SAUDI CROWN REIGNS OVER GREY DAY IN PENNSYLVANIA DERBY

By Christina Bossinakis

The afternoon’s graded stakes action at Parx kicked off most appropriately with the flashy grey Next (Not This Time) annexing the GIII Greenwood Cup S. and it didn’t take long for the grey train to continue with Nobody Listen (Conveyance) taking the GIII Turf Monster S. With the remnants of Tropical storm Ophelia still cranking, keeping the sky dark and the track murky, Saudi Crown (Always Dreaming) completed the ‘grey’ graded trifecta in the day’s feature, the GI Pennsylvania Derby.

Employing the same tactics used successfully earlier in the program over the sealed track, Saudi Crown exited Post 3 in good order, sprinting to the front as the quartet of Scotland (Good Magic), West Coast Cowboy (West Coast), Magic Tap (Tapit) and Reincarnate (Good Magic) surveyed from a length behind through a :23 opening quarter. Still coasting in front after a :47 1/5 half-mile, the Brad Cox trainee kept up the tempo as Il Miracolo (Gun Runner) and Magic Tap started to amp up the pressure turning for home while Dreamlike (Gun Runner) started to rally from the back, several paths adrift of the rail. With Florent Geroux piloting the green colt with a firm hand in the final sixteenth, the pricey yearling purchase Dreamlike closed with purpose late, however, came up a half-length short at the wire. Il Miracolo was six lengths back in third. Cont. p3

‘ENERGY AND ENTHUSIASM’ FUELS STRONG KEENELAND SEPTEMBER SALE by Jessica Martini

Even the most optimistic observer would have been hard-pressed to predict that the 2023 Keeneland September Yearling Sale would live up to its blockbuster 2022 renewal, but when the dust had settled Saturday afternoon, the auction’s 12-day run produced numbers largely in line with last year’s record setter.

“Coming into this year, we had to have a little bit of caution just because of the economic climate and some negativity in the sport,” admitted Keeneland Vice President of Sales Tony Lacy. “I think we have to be extremely happy with the way the sale has gone. I know we go on about the energy and the enthusiasm, but I think it was actually amplified this year. It was great to see the pavilion packed, especially on the first day. The biggest issue we had was a lack of seating, which I don’t think we’ve had in the past very often.” Cont. p9

“He broke super sharp. I was almost like a good length and a half in front, so when you break that sharp, it allows you to take a better position instead of breaking flat-footed or a step slow,” said Geroux. “He broke like a rocket and from there I thought I was in a great spot. Reincarnate, being so far outside, I thought it gave me an extra second and a half to slow it down in the beginning. I didn’t see the fraction, what was it, :47? [it was :47.27]. Pretty good huh?”

Added trainer Brad Cox, “Right before he straightened up, I saw his ears going back and forth and I thought this horse is looking around a little bit. He kind of got a little lost. Florent said he was looking around a little bit when he came back to the winner’s circle. He is still lightly raced and he had re-engage a bit and push him along.”

The 3-year-old is campaigned by Faisal M. Alqahtani of FMQ Sables, which has been involved in U.S. racing for one year.

A winner of his first two starts, including a 6 1/2-furlong test at Churchill Downs May 21, the OBS April graduate came up a nose short in the one-mile GIII Dwyer S. at Belmont July 1 and was beaten again by the same margin by juvenile champion Forte (Violence) in a sloppy renewal of the nine-furlong GII Jim Dandy S. July 29.

After two narrow losses, what made the difference today?

“Just progression,” said Cox. “In the Dwyer, he had come off a 6 1/2-furlong [win] and was stretching out to a mile. He went up the backstretch a little quick that day but overall finished up well. He was passed, he came back and lost the bob. The last time out, he got beat a nose by a champion in his first run around two turns. We have asked a lot out of him in last two runs and I think he gained a lot of experience and has been battle-tested in his last two runs.”
And the speed-favoring nature of the track was also a factor, according to Cox.

“Based on what we saw throughout the day, I thought we had to be aggressive,” he said. “Sometimes, you see that and everyone has the same idea. He has enough natural speed to break clear off and he did and Flo did a great job.”

What next for Saudi Crown?

“He could be in the [Breeders' Cup] Classic,” said Cox. “Based off the pedigree, by Derby winner [Always Dreaming] out of a Tapit mare, with his physical deal, he could handle the mile and a quarter. Obviously, you have to get the right setup. I am not sure he has to have the lead in order to win. He is a pretty kind horse who breaks well. I will tell you this, with his Saudi-based ownership group--great guys to work with and for--I think the Saudi Cup is one race that is definitely on the target as well.”

Pedigree Notes

Saudi Crown gives his Kentucky Derby-winning sophomore sire Always Dreaming his first graded and Grade I stakes winner. The winner is out of the unraced mare New Narration, a daughter of Grade III winner New Normal (Forestry), and a granddaughter of Dual graded stakes winning New Economy (Red Ransom). This represents the family of Grade I winner Noble’s Promise (Cuvee).

CEILING CRUSHER OUTGUNS FAVORED PRETTY MISCHIEVOUS IN COTILLION

By Christina Bossinakis

On paper, it appeared that Pretty Mischievous (Into Mischief), coming into Parx's GI Cotillion S. off three consecutive Grade I victories for Godolphin and Brendan Walsh, held her rivals over a barrel. Despite that fact, Ceiling Crusher (Mr. Big) took full advantage of the soggy, sealed track by going to the front and never looking back en route to a narrow victory over the 2-1 Classic winner.

Breaking to the immediate inside of Pretty Mischievous, the 3-1 co-second choice flashed her usual early speed, leading Majestic Creed (Jimmy Creed) and Hoosier Philly (Into Mischief) through an opening quarter in :23 1/5 as the favorite was taken back to sixth, over seven lengths behind the early pace.

Continuing to show the way through a :47 3/5 half, the bay started to feel the pressure from behind as Hoosier Philly started to put the screws to her, while Pretty Mischievous also began to narrow the distance while slipping between rivals rounding the far turn. Three wide turning for home, Ceiling Crusher held a solid advantage over the wilting Hoosier Philly and Pretty Mischievous, who was fanned out even wider while inching closer to the front. Digging in for the run to the wire, Ceiling Crusher found her lead dwindling late as the Godolphin homebred closed, however, it was too little too late as the pacesetter held on to collect her first Grade I victory by a half length. Occult (Into Mischief) closed from the back to be third, 1 1/4 lengths behind the runner up.

“The question was if she could handle [the 1 1/16 miles],” said winning rider Edwin Maldonado. “We just let her kick on and do her thing. She’s been running short and taking the lead sprinting, so I just needed a good break and we got a good break. The rest was her. I don’t like any horses getting close to her. By the time they came at her at the three-eighths pole, I just went.”

Following the race, winning trainer Doug O’Neill acknowledged the race went according to script.

“She handled everything perfectly,” he said. “Edwin has gotten to know her. She has no accelerator stuck to her at all. She is not a run-off. Being in the two-hole, he did not want to get caught up in a lot of traffic. He rode her away from there and I just thank God no one else went on a suicide mission to stop her. She has that high-cruising speed and she carried it all the way to the wire. She does not have a huge turn of foot. She has a high cruising speed, a grinder, a lot of heart. [Maldonando] used all that to a T.”

When asked what might be next for the filly, O’Neill added, “She is not nominated [to the Breeders’ Cup]. It will be up to the guys and gals, if they want to write a big check. We looked at this on the calendar months ago and the fact that is coming true...this was our Breeders’ Cup today.”

As for the beaten favorite’s performance, Walsh opined, “A little disappointed in that she maybe didn’t handle the track great initially. Tyler [Gaffalione] said as soon as she switched her leads down the back, he kind of felt her way back into the race. But you know, Doug’s filly got the jump on us and she was gone. That’s the way it goes I’m afraid.

“Listen, if she can at all make her run she always makes her run. She always gives it 110%. Anytime she has been beaten she hasn’t been beaten far. You can’t be disappointed in her, we’re just a little disappointed in the circumstances. Hats off to Doug’s filly, too. She took her opportunity and she won the race. I’m not taking anything away from her.”

Ceiling Crusher built her reputation facing primarily Cal-breds, stringing together an impressive four-race win streak, highlighted by Santa Anita’s Evening Jewel S. in April followed by the Melair S. May 28. Defeated for the first time in her career in the seven-furlong Fleet Treat S. at Del Mar July 27, the bay rebounded to post a front-running score at that seaside venue while facing opening company in the one-mile Gill Torrey Pines S. Sept. 2.

Pedigree Note

Ceiling Crusher is the most accomplished of seven foals by her dam Palisadesprincess, a half-sister to Grade II-placed Moana (Uncle Mo). This represents the extended family of Grade I winner Cotton Blossom and GSW Vicarage. The victory marks the initial Grade I winner for Ceiling Crusher’s sire, Mr. Big.

After failing to find the winner’s circle over the course in over a year, Damon’s Mound followed up off a last out stakes score at Charles Town with a victory in Saturday’s GII Gallant Bob S. at Parx. Fleet-footed at the start, Damon’s Mound settled in a comfortable third as Sir Lancelot and Ryvit carved out a sharp :21.3 opening quarter. Rushing up between the pace-setting rivals approaching the quarter pole, he was momentarily challenged by Ryvit and then Nautical Star closing to his outside, however, the favorite packed the most punch left late, reporting home a 1 1/2-length winner over Nautical Star. Gordian Knot rounded out the trifecta.

“They out-footed me the first part, the two faster horses on the outside, then I was sitting in a beautiful trip,” said winning rider Junior Alvarado. “When I started picking it and making my run he was there digging in for me the whole way to the wire.”

A debut winner sprinting at Churchill Downs in July 2022, the bay returned to take the GII Saratoga Special but failed to handle the step up in trip, finishing sixth in the GIII Iroquois S. in September.

Off for the remainder of the season, the Florida-bred was 11th in the 5 1/2-furlong Palisades S. at Keeneland in April but didn't fare much better when ninth in the GII Pat Day Mile on the Derby Day undercard. Runner-up in a Churchill optional claimer in June, he was fourth in the slop in Ellis' Maxfield S. July 2 before finally make it make to the top last time out in the Robert Hilton Memorial S. Aug. 25.

“He’s done very well the last couple races,” added Alvarado. “He’s been on the engine and making my job pretty easy. I rode him last time, kind of the same thing—broke out of there, put him on the engine. He likes that. He likes to feel that he’s the one in control.”

Regarding the Maxfield, trainer Michelle Lovell explained, “That day it rained right before his race. It came like a monsoon and I think it was just a different track condition, but today with the rain they had the track sealed all day and all night so it probably just worked out better for him.”

**Pedigree Note**

Damon’s Mound is one of three graded stakes winners by Girvin (Tale of Ekati), who is represented by his first crop of 3-year-olds in 2023. MSWP San Antonio Stroll produced a filly by Girvin in 2021 followed by a colt and filly by the sire over the last two seasons. She was bred back to Roadster.

Tackling the rainy weather, wind and soggy bog of a Parx turf course may have been a problem for the four who scratched out of the race before post time, but was clearly not an issue for the Indiana-bred Nobody Listens, who rode a three-race win streak—including the Parx Dash last month over this course—into a first career graded stakes win by three widening lengths. The gelding, who had never even attempted graded company in 25 career starts on all surfaces and mostly at his hometown track Indiana Downs, was first out of the gate and sprinted right to the front where he comfortably led the field, longshot Smooth B. (Weigelia) racing closest and in hot pursuit just to his outside flank. Though briefly challenged for the lead heading around the bend, the gray gradually extended his lead into the lane and down the stretch with each stride under a strong ride to prevail at odds of 3-1 with Smooth B. holding on to second.
The 3-5 favored filly Roses for Debra (Liam’s Map) spun her wheels a bit on the soft course and was never a factor to check in third, two lengths behind the runner-up.

“[Taking the lead from the break] was the plan,” Nobody Listens’s co-owner Roger Browning said. “Get on it and go. [Jockey] Tyler [Gaffalione] had never ridden him before, but he did his homework and he came to us and told us what he wanted to do and we let him do it. Just go.

“He’s tough. He’s an Indiana-bred we bought at the Ocala Breeders’ Sales as a 2-year-old in training. Ever since, he’s just been amazing. We knew we had a nice speed horse. We just brought him to Indiana and let him win a couple of stakes there.

“We planned it out to avoid all the big boys for right now. And now we’re here and we’re hoping to go to the Breeders’ Cup.”

**Pedigree Notes**

Nobody Listens, who was a three-time stakes winner heading into the Turf Monster, was a $40,000 2-year-old in training purchase out of OBS April in 2020. He is the fifth stakes winner out of his unraced dam, who has an unnamed 2-year-old Bucchero colt and was bred back to that sire.

Next wrapped up another route victory by skimming comfortably over a sloppy renewal of Parx’s GIII Greenwood Cup S. Saturday.

After being claimed for $62,500 at Keeneland early in 2022 from his breeder Silverton Hill and trainer Wesley Ward, the gelding returned three starts later to win the off-turf Cape Henlopen S. going 12 furlongs at Delaware Park in September. Winning that race by 18 1/4 lengths sparked a trend that subsequently led to three stakes victories in four attempts, including a 6 1/4-length score in Keeneland’s GII Thoroughbred Aftercare Alliance S. Breeders’ Cup Week and a victory in the GII Brooklyn H. this past June. Last seen mastering the July 27 Birdstone S. at Saratoga winning by an eye-catching 11 3/4 lengths, Next bypassed the GI Jockey Club Gold Cup S. upstate in favor of this easier spot.
SAUDI CROWN scored an impressive front-running victory in the $1,000,000 Pennsylvania Derby (G1) at PARX on Saturday, giving Kentucky-breds 17 consecutive wins in PARX’s premiere event.

The Doug Cowans trainee broke quickly and immediately took control into the first turn with Riden With Biden directly on his heels. Loping along easily on the front end, the 1-5 choice repulsed his rival just before the final turn and steadily increasing his advantage, drawing away by an ever widening 25 lengths.

“For us, they don’t come any better,” said Cowans. “He is so unique at what he can do and I have been training horses for 30 years and have never had a horse that is this unique and can run these kind of distances. To have a horse that can do this is really unique and fun. I have never seen him get tired. Every time, all the way to the races, he gives us confidence. Sometimes, you get overconfident. He makes me look good.”

Pedigree Notes
Next's sire Not This Time has produced 29 stakes winners, plus two champions, including GI Travers S. hero Epicenter. The winner is his dam’s last recorded progeny of record. Bahia Beach is out of Pop Princess (Alphabet Soup), who counts GI Rampart H. victress Spring Waltz (Silver Charm) as a half-sister. Deeper into this extended female family is third dam GSW Relaxing Rhythm (Easy Goer) and her half-sister Holy Mountain (Devil's Bag), who won the GIII Lexington S.

Keeneland cont. from p1
Lacy continued, “I think the sellers felt very encouraged by the traffic, by the amount of vetting that they had before the sale. So overall, I think the table was set. The numbers were very similar to last year--which was a record year--so we’ve got to be very pleased.”

At the close of business Saturday, 2,754 yearlings had grossed $394,127,900, third highest in sale history. The average of $143,111 just ticked up from last year’s record-setting figure of $142,429, while the median of $67,000 was down 4.29% from last year’s record of $70,000. The buy-back rate was 20.22%. It was 18.24% last year.

Additionally, 130 horses that did not meet their reserve price in the ring were sold privately for a total of $13,927,000 to push total gross sales to $408,054,900 as of the close of the Sept. 23 session.

The September gross topped $400 million for the first time in 2022 when 2,847 horses sold for $405,495,700.

Thirty horses topped $1 million this year, including the $3-million sale-topping son of Into Mischief purchased by the partnership of Chuck Sonson, Woodford and West Point Thoroughbreds. That matches the number to hit that threshold from 2022 and doubled the number from the 2021 auction.

There were 168 horses who sold for $500,000 or more this year, compared to 162 in 2022.

“The 30 seven-figure horses in Books 1 and 2 was the same as last year and we’ve actually exceeded the number of $500,000 sales compared to last year,” said Keeneland Director of Sales Operations Cormac Breathnach. “It’s been a very healthy market with a lot of participation from many countries and many domestic buyers.”

Depth in the Buying Bench
The Keeneland September sale attracted another deep and diverse buying bench with strong domestic participation bolstered by a wide array of international buyers.

“One day, the top 15 horses were from 13 different entities and most of those were domestic,” Lacy said of the buying bench. “There were some international buyers that were participating at the high level as well and they were critically important and always have been in the market.”
The stallion-making partnership of SF Racing, Starlight Racing and Madaket Stables was the auction’s leading buyer, acquiring 20 yearlings for $12,590,000. A year ago, the partnership was the second leading buyer with 21 purchased for $12,825,000.

Mike Repole’s Repole Stable and St. Elias Stables partnered up to be last year’s leading buyer, with 31 purchased for $12,840,000. While the two operations did not purchase together this year, Repole was the auction’s second leading buyer with 35 yearlings purchased for $11,835,000. He purchased a further eight horses in partnership with Spendthrift for $4,185 million. Alone or in various partnership, St. Elias bought 12 head for $4.645 million.

“You see an emphasis on partnerships and syndicates,” Lacy said. “I think with the purse structure right now and the possibility to have a lot of fun and a return on your investment, it makes a lot of sense for people spending considerable amounts of money. Mike Repole has been a critical part of that and with one or two horses, he has paid for the whole package. So this makes sense. It’s playing at the big table, but again it pays off in the long run.”

The domestic buying bench at the top end also included Jim and Dana Bernhard, who purchased the historic Pin Oak Stud last year and recently added land from the former Adena Springs. The Bernhards acquired 19 yearlings for $8,835,000. Newcomer John Stewart also made a splash at the auction, purchasing 13 head—including a $2.5-million filly by Uncle Mo—for $8,425,000, while Robert Clay’s Grandview Equine purchased nine yearlings for $3,530,000.

“I think purse structure is really what’s promoting, or permitting, the domestic buyers to be so strong,” Breathnach said. “We had tremendous international participation at this sale, but they were evident on the grounds at some points more than on the results sheets because the American buyer base is very powerful right now. The vast majority of the top 20, 30, 40 yearlings sold in this sale are staying in the U.S., even the ones purchased by Sheikha Hissa.”

The Shadwell stable of the late Sheikh Hamdan al Maktoum was largely absent from the September sales results in recent years, but made a big return this year with his daughter, Sheikha Hissa on the grounds at Keeneland. The operation purchased the session topper on the sale’s first day, going to $2.3 million for a filly by Into Mischief. It also acquired a daughter of Medaglia d’Oro for $1.1 million. In all, Shadwell purchased four yearlings for $4,850,000.

“It was great to see Sheikha Hissa return to the market here at Keeneland,” Breathnach said. “That was really rewarding for us that she was here and she had a great time. That’s important to us in terms of the future of the game here and the international market as well.”

**Strength Follows Strength**

While Keeneland’s elite Books 1 and 2 attracted plenty of competitive bidding, there was concern demand might drop off in the auction’s later books, but the results remained strong. “We were more concerned about the last book or two,” Lacy said. “The conversations we had with a lot of potential buyers during the summer on our travels, whether it was domestic or international, they were very much engaged with coming to Keeneland. So I think we felt pretty confident that [demand] would go to Book 4, but we are incredibly happy with the way Book 5 started off and the clearance rate. [Friday] we had a clearance rate of almost 90%, which I think has got to be very positive from the perspective of breeders who are able to get their horses moved on into the system and they can reinvest in the next crop.”

Phil Hager signed for 18 yearlings for $2,507,000 in the name of his Taproot Bloodstock and he was involved in the purchase of several other head during the 12-day auction.

“Going into the sale, I was expecting the first week was going to be really tough to buy and then it would drop of pretty significantly shortly after that,” Hager said. “And I felt like it was definitely tough that first week, but there was pretty spirited bidding all the way through, really. Those first few days were really tough, but after that, I felt like we started to get a few more bought. It seemed like the transition to the second week, there was one day that felt like it was light and then it picked right back up again and got pretty active. It was a little stronger at the end than I thought it would be.”

Still, Hager said Keeneland’s emphasis on putting strong physicals up front in the sale may have led to some bargains early on.

“I thought Book 1 was really strong in terms of physicals,” Hager said. “You could tell that Keeneland was trying to put some of the better physicals into Book 1 and there were maybe some horses in Book 1 that could have brought more if they were in Book 2 or 3. And I felt like there were some good opportunities there, but sometimes it’s hard to talk owners into looking into Book 1 because you get used to vetting them and then getting blown out of the water. But just looking back on it, it seems like maybe there were a few opportunities—and I’m not talking under $100,000, it was the $200,000 to $400,000—but maybe horses that were decently bought in those first two days.”

He continued, “If you wanted a really good physical and some pedigree, then, yes, it did cost a lot. At times probably more than you would have thought going in. Luckily, a few of my clients were willing to pay a little more to get that horse. There were a few that we bought that I thought could have brought more. But overall, I thought it was pretty fair.”

Finding Value in Fillies

Eclipse Thoroughbred Partners was active in the September market, purchasing--alone or in partnership--18 yearlings for $5,385,000.

“It’s a very healthy market,” said Eclipse’s Aron Wellman. “It has been for several years, especially in the upper echelon of the market, which is where we try to play. There has been no clearly defined middle market for quite some time, but we do our best to try to seek out value and carve out a middle market of our own, so to speak.”

With the current proliferation of colt-buying partnerships, Eclipse Thoroughbreds has sought to find value in buying fillies--just five of its September yearlings were colts.

“It’s a strategy that has proven fortuitous for our program and our partners,” Wellman said. “There is just such an insatiable appetite for what buyers perceive to be stallion prospects and the premium being paid for those individuals that sometimes when we are able to place more of an emphasis on fillies, we feel as though we get a little bit better value for our money.”

Eclipse did purchase a colt by Into Mischief for $850,000 and a son of Good Magic for $725,000.

“Those were two our swinging for the fences type plays and then after that we were back in our sweet spot, back in the $150,000-$250,000 range,” Wellman said.

Wellman sees the buying power of the colt partnerships expanding into even later sessions.

“The conglomerates that have been put together to purchase high-profile colts with stallion physique and pedigree have made that a very competitive niche market that is expanding,” he said. “You are seeing guys in sessions six and seven paying high six figures for colts right now. So it’s not confined to Book 1 or even Books 2 or 3. When there is that perception that there is a potential stallion prospect, with those traits and characteristics, there is no ceiling as to what those horses might bring.”

Wellman, sounding like a man just coming out of war, said the competition ran straight through the sale.

“We shopped all of the way through Book 5,” he said. “There is an incredible buying bench headed up by great bloodstock agents right now and I think they are supported by fantastic capital--just when you think the money is going to run dry, there is no such thing as sneaking one past anyone anymore. There is such an incredible desire for owners to have horses that they envision being capable of competing at the highest level. So they are willing to pay premiums if they believe those horses possess those tools. And you’ve got to go into the pavilion every time thinking you are going to war. There is no letting down at any point in this sale. It’s a war, it’s a marathon, it’s a battle of attrition. And you’ve got to be equally mentally and physically focused because it is challenging on every front. You go into battle mode for a couple of weeks and you hope to come out with as many healthy soldiers as you can find.”

Format Formally a Success

For the third year in a row, the Keeneland September sale was presented with two-session Books 1 and 2, followed by a dark day. Sales officials continued to be pleased with the results of the format.

“When we start breaking the $400-million mark two years in a row, I think that illustrates stability,” Lacy said. “The one thing our buyers and our clients want is consistency. They want familiarity. We put our necks on the line with this format, but it was something that needed to happen.
“I think the consignors and the breeders are starting to understand what we are trying to do and what we are achieving. So we have a huge amount of buy-in right now. I think we are seeing that stability in the numbers. Even in some challenging economic times, we are still able to maintain some really, really good numbers.”

Demand at the top of the market during week one fueled gross sales of $234 million, on par with last year’s $236 million for the corresponding period. The average price of $367,818 rose 3.8% while the median climbed 9% to $300,000.

“Keeneland has done a good job in Book 1 of getting better physical horses pushed forward, and the market responded to that,” said Taylor. “We sold horses in Book 1 for a lot of money by freshman sires and by non-traditional Book 1 sires. Keeneland’s ongoing push to get breeders and consignors to support Book 1 with really good physicals by a diverse group of stallions is paying dividends.”

**Plenty of Mischief at Keeneland September**

Of the 30 horses to bring seven figures during the September sale, 12 were by Into Mischief and five were by **Uncle Mo**. The two stallions were responsible for nine of the auction’s top 10 prices. **Gun Runner** had three million-dollar sales, **Not This Time**, **Curlin** and **Tapit** had two each and **Constitution**, **Medaglia d’Oro**, **McKinzie** and **Volatile** one. Into Mischief was the sale’s leading sire by average with 53 yearlings averaging $698,019. While first-crop sires **McKinzie** and **Volatile** produced million-dollar yearlings at Keeneland, it was **Authentic** who led all sires in that category by average. The **GI Kentucky Derby** winner had 67 yearlings sell for an average of $270,358.

Gainesway Leads All Consignors

Gainesway ended Taylor Made Sales Agency’s eight-year reign as the September sale’s leading consignor. Antony Beck’s operation sold 137 yearlings for a gross of $43,573,000. Gainesway got the auction off with a bang, selling nine million-dollar yearlings, and didn’t slow down throughout, leading the consignor’s list at every session in which they sold horses.

“I would describe it as a lifetime achievement,” Gainesway General Manager Brian Graves said of the title. “I’m just so grateful to our clients for giving us such a quality product to put us in a position to be the leading consignor. We knew we had a really nice physical draft of horses, especially with the addition of Mandy [Pope]’s horses and top pedigrees, and the feedback from Keeneland was very positive. They had asked us to put more horses into Book 1 and move more horses from Book 3 to Book 2, so that was a good sign we had a strong and really deep group of horses. Then the results turned out good.”

Taylor Made was the auction’s second-leading consignor with 268 head grossing $39,387,000.

Silent Name Colt Tops Keeneland Finale

A colt by Silent Name (Jpn) (hip 4037) topped the final day of the Keeneland September sale when selling for $185,000 from the partnership of X-Men Racing, Madaket Stable and SF Racing. Consigned by Grovendale Sales, the yearling is out of Holy Cargo (Holy Bull), a half-sister to GI Preakness S. winner Red Bullet (Unbridled). He was bred in Ontario by BHMFR, LLC, which purchased the mare with the colt in utero for $10,000 at the 2021 Keeneland November sale. Alone or in partnership, X-Men Racing, the Canadian partnership assembled by bloodstock agent Donato Lanni, purchased 13 yearlings for $1.366 million during the 12-day auction.

Nimitz Class, who put together a string of five straight wins, was back in the winner’s circle Saturday for a fifth career stakes victory following three straight runner-up efforts. The 6-1 shot rated off the pace in third while keeping heavily favored Gunite in second in his sights as longshot Mish took the field through fractions of :23.84 and :47.59. Gunite moved to challenge the pacesetter approaching the stretch, with Nimitz Class rallying just to his outside. Gunite had the lead at the top of the lane, but Nimitz Class surged to the front with a sixteenth to run and drew away to the wire.

“In the beginning we didn’t really have quite enough speed to keep up with those two sprinters, but once they got on the backstretch he kept getting stronger and he was pulling the jockey toward the front,” said winning owner Thomas Coulter. “At the end he just pulled away. He looked super. We had some tough times this summer. He kept finishing second, but I think today all the conditions lined up for him and he ran a great race.”

Asked if the victory was one of the highlights of his career, trainer Bruce Kravets said, “Not one of, the highlight of my career. The horse looks great, trained great coming into the race. We were going to run on a fast track, slop, it didn’t matter. This horse gives you everything he has every time you put a bridle on him. He never misses a beat.”

Tyler Gaffalione, aboard the beaten favorite, said, “He handled the track. This was our third time trying a mile and I guess it’s just not his best distance. He traveled to the quarter pole in great form. I really thought we were just going to go on. He just came up a little short for us today. Some of his best races are in the slop, he handles the slop just fine. I am still not convinced that the mile is too far. It’s just something about the two turns doesn’t work with him.”

Nimitz Class’s win streak started last December in the Robert T Manfuso S. at Laurel and he added three more Laurel stakes to his resume earlier this year. He was second in his lone graded attempt to date in the June 17 GIII Salvator Mile, was runner-up again in the Deputed Testamony S. at Laurel in July and was coming up a second-place finish against state-bred foes at Parx in the Aug. 21 Storm Cat S.

BUCHU (f, 2, Justify--Flowering Peach {Ire}, by Galileo {Ire}) was making her second start on turf following a troubled sixth-place effort going this distance over the Saratoga lawn Aug. 20. The 4-1 shot broke alertly and was on the lead in the initial strides before settling just off the pace along the rail. Tipped out three wide for racing room at the top of the lane, the dark bay filly forged to the lead at midstretch and kicked away to graduate by 4 3/4 lengths. Luz Divina (Palace Malice) was second. Buchu, who RNA’d for $275,000 at last year’s Keeneland September sale, has a weanling half-brother by Uncle Mo. Flowering Peach was bred back to Golden Pal this year. The mare is a daughter of multiple graded winner Naples Bay (Giant’s Causeway) who is a half-sister to Medaglia d’Oro. Click for the Equibase.com chart

She stalked the top two from third, set her sights on the leader at the top of the stretch, reeled that one in late and held on by a neck over the fast-finishing My Brazilian Girl (Golden Lad). The winner is a half to Ganadora (Quality Road), SW & MGSP, $212,600; and a Nyquist filly of 2022, who brought $340,000 from First Row Partners at KEESEP. Beloveda was bred to Quality Road for 2024.

MAYCOCKS BAY (c, 2, Speightstown--Hallie Belle {MSW & GSP, $210,464}, by Medaglia d’Oro), a well-beaten second as the favorite on debut at Monmouth Park Aug. 13, went one better in the soggy opener on the stacked GI Pennsylvania Derby program. The even-money favorite jumped well and dueled while three wide. He began to take control as they spun for home and took care of business while racing down the center in the stretch to graduate by 1 1/4 lengths over Twilight Dancer (Tapiture). The winner's dam produced a Speightstown filly in 2022 and a Street Sense filly in 2023. Lifetime Record: 2-1-1-0, $71,500.

THIS DATE IN HISTORY...

September 26, 1942...The Jockey Club stewards revoked jockey Eddie Arcaro’s license for one year after a display of “rough riding” aboard odds-on favorite Occupation in the Cowdin S. September 19. In the race, Arcaro deliberately drove his horse into another, Breezing Home, knocking jockey Vincent Nodarse into the infield. Nodarse and his mount had crowded Arcaro at the start, almost causing him to be unseated.

September 27, 1894...Aqueduct Racetrack opened its doors. The building was torn down in 1955 and the new Aqueduct was reopened September 14, 1959.
FIRST BLACK TYPE WINNER FOR STUDY OF MAN AS DEEPONE DOMINATES THE BERESFORD

by Tom Frary

Bouncing out of a defeat in Leopardstown's G2 Champions Juvenile S. earlier this month, Vimal Khosla's Deepone (GB) (Study Of Man {Ire}--Avyanna {Ire}, by Galileo {Ire}) put that behind him by dominating Saturday's G2 Alan Smurfit Memorial Beresford S. at The Curragh.

Only fourth behind Diego Velazquez (Ire) (Frankel {GB}) on Irish Champions Day, the Paddy Twomey-trained 3-1 joint-second favourite soon had control on the front end under Billy Lee and never looked like being reeled in as he secured a 1 3/4-length defeat of Chief Little Rock (Ire) (Galileo {Ire}). He was a short head in front of fellow Ballydoyle runner Grosvenor Square (Ire) (Galileo {Ire}) in third as Aidan O'Brien went two years without adding to his tally of 21 winners.

The win was the first at black-type level for Deep Impact's first-crop sire Study Of Man and Twomey revealed that Deepone may attempt to emulate him by winning next year's G1 Prix du Jockey Club.

ARRAY WINS MILL REEF BATTLE by Tom Frary

With the ground riding heavy at Newbury, Saturday's G2 Dubai Duty Free Mill Reef S. had the potential to become a war of attrition and ultimately it was Juddmonte's Array (Ire) (No Nay Never--Joyeuse {GB}, by Oasis Dream {GB}) who proved toughest. Off the mark in a Newmarket novice before finishing third in the G3 Sirenia S. over this six-furlong trip at Kempton earlier this month, the Andrew Balding-trained homebred was placed near the fore by Oisin Murphy from the outset.

Committed passing two out, the 7-4 favourite was forced to scrap late to ward off Mister Sketch (GB) (Territories {Ire}) but proved equal to score by half a length, with Seven Questions (Ire) (Kodiac {GB}) a short head away in third.

For the trainer, the success has special meaning being named after his father's brilliant figurehead of the 70s. "Obviously this race is important to our family," he said. "We try to find one for it, but dad trained our last winner, Firebreak, while I've had two seconds and a third before this."

“I see him as a French Derby type—I think he’s a mile-and-a-quarter or mile-and-a-half horse next year,” he said of the winner, who was his sire’s first at Leopardstown in May and who had also beaten the useful Nor Time Nor Tide (Ire) (Ten Sovereigns {Ire}) at Killarney in July and been second in the Listed Coolmore Stud Churchill S. at Tipperary in August. “Things didn’t go right last time and we had the highest-rated horse and decided to ride him like that and it worked out. He’s a strong traveller and he finds plenty. Hopefully for Vimal he’s a Derby horse for next year and that’ll be it for this year now.”

KODI BEAR’S THUNDERBEAR NOTCHES

WORLD TROPHY TRIUMPH by Sean Cronin

Jack Davison trainee Thunderbear (Ire) (Kodi Bear {Ire}--Speronella {GB}, by Raven’s Pass), who finished off the board in five prior black-type outings and was winless in three starts since annexing a May 2 Nottingham handicap, stepped forward for a career high in Saturday’s G3 Dubai International Airport World Trophy S. at Newbury.

The Irish raider broke sharply for an immediate lead and was restrained to slipstream the pacesetting Nymphadora (GB) (No Nay Never) in second after the initial strides. Inching forward from halfway, the 12-1 outsider-of-five wrested control from Nymphadora approaching the final furlong and was driven out in the latter stages to withstand the rallying effort of that St Albans Bloodstock-owned rival by a neck. St Albans Bloodstock also had the third home with Sense Of Duty (GB) (Showcasing {GB}) best of the remainder and two lengths adrift of the leading duo.

“Once we saw the rain was coming we were happy to give him the entry and we were glad it stayed soft,” said Davison. “He ran well at Royal Ascot [when eighth in the G3 Jersey] and won at Nottingham.”
Pedigree Notes

Thunderbear, the second pattern-race scorer for his sire, is the fifth of seven foals and one of four winners out of a half-sister to G2 International Bosphorus Cup and G3 Cumberland S. victor Move Up (GB) (Dubawi {Ire}). The February-foaled bay’s second dam is GIII Glen Falls H. victrix and GI Flower Bowl Invitational S. runner-up Rosinka (Ire) (Soviet Star), herself kin to GI Sword Dancer Invitational hero King’s Drama (Ire) (King’s Theatre {Ire}) and stakes-winning GI Charles Whittingham H. runner-up Self Feeder (Ire) (Lycius). Thunderbear, who hails from the family of G1 Irish 1000 Guineas heroine Nightime (Ire) (Galileo {Ire}), is a half-brother to the once-placed 2-year-old filly Scorchio (Ire) (Kuroshio {Aus}) and a yearling colt by Kuroshio (Aus).

HOLY ROMAN EMPEROR’S ROMAN MIST TO THE FORE IN DRESDEN FEATURE by Sean Cronin

David Howden’s 5-year-old distaffer Roman Mist (Ire) (Holy Roman Emperor {Ire})–Drifting Mist (GB), by Muhtathir (GB), untested through her juvenile and 3-year-old seasons, has made up for lost time by picking up two stakes events, and placing in two pattern-race heats, in 10 black-type outings en route to a career high in Saturday’s G3 Grosser Preis der Landeshauptstadt Dresden.

The well-backed 5-2 favourite was swiftly into stride and raced in a handy third after the initial exchanges of this first overseas challenge. Sent wide to the stands’ side rail off the home turn, she gained a narrow advantage passing the furlong pole and was pushed out to easily hold the late bid of Westminster Night (Fr) (Morandi (Fr)) by 3/4-of-a-length. French raider Sivka Burka (Fr) (Siyouni {Ire}) attempted to make all and stayed on gamely once headed to finish 2 1/4 lengths adrift in third.

Roman Mist annexed last term’s Listed Snowdrop Fillies’ S. in just her second start, hitting the board in Epsom’s G3 Princess Elizabeth S. next time, and closed her maiden campaign with a second in October’s Listed Fleur de Lys Fillies’ S. at Lingfield. She made a winning seasonal return in Goodwood’s May 6 Listed Conqueror Fillies’ S., ran second in July’s G3 Valiant S. at Ascot before finishing fifth in this month’s G3 Atalanta S. at Sandown last time.

“She had great form from Ascot and she had been used to running over the one-mile trip,” winning rider Andrasch Starke told GaloppOnline. “Her trainer Archie Watson assured me the shorter distance would not be a problem and he was absolutely correct. She gave me a really good feeling approaching the final turn and I took her to the outside in the straight. We always had everything under control.”

Pedigree Notes

Roman Mist becomes the 55th pattern-race scorer for her sire and is the third of six foals out of G3 Curragh Cup third Drifting Mist (GB) (Muhtathir (GB)), herself the leading performer out of Listed Salsabil S. third Fenella’s Link (GB) (Linamix {Fr}).

CHURCHILL’S PRIME ART SURGES TO FIRTH OF CLYDE SUCCESS by Sean Cronin

Fresh off a breakthrough victory at Naas last week, €110,000 Goffs Orby graduate Prime Art (Ire) (Churchill {Ire}--Mona Lisa’s Smile, by War Front) remained on a roll with a decisive success in Saturday’s G3 Virgin Bet Best Odds Daily Firth Of Clyde S., Scotland’s sole pattern race of the year, at Ayr.

Prime Art was soon into a comfortable rhythm and raced under cover in midfield through halfway in this black-type bow. Last to come off the bridle inside the final quarter-mile, the 10-1 chance launched her bid between rivals approaching the final furlong and powered clear in style under late urging to easily outpoint Great Generation (Ire) (Holy Roman Emperor {Ire}) by 1 3/4 lengths for a career high. Navassa Island (Ire) (Territories {Ire}) finished a neck further back and was best of the rest in a blanket finish for the minor placings.

Prime Art had earlier debuted with a fourth behind Navassa Island, going six furlongs at the Curragh in August, and occupied the same berth when following up over seven furlongs at Naas in her penultimate start last month.

“The race worked out perfect, she relaxed early doors and then she came on the bridle past the three-furlong marker,” explained rider Ben Curtis. “She travelled into it lovely and I just waited for the gap. When it came, she quickened up very well and hit the line strong. She couldn’t have done any more. Her form is rock solid, she showed a great attitude to win at Naas the last day and I think there’s definitely more to come. The way she pricked her ears there you’d think there was more under the bonnet.”

Pedigree Notes
Prime Art, who becomes the ninth pattern-race winner for her sire, is the first foal produced by a winning daughter of G1 Irish 1000 Guineas and G1 Oaks heroine Imagine (Ire) (Sadler’s Wells). Imagine is the dam of five Group winners headed by ill-fated G1 Prix Jean-Luc Lagardere hero Horatio Nelson (Ire) (Danehill) and G1 Criterium International winner Van Gogh (American Pharoah). Prime Art’s third dam Doff The Derby (Master Derby), who is an unraced half to G1 Prix Ganay heroine and outstanding producer Trillion (Queen Elizabeth S.-winning sire Generous {Ire}) (Caereon). The April-foaled bay is half to a weanling filly by Wootton Bassett (GB).

JAMES HORTON TO RELOCATE TO NEWMARKET

After parting ways with owner John Dance, conditioner James Horton will return to Newmarket to begin training next term on his own. When leading chaser Bravemansgame (Fr) (Brave Mansonnien {Fr})—co-owned by Dance—was barred from running in the Aintree Grand National meeting early this year, the horse was later allowed to continue his career when Bryan Drew took sole ownership. Dance’s other horses, most with Horton, were cleared to run, though under different names, in May but with the announcement Monday of “further concerns coming to light”, another interim stop had been put on the runners.

“In light of the ongoing uncertainty for James Horton and his team, he is to part ways with owners John and Jess Dance in North Yorkshire and relocate to Newmarket to train independently from there next season,” per an issued statement. “He is very grateful for the opportunities which have been given, where he has trained some wonderful horses and looks forward to the future ahead.”

There was talk about the Champion Stakes before this from connections of Royal Rhyme and while that may be ambitious, this was another step in the right direction from the impressive winner of a competitive handicap at the Qatar Goodwood Festival in August. At the head of the main group as Pride Of America was sent several lengths clear, the homebred was produced to wear down that enterprisingly-ridden rival a furlong out and assert for a ready first black-type success.

Jockey Clifford Lee said, “The ground wasn’t as soft as it was at Goodwood, but it was a great performance by him. What I didn’t want to do was leave it too late, so three down I just started giving him a squeeze and tried to keep tabs and from then on I knew I was going to get him.”

Royal Rhyme, who becomes the 120th black-type winner for his sire, is out of Dubai Queen (Kingmambo) who also produced the G2 May Hill S. third Zabeel Queen (Ire) (Frankel {GB}). The second dam is the G1 Oaks d’Italia heroine Zomaradah (GB) (Deploy {GB}), whose claim to fame came as the dam of the triple group 1 winner and leading sire Dubawi (Ire) and who is also responsible for the G2 Lancashire Oaks winner Emirates Queen (GB) (Street Cry {Ire}) who in turn produced the smart Outbox (GB) (Frankel {GB}) and Royal Champion (Ire) (Shamardal) who also captured this race. Dubai Queen’s unraced 2-year-old filly by Invincible Spirit (Ire) is named Esprit Queen (GB), while she also has a yearling filly by Outbox’s dam Frankel.

Bustled along approaching the two pole, the 6-1 chance went third entering the final furlong and found late gears under continued rousting to deny wilting stablemate New Chelsea (Ger) (New Bay {GB}) by a head on the line, the pair 6 1/2 lengths clear of the remainder. Feigning Madness is the second foal and scorer produced by Listed Daisy Warwick S. third Dance The Dream (GB) (Sir Percy {GB}), herself a half-sister to G3 Dee S. placegetter Rasmy (GB) (Red Ransom) out of stakes-winning G1 Vodafone Oaks third Shadow Dancing (GB) (Unfuwain).

Scrubbed along with three furlongs remaining, the 8-11 favourite came under sterner urging thereafter and was ridden out once hitting the front inside the final furlong to prevail by a length from Haya (GB) (Ulysses (Ire)). Beautiful Love is the third foal and scorer produced by G3 Prix Fille de l’Air victrix Powder Snow (Dubawi (IRE)), herself a half-sister to G2 Diana-Trial and Listed Woodcote S. third Sea Of Snow (Distorted Humor). Prepared for a debut of extra significance by Paddy Twomey, the Connolly Racing Syndicate’s One Look (IRE) (Gleneagles {Ire}) stormed to a six-length success in The Curragh’s Goffs Million on Saturday to cap a red-letter day for the stable. Well-supported into 5-1 second favouritism, the €65,000 Goffs Orby graduate waited towards the back early under Billy Lee. Sent forward as the even-money favourite Cherry Blossom (IRE) (No Nay Never) made her move passing two out, she swapped that rival at the furlong pole and powered clear for an emphatic introduction.

“She’s a nice filly and she’s been a nice filly all year,” Twomey said. “I thought I would have run her earlier, but it’s just the way it worked out and she was just ready to run this week.”
"I gave her an Irish Guineas entry on Wednesday. That was a big performance to do that on debut. Maybe she'll say yes to running again, but I doubt it. We have nice two-year-olds. I'm delighted as the owners sent me two horses this year for the first time and both have won first time out now. Juxtaposition won the first mile maiden at Leopardstown."

One Look’s dam Holy Salt, who also produced the G3 Premio Carlo d’Alessio victor Baptism (IRE) (Sea The Stars [IRE]), is kin to four black-type performers headed by the G1 Star Epsom hero I’m Your Man (FR) (Cape Cross [IRE]) and the G3 Prix Penelope winner and G1 Prix Saint-Alary-placed Perfect Hedge (GB) (Unfuwain). She is in turn the dam of the G2 Prix Vicomtesse de Vigier winner Called To The Bar (IRE) (Henrythenavigator), while the family also includes Poliglote (GB). Looming large passing the quarter-mile marker, the 11-4 second favourite regained control with 1 1/2 furlongs remaining and was ridden out in the closing stages to assert by 3 1/2 lengths from Il Pellegrino (IRE) (Ulysses {IRE}). Militarize and Joao Moreira superb in Golden Rose

by Keely Mckitterick/TTR AusNZ

The stallion-making G1 Golden Rose promised to be an event of the highest class. The valuable feature attracted an exciting field of 12 talented 3-year-olds and international participation with world-class jockeys Ryan Moore and Joao Moreira journeying to Sydney.

Both riding for Champion Trainer Chris Waller, Moore took the mount aboard the Golden Slipper winner Shinzo (Snitzel) owned by Coolmore, and Moreira partnered with Militarize (Dundeel (NZ)) owned by Newgate Bloodstock, China Horse Club Racing Pty Ltd, Trilogy, Newgate S F, Horse Ventures, Go Bloodstock Australia, Starlight Racing, Grant Bloodstock Pty Ltd, Carpe Diem, Aston Bloodstock, Nick Vass Bloodstock, G1g Colts & Breeding Pty Ltd & Aristia Park Bloodstock Pty Ltd.

The Gary Portelli-trained Encap (Capitalist) burst clear at the top of the straight and looked to have the Golden Rose all sewn up after fighting off Cylinder (Exceed And Excel), but bursting from the clouds was Militarize, who flew fast to steal the victory.

Unsurprisingly, Militarize clocked the fastest last 600 metres of the Golden Rose, recording a time of 33.61s.

It was the third victory at the elite level for the son of Dundeel (NZ) after claiming the G1 Sires’ Produce S. and the G1 Champagne S. as a juvenile with Moreira in the saddle.

Moreira was emotional after the success and told Racing NSW, “I couldn’t feel any better; he’s been such a great horse for myself. Every time I’ve sat on him, he hasn’t let me down. Today [Saturday], he had to make it tough, considering that he didn’t have everything go his way in the race. Honestly, I wasn’t confident I could win as we approached the last 300 metres. I had a wall of horses right in front of me. I just couldn’t get the split right away.”

“That forced me to be in behind horses, but I found myself behind the right horse that will take me forward. The last bit, when I was able to get him into the clear, just dashed home like a star. Good horses make jockeys lives so much easier.”

Charm Stone (I Am Invincible) held onto fifth, while King Colorado (Kingman {GB}) ran seventh. Shinzo, who finished sixth at 2.66l, was subject to a post-race vet examination where it was revealed the colt was two out of five lame in the off-foreleg.

Pedigree Notes

The winner earlier in the year of the G1 ATC Sires’ Produce S. and the G1 Champagne S., he was bred by GSA Bloodstock and sold by Bhima Thoroughbreds to China Horse Club, Newgate Bloodstock and Trilogy Racing for $550,000 at the 2022 Magic Millions Gold Coast Yearling Sale. One of the 24 stakes winners for his Arrowfield Stud-based multiple Group 1-winning sire, he is the second foal for the imported placegetter Amerindia (GB) (Dubawi {Ire}) whose first foal Non Grata (Pariah) was exported to Macau having run a couple of placings in Victoria. Again served by Dundeel (NZ) last spring, foaling a Snitzel colt in October, Amerindia also has a 3-year-old three-quarter brother to Militarize in the Lindsay Park galloper Perfectly Good (Super Seth) who ran fourth in a Flemington jump-out a couple of weeks ago.
Amerindia’s dam is the G1 Prix de l’Opera winner Satwa Queen (Fr) (Muhtathir {GB}), also dam of the Listed winner Important Time (Ire) (Oasis Dream {GB}) (in turn dam of the G1 Saratoga Derby winner Nations Pride {Ire} by Teofilo {Ire}) and grandam of Yulong’s triple Group 1 winner Lucky Vega (Ire).

‘GATOR GOES BACK-TO-BACK FOR SIXTH

GROUP 1 by Keely McKitterick & Oz Wedmore/TTR AusNZ

The resurgent Alligator Blood (All Too Hard) earned his sixth Group 1 title in the Underwood S. at Caulfield, becoming the first horse since Northerly (Serheed {USA}) (2001/02) to win back-to-back renewals of the race.

Just a week after he contested the G1 Makybe Diva S., it was a contrast to his often-adopted front-running tactics as he was initially held in behind horses, and eventually took up a position behind the lead of Alanquer (Fr) (Adlerflug {Ger}).

But the Gai Waterhouse and Adrian Bott-trainee showed typical tenacity and saw off Tuvalu (Kermadec) by 1l, with Duais (Shamus Award) 0.2l back in third.

“She [Waterhouse] was adamant that she wanted him to lead, but I just felt that on his back today he was a little bit quieter in the seven day back-up and he wasn’t as sharp today,” jockey Damien Oliver said.

After twice changing trainers, Alligator Blood joined Tulloch Lodge in 2022, and at just his second start in the new stable landed co-trainer Gai Waterhouse her 150th Group 1 in the Stradbroke H. Now a 7-year-old, the gelding was also at the centre of a public controversy over his former owner Allan Endresz, who was ultimately banned from ownership in Victoria last year.

Now running in the colours of Gerry Harvey, the Alligator Blood story grew richer on Saturday, not least as he provided outgoing star Damien Oliver with his 129th Group 1 in what will be his final spring in the saddle.

“He’s not going to go out without a bang, is he,” Waterhouse said of Oliver, who also partnered Northerly to win his first Underwood more than two decades ago. “So many people are here to see Alligator Blood, it’s so lovely that he could deliver.”

Waterhouse went on to indicate that the G1 Turnbull S. may be Alligator Blood’s lead-up race for the G1 Cox Plate, though discussions will continue.

Pedigree Notes

Purchased by the Ezybonds No 1 Syndicate for $55,000 at the 2018 Magic Millions Gold Coast Yearling Sale, the popular Alligator Blood was bred by Gerry Harvey and prepared for sale by his Baramul Stud. One of the 23 stakes winners for his Vinery Stud-based four-time Group 1-winning sire, Alligator Blood is out of the unraced Lake Superior (Encosta De Lago) who sadly died young, having had only four live foals, Alligator Blood the last of those.
Lake Superior is a daughter of the three-time Group 1-placed Kwilkwong (Red Ransom (USA)), whose son Cantonese (Redoute's Choice) won the Listed Christmas Cup. Kwilkwong’s dam Tracy’s Element (Last Tycoon {Ire}) earned the titles of South African Champion 2YO and South African Champion Older Mare with her four wins in Group 1 company.
