his home country, which is notably slow in paying out prize-money.

"Plenty of people still want to buy [horses], the passion is still here," he says. "But nothing is working properly, I have to say. But when you have all these people willing to become racehorse owners, you have a chance to get out of the bad situation we are in now. So I'm hopeful, let's put it in this way."

He adds, "We're in trouble with the [European] Pattern Committee. Hopefully they will let us keep the same position as we are now, but that is not for sure. It would be a real shame if Italy [lost its black-type races] because there are a lot of mare owners that buy nominations and a lot of people that buy yearlings at the sales, buy horses in training abroad. So it would be a shame for everybody. Of course, first of all, for Italy."

Valiani continues, "And don't forget that we still produce a lot of very good jockeys. Five out of the best 20 jockeys in the world probably are Italians. We produce good trainers who go abroad and do well, so it's a big racing country."

As well as Aloa, who was the top-rated juvenile filly in Italy last year, Valiani also had ties to the top-rated three-year-old filly, Romagna Mia (GB) (Mastercraftsman {Ire}), whom he had

purchased at the Arqana Breeze-up Sale for £25,000 (the second year it was held in Doncaster).

"She won a Group 2 race, the Premio Lydia Tesio, and then we sold her for €500,000 in Arqana in December. She's gone to America and she's been Grade I-placed for Team Valor," he notes.

The filly hails from the Blue Duster family with which Valiani's old boss Luca Cumani also enjoyed success as the trainer of the multiple Group 3 winner and Group 1 runner-up Fantasia (GB) (Sadler's Wells), and the agent is quick to credit Cumani, a noted breeder as well as former trainer, as a mentor.

He says, "Going back, a lot of what I've learned I have to thank Luca for, Luca and Sara, because Luca's been a great master for me."

"When I was his assistant trainer, he gave me quite a tough time at the beginning and I kept thinking 'one day I'll have to be back in England and win a race.' The first time was with Super Tassa, and I kept her with Luca for the last month, and I would fly up and back twice a week. We were

together in York when she won the Yorkshire Oaks, and he was the one shouting more than anybody else. He was so happy for me."

The SGA Yearling Sale starts at 1:30 p.m. on Saturday and has been moved from its intended venue at the Maura racecourse to be held in front of the Palazzina del Peso at San Siro racecourse. All yearlings will be on view at the stables in Via Ippodromo 67. The public entrances are Piazzale dello Sport 6 (Leonardo's horse) and Piazzale dello Sport 16 (fountain).

ZABIARI WINS THE PRIX DES CHENES

by Tom Frary

Zabiar | Scoop Dyga

Thursday's G3 Prix des Chenes was robbed of 'TDN Rising Star' Alcantor (Fr) (New Bay {GB}), leaving just a trio for ParisLongchamp's mile contest and a slowly-run affair which saw The Aga Khan's **Zabiar (GB)** (**Wootton Bassett {GB}**) prevail.

Runner-up in the Listed Criterium du FEE at Deauville last month, the Jean-Claude Rouget-trained 6-5 second favourite followed the G3 Prix Francois Boutin winner **Grey Man (Fr)** (**Wootton Bassett {GB}**) around before being launched two out. In front soon after, he veered towards the rail inside the last half furlong to hamper that 7-10 favourite but the interference was judged minimal and he was allowed to keep the contest which he won by 1 1/4 lengths.

Pedigree Notes

Zabiar, who had won over 6 1/2 furlongs here on debut in May and had also been second to TDN Rising Star Beauvatier (Fr) (Lope De Vega {Ire}) in Deauville's Listed Prix Roland de Chambure in July, is the best progeny so far out of the listed-placed Zaridiya who is a granddaughter of the G3 Prix de Sandringham winner Zarkiya (Ire) (Catrail). This is the family of the owner-breeder's magnificent Zarkava (Ire) (Zamindar), whose relentless run of top-level success took in this venue's

Arc, Poule d'Essai des Pouliches, Prix Marcel Bousac and Prix Vermeille as well as the Prix de Diane. Zaridiya's yearling filly is by Showcasing (GB), while she also has a colt foal by Mohaather (GB).

Burke Bloodstock's Joseph Burke shrewdly picked up the 11-year-old Zaridiya for €50,000 at Arqana December last year.

"Zaridiya (GB) is a gorgeous-looking mare that was stakes placed over one mile at ParisLongchamp [second Prix des Lilas]," said Joseph Burke. "As a producer she had two winners from two runners, had a colt to run for her by **Wootton Bassett**, a filly by Showcasing and was carrying to Mohaather.

"She has the page as well with Zarkava (Ire) under the third dam and the legendary Petite Etoile (who only had three foals) as her sixth dam. The Aga Khan Studs are great people to buy from; they have poured over a century of hard work and dedication into these lines and it's great to be able to tap into them.

"We valued her at €75,000 and somehow we were lucky enough to get her for €50,000. She produced a lovely colt who'll be offered at the Goffs Breeding Stock Sales in November. Arqana has been an exceptionally lucky sale for us to buy from over the past few years."

FREVILLE SWOOPS LATE FOR PRIX**D'AUMALE TRIUMPH** by Sean Cronin

Gerard Augustin-Normand's **Freville (Fr)** ([Gleneagles \(Ire\)](#)--[Freauville \(Fr\)](#), by [Le Havre \(Ire\)](#)) and Joseph O'Brien trainee **Kalispera (Ire)** ([Ten Sovereigns \(Ire\)](#)) were the most battle-hardened of seven contenders lining up for Thursday's G3 Prix d'Aumale at ParisLongchamp and the one-mile contest boiled down to a head-to-head between the pair, with the former swooping late for a career best.

Last month's Listed Criterium du Fonds Europeen de l'Elevage fourth raced sixth of the seven runners through the early stages, but slipped back to become the whipper-in approaching halfway. Shaken up in early straight with 500 metres remaining, the 22-5 chance made relentless headway out wide to go third inside the furlong pole and quickened smartly in the dying embers to score by a neck from G2 Debutante S. and G3 Flame Of Tara S. third **Kalispera**. Shadwell's hitherto undefeated **Alshinfarah (Ire)** ([Noble Mission \(GB\)](#)) attempted to make all and finished the same margin adrift in third.

JUNIPER BERRIES ANNEXES SALISBURY

FEATURE ON THE NOD *by Sean Cronin*

Eve Johnson Houghton trainee **Juniper Berries (GB)** (**Expert Eye {GB}**--Tricky Spirit {GB}, by Lethal Force {Ire}) made five unsuccessful attempts to add to a debut win over five furlongs at Bath in April and notched a stakes breakthrough in Thursday's G3 Ire-Incentive It Pays To Buy Irish Dick Poole Fillies' S. at Salisbury, doubling her win tally in her first try at the six-furlong trip.

The 16-1 outsider, who ran fourth in Royal Ascot's G2 Queen Mary S. in June and Newbury's Listed St Hugh's S. last month, was reined back to race off the pace in ninth through the initial fractions. Last to come off the bridle after halfway, she coaxed into action approaching the final furlong and finished with a late rattle to deny the pacesetter **Dorothy Lawrence (GB)** (Soldier's Call {GB}) by a short-head on the line. Highclere Thoroughbred Racing's 11-4 favourite **Soprano (Ire)** (**Starspangledbanner {Aus}**), who had previously placed in both G3 Albany S. and G3 Sweet Solera S., conceded several lengths after an unsuccessful attempt at anticipating the break before making late headway to finish 1 1/4 lengths back in third.

"I thought the step up to six would help and I thought the firm ground would help," the winning trainer revealed. "She's been running over five in soft ground and she deserved this. We knew she had an amazing turn of foot, but it was just getting her to use it at the right time. We all made a plan, the owners and I, that we'd drop her in and if she didn't get there on time then she didn't get there on time. The last thing we wanted to do was get there too early and stop. She has a wicked turn of foot, but it's not a very long turn of foot. Look at the size of her, she does herself really well and she's on the grow again I think. She'll be a lovely filly for next year and the owners have got the stud, so it's great for them. What a star, good old Juni, we love her and I'm thrilled."

Juniper Berries is the second of three foals and lone scorer for Listed Scurry S. runner-up Tricky Spirit (GB) (Lethal Force {Ire}), herself out of a winning half-sister to G1 Racing Post Trophy third Henrik (GB) (Primo Dominie {GB}), G2 Gimcrack S. third Sir Reginald (GB) (Compton Place {GB}), stakes-winning G3 Chartwell Fillies' S. third Intense Pink (GB) (Pivotal {GB}) and Listed Empress S. runner-up Bishop's Lake (GB) (Lake Coniston {Ire}). SKELLET TDN RISING STAR NUMBER 32 FOR KINGMAN *by Tom Frary*

Lining up for Thursday's Bob McCreery Memorial British EBF Quidhampton Maiden Fillies' S. at Salisbury off an unlucky debut fourth at Sandown last month, Anthony and Sonia Rogers' **Skellet (Ire)** (**Kingman {GB}**--Dane Street, by Street Cry {Ire}) made that experience count to register **TDN Rising Star** number 32 for her sire.

Settled in third early by Rossa Ryan, the half-sister to the G1 Moyglare Stud S., G2 Debutante S. and G3 Silver Flash S. winner Skitter Scatter (Scat Daddy) had to work to get by the well-regarded Richard Hannon trainee **Serene Seraph (Ire)** (Blue Point {Ire}) but had her measure 100 yards out en route to a cosy 1 1/4-length success. There was another 5 1/2 lengths back to the third-placed **Times Edition (GB)** (**Kingman {GB}**), a half-sister to the GI Breeders' Cup Juvenile Fillies Turf and GI Just a Game S. heroine Newspaperofrecord (Ire) (Lope De Vega {Ire}).

Beckett is in no rush with the winner. "I was very pleased. She's a bit raw, she's a big, tall, gangly filly," he said. "Her sister, Skitter Scatter, was the size of a pony and she won a Moyglare for Patrick Prendergast--this filly is completely different. She was a bit antsy behind the gates, she's still looking around. She's a nice filly, one for next year. It's likely we'll take a more

conservative view, I don't know what trip she'll end up getting, we hope a mile but we'll find out next year."

The win clearly meant a lot to Anthony Rogers who, similarly to Skitter Scatter, runs the homebred Skellet in partnership with his mother Sonia.

"I have been bouncing around the place and so has my mother [Sonia]," he told *TDN Europe* after the race. "Ralph has always been very keen on her and, to be fair, Patrick Prendergast broke her in for us and was pretty sweet on her. We were telling him to come out of retirement to train her and he said he'd almost think about it, he liked her that much. They have to go and do it on the track but she looked pretty impressive."

He added, "It's a proper, proper family. I bought the granddam about 25 years ago in partnership with Robert Clay. It's an old Jim Bolger family and there's a lot going on in it lately. Dane Street had a year off but is in foal to Too Darn Hot (GB) now. He seems to be going very well and I'm very pleased about that.

"We've cut back on the number mares we have on the farm in recent years because it's just very hard to make money on the lesser ones. You've got to be ruthless because it's tough out there. It really is. Skitter Scatter has a nice Invincible Spirit (Ire) colt going to Book 1 at Tattersalls and she has a beautiful **Wootton Bassett (GB)** filly at foot. It's nice to have these lovely families." **Cont. p10**

Skellet's dam Dane Street, whose full-sister to the winner topped the Goffs November Foal Sale when selling to Stauffenberg Bloodstock for €550,000 and is catalogued in this month's Goffs Orby Book 1, has two other stakes performers alongside Skitter Scatter. They are the G2 Superlative S. runner-up Victory Dance (Ire) (Dubawi {Ire}) and the GIII Jimmy Durante S. third Data Dependent (More Than Ready), who is in turn the dam of the recent GI Belmont Oaks Invitational winner Aspen Grove (Ire) (**Justify**).

Dane Street is a half to the G1 Dewhurst S.-winning sire Intense Focus (Giant's Causeway), while the Listed 1000 Guineas Trial S.-winning third dam Zavaleta (Ire) (Kahyasi {Ire}) is kin to the G1 Gran Criterium-winning sire Sholokhov (Ire) and Soldier Of Fortune (Ire).

JASNA'S SECRET JOINS WATHNAN FOLD

The undefeated **Jasna's Secret (Fr)** (Galiway {GB}) has been acquired by the Emir of Qatar's **Wathnan Racing**, co-trainer Yann Lerner revealed to *Jour de Galop* on Thursday.

Bred by Haras de Quesnay, the daughter of Orpena (Ire) (Orpen) won over six furlongs at Deauville on debut in July, and then followed up with the 1200-metre Arqana Series Criterium d'Ete on Aug. 17 in the colours of Anja Wilde and F & O Hinderze Racing.

"The filly will stay with us," Lerner, who trains with his father Carlos, told the French publication. "It's great that his new owner trusts us and that we have the chance to keep the filly in training. She is doing very well, and we will prepare her for October. We will decide if we will go to the G1 Qatar Prix Marcel Boussac or [the] G1 Cheveley Park S."

Wathnan Racing has already enjoyed considerable success this season with G1 Gold Cup winner Courage Mon Ami (GB) (**Frankel {GB}**), G2 Queen's Vase hero Gregory (GB) (Golden Horn {GB}), and G1 Poule d'Essai des Poulains runner-up Isaac Shelby (Ire) (Night Of Thunder {Ire}), among others.

DERBY-WINNING RIDER EDWARD HIDE DIES AT 86

Edward Hide, who won the Derby aboard Morston (Fr) (Ragusa {GB}) for Arthur Budgett in 1973, has passed away at the age of 86.

Trainer Mick Easterby paid tribute to the three-time champion apprentice who was a regular rider for the stable and said, "It is with great sadness today that I heard of the passing of my great buddy Eddie Hide.

"Eddie Hide was quite simply one of the best Flat jockeys I have seen. In my career I have been fortunate to put up two of the finest jockeys. Sadly, 2023 has seen the passing of both Eddie and my former stable jockey Terry Lucas.

"In the 1970s I'd put Eddie up whenever I had a runner in any of the big races and he never let me down once. Eddie had it all. He was an intelligent man and he knew the formbook inside out.

"You could get rich quite quickly backing Eddie on my horses, because he only rode them when he knew they were going to win. I owe a great deal to Eddie Hide. He rode the biggest winners of my career and he helped put the stable on the map in the 1970s."

Hide, who won the G1 1000 Guineas for Easterby on Mrs McArdy (GB) (Tribal Chief {GB}) in 1977, also was the regular rider of 1976 top sprinter Lochnager (GB) (Dumbarnie {GB}). The jockey also was awarded the 'Cock of the North' title 16 times.

SUN CHARIOT ONE OF THREE NEW WORLD POOL DAYS IN 2023

A trio of new race days have been approved for the 2023 World Pool calendar by the Hong Kong SAR government, the Hong Kong Jockey Club (HKJC) announced on Thursday.

The HKJC applied for Newmarket's Sun Chariot S. Day on Oct. 7, Turnbull S. Day at Flemington that same day, and Cox Plate Day at Moonee Valley on Oct. 28 to be added to the schedule. A total of four races will be world pool events at Newmarket that day, while five races at Flemington have been added to the global betting opportunities earlier in the day. Cox Plate Day features nine World Pool races. The full schedule is as follows:

- Sept. 9 – Irish Champion S. Day (full card)
- Oct. 7 – Turnbull S. Day (partial card)
- Oct. 7 – Sun Chariot S. Day (partial card)
- Oct. 8 – Gran Premio Latinoamericano (single race)
- Oct. 14 – The Everest Day (partial card)
- Oct. 21 – Caulfield Cup Day (partial card)
- Oct. 21 – British Champions Day (full card)
- Oct. 28 – Cox Plate Day (partial card)
- Nov. 4 – Victoria Derby Day (full card)

Michael Fitzsimons, Executive Director, Wagering Products, at the HKJC, said, "Having Turnbull S. Day and Cox Plate Day from Australia added to the World Pool calendar is a great boost. Both cards will be full of quality and of great interest to punters around the globe, particularly with the likelihood of Hong Kong star Romantic Warrior (Ire) being aimed at the Cox Plate itself.

"We're delighted to have Sun Chariot S. Day at Newmarket confirmed too. That meeting takes place on the same day as the Turnbull S., marking the first time we've had a UK and Australian meeting commingled globally on the same day. We're then set

for another double-header of World Pool days on 21 October with the Caulfield Cup at Moonee Valley and Champions Day at Ascot, so it's a very exciting time."

NEW RECORD TOP PRICE AT GOFFS UK YORTON SALE

The fifth edition of the Goffs UK Yorton Sale featured a new record top price, with 2-year-old **Brisky Dancer (Fr)** selling to Ian Ferguson and Dai Walters for £165,000 on Thursday. The sale celebrated its first Grade 1 alumni this year with **Inthepocket (GB)** (Blue Bresil {Fr}), who scored at Aintree's Grand National Festival.

Consigned as lot 5, the gelded son of No Risk At All (Fr) is a half-brother to Grade 3 winners **Al Dancer (Fr)** (Al Namix {Fr}) and **Tzar's Dancer (Fr)** (Tzar Rodney {Fr}). The previous record price was also set by a No Risk At All 2-year-old at £105,000, also purchased by Walters, in the sale's inaugural edition five years ago.

No Risk At All also sired the second highest price on the day, a 2-year-old filly (lot 18), who is a half-sister to listed winner **Night Endeavour (Fr)** (Shalaa {Ire}), with the pair being out of the listed winner **Night Serenade (Ire)** (Golan {Ire}).

A total of 36 horses sold, the same number as last year, for a clearance rate of 80% and a gross of £1,136,000. The average dropped a tick to £31,556, and the median decreased 7% to £28,000.

Yorton owner David Futter said, "This year marks the fifth year of this sale and it's great to see so many returning clients, along with a number of new faces." [Cont p13](#)

Goffs UK Yorton Sale Cont.

He added, “We take great pleasure in hosting this sale and we can’t do it without the support of those who have attended and taken part in the auction--so to them we say a sincere thank you. We would also like to thank the Goffs team who have partnered with us since the launch of this sale in 2019.”

Goffs UK Managing Director Tim Kent added, “We are delighted to break another record here at Yorton Farm and we are very proud to partner with David Futter and his team for this wonderfully unique event, where there were some lovely horses on offer today. We look forward to seeing them appear on the racecourse or in the sales ring for new connections and we hope to see another Grade 1 winner from this sale in the coming season.”

DAUGHTER OF REEM THREE STARTS AT HAYDOCK

15.10 Haydock, Novice, £10,000, 2yo, f, 7f 212yT

BOLSENA (IRE) (Kingman {GB}) is the latest progeny out of Sheikh Mohammed Obaid Al Maktoum's wonder mare Reem Three (GB) (Mark Of Esteem {Ire}), whose list of seven classy performers includes the fellow Kevin Ryan-trained G1 Queen Anne S. hero Triple Time (Ire) (Frankel {GB}) and Cape Byron (GB) (Shamardal) and Ajman Princess (Ire) (Teofilo {Ire}). Her rivals include Godolphin's **Dazzling Jewel (Fr) (Dubawi {Ire})**, a Charlie Appleby-trained daughter of the G1 Cheveley Park S. winner Lumiere (GB) (Shamardal) and full-sister to the smart Highland Avenue (Ire), and Yuesheng Zhang's fellow newcomer **Simple Endeavour (GB) (Dubawi {Ire})**, an Andrew Balding-trained relative of Barney Roy (GB) (Excelebration {Ire}) who cost 800,000gns at the Tatts Book 1 Sale.

14.00 Saint-Cloud, Cond, €30,000, 2yo, f, 7 1/2ft

MULTIPLE CHOICE (IRE) (No Nay Never) caused a stir at last year's Tatts Book 1 Sale when a 780,000gns purchase by Gestut Schlenderhan and is one of three newcomers in this Prix Ravinella. She is a half-sister to the G2 Summer Mile winner and G1 Prix d'Ispahan runner-up Tilsit (First Defence) from the superb Juddmonte family of **Kingman (GB)** et al.

19.30 Kempton, Mdn, £15,000, 3yo/up, f/m, 8ft

DOHA (GB) (Sea The Stars {Ire}) makes her belated debut over a possibly inadequate trip in a weak maiden, but is big news by virtue of the fact that she is the fourth foal out of the remarkable dual Arc heroine Treve (Fr) (Motivator {GB}). Entrusted to Ralph Beckett by Al Shaqab Racing, the homebred meets eight rivals on this Polytrack bow.

HOW THEY FARED

15.10 Salisbury, Mdn, £30,000, 2yo, f, 6f 213yT

Skellet (Ire) (Kingman {GB}), a half to the luminary Skitter Scatter (Scat Daddy), did enough to shed her maiden tag and point to bigger things as she became the latest **TDN Rising Star** for her sire.

15.30 Haydock, Novice, £10,000, 2yo, c/g, 7f 212yT

Gulf Legend (Fr) (Dubawi {Ire}), the €300,000 Arqana Deauville August Sale graduate and half-brother to Feed The Flame (GB)

(**Kingman {GB}**), was not expected to be a major player at 10-1 and after briefly threatening a furlong out ran as if he needed the introduction badly when fading to be sixth.

VICTORY SHOUT (FR) (c, 2, Frankel {GB}--Correze {GB}, by Shamardal), off the board in starts at Haydock in June and last month, broke well before settling several lengths off the tempo in third as the leading duo established a clear lead up front. Tanking forward hard on the steel in the straight, the 5-4 pick cruised to the front approaching the final furlong and glided clear of overmatched rivals to prevail by an unextended nine lengths from Silent Move (GB) (Ardad {Ire}). Victory Shout, full-brother to a yearling filly, is the second foal and scorer produced by a winning daughter of G3 Nell Gwyn S. victrix and G1 Prix Vermeille and G1 Yorkshire Oaks placegetter Cloud Castle (GB) (In The Wings {GB}). Cloud Castle is the dam of three black-type winners and her descendants include MGISW GI Hollywood Derby hero Domestic Spending (GB) (**Kingman {GB}**), GI Breeders' Cup Filly & Mare Turf heroine Queen's Trust (GB) (Dansili {GB}), G1 Pretty Polly S. victrix Thundering Nights (Ire) (Night Of Thunder {Ire}), G1 Bayerisches Zuchtrennen runner-up Royal Solitaire (Ire) (Shamardal) and G1 Prix Marcel Boussac third Dabyah (Ire) (Sepoy {Aus}). The dam, whose first two foals were the stable's useful handicappers Khanjar (Ire) (Kodiac {GB}) and Pinafore (Ire) (Dark Angel {Ire}), is also responsible for a son of Night Of Thunder (Ire) who sold for £105,000 to JB Bloodstock at last month's Goffs UK Premier Yearling Sale.

CAMBRIDGE (IRE) (c, 2, Dubawi {Ire}--Amerique {Ire} {MSP-Fr}, by Galileo {Ire}), third on debut over an extended seven furlongs at Roscommon last month, raced up with the pace early. In front three out, the 11-10 favourite was joined and briefly headed by Houstonn (GB) (**Expert Eye {GB}**) late on but rallied to prevail by a short head. A rare runner at this track for Ballydoyle, the winner was greeted by Coolmore's UK representative Kevin Buckley who said. "It's been 18 years. It was the Autumn S., Dylan Thomas was second with Johnny Murtagh on board and Jamie Spencer was third on Arabian Prince. We thought he'd improve from his run in Roscommon, the stewards' report said he dwelt at the start, but Seamie [Heffernan] then subsequently said the stall was slow to open. He ran very green, he was much more professional there, he put his head down and got it done. We'll get him home now and see what we think, he's been over the extended seven at Roscommon, we knew he'd get that, his dam won over 12 furlongs and was listed-placed twice in France. He's got the [G2] Royal Lodge entry and that wouldn't be beyond the realms." The dam, who was a €975,000 purchase by Brant at the Goffs November Mares Sale, is Wildenstein royalty as a daughter of Aquarelliste (Fr) (Daneshill) who captured the G1 Prix de Diane, the G1 Prix Vermeille and G1 Prix Ganay and was runner-up in the Arc. From the family of the operation's bigwigs Arcangues and Artiste Royal (Ire), she produced four black-type performers in total headed by Dubawi's G1 Prix Jean Romanet runner-up Ame Bleue (GB). Amerique, whose best runner to date is the impressive Listed Pretty Polly S. winner Maqsad (Fr) (**Siyouni {Fr}**), has a son of Lope De Vega (Ire) catalogued in next month's Tatts Book 1 Sale and a filly foal by Palace Pier (GB).
