REPORT OF MARES BRED: GOLDEN PAL TOPS LIST WITH 293 IN 2023

Golden Pal | Sarah Andrew

The Jockey Club’s Report of Mares Bred (RMB) statistics reflects that through Oct. 18 of this year, 867 stallions covered 26,597 mares in North America during the breeding season, a decrease from 2022 when 925 stallions covered 27,163 mares, the organization said in a release early Friday.

They estimate an additional 2,500 to 3,500 mares will be reported as bred during the 2023 breeding season.

Kentucky traditionally leads North America in Thoroughbred breeding activity. During 2023, Kentucky’s 199 reported stallions covered 16,953 mares, or 63.74% of all of the mares reported bred in North America. The number of mares bred to Kentucky stallions increased 1.58% compared with the 16,689 reported at this time last year.

Of the top 10 states and provinces by number of mares reported bred in 2023, in addition to Kentucky, stallions in New York, Ontario, and West Virginia covered more mares in 2023 than in 2022, as reported at this time last year.

Golden Pal, standing at Coolmore America, had the highest number of mares bred in 2023 with 293, followed by Epicenter (Coolmore), 262; Practical Joke (Coolmore), 252; Jack Christopher (Coolmore), 247; and Uncle Mo (Coolmore), 234.

KLARAVICH HOMEBRED 'SURGES' TO VALLEY VIEW VICTORY by Alan Carasso

Favored on the morning line at 3-1 for Friday’s GIII Bank of America Valley View S. at Keeneland, Klaravich Stable’s Surge Capacity (Flintshire {GB}) launched a furious final-furlong flourish and was along in the dying strides to--somewhat remarkably--give trainer Chad Brown a first victory in the event at an overlaid 5-1.

The homebred was off alertly from gate nine and was able to cross down to ride the rails into the first turn as Yesternight (Midnight Storm) was hard sent from the 11 hole to make the running. Appearing to overrace while traveling on the back of the speed through the middle furlongs, Surge Capacity continued to sit a good trip, but took an awkward stride in traffic as the field approached the stretch.

PLETCHER BRIGADE, WHITE ABARRIO BREEZE

A dozen Breeders’ Cup-bound horses from the barn of Todd Pletcher recorded breezes Friday morning at Keeneland, while at Santa Anita, White Abario (Race Day) turned in a strong move in preparation for the GI Breeders’ Cup Classic.

Photographed in May, Delightful Quality grazes alongside her Tapit filly, a full sister to today’s Breeders’ Cup 40 horse. See page 11. | Sarah Andrew

The RMB also shows that there were 14 stallions with a book size of 200 or more that covered a total of 3,213 mares in North America in 2023 as reported through Oct. 18, which is 12.1% of all coverings reported. The 45 stallions with books of 150 or more covered 8,588 mares, which is 32.3% of all mares reported bred.

For comparison, reports submitted by Oct. 10, 2013, show that one stallion covered more than 200 mares in North America, which represented 0.6% of the total for that year. Those reports also show 19 stallions covered 150 or more with a total of 3,205 mares in the 2013 breeding season, which equates to 9.4% of all mares reported bred in 2013 as of Oct. 10.

PLETCHER GROUP LEADS KEENELAND WORKERS; WHITE ABARRIO BACK ON TRACK

Trainer Todd Pletcher sent out a total of 12 horses, all of whom are pre-entered in next weekend's Breeders' Cup races, for half-mile works at Keeneland Friday morning in advance of their Saturday departure to Santa Anita.

GII Pilgrim S. winner Agate Road (Quality Road) (Juvenile Turf) worked in company with Haul (Army Mule) in :49 flat (32/63). GI Darley Alcibiades winner Candied (Candy Ride [Arg]) (NetJets Juvenile Fillies) went in company with GII Chandelier runner-up Scalable (Speightstown) (Juvenile Fillies) in :49.20 (37/63).

About Candied, Pletcher said, “She worked very well. She worked on the inside of Scalable. Finished up nicely, galloped out good. She was a little late on her lead change, which has kind of been a thing with her. But she did get it the second time when Luis (Saez) asked for it. And once she did, she leveled off nicely, finished up strong and galloped out great.”

As for Pletcher’s older horses, GII Suburban S. winner Charge It (Tapit) (Big Ass Fans Dirt Mile) worked in :48.60 (17/63) while GI Jockey Club Gold Cup winner Bright Future (Curlin) (Classic or Dirt Mile) worked in company with Dreamlike (Gun Runner) (Dirt Mile or Classic) in :48.40 (9/63).

'TDN Rising Star' Fierceness (City of Light) (FanDuel Juvenile) went in company with Noted (Cairo Prince) (Juvenile) in :48.60 (17/63).

Life Talk (Gun Runner) (Juvenile Fillies) was in company with GI Claiborne Breeders' Futurity winner Locked (Gun Runner) (Juvenile) in :48 flat (6/63).

“Locked just does everything so easily and effortlessly,” Pletcher said. “He’s a colt that we had high expectations for when he came in. He’s a very quiet, laid-back colt. Unassuming, until we got serious with him, and then it was like, wow, this is a really nice colt. I thought his debut was sneaky impressive. I thought his mile maiden win at Saratoga was the most impressive 2-year-old performance of the meet. Then to come here and win (the Claiborne Breeders’ Futurity) from an outside draw and a wide trip the entire way, I thought that was a very determined effort on his part. He’s done everything well since then. We’ve been blessed with some very good 2-year-olds, and I think that he’s right there with them.”

Life’s an Audible (Audible) (Juvenile Fillies Turf) ran in company with Appellate (Constitution) in :48.80 (25/63).

GI Coolmore Turf Mile winner Up to the Mark (Not This Time) (Turf or Mile) breezed in company with Be You (Curlin) in :48.80 (25/63).

“At the Mark has had two good breezes now since his win in the (Coolmore) Turf Mile,” said Pletcher. “I thought we got what we wanted in terms of some good conditioning. Strong gallop out, seems to be doing well. We’re going to continue to lean towards going in the Turf.”

At Santa Anita Friday, White Abarrio (Race Day) worked five furlongs in :59.80 (3/39). According to private clocker Gary Young, the 4-year-old went the final quarter mile in :22.80.

Trained by Richard Dutrow Jr., White Abarrio was originally slated to work this past Monday but that drill was postponed. Connections attributed the delay to an issue with White Abarrio’s shoes. Noted blacksmith Ian McKinlay flew in Monday and re-shod White Abarrio. He galloped Tuesday, Wednesday and Thursday prior to Friday’s drill.

“He worked great. He cooled out great. We’re thrilled,” Chip Dutrow said.

Working for the GI Breeders’ Cup Juvenile Fillies was Chatalas (Gun Runner) for trainer Mark Glatt. Winner of the GII Chandelier S. Oct. 7, the filly worked five furlongs 1:01.00 (15/39).

Trainer Peter Eurton worked a trio of 2-year-old Breeders’ Cup contenders: Flattery (Flatter), Stay Hot (Summer Front) and Dark Vintage (Ire) (Dark Angel {Ire}). Flattery worked four furlongs on the training track in :48 flat (2/12). Stay Hot worked four furlongs on the training track in a bullet :47.40 (1/12). Dark Vintage worked four furlongs on the main track in :47.40 seconds (2/37).
Trainer John Sadler worked the Speakeasy winner, Slide (Jimmy Creed), who went five furlongs in :59.80 (3/39).

Working towards the Juvenile Turf was Endlessly (Oscar Performance) for trainer Michael McCarthy. He drilled four furlongs in :47.80 (8/37).

Rounding out Friday’s Breeders’ Cup workers were Elm Drive (Mohaymen) and Where’s My Ring (Twirling Candy), who is on the also-eligible list for the Juvenile Fillies Turf. Elm Drive, pre-entered in the $1 million Filly & Mare Sprint, worked five furlongs on the training track in 1:03.20 (5/6) for trainer Phil D’Amato.

Bank of America Valley View S. cont. from p1

Shuffled back a few spots as a result, the well-related filly commenced her rally in earnest at the eighth pole, was switched to the inside of GIII Music City S. winner Secret Money (Good Samaritan) shortly after and charged home along the fence to just touch off Heavenly Sunday (Candy Ride {Arg}), who raced prominently throughout. Bling (American Pharoah) was third.

The victory provided a timely and valuable pedigree update for her dam, who just Thursday was supplemented to the Fasig-Tipton November Sale Nov. 7.

A debut winner over the Monmouth turf course June 10, Surge Capacity offered similarly juicy odds off 11-2 when proving 3/4 of a length too strong for her better-fancied and commonly owned stablemate Tax Implications (GB) (Mehmas {Ire}) in the GIII Lake George S. over yielding Saratoga turf July 21. No better than the third choice to Tax Implications in the GII Lake Placid S. Aug. 19, Surge Capacity was beaten to the punch by the Brown-trained Aspray (Quality Road) and was forced to settle for second.
Pedigree Notes:
Surge Capacity's dam was acquired by Klaravich for $200,000 at the 2014 OBS April Sale and, campaigned in partnership with William H. Lawrence, she won the 2015 Jammed Lovely S. The mare's first foal, Dew Springs (Temple City), was bred in partnership, but future GSW Highly Motivated (Into Mischief), Surge Capacity and 'TDN Rising Star' and troubled GI Spinaway S. runner-up Ways and Means (Practical Joke) all raced or race as Klaravich homebreds.
A half-sister to MSP Hall Pass (Freedom Child) and to the dam of 2022 GI Penn Mile S. upsetter Wow Whata Summer (Summer Front), Strong Incentive was blank the past two years and is currently in foal to Good Magic.

Durante made the first 18 starts of his career in California, eight for Doug O’Neill and the rest for Keith Crigmyle, good for three wins. He was given a soft introduction to racing on this side of the country with an easy allowance score at Penn National Aug. 2 ahead of an open-lengths win at Saratoga 17 days later. He made it three in a row Sept. 16, scoring by five lengths over 6 1/2 panels and was just defeated by Cowan (Kantharos) when last seen just 13 days ago.

“A lot of these California horses enjoy the East Coast. There’s no getting around that.” said trainer David Jacobson. “I think it’s a combination of the weather and the track. They seem to do well here and it just feels good to have a nice horse in my barn again.”

Pedigree Notes:

On the eve of the running of the GII Forty Niner S., it seems just that his son Distorted Humor would be represented by his 170th stakes winner globally and 74th graded/group winner worldwide. Out of an unraced half-sister to Gaff (Maria’s Mon), a Grade III winner on turf and dirt, and SP Christina d’Oro (Medaglia d’Oro), Durante has a 2-year-old half brother named Wrightsville (Candy Ride {Arg}) that sold for $610,000 at the 2022 Keeneland September sale, a yearling half-brother by Twirling Candy and a weanling half-sister by Authentic. Seahawk Girl was most recently bred to Justify.

WEEKEND PREVIEW: STARS OF TOMORROW PROGRAM ANCHORED BY STREET SENSE
by Alan Carasso

The fall meeting at Churchill Downs gets underway Sunday in what has become its traditional way, with juvenile races comprising the entire 11-race program. When the Triple Crown trail begins in earnest following the turn of the calendar, it will likely feature a handful of horses that raced on the day en route to bigger and better things, and the $200,000 GIII Street Sense S. has the feel of a key race going forward.

The form of the GI Claiborne Breeders' Futurity is very much on display, and while that event's top two finishers--'TDN Rising Star' Locked (Gun Runner) and The Wine Steward (Vino Rosso)-- will be making their way to Santa Anita for next Saturday's GI Breeders' Cup Juvenile, the two horses that finished immediately in their wake will do their part to frank the race.

Despite graduating by a distance at odds-on and earning an 86 Beyer Speed Figure, Generous Tipper (Street Sense) was friendless in the market at better than 17-1 for the Breeders' Futurity, but turned in a bold effort to be third after trailing for the opening half-mile. When all was said and done, he was a neck better than Northern Flame (Flameaway), who won his maiden in wire-to-wire fashion at this track Sept. 15.

Locked's stable companion Moonlight (Audible) is the new shooter and potential fly in the ointment, as he stretched away to break his maiden by eight lengths in a rained-off maiden at Aqueduct Sept. 28, while Liberal Arts (Arrogate) looks to improve off his closing third in the one-mile GIII Iroquois S. Sept. 16. Cont. p10
That's A Wrap at Keeneland...

Saturday marks the final day of racing for the Keeneland fall meet, with a pair of graded events on tap. You'd have to travel all the way back to Blame in 2009 for the last time a 3-year-old defeated his elders in the GII Hagyard Fayette S.—his sire Arch accomplished the same feat in 1998—and such is the objective for Il Miracolo (Gun Runner) on Saturday. Seventh to Arcangelo (Arrogate) in the GI Belmont S. June 10, the chestnut has since held his own in stakes company, finishing second in the Curlin S. July 21 before winning the GII Smarty Jones S. at Parx Aug. 22. The chestnut was hardly disgraced when last seen in the GI Pennsylvania Derby Sept. 23, as he rallied from behind midfield to round out the exacta behind the GI Breeders' Cup Classic-bound Saudi Crown (Always Dreaming) and Dreamlike (Gun Runner), pre-entered for two championship races.

Trademark (Upstart) is the very lukewarm 9-2 morning-line favorite off his head defeat in the GII Lukas Classic Sept. 30, but he'll have to work out a trip from gate 10, while Giant Game (Giant's Causeway) is a threat on his best, though there appears to be plenty of other speed signed on.

The co-featured GII Bryan Station S. lures a field of 10, led by the exciting Talk of the Nation (Quality Road), who bounced back from a pair of runner-up efforts to win the $1-million Gun Runner S. at Kentucky Downs Sept. 2. He squares off here with Smokey Mandate (Strong Mandate), third in the Gun Runner and second to More Than Looks (More Than Ready) in the Sept. 30 Jefferson Cup S. at Churchill. The latter was entered in the Bryan Station, but breezed Friday at Keeneland and appears headed for next Saturday's GI Breeders' Cup Mile.

Xigera Opts For Path of Least Resistance in NY...

For a time, Rigney Racing's Xigera (Nyquist) was under strong consideration for next weekend's GI Breeders' Cup Distaff, but connections have chosen a more conservative course and have the 6-5 morning-line choice for Saturday's GII Mother Goose S. at Aqueduct. Though the $190,000 Keeneland September yearling won her maiden on the turf and added this year's Tepin S. on the grass, she could not have been more impressive in shooting clear to take the Seneca Overnight S. by a dominating 6 1/4 lengths Sept. 23. Anything approaching that effort would be tough to topple here, but she does encounter some classy rivals in the form of GI Central Bank Ashland S. victress Defining Purpose (Cross Traffic) as well as the enigmatic Julia Shining (Curlin), winner of the GII Demoiselle S. at this venue last December.

The GII Forty Niner S., formerly the GII Kelso S., serves as a course-and-distance prep for the GI Cigar Mile H. during the Aqueduct meet and looks to be a two-horse affair between Accretive (Practical Joke), runner-up to Cody's Wish (Curlin) in the GII Vosburgh S. Oct. 1, and Everso Mischiefous (Into Mischief), who looks to negotiate this class hike, having drawn away for a first black-type score in the Sept. 23 Harrods Creek S. at Churchill.
2020 JUVEINE WINNER ESSENTIAL QUALITY

Essential Quality (2018 gray or roan horse, Tapit--Delightful Quality, by Elusive Quality)

Lifetime Record: Ch. 2yo/3yo Colt, MGISW, 10-8-0-1, $4,755,144

Breeders’ Cup connections: B-Godolphin (KY); O-Godolphin, LLC; T-Brad Cox; J-Luis Saez.

Current location: Jonabell Farm, Lexington, Ky.

As the wide-reaching Godolphin operation has used the names of different arms throughout the years--for example, 2001 Juvenile Fillies winner Tempera (A.P. Indy) was bred by Darley Stud Management, LLC but raced for Godolphin, LLC--it may be a surprise to learn Essential Quality was the first official Godolphin homebred to win the Breeders’ Cup. Remarkably, in the two renewals since his win, another seven Godolphin homebreds have added to that number.

Undefeated at two, Essential Quality was a Belmont and Travers winner at three. His first foals were born this year.

“Essential Quality was one of our best yearlings in his crop and he later proved to be the best of his whole crop,” said Michael Banahan, Director of Bloodstock at Godolphin, USA, “winning the Eclipse Award for being Champion 2-year-old and 3-year-old.” Cont. p12
He also holds a special place in the Godolphin honor roll as a homebred Classic winner. What really distinguished Essential Quality from other horses is that when he left our yearling farm to go into training, he never had a day off until after his last race. He never raced on any medication, was fast, tough, sound, and durable. Hopefully, he will pass on those traits to his offspring which will propel him into having a great second career as a stallion.” --Jill Williams

FOR $14,000, JERSEY BREEDERS BOUGHT A “DREAM COME TRUE” by Bill Finley

(Story courtesy of The Thoroughbred Breeders’ Association of New Jersey)

New Jersey-based breeder Greg Kilka knew the odds were not in his favor when he arrived at the 2020 Keeneland January Sale. A small-time owner and breeder with a modest budget, what chance did he have of coming home with a horse that could be life-changing? He was playing the lottery.

“I didn’t have unlimited resources,” he said.

What he did have was $14,000, what it cost to buy an unraced mare named Adorabella (Ghostzapper) in foal to Fast Anna (Medaglia d’Oro). It was the only horse he bought at the sale. Fast forward some three years later and Adorabella’s first two foals are both stakes winners and her third, a yearling colt by Classic Empire just sold for a sales-topping $135,000 at the Fasig-Tipton Midlantic Fall Yearling Sale. All three are New Jersey-breds.

“People may think we’re overnight successes,” Kilka said. “But my wife and I have been putting money into the sport for some 15 years. But never have we had anything like this.”

Kilka arrived at the sale with bloodstock agent Chris Gracie. They looked at dozens of horses, hoping to find that diamond in the rough that everyone else misses. Hip 945 caught their attention. There wasn’t a lot to go on. She was bred by Tracy Farmer but never made it to the races. Her dam, Alydorable (Arch) was 1-for-3 during her brief career and finished third in the Revidere S.

“Physically, she was beautiful,” Kilka said. “There was nothing we could see that was wrong with her when we purchased her. Chris went through lot of mares on my behalf. He liked this one physically and thought she could be a productive broodmare. Looking at her family, he thought there was some upside.”

Kilka said he had no idea why Adorabella had never raced. It turns out she had the type of niggling problems that keep a lot of horses from making it to the races.

According to Joe Miller, who helped manage the racing and breeding operations of Tracy Farmer, Adorabella was sent to Mark Casse to prepare for her debut but came down with some ankle issues.

“We felt like we’d be better off breeding her because she was going to struggle to make it to the races,” Miller said. “Now I feel embarrassed that we sold her. Fortunately, Tracy still has the rest of the family. He’s pressing on with the family, so, hopefully, they’ll keep breeding stakes winners out of Adorabella.”

Kilka teamed up with Christine Connelly of Bright View Farm and they are the co-breeders of the Fast Anna foal, which they decided to sell at auction. Named Girl Trouble (Fast Anna), she sold for a mere $15,000 at the 2021 Fasig-Tipton Midatlantic Fall Yearling Sale. The buyers were Swilcan Stable LLC and LC Racing and they turned her over to top Midlantic trainer Butch Reid. She’s gone 5-for-13 and has won two stakes, both at Parx, the Future Stars Filly Division S. and the Parx Futurity.

Kilka and Connelly were off to a fast start with Adorabella, but it would only get better.

Kilka had been part of a partnership that raced Bucchero (Kantharos) and was eager to give the stallion a try. He didn’t know at the time that Bucchero would become a rising star among stallions. From his first two crops to race, he’s had 50 winners (61% winners to starters, below only Army Mule and well ahead of horses like Justify and Good Magic. He’s had three stakes winners and eight total stakes horses from modest books of mares.

“I probably wouldn’t have been shrewd enough to breed her to Bucchero, who's off to a phenomenal start as a stallion" Miller said. “More power to them. They've done a great job managing her.”

Cont. p13
The mating of Bucchero and Adorabella produced Book’em Danno, named for Steve McGarrett’s go-to closing line in the old Hawaii Five-O series. This time Kilka and Connelly decided to sell the foal privately and he was purchased by Atlantic Six Racing LLC., which is comprised of a group of friends who are residents of the Jersey Shore.

Trained by Derek Ryan, Book’em Danno broke his maiden on Aug. 2 at Monmouth, besting a field of Jersey-breds by 9 1/2 lengths. Believing his horse was ready for a tougher challenge, Ryan entered him back against open company in the Smoke Glacken S. at Monmouth, which he won by two lengths.

That had the connections thinking Breeders’ Cup and they wheeled Book’em Danno back in the Oct. 8 Futurity S. at Aqueduct for what was to be his turf debut. The race was a “Win and You’re In” for the GI Breeders’ Cup Juvenile Turf Sprint, but things took a wrong turn when the race was rained off the grass.

That didn’t prove to be a problem on the racetrack as Book’em Danno dominated, winning by 6 1/2 lengths. But because the race came off the turf it was no longer a Win and You’re In race, so “Danno” will not be headed to Santa Anita. It was also downgraded from a Grade III to a listed race.

“Maybe that was a blessing in disguise, Ryan said. “The Breeders’ Cup race is at five furlongs and that might be too short for him.”

Ryan now plans to run Book’em Danno in the Nov. 5 Nashua S., run on the dirt at one mile at Aqueduct.

“We plan to stretch him out now,” Ryan said. “It’s a one-turn mile and I don’t think that will give him any trouble. He’ll handle the distance. He’s a very laid-back horse. He switches himself off and then when you call on him he’s there. I’d like to try him on the grass at some point. He’s bred for it. I think if that race stayed on the grass the result would have been the same.”

Should Book ‘em Danno win the Nashua he’ll join the conversation when it comes to hopefuls for the 2024 GI Kentucky Derby. But Ryan isn’t ready to look that far ahead. He said the Nashua will be the gelding’s last start of the year. He will then ship to Tampa Bay Downs and gear up for his 3-year-old campaign.

For Kilka and Connelly, the best should be yet to come. The $135,000 they picked up when selling the Classic Empire--Adorabella foal was their first real payday. (The yearling was bought by the same connections that own Girl Trouble). The next could come as soon as Nov. 7--two days after the Nashua--as Adorabella has been supplemented to the Fasig-Tipton November Sale (hip 261). She sells from the Gracie Bloodstock consignment in foal to Medaglia d’Oro, carrying one bred like the aforementioned Girl Trouble.

So what did Kilka really get for his $14,000?
“A dream come true,” he said. “An absolute dream come true.”

RESTREPO AND PARTNERS BUY HORSE TO RUN AT ST MORITZ WHITE TURF MEET

by Bill Finley

For the last three or four years, bloodstock agents Ramiro Restrepo, Bo Bramagen, and Clay Scherer had talked about attending the White Turf races in St. Moritz, Switzerland as fans. The races are among the most unique in the world. They’re held every February and run over a frozen lake that is packed down with snow, creating a spectacle unlike anything, anywhere in the world of horse racing. The races have been held since 1907.

“We always thought that the St. Moritz white turf races were so cool, so appealing,” Restrepo said.

In a few months, the three will be in St. Moritz, but not as fans but as owners. At this week’s Tattersalls Autumn Horses In Training Sale 2023 they bought a horse named Cumulonimbus (Ire) (Night of Thunder {Ire}) with the specific goal of sending him to Switzerland to compete in the biggest race of the meet, the Feb. 18 Grosser Preis von St Moritz. The horse cost 150,000 guineas.

The race will be contested at a mile-and-a-quarter and the purse is 100,000 Swiss Francs, which equals about $110,000 U.S.

“Last year, we decided to forget about going in there as fans,” said Restrepo, part owner of 2023 GI Kentucky Derby winner Mage (Good Magic). “We decided why don’t we try to win this thing. We spent the year putting our heads together and tried to figure out the best way to approach it.”

Part of that approach is to involve a large contingent of friends and colleagues. The three decided to sell 50 shares in the horses and Restrepo said that about 40 have already been sold.

“We wanted to put forth a strong investment to acquire a prospect who we could have some fun with running in Switzerland and, also, going forward, run in a couple of other international races and just have fun,” Restrepo said.

“We want to put 40-50 horsemen together and put aside the competition and the egos. We want this to be more a brotherhood and sisterhood of horsemen, whether its consignors, owners, breeders, someone who works for a sales company. We just want to make this a fun thing. We spend all year fighting each other in sales ring and on racetrack. Here is a chance for all of us to come together under one banner as equal shareholders and have a great time competing in a unique international race.”

But how do you find the right horse for a race that is not run on dirt, grass or a synthetic surface, but on snow? What is there to go on?

The group put European bloodstock expert Martin Buick, the brother of jockey William Buick, in charge. “Martin Buick helped us out through the process,” Restrepo said. “We were going through potential horses in this horses of racing age sale and looked at previous horses that won this race and their ratings. We did our homework and Martin was our eyes and ears on ground.”

Restrepo said winners of the Grosser Preis von St Moritz tend to be close to the pace early because those in the back can be hindered by what can be a heavy kickback of snow. Considering the conditions, you also need a horse with proven stamina. Restrepo believes that Cumulonimbus is a perfect fit for the race. Cont. p15
“This one fell in our lap,” Restrepo said. “He has the style for it. He’s won handicaps with Frankie Dettori and Hollie Doyle up, so you know he has some class. He just kind of fit the bill.” Cumulonimbus has been turned over to U.K. based trainer George Baker, no stranger to the White Turf races. He won the 2020 Grosser Preis von St. Moritz with Wargrave (Ire) (Galileo {Ire}).

“This is something fresh, something new that we wanted to try,” Restrepo said. “What could be better than to spend a weekend of racing with a good group of people? This race is a bucket list item for a lot of people. It’s easy to see why and we’d love to win it.”

LATE ZENYATTA OWNER JERRY MOSS’S ART COLLECTION OFFERED AT CHRISTIE’S

The late Jerry Moss, known as a music mogul and the owner of superstar Zenyatta (Street Cry {Ire}), will have 13 works from his personal art collection sold in a single-owner section of Christie’s 20th Century Evening Sale on Nov. 9, 2023, the auction house said in a release Oct. 10. With a passion for art and horses, Moss watched Zenyatta win a remarkable 19 races from 20 career starts and celebrated her being named Horse of the Year in 2010 and champion older mare in 2008, 2009 and 2010. Spanning a range of genres and representing the European avant-garde, icons of Latin American art, and contemporary masters, Moss’s subsequent property from the collection will be sold in the Marquee Week Day Sales and the Design Sales in December. In total, the collection is estimated to realize in excess of $50 million, with partial proceeds to benefit The Music Center.

Highlights from the collection include: Friday Kahlo’s Portrait of Cristina, My Sister (estimate: $8--12 million) and Tamara de Lempicka’s Fillette en rose (estimate: $7--10 million). The top lot of the group is Picasso’s Nu couche, estimated to achieve $10--15 million.

Tina Moss, Trustee and Executor for the Estate of Jerry Moss, said, “Art, was always something personal to Jerry and related to love, beauty, or how an experience of something had touched him. The interest that he took in the artist and respect for their artistic creativity was at the heart of who he was and what he collected.”

The Collection of Jerry Moss will be on display at Christie’s New York Rockefeller Center galleries, where the full collection will be on view from Oct. 28 through the day of the auction.

WANAMAKER’S ONLINE OCTOBER SALE RECORDS SECOND HIGHEST INDIVIDUAL SALE

At the conclusion of the Wanamaker’s October Sale, a total of 26 horses went through the digital ring for a gross of $397,750, which included the site’s second highest priced horse sold, the online auction said in a release late Thursday. Offered by trainer Michael Merryman on behalf of The Orebanks, the topper was Bandonarun (Uncle Lino) (hip 48), who went to Bradley Weisbord for $300,000, on behalf of Everett Dosbon.

"I am excited to buy her for the Dobson family. We have not bought many for Everett over the years, but we had some early success buying proven runners that went on to win stakes", said Weisbord.

"We are thrilled with the sale of Bandonarun for an impressive $330,000, the second-highest priced horse we have sold," said Wanamaker’s CEO Liza Hendriks. "As we move forward, Wanamaker’s is committed to pioneering the future of Thoroughbred auctions in the digital age, connecting buyers and sellers from around the country in an innovative and efficient manner."

The next Wanamaker’s mixed sale will occur on Nov. 30, with entries closing on Nov. 20 and the catalogue released on Nov. 22. The first ever Wanamaker’s New Jersey-Bred Sale, held in conjunction with the Thoroughbred Breeders’ of New Jersey, will take place on Nov. 16, with entries closing on Nov. 6 and the catalogue released on Nov. 8.

SATURDAY’S RACING INSIGHTS:
By J.N. Campbell

DAUGHTER OF GRADE I WINNER ROMANTIC VISION DEBUTS AT KEENELAND

4th-KEE, $100K, Msw, 3yo/up, f, 6f, 2:36 p.m. ET.
G. Watts Humphrey campaigned homebred Romantic Vision (Lemon Drop Kid), who won three out of her four tries at Keeneland, including the 2017 GI Juddmonte Spinster S. Now, her first offspring RARE AFFAIR (Medaglia d’Oro) debuts and like her dam, she’s trained by Rusty Arnold.

Romantic Vision is also responsible for a yearling colt by Nyquist, who just sold during Keeneland September for $700,000 to the Three Amigos, foaled a colt by Essential Quality Apr. 1 and she was bred to City of Light for next year.

Rare Affair hails from a deep family of Humphrey homebreds which includes second dam GSP Perfect for You (Giant’s Causeway), fourth dam GSW Dream Scheme (Danzig) and her half-sister, MGISW Clear Mandate (Deputy Minister), herself the dam of MGISW Newfoundland (Storm Cat) and GISW Strong Mandate (Tiznow), among others.

7th-WO, $111K, Msw, 2yo,, f, 7fT, 4:37 p.m. ET.
Switching to the E.P. Taylor Course at Woodbine, a $550,000 Keeneland September purchase by Tracy Farmer named Aspen Dawn (Quality Road) makes her first start for Hall of Fame trainer Mark Casse.

Out of unraced dam Aspen Light (Bernardini), who went to Eaton Sales for $360,000 at the ’20 Keeneland November Breeding Stock Sale with the bay filly in-utero, Aspen Dawn counts Gill Stonestreet Lexington S. hero Owendale (into Mischief) as a half-brother.

Margins: 7, 1HF, NK. Odds: 1.93, 3.75, 7.29.
Also Ran: Copper Em, Field Lass, Xtreme Smoke Show, Wellareyouhappynow, Xtreme Diva, Let Them Watch.

Cut loose in the lane and rolling home, Youalmosthadme gave them the slip on the cut back from a mile and dominated the Myrtlewood S. to pick up her second career black-type victory.

Last seen finishing second behind long-gone Gill Pocahontas victress ‘TDN Rising Star’ V V’s Dream (Mitole), who finished second to Candied (Candy Ride [Arg]) in the GI Darley Alcibiades earlier in the month, Youalmosthadme already tallied an open-length maiden score over this track in the spring and won the Kentucky Juvenile S. in May at Churchill after moving from John Hancock to Brad Cox.

Cont.
**Myrtlewood, cont.**

She also hit the board in Ellis Park’s Debutante S. in August. Breaking well and stalking from second as the pacesetter put up brisk early fractions of :22.77 and :45.63, she took a short lead passing the half before opening up on the field heading for the line. Under moderate urging, she sailed home seven-lengths best over familiar foe Hot Beach while Fibber ran on strongly to round out the trifecta.

Conditioner Brad Cox had high praise in the winner’s enclosure for his filly’s ability to go from routes to sprinting: “Obviously [it takes] a very sound [horse] and an intelligent one, and she’s both. I’m very proud of her performance today. [Jockey] Tyler [Gaffalione] did a good job. He put her into position and she fired.”

“She’s been acting in the mornings that—without a doubt—she’d improved over the last month or so. I like what I’ve seen from her since the GIII Pocahontas [at Churchill Downs Sept. 16, when she finished second going a mile], and I think the cutback helped out a good bit today as well.”

While not willing to commit to limiting Youalmosthadme to one turn races, Cox did confirm that she would stay there for the near future.

Out of Good Gator, Youalmosthadme is the most successful of her siblings thus far, and the third winner from four to the races. She also has a yearling Get Stormy half-sister. The victress hails from the female line of GSP May Gator, who also claims MGSW Miz Ida (Proud Citizen) and SW Gator Zone (Sharp Humor) to her tally. 3--Fluffy Socks, 126, m, 5, Slumber (GB)--Breakfast Time, by Kitten’s Joy. O/B-Head Of Plains Partners (KY); T-Chad C. Brown. $18,000.

Margins: 1 1/4, HF, NK. Odds: 1.70, 5.60, 2.65.

Also Ran: Sparkle Blue, Favor, Uncorked (Aus), Evidencias (Brz), Eight Danzas. Scratched: Miss Dracarys.

In a race packed with quality fillies and mares, Technical Analysis posted a frontrunning score in the Athenia S. ahead of two of her stablemates.

A familiar face on the Grade I circuit, the 8-5 favorite was last been seen finishing fifth in the GII Mohegan Sun Ballston Spa S. at Saratoga, but was beaten barely two lengths in a blanket finish. She started her 2023 season with a runner-up effort in the Perfect Sting S. at Belmont over the summer and won the De La Rose S. two back.

Right to the front after the jump Friday, she showed the way in hand as fractions of :23.89, :49.74, and 1:14.26 sailed by. Called on as she swung into the lane, Beaute Cachee was making a move for the front on the rail, but Jose Ortiz held his lane firm as quarters got tight for that eventual runner-up. Game to the outside, she dug in and held off the field by 1 1/4 lengths as Fluffy Socks closed well from the back to close the trifecta.

Technical Analysis’s career-closing victory was Jose’s fourth on the card.

“IT’S nice to see her go out a winner. I’m so proud of her career,” said Chad Brown. "She’s been such a durable horse since the day we bought her as a yearling until now. She’s a very dependable horse, the type that any trainer really wants in the barn. I’ll miss her."

Technical Analysis is the flag bearer for dam Sealife, who has yet to produce another runner to make it to the races. She reported a yearling colt by Too Darn Hot (GB) as well as a 2023 filly by Kingman (GB), but has no cover for 2024 on record.

Hailing from the family of several Group 1 winners like Australian champion stayer G1SW Rekindling (GB) (High Chaparral [Ire]), Technical Analysis is catalogued to go through the 2023 Keeneland November Sale in Book One as HIP 145.

After winning the My Dear S. at Woodbine July 15, she was seventh when switching to the grass in the Aug. 20 Catch A Glimpse S. Back on the Tapeta as the runner-up in the Presque Isle Downs Debutante Sept. 25, she went off as a 16-1 longshot on the stretch out here, coming out of the chute under a hard hold and settled just off the speed heading into the first turn. Living Magic continued to track the leader up the backstretch under a slow pace of :49.42 for the first half-mile, but, shifting to a higher gear past the eighth pole, she won over favorite Ozara.

The winner’s dam is responsible for 4-year-old Silver Blur (Tapit), who was purchased by Tom Durant at the ’20 Fasig-Tipton Select Yearling Sale for $300,000. She also produced a yearling full-brother to Living Magic, who initially went to Chestnut Valley for $285,000 at the ’22 Fasig-Tipton Fall Mixed Sale before going to Peter Brant for $600,000 at this year’s Fasig-Tipton Yearling Sale. Living the Life was bred back to Justify for 2024. Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.
A well-beaten ninth Sept. 3 at Kentucky Downs in the Dueling Ground Oaks, the bay filly drifted on the tote from 8-1 on the morning-line to 13-1 here. The Joe Sharp trainee vied for the lead past the grandstand, took over at the first turn, continued to hold that position into the far turn and, with more to offer into the lane, she won by 2 1/4 over Hay Stack (War Front). Out of an extended female family which includes GI Carter H. runner-up Apriority (Grand Slam) and GI Bing Crosby S. hero Collusion Illusion (Twirling Candy), the winner was her dam’s last record of produce. Neith was then bred unsuccessfully to Violence, Volatile and Beau Liam. She visited both Rock Your World and Drain the Clock for next year. CORNINGSTONE (f, 3, Kantharos--Ice Women, by Street Sense) faced Indiana-bred stakes company in her last four starts, winning two, but finishing a well-beaten seventh in her last attempt over the grass Aug. 23. Back on her preferred surface as a 9-2 shot here, the bay filly weathered a bump from a rival into the first turn, sat a stalking trip up the backstretch, pounced around the far turn and outlasted by a length the surging Chop Chop (City of Light).

He would also miss victory by a nose in the Clever Trevor S. and run fifth in the Springboard Mile to wrap his 2022. A winner in his 3-year-old seasonal bow Oct. 11, he was listed here as a first-time gelding for this jump as he stalked Crooked Fellow (Connect) from second. Making his move on the far turn, the pair locked horns for the long drive home with Campfire Creed gamely prevailing by a neck over the 11-1 shot. CELTIC CHARM (f, 2, Justify--Rubilinda {MSW, $246,540}, by Frankel {GB}) was 7-2 for this debut on a dreary day in Lexington but made the most of it as she tracked early from fifth while saving ground against the fence. Content to watch as the leader put up :22.54 and :47.41 splits, she inched closer as the field closed ranks and was rallying from the outside as the pacemakers got tired. Closing willingly, she out-kicked 27-1 longshot Egyptian Candy (Twirling Candy) and scored by a widening 1 1/4 lengths. She has a yearling Uncle Mo half-sister as well as a 2023 half-sister by Not This Time. Rubilinda went back to Justify for 2024. Sales history: $250,000 Ylg '22 KEESEP. LADY DE BERRY (f, 2, Practical Joke--Tortuga Lady, by Thunder Gulch) debuted sprinting on the main track at Saratoga Aug. 26, and finished sixth in a race which yielded GSW Just F Y I (Justify) and next-out winner Life's Joy (Mitole). Given 3-1 odds for the surface change and additional real estate, she tracked from midpack in the two path until the field moved into the far turn. Four wide and driving entering the lane, she rallied past Justdeny (Justify) in the furlong grounds and drew clear to win by 1 3/4 lengths.

Hailing from a busy family which includes the likes of Princess Arabella (Any Given Saturday), SW, $188,400 and Dyna's Lassie (Dynaformer), SW & MGSP, $182,825 in the immediate line, Lady de Berry can claim extended kinship to GSW Hoosier Philly (Into Mischief) and MGSP Ulele (Candy Ride {Arg}) as well. Stakes-placed runners Cairo Six (Stormy Atlantic) and Super Sky (Sky Mesa) can also claim the winner as a half-sibling. Tortuga Lady produced a yearling filly Shellacking (Catalina Cruiser) as well as a 2023 Game Winner colt. She went to Silver State for 2024. DOMESTIC PRODUCT (c, 2, Practical Joke--Goods and Services, by Paynter) was last seen finishing fifth in a Aug. 5 Saratoga maiden special which yielded the likes of GISP Be You (Curlin) and GSW Locked (Gun Runner). Jumping here carrying 5-2 odds, Domestic Product chased from second just off the rail as a 13-1 longshot put up the earliest fractions. Taking over passing the three-eighths marker, he swung three wide into upper stretch and edged away from Sturdy (Mitole) to win by 4 1/2 lengths in the end. A homebred for Klaravich stables, who also campaigned the sire, the winner is a half-sibling to three-time victor Convertible Freeze (Connect) as well as a yearling filly by Complexity. Goods and Services aborted her Honest Mischief 2023 offspring and visited Drain the Clock for 2024. Lifetime Record: 2-1-0-0, $53,700. FAKE CELEBRITY (g, 3, Practical Joke--Riviera Chic {SP}, by Medaglia d’Oro) closed from ninth to grab second last out Sept. 4 against state-bred company at this distance on Saratoga’s turf course, and the 5-2 second choice employed different tactics here to break through the maiden ranks. Stalking the pacesetter from second for most of the race, he came under a ride passing the quarter pole and took command as they straightened for the homeward drive. Holding firm as Bettrluckythangood (Lookin At Lucky) closed the gap, it was a 3/4-length between the two at the wire. Half-brother to Brooklyn Strong (Wicked Strong), GSW, $307,188, Fake Celebrity has a yearling full-brother as the most recent of his dam’s offspring. Riviera Chich went to Mo Donegal for 2024. THE Breeders’ Cup
presented by
CHURCHILL DOWNS INCORPORATED
LEXINGTON CALLING FOR EUROPEAN BREEDERS by Chris McGrath

In some respects, it feels culpably parochial to sieve the forthcoming breeding stock sales in Kentucky for mares of blatant interest to European prospectors. After a generation of insularity, you would hope that a few more people in the Old World may now be renewing their respect for "dirt" blood now that an American Triple Crown winner has come up with a European champion juvenile in only his second crop. But even those who remain benighted in their mistrust of speed-carrying American lines have much to consider in the catalogues consecutively offered by Fasig-Tipton on November 7, and by Keeneland in Book 1 of its bumper sale the following day.

Not that the goods will come cheap. Arguably the domestic market is further advanced in the process of transatlantic reconnection, with American investors increasingly active in both the yearling and breeding stock sales in Europe. Both catalogues, then, are strewn with mares eligible to attract bids from either side of the water. Cont. p3

Paddington Cont. from p1

A half-brother to the multiple stakes-placed Masterpiece (Fr) (Mastercraftman {Ire}), Paddington is the fourth and last reported foal of his dam, the Listed Prix Belle de Nuit heroine Modern Eagle. Herself a half-sister to Listed Vintage Tipple S. heroine and G3 Loughbrown S. third Mighty Blue (Fr) (Authorized {Ire}), Modern Eagle is out of the G1 Prix de Diane runner-up Millionaia (Ire) (Peintre Celebre). Millionaia, in turn, is a half-sister to two black-type horses, anchored by G1 Dewhurst S. second Fencing Master (GB) (Oratorio {Ire}), while their dam is G1 Prix Saint-Alary heroine Moonlight Dance (Alysheba). This is also the family of G1 Melbourne Cup bridesmaid Heartbreak City (Fr) (Lando {Ger}). French champion and dual Classic winner Madelia (Fr) (Caro {Ire}) is Paddington’s great great granddam.

Lexington Bloodstock Sales Cont. from p1

Nothing will make the Europeans feel more at home than the arrival of SAUTERNE (Fr) (Kingman {GB}) into the Fasig-Tipton ring as Hip 178. This feels like a remarkable coup at the expense of auction houses closer to her home. Actually Sauterne has twice failed to find a buyer in European auctions, retained by breeder Jean-Pierre-Joseph Dubois at €130,000 as an Arqana August yearling and then again at €1.2 million at the eve-of-Ascot Goffs Sale in London. Already Classic-placed by that stage, she has since beaten the colts in the G1 Prix du Moulin—with runner-up Big Rock (Fr) (Rock Of Gibraltar {Ire}) last weekend boosting the form with his Group 1 romp in the Ascot mud. Her stats could be further burnished before she graces the Fasig-Tipton ring, as she holds a pre-entry into the GI FanDuel Breeders’ Cup Mile on Saturday, Nov. 4.

Her sire has plenty of traction with American investors, but presumably it’s the international nature of her overall pedigree that has brought her over to this marketplace. Her dam, as an unraced daughter of Aragorn (Ire), may remind us of the left-field provenance of so many top-class producers, but simultaneously introduces a cosmopolitan dynasty through her half-sister Stacelita (Fr) (Monsun {Ger}), herself a six-time elite scorer either side of the Atlantic and meanwhile dam in Japan not only of dual Group 1 winner Soul Stirring (Jpn) (Frankel {GB}) but also of the mare who has now given us Stars On Earth (Jpn) (Duramente {Jpn}) to win the G1 Japanese Oaks.

Nobody could strictly describe Breeders’ Cup winner PIZZA BIANCA (Fastnet Rock {Aus}) as an unprecedented opportunity, in that she was actually offered for sale this time last year, before being retained by her breeder Bobby Flay at $3.45 million. In returning to Fasig-Tipton as Hip 168, however, she brings the bonus of a covering by champion sire Into Mischief.

That promises a lucrative opportunity to "hedge" the investment in such a young mare, whose success in the GI Juvenile Fillies’ Turf at Del Mar two years ago is underpinned by a resonant international pedigree. For she combines the two game-changing Northern Dancer lines, with a sire by Danehill and her dam White Hot (Ire) (Galileo {Ire}) being an unraced three-parts sister to G1 Derby winner Pour Moi (Ire) (Montjeu {Ire}).

WHITE HOT (Ire) herself comes under the hammer at Keeneland the next day, as Hip 170. She’s still only 10, and is similarly carrying an Into Mischief foal. Remember that besides her kinship to Pour Moi, she’s also a sibling to Classic-placed Gagnoa (Ire) (Sadler’s Wells), dam of two Group-winning sprinters.

Flay also presents COVER SONG (Fastnet Rock (Aus)) at Keeneland (221), having retained her across town five years ago at $3.9 million. Herself a graded stakes scorer, she’s out of Classic winner Misty For Me (Ire) (Galileo {Ire}) who has also produced two stars by War Front in triple Group 1 sprinter U S Navy Flag and Classic-placed Roly Poly. Cover Song is another in foal to Into Mischief, and their weanling colt follows her into the ring as Hip 222.

There are a couple of neon European updates about STARS AT NIGHT (Ire) (Galileo {Ire}). Most obviously, her son Poker Face (Fastnet Rock (Aus)) has extended his winning spree in the G2 Prix Daniel Wildenstein since her inclusion in the Keeneland catalogue as Hip 473. But Stars At Night is also a sibling to the dam of Darnation (Ire) (Too Darn Hot (GB)), winner of the G2 May Hill S. in September. Besides these fresh distinctions, she is also a half-sister to G1 1,000 Guineas winner Blue Bunting (Dynaformer). Like many of the most attractive mares coming under the hammer in Lexington, Stars At Night is in foal to Justify.

While she is only 10, those seeking slightly fresher blood have the option of Poker Face's full sister STAR DEVINE (Ire) (Fastnet Rock (Aus)), who has rubbed shoulders with some pretty smart animals at graded stakes level and is offered as Hip 188 at Fasig-Tipton. She still has the option of persevering on the racetrack.

One that has shown elite caliber on both sides of the water is FEV ROVER (Ire) (Guitafan {Ire}), offered at Fasig as Hip 230. Hers has already been quite an odyssey. Once a £20,000 Doncaster yearling, she made 695,000gns at Tattersalls a couple of years ago as a Group-winning juvenile who had gone on to be Classic-placed. But she continued in training for her new owners in North America, and very productively, too: her recent GI E.P. Taylor S. success being her second elite score, besides a couple of others at Grade II level, and now heads to the GI Filly & Mare Turf at the Breeders' Cup.

DALIKA (Ger) (Pastorius {Ger}) looks a very wholesome proposition as Hip 223 at Keeneland for anyone enlightened enough to seek some of the German hardware that has been so fertile over recent years. Stakes-placed in Europe, she has become a millionaire in the United States in combining class with teak across four seasons, crowning her resume in the GI Beverley D. Oh yes, and her maiden cover is by Flightline.

Another triumphant migrant is ANISETTE (GB) (Awtaad {Ire}), once a 26,000gns yearling at Tattersalls who broke her maiden in Britain before adapting brilliantly to California, winning an allowance, the GI San Clemente S. and the GI Del Mar Oaks. Hip 179 at Keeneland still doesn’t have many miles on the clock, so could very feasibly resume on the track; her next career, meanwhile, is helped by the fact that she’s out of a half-sister to GI Nassau S. winner Sultanina (GB) (New Approach {Ire}).

SHANTISARA (Ire) (Coulsty {Ire}), Hip 181 at Fasig-Tipton, has also come an awfully long way, in every sense, since making just 10,000gns as a Tattersalls Guineas breezer. Having started out in France, she joined Chad Brown and won the GI Queen Elizabeth II Challenge Cup at Keeneland by five lengths. Also a Grade II winner this year, at five, Shantisara put her sire on the map and might appear obliged to do the same for her immediate family.

Cont. p5
Lexington Bloodstock Sales Cont.

But her page definitely repays closer inspection: misfortune restricted the output of both her first two dams, and the third is a Group-placed sibling to several Aga Khan black-type performers and/or producers—including the mother of Derby winner High Chaparral (Ire)—out of G1 Prix de l’Arc de Triomphe third Kozana (GB) (Kris {GB}).

Shantisara was followed home in her Grade I by TECHNICAL ANALYSIS (Ire) (Kingman {GB}), who was found as a Tattersalls Book 1 yearling by Klaravich Stables and has racked up four graded stakes for Brown. Her second dam is half-sister to a Melbourne Cup winner, an Irish Derby runner-up and a Group 1-placed juvenile. Technical Analysis, offered as Hip 145 at Keeneland, won another stakes at Saratoga this summer and is another race-or-breed option.

Her original purchaser Federico Barberini was also the man who found WED (Fr) (Profitable {Ire}) for €32,000, as an Arqana October yearling, and she proceeded to win the G2 Prix du Calvados over the road the following summer. Wed hasn’t paid off in the U.S. but they can’t take her second dam away—and she’s a full-sister to Street Cry (Ire). You can find her at Keeneland as Hip 164.

Another rags-to-riches tale concerns MANHATTAN JUNGLE (Ire) (Bungle Inthejungle {GB}), a €20,000 Goffs Sportsman’s graduate who proved a smart juvenile for Amy Murphy—won her first three, included a Listed race, before going down by a length in the G3 Prix de Cabourg—before confirming her stakes calibre in California. With her sire, and first two dams by Acclamation (GB) and Indian Ridge (Ire), Hip 51 at Keeneland—offered as a racing or broodmare prospect—will presumably find more traction in the latter role back over the water.

Originally a €10,000 RNA at Fairyhouse, QUATTROELLE (Ire) (Mehmas {Ire}) started her career with a close third in a Leopardstown 2-year-old maiden and was promptly exported to California. She has thrived with maturity, and as a 5-year-old this year won at Grade II and III level over a mile before going down by just a length in the GI Gamely S. on her final start. Offered as Hip 170 at Fasig, she’s out of a Stormy River half-sister to the stakes-winning dam of Dramatised (Ire) (Showcasing {GB}), winner of the G2 Queen Mary S. for Karl Burke last year before being narrowly foiled in the GI Breeders’ Cup Juvenile Turf Sprint.

ROCKY SKY (Ire) (Rock Of Gibraltar {Ire}) follows soon after as Hip 175. A Listed winner in her native Ireland, she was recruited by Peter Brant for whom she won a graded stakes on grass at Aqueduct last year. Her family has old school lustre, with a second dam by Shirley Heights out of G1 Prix de Diane winner Lypharita (Fr) (Lightning {Fr}).

Hip 187 is another Brant import in SPEAK OF THE DEVIL (Fr) (Wootton Bassett {GB}). Beaten only a nose in a French Classic, she cost €1.95 million at Arqana’s December Sale two years ago and for her new connections won the GII Churchill Distaff Turf Mile. She’s a half-sister to hardy triple Group winner Morando (Fr) (Kendargent {Fr}).

PAPILIO (Ire) (Starspangledbanner {Aus}) arrives at Keeneland (87) as a stakes-placed juvenile in Ireland last year who has progressed well for her new connections this year, notably with her GII Appalachian S. success and a Grade I podium in the Belmont Oaks Invitational. She’s out of a High Chaparral half-sister to G1 Hong Kong Cup runner-up Balius (Ire) (Mujahid).

She will shortly be followed into the same ring as Hip 91, PEROTAN (Ire) (Churchill {Ire}), a sister to G2 Dante S. winner The Foxes (Ire) and half-sister to other accomplished performers in Europe in Matterhorn (Ire) (Raven’s Pass) and Bangkok (Ire) (Australia {GB}), not to mention the dam of Ribchester (Ire).
Lexington Bloodstock Sales Cont.

This is another pedigree that would really sing back where it started, while the Justify foal she is carrying can work anywhere.

She is followed almost immediately (Hip 93) by one with a very similar profile: for PRETTIEST (Ire) is another potential genetic goldmine from Ballydoyle with a maiden cover by Justify. The 4-year-old represents one of the benefits to the breed of a rapprochement between Coolmore and Godolphin, as a daughter of Dubawi (GB) out of triple Group 1 winner Alice Springs (Ire) (Galileo {Ire}). A single Group placing does not reflect the promise shown by Prettiest early in her career.

Stick around for the next into the ring, too, as PRETTY IN PLUM (Justify) is another to offer the privilege of a conduit into Coolmore royalty as Hip 94: the 3-year-old remains unraced (though offered as a racing or broodmare prospect) but is a valuable commodity anyway as a daughter of the flying juvenile and fertile producer Damson (Ire) (Entrepreneur {GB}).

But the same principles arguably apply still more formidably to Hip 95—in a freakish streak for European attention, given the alphabetical distribution of lots—as the unraced PRETTY MILANOVA (American Pharoah) is out of none other than Maryinsky (Ire) (Sadler’s Wells), daughter of Blush With Pride (Blushing Groom {Fr}) and herself dam of Group 1 winners September (Ire) (Deep Impact {Jpn}) and Thewayyouare (Kingmambo). A cover by Uncle Mo, this young lady needs only to be physically presentable to be potentially worth a flight on her own.

The hot City Of Troy combination of Justify plus Galileo requires attention a few lots later (Hip 113) for the unraced SEASON TICKET (Ire) (Galileo {Ire}) who, as a half-sister to champion Tepin (Bernstein), has also qualified for the harem of Ashford’s young gun. A cover by Not This Time, meanwhile, is the bonus for THE ALGARVE (Ire) (American Pharoah), who introduces another aristocratic Coolmore family to proceedings at Keeneland as Hip 146. She’s out of the Classic winner Imagine (Ire) (Sadler’s Wells), who has contributed pretty lavishly to an outstanding European dynasty.

Along the same lines we have ABSOLUTELY (Ire) (Uncle Mo), who didn’t work out on the track but provides access to the premier European family in the book through her dam, G1 Irish Oaks winner Bracelet (Ire) (Montjeu {Ire})—whose own dam Cherry Hinton (GB) (Green Desert), Group-placed in a light career, of course stands out a half-sister to Galileo (Ire) and Sea The Stars (Ire). Priceless stuff, then, as Hip 173 at Keeneland.

Mike Ryan bought HIGHER TRUTH (Ire) (Galileo {Ire}) as a Tattersalls yearling and this year she converted serial graded stakes placings into a GII Sheepshead Bay S. score. Hip 241 at Fasig is out of a Group-winning half-sister to the Classic-placed Group 1 winner Wannabe Grand (Ire) (Danehill). The latter also surfaces as half-sister to the second dam of VIAREGGIO (Ire) (Caravaggio), who won a Group 3 in Ireland and reaches Keeneland as Hip 161.

A couple of shock winners at Royal Ascot this year draw the eye to the Fasig catalogue. The G2 Norfolk S. stunner Valiant Force (Malibu Moon) sends his unraced dam VIGUI’S HEART (Quality Road) into the ring as Hip 198, in foal to Vekoma. Remember that Quality Road is by Elusive Quality out of a Strawberry Road (Aus) mare! No need to seek far for turf strains in MOQADAMA (Ire), however, as Hip 158: her sire is Dark Angel (Ire) and her dam is by Footstepsinthesand (Ire) out of a half-sister to Bold Edge (GB).

Though only a maiden winner herself, Moqadama this summer achieved new stature as a full-sister to the blowout G1 Golden Jubilee S. winner Khaadem (Ire) (as well as to a Norfolk runner-up).

Another entitled to redress a limited race record with her genes is MOVING MOON (Ire), who had a light career either side of the water but arrives at Keeneland (75) as a daughter of Galileo (Ire) out of a Group-placed sister to Rock Of Gibraltar. She has not yet had the chance to get going as a broodmare, but hope springs eternal with an Olympiad foal aboard.

There are countless other opportunities for Europeans of adequate imagination. MISSONI (Flintshire {GB}), for instance, was a frustrating type that never quite converted her promise into a maiden win, but her dam is a half-sister to Scat Daddy himself and has produced a GII Mother Goose S. runner-up. Who can say what might be achieved by the War Front foal she carries to Keeneland as Hip 64?

At the start of the Justify era, however, all these mares with turf resonance should only be the tip of the iceberg. Who knows? In years to come, that kind of short cut will perhaps seem little more than laziness.
Tamfana seals Chantilly stakes double for Menuisier and Velon

by Sean Cronin

David Menuisier, fresh off the Group 1 victory of Sunway (Fr) (Galiway {GB}) in this week’s Criterium International, remains on the crest of a wave and, having combined with Marie Velon to snag the Chantilly undercard’s Listed Prix Isonomy earlier on Friday, legged up the rider once more to complete an afternoon black-type double with Tamfana (Ger) (Soldier Hollow {GB}--Tres Magnifique {Fr}, by Zoffany {Ire}) in the G3 Prix Miesque.

The March-foaled bay hit the board going an extended seven furlongs at Ffos Las in her Sept. 14 debut and impressed with a 9 1/2-length romp when stepped up to one mile at Kempton in her only other start earlier this month.

Tamfana, making the leap in class here, was well away to race in the leading wave of four before settling under cover in fourth after the initial exchanges. Making continued headway once opting for a clear lane in the straight, the 19-10 favourite hit the front with 350 metres remaining and was driven out to assert by 1 1/4 lengths from Shady Lady (Fr) (Blue Point {Ire}) for a career best.

Monteille (GB) (Cable Bay {Ire}), like Shady Lady, ran on well from off the pace and finished one length adrift in third.

“I said beforehand it was no secret Tamfana is my best 2-year-old filly,” said Menuisier. “It is not so easy to win by nine lengths at Kempton like she did and I was expecting a good performance today. It is not a surprise at all, although the [seven-furlong] trip was too sharp for her. She would prefer going one mile, or even further, and she will be entered in all Classics.”

Pedigree Notes

Tamfana is the third of four foals and lone winner produced by a daughter of multiple winner Ticana (Ger) (Sholokhov {Ire}), herself a full-sister to Listed Prix Turenne and Listed Prix de la Porte de Madrid victor and dual Group 2-placed sire Timos (Ger). Ticana is also a half-sister to Gl Beverly D heroine Sea Calisi (Fr) (Youmzain {Ire}), dual Group 3 winner Tareno (Ger) (Saddlers’ Hall {Ire}) and to the dam of German Group 3 scorer Theo Danon (Ger) (Lord Of England {Eng}). The March-foaled bay is half to a yearling filly by Areion (Ger).

EXXTRA HAS THE ANSWER AT CHANTILLY

by Tom Frary

Hitting her stride from summer onwards, Anja Wilde’s Exxtra (Fr) (Starspangledbanner {Aus}) continued her upward trajectory on Friday as she recorded a career-best success in Chantilly’s G3 Prix de Seine-et-Oise. Enjoying a lead early settled on the fence by Ronan Thomas, the 8-1 shot was angled out to overhaul American Kestrel (Ire) (Starspangledbanner {Aus}) from the red-hot David Menuisier stable 100 metres from the line en route to a 3/4-of-a-length success.

“She had run a lot at two after starting her career in March and at the end of 2022 she was really tired,” Yann Lerner said of the 3-year-old, who had won Deauville’s Listed Prix Kistena and been second in the G3 Goldene Peitsche and sixth in the G1 Prix de la Foret. “She spent two months on the farm, put on weight and grew four centimetres and this season she has been almost perfect.” Cont. p8
G3 Prix de Seine et Oise Cont.
Lerner added, “Last time, in the Foret, she ran a blinder as she was last turning in and flew home. She will now head back to the farm for a long break and we will prepare her next year. If she keeps improving, she will be a top prospect for group races up to seven furlongs.”

Pedigree Notes
Exxtra’s dam Rolling Stone (Ire) (Raven’s Pass) is a daughter of the five-times group-winning Rolly Polly (Ire) (Mukaddamah), who is also the second dam of the GI Hollywood Derby, GI Shoemaker Mile S. and GI Maker’s Mark Mile hero Raging Bull (Fr) (Dark Angel {Ire}) and last year’s G3 Prix des Chenes scorer Kubrick (Ire) (Dubawi {Ire}). Also related to the G2 Premio Regina Elena Rumba Loca (Ire) (Sri Pekan), her yearling colt is by City Light (Fr).

DUN NA SEAD IN SURPRISE MERCURY SUCCESS
by Tom Frary
Successful on two of his last three visits to Dundalk, the Kildare Racing Syndicate’s Dun Na Sead (Ire) (Starspangledbanner {Aus}) marked her pattern-race debut with a striking win at 25-1 on her first start for the Danny Murphy yard. Third last time in Tipperary’s Listed Abergwaun S. over this five-furlong trip, the 4-year-old who was previously with Kieran Cotter broke rapidly from the gates under Oisin McSweeney and was in control on the front end throughout. Keeping up the momentum in the final furlong, she drew away to score by 2 1/4 lengths from Bouttemont (Ire) (Alcnowledgment {GB}) for a career high.
“’The guys wanted to cover her from four to five and I said ‘please don’t do that, because this mare could be a group animal next year’—she was very unlucky in Tipperary, because she was drawn on the wrong side,” Murphy said. “I knew the way she jumped out, we had it and that she would be tough.”

Pedigree Notes
Dun Na Sead’s dam Alice Thornton (GB) (Hurricane Run {Ire}), whose yearling filly by Calyx (GB) sold for €44,000 to Joseph O’Brien at the recent Goffs Orby Book 2, is descended from the Oaks heroine Lady Carla (GB) (Caerleon). Also connected to the dual listed scorer and multiple group-placed Avenue Gabriel (GB) (Champs Elysees {GB}), she also has a filly foal by Kodi Bear (Ire).

“BOXES TICKED” FOR ANCIENT WISDOM
TROPHY BID by Tom Frary

If it goes ahead, it’s going to be tough at Doncaster on Saturday with the G1 Kameko Futurity Trophy being staged on ground that failed to survive an inspection for the Friday card. If there was a horse physically designed for such conditions, it is surely Godolphin’s TDN Rising Star Ancient Wisdom (Fr) (Dubawi {Ire}) who went through Newmarket’s testing surface with relish when winning the G3 Autumn S. over this mile trip a fortnight earlier. Supplemented for this prize given how strongly he emerged from that experience, he bids to provide Charlie Appleby with a first renewal and that trainer will be praying this meeting gets the green light.

“We have been very pleased with how Ancient Wisdom came out of the Autumn S.,” he said. “It wasn’t an immediate decision afterwards to come here, but we thought that we would keep an eye on his wellbeing with a view to potentially heading to Doncaster. We are happy with him going into this and he showed at Newmarket that a mile on testing conditions suited him, so he ticks a few boxes in a race where stamina is going to play a part. It’s a competitive field and we are looking forward to seeing how he gets on.”

Aidan O’Brien has won this 11 times and four times since 2017 with some of his biggest names and relies on the unbeaten Diego Velazquez (Ire) (Frankel {GB}), who like last year’s hero Auguste Rodin (Ire) (Deep Impact {Jpn}) comes here on the back of a win in Leopardstown’s G2 Champions Juvenile S. Only raced on good ground so far, he is ridden by James Doyle due to the suspension of Ryan Moore and he said, “We haven’t seen much of him, but the two starts we have done he looks very progressive and warms to the task. I don’t think he’s encountered ground like we’ll have for this, so we’ll just have to see.”

Fishdance Limited’s impressive Listed Flying Scotsman S. winner Dancing Gemini (Ire) (Camelot {GB}) is up there with the two big guns on that course form and trainer Roger Teal is understandably confident. “He beat what was in front of him that day and he beat them in style, it was faster than the group two the next day. It was a good performance, he did it very convincingly,” he said. “It was pretty soft the day he won at Doncaster. It is not ideal for any horse, I don’t think any trainer would choose the conditions if they could. The way he travels, he is quite light on his feet so hopefully he doesn’t get bogged down too much.”

Of the unexposed members of the cast, Cayton Park Stud’s homebred God’s Window (GB) (Dubawi {Ire}) is of obvious intrigue having won his maiden over course and distance at the St Leger meeting, but few lightly-raced types get involved in this race in recent years. Jockey Kieran Shoemark said, “He won his maiden nicely there on pretty soft ground on Leger day, so the ground is not a concern. He definitely appreciates a cut in the ground, but heavy ground is different altogether. He gave me a good feel on his debut, I felt when I crossed the line he was only just getting going and he ran all the way to the bottom of the hill.”
KING OF STEEL ON TRACK FOR BREEDERS’ CUP TURF BID

Amo Racing’s G1 Champion S. victor King Of Steel (Wootton Bassett {GB}) has been given the go ahead to travel and contest the Breeders’ Cup at Santa Anita next weekend.

According to Amo’s Kia Joorabchian, the massive grey is likely for the GI Breeders’ Cup Turf, of which the Champion S. was a “Win and You’re In” on QIPCO British Champions Day.

“We’ve been monitoring him all week, I’ve spoken to Roger [Varian] almost every day and I went to see him this week,” Joorabchian told Nick Luck’s Daily Podcast on Friday.

“To be honest Roger has said the same thing every day, he can’t fault him and he’s in great shape. He’s come out of the race really well.

“Roger would always err on the side of caution, but he’s very happy with him so he’s going to travel today to Santa Anita so fingers crossed he should be running in, I’d say, most probably the Turf, but we haven’t completely ruled anything out yet.”

TATTERSALLS AUTUMN HIT SALE ENDS WITH STRONG CLEARANCE RATE

After a busy five days of selling, the Tattersalls Autumn Horses-in-Training Sale concluded at Park Paddocks in Newmarket on Friday.

Topping the final session was Veiled Illusion (Ire) (Kodiac {GB}) (lot 1562), who sold for 55,000gns to Nawaf Abdullah Al-Saif. Consigned by James Tate’s Jamesfield Stables, the Lingfield winner is bound for Saudi Arabia.

"He is in good form, and will ship soon to Saudi," said Al-Saif. "I think he will like the better weather in the Middle East and should be one to go on both the turf and dirt surfaces at the King Abdulaziz racecourse."

One day longer than 2022’s edition, the sale’s Friday session resulted in 88 lots sold from 162 offered (81%). The aggregate was 1,076,859gns. The average was 8,158gns and the median was 4,500gns. Cont. p11
Veiled Illusion topped the final day of the sale | Tattersalls

Tattersalls Autumn Cont.

Overall, despite the larger catalogue, the clearance rate remained high at 87% dropping only three points from the record-breaking 2022 sale. The gross for the 1,089 lots that found new homes was 33,705,774gns. Both the average and median were down, with the average settling at 30,951gns (-14%) and the median was 15,000gns (-6%) compared to last term.

Tattersalls Chairman Edmond Mahony said, “Sale turnover second only to last year’s wide-margin record is a very solid performance from the 2023 renewal of the Tattersalls Autumn Horses in Training Sale. As ever this unique fixture, the largest and most popular of its type in the world, has attracted an extraordinarily diverse collection of buyers from all corners of the world and this has been reflected in figures which yet again demonstrate the enduring appeal of British and Irish horses in training as well as quality stock from France and Germany.

“Similar to so many Tattersalls sales the Autumn Horses-in-Training Sale has made relentless progress in the past decade. Only 10 years ago the sale recorded turnover a little over 20 million guineas, an average price of 23,000 guineas and eight lots selling for 200,000 guineas or more. This year’s sale has achieved turnover of almost 34 million guineas, an average price well over 30,000 guineas and 28 lots have sold for 200,000 guineas or more which is only one fewer than at last year’s record-breaking sale.

“The sustained and widespread demand from throughout the Gulf region has yet again played an enormous part in the success of the sale as racing in that part of the world continues to grow and flourish, but equally significant has been the impact of a particularly strong contingent of Australian buyers whose presence has been felt in all sectors of the market, but most notably at the very top. Ten of the top 20 highest priced horses sold this week and nearly 50 horses in total are heading down to Australia which is a tribute to the top-level success of recent graduates of the sale like Just Fine (Ire) and Zaaki (GB). Similarly success driven, although largely at a different level of the market has been the notable contribution from the numerous European buyers in particular Spanish and Italian buyers who have been busy from start to finish and have also accounted for more than 80 horses between them this week. We work hard alongside our extensive network of overseas representatives to promote this and every other Tattersalls sale and it is rewarding to see this reflected in the unrivalled overseas participation which is the hallmark of the Tattersalls Autumn Horses-in-Training Sale.

“Alongside international buyers from more than 30 different countries the domestic British and Irish influence has also been felt in all sectors of the market this week with Flat and National Hunt buyers all making a significant contribution and we look forward to seeing equally diverse international and domestic demand at the forthcoming Tattersalls December Foals and Mares Sale which annually provides a showcase for the very best European bloodstock.”

PAIR OF NEWBURY GROUP RACES RESCHEDULED FOR NEXT WEEK AT HQ

The G3 Horris Hill S. and the G3 St Simon S. have both been rescheduled for early November, the British Horseracing Authority (BHA) confirmed on Friday.

Both races were set to take place at Newbury on Oct. 28. That meeting was abandoned. The St Simon will now be staged on Friday, Nov. 3 at Newmarket, with the Horris Hill taking place at that venue the day after. Original entries for both races have been cancelled and entries for these replacement races will now close at noon on Tuesday, Oct. 31. In addition, the Horserace Betting Levy Board (HBLB) will be making an increased contribution above the scheduled ratecard payment for these races. There will also be an additional all-weather fixture at Lingfield on Wednesday, Nov. 1, the BHA also confirmed.

NEW BOOK HONOURS 100 YEARS OF NAAS RACECOURSE

A new book, The Centenary of Naas Racecourse, written by renowned historian and author Turtle Bunbury, will be released beginning on Nov. 17.

The book tells the story of the farmers and sportsmen who founded the racecourse, and touches on some of the politicians, film stars and royals who have visited over the last 100 years, including Walt Disney, Robert De Niro and Bono. There are countless stable yards and training operations around Naas, which has been at the epicentre of the Irish equestrian world for at least 260 years.

“Naas Racecourse has a tremendous story to tell,” Bunbury said. “The track has played such an important role in the evolution of Irish racing over the last 100 years. It’s been the scene of some incredible sporting and historical moments and racing at Naas continues to be a major part of Irish social life generally. I hope people enjoy reading it as much as I have enjoyed piecing the story together.”

Known as ‘The Nursery of Champions’, the track has been where some of Europe’s most talented horses have raced. To date, the winners of 30 Aintree Grand Nationals, 27 Cheltenham Gold Cups and eight King George VI Chase have either started their careers in Naas or raced on the track. In the past four years alone, horses have gone from Naas to the Cheltenham Festival and won the Gold Cup, the Supreme Novices’ Hurdle, the Triumph Hurdle and the Queen Mother Champion Chase twice. Auguste Rodin (Ire) (Deep Impact {Jpn}), the winner of this year’s G1 Betfair Derby and G1 Irish Derby, got his start at Naas, as did last year’s top-rated juvenile Little Big Bear (Ire) (No Nay Never). Since 2020, the G1 Oaks, the G1 2000 Guineas, the G1 1000 Guineas, the G1 Melbourne Cup and four Breeders’ Cup races have also been won by horses who started at Naas.

“We are so proud of the history and story of Naas and are delighted that it’s finally been told so eloquently by Turtle Bunbury,” Dermot Cantillon, chairman of Naas Racecourse, said. “It’s remarkable to look back at all the old photographs of both famous people and horses and it gives all of us here at Naas Racecourse an enormous sense of pride to be part of something very special. Our founding members paved the way for us and it’s up to us to keep evolving and to keep adding to our racegoers experience through competitive racing and through the guest experience. Huge thanks to everyone who helped us to bring this book to life, we are delighted with it.”

The Centenary of Naas Racecourse will be available in hardback and can be ordered on the Naas Racecourse website.

Looming large at the top of the straight, the 4-7 favourite was in command soon after and stayed on to score by 1 1/2 lengths from Cuban Confusion (GB) (Havana Grey {GB}). “He was there to be shot at turning into the straight, green and all as we thought he would be. His class came to the fore and he stuck it out well,” Shane Lyons said. “He’s 510kg and will only do well over the winter. It is great to get two runs into him and to be able to put him away.” The dam, who was runner-up in the Listed Chesham S. and whose yearling daughter of Lope De Vega (Ire) was a €200,000 purchase by Grove Stud at the Goffs November Foal Sale, is also responsible for the G3 Weld Park S. winner Elysium (Ire) (Belardo {Ire}). Making a sustained run down the wing in the straight, the half-brother to the GII Inside Information S. and GIII Rampart S. scorer Pink Sands (Tapit) was in front approaching the furlong marker and drew away to win by 2 1/2 lengths from Shrewsbury Road (Ire) (Sea The Stars {Ire}). “I’d say you are going to see a better horse when he goes up in trip,” jockey Mikey Sheehy said. “He is a good mover for a big horse and probably loved the surface being by Arrogate. Whatever he does this year, next year is going to be his year.” The GI Prioress S.-winning dam, whose aforementioned Pink Sands was a $2.3million purchase by Masahiro Miki at the 2021 Keeneland November Sale, is also responsible for the GII Robert B. Lewis S.-placed Wharton (Candy Ride {Arg}). Her 2-year-old filly Value Area (More Than Ready) cost $210,000 when purchased by West Bloodstock at last year’s Fasig-Tipton Kentucky October Yearling Sale, while she was bred back to Tapit this year. War Chimes followed up a July 22 debut ninth tackling seven furlongs at Newmarket with an Aug. 11 Haydock maiden tally over the same trip and lined up for this black-type bow coming back off a close seventh upped to one mile in ParisLongchamp’s Sept. 30 Arqana Series Criterium d’Automne. Heading the main body of the field and racing second off the clear leader through the initial stages, she was coaxed forward in the straight to gain control passing the quarter-mile pole and kept on relentlessly under continued rousting to register a career high by daylight.

“I bought this filly at the Arqana October sale with the idea of having a useful filly to win somewhere, not necessarily a Listed race, so this is a pleasant surprise,” explained in-form trainer David Menuisier. “Nevertheless, I was convinced she would stay and would handle the [heavy] ground. The horse in front set a good pace, which is what we needed, she travelled well and two out I was quite hopeful. She stayed on well. She is bred to be more of a 3-year-old than a 2-year-old, so hopefully she will train on and be a nice one for next year.” Cont. p16

Equinox Primed for Tenno Sho

AUTUMN DEFENCE by Heather Anderson

Perched atop the Longines World’s Best Racehorse Rankings at 129 pounds for much of the year after his sensational 3 1/2-length victory in the G1 Dubai Sheema Classic in Dubai this March, the formidable Equinox (Jpn) (Kitasan Black (Jpn)) will attempt to become only the third horse to claim the ¥421,420,000 G1 Tenno Sho (Autumn) in back-to-back years at Tokyo on Sunday.

The reigning Japanese Horse of the Year has never finished worse than second in eight starts, and landed the G1 Takarazuka Kinen at Hanshin over 2200 metres--200 metres farther than Sunday’s trip--at the end of June. Ridden by Christophe Lemaire, just like fellow Silk Racing colourbearer, Japanese Horse of the Year and dual Tenno Sho (Autumn) heroine Almond Eye (Jpn) (Lord Kanaloa (Jpn)) (2019/2020), the Tetsuya Kimura trainee’s task will not be an easy one.

“Christophe Lemaire rode work last week and it was the usual work we do a week out,” said Kimura of his charge, who worked well at his Miho base last week. “Things were very routine. This week, the training was quite orthodox. In some ways the main concern was making sure everything went as usual amid all the attention. I don’t think there’s any problem with him.”

Of the 10 rivals that oppose the 8-5 favourite the greatest danger looks to be 14-5 shot Do Deuce (Jpn) (Heart’s Cry (Jpn)), a winner of both the G1 Asahi Hai Futurity S. in 2021 and the 2022 G1 Tokyo Yushun (Japanese Derby). He defeated Equinox by a neck in the latter contest, and also earned a Group 2 victory in the Kyoto Kinen in February. Part of the numerous Japanese challengers for the Dubai World Cup night, he was forced to scratch after coming up lame before the big dance, but is reportedly working well since recovering.

Said trainer Yasuo Tomomichi, “His fast work was on the hill course this week. His time was fast, but we didn’t overdo it. I think he’s in excellent shape. Jockey Yutaka Take rode him last week, and the horse was switched on mentally this week the same. After work, he was bothering the other horses, that’s how full of energy he was. His breathing was good too. I’ll leave the race strategy up to the jockey.”

The progressive Prognosis (Jpn) (Deep Impact (Jpn)) holds all the ingredients to upset the big two, and the Mitsumasa Nakauchida charge was second in the Aug. 20 G2 Sapporo Kinen after taking the G2 Kinko Sho at Chukyo in March. In between those starts was another runner-up performance in the G1 QEII Cup at Sha Tin to the classy Romantic Warrior (Ire) (Acclamation {GB}).

“He won the Sapporo Kinen strongly and I could see that he had matured considerably,” said trainer Mitsumasa Nakauchida. “The ground that day wasn’t the best, but still he ran well. I think he has gotten stronger both mentally and physically.” Cont. p19
Tenno Sho Autumn Preview Cont.

He added, “Even from before the Sapporo Kinen, I’d been thinking of sending him here.

“Last week, I had Yuga Kawada ride trackwork and the horse was more switched on than I’d thought he would. So this week, an assistant breezed him and we focused on keeping the horse relaxed and well balanced. He’s in really good shape.

“As expected, the lineup is a very strong one, with horses that have proven their ability, so we’ll just have to see how well Prognosis can do up against them. He has no problem racing to the left, and he’s raced over 2,000 meters a number of times so the distance and course are not concerns. He won handily last start and his prep has gone well, so I think he’ll be able to race to his best here.”

Former Hong Kong champion jockey Joao ‘Magic Man’ Moreira will be on hand to pilot Group 3 winner Danon Beluga (Jpn) (Heart’s Cry {Jpn}). Fourth in both the 2022 G1 Satsuki Sho (Japanese 2000 Guineas) and the Japanese Derby behind both Do Deuce and Equinox, the 4-year-old was third to the last-named horse in the Tenno Sho (Autumn) last year, and was second to Lord North (Ire) (Dubawi {Ire}) in the G1 Dubai Turf on Dubai World cup night later in his career. The Noriyuki Hori-trained colt was fourth most recently in the Sapporo Kinen and his morning line odds are currently 13-1.

“It was hard before and after the Sapporo Kinen to get a reading on his condition,” said Hori. “To be honest, his fast work two weeks ago seemed slow, but from last week he started to look stronger. I don’t think he’s quite up to his overall best though. I think he can do better if he can show off his ability.”

Third to Equinox in the Takarazuka Kinen in June is Masahiro Miki’s Justin Palace (Jpn) (Deep Impact {Jpn}), who prevailed in the 3200-metre G1 Tenno Sho (Spring) in April. Handed stall six, he is one to the inside of Equinox. Another Group 1 winner partaking in the Tenno Sho is Osaka Hai victor Jack d’Or (Jpn) (Maurice {Jpn}). He was sixth in the wake of Prognosis in the Sapporo Kinen, and departs from stall 10.

EXPERT EYE SOLD TO SOUTH AFRICA’S PAARDEBERG STUD

GI Breeders’ Cup Mile winner Expert Eye (GB) (Acclamation {GB}) has been sold by Juddmonte to continue his career in South Africa at the new stallion operation of Paardeberg Stud.

A collaboration between British businessmen Steve Ajax and Charles Palmer in partnership with South African breeder Sally Bruss, Paardebrg Stud sits on 200 hectares in the Paarl region of the Western Cape.

Expert Eye, the sire of Chesham S. winner Snellen (GB) and G3 Dick Poole Fillies’ S winner Juniper Berries (GB), is currently in quarantine in South Africa ahead of the 2024 covering season.

Paardeberg’s co-owner Steve Ajax said, "South African racing has endured its share of challenges, from export/import complications and the Phumelela crash to the impact of the Covid pandemic. Nonetheless, there’s a new-found optimism in the air, spearheaded by the fresh leadership at Cape Racing. Charles and I have made a deliberate choice to actively contribute to this resurgence. This commitment involves substantial investments in state-of-the-art facilities, high-quality broodmares, and a top-tier management team."

Charles Palmer added, “Paardeberg Stud represents an ambitious undertaking, and it was imperative for us to secure a distinguished stallion as a testament to our dedication to the stud and the broader South African thoroughbred racing industry. We consider ourselves exceptionally fortunate to have acquired such an exceptional performer to serve as our standard bearer.”
