$1.2-MILLION HALF-BROTHER TO MAGE LEADS COMPETITIVE BOOK 2 OPENER AT KEEnELAND

by Jessica Martini & Christina Bossinakis
LEXINGTON, KY - The Keeneland September Yearling Sale's first Book 2 session continued right on from where the auction's elite Book 1 section concluded, producing strong results largely in line with last year's record-setting renewal.

During Wednesday's session, 209 yearlings sold for $64,024,000. The session average of $306,335 and the median was $255,000. During last year’s Book 2 opener, 219 head grossed $66,695,000 for an average of $304,543 and a median of $250,000. With 83 horses reported not sold, the buy-back rate was 28.42%. It was 26.01% a year ago.

“We've got to be very happy with the way the day turned out, obviously, being on par with last year's figure,” said Keeneland Vice President of Sales Tony Lacy. “Early in the day it was a little slower, but it picked up and charged on very strongly right to the end. It was great to see the active trade. Buyers are finding it very competitive. It bodes well for tomorrow.”

Wednesday's opening session of Book 2 produced an additional five million-dollar yearlings, led by a $1.2-million son of McKinzie who is a half-brother to GI Kentucky Derby winner Mage. Cont. p3

STRIDESAFE CEO DAVID LAMBERT JOINS THE TDN WRITERS’ ROOM PODCAST

As the sport continues in its efforts to drastically reduce the number of fatalities that occur in races and in morning training, there’s little doubt that StrideSAFE is going to play an important role in preventing breakdowns.

StrideSAFE is a biometric sensor mechanism that slips into the saddle cloth to detect minute changes in a horse’s gait at high speed. Those changes can, and often do, signal that a horse is in the early stages of having a problem that could lead to a fatal injury. If the StrideSAFE data is made available to trainers and veterinarians, they can use it to make decisions that very well could save a horse’s life.

To learn more about StrideSAFE, we brought in its CEO Dr. David Lambert for this week’s TDN Writers’ Room podcast presented by Keeneland to discuss how the technology works and what it can do to keep our horses safer. Lambert was the Green Group Guest of the week. Cont. p20

The yearling, purchased for Lee and Susan Searing's CRK Stables, was consigned by Runnymede Farm, which also consigned the day's second highest-priced offering, a colt by Gun Runner who sold for $1.15 million to Repole Stable and Spendthrift Partners. Through three sessions, 28 yearlings have sold for seven figures. Thirty yearlings reached that threshold at the entire 2022 auction.

Thirty-nine horses that brought $500,000 or more Wednesday, while 29 horses reached that mark a year ago.

“That's a significant increase,” Keeneland Director of Sales Operations Cormac Breathnach said of that comparison. “And we are up half-a-million ahead of the gross this year compared to a record sale last year. RNAs are just a touch higher than we would want and we are cognizant of that, but the activity is all there. The median and average are just a couple percent higher than they were last year, so it's an extremely good sale. The soft spot is just probably in the buy-back rate and we would like to see that come down. But it's a competitive market and people have good horses that they are willing to protect.”

While the top of the market remains strong, demand underneath those elite offerings remains a major question mark as the Keeneland sale moves into its later books.

“The market has been very strong,” Spendthrift's Ned Toffey said. “The big question is, how long does this hold up? Obviously, you’re starting to see a little bit of a tail-off [Wednesday], but it's still strong. When we get into Books 3 and 4, down to the real meat and potatoes, those numbers are very important. They'll say a lot about the market moving forward. But it’s been strong so far, beginning in [Fasig-Tipton] July and to a greater degree Saratoga. Cont. p4

Book 2 concludes with a Thursday session beginning at 11 a.m. Following a dark day Friday, the Keeneland September sale continues through Sept. 23 with sessions beginning daily at 10 a.m.

McKinzie Half to Mage Brings $1.2 Million

A colt by McKinzie, who is a half-brother to GI Kentucky Derby winner Mage (Good Magic) (hip 669), attracted a final bid of $1.2 million from Dottie Ingordo on behalf of Lee and Susan Searing’s CRK Stable. Ingordo, sitting alongside April Mayberry, signed for the colt in the name of Mayberry Farm.

“He’s a very athletic colt and we would like to have a nice colt,” Ingordo said. “And obviously, there’s a fabulous pedigree, and a young mare, so it has a lot of positives. And you always want one with a lot of presence, and he has that.”

The yearling was consigned by Runnymede Farm on behalf of his breeder, Grandview Equine. He is out of stakes winner and graded placed ‘TDN Rising Star’ Puca (Big Brown), who is a half-sister to Grade I winner Finnegans Wake (Powerscourt {GB}).

Clay’s Grandview purchased Puca for $475,000 at the 2018 Fasig-Tipton November sale. The group sold Mage for $235,000 at the 2021 Keeneland September sale and he re-sold for $290,000 at the 2022 Fasig-Tipton Midlantic May sale. His 2-year-old full-brother, Dornoch, sold for $325,000 at Keeneland last September and was most recently runner-up in the Sapling S. at Monmouth Park Aug. 26 after finishing second on Saratoga debut July 29. “We didn’t know what to expect,” Clay admitted after watching the mare’s yearling colt sell Wednesday. “We knew he was going to sell well, but we didn’t know how far they would go. We had a couple of really interested parties. We are thrilled with that result.”

Puca herself has an upcoming date with the Keeneland sales ring.

“She is in the sale in November,” Clay said of the 11-year-old mare who is carrying a full-sibling to the Derby winner. “We kept the filly, but she is in the sale. She’s never going to be worth more than she is right now, so we are going to try to take some chips off the table and see if we can do it again.”

Grandview retained Mage’s half-sister Gunning (Gun Runner), who RNA’d for $70,000 at the 2020 Keeneland September sale and is now twice stakes-placed.

Grandview was selling its first yearling at the Keeneland sale this year Wednesday, but purchased three colts, going to $1.1 million for a colt by Into Mischief (hip 18); $1 million for a son of Curlin out of Songbird (hip 325); and $400,000 for a son of Nyquist (hip 35).

“It’s hard to buy,” Clay said of the market. “This was the only one we sold, so it was a good sale.”

Hip 669 completed a trio of seven-figure sales for Runnymede Farm, which sold a $2-million son of Uncle Mo (hip 154) Tuesday and a Gun Runner colt (hip 614) for $1.15 million earlier in Wednesday’s session.

“The sense of gratitude is just tremendous,” said Brutus Clay. “We feel so blessed to have the team we have—all the grooms, assistant managers. For me, we have this land that has been in the family, so I can’t take credit for that. To be a good steward of that is incredible.” Cont. p6

Repole, Spendthrift Team for Gun Runner Colt

The partnership of Mike Repole and Spendthrift Partners made its biggest purchase of the Keeneland September sale so far when going to $1.15 million to acquire a colt by Gun Runner (hip 614) Wednesday.

“I was bidding on the wrong horse,” Mike Repole quipped when asked what he liked about the chestnut colt who was consigned and co-bred by the Clay family’s Runnymede Farm.

Repole smiled before continuing, “In my opinion, he was the best colt of the day. The team liked him. He was the only one that we liked a lot. We thought he would go for a little bit less, like we always do. But I think the right people were on him. Sometimes when you get a couple of the right people on them, you pay a little bit more than you want. But he’s a nice horse and we love Gun Runner. We will see.”

The colt is out of Margate Gardens (Speightstown), a full-sister to graded winner Bridgetown.

“He is a perfect mover, very efficient on his feet. He is a very good cross between Gun Runner and Speightstown,” Runnymede’s Romaine Malhouitre said. “He has the power of Speightstown and the quality of Gun Runner. He was an early May foal and he was always compact with that beautiful walk. We knew he would come here and show himself quite well, but we didn’t expect he would go that high.”

The mare was purchased by Runnymede and Peter Callahan for $240,000 at the 2016 Keeneland November sale.

“The mare is owned in partnership with Peter Callahan who has more than 30 years with the Clay family and Runnymede,” Malhouitre said. “We’ve been investing in mares quite a bit the last 10 years. For him to be rewarded like this is special.”

Repole teamed with Spendthrift to purchase three yearlings Wednesday. In addition to hip 614, the partners scooped up a pair of colts by Into Mischief: hip 573 for $650,000 and hip 506 for $300,000. Through three sessions, the group has acquired five yearlings for a total of $3.3 million.

“I think it might be cheaper if I buy half of Spendthrift [Farm],” Repole joked. “I have to ask Eric and Tamara [Gustavson] and maybe they’d consider it.”

Spendthrift is already home to Repole runners Vino Rosso and Mo Donegal and the New Yorker hinted that pair of Grade I winners could soon have company.

“I am enjoying being partners with Spendthrift,” Repole said. “They have Vino Rosso on the farm, they have Mo Donegal on the farm and, I don’t know, maybe one day they will have one of my good 3-year-olds on their farm.”

On his own account, Repole has now purchased 26 yearlings for $9.8 million. @JessMartiniTDN

D.J. Stable 'Zigging When Everyone is Zagging' for a Tapit Filly

The narrative surrounding much of the top-tier yearlings in Keeneland’s Book 1 was dominated by a pair of stallions and buying entities and partnerships looking for the Classic-type colt. The tide appeared to start to shift with the onset of Book 2. Well into Wednesday’s session, D.J. Stable extended to $1.1 million...
for Hip 589, a daughter of Tapit. Jon Green, seated in the pavilion alongside his father Len and trainer Mark Casse, signed the ticket on the Gainesway-consigned filly, who ended the session as the top-priced offering of her sex on the day.

“We went out in the rain and actually looked at her and it was just one of those fillies that, when they come out of the barn, you hope that it is the one that you asked for,” said Jon Green. “She had all the right parts in all the right places. I don’t get enamored with too many horses... certainly this filly took my breath away. Mark Casse, our trainer, went to go look at her independently from us and we compared notes and there was no doubt that she was the No. 1 filly on both of our lists.”

He continued, “I really have to hand it to my father on this one. This is a filly that we all really liked, and I get nervous spending a lot of money on a horse because they’re fragile animals and you don’t know how they’ll react to training and racing, but he had all the confidence in the world in her. From the word go, whenever we were talking about horses, he would say ‘well how does that compare to that Tapit filly’. Obviously, he was very enamored with her. He put his money where his mouth is and we’re all very excited.”

The Feb. 19 foal is out of dual graded-stakes winning Lady’s Island (Greatness), who was purchased by Gainesway for $310,000 at Fasig-Tipton Winter Mixed Sale in 2021. The 9-year-old mare also produced a colt by the Gainesway sire earlier this season. Gainesway also realized a significant score later in the session with Hip 717, a filly by Karakontie (Jpn), who brought $525,000. Her dam, Smart Emma (Smart Strike), was secured by Gainesway for $95,000 at Fasig-Tipton’s Winter Mixed sale in 2020.

Cont. p9
“I’ve never seen a horse change as much in the last 90 days,” said Gainesway’s Brian Graves of the bay filly. “She just really started shaping up, developing, and growing the right way. All the trainers really loved her. She got vetted a ton. She developed at the right time. It’s been one of the best sales we’ve had in a very long time.”

In a market where many of the big money-driven entities were fighting it out for the same yearlings by the ‘now’ stallions, Team Green has opted to take a slightly different approach.

“Our program, we can’t outspend people,” Green said. “We have to look for trends and zig when they’re zagging, so thankfully, we helped set a trend by having an Into Mischief champion [Eclipse Award-winning juvenile filly Wonder Wheel]. But now, everybody is after the Into Mischiefs. You forget that there are really great stallions out there like Tapit, that are now ‘under the radar’ even almost forgotten about because they’re not hot and sexy and new. So, that’s why we’re leaning more into those kinds of horses. You know earlier on we bid on a Candy Ride and got her, we bought a Quality Road, and these are just great sires for colts and fillies.”

D.J. purchased three additional yearlings at Keeneland: in Book 1, Hip 242 ($300,000, Candy Ride {Arg}); and during Book 2, Hip 463 ($525,000, Quality Road) and Hip 614 ($425,000, War Front). --@CbossTDN

More 'Mischief' to Kick Off Book 2

In an ongoing embarrassment of riches, another colt by Into Mischief realized the first seven-figure sum of the afternoon to launch Book 2. West Point Thoroughbreds’ Terry Finley handled the signing duties on behalf of an undefined partnership, that included several of the group’s buying partners from earlier in the sale. Cont. p10

“He’s really athletic and had a great mind,” said Finley. “I think he has a huge amount of upside.”

Consigned by breeder Clearsky Farms, Hip 521 is out of Grade III winner Ever So Clever (Medaglia d’Oro), a daughter of MSW and MGSP Foxy Danseur (Mr. Greeley), and was hammered down for $1.1 million.

Commenting on the colt’s late foaling date, Finley explained, “He is a June 1 foal. My analogy is kind of like he’s a kindergarten kid out on the playground with second and third graders. I’d love to see him in a couple of months to compare and contrast.”

On Wednesday, West Point also went to $600,000 for Hip 540, a colt by Tapit who was consigned by Gainesway; and Hip 681, a colt by Gun Runner purchased in partnership with Talla Racing for $675,000.

Asked about the current atmosphere in the sales and racing markets, Finley explained, “Partners are attracted to our game, especially at the top level, it is intriguing to a lot of people,” he said. “Obviously, we are in the partnership business, and our business is to attract new people. I think they see that our industry is trying to get better, and that is very, very important. And the vast majority are trying to get better. I see other partnerships, trainers and agents are getting new people to the game. Our game can’t do anything but improve for people that come in and are treated fairly and they have a shot at the big time.” –@CbossTDN

Spendthrift Lends Support to Sire Lineup, Enjoys Dream Run at Keeneland

Headed by kingpin Into Mischief, the yearlings by Spendthrift Farm’s stallions offered at this year’s Keeneland September sale have been attracting plenty of attention through the first three days of selling. Among the youngster’s gaggle of pursuers, Spendthrift has been stepping up to expand its own personal stock, headed by several yearlings by its own sire roster.

“We probably focus a little bit more on our stallions,” said Spendthrift’s Ned Toffey. “We like to partner up and we also buy a number of horses with the colt’s group. We are willing to partner on other colts and fillies by other stallions.”

He continued, “We don’t buy horses by our stallions just for the sake of it. They need to be the kind of physical and meet up to the standards for any horse we would buy. It’s a credit to our stallions that we are able to buy a number of them, horses that are meeting those standards.”

After buying six head—alone or in partnership—through Book 1, the operation collected five more on the opening day of Book 2. Leading the way was Hip 614, a colt by Gun Runner who was purchased in partnership with Repole Stable for $1.15 million Wednesday.

“We’re just looking for pedigree and athleticism,” he said. “We like that residual value, that individual that we’ll keep in our broodmare band at the end of the day. And hopefully the colts achieve enough that it’ll be something we want in our stud barn.”

Wednesday’s acquisitions, however, were largely dominated by yearlings by Spendthrift resident stallions, including the most expensive member of the group, Hip 427, a colt by Omaha Beach, who brought $675,000. Cont. p11
Into Mischief is the sire of 15 horses that have sold for $1 million or more this week | David Coyle

“Into Mischief is the sire of 15 horses that have sold for $1 million or more this week,” said Toffey. “He has some really nice athletes, he’s got horses that are breaking their maidens at the right kind of tracks. He’s getting a beautiful animal and they are showing what kind of athletes they are. With his ability and pedigree, he’s starting to live up to people’s expectations of him.”

In partnership with Repole Stable Wednesday, Spendthrift also secured a pair of colts by Into Mischief (Hip 506 and Hip 573) after haltering a colt by the supersire Tuesday (Hip 314, $600,000). “This year, he’s now up to 15 $1-million plus yearlings,” Toffey said of Spendthrift’s marquee sire. “I think his [best quality] is his mental toughness. You probably have to start with ability, but that doesn’t mean anything if they don’t want to try. His offspring try, they are mentally tough and like to compete and to train. They are blue-collar workers in the elite athlete arena.” Spendthrift’s Book 1 purchases was led by a colt by Not This Time, secured in partnership with BSW/Crow Colts Group for $650,000. “It’s very competitive bidding out there, and partnering up seems to be the trend out there right now, and it spreads the funds out a little bit,” he said. “It’s very tough to buy two or three horses and think that you are going to get the kind of results that we’re looking for. So you have to give yourself plenty of chances.”
Keeneland September cont.

Flying solo, Spendthrift also snapped up a trio of yearlings by Authentic through the first three days—Hip 32 (filly, $300,000); Hip 71 (colt, $250,000) on Day 1 and Hip 706 (colt, $375,000) on Day 3.

“This is one of the most select sales in the world, so for a first-year stallion to get the quality mares is one thing, but they still have to get the type of physical that the buyers are looking for,” he explained.

Setting the bar at Keeneland for the stallion thus far, Authentic was represented by Hip 168, who realized a $900,000 final bid from BC Stables on Day 1.

He said, “Authentic has shown through the sale season so far that he’s absolutely doing that. By the number and the sales average that you’re seeing. He’s getting it done.”

Toffey also remains bullish on resident first-season sire Vekoma (Candy Ride {Arg}), who has 10 yearlings catalogued at Keeneland this year, and Thousand Words (Pioneerof the Nile), who will be represented later this sales season.

In Book 1, Vekoma had two sell, headed by Hip 369, who brought $240,000. The Grade I winner’s 2023 fee is $15,000, while Thousand Words stands for $5,000.

“We’re very excited about Vekoma, he is just a lower price point. You’re going to start to see his yearlings come out here now,” he said. “And then later on, at a lower price point, you’ll start to see Thousand Words, who is also a first year horse. He’s a beautiful animal and was a $1-million yearling himself and he’s producing horses that look just like him. The superlatives on the Vekomas have been extraordinary. We expect for those two to sell extremely well. So you should see some really nice example of all of those horses moving forward.” --@CbossTDN

Uncle Mo Colt to Pin Oak

Jim and Dana Bernhard’s Pin Oak Stud, which has enjoyed top-level success this year with GI TVG.com Haskell S. winner Geaux Rocket Ride (Candy Ride {Arg}), acquired a colt by Uncle Mo (hip 528) for $1 million Wednesday at Keeneland.

“He’s a beautiful Uncle Mo colt,” the Bernhards’ advisor Matt Weinmann said. “He had really nice physiology. Uncle Mo is having a pretty incredible sale next to Into Mischief, so we knew he would cost.”

He continued, “Obviously, Book 1 was very, very strong. Probably the strongest Book 1 I’ve seen in my lifetime anyway. I think you are going to pay when there is a good one. And we are hoping this is a good one.” Cont. p13
The yearling was bred by Andrew Black’s Chasemore Farm and was consigned by Hunter Valley Farm. He is out of Flighty Almighty (GB) (Elusive Quality), a half-sister to group winner Boomer (GB) (Kingman {GB}).

“It’s fantastic; a great price for the horse, well above our expectations,” said Hunter Valley’s Adrian Regan. “He’s a lovely colt; very straightforward, very typical of Uncle Mo. I wish them the very best of luck.”

Pin Oak returned later in Wednesday’s session to purchase a colt by Tiz the Law (hip 668) for $550,000, a colt by Munnings (hip 643) for $225,000, a colt by Medaglia d’Oro (hip 733) for $175,000, a colt by Hard Spun (hip 738) for $150,000, and a colt by Volatile (hip 757) for $400,000. @JessMartiniTDN

Searings Find a 'Bargain' Into Mischief

After a bevy of $1-million Book 1 yearlings by Into Mischief, Dottie Ingordo agreed it felt like a bargain to get a daughter of the super sire (hip 451) for $875,000 early in the first Book 2 session Wednesday at Keeneland.

“We rated her at $900,000 to a million,” Ingordo said after signing the ticket as Mayberry Farm on behalf of Lee and Susan Searing’s CRK Stables. “That was right within the scope, so Lee said I got a deal.”

Ingordo, along with her husband, trainer John Shirreffs and April Mayberry and Lisa McGreevy, have been working the Keeneland sale and all agreed this was the filly they wanted.

“She’s a big, strong-looking filly and we love Into Mischief,” Ingordo said. “She had a nice pedigree. John was here and we were doing the inspections and he just thought she was a wow and everybody agreed.” Cont. p14

Colts once again dominated during the first day of Book 2. Of the five $1-million offerings Wednesday, colts weighed in at four with a single filly reaching the seven-figure mark.

Wednesday’s session realized a gross of $64,024,000 (for 209 sold), down 4% from $66,695,000 (219 sold) generated in 2023. Average rose from $304,543 in 2022 to $306,335.

For the first time in the sale, a first-season sire--McKinzie--led the way with a $1.2 million final bid (Hip 669) from Mayberry Farm. The operation also extended to $875,000 for a filly by Into Mischief (Hip 451).

“We recognized early on that every horse has his own unique way of going,” Lambert said. “The sensors would pick up the same pattern for the same horse all the time. But if something were to go wrong with that horse, then that pattern changes and the sensors are able to pick that up. And so the preliminary work was to look at cases where we knew the horses had suffered a fatal injury and try to quantify the nature of the patterns that preceded the fatality. That was the basic research that we had to tidy up, and that’s where we are now. We’ve got that pattern. We can identify each individual horse’s style. We’ve got an elaborate model that can tell us when the changes that are happening in a horse’s body are happening and putting them at greater risk of a fatal injury.”

How effective is it? Originally, horses were put into three categories, red, yellow and green. Red representing the horses at the highest risk of being injured, while green includes the ones at the least risk. They have since changed the categories with horses in category five the most likely to suffer a fatal injury.

“The animals that have the worst signal and are in category five, the worst data, are 300 times more likely to suffer a fatality than are the ones that get the normal signal,” Lambert said. “So we’re able to quantify the amount of risk a horse is at once he’s come out of a race. So the horse is wrong. Here he is. He’s back at the barn. We get the results. And that horse, the data that

Injured an in Aug. 23 spill at Saratoga in the John’s Call S. in which he fractured left wrist and dislocated his right collar bone, jockey Luis Saez has made rapid progress and will by ready to ride on opening day of the Keeneland fall meet on Oct. 6, reports his agent Kiaran McLaughlin.

“He’s doing real well,“ McLaughlin said. “There’s no pain and he’s doing physical therapy. He will be X-rayed in a few days. He’ll be back for sure for beginning of Keeneland, if not a week before. He might ride a couple in Florida because he’s down there.”

With 30 winners already at the meet, Saez was injured just three days before he was to ride GI Kentucky Derby winner Mage (Good Magic) in the GI Travers S. Saez was taken by ambulance to Albany Medical Center. According to McLaughlin, the doctors there told him he would not need surgery. The next day, Saez went to the Bone & Joint Center in Saratoga for a second opinion and was advised to have surgery.

“The night we went to the Albany Medical Center, three doctors were there and they told me surgery was not required,” McLaughlin said. “They said he had a hairline fracture that would heal in a few weeks and his collarbone will go back in place. It was dislocated but will settle back down. That’s when I told people he didn’t need surgery. The next morning we went to the Bone & and Joint Center at Saratoga and they said that he was a professional athlete and, therefore, they decided to put a little screw in his wrist and button back his collar bone to put it back in place. They put a button on top and on the bottom. All three things stayed there. They’ll never come out.”

Original estimates were that he would be out three to five weeks.

“The night we went to the Albany Medical Center, three doctors were there and they told me surgery was not required,” McLaughlin said. “They said he had a hairline fracture that would heal in a few weeks and his collarbone will go back in place. It was dislocated but will settle back down. That’s when I told people he didn’t need surgery. The next morning we went to the Bone & and Joint Center at Saratoga and they said that he was a professional athlete and, therefore, they decided to put a little screw in his wrist and button back his collar bone to put it back in place. They put a button on top and on the bottom. All three things stayed there. They’ll never come out.”

Original estimates were that he would be out three to five weeks.
Saez cont.
During his downtime, Saez spent time at his home in Florida with his family.

“His mental outlook has been great,” he said. “He’s at home with his wife and three daughters and he loves that, loves being with them.”

Saez won last year’s Keeneland fall meet by a 21-20 margin over Tyler Gaffalione. McLaughlin is optimistic that his client will have another big meet.

“He’s in good shape,” McLaughlin said. “His weight is good. He’s very strong. Everything has gone well so far. Can we pick up where we left off? A lot of that falls on the agent. Hopefully, we will have some nice mounts starting back and good support from the people in Kentucky. We already have some stakes mounts.”

JUDGE: 'SUBSTANTIAL OVERLAP' OF PLAINTIFFS IN MULTIPLE ANTI-HISA SUITS 'INDICATIVE OF IMPROPER MOTIVE'

by T. D. Thornton

A lawsuit spearheaded by the states of Louisiana and West Virginia that is trying to derail the Horseracing Integrity and Safety Act (HISA) via alleged constitutional violations was dealt a setback Wednesday when a federal judge recommended that an amended version of the complaint be stricken from the record.

That recommendation, if it gets put into place by a final order, would bar 14 individual Horsemen's Benevolent and Protective Association (HBPA) affiliates, plus a wide swath of states, racing commissions, and individual racetracks from becoming parties to the 14-month-old lawsuit.

Magistrate Judge David Ayo of the United States District Court (Western District of Louisiana) also recommended in his 13-page report that the original case be stayed pending the outcome of a separate, but similar Fifth Circuit Court appeal that is headed by the National HBPA and is also trying to stop HISA from operating based on other alleged constitutional violations. Oral arguments in that case are scheduled for Oct. 4, but it could then be months before a Fifth Circuit decision gets issued.

The judge minced no words in his Sept. 13 report, which in part scolded the original and would-be plaintiffs for wasting the court's resources with "substantial overlap of parties" and their "multiple suits challenging the Act," referring to litigation that is either currently swirling in the federal court system or has already been adversely adjudicated against some of the plaintiffs over the course of the last 2 1/2 years.

"After an exhaustive review of the landscape of suits challenging the Act, this Court concludes that Plaintiffs' amended complaint is the result of deliberate strategy and not excusable neglect and, for that reason, is a 'bad faith amendment' within the Fifth Circuit's interpretation of that term," the judge wrote.

"Additionally, Plaintiffs' amendment is an abuse of procedure and an impermissible use of judicial resources. Finally, there can be no doubt that the shuffling of plaintiffs from one suit to another in this manner prejudices Defendants. This litigation tactic is duplicative and the very definition of 'piecemeal.'"

The original plaintiffs in the June 29, 2022, lawsuit were the state of Louisiana, its racing commission, the Louisiana HBPA, the Louisiana Thoroughbred Breeders Association, the state of West Virginia, its racing commission, and five individuals regulated as "covered persons" under HISA. The Jockeys' Guild was also an original plaintiff, but it opted out of the lawsuit on Dec. 23, 2022, after Congress had just passed and President Biden was about to sign into law the amended version of HISA that is now in effect.

The defendants, who consist of the HISA Authority, the Federal Trade Commission (FTC), and board members and overseers of both entities, are alleged by the plaintiffs to have violated the Fourth, Seventh and Tenth Amendments to the U.S. Constitution, plus the Administrative Procedure Act (APA), which governs the process by which federal agencies develop and issue regulations.

On Feb. 6, 2023, the plaintiffs filed an amended complaint to the lawsuit, with the chief changes being the addition of the broad new slate of new plaintiffs.

After the defendants moved to strike the amended complaint on Mar. 6, the plaintiffs followed up three weeks later by filing a memorandum in support of allowing the new entities.

"Defendants suggest that Plaintiffs engage in something sinister by seeking amendment to request expanded relief," the plaintiffs' Mar. 27 court filing stated. "But parties across the country routinely amend to seek expanded relief without issue."

Not so, rebutted the defendants, who in an Apr. 3 court filing characterized the alleged piling-on of plaintiffs as "maneuvering" intended to "piggyback" upon temporary relief from HISA's rules that had already been granted via a stay to the states of Louisiana and West Virginia.

The Sept. 13 report by Judge Ayo explained why he sided with the HISA Authority and the FTC in recommending that the amended complaint be stricken.

"[G]roups of plaintiffs, including the State of Louisiana and the Louisiana HBPA, have already litigated the constitutionality of the Act, as amended, creating substantial overlap among these suits as to parties and claims," the judge wrote. "To the extent Plaintiffs would draw a distinction between this suit and those now on appeal to or decided by various circuit courts of appeals based on the inclusion of APA claims, this Court concludes that such argument must fail based on considerations of claim
splitting."

In federal courts, a rule against "claim splitting" prohibits parties from simultaneously initiating multiple suits involving the same subject matter against the same defendants. Application of the rule does not require that the claims or parties be identical in each suit. A court may find improper claim splitting where the claims in the more recent suit arise from the "same nucleus of operative facts" as those advanced in a prior suit.

Judge Ayo continued, writing in a footnote at a different point in the report that, "this Court is mindful of the benefit of allowing an issue to 'percolate' in the various district courts and courts of appeals.

But, the magistrate judge added, "Plaintiffs leapfrogging from one case to another in different district and circuit courts in the wake of unfavorable rulings does little to further this objective."

Judge Ayo's report and recommendations now go to Chief U.S. District Judge Terry Doughty, who is overseeing the underlying lawsuit. Both sides in the case will have 14 days to file specific, written objections, after which Doughty will issue a final decision at the district court level that will be appealable to the U.S. Court of Appeals.

As the national ombudsman, which is modeled after the World Anti-Doping Agency's Ombuds Program, Foreman's responsibilities include:

- Serving as an impartial and unbiased resource for Covered Persons and other Thoroughbred industry constituents to provide confidential advice and assistance at no cost to them in relation to the ADMC Program and the Racetrack Safety Program, including with respect to the rights and obligations of Covered Persons under both Programs.
- Accepting feedback and comments from Covered Persons and other Thoroughbred industry constituents with respect to the rules comprising both Programs and communicating such feedback and comments to HISA and/or HIWU.
- Providing advice to HISA and HIWU about the content and interpretation of the rules comprising both Programs.

In addition to Foreman's current position with the THA, which he is maintaining, Foreman is recognized as one of the leading racing law and equine attorneys in the United States, with expertise in medication, drug testing, equine safety, and welfare. His law practice encompasses all aspects of equine and horse racing law, and he is counsel to many horsemen's and racing industry organizations, including the Maryland Thoroughbred Horsemen's Association, New York Thoroughbred Horsemen's Association, Pennsylvania Thoroughbred Horsemen's Association, National Steeplechase Association, and the United States Equestrian Federation Drugs and Medications Program. He is co-vice chair of the Racing Medication & Testing Consortium. He chairs the Mid-Atlantic Strategic Plan to Reduce Equine Fatalities, co-authored the widely respected New York Task Force Report on Racehorse Health and Safety, and was recently named by Maryland Governor Wes Moore to the newly created Maryland Thoroughbred Racetrack Operating Authority.

Foreman has informed HISA and HIWU that he will donate all compensation paid to him by both groups in connection with his duties as ombudsman to the Thoroughbred Aftercare Alliance.

"HISA’s commitment to fairness in racing includes ensuring every horseman is fully aware of our rules and processes,” said HISA Chief Executive Officer Lisa Lazarus. "I am grateful that Alan is assisting HISA and HIWU to help educate racing participants and listen and learn from them as we work together to implement HISA’s regulations as evenly and effectively as possible."

"The new ombudsman position will assist horsemen and other Covered Persons with navigating the ADMC rules, thus enhancing understanding and facilitating compliance under the ADMC Program," said Ben Mosier, executive director of HIWU.

"Alan’s extensive experience in horse racing law, combined with a thorough understanding of HISA’s rules, make him the ideal industry representative to take on this role." Cont. p24

GSW Dennis’ Moment (Tiznow) will stand the 2024 breeding season at Golden Creek Equine in Cheyenne, Wyoming, part-owner CJ Thoroughbreds said in a release Wednesday. The 6-year-old is co-owned by Eugene Joyce and will stand for a fee of $1,500. A limited number of lifetime breeding rights are also available.

Although Wyoming has a long history of horse racing and is the final resting place of the sport’s first Triple Crown winner, Sir Barton, the state’s live racing scene nearly disappeared until HHR was legalized a decade ago. Since then, horse racing has seen a resurgence with $5.2 million awarded to owners, breeders and stallion owners who participated in the Wyoming Breeders Awards Program in 2022.

“I was around Dennis’ Moment early in his career and was really impressed with his brilliance, looks and class,” said Corey Johnsen of CJ Thoroughbreds. “It is an honor to own him now and be able to offer a stallion of his quality to breeders in Wyoming and the region. The Cheyenne location makes him accessible to mare owners in Colorado and Nebraska.”

Golden Creek Equine encompasses 100 acres near Cheyenne with another Wyoming location of 2,400 acres.
TERF AWARDS $2,500 TO AMPLIFY HORSE RACING

The Thoroughbred Education and Research Foundation (TERF) has awarded $2,500 to Amplify Horse Racing to be used for educational, mentorship and career opportunities, the organization said in a release Wednesday.

Amplify Horse Racing’s mission is to expand careers and education in the Thoroughbred industry by supporting and enhancing existing educational and engagement initiatives, while creating and developing new opportunities. They seek to open doors for anyone to be involved by welcoming all backgrounds, organizations, initiatives, riding disciplines and age groups.

“Thanks to grant support from TERF, Amplify Horse Racing has been able to facilitate 30 mentees in 2023—more than any previous year,” said Annise Montplaisir, President & Co-Founder. “Our mentorship program connects youth and young adults who have an interest in the Thoroughbred industry, but limited experience or connections, with industry mentors who provide guidance and support on their learning journey. With the help of organizations like TERF who share our educational mission, Amplify is going to continue expanding and building pathways for the next generation to be involved in the Thoroughbred industry.”

Crown Imperial, beaten just a nose by the streaking Amidst Waves (Midshipman) in Saratoga's Bolton Landing S. Aug. 20, delivered a 13-1 upset in Wednesday's $500,000 Pepsi Untapable S. at Kentucky Downs.

She was outsprinted in eighth through scorching early fractions of :20.79 and :44.32, and, after diving toward an inviting opening toward the inside beneath Ricardo Santana, Jr. in the stretch, came alive to get the money over Copper Em.

A debut winner over the dirt in Indiana May 31, she hit the board in her next two attempts versus stakes company, finishing a close second in the Prairie Gold Lassie S. July 7 and third while making her grass debut in the Colleen S. at Monmouth Park July 29.

a colt by Goldencents in 2023. The Classic Empire/Congrats cross is also responsible for 2022 GII Gotham S. winner Morello.

"She is what we call tiny but mighty," winning trainer John Ortiz said. "She's a small filly with the biggest heart. She got started in Ocala with (GI Spinaway S. winner) Brightwork (Outwork). They were partners, stablemates down there. I think they were doing a little planning in the paddock, I guess. They knew they wanted to be the best, so here we are."

He added, "Obviously it's early, but Keeneland has a 'Win and You're In' (for the Breeders' Cup Juvenile Fillies Turf). I guess you could consider taking her straight there. We'll just see what happens in the next three weeks."

VOTE NO (Divisidero) becomes the first SW for his freshman sire. (click to watch)

GROUP 1 WINNER
GOOD GUESS TO STAND AT TALLY-HO STUD

Good Guess | Scoop Dyga
Tally-Ho Stud has snapped up G1 Prix Jean Prat winner Good Guess (GB) to join its stallion roster for 2024.

Trained by Fabrice Chappet in France, Good Guess had the 2,000 Guineas winner Chaldean (GB) (Frankel {GB}) and other high-class horses such as subsequent G1 Prix du Moulin winner Sauterne (Fr) (Kingman {GB}) behind him when landing his Group 1 at Deauville.

He will stand alongside his sire Kodiac (GB), who has served Tally-Ho proud since joining the roster in 2007, at the stud next year.

"We are delighted to be adding Good Guess to our roster," said Tally-Ho Stud's Roger O'Callaghan. "As one of Kodiac's best sons, it is very satisfying to be standing him in the same stallion yard as his sire.

"Kodiac already has a number of successful sons at stud and in Good Guess, we are delighted to be offering a son who was not only a precocious two-year-old but also trained on into the one of Europe's best three-year-olds. He is also a very good-looking horse, as underlined by his yearling sales price of 420,000gns."

Good Guess has won four of his nine starts for Chappet and carried the colours of Hisaaki Saito throughout his career. As well as showing top-class form as a three-year-old, Good Guess had the precocity to win over five furlongs on debut at Chantilly.

GOFFS ANNOUNCE DUBAI BREEZE-UP SALE SUSPENDED FOR 2024
The Dubai Breeze-Up Sale, which took place for two seasons in association with Goffs, will not be staged in 2024, the sales company announced on Wednesday.

The sale falling within the Holy Month of Ramadan was put forward as the main reason for the postponement of the first and only breeze-up sale in the Middle East, with the Dubai Racing Club stating it "would like to commend the partnership with Goffs who conducted both sales with huge professionalism and look forward to the opportunity to explore potential collaborations with Goffs in the future, under more favourable circumstances."

Goffs Group Chief Executive, Henry Beeby said, "Goffs were privileged to be appointed by the Dubai Racing Club and I would like to thank DRC Chairman, Sheikh Rashed bin Dalmook Al Maktoum and Chief Executive, Major General Dr. Mohammed Essa for their trust and confidence." Cont. p7

Chappet commented, "Good Guess is an extremely classy horse. The Prix Jean Prat is always a good test of a three-year-old, being over seven furlongs on a straight track, and Good Guess won the race over a strong field very easily. "He also came to hand early as a two-year-old, had a very good turn of foot and is good-looking, so he should be an exciting prospect for breeders."

Good Guess is the first Group 1-winning son of Kodiac to stand in Britain and Ireland. A renowned influence for quality two-year-old speed, Kodiac has emerged as a successful sire of sires with sons such as Ardad (Ire), Coulsty (Ire), Kodi Bear (Ire) and Prince Or Lir (Ire) each represented by Group 1 performers in the past two seasons.

Good Guess was purchased for 420,000gns by Sebastien Desmontils’ Chauvigny Global Equine at Book 1 of the Tattersalls October Sale. He was bred by Cheveley Park Stud and belongs to one of their most successful families as a son of Zykina (GB), a Pivotal (GB) daughter of Russian Rhythm, whose four Group 1 victories included the 1,000 Guineas.

‘IT’S A LOVE STORY’: AMERICA AND JAPAN BECKON FOR FANTASTIC MOON by Emma Berry

Despite having run out the convincing winner of the G2 Prix Niel, one of Sunday’s key Arc trials at Longchamp, the Deutsches Derby winner Fantastic Moon (Ger) (Sea The Moon {Ger}) will not run in this year’s G1 Prix de l’Arc de Triomphe. Instead he has potential trips to America and Japan on his agenda, according to Lars-Wilhelm Baumgarten, who manages the colt’s ownership syndicate Liberty Racing.

“We have decided not to sell him. We've had big offers from all over the world but we have decided to run him. It’s a love story, it’s an adventure and we will go this way,” Baumgarten told TDN on Wednesday morning.

Fantastic Moon is trained in Munich by Sarah Steinberg, a rising star of the training ranks. Earlier this season she became the first female trainer of a Deutsches Derby winner after nothing her first Group 1 success the previous year in the Grosser Preis von Baden with Mendocino (Ger) (Adlerflug {Ger}).

Baumgarten continued, “It’s only 18 days between his journey back to Munich after the Prix Niel and then back to Longchamp, and in our opinion that is too much for him. He loves to have a break of about six weeks between races and we believe that he will be a very good four-year-old.

“He’s fit and well. He had a vet check today and we are very happy with him and we want to go to the big races next year. We want to create a sire. The Arc is a big, big race and it could be run on soft ground, nobody knows at the moment. He loves good ground, so the Breeders’ Cup Turf at Santa Anita and the Japan Cup, which is also considered, are safer when it comes to finding good ground.”

In a statement released by Liberty Racing, Sarah Steinberg said, “I am obviously very happy about this decision and very grateful. Fantastic Moon is a great horse who is still maturing and therefore he needs an appropriate break between races.”

Baumgarten’s Classic success in Germany in 2023 has not been confined to his involvement with Fantastic Moon. Cont. p4

He is the co-breeder of the G1 Preis der Diana winner Muskoka (Ger), who is also by Sea The Moon, and he retains a 25% share of the filly along with three partners.

On Tuesday it was announced that Muskoka would be one of three German Classic winners to be auctioned at Arqana’s Arc Sale on the eve of the Prix de l’Arc de Triomphe, along with 2,000 Guineas winner Angers (Fr) (Seabhc) and last year’s Derby winner Sammarco (Ire) (Camelot (GB)).

Baumgarten added, “We will sell Muskoka at the Arc Sale if the price is good. She has a nomination for the Prix de l’Opera on that weekend. I still have her mother and I have her sister.”

LE HAVRE’S CASAPUEBLO A NEW ‘TDN RISING STAR’ AT CHANTILLY by Sean Cronin

Godolphin’s €130,000 Arqana October acquisition Casapueblo (Ire) (Le Havre (Ire)—Uruguay (Ire), by Authorized (Ire)) justified 7-5 favouritism by overcoming traffic issues and was elevated to the ‘TDN Rising Star’ ranks with a taking display in Wednesday’s Prix de la Maniguette at Chantilly.

The eventual winner lobbed along in third through steady early stages, but slipped to fourth when brake-checked and impeded approaching halfway in this debut. Full of run along the rail when encountering heavy traffic passing the quarter-mile marker, he found an open lane inside the final 300 metres and unleashed a powerful turn of foot to win, going away, by a length from Ouro Preto (Fr) (Wootton Bassett (GB)). Casapueblo becomes his sire’s third Rising Star and he joins G1 Poule d’Essai des Pouliches and G1 Prix de Diane runner-up Commes (Fr) and G3 Prix de Guiche third Another Sky (Fr) on the list.

“He had been working well in the mornings and we hoped to see him confirm it on the racecourse,” said Godolphin’s Louise Benard. “We really liked what we saw and no doubt he will stay further in due course. Anthony Stroud liked him at the Arqana October sale and bought him, even though this is not the type of horse Godolphin is looking at in a sale. It has paid off and we will now see what Mr. Fabre wants to do with him.”

Casapueblo is the latest of five reported foals and fourth scorer from as many runners produced by a winning half-sister to MGSP sire Urban King (Ire) (Desert King (Ire)) and the dual stakes-placed Victoria College (Fr) (Rock Of Gibraltar (Ire)).
Casapueblo Cont.

Victoria College, in turn, is the dam of G2 Prix Chaudenay and G3 Prix de Lutece placegetter Lucky Look (Fr) (Teofilo {Ire}), G3 Prix de Conde runner-up Millfield (Fr) (Whipper) and Listed Prix Volterra third La Poutanesca (Ire) (Falco). Casapueblo’s G3 Premio Umbria-winning second dam Uruk (GB) (Efisio {GB}) is a half-sister to stakes-winning G3 Chester Vase and G3 September S. runner-up All The Aces (Ire) (Spartacus {Ire}). The April-foaled bay is a half-brother to G3 Prix Miesque victrix Dame Du Roi (Ire) (Dark Angel {Ire}).

DONCASTER: DARNATION TAKES AIM AT THE MAY HILL by Tom Frary

Fresh from celebrating a Group 1 success with one of his 2-year-old fillies on Sunday, Karl Burke is looking to continue that run in Doncaster’s G2 May Hill S. on Thursday with the standard-setting Darnation (Ire) by the Moyglare heroine Fallen Angel’s sire Too Darn Hot (GB). Following up a 10-length novice win at Thirsk in July with success in the G3 Prestige S. at Goodwood last month, Newtown Anner Stud Farm’s homebred is up to a mile but her trainer has no concerns on that score.

“The trip, the track, the ground and everything will suit,” he said. “She’s not a flashy work horse at home, but she seems very well and any rain I would imagine will be to her advantage—it certainly won’t be a disadvantage to her. She was very tough down at Goodwood and she put up a very good performance to break her maiden at Thirsk. That form was franked to a degree, with the second horse that she beat 10 lengths coming out and winning next time. I can’t hand on heart say she’s in the league of Fallen Angel, but she’s obviously a talented filly and she goes there as the top-rated horse in the race, so it’s very exciting.”

Too Darn Hot is also represented by Sheikh Mohammed bin Khalifa Al Maktoum’s Southwell and Beverley winner Zenjabeela (GB), while other unexposed types yet to try black-type company include St Albans Bloodstock’s 7 1/2-length Salisbury maiden scorer Romanova (GB) (Golden Horn {GB}) from the Ollie Sangster stable. Newmarket novice winners Meribella (GB) (Sea The Stars {Ire}) and See The Fire (GB) (Sea The Stars {Ire}) from the Ralph Beckett and Andrew Balding stables, respectively, are also trying black-type for the first time.

The card also sees the G2 Park Hill Fillies’ S., or “Fillies’ St Leger”, with Ben and Sir Martyn Arbib’s runaway G2 Lillie Langtry S. winner Sumo Sam (GB) (Nathaniel {Ire}) looking to defy a penalty and prove she is no one-trick pony on this less-demanding surface.

Making Waves Cont.
Bred by Knockainey Stud, the 30,000gns Tattersalls October Book 3 buy-back raced in their purple-and-gold-checked silks for her first four starts, which were good for a pair of placings. Transferred from the yard of Ken Condon to Phil D’Amato, the second foal out of the winning Dark Angel (Ire) mare Namibie (GB) is a half-sister to a pair of colts—a yearling by Earthlight (Ire) who sold for £45,000 post-sale to Peter and Ross Doyle Bloodstock at the Goffs UK Premier Yearling Sale; and a weanling by Waldgeist (GB). Her second dam is the G3 Prix du Calvados heroine Mambia (GB) (Aldebaran).

One of 13 winners for her Coolmore Stud-based freshman sire, the filly is his second winner in America from three runners (66%). His first, Angiolletta (Ire), is also out of a Dark Angel mare and took third in the Listed Del Mar Juvenile Fillies Turf S.

Honourable Mention
Bregman Family Racing, LLC & WWBD LLC’s No Nay Mets (Ire) (No Nay Never) won for the third time in four starts with a victory in the Exacta Systems Rosie’s S. (video). First featured in this column in May, this colt has won a trio of American stakes, with his only blip a ninth in the G2 Norfolk S. at Royal Ascot.

KEATLEY AIMING BALLYMOUNT BOY AT THE JEAN-LUC LAGARDERE

Adrian Keatley is preparing Ballymount Boy (Ire) (Camacho {GB}) for a tilt at the G1 Prix Jean-Luc Lagardere at ParisLongchamp.

Bought by the emerging force of Wathnan Racing after finishing second to Vandeek (GB) (Havana Grey (GB)) in the G2 Richmond S., Ballymount Boy went on to fill the runner-up spot in the G3 Acomb S. at York.

Connections are now eyeing Group 1 glory on Arc weekend and the Classic-winning trainer has reported the colt to be training well.

Keatley said, "He’s doing very well after York, we’re very pleased with him and our plan is to go over to France for Lagardere. I think that will suit him, seven furlongs on the track there, and when you look at the form, he has some of the best form there so we’d like to think he’d go very close."

Reflecting on the Acomb, he added, "The way the race was run, he was just behind the pace. He was only really getting going and he ran the fastest final furlong, which shows you that was when he was doing his best work." Cont. p8
Ballymount Boy Cont.
The trainer added, "He still ran a good race and now we can position him in the first few as he does take a while to hit top gear. We’re really looking forward to running him."

**JOHANNES BRAHMS TAKES AIM AT DONNY SALES RACE**

14.25 Doncaster, Cond, £300,000, 2yo, 6f 11½

**JOHANNES BRAHMS (GB)** (Siyouni {Fr}) earned TDN Rising Star status on debut at Naas in May and has done nothing wrong in two subsequent starts, meeting one too good in the Listed Windsor Castle S. at Royal Ascot and in York’s G2 Gimcrack S. Aidan O’Brien brings him to Doncaster for this Weatherbys Scientific £300,000 2-Y-O S., where Kennet Valley Syndicates’ unbeaten **Dragon Leader (Ire)** (El Kabeir) lies in wait with 10 pounds less to carry than the Ballydoyle colt due to median price of their sires’ yearlings sold last year. Johannes Brahms’ rider Ryan Moore knows all about Dragon Leader, having ridden the Clive Cox-trained colt to an impressive success in York’s Goffs UK Harry Beeby Premier Yearling S. last month.

17.25 Naas, Debutantes, €16,000, 2yo, 7f

**GALLANTLY (GB)** (Frankel {GB}) debuts in the silks of his breeder Peter Brant, with the Ballydoyle newcomer owned in partnership with messrs Magnier, Tabor and Smith a son of the G1 Poule d’Essai des Pouliches heroine Precieuse (Ire) (Tamayuz {GB}) who went on to add the GIII Honey Fox S. to her tally under the care of Chad Brown. Donnacha O’Brien saddles **At Dawn (Ire)** (Galileo {Ire}) in the Westerberg colours and she is the first foal out of the G3 Killavullan S. winner Coral Beach (Ire) (Zoffany {Ire}).

**HOW THEY FAREWED**

Aidan O’Brien trainee **Greenfinch (Justify)**, a half-sister to Roly Poly and **U S Navy Flag** out of four-time Group 1 heroine Misty For Me (Ire) (Galileo {Ire}), was never a factor and finished seventh of 10 on debut.

13.45 Punchestown, Mdn, €12,000, 2yo, 8f

Ballydoyle newcomer **Fighter (Ire)** (Frankel {GB}), a half-brother to G1 Irish Derby hero Trading Leather (Ire) (Teofilo {Ire}), raced on the front end until headed on the home turn and faded in the straight to finish eighth of 10 on debut.

Wednesday’s Results:
3rd-Kempton, £6,800, Mdn, 9-13, 2yo, f, 6f (AWT), 1:14.21, st/sl.
FAIR ANGELICA (GB) (f, 2, Harry Angel {Ire}--Fair’s Fair {Ire}, by Lawman {Fr}), sent off the 3-1 joint favourite, missed the break and raced towards the rear throughout the early stages. Making her move up the rail in the straight, the hooded bay who was unsold at only £2,000 at the Tatts Ascot November Sale hit the front 100 yards out en route to a 1 1/4-length success from Shallow (GB) (Rajasinghe {Ire}). The dam, whose son of Sergei Prokofiev is catalogued in next month’s Tatts Book 3 Sale, hails from the family of the G1 Prix Saint-Alary heroine Coquerelle (Ire) (Zamindar) and the G3 Prix du Lys scorer Spring Master (GB) (Mastercraftsman {Ire}). STAR MUSIC (GB) (f, 2, Zoustar {Aus}--Fast Lily {Ire}, by Fastnet Rock {Aus}), third over six furlongs at Newbury last month, quickly held the advantage on the front end. Sent clear in early straight, the 11-8 favourite hit the line with 7 1/2 lengths to spare over Gaasyah (Ire) (Inns Of Court {Ire}). The dam, whose son of Sergei Prokofiev is catalogued in next month’s Tatts Book 3 Sale, hails from the family of the G1 Prix Saint-Alary heroine Coquerelle (Ire) (Zamindar) and the G3 Prix du Lys scorer Spring Master (GB) (Mastercraftsman {Ire}). IRELAND

Wednesday’s Results:
1st-Punchestown, €15,000, Mdn, 9-13, 2yo, f, 7fT, 1:28.69, g/y.
RISING SIGN (GB) (f, 2, Frankel {GB}--Quail {GB}, by Pivotal {GB}) settled off the tempo along the fence in sixth for most of this unveling. Nudged along when angled to the outside in early straight, the 9-4 second choice made continued progress under pressure to challenge Grand Job (Justify) passing the furlong pole and surged clear in style to outclass that rival by an impressive 4 1/2 lengths. “She is very much a work-in-progress and can be a bit buzzy,” revealed trainer Ger Lyons. “We knew she had that in her, all our fillies are ready like that, but it wasn’t all about today. Like a lot of Irish maidens, you don’t know what you’ve beaten, but she was trained to enjoy the experience and it was all about tomorrow. She quickened away and I love how she ran from [after] the winning post to the hill. That was the most impressive part I thought. We’ll discuss plans with Barry [Mahon] and see how she comes out of it, but there will be no rush back and you might not see her until a trial next year.” Rising Sign is the second foal and scorer produced by an unraced full-sister to Listed Fleur de Lys Fillies’ S. victrix Forgive (GB) (Pivotal {GB}). Her second dam Amira (GB) (Efisio {GB}) is a winning half-sister to G2 Diadem S.-winning sire Acclamation (GB) (Royal Applause {GB}). The March-foaled homebred chestnut is a full-sister to a yearling filly and a weanling colt. Lifetime Record: 1-1-0-0, $9,679. O-Juddmonte; B-Juddmonte Farms (East) Ltd (GB); T-Ger Lyons.
2nd-Punchestown, €12,000, Mdn, 9-13, 2yo, 8fT, 1:42.63, g/y. OCEAN CONQUEST (GB) (c, 2, Time Test (GB)—Lady Glinka (Ire), by Galileo (Ire)), encountered the TDN Rising Star performance of subsequent G2 Futurity S. and G1 Vincent O’Brien National S. hero Henry Longfellow (Ire) (Dubawi (Ire)) when fourth over seven furlongs at the Curragh in his July 16 debut and ran fifth upped to one mile for his second start back at the Co. Kildare track last month. Hounding the leading duo in a close-up third after an alert break here, the 5-4 favourite gained outright control rounding the home turn and was ridden out inside the final quarter-mile to comfortably account for Shamsuddin (Ire) (Siyouni (Fr)) by 3 1/4 lengths. “He’s a horse we’ve thought a lot of and I was a bit disappointed the last day the way the race worked out as it turned into a bit of a sprint, but I’m delighted to break his maiden tag,” said trainer Michael O’Callaghan. “Dylan [Browne McMonagle] made it simple today and grabbed the race by the scruff of the neck early. We told him he’d stay and he just went through the gears with him, but he was plenty green when he got there. He has loads of ability, but he’s a work in progress and mentally just needs to grow up a bit more. He’s bred to get a mile-and-a-half next year and he has plenty of pace. He’s in the [G2] Beresford, but he’s had three runs and I might bite the bullet and put him away until next year.”

Ocean Conquest is the seventh of nine foals and third scorer out of an unraced full-sister to G1 Criterium de Saint-Cloud runner-up and MGSW sire Mikhail Glinka (Ire) (Galileo (Ire)). His second dam Lady Karr (GB) (Mark Of Esteem (Ire)) is a winning full-sister to recently pensioned G1 Derby and G1 Dewhurst S.-winning sire Sir Percy (GB). The February-foaled bay is full to a yearling filly and half to a weanling filly by Sottsass (Fr). Sales history: 67,000gns Wlg > 21 TADEWE; 200,000gns 2yo > 22 GOFFEB.
