LEXINGTON, KY - The Keeneland September Yearling Sale continued to match the figures from its blockbuster 2022 renewal with colts by Curlin and Not This Time bringing seven figures during a competitive concluding Book 2 section Thursday.

“Today was a very steady, good healthy market,” said Keeneland Vice President of Sales Tony Lacy. “We were tracking the median all through the day and it never moved at all. It was very, very steady. Overall, I think people were very happy. I think there was a confidence that, if you brought a product that people really liked, you were going to get well rewarded. There was definitely a lot of trade going on and there was good energy. It wraps up the first week that equates almost identically to last year, which was incredible.”

The two sessions of Book 2 saw 416 head gross $117,375,000 for an average of $282,151 and a median of $225,000.

During the 2022 Book 2 section, 449 yearlings sold for $123,330,000. The book average was $274,677 and the median was $225,000.

Eight million-dollar yearlings, including a $1.7-million son of Quality Road, sold during the section.
Through four sessions, 637 horses have sold for $234,300,000. The average is $367,818—up 3.83% from the corresponding 2022 figure—and the median was up 9.09% to $300,000.
Thursday's buy-back rate was 30.77%, up from the 2022 fourth session figure of 28.13%, while the cumulative buy-back rate stands at 28.67%. It was 25.50% at this same point a year ago.
“I think today there was a great energy for the preferred offerings,” said Keeneland Director of Sales Operations Cormac Breathnach. “The RNAs were a little higher, there is selectivity creeping into the market, but it’s still a very healthy robust market with a lot of good trade, a lot of domestic interest.”
Seven horses sold for $1 million or more during Book 2, bringing the total for the four-day auction to 30. That matches the figure from the 2022 and is the most at a September sale since 32 sold for seven figures in 2007.

Bloodstock agent Lauren Carlisle made the highest bid of Thursday's session, going to $1.1 million to acquire a colt by Curlin from the Taylor Made Sales Agency consignment. Earlier in the session, West Point Thoroughbreds and Mike Talla paid $1.05 million from the St George Sales consignment.
Despite the strength at the top of the market, sellers were casting a wary eye at both the buy-back rate and the number of late outs as the September sale marches into its second week.
“I think the market is very good on the top end, you know for very, very top offerings, the market is outstanding,” said Taylor Made's Mark Taylor. "I think in the middle market, we’re finding more polarization and the buyers are a little finicky. If there’s any vet stuff, that’s even a miss at all, people are taking a wait-and-see cautious approach. And that’s why I think the buy-back rate is trending a little bit higher throughout the sale." KEENELAND SEPTEMBER BOOK 2

“It will be interesting to see what happens in Book 3. Keeneland has done a nice job at pushing better physicals forward into Book 1, and I think in some ways that might have weakened Book 2 physicals a little bit. There might have been some well-pedigreed horses that were average physicals that used to go into Book 1, but now are in Book 2 and I think that Book 3 is going to be really strong physicals at the heart of the middle market and there’s going to be more buyers that we haven’t even seen. So I expect things to keep kind of just the domino effect going forward with some strength in the market. We’ll see, we’re not even to half time yet. We still have to see what the market will do the rest of the way.”

Lincoln Collins oversaw a contingent of Woodford Thoroughbred offerings, with the operation selling five of six yearlings during the first four September sessions.

“This is a funny market here,” Collins said. “We’ve been fortunate so far. That’s something of an exception the way it is going at the moment. When you look at the number of horses that aren’t selling—when you calculate the buy-backs and the late outs—it’s slightly nerve-wracking. It’s very much all or nothing. Sometimes even if you have the right horse, it doesn’t come out to your expectations.”

With a dark day Friday, the Keeneland September sale continues through Sept. 23 with sessions beginning daily at 10 a.m.

$1.1M Curlin Colt Tops Thursday Action

Half way through Thursday’s action, Hip 977, a colt by Curlin, reeled in $1.1 million final bid from agent Lauren Carlisle on behalf of an undisclosed client.

“He looks really fast and, hopefully, he proves that,” said Carlisle. “He has a really good walk and looks very athletic. We’re looking for a nice two-turn colt. Hopefully, he can be that horse.” Cont.
Weighing in on the price, she said, “I was worried that the price would be that high. I did not want it to be but that is how it is right now.”

The Mar. 3 foal is out of GII Lexus Raven Run S. scorer Miss Sunset (Into Mischief), who also finished runner up in the GI Madison S.

This family also represents dual graded stakes winner Prayer for Relief.

The colt was bred by Breeze Easy, who purchased the mare for $825,000 at Fasig-Tipton November Sale in 2018.

“He is a very just well balanced colt, and the main thing about him was he was very athletic—he has good angles and is well put together,” said Mark Taylor of Taylor Made Sales, who consigned the colt.

“When you see him walk, he just barely hits the ground. He just kind of floated.”

Taylor added, “He is a very nice horse bred by Breeze Easy, which is Mike Hall and his late partner Sam Ross. Sam passed away, so it was a nice tribute to their program. He was well prepped coming into the sale, looked great and really we had the easy part. We just had to show him for a couple days and let him do his thing, and we’re very happy with the result.”

West Point, Talla Team for Not This Time Colt

Mike Talla and West Point Thoroughbreds partnered up to acquire a Not This Time colt (hip 879) for $1.05 million at Keeneland Thursday. The bay, who was the sixth seven-figure yearling of the auction’s Book 2 section, was consigned by St George Sales. He is out of Foreign Affair (Exchange Rate), a half-sister to multiple group winner So Perfect (Scat Daddy), and was bred in Virginia by Audley Farm.

“He’s just a beautiful horse,” said West Point’s Terry Finley. “[Trainer] John Sadler loved him. John just got here a day and a half ago and this is one of the horses that he put at the top of his list.”

The yearling was the fourth seven-figure purchase of the four-day auction for West Point, which teamed with Chuck Sonson and Woodford on the $3-million sale topper.

“Power of the partnership—it’s great to join forces with someone like Mike,” Finley said. “John [Sadler] will train the horse on the West Coast and we think he’s a really, really good prospect.”

Hip 879 was the second seven-figure pinhook for Archie and Michelle St George, who teamed with Roger and Tony O’Callaghan to purchase the colt for $375,000 at last year’s Keeneland November sale. Cont.

It’s a big thrill when it all works out,” Archie St. George said. “It’s a big team effort with Roger and Michelle and everyone at the farm. He’s just a nice horse. Not This Time continues to go from step to step and he was raised a very nice farm.”

St George continued, “Most importantly, I’d like to thank the buyers, David Ingordo, Terry Finley, John Sadler, and Mike Talla. I hope he goes on and he’s a runner.”

During Tuesday’s second session of the Keeneland sale, St George sold a colt by Into Mischief (hip 283) for $1.8 million to M V Magnier. That yearling had been purchased for $550,000 at Keeneland last November.

Asked if he came into the auction thinking he might have two seven-figure sales, St George said, “Certainly not. We just got lucky. These yearlings, they have to vet and do all of that. And some years it’s good and some years it’s not. We are just very fortunate to have a horse like him.”

Omaha Beach Colt brings $950K Day 4

Continuing the successful run for Spendthrift’s Freshman sire Omaha Beach, Hip 920 went to Jim and Dana Bernhard’s Pin Oak Stud for $950,000 during the second day of selling in Book 2.

“Obviously, Omaha Beach is off to a great start at stud with his first crop. I thought he was a beautiful colt,” said Equine Analysis Systems’ Matt Weinmann, advisor to the Bernhards. “Every colt that we buy is really nice and well balanced, physically. If he’s the real deal, he’ll be a nice stallion prospect.”

He continued, “I know being at the 2-year-old sales this year, we saw a lot of Omaha Beaches that we liked, so you know by seeing a lot of good ones out on the sales grounds. It’s a little early, but he’s had a lot of winners and impressive horses on the track.”

Cont.
Consigned by Burlson Farms, the Apr. 9 foal is out of the unraced Infraction (Tapit), a daughter of GSW and MGISP Andujar (Quiet American). The 8-year-old mare is a half-sister to SW Marion Ravenwood (A.P. Indy), the dam of champion 3-year-old filly Nest (Curlin) and GI Santa Anita H. winner Idol (Curlin). She is also responsible for stakes winner Lost Ark (Violence).

Weinmann added, “We kind of let our testing procedures do the judging most of the time, but traditionally judging the horse, he had a beautiful great walk and was an outstanding individual.”--@CbossTDN

Nice Guys' Colt Makes Most of Delay

When Lyn Burleson sent a colt by Omaha Beach (hip 920) through the sales ring at Keeneland last November on behalf of Steve Spielman’s Nice Guys Stables, the weanling was led out unsold at $175,000. The colt's next trip through the ring, again with Burleson Farms, proved more profitable when he sold for $950,000 to Pin Oak Stud Thursday.

“Before the sale, I didn’t expect that, but I knew when he was pretty active today that it was going to be good,” Burleson said of expectations Thursday. “I just didn’t know how good. But all of the right people were on him.”

Last November, the colt followed his dam, the unraced Infraction (Tapit), into the ring at Keeneland. The mare, a half-sister to the dam of champion Nest, sold for $600,000 to Steve Young as agent for Ramona Bass.

“We had him in November with the mare and we thought we would sell the foal, but we used the foal to help showcase the mare a little bit,” Burleson said. “We sold the mare and we ended up RNA’ing the colt as a baby.”

“All of the foals that I have seen out of the mare have been late-maturing and that was the case with this foal,” Burleson continued. “Sixty days ago, he was nothing like the horse that he
was today. And the 2-year-old was the same. The more time these babies have the better. It just worked out that he peaked at the right time to come to this sale.”

Nice Guys Stables purchased Infraction for $120,000 at the 2018 Keeneland November sale. Her 2-year-old filly Shore War (Omaha Beach) sold for $350,000 at this year’s OBS April sale.

“Nice Guy Stables are very loyal clients and very good to deal with and he gets all of the credit,” Burleson said.

Big Day for Woodslane Led by $700K Curlin

Lauren and Rene Woolcott’s Woodslane Farm enjoyed a banner day at Keeneland Thursday, led by Hip 1020, a filly by Curlin that brought $700,000 from Green Lantern Stables and Patrick Masson. The chestnut was consigned by Hidden Brook.

The Mar. 1 foal is out of Prospector’s Moon (Malibu Moon), the dam of a pair of winners, including GSP Malibu Curl (Curlin). The 11-year-old mare is a half-sister to Florida Oaks winner Ender’s Sister (A.P. Indy), herself the dam of GISW A.P. Indian (Indian Charlie), GSW Tiz Shea D (Tiznow) and GSP Its All Relevant (Hard Spun). Prospector’s Moon was a $350,000 purchase by the Woolcotts at this venue in 2013.

Earlier in the session, the couple sold Hip 856, a filly by Ghostzapper, for $550,000. On the day, the Woolcott’s sold the pair for gross receipts of $1,250,000 for an average of $625,000.

Legacy Runs Deep $550K Ghostzapper Filly

To say that the Woolcott’s have a deep connection with family of Hip 856 would be an understatement. Having already campaigned a Grade I winner out of the mare Dynaire (Dynaformer), Lauren and Rene Woolcott watched as their homebred filly by Ghostzapper realized $550,000 in the ring Thursday. Consigned by agent Hidden Brook, the Apr. 28 foal was purchased by Texan Doug Scharbauer.

“I like this filly a lot,” said Scharbauer, who purchased four yearlings in Book 1, highlighted by a $900,000 Uncle Mo filly. “I thought she might bring closer to $1 million. From now to the end, it’s going to get better [for buyers].

Through Book 1 and 2, Scharbauer, whose family is best known for campaigning dual Classic winner and Horse of the Year Alysheba, purchased seven head for $4.3 million, including a grey colt by Tapit (Hip 348, post sale $525,000).

“I really like [the colt],” he affirmed. “This is the most I’ve ever bought in my life.”

Now 15 years old, Dynaire has already shown she can produce runners with both ability and longevity, as is the case with GI Sword Dancer S. winner Sadler’s Joy (Kitten’s Joy), who started in 37 starts over six seasons, amassing over $2.6 million in earnings for trainer Tom Albertrani. Coupled with four victories at the graded level, the chestnut also hit the board in an additional five Grade Is.

“He was just a fantastic horse,” said Lauren Woolcott. “He gave 100% every time. If he wasn’t getting black-type in a graded race, that was unusual. Unfortunately, distance and turf didn’t make him appeal to American farms, so a stud in Turkey was interested in him so he went there.”

For the Woolcotts, Dynaire—a $360,000 Keeneland September yearling purchase in 2009—also produced this season’s Kentucky Cup Classic winner Wolfie’s Dynaghost (Ghostzapper), an earner

“We bought the mare here as a yearling and put her in pre-training. Since we couldn’t race her [because of injury], we sent her to the breeding shed,” she explained.

In his latest start at Kentucky Downs, the 6-year-old won a valuable money allowance Aug. 31. Dynaire is also responsible for the stakes-placed pair of Lunaire (Malibu Moon) and Dyna Passer (Lemon Drop Kid).

“With Wolfie, we tried to develop a more versatile horse. He’s not Sadler’s Joy but he just delivers,” Woolcott explained.

Currently residing at Hidden Brook, Dynaire has a Munnings colt by her side and is back in foal to Not This Time. Her daughter, Dyna Passer, has a yearling filly by Speightstown (Hip 1685) slated to sell in Book 3 Sunday, also under the Hidden Brook banner. She currently has a filly foal by Munnings in tow.

“It’s a business, and we have to generate revenue,” said Woolcott. “It was a hard decision to sell this filly today. We really liked this filly. She obviously has a great pedigree. But we needed to put her out there and see what would happen. We’re thrilled because somebody gave a fair price for her. I had a figure in my mind and the buyer agreed. We’re very happy.”

Steve Young Gets the (Blue) Point

Amongst a sea of Into Mischiefs and Uncle Mos, a filly by Blue Point (GB) (hip 800) was always going to stand out as the only yearling by the European first-crop sire sensation catalogued for the 12-day Keeneland September sale. Consigned by Taylor Made Sales Agency as agent for breeder WinStar Farm, the dark bay yearling sold for $400,000 Thursday to the bid of bloodstock agent Steve Young.

Through Howson & Houldsorth Bloodstock, WinStar Farm purchased the unraced Birdwatcher (Uncle Mo), in foal to Blue Point, from the Godolphin draft for 160,000gns ($231,835) at the 2021 Tattersalls July sale.

“We asked Matt Houldsworth to look at Tattersalls for anything of interest with an American slant and he came back with her,” explained WinStar’s Elliott Walden.

The mare is out of multiple graded stakes winner Bizzy Caroline (Afleet Alex), a half-sister to champion Lady Eli.

Blue Point, a four-time Group 1 winner, recorded a memorable double at Royal Ascot in 2019 when he won his second G1 King’s Stand and returned five days later to win the G1 Diamond Jubilee S.

“Blue Point was an interesting horse because we were at Royal Ascot with Yoshida when he won twice in five days,” Walden said. “So we did have some respect for him. But being his second crop, we didn’t know how it would turn out.”

Blue Point, who stands at Kildangan Stud, has gotten off to a flyer with his first crop to hit the track this year.

The stallion has already been represented by over 30 winners and four stakes winners.

“We brought the mare back [to the U.S.], we foaled her out here and, since we sell most of them, she was always going to come here [to Keeneland],” said Walden. “It’s nice that the stallion has gotten off to such a great start. When you buy those type of mares, you weigh that in on the front end. You’re not sure how it’s going to work out. We just got lucky that Blue Point is a good stallion.”

Of the yearling, Walden said, “She’s always been a really nice filly. She’s been one of the best fillies that we had on the farm physically for a long time. She had such a great walk. I was kidding with Steve Young and Ramona Bass that we almost just walked her over from WinStar Farm to Keeneland. She would have done it in four jumps. She has a big, loose walk.”

Young said the sire was just one part of the equation in his decision to bid on the filly.

“He was obviously a tremendous talent for Sheikh Mohammed and I have great respect for Blue Point, but I wouldn’t have bought her just on that one piece of the puzzle,” Young said.

“I don’t think one part of the equation is worth more than any other. I think she was the total package.”

Young continued, “I think some people pigeon hole horses for where they are from as to what they want to do. And that can be right, but it doesn’t have to be. If you look at all of those horses that Bull Hancock went and brought to America, they were good horses.”

“They weren’t dirt horses when he brought them here, but it worked out that they were.”

Walden said there was plenty of interest in the filly from European buyers at Keeneland before she sold to a domestic buyer.

“I think it’s nice that the market is so interwoven and you have European buyers appreciating the American bloodstock and now you have Americans appreciating the European bloodstock,” Walden said.
Simple Math With Complexity

In a sale where several of the industry’s marquee stallions were firing off cannons balls with a bevy of seven-figure yearlings, others struck a lower key while still offering big rewards for breeders who jumped in to support them early in their stallion career. In that group, Airdrie Stud’s Complexity (Maclean’s Music), who is represented by his first crop of yearlings in 2023, made a good showing with four yearlings selling through the first two books.

“He was a fast and early horse, and everything you see from the yearlings leads you to believe that the babies will fit that same pattern,” said Airdrie’s Bret Jones. “We are thrilled and have been thrilled since the babies have started hitting the ground. He’s always been a very popular stallion and we’ve put a great group together to support him. Those breeders are enjoying the same success we are. These are exciting times.”

Leading the small but select group, Hip 1042, a filly out of Rushin No Blushin (Half Hours), reeled in a $400,000 final bid from Arnmore Thoroughbreds Thursday. Consigned by Paramount Sales, the Feb. 16 foal is a half-sister to GI Champagne S. and GI Allen Jerkens Memorial scorer Jack Christopher (Munnings). Airdrie also sold a pair of fillies by the GI Champagne S. winner--Hip 356 and Hip 951--both for $375,000. The former was secured by Mike Ryan, while the latter was purchased by Thomas Bachman/Fairview LLC.

“The two fillies we sold are as good as anything we have had in the barn,” Jones said. “Both are exceptionally nice. They give you a lot of reason to get excited about next racing season.”

Rounding out the early-book quartet, Hip 769, a half-brother to GI Santa Anita Derby scorer Practical Move (Practical Joke), realized $300,000 straight out of the box Thursday morning.

The foursome generated $1,450,000 in gross receipts, averaging $362,500.

While those numbers are impressive for most stallions, they offer a little extra glitter for a sire that stood for a bargain $12,500 fee in 2023. With a total of 63 still slated to sell as of Thursday afternoon, it appears there are many more bullets left in Complexity’s holster at Keeneland.

Jones said, “You love it when your breeders get rewarded and the momentum we have going right now, the breeders with the Complexity’s in Book 3 and 4 will get rewarded as well.”--@CbossTDN

Woodford Downsizes

John Sykes’s Woodford Thoroughbreds, which closed its Kentucky branch to consolidate operations at its Florida farm in 2018, will now be shutting the Ocala farm and downsizing its commercial broodmare band. Cont.
“The farm in Florida is closing down—if anyone wants to buy it, get in touch,” said Woodford advisor Lincoln Collins said with a laugh Thursday at Keeneland. “We are selling 18 mares in November. Not especially because we don’t like the mares, but because we’ve decided we want to keep a band of 20 really nice mares here in Kentucky. We’re just downsizing and reorganizing. The mares are boarded at Town and Country, they will be sold probably with similar consignors that we are using now and we will continue with the operation just at a smaller and hopefully at a tighter level.”

Of the decision to downszie, Collins said, “John has been in this a long time. Obviously, he is getting on, but he’s still very active. He decided he wanted to continue in the business because he likes it, but on a smaller and on a more selective scale.”

It was recently announced that Woodford trainer and general manager John Gleason would be joining Margaux Farm as farm trainer. Woodford director of sales Beth Bayer has joined Elite Sales, while the farm’s director of client relations Shannon Castagnola has been named Airdrie’s new director of sales.

“John Gleason, Shannon Castagnola and Beth Bayer have all got new jobs,” Collins said. “They are great people and we are very happy that they are well-settled.” @JessMartiniTDN

- Through the first two books, a total of 30 yearlings realized $1-million or more, matching last year’s seven-figure benchmark.
- Day 4’s Top 10 continued to show buying breadth and diversity observed in earlier sessions, with nine of the 10 top yearlings going to different buying entities.
- For the first time since the sale began, Into Mischief did not break into the top 10. Leading the fray Thursday, Curlin had a pair of yearlings among the top 10, including Day 4’s session topper, Hip 977, who brought $1.1 million. Authentic led with the most yearlings in the Top 10: a trio of yearlings highlighted by Hip 1046, a colt that realized $875,000 from CHC/Qatar Racing.

Golden Gate Fields Cont. From Pg. 1

“The swift passage of AB 1074 in the Senate and Assembly with consensus backing of the racing industry provides the short-term answers that we desperately needed and the framework for the future,” wrote Thoroughbred Owners of California (TOC) president and CEO, Bill Nader, in a statement Thursday. “This was critically important to our constituents to know that Golden Gate Fields is still in play to June of next year.”

The Stronach Group (TSG), which owns and operates Golden Gate Fields, announced in July that it was closing the Bay Area facility at the end of December with the goal of increasing field size and adding another day of racing a week at Santa Anita. If TSG applies for dates to operate a live meet at Golden Gate during the first half of 2024, such a proposal would first need approval by the California Horse Racing Board (CHRB). The next CHRB meeting is scheduled for Sept. 21.

In terms of simulcasting proceeds, the state is broken into three main geographical zones—the “Southern,” “Central” and “Northern” zones.
Next year’s racing calendar in Northern California is, of course, still to be decided. Last weekend, Swartzlander floated a plan that if Golden Gate Fields remains open until mid-2024, Santa Rosa would stage a Thoroughbred meet from mid-October—when the Fresno fair meet ends—until the end of the year.

The 2025 Northern California Thoroughbred racing calendar, Swartzlander added, could still hinge around a permanent base at Cal Expo. Such a plan would apparently require reaching an agreement with California’s harness racing industry, which only last year extended its lease of operations of the Cal Expo Harness racetrack until May 2030.

Swartzlander also suggested the permanent bases of any extended 2025 Thoroughbred racing calendar in the north could be split between Cal Expo and Santa Rosa.

“Negotiations are continuing,” Swartzlander had told the TDN. “We’ll work with them [WatchandWager Cal Expo] to come up with a solution. Whether we end up with a 50-50 split between Cal Expo and Santa Rosa, or whether we end up relocating Harness to another track, there’s several options.”

**GAFFALIONE, WALSH AND RAMSEY TAKE HOME KENTUCKY DOWNS TITLES AS MEET CLOSES**

Edited Press Release

Tyler Gaffalione capped off his third Kentucky Downs riding title in style, winning three races on Wednesday’s closing-day card to finish with 12 victories for the FanDuel Meet, five more than 2021 riding champion and second-finisher Joel Rosario.

Brendan Walsh earned his second training title, and first outright, at the track with eight wins, three more than Kentucky Downs all-time win leader Mike Maker, who had a meet-high 10 seconds and nine thirds.

Ken Ramsey, the winningest owner in Kentucky Downs history as well as Kentucky, won his ninth title at the track and his first since 2018 with three wins victories to edge the two wins of Three Diamonds Farm and Augustin Stables.

Gaffalione got off to a fast start, winning the meet’s very first race and then taking the last of 76 races. He also won last year’s riding title with nine wins and in 2020 with 11. Gaffalione started the day ahead 9-7 over Rosario, but had clinched the crown by mid-card.

Florent Geroux finished third with six wins but won the money title, $2,800,016 to $2,706,419 for Gaffalione. Both riders rode all seven days of the meet, while Rosario missed one day to ride at Saratoga.

Gaffalione was a workhorse, riding 71 of the meet’s 76 races, compared with 51 for Rosario and 48 for Geroux.

“It’s amazing,” Gaffalione said. “It was very competitive this year. It’s world-class racing, and we enjoy being out there. We were very fortunate. We got a little bit of revenge this year (in stakes). Brendan Walsh and his team did a great job. I think we won five or six races for him. He sent his horses over ready to run this meet, and they fired big for us.”
Conceived right after he was crowned the sensational Champion freshman, this crop of **Nyquist** yearlings is not simply his best-bred but also his most admired and most desired, commanding his three highest ever prices in the ring. How will they do on the track? Just imagine...
Walsh tied for the 2021 title with Maker and Steve Asmussen with four wins apiece. He won with eight of 28 starters this meet (29 percent) and also led in purse earnings at $1,701,584. Jonathan Thomas, whose four wins included a pair of $1 million stakes, finished second in earnings at $1,487,443.

“It was a great meet,” said assistant trainer Paul Madden, who was at Kentucky Downs while Walsh was working the Keeneland September Yearling Sale. “Kudos to all the team. It was all the team and the effort they put in. It was a big deal for him (Walsh) to win this. To win eight races this meet—the prize money being so big—it’s just a great place to win. He definitely points toward this meet.”

It was Ramsey’s first since his last of six straight titles in 2018. He also won in 2010 and 2009. Ramsey’s other titles were in the name of Ken and Sarah Ramsey, who died last year.

“It’s like eating Cracker Jack,” Ramsey said. “The more you eat, the more you want. The more you win, the more you want to win. I’m inspired by winning. It motivates me to keep buying good horses and claiming good horses. I’ve got to pad my statistics, got to raise the bar a little higher. I can’t look over my shoulder or they’ll be gaining on me.”

HISA NAMES ANJALI SALOOJA AS NEW DIRECTOR OF OPERATIONS AND COMPLIANCE

The Horseracing Integrity and Safety Authority (HISA) has named Anjali Salooja Director of Operations and Compliance, the organization said in a release Thursday.

Salooja will oversee all compliance systems and procedures for the organization, ensuring HISA remains compliant with the Horseracing Integrity and Safety Act at all times. She will also provide daily operational and long-term planning support for new initiatives designed to promote equine and jockey health and safety.

“We couldn’t be more pleased to welcome someone of Anjali’s talent and experience to HISA,” said CEO Lisa Lazarus. “Her expertise in leading organizational operations and implementing national safety protocols make her an excellent fit to help us further HISA’s goals.”

In her most recent role, Salooja served as the National Basketball Association (NBA)’s Vice President and Assistant General Counsel. She oversaw the NBA’s Anti-Drug Program and player health and safety efforts for its affiliate leagues, leading coordination with players, medical advisors, coaches, trainers and league staff. Prior to that, Salooja practiced law at Debevoise & Plimpton and worked as an analyst at Goldman Sachs.

“I look forward to helping further HISA’s mission by ensuring operational excellence across the growing organization,” said Salooja. “With continued coordination and partnership between the HISA team and racing participants, we can make integrity and safety the top priority in Thoroughbred racing across the country.”

Salooja is an admitted attorney to the New York State Bar Association and a graduate of Harvard College and Harvard Law School.

CALIFORNIA HORSES OF RACING AGE SUPPLEMENT NOW ONLINE

Fasig-Tipton has catalogued 59 horses of racing age entries for its upcoming California Fall Yearlings and Horses of Racing Age sale, the auction house said in a release late Thursday.

These entries, which are catalogued as hips 301-359, will be sold immediately following the conclusion of the yearling portion of the catalogue. They include several stakes performers, unraced 2-year-olds with recent public works and 3-year-olds and older horses with current form.

“There’s a lot of quality among the horses of racing age entries, and the timing works well for those looking to add to their stables as Santa Anita’s Fall meet begins,” said Fasig-Tipton California Representative Mike Machowsky. “Last year’s horses of racing age supplement produced two stakes winners, including Ceiling Crusher [Mr. Big], now a multiple stakes winner including the GIII Torrey Pines S. a couple of weeks ago.”

These entries may now be viewed online, including Daily Racing Form past performances, Ragozin sheets and race replays for all horses that have started. Print catalogues for the horses of racing age supplement will be available on the sales grounds.
The California Fall Yearlings and Horses of Racing Age sale will take place on Tuesday, Sept. 26, at Fairplex in Pomona, California. The sale will begin at 11 a.m. (PDT).

GULFSTREAM’S CHAMPIONSHIP MEET OFFERS 68 STAKES WORTH $14.875 MILLION

Gulfstream Park’s Championship Meet—featuring the $3 million GI Pegasus World Cup Invitational and $1 million GI Pegasus World Cup Turf Invitational Jan. 27 and $1 million GI Curlin Florida Derby March 30—will offer 68 stakes in 2023-2024 with total purses of $14.875 million, the track said in a press release Thursday.

The Championship Meet, which includes racing over a new turf course, will begin Friday, Dec. 1 and conclude Sunday, Mar. 31. The Pegasus World Cup Day program will feature eight stakes, seven of which have been granted graded status.

CHURCHILL DOWNS ESTABLISHES NEW HOUSE CLAIMING RULES

Beginning with the September Meet, Churchill Downs has established new “house rules” for claiming horses, the Louisville racetrack said in a release Thursday afternoon.

The licensed trainer for claimant must have made a start at the current meet or within the state of Kentucky since July 7, which was the start of the Ellis Park meet.

Also, a claimed horse may not race outside of Kentucky for 60 days following the date of the end of the meet during the which the horse was claimed or Jan. 1, 2024, whichever is first to occur.

Additionally, the claimant or licensed trainer representing the claimant must have a signed Claiming Agreement on file with the Churchill Downs racing office prior to submitting a claim. Click here for more information.

ANTONUCCI AND MIRANDA SPEAK AT KENTUCKY HORSE PARK SEPT. 16

At 12 p.m. Saturday, Sept. 16, the Kentucky Horse Park's free September EquineEd lecture series welcomes Jena Antonucci and Katie Miranda, trainers and co-owners of horseOlogy, the organization said in a release early Thursday.

HorseOlogy is a full-cycle Thoroughbred training and ownership organization based in Ocala, Florida, that handles everything related to breeding, training, and racing.

The event will be held at the Hall of Champions barn. The next speaker in the series is Erin O'Keefe of the Retired Racehorse Project Oct. 7. Click here for more information.

CHURCHILL DOWNS RELEASES OFFICIAL ART OF THE 150TH DERBY

Churchill Downs released the 2024 “Official Art of the Kentucky Derby” by artist Wylie Caudill, the track said in a release Thursday.

His artwork for the Derby features 150 red roses representing the Winner’s Circle surrounded by white, gold and cerulean roses to symbolize the colorful fans from around the world.

“As a Kentucky Native, it is an immense honor to be part of such a milestone year for the Commonwealth’s most notable event,” Caudill said.

Caudill will also be the official artist for the Woodford Reserve Commemorative Derby Bottle. As the official artist for both programs, he will also create original murals around Churchill Downs and surprise locations leading up to early May.
If this is where you want to finish... start with a LOPE DE VEGA.

Only CURLIN sired more Graded winners at SARATOGA this summer.

DON'T MISS his yearlings being offered at the upcoming sales in GOFFS & Tattersalls

TOO DARN HOT’S DARNATION POWERS TO MAY HILL TRIUMPH

by Sean Cronin

Trainer Karl Burke’s banner season continued apace on the opening day of Doncaster’s St Leger Festival after G3 Prestige S. victrix Darnation (Ire) (Too Darn Hot {GB}–Monday Monday {Ire}, by Galileo {Ire}) added lustre to her palmares with a clear-cut triumph in Thursday’s G2 Betfred May Hill S. over a straight mile at the Town Moor track.

Newtown Anner Stud’s homebred, who registered a 10-length tally at Thirsk in her penultimate start, bounded along behind a steady tempo and raced third through the initial fractions. Taking closer order once past halfway, the 11-10 favourite quickened to the fore passing the quarter-mile marker and, despite drifting right inside the final furlong, drew off late under urging to post an ultimately impressive three-length success from See The Fire (GB) (Sea The Stars {Ire}). Mark McKay’s G3 Sweet Solera S. third and G2 Prix du Calvados fourth Les Bleus (GB) (Blue Point {Ire}) was four lengths adrift in third as the field came home at wide-margin intervals.

“They didn’t go quick and, when I asked her, she quickened up really well for a few strides and then galloped on towards the line,” said winning rider Clifford Lee. Cont. p3

POSITIVE DRUGS TESTS: TRAINER LUKE COMER BANNED FOR THREE YEARS

Trainer Luke Comer has had his licence suspended for three years over positive drugs tests and ordered to pay over €750,000 in costs by the Irish Horseracing Regulatory Board (IHRB).

The billionaire owner-trainer, who is also a major sponsor of Irish racing under the Comer Group banner, has seven days to lodge an appeal.

The suspension will begin on January 1, 2024, and is the result of a long-running investigation carried out by the IHRB, with the regulator describing the case as "unprecedented".

As well as being ordered to pay the €750,000 in costs relating to the case, Comer was hit with €85,000 in total fines after 12 horses in his care tested positive for anabolic steroids.

A SON OF CURLIN TOPS THE FINAL DAY OF BOOK 2 AT KEENELAND

Bringing $1.1 million, a son of Curlin topped the second and final session of Book 2 of the Keeneland September Yearling Sale.
The 3-year-old filly Sumo Sam (GB) captured her second Group 2 in the Betfred Park Hill Fillies’ S. at Doncaster on Thursday.

**BETFRED ST LEGER FESTIVAL CONTINUES ON FRIDAY**

Two group stakes, including a contentious G2 Doncaster Cup for the stayers, are on tap at Doncaster on Friday.

**TRAINER WEIR CHARGED WITH ANIMAL CRUELTY**

Australian trainer Darren Weir, who was banned for four years in February of 2019, has been hit with additional charges by the Racing Victoria stewards.
Darley’s Too Darn Hot is the sire of three group-winning fillies from his first crop. Darnation is his second to win twice at group level after last weekend’s G1 Moyglare Stud S. heroine Fallen Angel (GB), who had earlier won the G3 Sweet Solera S. | Darley

G2 May Hill S. Cont. from p1

“She’s very good and I’d like to see her next year when she’s physically and mentally stronger. She handles that soft ground, she does stay very well and she does have a bit of boot about her as well, so we’ll see next year how we get on.”

Burke added, “She’s a classy filly and, on that ground, she’s very good. We’ll have to see how she is on quicker ground, but she’s tough and she stays. She’s not in the [G1] Fillies’ Mile, but she is in the [G1] Prix Marcel Boussac. I haven’t spoken to the owners, but she’d be more likely to get her ground in France. She’s not the biggest in the world, but she should strengthen up even if she doesn’t grow much. If she bumps into soft ground she could be anything.”

Explaining his absence from the track, the trainer continued, “I was all set to come today, but I had a busy morning and decided not to. They don’t run any faster for me being there.”

Pedigree Notes

Darnation, half-sister to a yearling filly by Fastnet Rock (Aus), is the first of two foals produced by an unraced full-sister to dual Group-placed G2 Beresford S. third Exemplar (Ire) (Galileo {Ire}). The April-foaled homebred bay’s dam is also a half-sister to G1 1000 Guineas, G1 Irish Oaks and G1 Yorkshire Oaks heroine Blue Bunting (Dynaformer). Descendants of her second dam Miarixa (Fr) (Linamix {Fr}), herself out of stakes-winning G1 Prix Saint-Alary third Mrs Arkada (Fr) (Akarad {Fr}), include dual stakes-winning GIII Intercontinental S. and GIII Franklin S. placegetter Star Devine (Ire) (Fastnet Rock {Aus}) and G3 Earl of Sefton S. runner-up Poker Face (Ire) (Fastnet Rock {Aus}).

SUMO SAM IN COMMAND IN THE PARK HILL by Tom Frary

Defying a penalty for her G2 Lillie Langtry S. Success, Ben and Sir Martyn Arbib’s Sumo Sam (GB) (Nathaniel (Ire)) mastered Thursday’s G2 Park Hill Fillies’ S. at Doncaster under another enterprising ride.

As she had under Tom Marquand at Goodwood last month, the homebred tanked along in front for Rossa Ryan from an early stage at a tempo the rival jockeys believed was too strong.

As the 22-1 outsider Lmay (Ire) (Frankel (GB)) arrived at her side approaching the final furlong, the 4-1 joint-favourite could have folded but instead maintained her momentum to assert for a 1 1/2-length verdict over One Evening (GB) (Galileo (Ire)) who ousted her stablemate Lmay out of the runner’s-up spot by a neck.

“She got a bit lonely out in front and then dug deep. She’s a very classy filly and very, very tough and very, very game,” Oliver Cole said. “Two furlongs out you thought she might fall in a hole, but she was ultra-fit and in very good form and very fresh. That ground seems to be important to her. It’s not as soft as it was at Goodwood, but nothing much is. She’s potentially a Cup horse for the future. She could potentially go to the Prix de Royallieu in France. She’s entered in that and you normally get soft ground, so that’s a definite possibility.”

Pedigree Notes

Sumo Sam, who has excelled due to the combination of this trip and testing ground, is the first foal out of the unraced Seaduced (GB) (Lope De Vega (Ire)) who is a half to the owner-breeders’ G3 Legacy Cup winner and G1 Pretty Polly S. runner-up Stay Alert (GB) (Fastnet Rock (AUS)) and her Listed Gillies’ S.-winning full-sister Star Rock (GB) who was also runner-up in the G2 T. Von Zastrow Stutenpreis. Their dam is the G2 Park Hill S. runner-up and G2 Lancashire Oaks third Starfala (GB) (Galileo (Ire)), one of a trio of black-type performers out of the listed scorer and G3 Prix Cleopatre-placed Farfala (Fr) (Linamix (Fr)).

They include the Listed Zetland S. winner and stakes producer Under The Rainbow (GB) (Fantastic Light), who was runner-up in the Lancashire Oaks, while the family also features Linamix’s G1 Grand Prix de Saint-Cloud hero Fragrant Mix (Ire) and the G1 Prix Jean Romanet heroine Alpine Rose (Fr). Seaduced, whose pedigree was updated on Tuesday with the Listed Oyster S. success of Thunder Roll (Ire) (Night Of Thunder (Ire)), also has a yearling colt by Golden Horn (GB).

“We think there’s more improvement to come and we think he might make up into an Ascot Gold Cup and Goodwood Cup type of horse next year,” jockey Robert Havlin said of the Normandie Stud homebred. “Since we put blinkers on he’s been ultra consistent. He’s won over two miles and the Ebor was obviously a drop back in trip. He gets the trip well so there are a lot of positives, especially after all the rain. He doesn’t need soft ground, but he handles it very well.”

**DONCASTER: CAN COLTRANE DO IT AGAIN IN THE DONCASTER CUP? by Tom Frary**

Causing an upset when edging out Trueshan (Fr) (Planteur (Ire)) in a thriller for last year’s G2 Doncaster Cup, one of the staying division’s leaders Coltrane (Ire) (Mastercraftsman (Ire)) returns to Town Moor for another encounter with his nemesis on Friday. Having won Ascot’s G3 Sagaro S. and the G2 Lonsdale Cup at York and been runner-up in the G1 Gold Cup in the interim, Mick and Janice Mariscotti’s stalwart is better than ever at the age of six and is the one with the target on his back this time.

Andrew Balding holds Coltrane close to his heart and is relishing another battle royal. “The great thing about him is he seems to be effective on any ground and in any sort of style of race, which is a big help for these stayers,” he said. “He obviously won the race last year, but he does carry a penalty this year which makes life a lot tougher. It is not a straightforward task, but the horse is really well and he seems to thrive on his racing.”

Trueshan has been absent since finishing fourth behind Coltrane in the Sagaro in May and has undergone a wind operation, so the star stayer of 2021 has questions to answer here. Normandie Stud’s progressive Ebor runner-up Sweet William (Ire) (Sea The Stars (Ire)) represents the Gosdens, who have a line on these through their Gold Cup hero Courage Mon Ami (GB) (Frankel (GB)).

“I’m very happy with my mount in the race and wouldn’t swap him,” Shoemark said. “As soon as Frankie made up his mind I found out. He’s a high-profile horse in a high-profile race. He’s one of the market leaders and to be riding a favourite in a British Classic is hugely exciting. It’s where I want to be, so it’s a privilege not pressure and I look forward to it.”

Also representing the Gosdens is Qatar Racing’s Melrose H. winner Middle Earth (GB) (Roaring Lion), while The King & The Queen’s G3 Gordon S.-winning TDN Rising Star Desert Hero (GB) (Sea The Stars {Ire}) and Ballydoyle number one Continuous (Jpn) (Heart’s Cry {Jpn}), who catapulted himself into the picture with his impressive G2 Great Voltigeur S. success, are other notables.

Luke Comer Cont. from p1

He Knows No Fear, who became the longest-priced winner in Irish racing history when landing a Leopardstown maiden at odds of 300-1 in 2020, is at the centre of what is one of the biggest doping scandals the country has seen.

A hair sample from He Knows No Fear, taken after he finished fourth in the Listed Trigo Stakes at Leopardstown in October 2021, was found to have contained MD and MT.

A further 11 horses also tested positive for anabolic steroids following out of competition testing carried out by the IHRB at Comer’s yard in November 2021.

Along with He Knows No Fear, samples were taken from Old Higgins, Boxing Hero, Grand D’Espagne, Aircraft Carrier, Powerful Don, Wee Jim, Great Moon, Our Man Flint, Questionare, Green Force and Blyto. All tests returned positive.

Comer denied that he or any of his staff were involved in the doping of the 12 horses at an extensive hearing that took place at the IHRB headquarters on the Curragh.

The 65-year-old has been involved in racing for over three decades and his first big-race victory was achieved with Chimes At Midnight in a Group 3 at the Curragh in 2001.

Since then, Comer has been associated with another Group 3 scorer in Kargali, while Raa Atoll provided him with his biggest day on a racecourse when landing a Group 2 contest at Hoppegarten in German in 2019. Last year was Comer’s best in terms of numbers with 11 winners recorded domestically from 254 runs.

His extensive sponsorship of Irish racing through Comer Group features the €600,000 Irish St Leger, a race that was won last weekend by Eldar Eldarov, and the Irish St Leger Trial.

PROGENY OF TEOFILO POPULAR AT TATTERSALLS ONLINE

A pair of sons by Teofilo (Ire) filled the top two places during Thursday’s Tattersalls Online September Sale.

Topping the sale was the 3-year-old colt Teorie (Ire) (lot 24) who was knocked down for 45,000gns to Fergal O’Brien Racing and his stable jockey Paddy Brennan. Already a winner from five starts, the colt is a full-brother to the winning Theodulus (Ire) and is from the extended family of G1 Criterium de Saint-Cloud winner Gear Up (Ire) (Teofilo {Ire}). He was consigned by Jim Bolger’s Glebe House Stables.

“We bought a lovely horse last year from Mr. Bolger called Dancila by the same sire and this horse had a good profile, I loved his win at Leopardstown,” said O’Brien. “We have an owner who wants a juvenile hurdler so we thought we’d give it a go. He’ll go back to Paddy Brennan’s and we’ll probably have him castrated, then we’ll start jumping him to go for juvenile hurdles.”

Scott Lowther paid 30,000gns for the 3-year-old gelding That’s Jet’s (Ire), who was offered by O’Sullivan Bloodstock. Lot 25 has placed once over hurdles, and his dam, Floating Along (Ire) (Oasis Dream {GB}), is a half-sister to G1 Prix Maurice de Gheest winner King’s Apostle (Ire) (King’s Best) and G2 Lartigue Hurdle scorer Politicise (Ire) (Camelot {GB}).

“My trainer Daragh Bourke had watched a few of his races in Ireland and he’d come recommended from a couple of guys over there too. I’ll look for a juvenile hurdle for him—we’ll maybe aim him for Wetherby in October although he looks very well handicapped on the Flat as well I must admit.”

The progeny of Blue Point (Ire) have been in demand in the sales ring with his 35 first-crop winners anchored by four stakes winner, among them Big Evs (Ire), who will race in the G2 Carlsberg Danish Pilsner Flying Childers S. on Friday. Lot 8, the filly Raknah (Ire), was bought by BBA Ireland for 25,000gns from Andrew Balding’s Park House Stables. She has placed once in three runs, and is out of a full-sister to G3 Ballyroan S. hero Stellar Mass (Ire) (Sea The Stars {Ire}).

The second Blue Point to sell was 15,000gns buy Desert Master (GB) (lot 35), who has hit the board five times in eight runs to date. From James Tate’s Jamesfield Stables, the bay is out of the listed-placed Iffraaj (GB) mare Al Fareej (Ire) and caught the eye of Northgate Lodge Stud.

De Bruyne (GB) (Dutch Art {GB}) (lot 34) was snapped up for 25,000gns to Gassim Ghazali from Ed Walker Racing. The gelding sports a win on the all-weather and is a grandson of Listed Sandy Lane S. winner Danehill Destiny (GB) (Danehill Dancer {Ire}), who was also third twice at Group 3 level.

From a catalogue of 91, 81 horses were offered with 47 sold (58%) for a gross of 377,700gns. The average was 8,036gns and the median was 4,000gns.

HUBRISKO TOPS THOROUGHBID SEPTEMBER SALE

Doctor Dino (Fr)'s Hubrisko (Fr) (lot 23) took top honours at the ThoroughBid September Sale on Wednesday. War Rooms Sits Flying Scotsman Test at Doncaster

13.50 Doncaster, Listed, £60,000, 2yo, 7f
War Rooms (IRE) (Churchill {Ire}) earned TDN Rising Star status on debut over course and distance in July and takes the next step in his career in this Listed Flying Scotsman S. Such was the impression he created, Brook Farm Bloodstock's Owen Burrows-trained relative of Distant Music is favoured in the betting over a clutch of potentially smart performers including Ballydoyle’s Convivial Maiden winner Battle Cry (IRE) (No Nay Never).

How They Fared

14.25 Doncaster, Cond, £300,000, 2yo, 6f 111yT
Ballydoyle’s G2 Gimcrack S. runner-up and ‘TDN Rising Star’ Johannes Brahms (GB) (Siyouni {Fr}), conceding weight to all bar three of his 16 rivals, held every chance before losing second in the dying strides and finishing third in this Weatherbys Scientific £300,000 2-year-old sales race.

Thursday’s Results:
3rd-Doncaster, £300,000, Cond, 9-14, 2yo, 6f 111yT, 1:20.97, sf.  Room Service (IRE) (c, 2, Kodi Bear {Ire}--Tamara Love {Ire}, by Tamayuz (GB)) hit the board in two starts after snapping his May 16 debut at Wetherby and bounced back in style to garner this Weatherbys Scientific £300,000 2-year-old sales race. The 10-1 chance was trapped wide early before slotting in under cover at the tail of the far-side group. Angled back outside and tanking forward after halfway, he quickened beyond Dragon Leader (IRE) (El Kabeir) approaching the final furlong and was safely clear when wandering under late drive to deny that rallying rival by 2 1/4 lengths. “We thought the trip would suit and we were very hopeful he would go on the [soft] ground,” said trainer Kevin Ryan. “He’s been maturing all year, we’ve been sort of taking it steady with him, and it’s paying off now. We’re delighted with him and it’s was a great prize to win with him. I’d say he’ll get a mile well next year, but I don’t know if we’ll run him again this year. I’ll have to speak to connections.” Room Service, full to a weanling colt, is the fourth of five foals and one of two scorers out of a half-sister to Listed Cooley S.

3rd-Chelmsford City, £6,899, Novice, 9-14, 2yo, 8f (AWT), 1:38.81, st.  BLOWn AWAY (GB) (c, 2, Invincible Spirit {Ire}--Dawn Of Hope {Ire} (SW-Fr, GSP-Ire, MSP-Eng, $107,533), by Mastercraftsman {IRE}), who was third over a furlong shorter at Newmarket last month, raced wide in mid-division throughout the early stages. Cruising to the fore turning for home, the 6-4 second favourite was in front approaching the furlong marker and only needed to be pushed out to score comfortably by 1 3/4 lengths from Stormy Waves (IRE) (Dubawi {Ire}). The winner is the third foal out of the Listed Prix Petite Etoile winner and G3 Snow Fairy S.-placed dam, who is a daughter of the G3 Blue Wind S. third Sweet Firebird (IRE) (Sadler’s Wells) and a half to the dual listed scorer and triple group-placed Ayrad (IRE) (Dalakhani {IRE}). Nudged along passing the quarter-mile marker, the 2-7 lock hit the front approaching the final furlong and was ridden out in the latter stages to assert by 2 3/4 lengths from Laugier Night (Ire) (Night Of Thunder {Ire}). “He was working like a lovely colt and we knew that [trip] was probably plenty short for him, but it was to get him out and get him started,” said Aidan O’Brien. “He will come forward lovely from that, you’d be very happy with him and he could maybe go to the [G1] Middle Park or the [G1 Prix Jean-Luc] Lagardere. We knew he was a six to seven-furlong type horse and he will be probably be a miler next year. We just needed to get him started. **WORLDWIDE NEWS**

**FORMER TRAINER DARREN WEIR HIT WITH NEW ANIMAL CRUELTY CHARGES OVER JIGGER VIDEO**

Australian trainer Darren Weir, trainer Jarrod McLean and stablehand Tyson Kermond, who were found guilty of animal cruelty in the Australian magistrates court in December, have each been hit with fresh racing charges by the Racing Victoria stewards on Thursday, *The Age* reported.

Each man was given 10 charges relating to the use of an electronic apparatus or “jigger” on Yogi (NZ) (Raise The Flag {GB}), Red Cardinal (Ire) (Montjeu {Ire}) and Tosen Basil (Jpn) (Harbinger {GB}) when they trained on a treadmill at Weir’s Warrnambool stables on Oct. 30, 2018. The trio were caught on video using a jigger. All three were handed four charges for corrupt conduct and six charges for animal cruelty apiece.

Weir was originally disqualified for four years beginning in February of 2019 due to being in possession of jiggers that were found in his bedroom following a police raid. If he is convicted again, he would be banned from working with horses for life. Currently, he is pre-training horses.

“The charges relate to the stewards’ inquiry into the conduct of Mr. Weir, Mr. McLean and Mr. Kermond which was reactivated after further evidence was presented in the Magistrates’ Court on 14 December 2022 in the course of criminal proceedings against the three individuals,” the stewards’ statement said.

“Since December, the stewards have conducted a comprehensive investigation involving interviews with multiple persons and analysis of a substantial volume of materials.”

“Mr. Weir was at all relevant times the licensed trainer of Red Cardinal, Tosen Basil and Yogi.

“On or about 30 October 2018, on each horse Mr. Weir used an electric or electronic apparatus capable of affecting their performance in a race.” Cont. p14
Darren Weir Cont.

The stewards’ statement continued, “Mr. Weir applied the apparatus to Red Cardinal, Tosen Basil and Yogi with the intention of affecting their performance, and thereby affecting their results in future races. The original penalties related to the possession charges and that matter proceeded on the evidence that was available at that time,” Jamie Stier, Racing Victoria’s executive general manager of integrity services, said in December last year. Following yesterday’s open court hearing, there’s been further evidence come to light.

“In October 2019, the stewards actually opened an inquiry into the criminal charges laid by the police, so that inquiry has been sitting there open. The stewards have reactivated their inquiry now, and they will now consider any evidence that becomes available to them.”

A date with the Victorian Racing Tribunal is pending for the three men.
