LEADING Thoroughbred Industry Publication for Racehorse Investors
The TDN is the world’s most-read and respected publication covering the Thoroughbred industry. The core product, a downloadable daily newspaper, is published 363 days per year, and provides the daily information Thoroughbred racehorse investors need to make smart business decisions about their holdings.
The TDN also features an active news site, a podcast channel which includes the industry’s most popular podcast (The TDN Writers’ Room), push alerts, a video channel, proprietary iOS and Android apps, and research tools. The content is geo-targeted, with users logging on from Europe fed Euro-first content, and Americans receiving American content first. All users have access to all content.
OUR REACH

Read in 180 countries around the world, the TDN reaches 3.5 million unique users per year, and an inside circle of 22,000 super-users in the Thoroughbred industry who have signed up for a daily email informing them when each night’s paper has been posted.

IN TODAY’S TDN

In TDN America:
Bill Finley takes the temperature of the general public and mainstream media as people react to Medina Spirit (Protonico)’s demise; Seth Fishman allegedly continues to sell PEDs even while awaiting trial and Dan Ross reports from the University of Arizona’s annual Global Symposium on Racing.

In TDN Europe:
French police raided the stables of trainers Frederic, Cedric and Charley Rossi on Tuesday. Group 1 winner, and influential sire Choisir (Aus) (Danehill Dancer (Ire)) has died at the age of 22 at Coolmore Australia.
OUR READERS AND OUR ADVERTISERS

Those super-users include billionaires from all over the world: heads of state, owners of Fortune 500 companies, America’s largest landowner, multimillionaires, and the UHNW individuals in America, and those investing in America.

And they’re not just our readers. They’re our advertisers, giving them a connection to the product that is unparalleled at all but a select few publications in the world.

TESTIMONIALS

“I read the TDN first thing every morning. I get everything I need to know from all over the world.”

Aidan O’Brien

“The TDN is the undisputed leader of daily bloodstock publications which makes it a can’t miss when you wish to reach a wide, yet qualified target. The team is also great to deal with: they have an excellent understanding of our needs, regularly come up with innovative offers and are always very responsive to our requests.”

Olivier Delloye,
President, France-Galop

“Every night I look forward to reading ‘tomorrow’s’ TDN. It guarantees that I’m ahead of the rest of the world for all my Thoroughbred news...”

Bobby Flay, Celebrity Chef

“The TDN is the go-to source of racing and sales information for our core customers.”

Boyd Browning,
President & Chief Executive Officer, Fasig-Tipton

“When you want to know anything about thoroughbred racing in the USA or around the globe you simply need to turn to the Thoroughbred Daily News. For a service provider like International Racehorse Transport, it is a wonderful medium for reaching our worldwide client base.”

Quentin Wallace,
International Racehorse Transport

“Ding! Every night – the sound of my favorite email from TDN – letting me know what’s going on in the world of Thoroughbred racing.”

Bo Derek, Actress
Michael Dubb, New York State’s largest residential developer, reads the TDN daily, and also uses it to sell multi-million dollar homes near racetracks.

Gerald and Alain Wertheimer, the French billionaire owners of Chanel, open the TDN an average of seven times per day, and open virtually every push alert they receive from us.

John Magnier, the Irish billionaire with real estate holdings around the world, prints out the TDN every day, scribbles notes in the margins, and sends them to his associates. He owns Thoroughbred farms on three continents, is our biggest single advertiser. His son, M.V., who will take over the empire, never misses the Writers’ Room podcast, and has just become a sponsor. They have a robust American business, standing two Triple Crown winners at their Ashford Stud in Kentucky.
Standard Oil’s Farish Family, which hosted the Queen of England on her American visits, is our second-largest advertiser, and communicates with us daily. The Queen advertised her stallion, Recorder in the TDN.

Sheikh Mohammed, The Ruler of Dubai, also owns Thoroughbred farms on three continents, including North America, and is our third-largest advertiser. His U.S.-based Thoroughbred auction company, Fasig-Tipton, is our fourth-largest advertiser, making his total spend with us annually around three-quarters of a million dollars.
The rest of the top 10 includes billionaires in communications (Excel’s Kenny Troutt), the family that owned the Pittsburgh Pirates (the Galbreaths), George Soros’s equine operation (SF Bloodstock), and the farm owned by the billionaire founder of Public Storage, the late B. Wayne Hughes, whose family now takes over the operation.
A younger, robust group of American and international investors interacts daily with the TDN and enjoys being featured in our pages.

For people who don’t own a sports team, a racing stable is the next best thing.

People like:

- Jim Bakke, the CEO and owner of Sub-Zero/Wolf.
- Energy titan Paul Farr, who is developing a $130 million complex, Titletown, outside of Lambeau Field. Being featured in the TDN, he said, “made his decade.”
- Bobby Flay, the restaurateur and celebrity chef.

- The American industrialist Peter Brant; fashion titan Andrew Rosen; the founder of Blue Buffalo dog food, who sold the company to General Mills for $800 million... and thousands like them read and interact with us daily.
These people have two things in common: Racing is their passion, and the TDN helps them to enjoy it—and profit from it. They are entrepreneurs and businesspeople, constantly investing in new projects, actively engaged in the business of amassing wealth, and requiring financing.

RACING IS THEIR PASSION

The TDN’s core audience is made up of ultra-high-net worth individuals, like Leucadia Asset Management’s Sol Kumin (right), who primarily invests in successful horses already racing, purchasing pieces of them to enjoy in partnership groups made up of his friends. Florida Panthers’ owner Vinnie Viola and BodyArmor’s Mike Repole spent $16 million on young Thoroughbreds this year alone.

Premium advertising opportunities are sought out by advertisers who want to have the most premium availability we have to offer. These ads have limited availability and appear on a once per day basis.

These ads include the front page masthead, front page 1/6 ad, inside front full page, digital leaderboards and email/interstitial ads.

The first ad you see when you download the PDF is the masthead ad, a 4-inch banner at the top of each day’s paper in the upper right corner.

The inside front cover (below) is the most premium placement we offer by size and position, appearing on page 2 in that day’s downloadable PDF, and as the inside front cover when the TDN is printed at Thoroughbred sales and auctions around the country (approximately 150 days per year in the U.S.).
EMAIL & WEBSITE ADVERTISING

EMAIL & INTERSTITIAL ADS

The email/interstitial ad (below) is contained in each of the 21,000 emails we send out each day, and also displays onscreen while readers wait for their papers to download.

As the most prominent ad on the TDN homepage, the expandable leaderboard (below) is the first thing people see when they come to the site, offering a large version on first view, and a closed version on subsequent views, as well as a mobile version.

DIGITAL ADS

- Every story in the PDF edition of the TDN is also posted on our website.
- These digital stories make up 80% of our overall traffic.
- This year, we will serve 12 million digital story pages.
- Each story features two advertisements from the advertiser.
- That’s 24 million digital advertisements.
- A one-fourth share gives you 3 million pageviews or 6 million ad views.

Most of our entry-level users are drawn in to the TDN through our digital stories. They go on to sign up for the PDF at a rate of six new subscribers per day. Once subscribed, they receive regular emails and push notifications on our app.

Continue to the following page for more examples and digital advertising rates.
The digital ads in each story function in tandem, with one vertical ad displayed on the right side of the story, *as seen to the right*, and one horizontal ad displayed three paragraphs into the story, *as seen below*.

- They may be sent as static ads, or animated gifs.
- They are served on a rotation, with each advertiser displayed in the next view in the queue.
- The 728x150 ads are also included in our email blasts of breaking news, *as seen to the right*. We average three e-blasts per day to targeted segments or our overall audience, for an additional 5,000 views per day, or 1.825 million views per year.

The TDN offers three distinct opportunities for advertisers to play commercials in our content.

VIDEO PREROLLS ON MAIN VIDEO PLAYER

Our featured video plays prominently on our homepage, and we show over 2 million videos per month. Each video is preceded in a rotation by one of four advertisers' commercials. The spots are 30 seconds, but the user is given a skip option after 12 seconds, giving each advertiser approximately 75,000 views per month, of at least 12 seconds.

Cost: $2,500 per month (currently sold out)

FULL COMMERCIAL + BANTER IN TDN WRITERS' ROOM

The most popular videos we do are the TDN Writers' Room, a weekly roundtable show where our writers discuss the week's events, and feature a guest. The show is 60-90 minutes long each week, and offers commercial breaks where we roll your full 30-second commercial, and the hosts banter about your product based on notes that you provide. Each week's show gets between 20,000 to 50,000 views, and is also added to our YouTube page, where it gets additional exposure.

Cost: $400 per week

SPONSORED VIDEO

Show your promotional video on the TDN homepage, where it will receive tens of thousands of views in our sponsored video box.

Cost: $1,000 per week or $2,500 per month
All of our newsletter ads from full page to 1/16 page are available on an unlimited basis within our daily PDF in an optional horizontal or vertical layout. Each ad always runs on a page of its own (with some exception to sponsorship boxes/ads). Most run on a first-come-first-serve basis (first 3-5 pages are often on annual contract) and can be booked as late as the day before the ad is scheduled to run.

See rate card for complete size options, specific dimensions and pricing.
In addition to our daily online newsletter, you’ll reach top owners, breeders, bloodstock agents and more through our bonus print distribution at major Thoroughbred horse sales throughout the year, both in America and internationally.
