

SANCTUARY HORSE SPONSORSHIP PROGRAM

The Foxie G Foundation was formed in 2012 for the purpose of protecting retired racehorses and broodmares. It was named in honor of a big-hearted retired racehorse named Foxie G. The foundation rescues and rehabilitates Thoroughbreds that often do not have any other option or place to go. Some come from the slaughter pipeline or neglect situations. Others from a past caring owner or trainer. All are in need of help and protection.

The Foxie G Foundation offers a safe, caring environment for these magnificent equine athletes to call home while they are being rehabilitated for future adoption to a new "forever" home. Those that are not deemed to be a candidate for adoption due to physical injury or emotional distress are provided a permanent home in our sanctuary program. It is these horses that are the subject of our Sanctuary Horse Sponsorship Program.

Each one of our sanctuary horses has its own unique story and history as a racehorse, but one thing that they all have in common is that they have found a home at Foxie G. Their care and upkeep are provided by our foundation, which is supported solely through fundraising, grants and generous donations from caring individuals and groups.

Many of our sanctuary horses raced locally at the Maryland tracks so their names may be familiar to you. The attached pages are a "yearbook" of the horses that are currently in our program. We have provided a short biography of each which briefly highlights each horse's history. The Foxie G Foundation is looking for people who might be willing to sponsor one of these wonderful horses to help ensure their continued safety and much-deserved retirement. All donations made to the foundation are tax deductible.

We hope that you enjoy reading about our retired equine athletes and, if you are interested in helping us with their care, please fill out the slip below and return it along with your donation to:

The Foxie G Foundation, P.O. Box 39, Libertytown, MD 21762

We and the horses THANK YOU for caring!

***The Foxie G Foundation is a volunteer based 501(c)(3) nonprofit horse and cat rescue.

*1998 Chestnut Thoroughbred Mare
Lifetime Earnings: \$9,910*

Tiding Over is a 1998 mare by Unbridled (the 1990 Kentucky Derby winner). She only started 5 times in 2001 with no wins. As a 4 year-old, she was sold at Keeneland for \$45,000 and never raced again. Following her brief racing career, she was a broodmare before being donated to Foxie G for retirement. "Tide" still has a lot of spirit and likes to boss her friends around, though she is never too tough on them.

VALLEY PARKING

*1998 Dark Bay Thoroughbred Mare
Lifetime Earnings: \$208,964*

Valley Parking raced between 2000 and 2006, and won 10 races out of 44 lifetime starts. In 2013, she was rescued from a major neglect situation, found pregnant and blind in her left eye. Her colt, Stevie, was born on the farm shortly following rescue and has happily been adopted. Valley Parking is a tough old girl with a little bit of an edge. She doesn't like to leave her friends, but is sweet as long as she can stay out in her field.

WELLINGTON’S ARCH

*2002 Dark Bay Thoroughbred Mare
Lifetime Earnings: \$78,317*

Wellington’s Arch is a 2002 mare by Arch (a multiple graded stakes winning Claiborne stallion). She raced between 2005 and 2007, winning 3 races out of 17 lifetime starts. She came to Foxie G for a safe place to retire when she could no longer be a broodmare. Wellie is very sweet, the mother of her group, and watches over everyone.

WHERE’S CIELO

*1998 Bay Thoroughbred Mare
Lifetime Earnings: \$28,145*

Where’s Cielo is by Conquistador Cielo (1982 Belmont Stakes winner). She won 2 races out of 18 lifetime starts between 2000 and 2001. In 2016 while in her late teens and blind in her left eye, she was saved from a kill pen by good friends of Foxie G. Unfortunately, little is known about Cielo’s life between the track and her rescue, but she patiently waits for attention and is kind to all of her friends (she even sometimes lets them share her feed).

WHO YOU GOT THERE

*1993 Chestnut Thoroughbred Mare
Lifetime Earnings: \$17,083*

Who You Got There won 4 races out of 14 lifetime starts between 1996 and 1997. This old girl is as tough as they come. As a 20 year old, “Whoie” came to Foxie G very underweight, but she rebounded quickly with her resilient nature. This old girl prefers her equine friends to her human ones and really wishes she never had to get her feet done or get her vaccinations, but she always eventually, though a bit grudgingly, gives in.
